

Mr Nian 1051

[Chapter 1051](#)

1051 Thank you for being willing to consider

Nian lie's nervousness dissipated, and his suspended heart fell to the ground.

He knew that her relaxation meant that she was taking a step back.

A comfortable and relaxed smile appeared on his lips. He could not help but curve up. I've always been serious.

Ning Qing's eyes met his smile and she quickly looked away. then, Zhenzhen, let me think about it for a few days.

Nian lie's Black eyes were filled with joy. sure.

"....."

then, you have to seriously consider it over the next few days. After all, school will start in a few days.

Ning Qing nodded her head, her face a little hot.

The tense atmosphere dissipated, and the ward became quiet.

Her heart was beating a little fast, and she felt inexplicably embarrassed. it's nothing. You can go now.

Nian lie was still immersed in his happiness when she asked him to leave.

He paused for a moment. my child.

"I will take good care of him."

Nian lie laughed again. take care of yourself.

"....."

The man got up and walked two steps out.

Ning Qing looked at him quietly, but he suddenly turned back. She was so scared that the corners of her eyes twitched and she looked around.

"What are you doing?"

Seeing her panic, Nian lie couldn't help but touch her head, but she dodged him.

He didn't mind. After all, he would have enough time to eliminate her fear and resistance to him in the future.

"Here's your phone," he said as he stretched out his hand.

Ning Qing did not look at him and handed it over from the table.

He pressed it a few times and then returned it to her.

this is my private number. Think about it, or if there's anything else, just give me a call.

Ning Qing took the phone, her palms burning. I know.

"Okay, then I'll go first."

Ning Qing gathered her courage and nodded.

He hesitated for a few seconds, but he still couldn't hold back. He squatted down in front of her and held her hands.

Ning Qing's eyes widened in shock, and her face turned red at a speed visible to the naked eye. you f * ck you f * ck you f * ck!

"Ning Qing, I'm very happy."

He was so sincere and emotional that she could see the emotions in his eyes at first glance.

It was an undisguisable joy and happiness.

And her figure.

"Thank you for your consideration," he said sincerely.

Ning Qing's heart was beating like thunder. She turned her face away. I didn't say that I'd agree to your request. It's useless for you to thank me now!

He just looked at her blushing face and smiled. It was a little silly and didn't fit his character at all.

Ning Qing couldn't stand his gaze. It was so affectionate.

"Hurry up and leave, or I'll regret it."

"Alright," Nian lie replied gently.

That gentle gaze went from bottom to top and slowly disappeared from her body.

As soon as the door closed, ning Qing looked over.

"....."

Her heart was beating rapidly.

She touched her chest, and the numbness in her heart did not go away for a long time.

Ning Qing bit her lip. Her dull eyes lit up again, and her heart and feelings swayed.

*

Ning Qing did not hide anything from her parents and told them everything that she and Nian lie had said.

Mother ning was rather displeased, while father ning was quite satisfied with the result and told her that as long as she thought it through, they would respect her decision.

Ning Qing nodded, a long-lost smile on her face.

“.....”

Ning su looked at his sister’s bright eyes and seemed to understand something.

*

Ning Qing stayed in the hospital for two days. In those two days, Nian lie had visited her five times.

...

Although his parents were still avoiding him, they had left him and ning Qing some space.

He didn’t speak much, but from his every move, she could tell that he was very concerned about her condition.

Seeing that he had prepared books and novels for her to relieve her boredom and brought her tea, ning Qing’s heart was slightly relaxed. He did not put on the airs of the Nian family’s young master at all.

He would be a good father in the future.

She just didn’t know if she would be a good mother.

[Chapter 1052](#)

1052 Nian lie, I promise you (1:

On the day she was discharged, it was drizzling.

Nian lie had driven over alone, holding an umbrella to pick up her family.

“The floor is slippery. Be careful and hold my hand.”

Hearing the man’s gentle words, ning Qing turned to look and stopped.

“What’s wrong? are you cold?” Nian lie asked, concerned.

After he finished speaking, he took off his suit and draped it over her shoulders.

The moment the man’s breath entered her nose, ning Qing suddenly had an impulse.

“Nian lie,”

“.....”

He was surprised that she had called his name. His dark eyes were stunned, and then it turned into nervousness and uneasiness.

“What’s wrong?”

