

Mr Nian 1061

[Chapter 1061](#)

1061 He's the one who's injured (1:

"Don't let your emotions get the better of you: : mother ning said to Nian lie: pursing her lips.

Nian Xi smiled. mom, I'm not acting on impulse.

The word 'mom' had already expressed his determination.

Mrs ning frowned. you should settle these things first. Leave Qingqing to me. Hanyu and I will take her home first.

Nian Ying was stubborn. She snatched mother ning's hand away. there's no need, mom.

He turned to Song Wan, and his expression changed quickly.

I've already said what I wanted to say. You can go back now. I'm definitely going to keep the child. I'm also determined to have her.

"....."

"If you and he can't accept it, then just pretend that you don't have a son like me in the future."

After he finished speaking, he ignored Song Wan's stiff body and carried ning Qing away.

Behind him, a woman's voice could be heard.

"Luan 'er, come back!"

"I won't allow you to take her away!"

"Luan 'er, Nian lie!"

"....."

The man's steps were steady and firm. He walked straight to the hospital and got into his car.

The subordinate nodded to the few of them one by one. young master, where are you going? "

"Let's go to another hospital,"

The few of them sat down in the large carriage, and the atmosphere was a little stiff.

Nian lie pulled ning Qing into his arms to protect her. Then, he said to mother ning, " I'm sorry, mother. It's my fault today. I've made you guys suffer.

Mother ning's mind was in a mess. She did not object to his behavior. is your family so against you and Qingqing being together? " she asked.

Nian lie straightened his back. His shoulders were stiff, and he didn't dare to move.

His face darkened. they're not against us being together. They just don't want me to have any self-awareness.

Mother ning understood what this meant.

Afraid that she would overthink, Nian Jing promised her anxiously, " don't worry. I'll keep my word. From now on, I'll protect you. I won't let them disturb you again.

Mother ning nodded. She was a little tired and did not say anything.

Ning su sat next to her mother timidly. The fear from just now had not passed.

"Why is there a smell of blood?: she whispered as the tip of her nose moved:

what?" Mrs ning was about to close her eyes.

Ning su was very sure. there's a bloody smell in it.

Mother ning panicked. is Qingqing hurt?" Let me see!"

She reached out to check on ning Qing, who was in Nian lie's arms. Nian lie dodged her and met ning SU's eyes.

To be honest, even Nian lie found it strange that she had a face that was identical to ning Qing's.

He had never mistook the two of them for each other.

It was just that when he faced her, he felt a little awkward.

Ning su blinked and pointed at Nian lie. you're the one who's hurt.

She was very certain.

Mother ning stopped what she was doing and looked at Nian lie. what happened to your Yueyue?"

Nian lie's expression was dark. He endured the pain and forced a smile. I'm fine, Yingluo.

my young master was trying to be with miss ning Qing, but he was whipped dozens of times by Sir. The flesh on his back has rotted. His high fever didn't go down for two days. When it finally went down, he rushed to find you.

The subordinate replied, and Nian lie's face turned cold. shut up!

"....."

He looked at mother ning and ning su. it's just a small wound. It's not a big deal.

Mother ning's heart was filled with bitterness and an indescribable feeling. She turned her head away and did not say anything.

They arrived at another hospital in silence. After the examination, ning Qing was told that she had been too frightened and was on the verge of a miscarriage. She had to be extra careful and could not be provoked. Then, they treated the wound on her wrist.

Nian lie nodded repeatedly. When he turned to look at ning Qing's pale face, his heart ached terribly.

Chapter 1062

1062 I've been asking you to save me (1:

Ning Xi's mother had also finished listening to her request and asked ning su to call her father, who was on his way.

She looked at him a few times. I'm not the one who wants to say this. Is it worth it to fight with your parents for Qingqing?" she asked.

"Why not?" Nian lie answered, not expecting her to ask.

"....."

she's great and strong. To me, she's not just a victim of that night or the mother of my child. Hanhan is someone I truly like.

He was very serious, and his eyes became gentle.

Auntie, please don't, mom. I'll really take good care of her for the rest of my life. I'll treat her well and won't let her down. I won't make her sad either. I hope you won't reject me because of what happened today. I'll work hard to be a good husband and a good father in the future.

