

## Mr Nian 1181

### [Chapter 1181](#)

1181 You're so afraid of ning Qing?

: Let me carry you: : Nian lie said softly as he walked over from the other side:

Ning Qing shook her head and patted youzi's shoulder, coaxing her gently.

Seeing this, he no longer insisted.

The man took a seat beside her. Ning Qing pretended not to see him and focused on coaxing the half-asleep child.

"....."

Not long after, she fell asleep, probably because she was too bored.

Nian lie had been reading the newspaper just a moment ago. When he turned around, he saw the mother and daughter sleeping soundly.

The similar eyes and sleeping face hit his soft heart.

These were the two women that he wanted to protect for the rest of his life.

Even if he had to die, he would not let them suffer any more harm.

"....."

The cabin was silent.

The man carefully put down the newspaper and got up slightly. His affectionate and loving eyes fell on the woman's sleeping face.

Then, he bent over.

He planted a gentle kiss on her forehead.

\*

Ning Qing had a good night's sleep and only woke up after the plane landed.

Nian Xi carried the child in her arms, shook her numb hands, and walked out of her seat.

He stood still, and she stopped.

"Put it on, it's cold outside."

He handed her a thick coat and scarf. She hesitated for a moment before reaching out to take them.

The two of them got off the plane and were sent back to the Lou family's Manor by a car.

After returning home, ning Qing didn't have any time to rest. She rushed to the group building.

She left for an entire day, leaving Nian lie at home to look after the children.

Originally, it was a happy thing to be with youzi.

However, the message sent by the elder of his family made him serious again.

\*

At 11 pm.

The exhausted ning Qing finally returned to the manor and asked, "where's the Miss?" the servant replied respectfully, "Madam, the Miss has fallen asleep.

Ning Qing paused. what about him?"

Guye took care of miss the whole day today. After coaxing miss to sleep at nine O'clock, he went to the study and never came out.

Ning Qing frowned.

Didn't she ask the servants to take care of the child when she left? why did he have to take care of the child himself?

It was late at night, and ning Qing was too lazy to argue.

She first went to the bed next door to see youzi. The child was sleeping soundly, so she didn't dare to wake her up. She tiptoed back to the bedroom and took a hot shower, but she still didn't hear the door next door open.

So, ning Qing put on her pajamas and went to the study.

The antique study room seemed a little deserted.

The moment she opened the door, she smelled something unnatural.

It was the smell of smoke.

Ning Qing's heart tightened. What was so serious that he had to smoke?

Nian lie was sitting on a brown leather sofa. The computer in front of him was on, and he was having a video call with someone. The cigarette in the crystal ashtray was slanted, and white smoke was coming out of it.

"We have to find their tracks by all means!"

As Nian lie said this, he caught a glimpse of ning Qing's figure from the corner of his eye.

She didn't say anything. After walking closer, she snuffed out the half-lit cigarette in the ashtray.

ah ning?" Nian Xi was stunned. Afraid that she might misunderstand, she explained, "I didn't smoke!

Ning Qing stood next to him and didn't say anything. She just looked at the video.

The person in the video call had also heard Nian lie's words. After a moment of silence, he suddenly said, "brother, are you that afraid of my sister-in-law?"

It was only then that Nian lie remembered the existence of the video, and his face darkened.

On the frame, Lu Zhui's face was also clear.

He said sourly, " second young master, don't say such things. Young master doesn't dare to refute young Madam at all. He'll do whatever young Madam says. He's completely become a slave to his wife. He's no longer as majestic as he used to be.

## [Chapter 1182](#)

1182 Spreading dog food at night (1:

Nian lie felt as if he had lost all his face, and his face was burning.

Lu Zhui, with your abilities, I don't think you need to investigate further. It's better to go to the mountains and take charge of the development of new projects.

The man's wailing could be heard from the video.

"Don't! Young master, I was wrong! Young Madam, please save me!"

As ning Tingting listened to the three of them, she finally took a step forward and stood behind Nian lie's sofa.

Her skin was fair, her face was slightly red, and her long hair was wet. She had an indescribable charm.

Nian Xi got up without a change in his expression. He picked up the blanket and put it over her shoulders. aren't you afraid of the cold when you're bare-footed? "

Ning Qing did not stop him. the air conditioner is on. How can it be cold? "

Nian Jue was speechless.

