### [Chapter 1151](#)

1151 The farce at the funeral (1:

He frowned deeply, but only for a moment. He handed the umbrella to her and took the box from her.

“Alright,” he said.

For some reason, he actually felt an inexplicable sadness.

When a person was born into this world, no matter how much happiness and pain he experienced, no matter how much money and fame he gained, he could only turn into a pile of soil in the end and hide in this small world.

There was no possibility of him waking up again.

His jaw was clenched, and his face was solemn as he squatted down.

“Hold on,”

A female voice broke the silence.

Ning Qing’s eyes turned cold as she looked at Lou qingyue. I thought you knew how to show respect in this kind of situation.

This was an undisguised mockery.

It was filled with anger and hatred.

Lou qingyue didn’t care about this. ning Qing, no matter what, in the past, my aunt was the head of the Lou family. She worked hard and had a high status. She was such a noble person. Today is her funeral. No matter what, the people closest to her should personally send her off. Why is it that when it comes to you, you have to ask for help from outsiders? ”

“.....”

“What’s wrong? You said it so sincerely before, but in fact, you’re not even willing to personally send me on my last journey?”

Lou qingyue walked over and pushed her away. She held her head high and puffed out her chest. She had an unyielding attitude.

“Since you are not willing to send Yimu off, then let me do it.”

Ning Qing’s heart sank when she saw the look in Lou qingyue’s eyes. Before she could say anything, Lou qingyue had already reached out her hand.

Nian lie’s expression turned cold. it’s not your turn.

Lou qingyue’s hand froze in mid-air, and her expression was not good.

“If it’s not my turn, do you think it’s your turn, an outsider?”

“.....”

Nian lie’s gaze was cold. She wasn’t afraid at all. She said deliberately, “ as her own daughter, she’s not willing to send her mother to her grave. As her niece, what’s wrong with me sending her? ” No matter what, he’s much better than you, a man who has no relationship with him at all.”

Nian lie gritted his teeth. His voice was even more sinister in the rain.

“Lou qingyue, you’d better be clear of the situation.”

The woman deliberately moved closer to him. I know better than you what kind of occasion this is.

After she finished speaking, she fiercely took the box from Nian lie.

She looked at ning Qing, her eyes filled with triumphant mockery.

Ning Qing turned sideways and stood in front of her.

Her face was cold. what are you doing? ”

“Put it down,” ning Qing said.

Lou qingyue was faintly angry. why? ” You don’t want to see Yimu off and you don’t allow me to?”

Ning Qing was furious. you have no right to touch her!

“This is my aunt. Why am I not qualified to touch her?”

“.....”

“I grew up by her side. To put it bluntly, I’m closer to her than you are as her daughter.”

A glint of blue flashed in Lou qingyue’s eyes. It was quick and very urgent.

“You’ve been away for so many years and you don’t have much feelings for Yimu. Logically speaking, I’m more qualified than you!”

The emotions in ning Qing’s body surged and twisted her flesh.

Tears welled up in her eyes. She didn’t understand why Qianqian would still force her like this even now!

If what she said was true, why did she and Lou si force Lou LAN to his death?

If they had even a little bit of conscience, they should not have killed her!

However, it was this vicious woman who wanted to disrupt the funeral.

Ning Qing’s hand that was holding the umbrella trembled. Then, under everyone’s gaze, she raised her hand and slapped Lou qingyue’s face.

“Ah!”

The woman shrieked, but there was a hint of success in her eyes.

Ning Qing’s heart skipped a beat as she realized something, but it was too late.

Lou qingyue's body turned to the side. She twisted her heel and the bone ash box in her hand fell.

### [Chapter 1152](#)

1152 I've forgiven you, mom (1:

"Don't!"

The team behind them was in a mess. Ning Qing fell to the ground, trembling, and held the ashes box that had fallen to the ground.

Nian lie's eyes hurt. He had accidentally caught it just now.

Lou qingyue was surprised. sister, I was just carrying aunt's ashes. Why did you hit me?"

Ning Qing didn't even turn her head. Her hands were shaking, and she was in a terrible state.

Nian Jin pushed Lou qingyue away and squatted down. ning, it's okay.

He quickly inspected the bone ash box. Other than the edges being slightly damaged, there was no other damage.

