[Chapter 1011](#)

1011 The young Madam hasn't woken up yet

*

On this day, no one in bamboo city knew what had happened.

One ambulance after another was seen leaving and returning.

The city center hospital was surrounded by the big shots 'men. Even if someone wanted to check it out, they were discouraged by the situation.

*

Two days later.

Lou Chi was hit so hard that he stopped breathing on the spot. Young Madam's sister was hit in the head and her shoulder was pierced by a sharp object. She suffered a serious injury and was sent to the emergency room for a long time before she was rescued. However, the doctor said that the blood clot in her brain was too big and couldn't be removed. Basically, there's not a high chance of Hanhan waking up. As for young Madam, she had the lightest injuries in this accident, but she's been in a coma for two days. We don't know why Hanhan has not woken up.

The person who spoke was Lu Zhui. The past few days of torment had made him extremely tired, and his suit was full of wrinkles.

"....."

Nian Che's brows were tightly knitted together as he listened to this shocking incident.

He didn't know why things had become like this after his brother had sent him out for two days.

He tried to suppress his emotions. where's my brother? "

the young master is by the young mistress 'side. He hasn't eaten for two days. It seems like he won't be able to hold on for long.

Lu Zhui's face was full of worry. second young master, you should also try to persuade young master later. Otherwise, I'm afraid that he'll torture himself before young Madam wakes up.

"Who do you think can persuade you?"

Lu Zhui was speechless.

Nian che had never felt such a strong urge to smoke a cigarette.

He had never smoked because he felt that only those who were stressed and needed to vent their emotions would find a way to express themselves.

He never needed it.

However, at this moment, he had one hand on the wall. He bent his back and asked Lu Zhui with a trembling hand, "do you have a cigarette? give me one."

"Second young master, this is: hospital. Smoking is not allowed."

Nian Ying seemed to wake up and nodded.

After a long silence, he asked again, "my sister-in-law Yingluo."

He didn't finish his sentence, but Lu Zhui could tell from the shape of his mouth. He nodded and said, "the child is still here."

Nian che heaved a sigh of relief. Finally, he had some good news.

"Is sister-in-law's sister really not going to wake up?"

Lu Zhui lowered his head. the doctor said that there's still hope, especially in the first few days of the operation. It would be best if we can wake her up. If we can't wake Hanhan up, then there's no hope in the future.

Nian Ying took a deep breath. It was Midsummer, but he felt cold all over, without any warmth.

"Second young master, please."

"I'm going to see my brother."

After he finished speaking, he rushed over to the ward. However, when he was not far from the ward, he saw a group of doctors surrounding the door.

Nian che and Lu Zhui hurried over. what's the matter? "

Mr. Nian has fainted, " one of the nurses said: our doctor is preparing to give him a checkup.

Nian Che's face darkened as he walked into the ward. His heart ached when he saw the woman lying on the bed.

"....."

He tried his best to shift his gaze away and look at Nian lie.

Only then did he realize that his brother had tormented him so much that he didn't look like a human anymore!

Putting aside the fact that he had not changed his clothes, how was that ashen-faced man with a face full of stubbles still the brother in his memory?

"Take my brother to the next Ward and treat him properly!" He immediately ordered.

"Yes."

Nian lie was moved to the next Ward. The doctor followed him over, and the ward over here became quiet.

Nian che looked at the woman's face. As he was hesitating, he heard her mumble.

no, why Don't You Want Me? why do you want to break up? Nian lie? ”

Nian che furrowed his brows. Did she dream of his brother?

However, no one knew what she was dreaming about.

She didn't know that ning Qing was experiencing the most profound pain for her at this moment!

[Chapter 1012](#)

1012 The beginning of reminiscing (1:

In the darkness, there was only a single spot of light.

Ning Qing stood there and opened her eyes. All she could see was endless darkness.

“Where is this place? Why am I here? I'm not Yingluo!”

She thought of something, and tears welled up in her eyes.

sister, the car accident happened. I want to go back!

She pounced into the darkness with all her might and kept running.

Her tears fell with the wind, and the hole in her heart grew bigger and bigger.

There was no end to the darkness.

In the end, she was tired and collapsed on the ground, her heart aching so much that she couldn't feel anything.

“Why do you want me here? I want to see my sister!”

Her mind was filled with the image of ning SU's face covered in blood. The sharp weapon was nailed into her body, and blood kept flowing out.

She was in great pain and shook her head to get rid of it.

Suddenly, there was a flash of light.

Two images appeared in his mind.

It was the same car accident, the same blood, and the same blood-stained face of ning su.

No, not only on his face, but also on his body and feet.