In the video, there was a clicking sound.

Lu Zhui couldn't help but say, " it's so late at night and I still have to watch you guys show off your affection. Sigh, I wonder what sin I've committed.

Nian lie didn't say anything. Ning Qing looked into the video and couldn't be bothered to argue with him.

She set her eyes on Nian che first. It had been more than a year since they last met.

Nian che noticed her gaze and replied with a natural expression, " sister-in-law.

"Long time no see. You seem to have grown a lot," ning Qing said.

These words really revealed that she treated him as her own little brother.

Only the elders would say things like growing up.

Nian che didn't know whether to laugh or cry. I can't be a child in my twenties.

"How's the family doing recently?" ning Qing asked with a smile.

Nian Jing smiled. it's good. There's nothing much to do at the company. I've let my brother look through all the important things.

“Are you used to managing a company?”

“What can I do if I’m not used to it?” Nian che pointed at Nian lie, who was standing beside her. I have to get used to having a brother who chases his wife like him.

Ning Qing remained silent. Nian che, ” Nian lie said, ” you’ve learned Lu Zhui’s tricks too? ”

Lu Zhui mumbled softly, ”you did it, but you won’t let others say it.”

A familiar glare flew over, and he made an ” Oh ” sound, saying that he suddenly had a headache. He quickly said good night to the three of them, turned off the video call, and ran away.

Ning Qing’s eyes flickered as she looked at Nian che.

Nian che was aware of their situation. it’s getting late, ” he said with a faint smile. I won’t hold you up if you’re busy.

He was about to hang up the phone.

“Wait,”

Ning Qing called out to him.

Nian lie knew her too well. He could tell that something was wrong from her expression.

what’s wrong? ” he asked with concern.

Ning Qing ignored him. She walked around the sofa and sat down. She wrapped the blanket around her and asked Nian che, ” I heard from the servants that you two had a long conversation. What were you talking about? tell me.

Nian che was taken aback. He looked at Nian lie subconsciously.

“Why can’t you change your habit of getting your brother’s permission for everything?” ning Qing noticed his gaze and said lightly.

Nian Xi’s eyes darkened. Nian che quickly looked away and said, ” an elder brother is like a father. Sister-in-law, of course I have to listen to my brother.

Ning Qing stood up straight, and her words implied that she was lecturing him.

“But I’m the one asking you.”

“.....”

Her eyes suddenly turned sharp. or are you planning something behind my back again? ”

The smile on Nian Che’s lips froze. sister-in-law, how can you doubt our Wanwan like that? ”

His brother always prioritized ning Qing in everything he did, and so did he.

Ning Qing’s attitude took a 360-degree turn, and her expression calmed down. it’s nothing. I’m just asking. Since you don’t want to tell me, I won’t force you.

[Chapter 1183](#)

1183 Lou qingyue ran away (1:

“Sister-in-law!”

As soon as Nian che finished his sentence, a hand reached out to ning Qing and pressed a button. The video flickered and cut off.

Ning Qing stood up unhurriedly. Nian lie grabbed her, his expression clearly anxious.

“Ning, I’m not trying to hide anything from you!”

Ning Qing was pulled back by him, and she looked down at him.

The man didn’t seem to have changed at all in the past year. His facial features were still bright and beautiful, with clear lines, a high nose, thin lips, and a pair of black eyes that contained all the shrewdness and expressions of the world.

However, the ruthlessness between his brows gradually faded and became smooth and gentle.

That gentleness was for her and the child.

Ning Qing pursed her lips. Nian lie, you think I don’t know you well enough? ”

Hearing that, Nian lie became even more anxious. I wanted to tell you that you just came back, and I haven’t had the time to do it yet.

Ning Qing didn’t want to argue with him, because she felt that the matter was probably a little serious.

“Go ahead, I’m listening,” she said.

Nian lie’s thin lips parted. in the afternoon, someone came to third great uncle’s side.

“Someone?”

“Yes.”

Why didn’t she know about it?

“What did he say?” ning Qing asked.

Nian lie took a deep breath and said, ” ning, things are a little serious. You have to be mentally prepared, Wanwan.

Ning Qing was too lazy to listen to his nonsense. hurry up and tell me!

Nian lie became serious. something has happened to Lou si and Lou qingyue.

Ning Qing frowned. something happened? What’s the matter?”