Behind him was the gloomy sky, and the continuous rain formed a hazy curtain of rain, which was so dreamy that it didn’t seem real.

“I promise you,” ning Qing said softly.

His whole body trembled and he stood in place in disbelief. Then, he was ecstatic. Ignoring the other people's gazes, he hugged her and said, "are you serious? You won't regret it?"

In the rain, father ning and mother ning looked over.

Ning Qing braced herself and nodded.

The man picked her up and was overjoyed.

"I knew it, I knew you wouldn't bear to!"

Ning Qing was shy, and she couldn't stand the whispers of the passers-by. She hit him and said, "stop it. Let me down!

Nian lie put her down. He was so excited that his entire body was trembling. His dark eyes were red. He said to her solemnly, "thank you, ning Qing.

He wanted to thank her for being willing to fulfill his wish of having a family!

Thank you for giving me a real concern in this world!

Ning Qing looked at his red eyes, and for some reason, her eyes also felt sore.

"You're crazy," she said.

Nian lie hugged her tightly. His eyes were filled with joy and his heart was moved. He couldn't help but smile.

She was influenced by him and her lips curved into a faint smile.

Perhaps, she could change her way of living.

*

After ning Qing had returned home, her parents had discussed her suspension from school.

Ning su took them all in and made up his mind after some thought. dad, mom.

The two of them stopped their discussion. what's wrong, Hansu? "

"I also want to drop out of school."

The two of them were surprised that father ning did not agree.

"How can we do that? You're fine. Don't drag this on for a year."

Ning su shook his head and said, "you and mom have to work, and Qing 'er will definitely need someone to take care of her in the future. You can't let that man do it, can you? "

She was still calling Nian lie 'that man'. For one thing, she didn't know how to change this form of address, and for another, she felt that it was awkward. So, she had to put up with it.

Father ning and mother ning looked at each other, and ning su said, "my sister is going to school next year anyway. I'll accompany her for a year. Then, we can go together. Isn't that great? " Father, mother, please help me. "

“You do care about Qingqing more than your mother and I do,” father ning sighed and said.

Ning su smiled, knowing that he had agreed. She happily thanked him and told ning Qing about it.

sis, you’re so nice to me. ning Tingyi was both surprised and touched.

Ning su tapped her nose and said, “our Qing ‘er is still a child. She can’t even take care of herself, so how can she take care of the baby?”

“.....”

that’s why I’m staying behind to protect this child with you.

After she finished speaking, she stared at ning Qing’s still flat stomach with some longing and curiosity.

“Is there really a baby here? It’s a magical feeling.”

Ning Qing smiled and grabbed her hand to press it on her stomach. do you feel it? ”

[Chapter 1053](#)

1053 He’s still pretty good to you (1:

Ning Yan paused for a moment. No.

“I don’t have any, either.”

Ning Qing lay on the bed and looked at the lights on the ceiling.

to be honest, I can’t feel his existence at all. On the contrary, I feel like I’ve been dreaming all this time. It’s so unreal.

Ning su looked at her and also fell beside her. did you do the same to that man? ”

Ning Qing snapped out of her memories, and her expression was a little unnatural. sister.

“What?”

“What do you think of Yingluo?”

Ning SU’s eyes turned, and he propped his head up to look at her. Ning Qing felt even more uncomfortable. She was about to say something when ning su suddenly said, “you like him.

She used an affirmative sentence to uncover ning Qing’s embarrassment, instantly exposing her thoughts.

This time, she didn’t refute. She said hesitantly, “sister Xuxu, if I answer yes, will you think I’m shameless? ”

Ning su said seriously, “how can you say that? It’s normal to like someone. Love is a complicated but beautiful thing. It’s your right to like whoever you like.”

“But he’s teasing me”

Ning su shook his head, took her hand, and said seriously, "Qing'er, he has made a mistake, and he has been trying to make it up to you. You don't have to deliberately emphasize that he has hurt you. If you have really realized that you have begun to like him, don't think about those things that make you suffer.

"....."

"Have you ever thought that perhaps it was God's arrangement, or else the person he met that night would be you and not someone else?"

Ning Qing had never thought about it in this way, and she was a little confused.

Ning su said gently, "you two met like this. It was a mistake at the beginning, but it can correct the future. To be honest, I think Hanhan is good to you.