The blood was flowing out of ning SU's body, and there was no end to it.

Ning Qing was terrified. The blood seemed to have a mind of its own. It spread from the bottom of ning SU's feet and then rolled up along her feet.

A baby in her stomach!

“My child!”

The intense pain in her lower abdomen was enough to kill her!

child, don't leave your mother. Nianlie, save me. Save our child!

She cried and shouted, and her heart-wrenching voice echoed in the darkness.

However, no one extended a helping hand to her.

Half an hour, one hour ...

All the blood in her body had flowed out, and she had no strength left. There was a pool of blood under her body.

As he was numbed by despair, countless voices came from above him.

you lowly woman, you want to touch my son? dream on.

"You have the face of a Vixen and you want to seduce my son? I'm telling you, from your status to your looks, you're not worthy of my son. If you pester him again, I'll make sure your family won't live in peace!"

"This child doesn't deserve to live."

No, it wasn't me!

I didn't!

Ning Qing shook her head frantically, and her parents' voices immediately rang out.

"What a sin! Why did such a thing happen to the child?"

I'm going to call the police! I'm going to punish that bastard!

"What did my Qing Qing do wrong? Why is this, Yingluo?"

Her sobs spread throughout the entire space, but Ning Qing could not remember anything. Her heart was in a daze, and her head was splitting.

In the dark, the man laid on top of her and suppressed his hoarse voice. don't worry, I will take responsibility.

After he finished speaking, extreme pain burst out in his body.

"No! No... Let me go!"

Who was crying?

"I'm sorry I'm late,"

you can hate me or not forgive me, but I really want to take care of you for the rest of my life.

"I like you, ning."

"....."

"Let's break up. Your children and your family are the same. They're not good enough for me.

Ning Qing, you should know your place. It's best for both of us to abort the child."

"In the future, don't look for me anymore. I'm no longer interested in you."

The sound of abuse mixed with the man's muffled groan, as well as the young and sincere confession.

In the end, it turned into an ice-cold breakup declaration.

Ning Qing looked at the face in the dark. It was pale and lifeless. She was shocked!

Because ... The woman who looked lifeless and soulless was actually herself!

The moment her heart ached, she held her flat stomach and fell into a deeper abyss.

Chapter 1013

1013 The memory from seven years ago (1:

The ning family.

Unlike the usual quietness, the atmosphere in the ning family was more warm and beautiful.

The living room was decorated with pink balloons, and there was an unopened birthday cake on the dining table. The dishes were already on the table, and the sound of cutting vegetables came from the kitchen.

"Qingqing, don't dress up anymore. Come out and help your sister," the woman called out after a while.

The person who spoke was Mother ning. She was wearing an apron, and her face was gentle and soft. Even her words were soft.

There was a young girl behind her. She was wearing a denim long dress and sitting on a small bench, revealing her fair and slender legs. She was helping to fold vegetables.

"It's coming, it's coming! Don't rush me!"

A high-pitched female voice was heard. The door was unlocked and happy footsteps rushed to the kitchen.

Ning su looked up and saw that ning Qing was wearing a plain white dress and had her hair tied into a popular side braid. The end of her hair was tied with a daisies hairband. She was soft and pure, with red lips and white teeth, and was looking at him with a smile.

"Sis, do I look good?" she asked.

Ning su laughed. Before she could say that she looked good, mother ning said, "oh my, she looks so good. You know that you're busy today, but you still dressed up in your room for so long. Who are you dressing up for?"

Hearing her mother's perfunctory words, ning Qing pouted unhappily. mom, this is my and my sister's coming-of-age ceremony. Can't you be gentler to me? " Besides, who can I dress up for? of course, it's for you guys."

Ning su had always doted on her. okay, Qingqing is the prettiest. Mom, don't talk about her. It's her birthday today, so our Qingqing should dress up the best.

Mother ning was helpless. She looked at her two daughters, who clearly had the same face, but she could tell who was the older sister and who was the younger sister at a glance.

Her two children had been praised for their beauty since they were young. The elder daughter had a gentle personality, and her every frown and smile was gentle and sweet. The younger daughter was more active and mischievous. Her face was always full of smiles, sincere and pure.

Sometimes, when she looked at the two of them, she felt that her life had been worth it.

She also laughed along. yes, my daughter. Both of them look good!

Ning su and ning Qing looked at each other and smiled. They walked forward and hugged mother ning.

"Mother is the most beautiful!" Ning Qing said, trying to please her.

"You're talkative!"

The three of them happily finished preparing lunch at home. Mr. Ning had just returned from the restaurant. As soon as he entered the house, he smiled and congratulated them. Happy Birthday to my two precious daughters!

