

## Mr Nian 1271

### [Chapter 1271](#)

1271 I have someone I love (1:

Nian lie's gaze was as sharp as an Eagle's. was it Lou si who hurt you? "

Shen Yao held his neck and said, " mm.

Nian lie fell silent, as if he was thinking about something.

Shen Yao touched the wound on his neck. It was already numb from the cold.

"They're behind us, by the cliff," he said hoarsely.

"....."

"You'd better think clearly about what you're going to do,"

What could she do to save Mo Han?

What should he do to retreat safely?

Nian lie stood upright. Behind him was the empty courtyard, and the ground was covered with a thick layer of snow.

It was white, cold, and exaggeratedly quiet.

"I will save my own son," he said.

Shen Yao's eyes flashed, and he subconsciously caught the thing that he threw.

Nian lie didn't turn around, his voice still cold.

there's a car about 200 meters down the mountain road. There's something you need in the car.

"....."

Shen Yao's hands and feet were cold, and his palms were open.

It was a set of car keys.

He was slightly dazed, but Nian lie's tall figure had already passed through the corridor garden, walking further and further away, and disappeared into the light.

Nian lie passed through the courtyard and was greeted by a pitch-black Forest.

The snow fell on the branches, and the branches could not bear the weight. They made a faint sound, and together with the cold wind, they passed through his limbs and bones.

"....."

His breathing was slightly heavy, and all he spat out was white mist. Only his eyes were still cold.

After passing through the forest, a dark figure stood on the steep cliff that extended out.

Lou Si was wearing a hat. Her back was facing Nian lie. When she heard his voice, she turned around slightly. Her voice was hoarse. you're here.

Nian lie didn't move forward, as her position was too dangerous.

His cold eyes swept around, and his thin lips were frozen.

"Where Are the Children?"

Lou si coldly laughed as her eyes were filled with deep hatred.

He was crazy, but he was calm.

"Of course he's here,"

Lou si looked to the side. In the pitch-black underbrush, a man was dragging a small body towards Lou Si's feet without any pity.

The moment Mo Han appeared, Nian lie's eyes never left him.

When Lou si saw this, the flames of hatred burned in hun Dun's eyes.

"Now that things have come to this, Nian lie, do you regret it?"

A sudden sentence came with the wind.

Nian Yu pursed his lips. why would I regret it? "

"Back then, Qing Yue received my orders and personally extended an olive branch to you. From what I know, it wasn't just once."

Nian Xun's posture was cold and stern, taller and straighter than the pine tree behind him.

"I have someone I love, you guys already knew."

Lou si sneered, " I've long heard that you're from the Nian family. Your father isn't someone who would talk about feelings for no reason. I thought that you would have been raised well by him. What a pity.

He just had to be an idiot who was swayed by feelings!

He couldn't tell the situation!

Nian lie didn't say anything, and Lou Si's emotions were unstable.

Leng ye's face was swollen, and his sickly face was frighteningly pale.

"If you're smart, you should choose Qing Yue! With your help, the Lou family will definitely be under my control. Isn't it the best of both worlds for you and qingyue to combine? Yet, you chose them! Yingluo, why do you have to go Against Me!"

Nian lie stared at her and glanced at Mo Han, who was silent.

In such cold weather and such a noisy environment, why was he not moving at all?

Was he injured?

Lou si saw through his absent-mindedness and grinned as she grabbed Mo Han's collar.

"He's fine. This child is my grandson. How can I let anything happen to him?"

Nian lie furrowed his brows. logically speaking, you are indeed his elder.

Lou si patted Mo Han's head and her lips curved into a smile, but it didn't reveal any warmth.

## [Chapter 1272](#)

1272 Confrontation with Lou si (1:

I just fed him some medicine to calm him down. The child was struggling hard.

Hearing this, Nian lie's heart relaxed a little.

It was fine if it was just a drug.

If she wasn't injured, she was in the best condition.

Lou si sneered, " back then, when I found out that he was a boy, I told qingyue that I shouldn't keep him. However, qingyue had her own thoughts and insisted on going against my wishes. Because of this, she was even sent to the United States by Lou LAN for three years!

Nian Xi's frown deepened and Lou si laughed.

"That's right, that woman has been protecting the woman you love from the start! Because qingyue hurt her, she found an opportunity to send qingyue away."

"....."