When that man appeared beside them, he only had eyes for ning Qing.

He was looking at ning Qing all the time. She could see that his atonement and atonement were deliberate, but his care and concern for ning Qing were not.

At least, he was true to ning Qing.

Ning Qing's eyes lit up when she heard ning SU's agreement. really? "

Ning su nodded. we're all very happy that he's good to you, and we also hope that you're sincere when you agree to him, because hate isn't a good feeling. Love and liking are. So, if you two can be together because you like each other, let those mistakes be engraved in the past.

"....."

Ning su laughed mischievously. besides, he's good-looking and comes from a good family. If he feels guilty about that incident, he'll treat you better. You can be at ease and be the young mistress of a rich family in the future!

Ning Qing's face burned with embarrassment. what nonsense are you talking about? "

Ning su smiled gently and said, "after you become the young mistress, you can't forget about me, dad, and mom.

Ning Qing was embarrassed and annoyed. ning su! You shut up!"

"I won't!"

"....."

At that time, the two sisters were incomparably happy. One thought that his sister had found happiness and was happy for her, while the other thought that he had corrected his mistake and would obtain the so-called love.

Little did he know that danger was quietly approaching at this time.

At the Nian family.

In the living room of the old mansion, the sound of the whip was getting louder and louder, showing how much force the executioner had used.

When the whipping stopped, the deep voice was filled with dignity and anger as it stared at the man on the ground.

“What did you say to your father just now? who do you want to marry?”

[Chapter 1054](#)

1054 Let me marry her (1:

Nian lie knelt on the ground, breathing deeply. The sweat on his face dripped onto the ground, forming a pool of sweat.

His body was trembling slightly, and the shirt on his back was already unrecognizable. The skin and flesh underneath were torn, and blood was dripping. It was a terrible sight.

He panted heavily, his voice hoarse from the pressure. ran ran, you know who I’m talking about.

He didn’t have his usual arrogance and awkwardness. It was as if in front of Nian Junting, he was just a nobody that he could order around.

He was still so stubborn even after being beaten up.

do you know who you’re talking to? ” Nian Junting was furious. Married? Is your status so casual that you can marry whoever you want?”

Nian lie’s back was bent, and the pain made his hearing even more sensitive.

I know, ” he said slowly. as the eldest son of the Nian family, I should regard the Nian family as the glory of my life. I should put the Nian family first.

“Since you already know, why do you still dare to propose marriage to me?”

Nian lie raised his head. A small movement from her had pulled on his entire body, causing him to be in so much pain that his face turned pale.

father, I’ve never asked you for anything since I was young. I only have one request. Please allow me to control my own marriage and marry her. I’ll do anything you want me to do!

that’s impossible! Nian Junting said firmly.

Nian lie’s eyes darkened, and his words became more determined. dad, she’s the only woman I want to marry in my life.

“.....”

if you let me marry her, I can guarantee that for the next few decades, until the day I die, I will hold the Nian family in my hands and push the Nian family to the peak.

Nian Junting could tell that he was threatening her. He spun the prayer beads in his hand faster and said coldly, "What if I don't agree?"

Nian Yu gritted his teeth. If you don't agree, I'll have to do it in a way I don't want to.

Nian Junting clenched his prayer beads tightly. His cold eyes were like a knife that could cut off a layer of flesh. What method? "Do you think you can survive without the Nian family?"

He had already guessed it.

Nian lie didn't need to say much. Nian Junting was angry just by looking at his half-dead face.

For the sake of a Foxy woman, you're going against your biological father. Nian lie, you're really good!

Nian lie was conflicted as well, but they wanted him to marry the SU family's eldest daughter, Yingluo. He had raised her like a little sister since she was a child, and he didn't have any romantic feelings for her, so how could he marry her?

Nian Junting breathed his last. He stood up, grabbed the whip from the Butler's hand, and whipped him a few times.

Nian Yun's body trembled, he could not even kneel properly.

"I raised you up so that you would fight with me over a woman? As the eldest son, you have no self-awareness at all and value those relationships. Moreover, the other party comes from a lowly family. Nian lie, what are you thinking!"

Nian lie's face was taut as he tried his best to control himself from collapsing. Huahua's family isn't lowly.

"You!"

"....."

This son of his was good in every way, but he still valued relationships even now!

