[Chapter 1241](#)

1241 Ning Qing was poisoned (1:

“.....”

“Mommy knows you’re a good child. Be good, don’t cry.”

The child, who was not sad at first, suddenly burst into tears after hearing something.

“Since you don’t like me, I won’t bother you anymore,” he said.

After saying this, he broke free from ning Qing’s arms and ran out.

“Mo Han!”

Nian lie pulled her back. don’t go!

Ning Qing was anxious. why do you always target him? ” It’s not easy for him to accept us. He’ll be afraid if you’re so fierce!”

Nian lie’s eyes darkened. do you really think that he has accepted us? ”

Ning Qing laughed in anger, then her face turned cold.

“You suspect this and that. I can say that you’re on guard, but Nian lie is our son! It’s our son, Hanhan, who has suffered for five years, who finally returned to our side. He doesn’t trust us, and your attitude will only push him further and further away!”

Nian Xi held her wrist tightly. ning, I can tolerate everything, but I won’t allow anyone to hurt you.

“Yingluo, even if the other party is our son?”

Nian lie looked up with a solemn expression. that’s right.

Ning Qing’s emotions became complicated. She was quiet for a while before she said, “I’ll go see him.”

Nian lie still didn’t allow her to do so. I’ll get the doctor to take a look.

Ning Qing was really a little angry. it’s just a glass of milk. I’m really fine. Even if I am, it should have acted up by now, right? ”

Nian lie was rendered speechless by her question. She ignored him and left.

After ning Qing had coaxed the child and returned, Nian lie had been worried about her condition. However, as soon as she mentioned ” let the doctor check on her, ” ning Qing would give him a hard time, so he had no choice but to give up.

However, ning Qing suddenly fainted at the dinner table the next night. Nian lie realized that his intuition was not wrong.

*

It was as if no one was in the quiet room.

Several doctors came and went, performing emergency treatment on the pale-faced woman on the bed, and finally kept her life.

Outside the door, the man with Scarlet eyes had a vicious expression. The doctor's words seemed to be ringing in his ears.

Madam has taken a special poison, which was specially developed by a private medical organization a few years ago to assassinate her opponent. Because this medicine is colorless, tasteless, and soluble in water, it will not take effect immediately after taking it. It will take effect according to the person's physical fitness, but the acting period is usually one to three days.

this medicine takes effect within those few seconds. It will numb the nerves, make people faint, and take their lives in those few minutes. It's extremely toxic.

"Madam's health is not good, and her Foundation is too weak, so she acted up early. But fortunately, you had the foresight to discover it as soon as it acted up and treated her in time. Otherwise, I'm afraid Madam would have been difficult to recover."

"Sir, the person who poisoned her clearly wanted Madam's life."

"....."

This last sentence lingered in Nian lie's mind.

The moment ning Qing fainted, his heart almost stopped.

It was already two hours later, but his heart was still twisted.

The waves of constrictions and twitching pain reminded him that he had almost lost her again!

And the main culprit of all this, Jian Jia,

Nian Xi's eyes were filled with killing intent in an instant, and her voice was hoarse.

"Where's Lou Mohan?"

Beside her, Lu Zhui shivered. little Qianqian, little young master, should be in the room. I'll get someone to watch over his young master Qianqian. You have to calm down. Madam needs you. You, Qianqian.

"Go and bring him over."

[Chapter 1242](#)

1242 Being obedient is just an act (1:

Lu Zhui's face fell. He was in a difficult position. young master, little young master is still a child. Madam Xuanji is very concerned about him. Don't be in a hurry to define him. He's only been deceived by Lou qingyue, that's all, Xuanji.

"I told you to bring him here!"

The man's anger had reached its limit.

Lu Zhui sighed heavily and said “yes.” He turned around to leave.

However, the figure at the end of the corridor made him dumbfounded.

“Little Yingluo, little master Yingluo”

Nian lie heard the voice and looked over coldly.

Lou Mohan stood there with fear in his eyes. His face was so cold that no expression could be seen.

He received Nian lie’s murderous gaze and walked up to him step by step.

Then, he looked at the master bedroom.

“Is mommy, Yingluo, okay?”

Nian lie’s nerves twitched, and his large palm had already swung over.