Mother ning didn't say anything, but tears were already welling up in her eyes.

She didn't know if it was ning Qing's fortune or misfortune to have met Nian lie, but she was touched by this man's deep love.

She took a deep breath and said, " go and find a doctor to take a look at your injuries.

"....."

"Don't wait for Qingqing to wake up. She won't be able to see you."

Nian Yu was stunned for a while, then he was overjoyed, his eyes burning. okay!

He found a doctor and treated his wounds.

It wasn't that he couldn't bear it, but he couldn't keep being hurt like this. For the sake of ning Qing and his family, he had to confront Nian Junting and Song Wan.

The faster one's injuries healed, the more confidence one would have.

After the wound was treated, the doctor suggested that he stay in the hospital for observation. He did not agree and returned to the ward.

Fortunately, ning Qing had woken up.

Mr. Ning was there as well. Seeing that Nian lie had arrived, the whole family exchanged a few words before giving the two of them some space.

"....."

how are you?" Nian lie walked to the bed and asked gently, " are you feeling better? "

Ning Qing leaned against the head of the bed. When she saw his gentle expression, she pulled a long face and did not say anything.

“Do you feel uncomfortable anywhere? I’ll get the doctor to take a look.”

She could hear his nervousness and her heart ached. She looked up at him. don’t you want to explain to me what happened just now? ”

Nian lie turned around and sat down on the edge of the bed. I’m sorry. It’s my fault. I didn’t handle this matter well, and I’ve implicated you, your child, and your family.

“.....”

after that, I will make it clear to them. I will not let them hurt you again.

Tears welled up in ning Qing’s eyes. that’s your explanation? ”

Nian Xi narrowed his eyes. I’m sorry.

Ning Qing bit her lip, trying to hide the pain in her heart, but no matter how hard she tried, she could not hold it in.

She smacked him hard, her eyes teary. you’re so badly injured and you still plan to hide it from me? ”

Nian lie was caught off guard. my Yingluo.

“Do you know how scared I was? I kept struggling and shouting, but your mother was too cruel. She didn’t let me keep the child!”

She was too agitated. Nian lie pinched her wrist, afraid that she would hurt her hand again. I’m sorry, ” he coaxed her.

“I said, this is my child! I can take care of myself and don’t need her to care about me, but she’s so cruel, Yingluo.”

I’m sorry, ” Nian lie hugged her. I didn’t come in time.

Ning Qing’s tears fell, and she leaned on his shoulder, looking extremely fragile. Zhenzhen, I’ve been asking you to come and save me, but you didn’t come. Zhenzhen, Nian lie, I’m so scared.

The man’s heart was broken. In the past 21 years, he had never felt so heartache and helplessness.

[Chapter 1063](#)

1063 I’m still young to begin with (1:

And now he had a strong feeling that the woman in his arms was someone he would protect for the rest of his life, and he would not allow anyone to hurt her!

However, at this time, he did not know that one day, he would become the person who hurt her the most in this world.

“.....”

After a while of coaxing, ning Qing gradually stopped crying.

She realized that Nian lie felt a little uncomfortable when he hugged her.

She pushed him away, feeling a little embarrassed.

“You’re not crying anymore?” Nian lie asked.

She snorted through her nose.

Nian lie sighed. you’re already the mother of a child. Why are you still acting like a child? ”

Ning Qing was not convinced. I’m still young.

He looked at her blushing face, which made her look pitiful. yes, you’re young. No one can bully you.

Ning Qing calmed down and was not as agitated as she had been earlier. isn’t your family bullying me? You even bullied my sister and mom.”

Speaking of this, Nian lie felt extremely guilty and apologetic. they’re used to controlling my life. If I escape their control and don’t do as they say, they’ll fly into a rage out of humiliation.

Then, she would do something that she thought would cut off his thoughts.

Ning Qing didn’t understand at all. we’re all family. Don’t they feel bad for you? ”

As if he had just heard a joke, Nian Ying’s eyes darkened. all parents in the world can do it, and they can’t.

“.....”

because they don’t know what feelings are.

Because of his depression, ning Qing’s heart ached for him. then, haven’t you been sullen since you grew up? ”

Nian lie stared at her and suddenly laughed.

He reached out and touched her face.

“I was very aggrieved in the past, but it will be different in the future.”