Nian Xi wanted to say something but stopped.

Ning Qing sneered and said in a nasty tone, ” they’ve been locked up in prison. They’ve been sentenced to more than ten years. What else can they do? ” Don’t beat around the bush, speak clearly!”

Nian lie's expression was very serious. there's news from the prison. They said that Lou qingyue suddenly had a strange illness and had an accident on the way to the hospital.

Ning Qing's face was cold. what accident? ran ran away? "

Nian lie gave his silent consent. She clenched her fists tightly, her calm heart instantly in a mess.

She stood up, obviously anxious.

Nian lie wanted to comfort her. I've already sent people to look for her all over the country. You don't have to worry too much. After all, she's a fugitive now, Wanwan.

do you think she would have randomly chosen the time to escape? "

Nian lie didn't say anything.

Ning Qing stared at the dim light, her eyes filled with worry.

"She must have arranged everything in advance and found the most suitable opportunity to run away."

If she could think of it, so could Nian lie.

"But Lou si is still here."

Ning Qing glanced at him. is there any news from Lou Si's side? "

yes, " Nian lie replied in a deep voice, " after I found out about the news, I sent someone to keep an eye on Lou si. However, she didn't do anything for the entire day. It's scary that she's so quiet.

However, to the two of them who were used to storms, this kind of peace was the calm before the storm.

they must have a detailed plan, " ning Qing concluded. they want to turn the tables. Lou qingyue couldn't have escaped so easily!

Her hatred for the position of the family head and her for her was deep to the bone!

She must be looking for an opportunity to take revenge on her!

Moreover, if she dared to leave Lou si in the capital, then she must have had a bigger bargaining chip.

A bargaining chip that could suppress her.

Nian lie could tell what she was thinking from ning Qing's eyes, so he didn't deny it.

Lou qingyue is a vicious woman. Her methods are sinister and vicious. She must be planning something.

Ning Qing continued,"we have to protect the people around her before she does!" We can't make any mistakes!"

#### [Chapter 1184](#)

1184 Youzi misses her mother ~(1:

As soon as she finished speaking, ning Qing immediately called ning su.

After making things clear in a few words, ning su also expressed that Lou qingyue was a very scheming person. Moreover, she hated people who stepped on her head the most. It was impossible for her to give up.

After making sure that they were safe, ning Qing asked ning su to pay more attention. However, in order not to alert father ning and mother ning, she had people prepare to transfer them to a safer place the next morning.

she's just making her last struggle. She can't do much. Qing 'er, don't worry about us.

With ning SU's comfort, ning Qing finally came back with a peace of mind.

After hanging up the phone, Nian lie added, " previously, her power has been completely wiped out. Although we can't rule out the possibility of external influences, I don't think she can do much.

Ning Qing felt uneasy, but she also felt that he was right.

"I hope so,"

"....."

I'll give the order in a while. It's better to increase our efforts and find her as soon as possible.

He didn't want her to feel uneasy.

alright, " Nian lie replied. I'll make the arrangements. You should go and rest. You've had a long day.

Ning Qing pulled herself back from her thoughts, glanced at him, and hummed in agreement. you should rest early too.

After saying this, she left the study.

Nian Jin stared at her retreating figure, his eyes deep and obscure.

\*

The next day, ning Qing got up at six O 'clock.

During breakfast, she heard her Secretary report her schedule for the day. It was full until midnight.

Ning Qing thought of how youzi and Lou qingyue had run away and felt a little depressed.

"Cancel the schedule after nine O 'clock," she said.

The Secretary paused. Madam, are you planning to come back to accompany miss? "

"Yes and no," ning Qing said.

Although youzi was obedient and didn't cry or throw a tantrum the whole day, she had brought the child back after all. She couldn't go out early and come back late, and couldn't even coax her to sleep.

She didn't look like a mother at all.

Especially after hearing what father ning and mother ning had to say, she felt even more guilty towards youzi.

“As a mother, I should give her more love and care, but I haven’t seen her since I came back yesterday. She must be sad.”

The Secretary didn’t know what was going on. He smiled and said, “ as the head of the family, you are very busy every day. When miss grows up, she will understand your difficulties. Besides, if miss knows that you pushed away your work to accompany her, she will definitely be very touched.

Ning Qing smiled. I hope so.

After she finished her breakfast, she was about to leave for the company when the nanny hurriedly carried the child downstairs.