The servants turned their heads, not daring to continue watching.

Lu Zhui was shocked. young master!

“.....”

Everyone turned their heads and saw the man’s cold expression. His large palm stopped on the side of the boy’s face, but the boy showed no fear.

Mo Han didn’t even blink and his voice was still very clear. how is mom? ”

“Do you think you have the right to ask?” Nian lie couldn’t bear to be ruthless.

The boy lowered his eyes to hide the guilt in them. Yueyue, I only know that my sister is very worried. She didn’t want to sleep just now and was even crying.

“Isn’t this all your fault?”

“.....”

He fell silent.

Lu Zhui was shocked. He looked at Lou Mohan in disbelief. young master, did you really poison young Madam?!

He did not expect a five-year-old child to be so vicious.

The boy’s eyelashes trembled slightly, and his lips were tightly pursed, not saying a word.

Lu Zhui was furious. He walked up to her excitedly. young Madam is so good to you! Even if you wanted to harm them, young master would save you with his life! After that, young Madam treated you even better, but you want to take her life? You’re so young, where’s your conscience!”

Faced with his questioning, Lou Mohan did not move.

Her calm demeanor completely infuriated Nian lie.

He grabbed his collar and pulled him in front of him.

“So, you were just pretending to be obedient?”

“.....”

Mo Han clenched his fists and looked at him boldly.

In Nian lie’s eyes, that look was a provocation.

He grabbed him even harder, and his eyes were as sharp as knives.

you’ve always believed Lou qingyue’s words and treated what she and I told you as a lie. You’ve even used her trust in you to poison her, haven’t you? ”

“.....”

He lifted Lou Mohan up and the veins on the back of his hand popped out.

Mo Han blinked. yes.

Nian lie’s eyes turned red. you’re really my good son. You’ve been pretending for so long just to lie to us! You lied to her!”

“.....”

“Now, your scheme has succeeded! But Lou Mohan, you know how well she treats you. You’re using her like this. Don’t you have any regrets?”

Because he was being lifted, Mo Han was a little breathless, his neck and face were red.

He, who had always been at odds with Nian lie, did not resist his anger.

He clenched his small hands silently. I’m sorry.

“Just an” sorry “?” Lu Zhui was furious. young Madam treated you well, but all you got in return was an apology?!

Lou Mohan pursed his lips tightly and lowered his eyes.

Originally, their plan was for him to poison ning Qing and take advantage of the chaos in the Lou family to find an opportunity to find the guards, take out the key, and let Lou qingyue go.

[Chapter 1243](#)

1243 I just want to know how she is (1:

However, the plan could not keep up with the changes.

Nian lie’s cautiousness and carefulness left him with no chance at all.

Moreover, when he had seen ning Qing faint in pain, the strange feeling in his heart was so strong that he could not ignore it.

Sourness, surprise, panic, fear, regret.

All kinds of emotions intertwined, making him forget about saving people.

His long silence didn't exchange for Nian lie's warmth.

"Who gave you the medicine?" he asked ruthlessly as his malicious eyes closed in.

He was impatient and angry, but he did not lose his last bit of reason.

Lou qingyue had been locked up and had no chance to obtain that poison.

Unless there was a spy in the Lou family!

He had to catch the person to prevent any future trouble!

Mo Han's face turned pale. it's ran ran'S.

Nian lie's expression gradually turned ferocious. do you think I'm a fool? Why do you carry that medicine with you?"

"That medicine is for myself."

The boy's voice was intermittent.

I don't know when my darling will die. Just in case, darling had it sewn into my collar.

These words scared everyone.

A five-year-old child was actually constantly thinking about when he would die?

Nian lie's expression changed slightly. However, in the next second, he showed no mercy and threw him onto the ground.

I can tolerate you doing anything, but you're not allowed to hurt your mother!

He had said it long ago, but he didn't listen!

Nian lie's tone was heavy and heavy, making the atmosphere even more oppressive.

you didn't repent and even killed your own mother. I don't have a son like you.

"....."

Everyone was shocked by his words.

lock him up," Nian lie ordered coldly. no one is allowed to let him out without my permission!