As soon as she finished speaking, her expression changed and she gritted her teeth.

"But qingyue is my daughter! She never wanted to give me anything. Even the little power I have in the Lou family was fought for by myself! But why should the eldest daughter inherit the position of the family head, while the other children have to bow and kneel for their entire lives?"

Her eyes were filled with tears, red as blood.

"You guys don't know this, but I've been like a dog, prostrating by her side for decades! When she's happy, she'll give me some benefits. When she's unhappy, she'll take it out on me and qingyue! Why? why should I be bullied for the rest of my life?"

Nian lie gritted his teeth. rewards and punishments are the key to a family's prosperity. I think you're overthinking it.

He made his unwillingness and wild ambitions sound so legitimate.

Lou si stomped her feet, " you're spouting nonsense! She's clearly targeting me! I've been better than her since we were young, and I'm better than her in every way, but because of this damn family precept, she still became the head of the family. I've worked hard for more than ten years, but in the end, I could only watch her rise to power, be enslaved by her, and be humiliated by her!"

Nian Yu pursed his lips tightly. She had already gone completely crazy, and she couldn't hear a word he said.

Her pitch-black eyes swept towards the boy on the ground. His head was tilted to the side and both his hands and feet were tied up. Lou si and his subordinate were also by his side.

It would be difficult to escape.

“.....”

While Nian lie was thinking about how to win, Lou Si was so crazy that no one could stop her.

She spread her hands toward the sky, and snowflakes fell from the sky.

“I've had enough of this torture, so my daughter can't be like this anymore,” she said.

Her gaze fell on Nian lie. He sensed it and his back stiffened. He looked up.

Neither humble nor overbearing.

the great clans all have their own rules. You can use other methods to resist, but you can't harm people's lives.

“Resist?” Lou si laughed out loud before glaring at Nian lie. do you think it's that easy? Those old fogeys are so stubborn and insist on those disgusting rules. There's no way to change them!”

Nian lie shook his head. you're wrong. If they can't change their minds, they wouldn't have been able to compete with Lou qingyue in this one year.

When Lou si heard this, her expression froze.

Nian lie continued in a deep voice, “ I've given you a chance, but you've lost. Since you've lost, you must be able to accept it. If you can't, you must force it. The result will not be good.

“.....”

Nian lie gazed at her deeply. if you had accepted the outcome earlier and left the Lou family, things wouldn't have turned out this way.

Lou Si's eyes turned even redder, as though she was a crazed zombie.

“You're talking nonsense! The winner was King, and the loser was Bandit! If I lose, Lou LAN won't let me off! If Qing Yue loses, you won't let her off either! Since I can't escape, why should I wait for death? It's better to make the first move!”

### [Chapter 1273](#)

1273 Grab him! Be careful of guns (1:

Nian lie knew that he couldn't persuade her, so he didn't try to persuade her.

He shook his head and was silent for a few seconds. from the beginning to the end, weren't you the ones who refused to let her go? ”

“.....”

“Eight years ago, you caused the car accident and tried to kill the two sisters. In the end, you were saved by Madam Loulan.”

Lou Si's thin and weak body trembled as her pupils contracted, “how did you know about this, Qianqian?”

Nian lie was silent.

Two months ago, he had found out the truth of the car accident.

He had also suspected his parents, but when he sent someone back to the old mansion in Ying city to ask, his father refused to admit it.

With his father's personality, he was not someone who did not dare to speak.

So, he dispelled the idea and went back to the accident itself. He followed the clues and found out the truth.

It turned out that the main culprit of the car accident that had caused the death of his and ning Qing's first child was this woman in front of him!

The car accident that had made ning Qing suffer for so many years was her fault!

Nian Xi clenched his fists and stood alone.

His tone was a little heavy.

It's you. You wanted to take the sisters' lives from the start. It's also you who killed my first child with ning Qing!

Lou Si's expression was as stiff as a corpse and her pale lips trembled.

Nian lie took a step forward, his eyes slightly red.

“You've caused the two sisters to be separated for so many years and ruined their entire lives. You've also caused Mrs. Loulan to die with a grievance and ruined ning Si's life! You've used all sorts of methods and you still dare to say you're the victim?”

Lou Si panicked, “f \* ck, f \* ck, f \* ck!”

“Don't you understand?” Nian lie said in a heavy voice. If you don't harm others, no one will harm you. If you don't have the intention to kill them and mess up their lives, no one will hate you!”