Ning Qing wanted to avoid him, but his eyes were too gentle, and his actions were full of tenderness and gentleness. She really couldn’t bear to do it.

so, ” she said, ” are you really going to break off all ties with the Nian family for me? ”

Nian lie chuckled. He figured that mother ning must have told her about it. He didn’t try to hide it from her. do you want me to do that? ” he asked ambiguously.

Ning Qing thought about it seriously and shook her head. after all, they gave birth to you and raised you. Although Zhenzhen was very rude to me, the child is fine, and I’m not that petty. As long as they don’t provoke me, father, and mother in the future, I don’t hate them.

Nian Jing looked at her. She had been hysterical and heartbroken just a second ago, but now, she was saying such things to someone so cruel.

Did she consider him?

Or perhaps she had always been so kind.

“.....”

Ning Qing said, “ perhaps you should talk to them. I think there’s no parent who doesn’t want their child to be happy. They must want you to be happy too. It’s just that they’re used to being strict with you. Zhenzhen, do you want to fight for it? ”

After all, he was willing to say such harsh words to his mother for her.

When she heard her mother say it just now, her heart was beating fast and she was deeply touched.

She could no longer question his feelings for her, and in fact, she had already confirmed her feelings.

She could not be too selfish.

Nian lie didn’t want to talk to her about his parents. he’s a little brat, ” he said softly. what’s the point of thinking so much? ”

“I just don’t want you to be put in: difficult position between your parents and me!” Ning Qing blurted out anxiously:

Nian Yu smiled. you care about me that much? ”

This time, ning Qing did not back down.

I used to hate you and wanted you to die, but I’ve seen everything you’ve done for me and my family. I’m a sentimental person, not a cold-blooded animal. I can feel that you’re really good to me.

[Chapter 1064](#)

1064 Are you starting to like me: little?

She gradually opened up her heart and no longer acted coy or cold like before. She calmly described what she was thinking.

Wanwan, you want to be with me. I won’t go back on my word since I’ve accepted you. I also hope that I won’t leave a bad impression on your parents. At least, this matter needs to be resolved.

She glanced at him. I can’t really let you break up with your parents.

“.....”

Nian lie remained silent for a long time.

Ning Qing quietly looked up again and met his dark eyes.

The smile on his thin lips made her blush, and then she heard him ask, “ning Qing, do you like me a little?”

Ning Qing's eyebrows twitched and her face burned. what nonsense are you talking about?! I'm not!"

She was so anxious that she wanted to push him away, but he grabbed her hand and pressed her against the bed with extremely fast movements, not giving her any chance to escape.

"Don't be a hooligan, ran ran! Let me go!"

His gaze scanned her face for a long time before he finally wrapped his arms around her waist and pulled her into his embrace with extreme gentleness.

"....."

A masculine scent with a faint medicinal smell wafted over.

Ning Qing's heart was beating like crazy, and she could not hide it.

Nian lie rested his chin on her shoulder. ah ning, " he said, carefully and happily. I really like you.

In an instant, all her anger and shame faded away, and her mind was filled with his words.

Nian Xi held her. They were not close, but he felt warmer than ever.

"Ning, from now on, I'll call you ning, okay?"

"I will do my best to treat you well. I won't let you down."

I'll take care of everything. I'll protect you and our baby.

"....."

His true feelings were revealed, and ning Qing's eyes were wet.

She didn't resist and tried to raise her hands. In the end, she firmly grabbed the cloth around his waist.

"Nian lie, if you ever let me down, I'll definitely kill you!" She said:

He was stunned for a moment, and then a spring-like smile bloomed.

"Fine. If I let you down and you kill me, I'll give you the knife."

Ning Qing choked. you're crazy!

"Yes."

go away. You're so smelly. You smell like medicine!

"....."

"How badly injured are you? take off your clothes and let me see."

The girl ordered firmly. Nian lie raised his eyebrows and asked, " do you really want to see it? "

Ning Qing nodded. He hesitated for a moment before standing up. don't regret it.

"....."

He had taken off his clothes, revealing his strong shoulders. Ning Qing stared at his back, which was wrapped tightly. The blood that seeped out had dyed the layers of bandages red.

Her eyes suddenly turned red, and her expression became serious. how could it be so serious? " she asked, on the verge of tears.