Lu Zhui was angry at Mo Han for everything he had done, but he knew that he had been incited by Lou qingyue. He was angry but rational. His young master, on the other hand, clearly blamed the little young master because ning Qing had been implicated.

In Nian lie's heart, ning Qing would always be the most important.

No one could compare.

Including the children.

Lu Zhui helped Mo Han up. The other party lowered his head and remained silent.

“Let’s go, young master.”

The boy patted the dust off his butt. When he raised his head, his expression was still calm.

it’s my fault, ” he said. you can blame me however you want, but I have a request.

A request.

He said “request,” not “request.”

However, Nian lie was still in a fit of anger. Why would he care about what he said?

Seeing that the other party was about to make a move, Lu Zhui, who was familiar with the young man, stood in front of Lou Mohan and reminded him softly, “enough, young master!” Young Madam’s condition isn’t good right now, so please don’t cause any more trouble!”

The boy finally felt a sense of urgency. I just want to know how she is. I’m Yingluo.

A cold gaze shot over.

you don’t have to try to hurt her. You won’t have another chance in the future.

Before Lou Mohan could think carefully about what he said, Nian lie waved at Lu Zhui with a cold face, signaling for him to carry the girl away.

“I just want to see her! I’m f * cking f * cking f * ck!”

Lu Zhui was afraid that he would anger Nian lie again, so he covered his mouth. There was no kindness in his words.

young master, I’ll say it again. Don’t speak anymore.

He struggled for a long time, but he couldn’t fight against Lu Zhui’s strength. He could only give up.

This time, he wasn’t locked in the same room as before, but in the dark basement.

This place was almost exactly the same as the little dark room he stayed in all year round.

The cold and gloomy aura that was coming at him made him subconsciously afraid. I don’t want to stay here!

Lu Zhui’s face was also cold. little young master, it’s already kind of you to stay here. Those who have harmed young Madam in the past don’t even have the right to enter this place.

[Chapter 1244](#)

1244 Mo Han is locked up (1:

Mo Han froze and Lu Zhui let go of his hand.

He saw that he was about to leave and hurriedly chased after him. uncle! Can you tell me how she is?”

This was the only thing he wanted to know!

It was rare for Lu Zhui to have a bad expression on his face. you were the one who poisoned her. You've also seen how young Madam's health is. Don't ask anymore.

The child was angry and held onto him, not letting go. I don't mean anything else. I won't do anything else. Uncle, please tell me. I beg you, Qianqian."

This was the first time he had been so flustered, and the first time he had begged someone in his memory.

Lu Zhui stared at him for a while and sighed heavily. He said seriously, " young master, you just came back. I don't know how many things and difficulties your parents went through before they got together. They treasure everyone around them, including me.

"....."

as for you and miss, as their children, no one can compare to your position in their hearts, especially young Madam.

young Madam has always been in poor health and is not suitable for bearing children. She gave birth to you five years ago and no one knew that you were still alive. She was sad for a long time because of this. She even broke up with young master for you. After that, it was not easy for her to reconcile and have young miss.

Lu Zhui's eyes were slightly sore as he spoke.

you can see how good young master and young Madam are to miss. Your arrival has made them extremely happy. This is the first time I've seen them so happy.

The boy's Black eyes flickered. He was shocked by his words.

Lu Zhui said, " regarding Lou qingyue, she has cared for you before. We can understand that you have different feelings for her. But think about it. Isn't it wrong to hurt your biological parents who have given you their all for her? "

Mo Han bit his lip. I'm Yingluo.

"I'm afraid that young Madam will be disappointed in you if you do this."

Mo Han started to panic. Lu Fan asked, " you didn't want this to happen, did you? "

The boy held his breath and did not say anything.

He didn't know if he could get her forgiveness for what he had done, Yingluo.

Originally, she was really very good and biased towards him.

Everything seemed to have been messed up by him.

Lou Mohan's heart was in a mess. Lu Zhui kept his emotions in check and said, " young master is still in a fit of anger. He will probably take his anger out on you for a long time because of young Madam. I can't help you either. I can only hope that young Madam will get better soon. As for you, you should think about it during this time and sort out your thoughts.

“.....”

He turned around and left.

The boy stood there alone, watching the door close and lock.

In the darkness, he slowly squatted down and hugged his small body.

