[Chapter 1041](#)

1041 What if I say I like you (1:

Ning Qing didn't know what to say, and she stammered, "if you don't agree, I'll do it."

"Sue me until I'm in jail?"

She didn't know when, but he had already crossed the line of defense and was standing dangerously in front of her.

Ning Qing's pupils shrank and she took two steps back.

There was a cabinet behind her, and she had nowhere to go.

She took a deep breath. don't come over here.

He seemed to be deliberately challenging the bottom line of her tolerance for him. His clear masculine scent hit her in the face, invading her senses inch by inch.

Without thinking, ning Qing threw the cup in her hand at him.

"Bang!"

The sound of hard objects colliding was low, but clear enough.

Ning Qing's body stiffened, and her eyes glazed over.

The cup didn't break, but Nian lie's forehead broke.

Red blood flowed down, drop by drop.

She was suddenly flustered and confused. Her lips were pale. I'm stunned.

She was about to reach out when he caught her hand.

She panicked even more. let me go!

Nian lie covered his forehead with one hand. His head felt even heavier after being knocked by her.

She struggled, but he used more strength. He didn't use enough strength to hurt her, but he also didn't want her to run.

Ning Qing regretted it now.

She should not have let her father save him!

He should have been left to his own devices, best if he died!

"I'm being sincere."

Ning Qing's eyelashes trembled when she heard this. what are you talking about, Yingluo? "

Nian Xi gritted his teeth. I meant it when I said I'll marry you!

Ning Qing's body stiffened, and even her thoughts were frozen.

Time passed by, and the man's handsome and pale face was right in front of her.

Ning Qing suddenly came to her senses and felt that he was being ridiculous, so she pushed him harder.

"Do you think I'm a three-year-old child? do you think I'm easy to bully and deceive? You animal, you still said you wanted to marry me Yingluo, what right do you have to marry me? You're a rapist, and you still want me, the victim, to marry you!"

The three words turned into soft needles and instantly pierced Nian lie's heart.

He was in so much pain that he couldn't control the strength in his hand. Ning Qing's face turned pale. it hurts ...

He suddenly let go of her and staggered.

Ning Qing kept panting, her eyes glistening with tears.

The next second, she couldn't stay any longer and ran out.

However, just as she grabbed the door handle, her hand was grabbed again.

Before she could scream, her entire body was twisted and she was pressed against the door.

He placed his hand on the back of her head.

Nian lie's entire body trembled. Due to the pain and fever, his vision blurred for a moment, then cleared up again.

He knew it was her.

Ning Qing was so scared that she didn't dare to breathe. Her face was pale. what are you doing, Zhenzhen? "

Nian lie panted heavily, his chest heaving up and down as it pressed against her chest.

Ning Qing did not dare to move. His hot breath blew on her face, just like that night.

"I want to marry you," he said.

"....."

"I'm really willing to marry you."

Tears welled up in ning Qing's eyes, and at the same time, she burst out with sarcasm and meanness that did not belong to her. why? Why?"

His black eyes grew deeper and deeper, like a deep winter night, so dark that there was no temperature, but it also seemed to contain a thousand words.

Ning Qing's heart was dead. Just as she was about to continue mocking him, she heard him ask a fatal question, "

"What if I say I like you?"

Could this be a reason for him to marry her?

Nian lie didn't want to admit it, but he had no choice but to admit something that even he himself was ashamed of.

That night, when he was facing her, under the control of the drug, he had more or less developed some selfishness and greed.

[Chapter 1042](#)

1042 You have the final say on whether to marry or not (1:

When he first saw her, he felt that she was beautiful and clean, like a pool of clear water.

At that time, he had been wondering who could have touched such a girl.

As for him, he couldn't help but sigh at how powerful his opponent was. Perhaps it was a coincidence.

When he was at his most unbearable, who wouldn't send her? why did he send her to her?

He had always coveted her, like the light to the dark.

He didn't dare to touch her because he didn't want to pull her into his world, but Yingying couldn't hold back in the end.

"....."

The room was quiet, and Nian lie's heart was in his mouth.

He did not know how much of an impact his words had on ning Qing.

The young girl's expression changed several times,"what nonsense are you talking about, Yingluo?"

The force on his wrist was heavier, indicating that the person was not calm.

"....."