“Madam, Madam! Miss is awake and is looking for you!”

Ning Qing had just put on her coat when she turned around and saw youzi in the nanny’s arms with tears in her eyes.

She was wearing pink rabbit pajamas and was holding a rabbit toy in her arms. It was a gift from her.

Ning Qing was stunned for a moment before she smiled. what’s wrong, baby? are you awake?”

She looked at the time and still walked over.

Youzi sniffed,“mommy ~”

Ning Qing took her from the nanny’s arms lovingly. do you miss your mother?”

They hadn’t seen each other for only a day. According to the past few months, youzi shouldn’t have been like this.

However, the little girl’s eyes were red, and she was sobbing. Her small hands were wrapped around her neck. I miss mommy ~”

Ning Qing’s heart suddenly softened, and it was sour and bitter.

She had neglected youzi too much, which made her feel so insecure.

She was really not a good mother at all!

## [Chapter 1185](#)

1185 Warm times with my daughter (1:

Ning Qing’s heart ached a little. but, baby, mommy has to go to work.

“I want mommy.”

Ning Qing tried to negotiate with her. how about this? it’s still early. Go back and sleep. Let dad accompany you. When you wake up, I promise you that you’ll be able to see me, okay? ”

Her daughter, who had always been obedient, kept shaking her head. no, I just want mommy to accompany me.

“Madam, we’re running out of time for the meeting: : the Secretary reminded her.

Ning Qing glanced at the distressed nanny and finally made a decision. forget it. I'll take her with me.

All the servants in the living room were shocked.

Ning Qing didn't look at them. She carried youzi to the servant who had come down with clothes and blankets. She wrapped her in the blanket and ordered, " take the clothes and follow me.

Youzi was very obedient and lay on ning Qing's shoulder.

"Remember to tell her father that the child is with me," ning Qing added:

"Yes: " the servant replied:

After the Secretary recovered from her shock, ning Qing had already left with the child in her arms.

In the car, ning Qing told the driver to turn up the air conditioner before she removed the blanket from youzi's head.

Youzi chuckled and hugged ning Qing happily, rubbing her face. I love mommy ~"

Ning Qing's heart softened, and she smiled indulgently. you cheeky little brat.

He knew that he was chasing her.

She picked up the sweater and put it on for youzi. Youzi raised her hand cooperatively, her eyes sparkling.

Ning Qing couldn't help but smile, her movements becoming gentler.

After helping her put on her clothes, youzi lay on ning Qing's chest. mommy, hug!

Ning Qing hugged her. She tugged at ning Qing's coat and smiled. mommy, Xiang Xiang. I like mommy.

Ning Qing's eyes were sore again. from now on, mother will always be with you, okay? "

"Okay!: Youzi said in her childish voice:

A child's energy was limited, and it did not take long for her to start yawning.

"Mommy won't leave."

Ning Qing hugged her. go to sleep. Mommy's here.

"....."

Youzi kept staring at her, as if she was afraid that she would leave her behind. She didn't fall asleep until she couldn't hold on anymore.

Ning Qing's heart ached, but when they arrived at the group building, she had no choice but to take the child to the lounge in her office. She asked someone to watch over her, and then she went to the meeting.

A meeting was like a silent smoke.

At nine o'clock in the morning, Ning Qing ended the meeting and returned to her office, feeling a little tired.

"Where's Youzi?"

He's still sleeping," the Secretary said in a low voice. He's sleeping pretty well. He hasn't woken up.

Ning Qing nodded and carefully opened the door to enter.

She had just sat on the bed when the child woke up with his eyes closed.

Ning Qing was surprised. You're awake?"

Youzi saw Ning Qing at first sight and was so happy that her lips curved into a smile.

"Mother!"

Ning Qing hugged her. Good girl, are you awake?"

Youzi withdrew from his embrace and nodded.

Ning Qing tidied her hair and said, "Let's go wash our faces and have dinner later. Are you hungry?"

When she spoke to the child, she unconsciously became gentler and younger.

Youzi touched her stomach. I'm hungry ~"

Ning Qing was amused by her. Let's go. Get up, wash up, and then eat.

She carried the child to the bathroom. When she came out, the Secretary had already brought up a hot breakfast.

Ning Qing sat on the sofa with Youzi in her arms and was about to feed her.