"You're acting on impulse!"

"....."

Do you really think that the Nian family only wants you?"

"If you think it's a good idea, you can call Nian che back," Nian lie lowered his head and said in a hoarse voice.

This rebuttal completely infuriated Nian Junting.

"You're really going against the heavens! I should really beat you to death!"

"Master!"

Coincidentally, Song Wan arrived late.

Looking at her son, who was covered in blood, she went up to hug him with heartache. how did you get beaten up like this? Ah, did you make your dad angry? Just apologize to him. Silly child, why are you so stubborn?"

[Chapter 1055](#)

1055 I have a woman: like (1:

Her heart ached so much that she cried, and Nian Jin's heart was touched.

His father had been very strict with him since he was young. He did not allow him to be close to Song Wan since he was four years old. Song Wan's heart ached for him, but she knew to visit him from time to time.

He was numb to his father, but he still had hope for a mother's love.

"Mom ..." Nian lie called out hoarsely.

Song Wan quickly stood up and blocked his way. old master, che 'er is our child. How could you be so harsh to him? "

Nian Junting snorted. ask him what his attitude is!

Song Wan cried like a Pear Blossom with tears. no matter what, he's still a child. How could he bow down to you when you treat him like this? "

Nian Junting turned around and said, " he's an unfilial son. He only knows how to disobey me. If I'm going to die of anger because of him one day, I'd rather kill him now!

Song Wan opened her arms. if you want to hit him, you have to kill me first.

"....."

Nian Xi raised his head and looked at the woman's thin and weak body. He felt guilty. mom, don't be like this.

Song Wan cried and said firmly, " old master, send Chen 'er away. I won't say anything and leave him alone by his side. As his father, you should be more tolerant. Why are you forcing him? "

"....."

Nian Junting kept a straight face and didn't say a word.

Song Wan turned around sadly and hugged Nian lie. it's okay. Mommy is here. I won't let anyone hurt you.

As she spoke, she called for the Butler to help Nian Chen back to his room.

The Butler glanced at Nian Junting with obvious fear.

Song Wan's face turned cold. I told you to do it, so you did it. You don't even listen to me anymore!

The Butler hesitated for a while, but eventually nodded and agreed. He immediately called his subordinates to carry Nian lie back to his room.

Song Wan followed him and immediately called for a doctor.

As she watched the doctor treat Nian lie's wound, her heart broke into pieces!

Nian lie's lips were deathly pale. He lay on the bed and looked at his mother, who was crying silently. A conflicted expression accumulated in his eyes. mom.

Song Wan wiped her tears and walked forward. che 'er, I'm here.

:: 'm sorry to have made you sad," Nian Xi said apologetically.

Song Wan shook her head. silly child. Don't say such things when you're so injured. Just lie down.

"....."

"I have a favor to ask of you," Nian Jin said with difficulty, holding her hand.

"Go on, mom is listening."

"Yueyue, I have a woman I like. She's pregnant with my child."

Song Wan's fingers trembled. what?!

Her voice changed a little, but it was not obvious in the pain. She only said, " in two days, she will have a prenatal examination. That is my child. Mom, Qianqian is your grandson. I promised her that I would accompany her for the prenatal examination, so Qianqian, uh!

Nian Junting had also taken his phone away, so he could only ask his mother for help.

Song Wan was so anxious that her tears flowed. okay, I got it! Mom will explain the situation to her. Don't move and wait until you're better."

"Thank you, Mom."

Nian lie's heart ached, but the wound was too painful. He couldn't take it when he was cleaning it halfway and passed out.

"....."

After everything was settled, Nian lie fell into a coma.

Song Wan looked at the unconscious child, and her hands clenched even harder.

When she left the room, she bumped into Nian Junting, who had just arrived.

He was still cold. how is it? "

Song Wan's expression did not change. you won't die.

Nian Junting frowned when he heard her tone. why? do you blame me? "

"You beat my son up like this, shouldn't I blame you?"

[Chapter 1056](#)

1056 That woman is pregnant (1:

Nian Junting stopped playing with his bracelet and said, " he disobeyed me for a woman. He doesn't want to improve himself and doesn't care about the future of the Nian family. What's the use of him? "

"....."

Nian Junting had been with the Nian family his entire life. He would never allow the Nian family to be ruined by his son. it's useless even if you anger me, " he said coldly. don't even think about begging me for mercy. I will never allow him to be with that woman!