She turned her face to the side to avoid his breath, her face burning hot.

Finally, the shadow left.

She heaved a sigh of relief unconsciously. Nian lie was still holding her hand. I'm telling the truth. I've never lied to you from the beginning.

The responsibility was real, and the love was also real.

Ning Qing was very agitated. you don't even know me. You just pity me! You don't even know my name, so how can you say you like me?"

Nian Yu stared at her, his thin lips pursed.

Ning Qing broke free from his grip and walked to the side with her back facing him. I don't need you to make it up to me like this. Even if I can't get married in the future, I won't marry you.

Nian lie held his breath. do you think I have to lie to you? "

Ning Qing stammered, unable to answer.

He frowned. I have thousands of ways to make it up to you. If I don't want to be responsible for you, I can choose not to appear and let you suffer instead of choosing to confess to you and your family.

"....."

Ning Qing's heart was in a mess. I don't know what you want to say. What you're saying is meaningless.

"What do you mean by meaningful?"

"....."

I want to marry you. It's from the bottom of my heart. He stopped getting close to her and looked at her trembling shoulders. I'm telling you all this because I have many ways to solve this problem and it won't cause me any trouble. But I'm here in front of you because I really want to marry you. Do you understand? "

"....."

"I can wait for you! If it's possible, we can cultivate our feelings in these two years. When you're twenty years old, we'll get married!"

"....."

Ning Qing found it ridiculous and funny. Her heart was surging and boiling, and she couldn't describe how uncomfortable she was.

She stood there, not saying a word.

Nian lie felt an indescribable sense of disappointment. I won't force you, Qianqian, " he said in a hoarse voice. but please think carefully about what I said. You're the one who decides whether you'll marry or not.

He opened the door and left without hesitation.

As the door closed, ning ting suddenly lost her strength and slipped to the ground.

When mother ning and ning su entered the room, they only saw her crying.

Mother ning's heart ached for her, and as she helped her up, she cursed,"this damned b * stard!" We shouldn't have cared about him. Qingqing, don't cry anymore. Let's not bother about this person anymore!"

Ning Qing covered her face, shook her head, and sobbed for a long time. The man's words kept running through her mind, but she couldn't say a word.

After she finally stopped crying, she didn't say anything to mother ning. She only said that she was too excited and brushed it off lightly.

*

At night, she and ning su lay in the same bed.

“Sister, do you know what it means to like someone?” ning Qing looked up at the dark ceiling and asked.

[Chapter 1043](#)

1043 I will not like him (1:

Ning Meng was stunned for a few seconds. do you like it? He should know.”

Ning Qing turned to her side and hugged her tightly in the dark. then tell me, what do you mean by ‘like’? ”

yes, Hanhan likes him because she’ll worry about him. When she doesn’t see him, she’ll think of him. She’ll think about him when she does anything. She’ll think about how he’s doing, if he’s sick, and she’ll care about him for no reason. When he appears, your eyes will follow him involuntarily. You’ll blush and your heart will beat faster for him. You’ll be nervous and flustered for him. You’ll be dazed.

The more ning Qing listened, the more she felt something was wrong. She immediately stopped. stop!

In the dark, ning su couldn’t see her, but she looked around guiltily.

what’s the matter? which boy do you like? ” Ning Yan asked with a smile.

Her question was simple, but the face of that person instantly appeared in ning Qing’s mind.

Ning Qing’s face heated up. She was angry at herself. I didn’t!

Ning su was startled by her. really? ”

“Of course! Who can I like? There’s no way I’ll like him!”

That man didn’t look like someone to be trifled with. Besides, he had let her down, so how could she like him a little?

Ning su didn’t say anything. Ning Qing was annoyed. Then, she asked in a low voice, ” sister Xuxu, I mean if I’m going to marry someone in the future. Should I marry someone I like, or should I find someone who likes me? ”

Ning SU’s expression froze. did that man propose to you? ”

Ning Qing was so excited that she sat up directly.

“How is that possible? What kind of proposal is that?”

After that, the entire room fell silent again.

Her words were like an invisible admission.

Ning Qing panicked. f * ck me, f * ck me!

Ning su sat up, her eyes soft and bright. you like him? ”

Ning Qing’s breathing was a little rushed. I didn’t.

“.....”