All of this is because of your own ruthlessness!

All of this is because you have bad intentions. You killed your own daughter and caused me to lose everything!

“No, no, no!”

Lou Si crazily hugged her head while her subordinates panicked and hesitated on whether they should step forward.

At this moment, Nian lie's eyes turned cold. He placed one hand behind his waist and rushed forward. The subordinate was caught off guard and was pushed to the ground with the gun pointed at his head.

"Mo Han, wake up!" Nian Yu shouted.

The child, who was lying on the ground, did not move.

"Mohan, Nian Mohan!"

Nian lie gritted his teeth and looked at the child.

Lou si snapped back to her senses and stared at the gun in his hand.

The man who was pressed down seized the opportunity when Nian lie was distracted and blocked the gun with his hand. Nian lie turned around and punched him in the stomach.

Lou si shouted, "catch him!" Be careful of the spear!"

"....."

The man clutched Nian lie's neck. He endured the pain and used all his strength to press him to the ground again.

This time, the man learned his lesson. He kicked Nian lie's calf, and Nian lie knelt on the ground with one knee.

Then, countless fists fell.

"....."

After a few rounds of fighting, the gun was thrown to Mo Han's hand.

Lou Si was fearful but also excited.

While Nian lie and the man were fighting, she went around them and rushed to Mo Han's side. She picked up the gun and pointed it at Nian lie, who was pressing the man to the ground.

"....."

Mo Han's small body curled up in the midst of the argument and coldness.

He had a headache and slowly opened his eyes.

The first thing he saw was a gun-wielding Lou si.

His mind went blank and he looked in the direction she was aiming at.

It was Nian lie's back.

Lou Si's eyes were vicious as she suppressed her anger. The corners of her eyes twitched as she revealed a maniacal smile.

"No..."

“Bang!”

The loud gunshot alarmed the birds in the forest.

#### [Chapter 1274](#)

1274 Got shot (1:

“Hualala-”

A large group of black shadows flew away, accompanied by sharp cries.

Beside the car, in the trunk.

Shen Yao held on to his breath. He had just gotten the first aid kit when he was shocked by the sound of the gunshot and turned his head back.

“.....”

He gritted his teeth, and his cold face changed.

He paused for five to six seconds, then closed his long and narrow eyes. He threw away the first aid kit, closed the trunk, and turned to run away.

“Swish!”

The long sound of a car attracted his attention.

Soon, four or five cars stopped behind him. The glaring headlights forced him to squint.

Someone warned, “slowly squat down!” Don’t move!”

“.....”

He was unmoved and turned around to leave.

At this time, a slightly anxious and surprised female voice was heard.

“Shen Yao?”

He stopped turning his body and watched as the slender figure walked over.

what are you doing here?!

Ning Qing did not know what was going on. She looked at him up and down and suddenly noticed his injured neck.

“What’s wrong with you?”

Shen Yao moved his lips, not knowing what to say.

Ning Qing called out to Lu Zhui. Just as she was about to give him some instructions, she suddenly thought of the blood in the room.

She paused, and the way she looked at Shen Yao was a little strange.

“How did you hurt your neck?”

Shen Yao suddenly did not dare to look back at her. Yingluo.

“It’s you, isn’t it?”

He lowered his head slightly.

you were the one who helped Lou qingyue escape. You were the one who caught my son. It’s all your fault: right? ” ning Qing pressed:

Shen Yao’s heart was fluctuating. For the first time, he explained in a panic. I didn’t catch the child!

“You were the one who released Lou qingyue?”

“I’m sorry, Yueyue.”

Tears welled up in ning Qing’s eyes. did you know that my son had been arrested? ”

Shen Yao shook his head. she asked someone to do it in private. I was only responsible for saving qingyue.

Ning Qing took a deep breath and still could not control herself. She raised her hand and slapped him.

“Pa!”

Lu Zhui was shocked. young Madam!

Ning Qing shouted at the top of her lungs. I thought no matter how bad you were, you wouldn’t harm a child. Xuxu Mohan is only five years old, he’s only five years old! Don’t you know what will happen to him if he falls into her hands?!”

A strange emotion shook in Shen Yao’s chest. It was muffled and a little painful.

She didn’t know if it was because of the light or because he had lost too much blood, but his face was pale and he said hoarsely, “I’m sorry, I’m Hanhan.”