"It's not broken, it's still good, ah ning Zhenzhen"

He looked at her face and suddenly lost his voice.

The woman's eyes were filled with tears, her eyelashes were trembling, and her face was pale. Her expression was fragile and fragile.

"Nian lie, Qianqian."

She called out softly, and he immediately understood what she meant. He picked her up along with the bone ash box.

Ning Qing's hands were cold, without any warmth.

She carefully pushed the things in her hands to Nian lie, who was so worried that his expression changed.

"Ning, don't be rash."

"....."

He reminded her, but she turned a deaf ear.

Then, Lou qingyue felt a murderous gaze on her face.

She was flustered, but she put on an aggrieved expression. sister, I didn't do it on purpose. It was all because you hit me just now, Yingluo.

Ning Qing's eyes were cold as she raised her hand to give her another slap.

Lou qingyue panicked. Just as she was struggling to decide whether to Dodge or not, ning Qing's hand had already been caught.

“Ning Qing, take a look at this occasion.” Lou Si’s tone was solemn and dissatisfied. Do you think you’re allowed to mess around today?”

Ning Qing’s eyes were red. don’t you know what your daughter has done? You even questioned me at my mother’s funeral!”

if you’re so unreasonable, then you don’t need to appear here. Men, take her away! Lou si shouted.

“On what basis!”

However, two guards had already walked over.

Nian Jin stood in front of ning Qing and looked at Lou si through the two of them. the dead should be respected. Madam Lou si, do you want the head of the family to leave without seeing his daughter? ”

haha! Lou Si’s face was filled with seriousness, ” since we want to restrict their actions, both sides must uphold it.

Lou qingyue covered her face. No matter how unwilling she was, she could only nod.

Nian lie turned around and looked at the resentful ning Qing. let’s put everything else aside for now. The most important thing now is to send my wife to her grave.

“.....”

Ning Qing fluttered her eyelashes and took a deep breath, suppressing the depression in her heart.

When he opened his eyes again, it was already cold and silent inside.

She took the bone ash box with tears in her eyes. She touched the complicated carvings on the box with a gentle movement that she had never done before.

She had a thousand words to say, but she could not say anything.

Nian lie had already told her everything she had told him before she died. She finally understood the woman’s painstaking efforts and the fact that she had no choice.

The thin raindrops fell on his face, making him look unusually cold.

Ning Qing remembered what Nian lie had said. She also remembered what he had said:

“Ning, her biggest wish is probably to get your forgiveness.”

The woman’s eyes were filled with sorrow, but her words were clear.

She said,“I forgive you, mom. Have a safe journey,” she said.

As soon as she finished speaking, tears flowed out of her eyes.

Ning Qing tried her best to open her eyes wide, squat down, and put it firmly in place with both hands.

Nian lie stood by her side and bent his back and bowed with her.

“.....”

The rain in the cemetery was getting heavier.

It covered the gloomy sky and also blocked the sadness of the living.

### [Chapter 1153](#)

1153 Be the man behind her (1:

After the interlude, the funeral process was quickly completed.

After sending everyone off and returning to the Lou family's Manor, the night had already darkened.

Nian lie draped his coat over ning Qing's shoulders. She was stunned for a moment, then thanked him and walked into the hall first.

Nian lie didn't mind and followed her. I'm exhausted today. After dinner, you should rest early.

Ning Qing nodded. The kitchen quickly prepared dinner. She did not eat much, so she quickly left the table.

"....."

When Nian lie entered the room, she was standing in front of the window in a daze.

He had lightened his steps, but ning Qing had still heard him.

She turned around, her eyes dark. I'll have to trouble you for the next few days.

Nian lie didn't reply. He heard her say, "tomorrow, send someone to inform the elders. Tell them that I'm ready to receive training.

Nian lie focused his attention. ah ning, the funeral just ended. You're not in a good state. You can get rid of Hanhan first.

"No, I'm fine."

She replied firmly, not giving him any room for negotiation.

"Don't push yourself too hard."

"No, I just don't want to give them any more chances," ning Qing replied gently.

If Lou Si's flattery towards her made her feel disgusted, then Lou qingyue's words and actions at the funeral today made her extremely angry!

She would not allow anyone around her to be hurt!