“Don’t say that. I won’t like a man who forced himself on me.”

“.....”

“He’s a bad guy, I won’t like him.”

She angrily took off the quilt and lay down with her back facing ning su, as if she was sulking.

Ning su felt helpless. Thinking of her series of reactions, he tried to sound her out: I can’t say he’s: bad person: can: :”

“Why?” ning Qing asked weakly:

“Didn’t he say he was drugged? I’ve heard that it’s hard for boys to control themselves after taking that medicine.”

After all, she was a young girl, and ning su felt embarrassed to talk about this kind of thing, so she blushed.

Ning Qing couldn’t help but think of that night.

He didn’t do anything to her at first and wanted her to leave. At that time, the door was locked from the inside and she couldn’t open it. She asked him for help, and he only wailed when he got close.

Ning Qing’s face burned as she thought about it, and she became uneasy.

if that’s really the case, ” ning su continued, ” we don’t just have to blame him. We also have to blame the person who drugged him and sent you to his room.

Ning su had no intention of exonerating Nian lie. She had deliberately said this to see what ning Qing thought.

Ning Qing lay on the pillow. you’re right to say that about ran ran.

Ning su was pretty sure of her feelings for him, so he was a little worried.

Ning Qing had not realized that she had become more tolerant of that man, and she did not know if this was a good or bad thing.

She didn’t want to expose her, so she touched ning Qing’s head. alright, let’s not talk about it anymore. Go to sleep.

Ning Qing nodded.

After ning su lay down, she thought about what she had just said. The more she thought about it, the more flustered she became. She simply stopped thinking about it and closed her eyes to sleep.

[Chapter 1044](#)

1044 The clothes are: little tight (1:

*

“Today’s weather is pretty good, it’s suitable for going out.”

As mother ning spoke, she started to arrange for them to go shopping today.

Ning Qing and ning SU's school days were approaching, and both of them needed to buy some daily necessities and school supplies.

Ning Qing agreed. She hadn't been out for a long time, so she was a little nervous.

"It's okay, be brave."

Ning su encouraged her, and she nodded in response.

The family of three went out and went to the nearest department store.

Ning Qing and ning su first bought their daily necessities, and mother ning wanted to buy them some new clothes.

I'm going to a new school and I'm going to meet new people. Of course, I'm going to go with my head held high. My daughter wants to wear a beautiful dress!

Mother ning chuckled, and the two sisters went to the clothing store happily.

*

On the other hand, as the young President, Nian lie received the news right after the meeting.

"Miss ning is out with her sister and mother."

Standing tall and straight, Nian Yu moved to the side. where? "

The other party gave the name of a shopping mall, which happened to be under the Nian Corporation.

"Get someone to clear the place for them. Put whatever they buy on my tab," he said without much hesitation.

"Yes."

Nian lie thought for a moment and paused. forget it. Wait for me to come over.

"Alright," he said.

Nian lie hung up the phone and walked toward the elevator.

Unfortunately, just as Nian Junting was about to leave, he saw him hesitating.

Nian lie lowered his head and said, " father.

Among the well-trained bodyguards, Nian Junting had an extraordinary aura and a cold and stern face.

"Where are you going in such a hurry?"

Nian lie replied unhurriedly, " I have a project to discuss.

Nian Junting looked at him with his cold and harsh eyes.

The elevator door opened and he stepped in.

Nian lie waited by his side and respectfully let him go first.

“Come in.”

The man’s voice was deep and firm.

Nian lie walked in.

“I heard that you’ve been going out a lot recently.”

The sudden question made the space in the elevator even more tense.

“I also heard that you’re getting someone to investigate what happened at the hotel that night.”

Nian lie’s head was still lowered, and his voice was a little low. father, as your son, being framed is a stain in my life. It’s fine if you want to smear my reputation, but I won’t allow anyone to tarnish the Nian family’s reputation.

Nian Junting stared at him coldly. His son was a scheming and rebellious man. Sometimes, he had to think about whether he should believe his words.

“You really think so?”

Nian lie raised his eyes. I will make whoever harmed me pay the price.

Nian Junting nodded in satisfaction. you must take revenge and know how to use your power. But if you let your guard down and think that I can control you for the rest of your life, you are wrong.

I don’t dare to think that way. I’ll remember father’s words and bring the Nian family to greater heights.