Ning Qing was not happy. father is back so late. We're all done.

Mr. Ning put down his briefcase and patted her head. don't be angry. Isn't daddy back now? " he said.

Ning Qing snorted. Mother ning said, " that's enough. Your father has something important to do today. He even rushed back to celebrate your birthday. He still has to leave after dinner.

Ning Qing was reluctant to part with him. father, really? "

Mr. Ning nodded. I do have some work to do, but no matter what, I'll have to go after your birthday.

He turned around and shouted into the kitchen. Hansu, come out quickly. Dad has a gift for you.

"They're here."

Ning su carefully brought out a bowl of soup. Seeing this, father ning quickly went to take it.

"What are you holding this for? be careful, it'll burn your hand."

Ning su smiled shyly. it's okay, dad.

The family sat around the table and gave their blessings. Then, mother ning and father ning gave the gifts to their daughters.

Thank you, Mom and dad. ning Qing and ning su took the palm-sized gift boxes. Ning su smiled.

Mother ning nodded with a smile.

The two of them unwrapped their presents. Mother ning gave them a high-end brand dress each, while father ning's was a little special.

Ning su opened the box, and the blood-red bead came into view.

There was surprise in her eyes. what a beautiful bead!

Ning Qing looked over and immediately liked it.

She immediately opened her gift box. It was the same type of bead. When put together, it was shiny and warm.

[Chapter 1014](#)

1014 Birthday present (1:

“Come, daddy will put it on for you.”

Ning su didn't reach out his hand, so ning Qing handed it over first and let her father put it on with a smile. She held the bead in her hand and said, “ thank you, Father!

Father ning smiled warmly. Hansu, come.

After putting it on for ning su, she turned around and smiled gently. thank you, dad.

“Good child, come and eat.”

The family ate lunch together happily. Father ning really had something urgent to attend to, so he received a call halfway through the meal and was asked to leave.

After clearing the table, ning Qing was not very satisfied.

“What's the matter?” ning su asked.

it's our birthday, and it's a once-in-a-lifetime occasion. But dad left halfway through and might not be back at night.

Ning su looked at his sister and tried to comfort her. it's okay, Qing 'er. Dad has already had dinner with us and given us gifts. We're all very happy. That's enough.

“But dad can't even eat our birthday cake.”

Looking at the exquisite cake on the table, ning Qing felt more and more regretful.

Ning su thought for a while and patted her shoulder. it's okay. We can save some for dad. We can eat it when he comes back tonight.

Ning Qing disagreed. that's a different meaning.

“.....”

Ning su was about to say something, but when she heard her mother's voice, she touched her sister's head and turned to leave.

Ning Qing kept this matter in her heart and felt very upset.

In the afternoon, the three of them unwrapped the cake, sang the birthday song in a very ritualistic manner, made a wish, and cut the cake.

As they ate the cake, ning Qing sighed again. it's a pity that father isn't here.

"It's alright, Qingqing. You can eat it when your father comes home," said Mrs. Ning.

Ning Qing threw a tantrum. how can it be the same when I'm back? "

With that, she put down the cake and went back to her room in anger.

Mother ning shook her head. She took it that Ning Xi was throwing a tantrum as usual and had no intention of comforting her.

In the pink room, ning Qing lay on the bed. The more she thought about it, the more unhappy she became.

Her father and mother had worked hard to raise her and her sister.

Now that she and her sister had grown up and become adults, it meant that they would be more sensible in the future. It was also time for them to be filial to their parents. Although she did not have the ability to do so now, she could not let her father, who had raised her with so much effort, not even have a bite of a proper cake.

She wanted to thank her father for his kindness and the grace of raising her.

He couldn't be so casual.

Thus, a wicked idea formed in the girl's mind.

In the afternoon, mother ning was taking an afternoon nap, while ning su was writing something in his room. When he saw ning Qingyan sneaking into her room, he stopped writing and closed his diary.

"Why are you acting so sneaky? what do you want?"

Ning Qing did not feel embarrassed when she was caught. She chuckled. sister, I have an idea.

"What idea?"

"Father is so pitiful."

Ning su found it funny. Her sister was very clever, and she cooperated with her. Oh? Which part of me is pitiful?"

dad has been busy making money for the family all his life, and we can't even have cake for our birthdays. Don't you think he's pitiful? "

Ning su was helpless. why not? "

"He didn't eat with us. He's so pitiful!"

what do you want then? " ning su tried to hold back his laughter when he saw her acting shamelessly.

"I want to bring a cake to father," ning Qing whispered into her ear when she saw that she had let go.