She wanted to take away the power and fame that they cherished. She wanted them to know that everything they did against the laws of heaven would be punished!

She would take revenge for everything.

"....."

Nian lie could see her determination and knew that his persuasion was useless, so he didn't say anything more.

I won't be able to contact the outside world during the three months of training, so I might need you to take care of my parents.

Nian Jing's eyes were fixed on her. don't worry. I'll explain everything to them.

Ning Qing hummed in agreement and was silent for a while. about the divorce and youzi, ran ran.

Nian lie was flustered. He was afraid that she would say something hurtful, so he immediately stopped her. you haven't become the head of the family yet. We can't tell what will happen in the future. Dad, mom, and youzi's situation isn't completely stable.

"....."

He couldn't help but take a step forward and exert an invisible pressure on ning Qing.

"Their safety will only be guaranteed when you become the head of the family. We'll separate then, okay?"

The begging and humbleness in his words were obvious, so obvious that ning Qing could not look him in the eye.

She was a little hesitant. but after I attend the training, you'll be here alone.

I'll find time to go back to ning city and settle some work matters," Nian lie said hurriedly. I'll also visit youzi regularly!

He was willing to do whatever she wanted.

So, could he not be so cruel?

"....."

The wait was long. Nian lie's heart felt like it was in a pot of oil, turning and roasting.

"Ah ning."

Ning Qing pursed her lips, her voice filled with complicated emotions.

"Alright," he said.

Nian Ying relaxed and smiled.

Ning Qing didn't know if it was because she couldn't bear to or what, but she didn't look at him and went straight to the bathroom.

Soon, the sound of water could be heard.

Nian Xi looked at the door, the corners of his lips curling up.

His eyes were dark and gloomy.

\*

On the day that ning Qing was going to attend the training, Nian lie personally sent her to the door.

The car that had come to pick her up was parked at the entrance. Ning Qing walked a few steps away from the car and turned back.

She looked at the man with picturesque features. I'm leaving. You're tired.

#### [Chapter 1154](#)

1154 Youzi, call me daddy (1:

She didn't know what she was trying to say.

Nian Xi's gaze was focused on her, and he was as gentle as ever.

"Don't worry, I trust you."

"....."

"I'll wait for you to come back."

Ning Qing's thin brows furrowed slightly. She did not give a suitable answer, and it seemed like she could not give an answer.

Nian Xi's hands clenched, then loosened.

This was repeated.

The convoy was urging them on. Ning Qing glanced at Nian lie. I'll be leaving then.

She turned around, and he suddenly reached out and pulled her into his arms.

A familiar aura hit him in the face.

Ning Qing's eyes were slightly moist, and her heart was in turmoil.

It was painful and bitter.

Nian lie's lips were close to her ear, and he said something. She didn't hear him clearly, and he let go of her.

The two of them stood still again. Nian lie's expression was on the verge of breaking.

: Go ahead: : he said: : little choked up.

Ning Qing's eyes were blurry, and she hesitated to speak.

In the end, she only nodded and turned around as tears fell.

"....."

The car slowly drove away from the main residence, getting further and further away.

The man's hand was so tight that his palm turned white, and his black eyes were extremely deep.

\*

Nian lie wasn't someone who would sit back and wait for death. So, during the three months of ning Qing's training, he returned to Ying city ten times and visited the ning family's parents more than ten times.

In the villa.

The man coaxed the child in his arms. The child babbled and reached out to take the toy that he was holding high.

youzi, call dad. Dad ... Dad ...

"Ah, ah."

Holding the plush toy, Nian lie's expression was gentle as he repeated, "dad ..."

"Ah!"

It was a pity that youzi couldn't utter the syllable even after he had taught her dozens of times.

Mr. Ning walked out with a milk bottle in his hand. He saw the interaction between the father and daughter. she's only half a year old, " he said to him. she hasn't learned how to talk yet. It'll be easy for her to learn when she's older.

Nian lie held the child's waist carefully, his hands holding the toy. He said gently, " I'll teach him first. In the future, it won't be too troublesome when ah ning teaches him.

Hearing this, Mr. Ning glanced at her child. She was playing happily, and her beautiful eyes were not as excited as they usually were when she saw a milk bottle.

He hesitated for a moment. Then, he sat down beside Nian lie. what are your plans with Qingqing? " he asked the man with the gentle smile.