Youzi, however, was very sensible. She got down from her lap and held the spoon to eat.

"Mom, I can eat by myself."

"Be careful, it's hot!"

As soon as she finished speaking, Ning Qing saw her pouting her little mouth and blowing on the hot porridge in the spoon.

### [Chapter 1186](#)

1186 His parents and Ning Su were arrested (1)

At that moment, Ning Qing's heart ached, but she was also relieved.

She had such a good daughter!

Ning Qing didn't help her, but reminded her from time to time.

Youzi was really smart. She would never repeat the things she had warned her about.

Because of her daughter's obedience, Ning Qing's early morning haze was dispelled.

Just as he was enjoying this warm time, a phone call came in.

Ning Qing glanced at it. It was an unknown number.

She frowned subconsciously, feeling a little disgusted.

However, the phone rang for a long time, and the other party seemed to be very insistent.

Ning Qing hesitated for two seconds before picking it up.

“Hello, who are you looking for?”

She was very vigilant.

However, the other party’s voice was very recognizable.

“Ning Qing, this is your phone number. Stop pretending.”

She only had to hear one sentence to know who she was.

Ning Qing’s heart beat fiercely. Where are you?”

“Take a guess,” the other party’s voice was cold.

“I’m not in the mood to play riddles with you. Do you think you can escape from the law? I’m telling you, you’d better come back and turn yourself in, or else, Yingluo!”

“Otherwise what?”

Ning Qing glanced at youzi, who was frightened by her tone and looked up at her with her big eyes.

She gave her a reassuring smile, patted her head, got up, and walked to the side.

“I’m warning you, you better not mess around.”

Lou qingyue laughed and said coldly, “ you should’ve known long ago. Ning Qing, you and I are bound by fate since we were born. Either you die or I die! Since you’ve won the position of the head of the family, you should understand that I will never let you and your family off. So, Wuwu ...”

Ning Qing was even more flustered. She held the phone with both hands. what the hell do you want? ”

Lou qingyue didn’t say anything and hung up the phone.

Ning Qing said hello a few times. After she hung up, she wanted to call back when a document was sent over.

The uneasiness in her heart swelled to the extreme, but when she turned to look at her daughter, that innocent smile overlapped with the image of ning su and her parents in her mind.

For the sake of her family, she could not back down!

She took a deep breath and opened the file.

It was a video.

With trembling hands, he clicked on it, and a mixture of tragic cries and cries came out.

Then, that familiar face came into view. Ning Qing's pupils suddenly shrank, and her heart ached!

\*

On the private plane.

"What's going on? how did my sister and my parents end up in her hands? I had arranged for them to move in the morning. How could she have caught them so coincidentally?"

Nian lie's expression was equally grim as he looked at the extremely anxious woman in front of him.

"Ah ning, don't be so anxious."

"How can I not be in a hurry? If I knew this was going to happen, I wouldn't have been afraid of mom and dad finding out. I'm Yingying!"

Ning Qing could not say a word. She was choking with sobs.

Nian lie pressed on her shoulder. ah ning, it's Lou qingyue who's too cunning. It's not your fault.

"How could it not be my fault? If I had let mom and dad know earlier and let them and sister leave earlier, they wouldn't have been caught."

Ning Qing covered her face with both hands, no longer as calm and composed as she usually was.

She didn't have many weaknesses, only her family.

However, Lou qingyue secretly pointed at her weak spot and poked.

Thinking of her parents being locked up in a cell-like room and her sister being tied to an old and broken chair in the video, her heart felt like it was being cut by a thousand knives!

Nian lie couldn't care about anything else at this time. He leaned over and pulled her into his arms, pressing her forehead against his shoulder.

"Don't cry, ning."

### [Chapter 1187](#)

1187 Seeing Lou qingyue again (1:

The moment she cried, his heart was in a mess and he was even more helpless.

Ning Qing was almost overwhelmed by guilt, and her words became sincere.

ever since I got involved with the Lou family, I've never had my own time and life. When youzi was born, I didn't even take care of her for one more day. I left her to my parents to take care of. And my sister, I've given up everything for her. I can't repay her, and I even put them in such a situation, youzi.

Nian lie's heart ached so much that it felt as if a knife was cutting it. ning, I've already said that this isn't your fault.

Ning Qing shook her head, and her sobs were faint.