Ning su frowned and said, " you don't know where dad is, and he's working. It's not good for you to disturb him, ran ran.

oh my, my good sister, my best sister in the world. I'm just going to deliver the cake. He'll come back after eating. I won't stay a minute longer. She acted coquettishly to ning su. I'm begging you. Please go and ask mommy where daddy is, okay? "

"....."

Ning su really couldn't change her mind. Thinking that she did have good intentions, he finally agreed reluctantly.

[Chapter 1015](#)

1015 First meeting (1:

The sun set in the West, and its light slowly sank.

A young girl in a white dress was carrying a cake. Her steps were brisk, and she was humming an unknown song.

It wasn't easy for him to convince ning su and let her know that his father wasn't in the office, but at a hotel for a meeting about work.

It was a good thing that the place was not far from home, and she could find it.

"I wonder if dad will be so touched that he'll cry when he sees me."

Ning Qing thought of that scene and couldn't help but cover her mouth and laugh.

At this moment, the sound of messy footsteps came from the side path.

Ning Qing was caught off guard. She had just turned her head, and there was no time to Dodge, so she bumped into the person who was coming at her.

"Ah!"

"Bang!"

She fell to the ground and subconsciously protected the cake in her hands. Her knees and palms were scraped.

The person in front of her stood still and did not reach out to help her.

He's not gentlemanly at all!

"How can you be like this?" she raised her head and accused the other party. I don't know how to apologize even if I did!"

"I'm sorry, I didn't do it on purpose."

Ning Qing stood up and looked at him.

The man's back was against the light, and the outline of his face was clear, revealing a hint of coldness. His well-defined facial features were dignified, and his eyes were starry. However, his clothes were a little sloppy, and there were still stains on his face. His voice had an indescribable sense of dejection and sexiness.

Nian lie was in a rush to begin with. After looking into the distance, he realized that the young lady in front of him had been staring at him.

He was stunned for a moment. Suddenly, he saw her eyes light up and her tone become friendly.

“Forget it, I’m not angry anymore.”

“.....”

“It’s your fault for being so good looking.”

She saw a suspicious blush on his expressionless face. She searched in her bag and took out a handkerchief.

“Here, wipe it. Your face is so dirty.”

He didn’t move. She frowned and stuffed the handkerchief into his hand.

“Don’t waste your face.”

“.....”

She looked at his beautiful face, feeling a little confused and regretful. you’re not a fool, are you? ”

After she finished speaking, she felt his gaze fall on her.

After all, ning Qing was still a young girl who had just come of age. How could such a handsome man stare at her for so long?

Her face was a little red, and she coughed to cover it up.

Then, he found an excuse and left in a hurry.

“.....”

Nian lie stood in the same spot for a long time. When he looked at her again, she had already disappeared.

He didn’t care about this sudden incident. Holding the handkerchief, he passed by a trash can and raised his hand to throw it out.

The young girl’s bright and pure eyes flashed across his eyes.

He stopped in the middle of throwing it away. After a while, he retracted his hand and quickly disappeared into the street.

*

On the other hand, ning Qing had calmed down from her blushing and racing heart. She went to the front desk of the hotel and greeted her with father ning’s name.

Someone led her upstairs. Along the way, ning Qing looked at the resplendent and magnificent place, feeling a little amazed and envious.

A party was being held in the banquet hall. The waiters who passed by were all smiling and smiling. They bowed slightly. miss, please.

Ning Qing looked at the wine glass on the tray and blushed. She waved her hands and said, " I'm sorry, I'm not ran ran.

"It's okay, you can drink it:" the woman who was leading ning Qing smiled and said:

"I can't drink."

this is just a fruit wine with a very low alcohol content. It's almost equivalent to fruit juice. Don't be afraid, you can try it.

Ning Qing looked at the woman's trustworthy eyes and was a little curious, so she made a light blue cocktail. thank you.

After that, she continued to follow the man.

"Sister, does it mean that: can drink the food here as long as someone comes:" she asked as she walked:

of course, the customer is God. We'll provide you with anything you need.

Ning Qing did not seem to understand. She took a sip of the wine. It was sweet and sour, and it tasted good.

She asked the woman along the way, and the glass was empty soon.

At the door of the private room, the head waiter said,"wait a moment, I'll go get your father." &Nbsp;

Ning Qing nodded, her head already a little dizzy.

...

She stood alone in the Golden Corridor, with no one around.

Ning Qing was bored. She waited for a long time, but no one came out, which made her even dizzier.

She shook her head."What's going on, Yingluo?"

[Chapter 1016](#)

1016 Predicament (1:

Why was she so dizzy?