Nian lie heard her voice and turned around. don't cry. Don't wail.

Ning Qing didn't dare to touch him at all. With tears in her eyes, she said, " I say, are you adopted? How could they be so heavy-handed to you!"

Nian lie didn't know whether to laugh or cry when he heard her indignant tone.

However, seeing that she was about to cry again, he sighed heavily and hugged her again. He whispered in her ear, " I told you not to look. I knew you would be scared.

Ning Qing rubbed her head against his shoulder. that's so scary. You're definitely not my biological son.

Who would be so cruel to their own son?

Nian lie laughed. perhaps.

He let go of her slightly. The girl in his arms had red eyes, the tip of her nose and lips were pink, and she looked very pitiful.

[Chapter 1065](#)

1065 Can I kiss you (1:

Nian lie's heart skipped a beat, and his gaze involuntarily fell on her lips.

"....."

Ning Qing noticed it, and her eyes flickered.

The atmosphere around them had changed. It was ambiguous and murky.

Ning Qing could not breathe, but her eyes could not leave him.

"Ah ning," he called out to her.

She felt a numbing sensation on her body. It was so soft that she did not have any defenses. Her voice was subconsciously soft. what are you doing? "

"Can I kiss you?"

After he asked the question, Nian lie himself was stunned.

He had never seen him being so careful before.

"....."

Ning Qing lowered her head slightly and did not speak.

The atmosphere slowly became awkward.

She didn't reject him. Nian lie put on an imposing manner. Just as he got close to her face, there was a knock on the door.

"Qingqing, the nurse is here. She's coming in."

Ning Qing pushed Nian lie away. He staggered. Ning Qing did not dare to look at him. okay.

After the nurse came, she explained the general situation to them and said that they could be discharged. They just had to come for regular examinations and apply medicine.

Then, the family returned to the ning family.

Nian lie sent them home and stayed for lunch.

Father ning looked at his stiff body and already knew everything.

He didn't want to say anything more. you're tired today. You should get some rest.

Nian lie hesitated but nodded.

"Qingqing, bring him there."

Ning su took the bowl and chopsticks from ning Qing's hands. go quickly.

"....."

The feeling of being acknowledged was strange and subtle.

Ning Qing stood up and walked to Nian lie. come with me.

He followed behind her and entered the guest room.

She tidied herself up reluctantly. Nian lie offered to help, but she refused.

After that, she asked him to take off his clothes and look at the wound.

It was still bleeding, and it hurt just looking at it.

Ning Qing took his shirt and smelled it. It smelled like medicine.

She didn't allow him to wear it again. After rummaging through her closet for a long time, she finally gave him a blue and white plaid shirt.

"Just put it on and sleep. Sleep properly and don't press on the wound."

She turned around and was about to leave after giving her instructions.

Nian Xi was quick to react and grabbed her. whose clothes are these? "

"Who else could it be? of course, it's mine."

A smile appeared on Nian Yu's face. Ning Qing hit his hand. that's enough. Go to sleep.

what are you doing? this is my house," she said warily:

Nian lie's expression was calm. I know it's your house.

“.....”

“However, Yingluo”

He pushed her shoulders and made her sit on the bed.

“You need to rest. The child needs to rest too.”

“I’m not tired, Yingluo.”

He was strong but gentle at the same time. you’ve been busy the whole morning. You should rest, okay?
”

Ning Qing felt uncomfortable. my parents are still outside.

He suddenly laughed and lowered his handsome face. I just wanted you to take an afternoon nap with me. What did you think I wanted to do? ”

His teasing was too obvious. Ning Qing blushed. you did it on purpose!

Nian lie liked it when she blushed. It made his heart soften.

alright, ” he said: ” I just think you’re tired, so you need to rest. There’s no other meaning.

“.....”

Ning Qing did not leave. He sat beside her and put on a shirt. It was not an expensive brand, but it was comfortable on the upper body and had her scent.

...

Nian lie slowly lay down on his side, leaving room for her.

Ning Qing lowered her head and looked at his hand that was holding hers. is ran ran really not doing anything? ” she asked with uncertainty.

Nian lie didn’t know whether to laugh or cry. what do you think I’m going to do, or what do you want me to do? ”

[Chapter 1066](#)

1066 Thank you: my future wife (1:

“Yingluo, shut up.”