She blurted out her complaints and resentment.

if I had known earlier, I wouldn't have returned to the Lou family. I should have been with my family. Whether I'm alive or dead, I'll accept it.

Nian lie felt the moisture on his shoulder and said in a low voice, " everyone has their own mission and responsibility. Ah ning, it doesn't matter if you return to the Lou family or not. Everyone will support you. At the same time, dad and mom have already thought of the risks we can take.

Ning Qing paused and looked up with red eyes. really? really? "

Nian lie nodded affirmatively, his face as handsome as ever.

as for ning su, she's been in the Lou family for seven years, and she knows all about it. That's why everyone will still support you even though they know that you're going to take on these risks and dangers. Don't you understand? "

Ning Qing's eyes were still wet, making her look adorable.

Nian lie's heart was filled with joy. He sighed and said in a low voice, " in your current position, there's no way out for you. We all know that you're in a difficult position and that you're in pain. Don't give up, and don't doubt yourself or deny yourself. Dad, mom, ning su, youzi, and I.

Ning Qing didn't even blink. She couldn't calm down as she listened to his penetrating words.

Nian lie's thin lips curled up slightly, giving her a reassuring smile.

no matter what happens, we'll always support you. So, ning, you have to understand that the higher your position is, the more people you have to be responsible for.

"....."

you have to be responsible for us too. Don't let dad, mom, and sister down, okay? "

Ning Qing was deeply touched, and tears welled up in her eyes.

Her heart, because of his words, gradually calmed down from fear, regret, anxiety, and fear.

yeah.

She had already changed.

I can't be as weak as I was in the past, and I can't be manipulated by others!

Ning Qing's eyes became determined. I understand.

Nian lie raised his hand and wiped the tears from her face. calm down, calm down. We will definitely be able to get dad, mom, and sister out of there safely.

Ning Qing nodded heavily. yes!

\*

After the two of them arrived at the private villa, ning Qing followed Lou qingyue's initial instructions and sat alone in the living room.

Before the call went through, she was still a little nervous.

On the other side, where the video couldn't see, Lu Zhui and the other guards were standing behind Nian Xi.

follow the video call as soon as possible and find her exact location.

The moment she looked over, Nian lie and Lu Zhui's conversation ended.

His sharp eyes softened and returned a gentle and encouraging look.

Ning Qing nodded, clenched her fists, adjusted her posture, and pressed the answer button.

After a dozen rings, the other side finally picked up.

"You've arrived?"

The tactful female voice was heart-chilling.

Ning Qing's expression was cold. I'm here. What do I have to do to make you let my parents and sister go? tell me.

In the video, Lou qingyue was wearing a veil. The translucent texture outlined her perfect face shape. Her seductive eyes were filled with viciousness and malice. Her short hair had already grown to her shoulders.

### [Chapter 1188](#)

1188 In the video: I saw the hostage (1:

"There's no hurry. I want to enjoy your scared look," she said.

Ning Qing held her breath and glanced at Nian lie. He was extremely calm, his eyes dark, and he nodded.

if you think you can seduce me by beating around the bush, you're wrong, " ning Qing said coldly. Lou qingyue, let me remind you that the longer you delay, the higher the possibility of me catching you.

"Oh? You're that confident?"

"....."

"What if I say that it's impossible for you to not catch me?"

Ning Qing's face was as cold as ice. we can try.

She was about to hang up the phone.

Lou qingyue was half-convinced and half-suspicious by his attitude.

"Hold on,"

The moment ning Qing's finger touched the red button, she called out to her.

Ning Qing coldly raised her eyes while Lou qingyue smiled viciously.

“Since you want to save her so much, I’ll fulfill your wish.”

Lou qingyue stuck the video to the side of her face, so ning Qing couldn’t see what kind of environment she was in.

Her heart was heavy. cut the crap.

When she saw the sinister smile on Lou qingyue’s lips, she felt a chill down her spine.

ning Qing, I know that you have a good relationship with your foster parents. I also know that your sister has saved you several times, and you can’t bear to leave her.

“.....”

“So, I really want to see which side you would choose if you had to choose between the two.”

Ning Qing gritted her teeth. what do you mean? ”

“What else could it mean? of course, it’s embarrassing.”

Lou qingyue deliberately dragged out the last syllable, causing her heart to involuntarily rise.

Finally, he fell down hard.