The girl's body was unstable as she leaned against the cold wall. However, the wall was unable to keep her awake.

She sensed a strange danger and subconsciously held her forehead, walking in the direction she came from.

However, she didn't walk far before she heard footsteps behind her. Then, someone grabbed her arms.

Ning Qing narrowed her eyes and struggled subconsciously. Who are you? Let me go Yingluo!"

The other party didn't answer. Her vision was also hazy, and she couldn't see anything clearly.

The fear that came from the bottom of her heart made her burst out with some strength. She forcefully opened it, and the cake in her hand fell to the ground.

She was very scared and ran away.

The man walked over and grabbed her hair. stop struggling, " he said fiercely. you can't run away. Be good.

"....."

She felt a sharp pain in her scalp and the blinding light. She was so nervous that she passed out.

In the brightly lit corridor, the girl was pulled into the elevator.

The cake that had been knocked over was picked up by a hand.

The corridor was empty.

The head waiter came out of the private room and looked around. where is she? "

where's the little girl you were talking about? " Mr. Ning, who was a little drunk, asked.

The head waiter looked around and really did not see her. He was a little embarrassed. I'm sorry, Sir. She must have left. I'll go and look for her.

Father ning didn't care at the moment, because he thought ning Qing was still young and didn't have the courage to come to such a place to find him. So, he waved his hand and walked back to the private room.

The head waitress apologized awkwardly, then asked the waiter in the room next to her. After making sure that ning Qing was not there, she thought that the girl was just throwing a tantrum and didn't pay much attention to her after looking around.

She didn't know that in one of the hotel rooms, a conspiracy that could change the lives of two people was happening.

*

In the dark room, she couldn't even see her fingers.

The girl was thrown onto the soft bed. The person behind her looked around. Only the bathroom light was on, and she could vaguely see the figure inside.

The man looked back at ning Qing with a perverted look, smiled insidiously, and turned to leave as if he had never been here.

"....."

Ning Qing smelled an unfamiliar aura and had a terrible headache, but the hidden sense of danger still woke her up from her coma.

Looking at this completely unfamiliar room, her heart beat like thunder. She was so nervous that she couldn't hear anything else. She jumped out of bed and was about to leave.

However, her legs were so weak that she had no strength in her body. She finally reached the door and pressed the doorknob ...

It couldn't be opened!

The young girl panicked and kept pulling, but it was of no use.

"How could this be? Who let me out? I'm only here to find my father. Let me out!"

Her voice was filled with tears as she knocked on the door.

However, this sound did not attract the people outside the door, but the people in the room.

"....."

The bathroom door suddenly opened, and heavy and messy footsteps approached. The heavy breathing indicated that the person was not calm.

Ning Qing's back stiffened, and she did not dare to turn around.

After a while, she found her voice. I'm sorry. I don't know why I'm here. No, ran ran, I didn't want to come here. Someone caught me.

"....."

Her soft words were clearly stained with pleading, and there seemed to be an inexplicable familiarity.

But the man couldn't think about it carefully, because her existence at the moment was like a weak boneless hand, wantonly scratching his heart.

"....."

His breathing grew heavier, and ning Qing could tell that the person behind him was a man!

His breath was cold and his eyes were like hooks fixed on her, as if he would pounce on her and tear her apart at any moment!

However, he was still trying his best to suppress the burning flames in his body, so much so that his naked body was trembling non-stop.

get out! he roared from the depths of his throat. get out!

[Chapter 1017](#)

1017 I will take responsibility for you (1:

It was dangerous!

With this thought, the girl's first reaction was to apologize. I'm sorry. I'll leave immediately. I'll open the door immediately. Please don't be angry, Qianqian.

She couldn't care about anything else and started to pull the door open like crazy. However, she had already planned everything out, so how could such a slip-up happen?

She couldn't open the Pixiu. She couldn't open the Pixiu.

Ning Qing's eyes were teary, and her face was red with anxiety. In a moment of desperation, she turned around and asked for help. the door can't be opened. Can you help me, ran ran? "

As soon as she finished speaking, her entire body stiffened.

Having adapted to the darkness, she saw the man thoroughly.

She had never seen a man's body before and was extremely embarrassed. She hurriedly turned her face away. I'm sorry, I didn't mean to look at you!

She was too anxious to see that face just now and didn't realize that it was so familiar. She had just seen it half an hour ago!

However, Nian lie recognized her immediately when she turned around.

"Yingluo, it's you."

How could it be her?

Could it be that her father had sent her to capture him?

No, that was impossible.

He thought of her wet eyes when they bumped into each other on the road.

Pure, flawless, innocent, and kind.

She couldn't be.