Nian lie's movements froze, and youzi snatched the toy from his hand.

"

A bright smile appeared on her face.

you didn't tell her about those things? " Mr. Ning asked.

Those things ...

What else could it be?

It was nothing more than the fact that he had been blackmailed by his parents and could only heartlessly break up with her, and that he had hurt himself after that to escape.

But who was Nian lie?

He understood ning Qing's determination and the pain she had to endure, so how could he force her to do those things?

Mr. Ning could tell. He frowned and said, " you should know that there is a knot in Qingqing's heart. It was because you told her that you wanted to break up with her seven years ago that indirectly caused her and her sister's accident, as well as the child. She has always hated you. She can't get over that.

Nian Yu lowered his eyes. I know.

"Since you know, you should untie the knot in her heart as soon as possible." you know what kind of person she is, " Mr. Ning said anxiously. she's very upset and feels that she has let herself and her child down. If you tell her the truth, at least she won't continue to think that you don't want her anymore.

Nian lie held youzi firmly in his arms. She grabbed the doll and fiddled with it a few times. When she saw that she couldn't pull it away, she stuffed it into her mouth.

### [Chapter 1155](#)

1155 I've loved her for seven years \_1

He raised his hand to stop her, his expression was dazed and gentle.

Mr. Ning held the warm milk bottle in his hand and tried to persuade her. your children are already so big. You won't be able to get over it emotionally. Youyou will become a bond between you and each other. You won't be able to get over it for the rest of your lives.

"....."

"Or do you also want to separate from her?"

Nian lie raised his head. I didn't!

He noticed that he was too excited, so his tone suddenly became calm. He said quietly, " dad, I've loved her for seven years. I've lost her twice and two children. It wasn't easy for me to get to where I am today. She has already become a part of my life. Why do you think I want to break up with Hanhan? "

"Since you don't want to, you should fight for it."

Father ning pulled a long face and looked at the child in his arms with a serious expression.

Youzi shook her doll. After knowing that it couldn't be eaten, she raised her hand and handed the toy to Nian lie.

Nian lie took it and held it in his hand.

when your mother and I brought the child for her routine examination, the doctor said that the child is very smart. Although she is only six months old, she has a very strong sense of self-awareness. She is still young and doesn't understand what is going on with you and her mother. When she grows up, are you planning to continue like this? "

"....."

you are all adults. You have to be responsible for your own decisions and your descendants.

Youzi looked at the toy in Nian lie's hand and reached out to take it again without blinking.

Nian lie passed it to her, and she fiddled with it a few times before passing it to him.

He took it, and she chuckled.

He also smiled affectionately, and then thought, "can he really bear to part with such a lovely daughter?"  
Could he really bear to part with her?

it's not the first time she's disliked you: " father ning said: after so many years, don't you have any experience? "

Hearing this, Nian Yu was a little dumbfounded. what experience? "

Father ning looked down on him.

"What else can it be? it's just some shameless experience. Didn't you use it before?"

Nian lie's expression changed.

Oh, if it really doesn't work, you can always use the ruse of injuring yourself. It's not like you haven't used it before, " Mr. Ning said.

Nian lie,"Huanhuan."

"Alright, look after the child and think about it carefully. A person's life is only a few decades long. Don't say that I didn't warn you. If you two break up again, it won't be so easy for you to reconcile."

After that, Mr. Ning didn't want to disturb the father and daughter any longer. He put the milk bottle on the bench and got up to leave.

"It's time for her to drink her milk, don't let it get cold."

"....."

A gentle breeze blew past his ears. Compared to the winter in the capital, this place was like spring all year round. It was the best place he had chosen for his parents and children.

"Aiyaya!"

The child in his arms said something that pulled Nian lie back from his thoughts.

He then saw that she had already found the milk bottle and was struggling to reach out her hands for it.

Nian lie's heart skipped a beat. He took the milk bottle and raised it high.

"Ya!"

Youzi was obviously a little anxious.

call me daddy, " Nian lie said unhurriedly.

"Ya-"

"Daddy, Daddy, Daddy, Daddy!"

"Ah Yi!"

He didn't give it to her. Her mouth pouted and her brows furrowed. She was about to cry.