Although she said that, her body tensed up and she lay down stiffly.

Nian lie took the opportunity to hold her waist. She was about to flare up when she heard him say, ” good afternoon, ah ning.

Her eyes froze, and she let herself fall.

“.....”

In less than five minutes, the girl’s even breathing could be heard.

Nian Xi opened his eyes and smiled in satisfaction at her fair neck, which was so close to his.

After that, he pressed his entire chest against her back and hugged her tightly.

The girl moaned uncomfortably, turned over, and found a comfortable position in his arms to sleep.

Nian lie's heart softened. He pulled the thin blanket over the two of them, closed his eyes, and fell into a deep sleep.

*

He slept until the sun set.

Ning Qing wasn't tired at first, but she was pregnant, after all. She had spent too much energy in the morning and fell asleep the moment her head touched the pillow. She didn't even know how she had ended up in Nian lie's arms.

When ning su came to wake the two of them up to eat, she was still dumbfounded.

At the dinner table, the other three people did not mention much about the two of them sleeping together in the afternoon, so ning Qing was not nervous anymore.

Only Mr. Ning looked at Nian lie and said, "it's not our place to interfere in your family matters, but we don't want anyone to hurt Qingqing."

Nian Xi promised him sternly that he would take good care of her and settle the rest of the matters before letting it go.

After the meal, they didn't ask Nian lie to stay.

Nian Jin knew what the ning parents wanted, so he didn't want to stay.

When he left, father ning asked ning Qing to send him out, and ning Qing agreed.

The two of them walked out of the building one after another. Nian Jin stopped at the ground floor and looked up. He said to ning Qing, who was behind him, "have you considered moving to another place?"

"Why do you want to change?" ning Qing asked.

Nian lie's dark eyes were deep. after the baby is born, it'll be better if the place is bigger. We can get a baby's room and let him play however he wants.

Ning Qing understood what he meant, but said, "this is my parents' house. They've worked hard their entire lives. They won't be willing to leave this place."

Nian lie glanced at the slippers she was wearing and took her hand.

Ning Qing was shocked but did not break free.

"A walk?"

"Hello, Yueyue."

The two of them held hands as they strolled under the blood-red setting sun.

In that short moment, ning Qing had the illusion that they had grown old together.

Nian lie was also immersed in this warm and beautiful moment, and his tone was much more relaxed.

“When we get married in the future, your parents will also be my father and mother.”

Ning Qing pouted. that’ll be a long time later.

“It’s been less than two years,”

“.....”

“It won’t be too long.”

Ning Qing looked at him. so? ”

Nian lie stopped in his tracks, and she stopped as well.

since they’re my parents, ” he said seriously, ” I have an obligation to let them live a better life. For example, they can live in a big house and no longer have to work hard.

Ning Qing frowned. my parents aren’t that kind of people. They’re not interested in your money. They accepted you because of me. Don’t forget that you’ve done something wrong.

Nian Xi smiled. of course I know. That’s why I’m very grateful to them. I’m also very grateful to you, ning. Thank you for being willing to forgive me.

Ning Qing held back the sweetness and throbbing in her heart. She restrained the curve of her lips and snorted. I didn’t say I forgave you. I’m giving you a chance to make it up to you.

Nian lie was very cooperative. then I have to thank my future wife too.

[Chapter 1067](#)

1067 Who is your wife (1:

: Who’s your wife?:: Ning Qing’s face burned when she heard him call her that. Don’t think too highly of yourself!”

Nian lie quickly wrapped his arms around her waist to stop her from running away.

He lowered his head, his eyes shining. you’re my future wife.

Ning Qing blinked her eyes and looked at his handsome face approaching her, not knowing what to do.

“.....”

in the future, I will take care of you. I also have an obligation to take care of your parents.

“.....”

ning, we’ve worked hard for half of our lives to raise you and your sister. It’s time for them to rest. What do you think? ”

Ning Qing was so touched by his words that she had forgotten that he had claimed to be her parents.

that's right," she said. I also want them to rest. I was too disappointing in the past and always made them worry.

"I won't do it again." "I'll take care of you from now on," Nian lie said.

Ning Qing's face was burning, and she couldn't help but nod.