It seemed to be hidden in sorrow and darkness.

*

Nian lie stayed by her bedside the entire night without sleeping.

Fortunately, ning Qing finally opened her eyes at dawn.

“Nian lie, Qianqian.”

A low voice made the man’s eyes turn red.

“I’m here, ning!”

He took her hand and turned to instruct the servant to call the doctor over.

After the doctor arrived and finished the examination, he heaved a sigh of relief.

Madam is fine now. Next, let the remaining poison in her body be naturally cleaned up. Keep her body and mind happy, and don’t have any emotional fluctuations.

After that, the doctor prescribed some Oral Medicine and was dismissed by Nian lie.

“Bring me a cup of warm water.”

“Tell the kitchen to prepare some light congee and other dishes. They will be served in a while.”

[Chapter 1245](#)

1245 : ‘m sorry to have made you worry (1:

“Open the window a little and let some air in. Don’t let her feel too stuffy.”

“.....”

Ning Qing leaned against the head of the bed and waved at him weakly. alright, you don’t have to work anymore.

Nian Xi reached out and held her hand, then sat down beside her.

The man’s face was blue, and there were dark circles under his eyes. The stubble around his lips had already grown. Even though his face was still handsome, he was clearly dejected and worried.

Ning Qing’s heart ached. have you been working hard these past two days? ”

Nian lie placed her hand on his cheek and felt her body temperature. Only then did he feel that she was alive and not lying in his arms with a cold body.

“No, it’s just that you’re making me very worried,”

Ning Qing smiled. what are you worried about? Are you afraid that I’ll die?”

The corners of Nian lie’s lips moved down. don’t say such things. You know I don’t like it.

Ning Qing’s heart felt warm when she saw him like this.

She had rarely seen Nian lie so flustered and afraid of losing something. Every time, he did it for her.

She pulled her hand back and touched the messy hair on his forehead. I’m sorry to make you worry.

Nian lie’s dark eyes were filled with deep affection. you’ve made me worried. Tell me, how are you going to make it up to me? ”

Ning Qing was a little surprised. I just woke up, and you’re asking me for compensation? ”

Nian lie suddenly stood up and knocked her on the forehead.

Ning Qing was in pain. why did you hit me? ”

“If I don’t hit you, you won’t learn,” Nian lie said sternly.

“.....”

Then, he hugged her again, his tone full of worry.

ah ning, promise me that you won’t trust anyone so easily in the future. I don’t want to see you lying in bed so listless anymore.

Ning Qing understood that she was the one who had really scared him, so much so that he would reveal such a fragile and helpless side.

“Okay, I’ll be more careful in the future: : she said: patting his back to comfort him:

The two of them snuggled up to each other tacitly and did not mention the other person in this incident.

The servant brought some water and food, but Nian Ying insisted on serving ning Qing.

“No, I can do it myself.”

“No,”

I was poisoned, not broken. Now that the poison has been cleared, I’m back to normal.

“No,”

Ning Qing didn’t know whether to laugh or cry. She pulled him over and whispered, ” how long do you want to make a fool of yourself in this outfit? ”

Nian lie’s face darkened. ah ning, you’re despising me.

Ning Qing was helpless. it’s not that I don’t like it. It’s just that you’ve been worried about me for so long, so I want you to rest.

Nian lie's anger had subsided, but he was still stubborn, so ning Qing could only let him be.

After the meal, he coaxed her to take her medicine.

After doing all this, ning Qing let him get on the bed. She leaned in his arms and couldn't help but sigh. it's better like this.

Nian lie held her in his arms, and she rested her head on his broad chest. It was warm and filled with a sense of security.

Nian lie sniffed her hair. I'm glad you understand.

Ning Qing smiled. actually, I had a very long dream these two days.

"Dream?"

Nian lie said in a deep voice as he played with her hand. He looked at the pinhole on the back of her fair hand and caressed it with his fingers from time to time. It was as if he was teasing her, but also as if he was silently comforting her.

"What dream?"

"I dreamed of my home in Ye City. There was no one around, be it neighbors or passers-by. The entire neighborhood was empty. I chased after them and searched the entire world, but there was no one."