"What if that woman is pregnant?"

what?! Nian Junting was stunned.

Song Wan wiped her face clean, and there was no expression on her dignified and generous face.

"Pregnant! How dare she bear the child of the Nian family! She's not worthy!"

"....."

"She still dares to keep the child! This woman and her family are not easy to deal with!"

No wonder that son of his had been so obsessed with her, but he had been manipulated like this!

Nian Junting was flustered and exasperated. In contrast, Song Wan was unusually calm.

She said, " you were the one who hired someone to frame her. If our people hadn't arrived in time, the Nian family would have been in the middle of a storm. Who would be in the mood to care if she's pregnant? "

Nian Junting glared at her. we can't keep the child!

"Of course I know I can't."

When she said this, Song Wan's face was so cold that it was frosty.

With her son's status, how could he be related to such an ordinary woman?

but Chen 'er's care for her is not ordinary. This matter will not be resolved so easily.

Nian Junting narrowed his eyes when he heard that. you have a plan.

Song Wan lifted her chin. don't worry. I will make that woman give up.

*

Two days later, ning Qing's mother and ning su accompanied her to the hospital for a prenatal examination.

While waiting at the door, ning Qing kept calling Nian lie, but no one picked up.

She lowered her eyes and was a little disappointed. what's going on? why didn't you pick up the phone?
"

After he had come to her house that day, he had not called her again, but he had said that he would accompany her for the checkup.

Ning Qing stared at the corridor. Her mother walked over. Qingqing, is he not coming? ”

Ning Qing turned around and smiled. no, he said he would come.

Judging from the situation, it didn't seem like he would come. However, Nian lie wasn't an unreliable person, so she only comforted ning Qing. it's okay. It's just a prenatal examination. There will be more opportunities to do it in the future. He probably has something urgent to attend to.

I think so, ” ning Qing nodded and muttered to herself. otherwise, he wouldn't have ignored my call.

Qingqing! someone shouted in the Department, and ning su reminded her, ” Qingqing, it's about to start.

Mother ning held ning Qing, and she looked at the corridor longingly. Even when they entered the door, that person still did not appear.

Ning Qing was a little disappointed. The doctor looked at her and pointed to mother ning and Ning Yan. only pregnant women are arranged inside. Please go out with your family.

Mrs ning was a little nervous. this is my daughter. I'll just watch her from the side. I won't do anything else. Doctor, can I take a step back? ”

Before she could finish, the man impatiently rejected her. no, if everyone is like you, my Department will be packed to the brim. Get out.

Mother ning forced a smile. Ning Qing saw her and said to her mother, ” it's okay. It's just a normal examination. It'll be quick. Mother, you can go out with sister.

Mother ning had no choice but to nod. Ning su gave ning Qing a reassuring look and left the Department with mother ning.

The female doctor pointed at the bed in front of her. lie down.

Ning Qing lay down obediently, allowing her to lift her skirt and apply something cold on her stomach.

[Chapter 1057](#)

1057 This child doesn't deserve to live (1:

Soon, the ultrasound was out. The doctor said lazily, ” here. Your child, Yingying, is quite healthy. There's nothing else.

Before ning Qing could even take a look, the woman had already ignored her.

Was he being so perfunctory?

What she did not know was that there was a group of uninvited guests outside.

The people in the corridor were cleared out, and the bodyguards in black were all cold and imposing. Ning SU's mother and ning Qing were captured without much struggle.

“.....”

A graceful and Noble figure appeared and walked towards the two of them.

Half of Song Wan’s well-maintained face was exposed under her sunglasses, and the curve of her lips clearly showed her disdain and contempt for mother ning and ning su.

“Wuwuwu!”

Mother ning’s mouth was covered, and she could only make muffled sounds.

“Uncouth,” Song Wan commented.

He turned around and pushed the door open.

Ning Qing, who was getting up, was shocked. Who are you? ”

Song Wan acted all high and mighty. With a signal, the two men behind her rushed forward and cuffed ning Qing to the bed.

Ning Qing was terrified. what are you doing? ”

She couldn’t struggle and looked at the elegant and dignified woman over there. Who are you? I don’t even know you, what do you want to do to me?”

