Married at First Sight Chapter 2299-Kevin continued: "But you are different. Your facial features are feminine and evil. You pretend to be a man, but you still lack a bit of masculinity. If you put on women's clothes, you will definitely be charming. You are a woman. Come on, let's exchange clothes, I will wear this for you...Clothes are ostentatious.

You don't have to wear women's clothes to show off, you just need to change into women's clothes in your lounge and let me see how you look in women's clothes."

Hayden: "..."

Kevin actually wore women's clothing.

He also ran to her company in women's clothing.

Hayden looked Kevin up and down, and after a while, she couldn't help laughing, and said: "Mr. York, you look pretty good in women's clothing, but you're too masculine."

Kevin: "Because I'm a man, even if I dress up as a woman, I still look like a man, and you are a woman, even if you pretend to be a man for more than 20 years, you are still a woman. Hayden, I don't ask you to run around in women's clothes like me, just in your lounge, let's exchange clothes, let me see how you look in women's clothes, okay? I really want to know if you look good in women's clothing."

While Kevin was speaking, his eyes locked on her deeply, with anticipation.

Hayden laughed and said: "Kevin, I can't wear women's clothes, I'm not used to it, you are wearing women's clothes now, do you feel comfortable? Are you comfortable? You must be uncomfortable. When you walk in high heels, do you want to take off your high heels and run with your shoes?"

Kevin was left speechless by her question.

He was really uncomfortable, not used to it, and wanted to throw away those high heels. But he was a man.

“I admit that I am a woman. No matter how many years I pretend to be a man, I am still a woman. This is an indisputable fact, and I cannot deny it. But I have been pretending to be a man since I was a child, and I have been pretending to be a man for more than 20 years. I am used to this kind of life and this way of dressing.

You asked me to change into women’s clothes, wear high heels, wear fake long hair or grow long hair, I must also feel uncomfortable and uncomfortable.

Kevin, if you really like me, you shouldn’t force me to do things I don’t like to do.”

After Kevin looked at her for a long time, he sighed and said, “Well, it’s my fault. You don’t like to wear women’s clothes, you don’t want to wear high heels, and you like men’s clothes. I respect your choice.

Can I borrow your lounge?

Take this dress off, I don’t feel comfortable in this dress and this wig.”

The pair of high heels under his feet, he wanted to throw them on the street every minute.

Hayden said generously: “The door of the lounge is not locked, you go in and change by yourself, did you bring the clothes to change?”

Kevin said honestly: “Take it, I just walked through it for you to see. For you, I really can do anything.”

Hayden smiled, “Then you go in and change, and change back to your men’s clothes, so you can be more comfortable.”

Kevin carried his clothes into Hayden’s lounge. He didn’t close the door after he went in. Anyway, Hayden wouldn’t come to see him.

How was his figure, he took her to take a bath that night, she had already seen it.

When Kevin entered the lounge to change clothes, Hayden did not take a peek.

She didn’t work any more, but sat on a black chair with deep thought on his handsome face.

When she saw Kevin walking in in women's clothing, she was dumbfounded and couldn't believe what she saw.

After understanding the reason why wore women's clothing, Hayden didn't show it on the face, but her mood fluctuated greatly.

For her, Kevin had worked hard enough and dared to do anything.

Even wearing women's clothing, the sacrifice was really great.

Recalling the days since Kevin lived in Jensburg, he brought her too many joys, sorrows, sorrows and joys, which caused waves in her peaceful life, but also enriched her life.

When she was angry, she was really mad at him.