I was very scared. I kept calling you and mom and dad, but no one responded to me. I kept running, running, running, running for a long, long time, Yingluo.

[Chapter 1246](#)

1246 Can you not tell right from wrong just because he's your son?

: Aren't you tired?: Nian lie couldn't help asking:

Ning Qing laughed. I'm tired, so tired that I can't breathe, but I'm afraid that something will happen to you, so I didn't dare to stop.

Nian Xi's eyes were gentle, and no other negative emotions could be seen.

"And then?"

then, I don't know what happened either. The whole world started to collapse, and you appeared at the time I was most afraid of.

in my dream, you were like a god who had descended to the mortal world. You were surrounded by light. I looked at you and felt that I was saved. I was also very glad that you were safe. I was crying even in my dream.

dad, mom, and youzi also appeared behind you at this time. Dad and mom didn't change much, but youzi has grown up. She's very cute when she smiles, and Mo Han is holding her hand.

She raised her head, her smile as bright and beautiful as ever. She automatically ignored Nian lie's frozen expression.

Nian lie, I'm the happiest when we're a family. With you by my side, I'm not afraid of anything.

Nian lie lowered his eyes. His expression was unclear, but his tone was very dotting.

"You're thinking a lot, even in your dreams. You don't know how anxious I am."

Ning Qing's heart was as sweet as honey. I know you care about me. I just want to tell you that I really want our family to be safe and happy for the rest of our lives. I don't ask for anything. This is my biggest wish.

"....."

Nian lie didn't reply immediately, because her wish included another person.

That Lou Mohan, the one who poisoned her, was their son.

Ning Qing guessed that he had already understood what she meant. She said with a bit of seriousness, "a child is a child after all. He can't tell right from wrong. He may have been bewitched by others. You should be careful.

"Are you trying to plead for mercy?" Nian lie interrupted her.

Ning Qing was stunned. I'm not pleading for mercy.

Was the matter that serious?

Nian lie's dark eyes darkened. ah ning, do you know that you almost lost your life this time? "

Ning Qing's hand hurt a little when he grabbed it.

Her lips curved up a little. I know Yingluo.

"Since you know, you should also know that I will never let go of anyone who has hurt you."

Including himself.

He had accepted all the blame and coldness she had given him in the past, not only because he loved her, but also because he felt that he should be punished.

Ning Qing had originally thought that, after all, Mo Han was a child. No matter how much Nian lie loved her, he would not be so cruel to his own son.

However, after hearing this, she started to feel uneasy.

I know," she said carefully. he's in the wrong this time. I don't have any intention of protecting him.

Nian lie tightened his grip again, and ning Qing's expression changed from the pain.

He let go and pursed his thin lips. I'm sorry.

Ning Qing felt a little wronged. I didn't want to plead for Mo Han. He's my son. I should feel bad for him, but I still have a bottom line.

This time, Mo Han's actions were really chilling.

Even she herself could not find a reason to exonerate him.

“If that’s the case, let’s not talk about this topic anymore,” Nian lie said.

Ning Qing’s smile was a little stiff. but Mo Han is our son, Zhenzhen.

“Just because he’s a son, he can’t tell right from wrong?”

“.....”

“This is not a reason for him to do this.” Nian lie’s tone was very cold. no matter what excuse he used, he still did such a vicious thing. To put it more seriously, he has already endangered our lives.

“But Yingluo”

“You can forgive him this time because you’re still alive, but what about next time?” he asked.

[Chapter 1247](#)

1247 : want you to know your importance (1:

This question made ning Qing lose her voice.

She finally knew how worried he was about her and how sad he was.

Ning Qing could not bear to ask any more questions. She patted his chest to comfort him. Okay, okay. It’s my fault. I shouldn’t have asked.

Nian lie’s expression didn’t soften much. She tried her best to prop herself up and kissed the side of his face. alright, ” she said in a gentle voice, ” I was wrong.

“.....”

“I’m still sick. You can’t bear to let me continue coaxing you, can you?”

Nian Jin lowered his eyes and sighed helplessly when he met her pitiful eyes.

“You know, you’re more important to me than anyone else.”

Ning Qing could not help but ask, ”anyone?” And more important than youzi?”

“That’s right.” Nian lie’s heart sank, but he surprisingly admitted it.