As his rationality returned to him, Nian lie suppressed his excitement and desire. His black eyes turned red.

"....."

As the heavy footsteps approached, ning Qing trembled and pressed herself against the door. what are you doing, ran ran? I've already said it. I didn't want to come.

Nian lie was already standing in front of her, one hand reaching for the doorknob.

She thought that he was going to hit her, so her hands were still on the doorknob.

Ning Qing's face burned even redder when the hot palm touched the back of her hand.

Like a Frightened Rabbit, she quickly retracted her hand.

This action didn't affect Nian lie's sense of touch.

Perhaps it was because of the medicine, but he felt a deep reluctance to part with that gentleness.

Nian lie shook his head. His forbearance had caused his forehead to be covered in sweat. His body swayed, and he had no choice but to raise his hand and press it on the door handle.

This movement startled ning Qing, and she shrank even more tightly.

She raised her head carefully to look at him, and her nervous eyes suddenly lit up. it's you!

Nian Yu pursed his lips and closed his eyes. The fresh scent of a young girl wafted over, stirring up his rationality and driving him crazy.

Ning Qing didn't know. Instead, she was relieved to see that it was him. I don't know what happened. I just felt very dizzy. What's wrong with me looking for you when I woke up? "

As she said this, she noticed that he was acting strange.

don't touch me! seeing her reaching out her hand, Nian Yu pushed it away and said in a very resistant tone.

Ning Qing was afraid again. okay, " she said, feeling wronged.

Nian lie tried to pull the door open and realized that something seemed to be stuck outside. He cursed under his breath, and the fire in his heart burned even stronger. He turned around, wanting to walk away and stay away from her.

But the young girl didn't know what kind of suffering he was going through. Seeing him stumble, she thought he was uncomfortable and went up to support his arm. do you have a cold? are you dizzy? " Why don't I help you to rest for a while, Yingluo?"

Her weak body leaned over, and he was suddenly enchanted, taking the opportunity to hug her in his arms.

Ning Qing panicked. don't whine!

As the fragrance entered his arms, Nian lie's last bit of rationality collapsed. His dark eyes were as deep as the sea. He lowered his head and kissed her lips!

"....."

In an instant, ning Qing's entire body exploded.

However, before she could push him away, the man held her even tighter and pushed her to the bed. She didn't notice and fell down with him.

The man's hot palm was strong. Ning Qing cried and refused, but it only made the man want to destroy her even more!

"I'm sorry, I'm sorry." As he apologized, he instinctively approached her.

"Let go of me! You're crazy! I'm begging you! Please don't do this!!!"

Ning Qing cried her heart out and kept pushing, but she could not fight against fate.

Nian lie couldn't control himself. At the last moment, he pulled himself out of the madness and stared into her bright eyes, which were filled with tears. He said apologetically and pitifully, " don't worry, Qianqian. I'll definitely take responsibility for you!

After that, he no longer suppressed himself and had a wild night.

[Chapter 1018](#)

1018 Wait for me (1:

5 am.

There was a faint light in the sky.

The effects of the medicine had worn off, and the animals that didn't know exhaustion were finally satisfied.

When lie woke up that year, he had a splitting headache.

Thinking of everything that had happened that night, he subconsciously turned his head and saw the woman's pale and weak face.

Her clear eyes were closed and her face was pale. The tip of her nose, her eyelids, her lips, and her cheeks were all red, and her chest was not moving at all.

"....."

Nian lie jolted. He quickly propped himself up and reached out to feel her nose.

Fortunately, she was still breathing.

He didn't notice that his hands were trembling slightly, and his eyes couldn't help but move down from her face.

It was only an inch, but he didn't dare to look.

He had never experienced this before, but as a man, he knew how crazy he had been last night and how tormented she had been.

She cried at the beginning, but in the end, she couldn't cry anymore, and then she fainted, and the wounds on her body were still there.

Nian lie didn't dare to take another look at her. He hurriedly pulled the blanket over her and looked at her with a complicated expression.

She was very beautiful.

It was a clean beauty that could really be remembered at first glance.

And he had ruthlessly torn her beauty apart last night.

Nian Jin's heart was in turmoil, he felt regretful and helpless, he did not know what to do, and there was also a faint joy that he could not describe.

He didn't know why, but now, he only remembered her eyes that were in so much pain that they were out of focus. His heart twitched.

He remembered what he had said. He would take responsibility for her.

But why did he say such things?

“.....”

Nian lie was a little confused.

Under such circumstances, he could not do anything other than make a promise.

What was he going to do?

Taking responsibility for her meant that Wanwan wanted to marry her?

But she didn't look very old.