Nian Junting smiled and did not say anything else.

The elevator arrived and he left.

Nian lie followed him out and saw him off. He stood there and watched him get into the car and leave.

His black eyes were as cold as the night.

A sharp-eyed subordinate saw him and rushed over. young master, is ran ran still going over there? ”

Nian Yu pursed his lips. go get the car.

The subordinate understood and said, ” yes.

*

In the mall, ning Qing had already changed into two sets of clothes.

The last set was a light yellow dress. The style was more fitting. Although she was thin, it still felt a little tight on her stomach.

Standing in front of the mirror, both mother ning and ning su couldn’t help but praise him.

“Qing ‘er is so pretty!”

...

that's right. Our Qingqing is beautiful. She'll look good in anything!

Ning Qing smiled shyly and touched her stomach, which was a little tight.

[Chapter 1045](#)

1045 Retreat, we must retreat!_1

She didn't know why, but she seemed to have put on some weight recently, and her usual size was a little small.

She walked to the shop assistant at the side. um, do you have a bigger one? "

The shop assistant nodded. of course, but our style is close-fitting, and it doesn't look good if it's loose. Miss, I think the one you're wearing is just right.

Ning Qing frowned. it's a little too small.

"It's not small, isn't this just right?"

Mother ning walked around her and felt that she was just right.

Ning Qing went along with her wishes and took off the dress.

After ning Meng tried on two more clothes, she made her decision. Mother ning paid for the clothes and walked out with the bag. She suddenly found that there were very few people in the shopping mall.

what's going on? " Mrs ning asked in surprise.

Ning Qing and ning su shook their heads. They had never seen this shopping mall so quiet before.

After a short while, a formally dressed woman walked toward the three of them and bowed respectfully. welcome to FC mall, a subsidiary of the Nian group. On behalf of all our employees, I would like to extend a warm welcome to the three of you!

The entire family was dumbfounded.

Only ning Qing heard the name and was a little sensitive. the Nian family? "

yes, our young master has instructed that the three of you can spend as much as you want today. He'll pay for all the bills.

"Who's your young master?" mother ning asked.

"Nian lie, Mr. Nian."

Mother ning was still confused. Only ning Qing was shocked, and the bag in her hand began to heat up.

The woman was all smiles. the young master will be here soon. You can choose whatever you want.

She bit her lip and pulled the shocked mother ning back. Xuxu's mother, we don't want these things.

Ning su and her mother were dragged back to the shop, and ning su followed behind them. No one paid any attention to the woman.

“What’s the matter, Qingqing?”

“I don’t want it anymore. I want to go home,” ning Qing said, looking for an excuse.

Mother ning and ning su looked at each other, and ning su jogged a few steps. if you want to go home, we can go back immediately, but you don’t have to return these.

“We must retreat!”

Her sudden uneasiness made ning su notice something unusual.

“Qingqing, what’s wrong?” she asked.

“Yingluo is fine.”

“You know this Nian lie?”

Ning Qing stopped in her tracks.

Mother ning and ning su were confused. She took a deep breath and looked at the two of them. he’s the one who’s been waiting downstairs every day.

Mother ning was extremely shocked. he’s the young master of the Nian Corporation? ” He’s ...”

After a long time, she couldn’t say a complete sentence.

Ning Qing was anxious. She didn’t want to see him, and she didn’t want his things.

“So, these things must be returned.”

Mrs ning nodded in agreement. that’s right. Who would want him to compensate us with these things? ”

retreat! ning su cooperated. we must retreat!

The three of them rushed back to the clothing store and insisted on returning the clothes. The store manager was in a difficult position and couldn’t persuade them no matter what.

Coincidentally, Nian lie arrived at this moment.

He was a little different from usual. His hair was combed neatly, and he was dressed in a haute couture suit. His eyebrows were sharp, and his eyes were bright. His nose was high, and his thin lips were slightly pursed. His black eyes were deep, and the aura he exuded when he walked was much more powerful. He seemed much more mature and steady.

Looking at him like this, the few of them were in a daze. It was as if, in their hearts, he was still the man who had been pressed to the ground and beaten up by father ning.

“.....”

Nian lie saw ning Qing’s figure and walked straight towards her.