Song Wan raised her hand again, and the doctor stood up and nodded respectfully. Mrs. Nian, I’ve already checked her. There’s nothing wrong with her body. She can undergo the operation immediately.

Operation?”

Ning Qing forced herself to calm down. what surgery? ”

“Are you the woman who bewitched my son?” Song Wan shot him a look and asked in a gentle voice.

“.....”

Ning Qing was shocked. She was Xuanji and Nian lie’s mother?

Song Wan walked up and held her chin. She studied her face as if she was examining an object and came to a conclusion.

“You do have a pretty face, and you have the capital to seduce people.”

Ning Qing didn’t like the way she spoke, but considering that she was Nian lie’s mother, her attitude was still respectful. Auntie, did Zhenzhen ask you to come? ”

Song Wan laughed. so what if I am? so what if I am not? ”

“Can you tell me what he’s been up to these days? He said that he would accompany me for the check-up, but he didn’t come and didn’t answer my calls. Did something happen?”

She didn’t realize how worried she was, but Song Wan could hear it and smiled meaningfully.

“Nothing happened,”

Ning Qing hesitated. then why didn't he come to see me? ”

Song Wan stared at her. it's simple. My son has had enough fun and doesn't want you anymore.

Ning Qing's heart ached. what? It's impossible!”

How could he not want her?

He was the one who begged her to be with him!

Song Wan first stared at her, then her eyes turned cold and she raised her hand to slap her.

“You have the face of a Vixen and you want to seduce my son? I'm telling you, from your status to your looks, you're not worthy of my son. If you pester him again, I'll make sure your family won't live in peace!”

you lowly woman, you want to touch my son? dream on.

“.....”

Ning Qing was stunned by this slap.

She had thought that his family would not accept her so easily, but she did not expect it to be like this!

Before she could think clearly, Song Wan ordered arrogantly, ”

“He was just playing with you before, but now he has seen enough of you and loathed you, and you still take it seriously? Did he think that a child would be enough to keep him? What a joke!”

“.....”

“This child doesn't deserve to live.”

Song Wan turned around. She was so cold that one would get frostbite just by looking at her.

“Push her into the operating room and abort the baby.”

[Chapter 1058](#)

1058 Take your mother and sister down (1:

“No! Don't!”

Ning Qing struggled violently, but the handcuffs were too tight, and she could not break free at all.

She didn't understand. She looked at the cold-blooded woman with heartache and confusion.

“Why did you do that? Why did it have to be like this! He said that he likes me. You're lying to me, aren't you?”

Song Wan watched her struggle coldly and did not move at all.

The bed was pushed away and they went straight to the operating room.

The door opened.

Mother ning and ning su saw ning Qing crying and struggled with all their might.

“Mom, sister!”

Ning Qing shouted weakly, but it was of no use.

Her eyes were red as she cried and glared at Song Wan.

“What the hell do you want!”

“To get rid of the hidden danger in your stomach,” Song Wan said coldly.

Ning Qing gritted her teeth. The skin on her hands had already been scraped.

“You’re his mother, right? He wanted to marry me, so you guys did something to him, right?”

Her cleverness did not exchange for Song Wan’s kindness.

Ning Qing smiled coldly. as his mother, you can reject his request to marry me, but you have no right to decide the life and death of my child!

“I don’t mind if the Nian family doesn’t want him! I can give birth and raise them myself, and I don’t need you to be responsible!”

you can’t force me to do the operation. He’s only my child. What right do you have to hurt him? ”

At this moment, every word of her hiss-like complaint was filled with tears of blood. Her love for the child was intense and scorching.

At this moment, ning Qing finally realized how much she could not bear to part with the child and how much she loved him!

He was in her stomach, a part of her!

She had even talked to Nian lie about his future. How could she let the person in front of her destroy such a beautiful and warm future?

No, she would not allow herself to be captured!

Song Wan looked at the woman who was as hurt as a little beast, and there was a hint of emotion in her eyes. However, when she thought about Nian lie’s serious injuries, her heart was as hard as a rock.

“The existence of this child is a threat to my son, as well as his future marriage and life. If you keep him, what will happen to my son when he gets married in the future? What about his and his wife’s child?”

“.....”

Ning Qing’s face was numb, and she was speechless.

Song Wan was determined and cold. there’s no way he’ll stay. If you don’t cooperate, I’ll have no choice but to use your mother and sister.