"Let me take care of our parents in your place, okay?"

He was too gentle and too alluring. She couldn't say no and could only nod.

Nian lie laughed willfully and sensibly. Under her sparkling eyes, he slowly approached her ...

The moment their lips touched, ning Qing's body stiffened like a stone.

He was full of gentleness as he gently tossed and turned.

She passively accepted his passion, his cherishing, and his love. The corners of her eyes were slightly wet.

"....."

Under the setting sun, blood was like a waterfall.

The two hearts that were in love could not resist fate and were tightly together.

Ning Qing had been a little strange recently.

Ever since Nian Xi had left last time, ning su noticed that she had been calling her ten times more frequently this week, and she had become more active and cheerful.

Other than that, she was also drawing something secretly. Occasionally, she would see her while watching videos. It seemed to be a design or something.

Ning su had tested her before, asking if she had confessed her feelings to Nian lie, but she just kept quiet and didn't reply.

Ning su felt a little helpless, but seeing her so happy, it was as if they had returned to the time before that incident happened.

Simple, lively, cheerful, and loved to smile.

The whole family was happy because of her change. However, they did not know that this was the calm before the storm.

*

Ning Qing was drawing a drawing, and the more she drew, the more annoyed she became.

There was a ring on the blueprint. She had been bored these days and found something she was interested in to do.

She didn't even know why she had designed the ring. Perhaps, she was hoping that Nian Xi would marry her.

However, when he said that he was going back to make peace with his parents, she had told him to calm down. It had been half a month, and not only had she not seen him again, but he had not even called her in the past three days.

Everything was not calm.

"....."

Ning su looked at ning Qing, who was flustered. Qing 'er, what's wrong with you these days? "

Ning Qing frowned. sister, he's ignoring me.

Surprised, ning su sat down beside her and asked, " did something happen to him? his parents are so determined. I'm afraid it'll be difficult for him to get together with you.

"....."

Ning Qing scratched her head and said, " I know.

But no matter what, he should not have ignored her.

Unless he was unable to contact her.

As ning Qing thought of this, she started to worry about his safety.

Ning su consoled her. but they're his parents, after all. They probably won't do anything to him. Don't worry, just take care of yourself and wait for him to come back.

[Chapter 1068](#)

1068 Let's break up, ning Qing.1

Ning Qing forced a smile, and ning su changed the subject. what have you been drawing recently? "

Ning Qing was stunned. nothing.

sister! ning su took the drawing out of her hand and exclaimed, " give it back to me!

Ning su raised his hand and took a closer look. It turned out to be a complicated ring!

why? " she laughed and couldn't help but tease, " are you so eager to marry him? "

"I didn't!: Ning Qing was so embarrassed that she retorted while snatching it.

Ning su was afraid that she would bump her stomach, so he returned the drawing to her.

Ning Qing held it in her hand and carefully put it back into her diary as if it was a treasure.

For some reason, ning SU's heart tightened.

"You really like him?" she asked.

Ning Qing paused and, for the first time, did not refute.

Ning su was about to make fun of her when her phone rang.

Ning Qing couldn't wait to take a look, and her eyes lit up. it's him!

Then, ning su saw her say hello happily.

"....."

However, it didn't take long for the other party to say something. Ning Qing's smile stiffened, and her expression turned ashen.

"Nian lie, are you kidding me?" she asked, trembling. This joke isn't funny. I don't like it at all."

The man's voice was cold. I'm serious. Let's break up. Your child and your family are the same. They're not good enough for me. I'm just playing with you. Ning Qing, you should know your place. It's best for both of us to abort the child."

Ning Qing trembled uncontrollably, and her eyes quickly turned red. what are you saying? I've been waiting for you for half a month, and this is the result?"

After a moment of silence, ning Qing seized the opportunity to ask him, "did your parents force you? They forced you to break up with me, didn't they?"

There was some movement on the other side. The voice that was like the sound of nature turned into the most desperate words in her ears.

"I'm getting engaged. The other party is the eldest daughter of the SU family. You can't compare to her. I've thought about it. A moment of confusion is not love, and my feelings for you are not."

"....."

"In the future, don't look for me anymore. I'm no longer interested in you."

"Du du du ..."

The cold sound of the end of the call was like a talisman that hastened her death, causing pain in ning Qing's internal organs.