Nian lie knew the look on her face. He immediately turned serious and said, " little youzi, be good. Call me daddy, and I'll give you daddy.

He was so serious that he didn't seem to be talking to a half-year-old child.

Because he understood his daughter.

Youzi was a little foodie. She was willing to do anything when she saw food.

Logically speaking, she did not understand what he meant either.

### [Chapter 1156](#)

1156 A year later (1:

But who asked her to be so sensitive?

She understood the meaning of his hand. If she didn't do as he said, there would be no food.

So, the girl pouted. ah dad-ah Wanwan dad!

Nian lie's heart trembled, and joy appeared in his eyes.

"Good girl!"

He gave her a kiss on the forehead and passed the milk bottle to her.

Youzi took the milk bottle and held it skillfully, eating with great relish.

Nian lie's heart was filled with warmth, and his daughter's figure was reflected in his dark eyes.

He looked at her face that resembled ning Qing's and smiled. baby, " he said. stay with your mother by your father's side, okay? "

"....."

The child's eyes were like black grapes, innocent and naive.

He took it as if she had understood him and rubbed her little face with his hand.

Youzi frowned and pushed his fingers away impatiently, her expression as if she was looking at an idiot.

He was stunned for a moment before he held her firmly.

He already had an answer in his heart.

\*

Three months wasn't a long time. Ning Qing and Lou qingyue finished their studies and returned.

At the family meeting, third great uncle represented the Lou family and divided the business and industry chain into two, led by ning Qing and Lou qingyue respectively. Seven months later, the one with the highest net profit would win.

Ning Qing hurriedly went to see her parents and ning su. When she learned that she had not woken up, she was disappointed and could only hold youzi in her arms to comfort herself.

In fact, she didn't have much time to be sad. After returning to the capital, she devoted herself to work.

Thus, the silent smoke was once again raised.

\*

\*

\*

Time flew by quickly.

Seven months later.

At the Lou family's family meeting, in the ancient Hall, there was still the same ancient long table and complicated attire.

No one spoke, and everyone's expressions were solemn.

Only the sound of paper flipping could be heard.

Five minutes later, the old man at the head of the table stood up shakily with the help of his walking stick. He faced the crowd and spoke with a voice as loud as a Bell.

after various appraisals and certificates, we have concluded that in the one year of management of Lou qingyue and Lou Qing, the one who has created more value for the Lou family is Lou Qing!

"....."

I hereby announce that the new family head of the Lou family is our Lou Qing!

Half of the people started to cheer, while the other half was cold and silent.

The woman sat steadily on the left side of the old man. When he looked at her, she smoothed the wrinkles on her skirt and stood up unhurriedly, her beautiful face calm and composed.

"Thank you. Thank you, everyone."

The gentle female voice stopped the clapping.

Ning Qing was dressed in black overalls. Her long, curly hair, which used to reach her waist, had been cut short to her shoulder blades. She kept her hair straight and tied it up into a ponytail, making her look even more beautiful and clean. She looked much neater.

She curled her red lips. thank you for your help and guidance over the past year. I, Lou Qing, will definitely set a good example and share the honor and disgrace with everyone.

Yes, it was.

She changed her name.

Only by changing from ning to Lou would she be qualified to enter the management of the Lou family.

She looked at the woman in front of her, whose eyebrows were twisted to the extreme.

Lou qingyue couldn't sit still. She slammed the table and stood up.

"Impossible! How could she be more powerful than me?"

Ning Qing had never come into contact with high-level management before, so how could she understand the twists and turns?

With just three months of training, she was able to control everything?

No!

She didn't believe it!

She could not care less about everyone's attitude and pointed at ning Qing. she must have cheated! She's faking it!"

Lou si didn't believe it either. However, she was more patient than Lou qingyue. third uncle, qingyue raised some doubts. I think there are some areas that aren't transparent enough. Shouldn't I investigate it? "

#### [Chapter 1157](#)

1157 Sister is so scared (1:

Nian lie stood up and faced the two people opposite him with ning Qing.

"You want to investigate just because you're not convinced?" he said in a deep voice with a cold face.

His cold eyes shot over, and his thin lips spat out cold words-

"Why should I?"

Lou qingyue clenched her fists, and her expression was ferocious.

"Everyone in the Lou family knows what kind of person she used to be! I've been trained by the family since I was a child, and I'm better than her in every aspect. How could she possibly win Against Me!"