She did not move and he looked at the manager. what’s wrong? ”

[Chapter 1046](#)

1046 Nian lie, you are a jinx (1:

The store manager called for help. young President, the three customers just bought their clothes and suddenly want to return them. They won't accept it no matter what.

Nian lie's eyes darkened. Ning Qing was frightened by his subconscious movement and took a step back.

Only then did he realize that his attitude was a little harsh, so he restrained himself and lowered his tone. why do you want to return it? "

"I don't want it anymore," ning Qing said.

Nian lie walked to the cashier and took out the clothes from the bag. He looked at them and asked mother ning, " Auntie, does she look good in them? "

Ning Qing's mother was a little confused when she was called out. ah, ran ran is pretty.

Nian Jin pulled ning Qing's wrist. She didn't like to have physical contact with him in front of so many people. what are you doing? " Let me go!"

Nian lie wasn't angry. since you look good in it, you should keep it.

Seeing him like this, ning Qing resisted even more.

it's not like you have to keep it just because it looks good. All beautiful things should be looked at from a distance to show respect.

Nian lie frowned. Ning Qing was rebellious. He turned around and said, " I don't want it.

"....."

The atmosphere was a little awkward.

No one made a sound. Ning Qing knew that he was looking at her, but she did not turn around.

She didn't realize that she was throwing a tantrum at the moment, nor did she realize that he was still holding her hand.

The look in Nian lie's eyes changed a little. In the end, he turned to face mother ning and ning su. Auntie, you should rest for a while. I'll talk to her for a while.

Without waiting for mother ning's approval, he pulled ning Qing out of the room.

"Release me! I don't like it when you force me! Can you not force me to accept these things!"

When they reached the corridor, ning Qing completely exploded and angrily flung his hand away.

Nian Yu pursed his lips and endured the pain. He lifted his suit jacket, put his hands on his waist, and calmed down. He turned around, one hand on the guardrail behind her.

"Why are you throwing a tantrum?"

“I’m not throwing a tantrum. I just don’t like it and don’t want it anymore. What right do you have to force me?”

Nian lie gritted his teeth. I’m being nice to you. Can’t you tell? ”

Ning Qing’s face turned red with anger. you’re so arrogant! I can’t reject you when you’re not good to me, but if you’re good to me, you want me to accept it. Why? I don’t even have the right to refuse?”

Nian lie’s head started to hurt. He wasn’t good at dealing with women at all, not to mention a young girl like her.

Forget it. She was still young. It was normal for her to be a little willful. He would not be angry with her.

The man pinched the bridge of his nose and trapped her in front of him. I didn’t say that you can’t refuse, but the things you’ve set your eyes on are all necessities of life. If you return them here, you’ll have to go to other places to buy cicadas.

In a fit of anger, ning Qing’s eyes were watery and she seemed to be extremely angry. am I not obvious enough? I don’t want anything from you.”

Nian lie’s Black eyes darkened. you’re so against me.

“Yes, I hate you.” Ning Qing’s heart stopped. She bit her lip.

“You won’t even give me a chance to compensate?”

“Yes!”

Nian lie took a deep breath. Otherwise, he was afraid that she would anger him to the point of a brain hemorrhage.

Ning Qing’s chest heaved as she stared at his well-defined side profile. if there’s nothing else, let me go.

She wanted to run but was pulled back by him. Her back hit the guardrail and she groaned in pain.

Nian lie quickly pulled her back. are you in pain? ” Let me see.”

He wanted to turn her around, but ning Qing pushed him away, her eyes red. you’re so annoying! Can you not appear? every time you appear, I’m up to no good! You’re a jinx!”

[Chapter 1047](#)

1047 Pregnant:

These words finally hurt the man.

His eyes turned cold. There was a kind of coldness that kept people a thousand miles away, and he was also a little hurt.

“.....”

He looked at her with an angry expression. Seeing that she had goosebumps all over her body, he wondered if he had gone too far when the man walked towards her again.

Ning Qing was scared. what are you doing, Yingluo? don't hit Yingluo.

She thought he was going to hit her, but he walked past her and went back to the cashier.

Ning Qing was dumbfounded. She turned around and saw him talking to the store manager and her mother before he turned around and walked out.

Nian lie stopped in front of her. Her panicked and scared look calmed him down.

"If you don't want it, then leave. It's up to you."