“It’s up to you to choose which side you want to save.”

Ning Qing’s mind buzzed. The other party didn’t give her any time to think. Her video page popped up, and two videos suddenly popped up.

Ning Qing saw the people inside. dad, mom!

And her sister!

Father ning and mother ning were restrained by the Men in Black. Their hands and feet were tied up with ropes, and their faces were full of fatigue and fatigue, as well as traces of injury.

This Tao Wu was clearly being tortured.

“Mom, dad, how are you?”

The two of them heard the sound and looked at the camera.

Qingqing, don’t worry about your father and me. That woman is a crazy woman. She can do anything. Leave us alone! Mrs. Ning said, on the verge of tears.

Ning Qing could not calm down. She knelt in front of the video and tears fell.

“Mom, mom, I’m sorry, I’m the one who hurt you. It’s me, Hanhan!”

Mother ning was crying, but the Man in Black pulled her back and slapped her in the face.

“Mom: : Ning Qing screamed. Don’t touch her! Lou qingyue, stop!”

“Qing ‘er,” he said.

Another shout made ning Qing’s impulsive thoughts freeze.

Looking at the camera, ning SU’s face was pale and he was sweating profusely, as if he had been through terrible torture.

Ning Qing’s heart ached. sister, how are you? ”

Ning su shook his head and forced a smile. I’m fine, Qing ‘er. Don’t make things difficult for yourself. She’s doing this to make you suffer. You have to calm down. I’m Xuxu, cough, cough.

Ning Qing coughed violently and tears flowed down her face. sister, I’m sorry, Zhenzhen.

On the other side, Mr. Ning looked at the camera and said sternly, ” Qingqing, don’t worry. Your mother and I are fine. This is a society ruled by law. She wouldn’t dare to do anything to us. Zhenzhen, don’t fall into that woman’s trap. Just call the police and let them handle this!

that’s right. Qingqing, don’t worry about your father and me. Just look at Hansu. She hasn’t recovered yet. I’m afraid that crazy woman will torture her. Hanhan, look at your sister. Don’t let her get hurt!

1189 In exchange for everything I have now \_1

Ning Qing kept nodding, choking on her sobs.

Someone was urging her, and father ning finally said,“Qingqing!” No matter what she asks of you, you must not agree! Don’t ever hurt yourself for us, do you hear me?”

Before father ning could finish his sentence, an angry curse came from the other end, followed by a man’s groan and a woman’s cry.

“Dad? Mom!”

”

The screen flashed and the video call ended.

Ning Qing could only see ning su, who kept muttering,“Sister, Sister ...”

“I’m here,” The weak female voice made her heart ache even more.

“How are you? did she get someone to beat you up, Yingluo?”

Ning Qing’s face was covered in tears. Ning su did not deny it. Qing ‘er, don’t cry. I know Lou qingyue’s character best. The more you feel pain, the more satisfied her perverted mind will be. So, don’t be weak.

Ning Qing knelt on the ground and looked at the camera helplessly. but, Yingluo.

However, how could she just watch them suffer?

They were her closest and most beloved people!

Ning SU's eyes were still gentle and beautiful. There was no humbleness in his posture, nor was there any anger or resentment.

She said, "Qing'er, being able to be with father, mother, and you again is already something that I dare not dream of in my life. I'm very happy to have a sister like you. I'm also very happy to be able to return to father and mother's side. I'm even prouder to have a sister like you.

"....."

Someone beside him said something in a bad tone.

Ning su watched the video intently, as if it was his last time watching.

Gentle and restrained.

"Qing'er, no matter what, don't lose your direction. I will always believe in you," she said:

After that, the video call ended.

Ning Qing looked at the dark screen, her mind blank.

Nian lie had tried to get closer to her time and time again, but his rationality had kept him away.

Lou qingyue's people were watching. He couldn't beat the grass and alert the snake!

"....."

Ning Qing hung her head and only looked up after a long while. There was only helplessness and sadness in her expression.

Nian lie's nerves snapped, and he was about to walk toward her without a care.

The phone on the table rang.

It stopped him in his tracks.

Ning Qing's ashen face warmed up, and her eyes were no longer numb.

Lou qingyue! she anxiously snatched the phone and the first thing she said after picking it up was, "Lou qingyue, I'll accept all your hatred and requests! Now, release my parents and sister!"