Ning Qing’s eyes narrowed. She had not expected that her casual teasing would get his approval.

Nian lie was very serious. ah ning, I’ve told you before. In my eyes, you’re above everything, including my life. Without you, I’ll lose everything.

So, what he was trying to say was that no one could compare to her, including youzi, Mo Han, and himself.

Then, Mo Han’s mistake this time ...

“You’re making me feel a lot of pressure,” ning Qing teased, feeling both sweet and bitter.

Nian lie's expression was still serious. I just want you to know how important you are.

She was above everything else, and that was what she meant to him.

No one could compare.

Ning Qing suddenly lost the courage and reason to persuade him. She reached out and wrapped her arms around his neck, rubbing against it. I know," she said softly. I'm very happy that you think so highly of me. I'm also very glad that you're still by my side after so many years.

"....."

"Nian lie, thank you for everything you've done for me."

The man's chin caressed the top of her head, enjoying her gentleness, apology, gratitude, and love.

Time was quiet, and the warmth did not disappear for a long time.

*

Half an hour later, ning Qing fell asleep again.

Nian lie placed her back on the bed, covered her with the blanket, and walked out of the door with his legs not so nimble.

"Where's youzi?" Lu Zhui was already waiting outside.

miss knew that young Madam had woken up, so she made a fuss just now and asked the nanny to take her to the back garden to play.

Nian lie nodded. when ah ning wakes up, we'll bring her back.

"Yes."

"Young master, where are you going?" Lu Xun asked.

Nian Xi paused. Although his body had not fully recovered, it could not stop his cold and imposing aura.

"To deal with the risk factors."

"....."

"You stay here. Come and find me when she wakes up."

As soon as he finished speaking, he strode away.

Lu Zhui was a little scared and hurriedly chased after him.

As she had expected, Nian lie really came to the basement.

After watching him enter, Lu Zhui walked closer. The guard saw him and knew that he was Nian lie's trusted aide. He nodded silently in acknowledgment.

Lu Chong shot him a look, shushed him, and quietly leaned against the door.

There was no sound inside.

“.....”

In the dark, Nian lie saw a figure squatting in a corner.

Mo Han had been hungry for an entire night. In such an environment, he did not dare to fall asleep. He was extremely nervous and his eyes were red.

When she saw Nian lie, a glimmer of hope appeared in her pitch-black eyes, but it was quickly extinguished.

Nian lie walked closer and looked down at her. she's awake.

Her small body trembled and she looked up in joy. are you awake? Nothing else? Whatever the doctor said, she's scared.”

[Chapter 1248](#)

1248 You shouldn't have given birth to me (1:

Under Nian lie's cold gaze, he shut his mouth.

Nian lie stared at this 'son' of his, the coldness in his eyes growing stronger.

As smart as Mo Han was, he immediately knew the intention of his visit.

He had nothing to resist and stood up from the ground.

I hurt her and broke our agreement. You can do whatever you want.

He didn't wait for Nian lie to say anything and said this first.

Nian lie's expression darkened even more. do you think you can atone for your sins by saying that? ”

Mo Han wanted to say ” I didn't mean it that way, ” but when he thought of ning Qing's face, he pursed his small lips. I did it myself. I think you guys were lying to me to betray my mother, so you poisoned her. Everything was my own decision. If you want to blame someone, blame me.

He even wanted to say, ”if you want to kill me or cut me up, do as you please, ” but he did not dare to say it because the person in front of him was too vicious.

“Blame you? You almost killed her, and that's all you've got?”

Nian lie's heart was filled with anger, mixed with an unknown sternness and disappointment.

Lou Mohan, let's not talk about whether she's your mother or not. An innocent life can only be exchanged for a sentence of 'blame me' in your eyes? ”

“.....”

“Are human lives so worthless in your eyes?”

The series of questions made Mo Han lose his right to speak.

Nian lie couldn't tolerate him being like this. Back then, he was willing to hurt himself to bring him back because he was his son. Today, he didn't want to keep him by his side because he had disappointed him to the core!

"Your existence is an uncertain and dangerous factor."

And he would never keep such an uncertain factor by his side.

Mo Han realized something and his eyes flickered. what do you want to do!