"....."

Ning Qing was stunned. He had already left.

Did he compromise with her just now?

When she thought of this, she felt an indescribable feeling in her heart.

By the time mother ning came out, she was only left with the daily necessities that she had picked out.

Ning Qing's expression was complicated. mother ...

let's go. If you don't like it, you don't have to keep the clothes," said Mrs ning, not knowing what to say.

Ning su nodded heavily. that's right. We don't want it anymore!

Ning Qing looked at the daily necessities. then, these kasayas ...

Mrs. Ning sighed. Qingqing, he's doing this out of good intentions. Although he has let you and our family down, I don't think he's a bad person. He wants to atone for his sins and make it up to us.

"....."

he's been in our house for so long these past few days. I'm not a stone-hearted person. I can't say that I'll forgive him on your behalf, and I won't forgive him for that matter either. However, he's still using his heart to convince him that he's still a child. I can feel his guilt. He probably did all these things to make himself feel better.

Ning Qing's eyes moved. mom, it's Yingluo.

Mother ning patted her back and said, " just treat it as a good person. Besides, he's the young master of the Nian Corporation. These things aren't worth much. Tell him not to come to our house for no reason. You'll be annoyed just by looking at them.

Ning Qing could not refute her mother's words.

She nodded, and mother ning said, " good girl. then, she led her and ning Meng back to the ning family.

From that day on, Nian lie really didn't go to the ning family again.

Sometimes, ning Qing looked at the empty downstairs and felt a sense of emptiness and grievance in her heart. Even she herself did not know why.

Fortunately, time passed quickly, and it was almost time to report to school.

However, unfortunately, another accident happened.

*

Ning Qing had been feeling unwell for the past few days. She couldn't tell what was wrong, but she felt nauseated and nauseated. She wanted to vomit whenever she saw anything greasy.

She had thought that it was just a stomach ache, and had even forgotten that she had not had sex for two months.

In the end, she fainted in the living room the day before she went to school.

*

In the hospital.

doctor, what's wrong with my daughter: " father ning asked the doctor:

"What's wrong?"

The doctor's tone was a little strange. He looked at the parents up and down, then at the twin sister who looked exactly like the patient, and his expression became even more unpleasant.

I say, what kind of parents are you? this child has just come of age. How could she not know that she's pregnant after doing that kind of thing with someone? "

"Pregnant?"

A bolt of lightning struck the family.

Mr. Ning trembled in disbelief. doctor, did you make a mistake? my daughter is still young. How could she have a fever? "

[Chapter 1048](#)

1048 She wants to abort him (1:

Suddenly, a light shadow entered his mind.

"Yes!" The doctor reproached. She's still young, but she's really pregnant. It's precisely because she's young that her body has just developed well. Your daughter's Palace walls are naturally thin, and now it's even worse. If she's not taken care of well, she'll easily have a miscarriage, and it'll have an immeasurable impact on her in the future!"

"....."

I think she's at the age to go to school. Think carefully whether you want to keep this child or not. Make a decision as soon as possible and don't delay her school.

The doctor left, and the ward was dead silent.

Mr. And Mrs. Ning stood there motionlessly, as if the pause button had been pressed.

Ning SU's hands and feet turned cold. No matter how stupid she was, she knew what pregnancy meant.

“.....”

Her gaze fell on ning Qing's face, and the other party seemed to sense it and opened her eyes.

“Mother!”

Ning su was pleasantly surprised. my sister is awake!

With tears in her eyes, mother ning immediately rushed over to hold ning Qing's hand. Qingqing, you're awake. Do you feel uncomfortable anywhere? ”

Ning Qing shook her head. She felt dizzy and her stomach hurt. what's wrong with my Zhenzhen? ”

Mother ning's hand stiffened, and she didn't know where to look.

Father ning didn't answer. Ning Qing felt strange, and her clear eyes looked back and forth. father? ”
Mom?”

Finally, she looked at ning su.

Qing 'er, you're pregnant. ning su pursed his lips and held her other hand. He said seriously.

“Ye su!”

Father ning scolded ning su, but ning Qing could not hear him.

Pregnant?

What pregnancy?

She sat up and looked at ning su pitifully. what did you say? pregnant? ” How could I be pregnant, Yingluo? I just had a stomach ache and then fainted. Ning su, don't joke with me. ”

She would never call ning su by his name.