She was unconscious, and her tears were like broken pearls.

It wasn't until she heard ning SU's anxious voice that she turned to look at her blankly. sister, " she said, " he said he doesn't want me anymore.

"....."

he told me to abort the child. He said that he was just playing with me from the beginning to the end. He even said that Yueyue is getting engaged.

With that, her body swayed and she fell to the side of the bed.

Ning su was anxious. how is that possible? Was he being threatened? Try calling him again!"

All the strength in ning Qing's body was sucked out, so ning su grabbed the phone and made a call.

"I'm sorry, the number you've dialed has turned off his phone."

Ning su was stunned.

When ning Qing heard this, the despair in her eyes overwhelmed her.

"....."

Since then, the ning family's sky had changed.

*

That night, Mother ning felt that the two sisters were acting a little strange.

Especially ning Qing, who suddenly didn't even come out to eat.

She stopped ning su, who was bringing food in. what's wrong with your sister? Are you in a bad mood?"

Ning su thought about ning Qing's helpless " don't tell mom and dad " and suppressed her desire to confide in her. the child is making trouble for her, so she has a bad appetite and is in a bad mood.

:: see: it's better to send her to the hospital,"mother ning said worriedly:

Ning su hurriedly stopped her. she doesn't want to go to the hospital. You know that! I'm fine. I'm just not in a good mood, so I didn't say anything because I didn't want to bother you and dad."

[Chapter 1069](#)

1069 I'll take you to see him (1:

Oh ... Then you have to take good care of your sister. Don't let her feel more depressed. It's not good for the child.

"I know."

Ning Meng came in with the food and saw ning Qing lying on the bed, her face as pale as a dead person's.

She stared at the ceiling without blinking. Her tears kept falling, and the pillow under her was wet.

Qing 'er, " ning su sighed. get up and eat something.

"....."

you haven't eaten for a day. If you continue to be like this, mom and dad will know.

"....."

Ning su sighed and sat by the bed. Qing 'er, you can't do this. He only said a few words. How can you be so sure that he doesn't want you and the child anymore? "

Ning Qing opened her dry lips, her eyes full of pain. Zhenzhen, you didn't hear his tone. He wasn't like this before.

“He might have been coerced.”

“But he swore that he would never hurt me again.”

Ning su felt helpless. She didn’t have much to say on this topic.

“Get up and eat something. Even if you don’t eat, the child still needs to eat. Or do you want to starve the child?”

There was a glimmer of light in ning Qing’s eyes, which showed that she cared about the child.

Ning su hurriedly said, “ you can’t vent your anger on the child and yourself because of him. Qing ‘er, the child is innocent. Don’t do this.

Ning Qing reacted. She helped her sit up, held the bowl, and fed her with a spoon.

“.....”

Ning Qing’s tears were falling as she ate.

Ning SU’s heart ached, but he could not do anything for her.

Ning su didn’t stop until she was nauseated and vomited, and then he felt even more helpless.

Her condition continued until the next morning.

Ning su was so tired last night that he fell asleep next to her. When he woke up, he found her eyes open, but she had stopped crying.

“Qing ‘er, you’ve already fallen in love with him.”

“.....”

Only ning Qing herself knew how much her heart hurt.

Her tears had already run out, and she couldn’t cry anymore.

Ning su went out once. During this time, she got up and felt dizzy. She finally stabilized herself and walked to the desk.

Under the windowsill, the affectionate man had once stood there for more than a month. How could he be the same person who had spoken to her on the phone yesterday?

“.....”

Ning Qing lowered her eyes and looked at her diary, as well as the drawing of the ring.

She suddenly laughed and then tore every page of the diary into pieces!

“If you don’t want me, I don’t want you either!”

“You’re a liar! You big liar!”

“I don’t want to remember you! And don’t remember anything from the past!”

She growled in a low voice. Ning su, who was outside, heard her voice and hurried in.

Her heart ached as she stopped ning Qing. what are you doing? ”

“I don’t want to like him, I don’t want to love him anymore!”

Ning Qing was about to tear up the drawing, but ning su immediately grabbed it.

“Don’t be like this!”

Ning Qing was about to go crazy. Her eyes were red. give it back to me!

Ning su took a deep breath and made up his mind. I’ll take you to see him.