Nian lie didn't explain. He only said, " pack up. I'll get someone to send you off tomorrow.

He had already lost the desire to talk to him and turned to leave.

Mo Han rushed forward in a panic and opened his arms in front of him. He asked him with a panicked expression that he didn't expect, " you want to send me away? " What do you mean? you don't want me anymore?"

"You have no reason to stay," Nian lie replied indifferently, staring at him.

No reason?

They had so many reasons to bring him back, but now they said they had no reason to keep him?

Mo Han's eyes lit up and he roared with grievance.

"What right do you have to rule over duxing! You even said that you're my father. If I'm your biological son, why Don't You Want Me?"

"Liars! You're all liars!"

"If you want to send me away, good Yingluo, just send me away. I don't want to come back for the rest of my life! I don't want to see you ever again, I don't want to see that female Qianqian."

"Pa!"

A slap landed on his face, and the dark basement fell into a dead silence.

He could not control his small body and fell to the ground.

Nian Ying held back, but he still used too much strength. He wanted to help her up, but he held back in the end.

He didn't leave him any room for negotiation. Lou Mohan, even now, you still don't know where you went wrong.

The boy was completely enraged. He glared at him with red eyes. I was wrong, Yingluo. I was wrong. My mistake was that I shouldn't have been born, I shouldn't have lived in this world!

Nian Yun clenched his fists, his sharp eyes not showing any restraint.

"You gave birth to me, but you didn't care about me or come to find me. Then why did you give birth to me? You might as well not have given birth to me in the first place!"

[Chapter 1249](#)

1249 : 'm sorry, dad, don't chase me away (1:

Nian lie gritted his teeth. how many times do I have to explain it to you before you understand that it was the mother you were so proud of who took you away and lied to your mother and me that you were already dead!

He picked up the child from the ground as easily as picking up a chick.

Mo Han's eyes were red from crying. you just don't love me! Otherwise, why didn't you guys investigate it? why did you trust others so easily?"

Nian lie's chest and head ached with anger. He didn't have the patience and love he had for youzi when he was with this awkward child.

Especially after this incident.

He couldn't hold back his temper and his face was full of anger.

"Yes, you're right! We don't love you! Your mother knew that you were still alive, so she forced herself to keep the lives of the enemies who killed her mother and sister, just to find you! I don't f * cking love you, I'll protect you with my life!"

"....."

A bunch of vulgarities burst out, and his anger had also found an outlet.

Nian lie didn't see Mo Han's reaction at all. He was shouting louder and louder.

"You're absolutely right! Your mother knew you wanted to harm her, but she still willingly drank the poison you gave her. I also knew you poisoned her, but I didn't stop you in time, just to bet on your sincerity to us!"

but Lou Mohan, ask yourself, what have you given us? "

"I'm your f * cking father, but I can't cover up for a murderer without a bottom line! You didn't learn well at such a young age and would rather listen to Lou Qing Yue's words and poison your mother for her. Do you know how much you hurt her heart?"

"....."

The child was shocked and speechless.

After Nian Xi finished shouting, his chest heaved up and down, and he was covered in sweat.

His chest and legs started to hurt, and his face turned pale.

He slowly put him down and let go.

before I met you, I thought you were a good kid waiting for us to pick you up. But after seeing you, you ruined everything.

He panted slightly. In fact, he didn't want to tell him this at all. It was just that this child's perception had completely deviated from reality and trajectory. He was already so powerless that he didn't want to hide those conspiracies in the past.

He was too tired.

It was his first time being a father, so he could not be perfect.

He could only do his best to protect everything that belonged to him.

He believed that there would be losses for every gain.

If the child in front of him was a time bomb, and he knew that when he exploded, it would blow him up into pieces, then he would rather give up.

"....."

When Lou Mohan didn't respond, he said in a hoarse voice, "tomorrow, I'll get someone to send you away. I'll still take responsibility for the rest of your life. But don't even think about appearing in front of me again.

He was afraid that if he hurt Ning Qing again, he would do something he would never have thought of.

After saying that, Nian lie turned around and walked away at a moderate pace. His figure was a little slow.

Mo Han sat on the ground in a daze, watching his figure walk away.