Unless he was flustered and exasperated.

Ning su ignored the murderous look in his father's eyes and repeated again. I'm not talking nonsense. The doctor just said that you are malnourished. The child in your stomach absorbed too much of your nutrients, which caused you to faint.

“.....”

Ning Qing shook her head. She wanted to laugh and cry. don't lie to me. How could I be pregnant? ”

She broke free from their hands. I just fainted.

Qingqing, don't be like this. Mrs ning burst into tears.

Ning Qing's face was tense. mother, she's lying to me, right? ” I'm still so young, and I'm a child myself. How can I be pregnant?”

Mother ning's heart ached, but she couldn't hide it anymore.

She carefully walked in front of ning Qing and held her hand. child, Listen to Your Mother. You're really pregnant, Yingluo.

"Impossible!"

"Calm down! We didn't do anything on the day you came back. Our Yueyue didn't even ask you to take your medicine, so you got pregnant. You can blame us! Don't torture yourself like this."

Ning Qing's eyes were red. She had thought that everything was over, but the child had come so suddenly!

What should she do?

She still had to go to school. How could she go to school while pregnant?

Ning Qing immediately made a decision. kill it.

Mother ning's crying stopped abruptly. Even father ning didn't expect her to be so decisive.

Ning Qing let her tears flow freely and looked at the two of them numbly. I can't keep this child. I want to abort it.

Her calmness was almost cold.

She did not think that this child was her flesh and blood. She thought that he was dirty!

He was just the product of that wrong night!

If she kept him alive, she would have to live in the shadow of that night for the rest of her life!

That's right, we can't let him Live!

Ning Qing wiped away her tears and rushed out the door. where's the doctor? I want a doctor, I want to abort it immediately!"

?1049 How can she raise: child on her own:

Mother ning and ning su stopped her. Qingqing, " mother ning cried, " you can't hit her!

"Why can't I?" ning Qing roared angrily. Do I have to keep him around forever?"

"You're in poor health, the doctor said Hanhan"

She couldn't listen to anyone and struggled madly.

"I don't believe it! I don't want to listen! I won't listen to anything. I only know that he can't stay! If I let him live, my life will be ruined!"

The sound of crying suddenly spread, and sadness spread.

Ning su hugged ning Qing tightly as he cried. don't say anymore, Qing 'er. Calm down, okay? " Calm down and we'll think of a way."

“No...”

Ning Qing shouted at the top of her lungs, as if she wanted to shout out all the emotions she had been holding back these days.

She seemed to be possessed and kept shaking her head. I can't have him. I'll die. He'll ruin my Hanhan.

Just as the situation was getting out of control, urgent footsteps came from outside the ward.

The next second, father ning, who was standing by the door, was pushed open.

When Nian lie heard the news, he rushed over anxiously. ning Qing ...

He saw her crying and didn't react for a moment.

Everyone looked over.

“.....”

Five minutes later.

The ward was silent. A slender girl sat by the bed with her back slightly bent and her shoulders twitching. It was obvious that she had not recovered from the excitement just now.

Nian lie looked at her frail shoulders and felt his heart clench.

He reached out his hand and stopped above her shoulder, not daring to let it fall.

Father ning had told him to talk to her properly and not let her lose control of her emotions again.

ning Qing, let's have a good talk, ” he said in the calmest tone. He tried to stop the powerlessness in his mind and the wonderful feeling of knowing that she was pregnant.

He thought she didn't know how to talk, but she turned her head and said in a sobbing tone, ”how can we talk?”

She had never been willing to accept his ” negotiation “, but this time, she had accepted it so easily. It meant that she had pushed herself to a dead end. She had no idea or way, so she had no choice but to listen to him.

Nian lie's heart felt even more stifled at the thought of this.

An emotion called 'heartache' quickly fermented in his eyes.

He took a deep breath, his eyes serious. have you calmed down? ”

After a long while, the girl forced out an “mm” from her nose.

He thought for a moment and sorted out his current thoughts. tell me what you think first.

His calm tone, coupled with his deep and rich voice, had an inexplicable power to make people feel at ease.

Ning Qing lowered her head. I don't want this child.

Nian lie clenched his fists, which were resting on his thighs. He had expected this reaction from her.

