Married at First Sight Chapter 2308-Hayden in the car asked the driver to stop after seeing Kathryn.

“Miss Farrell, what’s the matter? Something wrong with the car?” Hayden pressed the car window and asked Kathryn.

Kathryn heard the voice of questioning, looked over, and saw that it was Hayden, she walked over, “The car suddenly broke down, and I don’t know why.”

“I’ll let my driver take a look at it for you.”

Hayden ordered the driver to get out of the car and help Kathryn check the reason why the car broke down.

The driver Hayden hired was not only mature and stable, but also had good driving skills and could also repair cars.

Hayden also got out of the car, and when she got out of the car, her bodyguard team naturally followed.

After checking Kathryn’s car, the driver said to Kathryn: “Miss Farrell, please contact the 4S shop to tow the car for you. I can repair the car, but I don’t have enough tools to help you fix it.”

“It’s okay, I’ve already contacted the 4S shop to come and help me tow the car for repair.” Kathryn contacted the people in the 4S shop when she met Hayden.

The driver looked at her hesitantly.

Neither Hayden nor Kathryn missed the driver’s expression, Hayden said seriously: “If you have anything to say, just say it.”

“Master, Miss Farrell’s car must have been tampered with.”

Hayden’s eyes were deep, but Kathryn’s expression remained unchanged, maybe she had already guessed it.

The driver said cautiously: “The other party just wants to make Miss Farrell’s car unable to go halfway, and I don’t know why he did so.”

Most people tamper with other people’s cars in order to make them get into a car accident and make it look like they died in a car accident.

Situations like this encountered by Kathryn were rare.

The other party probably didn’t want Kathryn’s life, but just wanted to punish Kathryn?

Hayden looked at Kathryn, Kathryn thanked the driver first then she said to Hayden: “Now I need to go to your Greenrest Hotel to meet an important client. That client has a strong sense of time. If I am late, the client will have a bad impression of me and will not give me another chance to discuss business with him.

This project is also valued by my mother. If I miss the cooperation because I am late, my mother will definitely scold me and even demote me.”

Hayden understood, she said to Kathryn: “Is it too late for me to take you to the hotel?”

Kathryn looked at the time and said, “If there is no traffic jam, we should be in time.”

“Get in the car, and I’ll take you there. I’ll have someone look after your car here, and wait for the people from the 4S shop to come and tow the car.”

Hayden was willing to help, and Kathryn was also welcome.

She thanked Hayden, went back to her car to get the materials, and followed Hayden to the car.

Hayden said calmly: “We are also friends. If you encounter difficulties, there is no reason for me to stand by and do nothing.”

She had always admired Kathryn.

Leaving aside the situation of Farrell’s family, she felt that Kathryn was very suitable for Hugh, but it was a pity that that br*t didn’t like Kathryn.

It’s hard to say about fate.

Feelings couldn't be forced.

Kathryn's luck was not bad, although there were traffic jams at some sections along the way, she could pass quickly.

Hayden's driver drove fast and steadily.

When they arrived at Greenrest Hotel, there were still five minutes before Kathryn's appointment with the client.

Kathryn got out of the car and said to Hayden: "Mr. Queen, I'm in a hurry right now, so I can't reward you for now. I'll treat you to dinner another day. I'll go in first."

Hayden smiled: "Miss Farrell, you're welcome, come on!"

Kathryn thanked Hayden and rushed into the hotel.