The shadow of being abandoned once again enveloped him, forcing him to cry out loud.

I'm sorry, Yingluo. I didn't want to kill my mother. I just wanted to save her. No matter how bad she was to me, she raised me. I couldn't not believe her.

"I'm sorry! Dad, I was wrong. I shouldn't have harmed mom!"

For the first time, the boy cried so hard that he was out of breath. As he cried, he ran to Nian Yuan and hugged his legs.

I know, Chen. I've known for a long time that you two are my parents. I believe in you, Chen Chen. I like my mother a lot. It's me who doesn't want to acknowledge you. "I'm afraid of you, or you don't want me. I'm afraid of you, I don't dare to, Chen Chen.

"I'm sorry, daddy, I'm sorry, please don't chase me away, Yingluo."

1250 Promise mom that you won't do this kind of thing in the future (1:

He cried so sadly that his tears fell onto Nian lie's pants.

Nian lie's body stiffened, and his cold heart couldn't help but cry and beg.

Just as he was hesitating, the door opened.

Lu Zhui followed behind ning Qing. She held the door with difficulty, her face full of surprise.

Nian lie retracted his hand. ah ning, why are you here? ”

He was anxious and suddenly tripped the little person beside his leg. Mo Han cried until his hands and feet were weak and he fell to the ground.

Ning Qing’s heart ached. Mo Han!

She ignored her body and rushed up to pick up the child.

Nian lie, who had been left to the side, muttered, ”Qianqian.”

”Mo Han, don’t cry. Mom is here.”

The child hugged the woman’s neck tightly and cried.

Ning Qing’s heart ached, and she kept comforting her. it’s okay, it’s okay. He won’t do anything to you. I’m here. No one will dare to touch you.

Her body was very soft, but she insisted on carrying the child by herself.

Although the five-year-old Mo Han was thin, his bone armor was still a little heavy.

It was a little strenuous for her. Nian lie reached out to help her carry him. ah ning, let me do it. Your body is weak.

Ning Qing turned around and walked past him.

Nian lie, ”Huanhuan.”

He glanced at Lu Zhui. Lu Zhui chuckled and scratched the back of his head. well, Qianqian, I think you’re too excited. The young master is still young, after all, and the young Madam dotes on him. Hehehehehe Qianqian.

Nian lie’s head hurt. He had a look that said, ” don’t be a busybody. he quickly followed her and left, leaving Lu Zhui standing there in a daze.

Ning Qing carried Mo Han all the way back to the room. The child hugged her neck tightly. They had never been so close before, and they were inseparable.

After carrying him to bed, he sobbed and pulled on ning Qing’s sleeve, afraid that she would not want him.

”It’s okay, Mohan. Don’t be afraid,” ning Qing said.

She sat down beside him and patted him.

The child moved closer to her. mommy, daddy.

”I’m here,”

”I’m sorry,” she said.

Zhenzhen. ning Qing did not say anything. sleep for a while.

He was worried and felt a deep sense of guilt for this gentle woman.

That kind of guilt was like a little bug, crawling around in his heart, tormenting him so much that he couldn't sleep the whole night.

"Mom, you can't blame me," he said weakly as he got up.

"....."

it's my fault. Dad was right. You've been so good to me. Grandpa, grandma, sister, and you, Hanhan, I'm the one who's ungrateful. I even poisoned you and almost killed you, Hanhan.

His tears could not stop flowing.

To be honest, the boy's appearance was really embarrassing. He no longer had the cold and indifferent facade he had in the past. What was left was the most genuine sadness and sadness, which pierced through people's hearts.

"Do you really know that you're in the wrong?" ning Qing asked seriously.

The child was crying so sadly that he couldn't speak, so he could only nod.

Ning Qing sighed. it's good that you know you're in the wrong. I don't have any other requests for you. I can understand your feelings for Lou qingyue, but I hope you can give us a chance. A chance to accept and get close to you. I didn't expect you to do such a thing.

"I'm sorry, Yingluo."

Mohan, mom accepts your apology, but you have to know that not everything can be solved with an apology.

The child raised his reddened eyes. then, mom, what do you want me to do? "

Ning Qing's voice was soft and weak. can you promise me that you won't do such hurtful things again? "