Lou qingyue had expected her to be angry, but she didn't expect it to have such an effect.

She was even happier. you'll agree to anything I say?"

"That's right! If you can bring my parents and sister back in one piece, I'll give you whatever you want."

I want you to give up your position as the head of the Lou family, help me clear my name of the rumors and crimes, save my mother from prison, and make you swear to cut off all ties with the Lou family for the rest of your life. Are you willing to do such a request?"

The woman revealed a smug smile.

Ning Qing's head was hot. She gritted her teeth as Lou Lan's gentle eyes flashed through her mind.

She felt a sharp pain in her hair, and her throat was dry. She couldn't say anything at first!

Lou qingyue listened to her silence. why? " Hesitating? Can't bear to?"

"....."

She sneered disdainfully, " I thought they were very important to you. I didn't expect that living people can't compare to that little bit of power. But it's true. If one doesn't think for himself, the heavens will destroy him. You've experienced the feeling of being in a high position, being supported and fawned on by others. How could you bear to step down from that position, Zhenzhen? "

"I'm willing to."

1190 Save your parents or your sister?

When Lou qingyue heard these three words, she almost thought that she had heard wrongly.

"You're willing?"

Ning Qing gripped her phone tightly, her nails flying. yes! I can agree to all of your requests, but you have to bring them back. Otherwise ..."

"Otherwise, you will kill me and take revenge for them?"

Ning Qing's eyes were red. If anything happens to them, I'll definitely make you wish you were dead!"

"Ha, I'm so scared."

Lou qingyue laughed out loud. Then, she stopped smiling. Her eyes were even more ruthless than before.

"I've thought about it, and I feel that this is too easy on you," she said.

Ning Qing's eyes were murderous. what do you want? "

She was going crazy!

Lou qingyue unhurriedly took out her phone and tapped on it a few times.

Ning Qing's phone vibrated.

She opened the message and saw two addresses.

The woman's cold voice rang in his ears.

here, the address I sent you just now is where your parents and sister are now. You can go and save them yourself.

Ning Qing's expression changed. Just as she was about to signal to Nian lie, who was approaching, the woman continued, " I'll give you one hour to save her. If you can't save her, don't blame me.

"Pa-"

Without waiting for Ning Qing to ask any more questions, he hung up.

Ning Qing was filled with anger, but she could not do anything to her at this moment.

She immediately got up from the ground and walked towards Nian lie. she sent me two addresses and asked me to save her within an hour.

Nian lie's dark eyes were deep. don't hesitate. I'll arrange for someone to rescue her now.

He ordered his subordinates, and a series of preparations were quickly completed.

Before they set off, Ning Qing held Nian lie's hand. I have to go personally. I only have an hour.

Nian Xi frowned. Just as she was about to say something, Lu Zhui walked over with a serious expression. young master, young Madam, I've noticed a problem.

Ning Qing was very anxious. what problem? "

Lu Zhui took out his phone, opened the map, and pointed at two marked locations.

young Madam, when I got my men to prepare, I realized that the two locations given by the other party were very deliberate. Young Madam's parents are near a hotel in the east of the city, and sister is in an abandoned building in the west of the city.

Nian lie's dark eyes sank. and then? "

Lu Zhui was in a difficult position, but he still said, " these two places are about the same distance from here. The fastest drive from here to these two places would take 40 minutes. Including the time we need to find the exact hiding place and the time we need to deploy our troops, I'm afraid that Qianqian only needs an hour to get there.

His statement was very tactful and conservative.

Just enough meant that there would be no accidents along the way and that they would not delay when looking for someone.

If it exceeded an hour, they wouldn't have much confidence in Yingluo.

The current Lou qingyue had almost nothing. The things that she could do were only things that they couldn't think of. There was nothing that she couldn't do.

They couldn't take the risk.

He couldn't afford to gamble.

Nian lie understood what he meant, so how could Ning Qing not?

Her body trembled and she almost fell.

Nian Yu quickly caught her. ning!

No. Ning Qing shook her head and looked at Lu Zhui with difficulty. you mean, I only have enough time to go to one place? "

“Yes!” Lu Zhui didn’t dare to raise his head when he saw her sorrowful eyes:

Ning Qing immediately understood Lou qingyue’s meaning. Her eyes turned red and her heart ached.  
she did it on purpose! She only wants me to save one person!”