Everyone quieted down and quietly watched the confrontation.

Nian lie's eyes darkened. He was about to say something.

Ning Qing held his wrist, her expression unchanged.

"Sister, you don't seem to be satisfied with this result," she said.

Lou qingyue looked at the calm woman and wanted to rush up and scratch her face.

"Yes, I'm not satisfied!"

Ning Qing was still smiling, but upon a closer look, her eyes were filled with cold ice.

She smiled. what do you want then, sister? "

This attitude made Nian lie relax a lot.

In the past six months, he had been by her side and watched her change from an impulsive and emotional woman to the calm and steady her.

This was growth.

He had originally felt sad, but when he thought about how he had been by her side from the beginning to the end, he felt much better.

Lou qingyue's face was tense. examination! I request that your bill be checked again!"

She couldn't be more powerful than her!

Ning Qing let go of Nian lie's hand, her posture relaxed.

"It's not that we can't test it."

"Then immediately run another test! And all the businesses under your name, all of them must be thoroughly investigated!"

Ning Qing pretended to be in a difficult position. a thorough investigation is fine, but Zhenzhen.

Lou Si was stunned. but what? "

Ning Qing pressed her hands on the long table and leaned slightly, casting a shadow on Lou qingyue.

Realizing this, Lou qingyue's face turned even uglier.

Ning Qing was very satisfied with her reaction. She said unhurriedly, " however, we're opponents in this conference room today, not family. I have no obligation to indulge your willfulness.

Lou qingyue gritted her teeth. What did she mean by that?

Ning Qing lifted her chin slightly, her eyes frighteningly cold.

"What I mean is that I'm not the only one who's going to be investigated,"

"And you,"

"....."

Lou qingyue's expression changed. what did you say? "

Ning Qing admired her feigned calmness. I said, since we're opponents, you can't just check me for authenticity. It doesn't make sense.

She looked at the old man. third great uncle, do you think I'm right? "

The old man thought for a moment and nodded.

Lou qingyue was shocked. She was anxious and panicked. I'm the one who questioned you, so I should be the one being investigated. Why should I be the one being investigated?"

Ning Qing blinked, looking as if she meant no harm.

"I just feel that as an opponent, sister should go through the same process as me. I can't be the only one being questioned."

"....."

Lou qingyue's face turned ashen. She was speechless.

Ning Qing's eyes suddenly became sharp, and even her question became piercing.

"Sister, you're so scared. Are you afraid that the examination will find out something?"

Lou qingyue's body stiffened, and her eyes flickered.

what's the matter? " ning Qing chuckled and said in a joking tone, " did I really hit the nail on the head? "

"How is that possible?" Lou qingyue immediately retorted, 'everything I've done is for the Lou family! I'm very innocent, so stop slandering me and deluding the public!"

### [Chapter 1158](#)

1158 I'll know after checking it \_1

"We'll know whether it's slander or not after we investigate."

Ning Qing said coldly and turned to the old man in the main seat.

"Third great uncle, give the order."

The old man didn't waste any time. He raised his hand and the people behind him quickly moved out.

He said to everyone, " the re-investigation will take a long time. Everyone, please wait. After all, this is a very important decision. We can't take it lightly.

"Yes."

The crowd responded, and from time to time, they whispered.

Ning Qing held the edge of the table and sat down, her eyes staring straight at Lou qingyue.

"Not bad," he said in a low voice.

It was his admiration for her.

"Are you all ready?" ning Qing asked without replying.

"Yes."

Ning Qing knew that Nian lie would never go wrong on what he had promised.

The way she looked at Lou qingyue became colder.

This time, she wanted her to lose everything!

While everyone was getting bored, the confidential documents that had been tested were sent up.

Lou qingyue didn't even have time to say anything. The thick stacks of account books and the photos of her winning people's hearts were all made public.

five months ago, my good sister met up with second uncle. After that, second uncle's private account had an additional 50 million.

three months ago, you had a meal with the Crown Prince from the opposite house. He secretly invested 200 million Yuan in your Food Project.

two months ago, you took away the partner I had originally agreed to cooperate with.

"A month ago, Yingluo."

Lou qingyue and Lou Si's expressions were extremely ugly. Lou qingyue couldn't sit still. shut up!