She was so young and was about to go to university. As far as he knew, it was a very famous school with good academic performance. Where she went and after she finished her studies, she would not have to worry about money and food for the rest of her life.

He could totally understand that she didn't want the child to disrupt her life.

However, even though he thought this way, he couldn't help but feel his heart ache.

He cast aside those extra emotions and said calmly, "but you know the condition of your body. If you abort this child, the miscarriage will cause secondary damage to your body. It may be more difficult for you to get pregnant with Hanhan in the future.

He said it very tactfully and tried his best to think from her point of view.

Ning Qing's fingers curled up slightly. I know.

"....."

"But if I choose to give birth to him, I won't be able to go to school. What will happen after he's born? I'll tell him how he came to be, I'll take care of him for the rest of his life."

1050 Do you really want to marry me?

She could not convince herself.

Nian lie sat with his back straight and his eyes warm. He didn't force her or force her.

"You're only thinking about what will happen after you give birth to him. Have you ever thought about what happened before?"

Ning Qing was stunned. what before? "

Nian lie said earnestly, "ning Qing, you're already an adult. You have the ability to judge right from wrong. This child is not only related to your future, but also your health and the present.

"....."

"Have you ever thought about your feelings for this child?"

Ning Qingyan frowned and touched her lower abdomen. She could not feel any difference from before, and she did not have the self-awareness of a mother.

"I don't have any feelings for him,"

Nian lie's eyes flickered. don't you feel reluctant? He is your child, a part of your body."

Ning Qing turned around to face him. he is, but he is not the Mr. Nian that I wanted. Do you think I can still treat him as my own child when I know that he will continue the tragedy of my life? "

She had only just reached adulthood!

She wasn't that mature, and she wouldn't be able to accept his existence so easily!

Nian lie's expression seemed to be sorrowful, and his voice was a little hoarse. Wanwan, have you really not considered it? "

It was rare for ning Qing to see such an expression on his face. His handsome brows were lowered, and his sharp and deep black eyes had lost their luster, as if he had suffered a huge blow.

Suddenly, she felt a prick in her throat. Oh my God!

Nian lie raised his eyes. you've never considered marrying me? "

"....."

actually, things can be handled perfectly. I promise to marry you when you're 20, and you can give birth to this child. Yingluo, if you're worried about your studies, you can take a year off from school. You can go back to school after the child is born.

These words were extremely tempting, and ning Qing hesitated.

Hope rose in Nian lie's heart, and his eyes were filled with gentleness and anxiety.

"I will do my best to treat you and your family well! You don't have to worry, I can take care of the child while you're in school!"

ning Qing, you only need to promise me, and this child will have a meaning to exist.

"Could it be that you're really willing to part with him?"

"Let him stay, alright?"

"....."

The young girl fell silent.

Nian lie knew that she was soft-hearted easily.

Especially when they first met, she could be so gentle and kind to a stranger. How could she bear to part with her own child?

Ning Qing was not silent. It was his eagerness and expectations for her that made her suddenly unable to make up her mind.

In fact, for the sake of her own health and her family, it was best for her to agree.

The child needed a father, and she would get married and have children sooner or later. Now that the process was brought forward, it didn't seem like Yingluo couldn't do it.

However, Yingluo

Ning Qing raised her eyes and looked at the handsome man in front of her. a man and a woman must love each other when they get married. You and I are tied together for the sake of our child. We will not have a good ending in the future.

Nian lie furrowed his brows in anxiety. why do you think that way? ”

besides, your family background is too different from mine. After I agreed to your request, I'll always be in a passive position in this marriage. What if you fall in love with another woman in the future? what will happen to me and our child? ”

Nian lie didn't know whether to laugh or cry at her words. Her sense of crisis and foresight was too strong. They had just started talking, and she had already thought of all this.

He suppressed his helplessness, and his mood suddenly became much more cheerful.

“I can guarantee that if you want a divorce in the future, or if you meet someone better before we get married, you can do as you wish.”

“.....”

“Whether you want to get married or get a divorce, it's all up to you,”

Staring at his deep eyes, ning Qing realized that he seemed to be serious.

The young girl's heart skipped a beat. She bit her lip and her eyes were filled with uncertainty.

“You really want to marry me?”