Ning Qing’s movements stopped, and tears hung in her eyes. what’s the matter? ”

I know where the Nian family’s old mansion is, ” ning su repeated with a cold face. I’ll take you to see him and explain everything to him.

“.....”

Ning Qing’s expression changed again and again, and her tears fell again. what’s the use of looking for him, Zhenzhen? ”

it’s useful. At least, we can figure out the situation.

Ning SU’s eyes turned red, and he stepped forward to hug her. don’t torture yourself like this. Qing ‘er, let’s go find him. It’ll be fine once we find him.

Ning Qing dropped her stiff hands, tears and weakness coming into contact.

The room was filled with sorrow and depression.

1070 Seeking a result (1:

Downstairs, in the car.

Ning su fastened his seat belt and looked at ning Qing, who was still in a daze. I lied to my parents that we were going out for a walk. We can’t take too long. So, Qing ‘er, we have to hurry.

Ning Qing was a little nervous. okay.

Ning su walked past the central control area and held her hand. trust me.

Ning Qing nodded.

In fact, ning su had just learned how to drive last month. He had gotten his driver’s license, but he had never been on the road before, so he was still very nervous.

But now that she couldn’t find anyone else willing to take them there, and ning Qing was in such a state, she really had no other choice.

Fortunately, it was a steady start.

Ning Qing clutched her seat belt, her heart clenched. After she picked up the speed, the car behind her became more and more stable.

Ning su smiled at her. my skills are not bad, right? ”

Ning Qing smiled back at her, feeling very touched.

“Sister.”

“What?” Ning su was focused on the road.

Ning Qing bit her lip. thank you.

“What are you saying? I just want you to be well. If you continue like this, your body and mind won’t be able to take it.”

Ning Qing hung her head low, still in low spirits.

Ning su said, ” Qing ‘er, never hurt yourself for others. If you really can’t take it, think more about dad and mom. Think about me. Don’t let us all be sad for you, okay? ”

Ning Qing felt guilty and wiped the corners of her eyes. I know.

“.....”

The car fell silent.

Outside the window, the hot sun hung brightly in the sky. Something slowly rose from the asphalt road and refracted in the air, making it even hotter.

Ten minutes later, the car drove to a sparsely populated section of the road.

Ning Qing was heartbroken, but she listened to ning SU’s words.

“Sis, will it really work if we go to him?” she asked in a low voice.

She wasn’t sure, especially after hearing Xiangfan Nian’s cold and heartless words.

Ning su didn’t have much of an expression on his face, and his side profile was gentle. we’re going to ask for an outcome.

Ning Qingyan was stunned, and her eyes flickered.

Ning su glanced at her and said, ” Qing ‘er, you have to promise me that no matter what he says to you when you see him later, you will not hurt yourself in a moment of desperation.

Ning Qing furrowed her brows in embarrassment, uncertainty filling her mind.

“Sis, I can’t guarantee it. I’m Yingluo!”

Ning su turned his head and said seriously, ” you have to promise me. Otherwise, I won’t take you there.

Ning Qing blinked. I’ll try my best, okay? ”

Ning su knew that he was already making things difficult for her. After all, she had always been a willful and free girl. She was innocent and lively, and she couldn't hide her thoughts.

She felt a little uneasy in her heart. She pretended to be relaxed. Qing 'er, don't think too much about it. Maybe you should consider trusting Him more.

Ning Qing's eyes were dark and red, and she looked Haggard.

Ever since the phone call ended, she had been very sad. She didn't think about anything else but that he had hurt her.

Perhaps, he had his own difficulties.

How could he be so cruel to her?

Moreover, she had already made her family worry about her for so long. She couldn't continue to be so depressed.

Even if they wanted to break up, they had to make things clear!

She suddenly thought it through and her mood was much higher.

"Sis, don't worry. I'll try my best to control myself. No matter if it's good or bad, I'll be mentally prepared."

Ning su smiled gently at her and said, "it's good that you can think this way. You have to be prepared for the good results and the worst. But even if he really gives up on your relationship, you have to be decent.

Ning Qing felt a deep pain in her heart when she thought of this.

She took a deep breath and looked ahead.

However, the sudden appearance of a car made her panic.

"Sister! Be careful--"

"Bang!"