Ning Qing stopped. Her eyes were sharp and full of mockery. what? you dare to do it but you don't dare to admit it? "

Lou qingyue's body trembled. She had never thought that ning Qing would actually find this evidence!

She would have said that when she planted people under her and snatched resources, she had been indifferent.

So he had been waiting for her here!

Lou qingyue slammed the table and could no longer control herself.

"Good job, ning Qing! You're so despicable to plot against me and make me fall into your trap, all for today, right?"

She pointed at ning Qing angrily, forcing tears out of her eyes.

"In order to win the position of clan head, you actually didn't hesitate to use everyone! You're such an unkind woman, using such dirty and underhanded methods, how can you be the head of the family?"

"....."

"Third great uncle, and everyone else here, don't be fooled by her!"

Ha.

The evidence was right in front of her, and she was going to do something desperate!

Ning Qing looked at the crazy woman and sneered. Lou qingyue, I think you've misunderstood. I'm managing my company properly, but you're using dirty means to poach my business partners and cut off my capital chain. I've relied on myself to get to where I am now.

"....."

"Do you really think we're fools? You led me astray with just a few sentences?"

Ning Qing looked at the woman who was speechless. She picked up the photo and turned it over for her to see.

look carefully, the person in the photo is you. The reason I didn't take revenge on you and use underhanded means is because I want to win the position of the head of the family fair and square.

"You're full of nonsense!"

Lou qingyue's expression was ferocious. She was so angry that she laughed.

The angrier she was, the calmer ning Qing became.

She spread out her hands and pointed at the photos on the table. then you can explain what's going on with these photos.

"....."

"If you can tell us the reasons one by one, we'll pretend that these things don't exist, how about it?"

These tempting conditions were the deepest humiliation to Lou qingyue.

How could she not know?

1159 Unraveling Lou qingyue's true colors (1:

However, at this point, she had no way out.

Ning Qing watched her pick up a photo and sneered in her heart.

Lou qingyue cleared her throat and didn't dare to turn her head. She didn't dare to look at Lou SI's expression, and she didn't dare to look at the people she had dragged into this.

"This is just a private date with second uncle. Our relationship has always been very good. I'm Yingluo."

"Ahem." A sudden cough interrupted her.

Lou qingyue looked over and saw that it was her second uncle.

The man's face was full of anger, but he forced a smile. I don't have much private contact with qingyue. Qingqing, third uncle, please don't misunderstand!

It was clear that he had seen the situation clearly and had chosen to draw a clear line.

Lou qingyue's eyes widened and the corners of her eyes twitched. second uncle, what are you talking about, Huahua?"

"Since second uncle has already said so, what else does elder sister want to explain?"

"....."

Ning Qing's side already had victory in their hands, but Lou qingyue was unwilling to give up.

"By the way, there are still some things that I think everyone should know," ning Qing said lightly.

Lou qingyue's eyelids twitched violently. She was extremely resentful. what else do you want to say?!

Ning Qing's eyes were cold. She waved her hand, and someone presented the document.

She took the file and showed it to everyone.

a year ago, my mother-the previous head of the family-suddenly fell ill and passed away. I've always been suspicious, but it was Madam Lou si who was involved in this matter, so I didn't find any evidence. Now, the truth is in my hands.

"What? There was another reason for the patriarch's death?"

"What is it?"

"Lou si, why did you hide it!"

"....."

After listening to the accusations, ning Qing looked straight at Lou si.

back then, Madam said that my mother passed away because of internal and external troubles, and there was no cure for it. However, all of these were the dirty things that you and your good daughter did!

She slammed the document on the table, her eyes burning with hatred.

"Two years ago, my mother was still fine. Her private doctor had already decided that it was you! In order to take over the Lou family, he had hired people to kill her when she was abroad. He had caused her to be seriously injured and had to wander outside for six months! After you came back, the Lou family was in your hands!"

you even ignored your family and locked her up in a villa in the suburbs. You fed her a slow-acting poison and tortured her every day in order to get her letter of appointment and her own admission!

Ning Qing's eyes were red, and her tears and resentment were mixed together.

Lou si could no longer maintain her composure, " don't spout nonsense!