The man's brows were tightly knitted. At that time, he was still considered young and inexperienced, so it was inevitable that he would fall into confusion when he encountered such a thing.

Nian lie stared at her for more than ten minutes, but ning Qing showed no signs of waking up.

He was thinking about something and was about to pull her into his arms through the blanket when there was a sound from the door. His cold eyes became stern.

As the young master of the Nian family, he had just escaped from the Nian family three days ago.

In the past three days, he had been on the run, afraid that his father's men would find him. He had found this hotel and just checked in.

But last night, after drinking the drink sent by the hotel, he felt as if his body was on fire. No matter how much cold water he washed or drank, it was of no use.

His intuition told him that he had been tricked last night.

Therefore, Nian lie was very cautious at the moment.

But this time, the door opened easily. He also subconsciously turned his body to the side and blocked ning Qing's face.

“Young master.”

Nian lie's heart dropped rapidly when he heard those two words.

He gritted his teeth, put ning Qing down, and was about to leave.

A few bodyguards in black blocked his way. With a gloomy face, he shouted, “ move!

young master, you were plotted against last night. Fortunately, our people came in time. If we were a little later, the reporters downstairs would have come up.

“.....”

“The old master is already waiting for you at the old mansion. Please come back with us immediately.”

Nian lie’s entire body was gloomy. He glared at him coldly. What if I don’t go back? ”

young master, old master’s enemies are trying to frame you. They want to hurt the reputation of the Nian family and old master.

“.....”

“If you don’t come with us, you and the lady behind you won’t have a good end when the reporters come.”

Nian Yu gritted his teeth. are you threatening me? ”

“I don’t dare, I’m just explaining the pros and cons to you.” The bodyguard was very cold. if you leave with us now, your relationship with this lady will not be exposed.

Exposing Yingluo meant that not only would he and the Nian family be finished, but she would also be Yingluo.

Nian lie clenched his fists tightly and turned to look at the woman on the bed.

“Young master, please.”

Nian lie turned around and returned to the bed. He knelt on one knee and pursed his thin lips.

...

On the bed sheet, a touch of red was particularly eye-catching.

He glanced over and stared at the Pearl on her neck.

He reached out, pulled it off, and held it tightly in his palm.

“Wait for me,”

Then, the group of people disappeared from the room.

The room was once again enveloped in darkness. The woman in deep sleep sensed something and her brows furrowed.

1019 Unforgettable (1:

Nine O ‘clock, ning family.

It had been fifteen hours since ning Qing had disappeared.

Ning Xi’s mother came back in exhaustion and bumped into ning su, who was about to leave.

where’s Qingqing? is she back yet? ” she grabbed ning su and asked as if she was possessed.

Ning SU’s eyes were red. no, ran ran. I’ve called her classmates just now and they all said she’s not around.

I've already searched all the places that I should and shouldn't have. Where on earth has the child gone?
"mother ning spread out her hands, her eyes blank.

Ning su shook his head. He had also been worried the whole night.

The whole family had not slept the whole night. Because ning Qing had not brought her phone, they could not contact her, and the time she had disappeared was not enough to report her disappearance. Now, they were the only ones looking for her.

Mother ning entered the room. Her hands and feet were cold because she had been searching for a long time.

Looking at father ning, who was sitting on the sofa, mother ning was furious.

She rushed over to him and slapped him on the back.

Mr. Ning frowned. what are you doing? "

"What do you think I'm doing? Your daughter is missing, yet you're sitting here doing nothing. You don't know how to worry or how to go out and look for her!"

Father ning had drunk too much last night, so he was still having a headache.

He said,"how can I not be concerned?" Didn't I just call the hotel?"

Ning Qing's mother had lost her mind. you think you can just ask the hotel? We still don't know where she went missing. Can't you go out and look for her?"

"This is such a big place, where can we find one?"

On one hand, mother ning was worried about ning Qing, but on the other hand, she burst into tears when she saw her husband's heartlessness.

"Ning chengfeng, you heartless man! Do you know why Qingqing went to look for you? Hanhan felt that you couldn't eat the cake. She went to look for you because she wanted you to have a bite! Now that she's not home, don't you know how to worry?"

Hearing this, father ning felt even more guilty and worried, but he didn't relent.

"You're too soft-hearted, we can't call the police now. Ying city is so big, what's the point of going out and looking blindly? Can't you find out where she might be and contact her classmates? maybe Qingqing has gone to her classmate's house to play."

she's a girl. She's never left our side since she was young. Besides, Qingqing knows what she's doing. She wouldn't have gone missing on purpose. As her father, why can't you think more about it? "

"....."