Ning Qing’s heart was crushed in an instant by such a heartless threat.

At this moment, mother ning broke free from her restraints. Qingqing, don’t agree to her request!

Song Wan looked at the girl's pale face. you must be very concerned about your parents. They've never despised you for causing trouble for your family. What about you? you're willing to let them lose their jobs and then be ridiculed by others.

"I agree,"

It was a light sentence without any weight.

Mother ning burst into tears. Qingqing, why are you so silly? "

Ning Qing's tears fell, and her expression was numb with grief. I'll cooperate, but don't hurt my family.

Song Wan finally acknowledged her, but it did not affect her decision.

"Since that's the case, let's not waste any more time."

"....."

Ning Qing's eyes were dull as she looked at mother ning and ning su.

They were crying.

But why was she crying?

She was the one who had provoked the Nian family. She was the one who had been delusional, thinking that he could give her the so-called future and happiness.

However, in the face of power, all sincerity was not worth mentioning!

She couldn't even keep her child!

She was really useless!

As ning Qing thought about this, she sat on the bed in a daze and was pushed into the operating room.

Ning Qing's mother's cries rang in her ears, sometimes near and sometimes far.

She stared at the end of the corridor in a daze, hoping that the man would appear like a god.

However, the cold door closed heavily in front of her eyes. That 'him' did not appear!

"Lie down."

The doctor was very cold. It was not the woman just now, but a man.

Ning Qing was like a puppet, motionless.

...

The doctor said impatiently, " miss, you can see the situation in front of you. Stop struggling and sign the papers. The anesthetist has given you an anesthetic. You'll be fine after you sleep.

1059 Ning Qing, I've come to you (1:

Ning Qing's eyes were dark, and only tears were flowing out.

The doctor ignored her and pressed her down on the bed, telling the anesthetist to get ready.

"....."

The man walked closer with a long needle, forcefully turned Ning Qing around, and lifted her clothes.

The light in Ning Qing's eyes exploded, and layers of darkness covered the sky.

"Don't!"

She pushed the anesthetist away and cried, "don't hurt my child!" This is my child, and I've finally made up my mind to give birth to him. Why did you take his life?"

The doctor and the others were all shocked and looked at the woman in a daze.

Ning Qing struggled desperately, as if she was trying to get rid of her handcuffs. She didn't care that her wrist was bleeding.

She cried and begged.

I'm not in good health. This child is already hard to come by. If I abort it, I might not be able to be a mother for the rest of my life!

"I beg you, please don't hurt him, okay? I can do anything else, really, as long as you don't hurt him Yingluo."

"He's only three months old. He's so weak!"

She was in extreme grief, tears and snot flowing down her face.

However, this did not arouse the sympathy of those people.

don't cry," the doctor advised. it's no use crying. Mrs. Nian is waiting outside. Do you think you can run away?"

Ning Qing shook her head. don't do this to me. I beg you, let me and the child go!

"....."

The doctor tried to persuade her for a long time, but it was of no use.

He sighed and immediately changed to a cold and emotionless face. He immediately asked Song Wan's men to hold her down and give her anesthesia.

"Don't! I don't want to have surgery!"

Ning Qing's legs and hands struggled, not caring if she hurt herself.

"Nian lie, save me!" She screamed in despair. Please save the child ..."

However, because she was too excited, her nerves were in pain, and she passed out as soon as she closed her eyes.

The anesthetist hesitated. "This Ling Ling ..."

"What are you waiting for? hurry up and do your work. Don't waste time."

"....."

These were the cruelest words ning Qing had ever heard in her daze.

Outside the operating room.

Mother ning burst into tears and glared at Song Wan. why are you so cruel to her? " You're also a woman, don't you know how important children are to a woman?"

Song Wan glared at her coldly and did not move.

Mother ning was helpless. you're such a vicious woman! I don't believe that your son will let you off if you ask Qingqing to abort the child!"

Song Wan was stunned. She looked at him with a smile, her eyes full of mockery.

"That's my son. I gave birth to him and raised him. He can't possibly do it for a daughter Qianqian."

At this point, there was the sound of messy and urgent footsteps from the end of the corridor.

The few of them were stunned. When they looked over, they saw that it was Nian lie, who was stumbling!