Ning Qing ignored her. because I changed my mind and went back to the Lou family. You were afraid that it would mess up the plan, so you fed her an intestine-piercing poison and killed her. Nian lie happened to catch up and got the letter of appointment and the video!

At this moment, Nian Yu stood up, his face solemn.

He faced the shocked old man on the main seat. when I arrived, Madam Loulan was already on her last breath. I wanted to find someone to save her, but she refused. It was her who asked me to go to the family meeting. After leaving the video, she left.

The old man's eyes were filled with tears. He had never thought that things would turn out like this!

when I arrived at the villa, everyone had already left, " Nian lie said. only the maid was left. As for the surveillance cameras and other traces, they've all been erased.

"Then how did you find the evidence?" the old man asked.

through the maids, we found the guards that Lou si had previously arranged to watch over Madam Lou LAN. Most of them were fired and sent overseas, so it was much more difficult to find them.

1160 Lou Qing becomes the head of the Lou family \_1

“.....”

in here, there are the statements of the guards and the maids. We have also found the doctor Who provided the slow-acting poison to Madam Lou si.

Nian lie gestured to the outside, and two men came forward with a man with a bruised face.

The man knelt on the ground as soon as he came up and cried, “I’m sorry!” please let me off. Ladies and gentlemen, I’ve been following Madam Lou’s words and orders to drug master! She threatened me with my family’s lives. I didn’t dare to disobey Yingluo. Please spare me, Yingluo. I beg you not to hurt my family!”

This sorrowful cry caused Lou SI’s side to fall into complete despair.

However, it was not over yet.

in addition to poisoning my mother, you tried to take my life again and again a year ago. You even sacrificed your own brother’s life! ning Qing said ruthlessly.

Lou qingyue couldn’t stand steadily. Her expression gradually turned crazy. no, I didn’t!

you’ve used vicious and cruel methods to plot against me time and time again. Then, you disregarded family ties and harmed my mother. You even tried to take the entire Lou family’s Kasaya. I’m telling you, the evidence of the mistakes you’ve committed is here. It’s enough to put you in jail for the rest of your lives!

Her hoarse voice was exhausted.

Every word was sonorous.

Every sentence was filled with tears of blood.

The huge conference hall was silent, and no one dared to respond.

At this moment, the old man stood up. someone, take Lou si and Lou qingyue away and lock them in the confinement room!

Lou qingyue didn’t have time to run and was restrained.

Lou SI’s personality didn’t change, ” third uncle, you can’t just listen to her side of the story!

The old man’s eyes were cold. whether it’s just a one-sided story or not, we will make our own decision. Take him away.

“No! I’m not wrong!”

“Lou LAN is the one in the wrong! What right does she have to be the head of the family!”

“You bunch of blind people! He was blind decades ago, and he was still blind now! How much have I, Lou si, sacrificed for the Lou family? Hahaha!”

His cursing finally turned into a maniacal laugh.

He disappeared from the conference room.

I didn’t expect that after a hundred years of peace, my Lou family would still raise such an unfilial line.

The old man looked at ning Qing, who was emotionally unstable. don’t worry. I will make a decision about the matter you just mentioned.

“I won’t let your mother and you suffer in vain,” he added.

Ning Qing’s eyes were filled with tears. thank you, third great uncle.

She faced the elders and bowed. thank you, everyone.

“.....”

What was originally a decision to become the family head had turned into a revenge drama.

After everyone left one after another, ning Qing stood at the door of the conference room, feeling a little lost.

Nian lie stood beside her. your wish has finally been fulfilled.

Ning Qing turned her head. everyone has the right to know the truth.

Whether it was her or the other members of the Lou family.

“Evil can not be hidden forever.”

“.....”

“They will accept the world’s punishment sooner or later.”

And she was just trying her best to make this day come sooner.

Nian lie looked at the dark circles under her eyes and said, “ it seems that you’ve been really tired recently.

The topic changed so quickly that she almost couldn’t keep up.

“You know, I still have a lot of things to deal with,” she said.

“You didn’t sleep well all this time?”

In fact, after ning Qing had returned from her training, the two of them had slept in separate rooms.

In the face of others ‘doubts, ning Qing only said that it was some family secret and that it was not appropriate to show it to Nian lie. The elders in the family felt that it was reasonable.

Some discussions were left unsettled.