Standing aside, ning su felt bad hearing her mother criticize her father.

She walked up to mother ning and held her hand. mother, father is worried about sister too.

he's just sitting here and not going out to look for him. What are you worried about? "

Father ning felt even more uncomfortable and covered his face in pain.

Mrs ning wiped the tears from her eyes. if anything happens to Qingqing, ning chengfeng, I will never forgive you!

“.....”

After she finished speaking, she was about to head out.

Ning su pulled her back, obedient and sensible. mom, I'll go with you.

Mrs ning patted her hand, her eyes red. Hansu, just stay at home. If Qingqing comes back or if there's any other news, just call me. Be good.

Ning su nodded. At a time like this, she didn't want to add to the family's troubles.

However, not long after mother ning left, there was a knock on the door.

Ning su thought that she had returned. mom, " he said as he opened the door, " I found my sister, Qingqing!

The loud shouting stopped abruptly.

Mr. Ning's eyes lit up with hope when he heard the voice. He rushed over.

However, what happened next was something he would never forget.

1020 A lifetime of shadow (1:

In a room decorated in pink, a young girl was lying on the bed with a numb face and tears all over her face.

Ning su covered her with the blanket and said to her gently, " Qing 'er, be good. You're tired. Just rest for a while.

“.....”

Ning Qing closed her eyes and nodded without saying a word.

Ning su looked at her with a dazed look in his eyes, and his hands trembled unconsciously.

She couldn't forget the scene just now. The young girl's white dress hung on her body and she hugged herself tightly with both hands. Her face was full of despair and emptiness, and tears flowed without restraint.

Her exposed skin was blue and purple, and not a single part was intact. There were even bite marks on her neck and collarbone that were already bleeding.

The two sisters had been raised well by their parents and had always been delicate. Whenever they were slightly knocked, the marks on their skin would be very serious.

When ning Qing came back, she was covered in horrible traces, which showed how violent and fierce the other party was!

Even though ning su had never had sex before, she could tell from the mottled marks that Yingying was covered in hickeys!

“.....”

Ning su looked at his younger sister, wondering what she had gone through that night.

However, they were blood-related sisters, and their hearts were often connected. At this moment, the despair and pain that ning Qing had been suppressing had already seeped into her heart.

She clutched her clothes tightly at her chest, tears welling up in her eyes.

“.....”

Outside the door, mother ning stood there, covering her mouth and crying softly.

Father ning sat on the sofa, smoking non-stop.

God, what did I do wrong? why did God treat my daughter like this? ”

“Who the hell hurt my Qingqing Qianqian like this?”

no, I want to kill him! I want him to prove my daughter’s innocence!

The woman had already gone crazy. As she mumbled to herself, she rushed into the kitchen and was about to rush out with a shining vegetable knife.

Mr. Ning threw the cigarette butt away and rushed over to stop her. what are you doing? ”

“I want revenge! I’m going to kill that bastard!”

“Do you know who it is? Do you want others to see our ning family as a joke, or do you want to make this matter public and let everyone know?”

oh, oh! mother ning’s body stiffened, and her tears fell uncontrollably.

Qingqing is a girl. If you really want to make a big deal out of this and let others know, what will happen to her in the future? ”

Mother ning cried out in despair.

&Nbsp; yeah.

Her daughter had been violated for some reason, but she did not know what she could do for her.

Father ning took the opportunity to snatch the knife from her hand and placed it out of her reach.

“Ning chengfeng, what about our daughter, Zhenzhen?”

At this moment, as a mother, she had completely lost her sense of direction in this sudden tragedy.

Her father dragged her down, her eyes red.

“Things are not clear yet. Wait for Qingqing to get better, Hanhan.”

He could not speak.

This kind of thing could be a shadow and nightmare for a lifetime. How could he make his daughter accept it and tell him the whole story?

Wasn't this like stabbing a knife into her heart?

“What a sin!”

Mother ning burst into tears, and her sobs became more and more sorrowful. Father ning was also in despair, and he couldn't even say a word of comfort.

“.....”

In the room, one could hear the wails that were getting louder and louder outside.

Ning su lowered her head. Under the blanket, she clenched her hands.

The hand in his palm moved.

She looked up and met ning Qing's dead eyes.

Ning su sniffed. Qing 'er, what's wrong? can't you sleep? or are you hurting somewhere, Hanhan? ”

Ning Qing's eyes no longer moved, and there was no focus in them. They were as empty as a soulless baby, unable to even cry.

Ning su panicked when he saw this. Qing 'er, I'm sorry.

“I want to take a bath.” The girl's eyes moved, and her dry lips opened and closed.