He wanted to explain something, but in the end, he didn’t say anything.

“Say no more.”

Ning Qing’s face was cold. She had never been so cold to him before. I will save my son and husband. If anyone blocks my way, I will fight them to the death.

Shen Yao was shocked, and his body was a little unstable.

It turned out that in her heart, he had always been a bad person.

Lu Yunyun, the one she thought he was facing in that direction to block her from saving the person.

But how was he supposed to say it? he had clearly called her so many times.

Shen Yao was not good with words. The cold snowflakes fell on his eyelids, but he did not move.

Ning Qing didn't have time to look at him. She only knew that he didn't stop her, so she quickly ran around him.

Lu Zhui was also anxious. young Madam, slow down!

He glanced at Shen Yao, ignored him, and followed him.

Messy footsteps sounded, getting further and further away.

Chen Yao stood in place, as if he was covered in ice and snow.

He raised his hand and pressed it against his chest.

The wound was clearly on his neck, but why did Yingying feel that his heart was in so much pain?

...

The answer was obvious.

The wind and snow became heavier, and the rain fell with snow. It was so cold that it pierced the heart.

"....."

On the blizzard cliff, Nian Yun panted, the sound of the wind in his ears, as well as his own breathing.

#### [Chapter 1275](#)

1275 This child really knows how to please others (1:

Lou si held onto her gun and was extremely nervous.

Nian lie fell to the ground, not much strength left in his body.

He tilted his head and looked at the man who had just fought with him.

His eyes were wide open as he stared at the sky in disbelief. The bloody hole in his chest opened up like a Devil's Snare in full bloom.

"You tease me, I tease"

Lou Si's mouth moved in shock.

He actually dodged it!

"....."

If it wasn't for Mo Han's shout, he wouldn't have been able to be distracted.

A cold glint flashed across Nian Yun's eyes as he charged towards Lou si like a cheetah.

However, he was still a step too slow!

Lou si lifted Mo Han up and pointed the gun at his temple. don't come over! she screamed.

"I told you not to come over!" Lou si raised her voice.

The man stopped.

Lou si laughed sinisterly and one of her arms wrapped around Mo Han's neck. Mo Han's face turned red as he held onto her arm, "let go of me, Huahua!"

Lou si looked straight at Nian lie. I should have known that people like you who value relationships will value personal relationships more than anything else.

Nian lie's expression turned completely cold. what do you want? "

Lou si laughed as she retreated, "my daughter is dead.

"That's because she deserves it."

Lou Si's weak point was poked and her eyes widened, "you want to die, don't you! You don't want to save him at all!"

"....."

"You, stand there and don't move."

Then, the woman's hunched body slowly moved backward.

Nian lie's expression darkened, as if he knew what she was up to.

"Lou si, you better not challenge my bottom line."

"I knew it. You're cold to the bone and don't care about love at all. This child has harmed you and poisoned ning Qing, right? Based on how much you care about her, why would you want to keep him?"

Lou Si's smile was weird and Mo Han's face turned pale.

"You want to use this opportunity to let him die, and from then on, there will be no more danger around you, right?"

Nian Xi glanced at Mo Han. His tone was not nervous, but it was not cold either.

"I don't have much patience to accompany you. Lou si, let him go and I can make it easier for you."

"Hahaha!"

The woman burst into laughter, extremely sinister.

"Do you think I've thought about what will happen after my death? The only thing I want to do now is to make you suffer for the rest of your lives!"

Nian lie knew that she wasn't joking. His heart couldn't help but tremble, especially when he saw her getting closer and closer to the edge.

Mo Han's eyes reddened. He seemed to have forgotten his current situation. He looked at Nian lie with puppy eyes. daddy, I'm sorry, Xuxu.

Nian lie's eyes were dark. Mo Han pursed his lips tightly, not wanting to let his tears fall, but he could not hold it in.

He looked up with his dark eyes and tears flowed out. I'm sorry, I was too stupid. I was lied to all this time and even hurt you and mom.

"....."

Nian lie's frozen fingers twitched, his eyes darkening and unfathomable.

what I actually wanted to say was that mommy is very good. I like mommy, little sister, Grandpa, grandma, ran ran, and you, daddy.