Shock flashed across Song Wan's eyes. She did not hesitate and went over. Ying Er, Ying Ying.

The man walked past her directly, leaving her frozen in place.

Mother ning was crying. why are you only here now?!

Nian lie's dark eyes were locked with pain. I'm sorry. Where is she? "

"He's already in the operating room!"

Nian lie's legs wobbled. Gritting his teeth, he turned around and rushed to the operating room. He kicked the door open and shouted, " stop it!

The people inside all stopped what they were doing.

Nian lie's expression darkened when he saw the unconscious girl with a tear-stained face.

He stepped forward without hesitation, kicked the doctor and nurse away, and touched ning Qing's face with a trembling hand.

"Ning Qing? Ning Qing, wake up. I'm here. I'm here to take you away!"

1060 I'm willing to sever all ties with the Nian family (1:

The woman did not respond.

Nian Xi's eyes almost popped out of their sockets. He grabbed the doctor and punched him. Then, as if he was going to kill him, he said, " what did you do to her?!"

The doctor cried out in pain. no, ran ran didn't do anything. She was just too emotional, so ran ran ...

Nian Yu was about to strangle him to death. Where Are the Children? "

"I didn't touch Yingluo. She's still fine."

His heart relaxed a little. He kicked him away again and turned to face ning Qing gently. it's okay. The baby is still here. If you're tired, you can rest. I'll take you away.

"....."

Outside, Song Wan couldn't care less about mother ning and ning su, who were struggling to break free. She quickly walked to the operating room and saw Nian lie holding his jaw tightly as he carried the woman on the stage!

Song Wan's eyes widened. che 'er, your injuries are numbing.

That cold and sinister gaze shot over, and she instantly felt a chill in her feet.

Nian lie's back was torn, but his expression froze for a moment. He held ning Qing's hand tightly.

Mother ning and ning su came over.

"Qing Qing? Qing Qing, how are you?"

"She's just unconscious," Nian lie explained.

Mother ning was relieved. my poor child, " she said sadly.

Ning su sobbed, obviously frightened.

Song Wan saw that they were so deeply in love and her son did not care about her. The sadness in her heart disappeared and was replaced by anger.

Nian lie's voice was very low. Auntie, let's go back first.

Mother ning glanced at Song Wan. The other party lifted her chin and said coldly, " Chen 'er, your mother is here. Where do you want to go? "

Nian lie turned around. His dark eyes were so misty that even song Wan could not see him clearly.

"I'll send her home," he said after a few seconds of silence.

"She can't leave," Song Wan said.

"....."

"We can't keep this child."

Nian lie's thin lips were tightly pursed, his dark eyes filled with disappointment and heartache. I asked you to take care of her, and this is how you do it.

Song Wan's expression changed. Before she could say anything, she heard him continue. I thought that he didn't respect me. At least with you, I have a chance to be myself. I didn't expect you to be so rude.

This sneer meant that he was completely disappointed and had given up on her.

Song Wan was used to being noble. How could she allow herself to lose her composure?

He quickly adjusted his expression. His face was gentle but aggressive.

"It's not that I don't allow you to be yourself, but Luan 'er, you have to have a limit! It's fine that you're involved with this lowly woman, but how dare you dream of letting her give birth to our Nian family's bloodline!"

Nian lie's eyes darkened as he looked at the woman in his arms.

He suddenly understood something. When he looked at Song Wan again, he was extremely calm and determined.

"She's not anyone, she's just the woman I love," he said.

This sentence was powerful and resonating.

Mother ning and ning su were also shocked, let alone Song Wan.

Song Wan's voice changed. what did you say?!

Nian lie's wound was numb from the pain, and his nerves were trembling, so tight that they were about to break.

He tried his best to straighten his back and hold the woman in his arms tightly, as if he was willing to hold her for the rest of his life.

mother, if you and father really can't tolerate her, I'm willing to sever all ties with the Nian family in exchange for being with her for the rest of my life.

"....."

Song Wan could not hold it in anymore. Her face twitched slightly. you want to cut off all ties with us for this woman? Are you crazy?!"

Ning Qing's mother was touched as well. After what had happened just now, she knew that the Nian family would never accept ning Qing. However, Nian lie was their biological son, after all. He was willing to break off his relationship with his parents for Qingqing. Whether it was an impulse or a genuine one, it was too much!
