Chapter 2247

Liberty: "Mr. Lewis, it's getting late, you should go to bed earlier."

Duncan: "Well, you go to rest quickly, I am a half-timer now, it doesn't matter if I go to bed later or wake up later."

The two said goodnight to each other.

Duncan was about to get out of the car.

The bodyguard moved out of the wheelchair first, and then slowly helped him out of the car.

After he sat in the wheelchair, the bodyguards pushed him to the main house.

At this point, everyone in the Lewis family had fallen asleep.

But when Duncan first entered the room, before the bodyguard turned on the light, the light in the room turned on, and it was Mrs. Lewis who turned it on.