"You are the closest people to me, the people who appeared by my side when I thought no one wanted me in my life. But I've done so many things to let you down. I'm disobedient, I'm not a good child, Yingluo."

Nian lie's heart trembled and ached a little.

As Lou si listened, she retracted her smile and said meaningfully, "this child really knows how to make people happy."

### [Chapter 1276](#)

1276 I Love You, Daddy\_1

Mo Han pretended he didn't hear her and tears flowed down his face.

"I hope that you and mommy will be well in the future, Yingluo. I hope that sister can be obedient and not learn from me, Yingluo."

Nian lie's heart skipped a beat. Mo Han!

"I'll always remember you and mom."

Nian lie's dark eyes flickered. He realized that something was wrong. He blurted out, "let my son go. You can do whatever you want!"

Lou Si was surprised at the speed at which his expression changed, "why did you suddenly change your mind? you want to save him again?" I didn't expect you to be so easily moved."

Nian lie ignored her and took a step forward. let him go. I'll do whatever you want.

"Don't move,"

"Including the Lou family!"

Mo Han was shocked. daddy, Wanwan.

Then, the tears in her eyes became even more intense.

Lou si narrowed her eyes. you're really willing to use the Lou family to exchange for this child?"

Nian lie's breathing became lighter. that's right. You just want the Lou family, don't you? ning Qing has already discussed it with me before we came.

"....."

“As long as you let me take the child away, I’ll give you anything you want,”

As soon as these words came out, the rumors became even louder.

Lou si didn’t speak for a long time and Nian lie’s heart was in a mess. However, he didn’t dare to reveal a single trace of anxiety or fear.

Lou si pondered for a moment before replying, “ I promise you.

Nian Yu’s furrowed brows relaxed a little, and his expression returned to its original calm and collected state.

He reached out to her. give me the child.

“Did you think I would say that?”

Nian lie’s face froze. He saw Lou si dragging Mo Han and running to the end of the cliff in two to three steps.

“Lou si!”

The woman’s feet were already on the edge. The mist was floating below, and the sound of water not far away and not close was roaring. It was like a Black Mouth, waiting for the small people to fall.

hahaha! she laughed out loud.

After laughing, her eyes were filled with tears.

“My body has already been worn down. So what if I return to the Lou family? Besides, do you think I’m stupid? without this bargaining chip, would you let me go?”

Nian lie gritted his teeth so hard that they were about to shatter. what do you want? ”

Lou si didn’t reply, but Mo Han, who was in her arms, spoke weakly.

“Daddy.”

“.....”

Separated by the dark night, two pairs of extremely similar eyes met.

One was deep and forbearing, while the other was clear and firm.

“I’m already very satisfied.”

“I thought you didn’t like me, didn’t want to forgive me, and didn’t want me anymore.”

Nian Xi moved his thin lips, but found that no words would sound so weak.

Mo Han looked at him, and many emotions flashed through his eyes.

In the end, it turned into a smile with tears.

“You’ve done so much for me. I’m very happy, really.”

“Please tell mom and sister that I love them very much.”

“I love you very much too.”

The more Lou si heard, the more she felt that something was wrong. Just as she was about to push him away, the child’s figure suddenly became like a piece of black iron as he pressed down heavily on her and pushed her down.

“.....”

Lou Si’s eyes widened as her body uncontrollably fell backwards.

She saw the pain in Nian lie’s eyes and immediately rushed over.

Everything seemed to have slowed down.

Mo Han hugged Lou Si’s waist tightly and his fearless gaze made the other party feel fear.

In her panic, she had no choice but to pull the trigger-

“Ah!”

“Bang!”

The child let out a shrill cry accompanied by pain.

After a moment of dizziness, Mo Han realized that he did not fall.

His body was as heavy as iron, as if it was about to be torn apart.

...

“Hold on tight!”

A sudden reminder made him look up.

Nian lie’s tensed face came into view. His face was pale and green, and the veins on his forehead and neck were bulging. He was clearly in inhuman pain.

### [Chapter 1277](#)

1277 Let’s go together (1:

Mo Han’s tears came out again. daddy, Wanwan.

“Drip, drip.”

The warm liquid fell on his cheeks and the corner of his eyes.

Mo Han blinked and finally saw the blood on Nian lie’s shoulder.

“Daddy!”

One of Nian lie’s hands was about to be crippled. He rammed head-on into the gun and it hit him in the left chest.

He felt an intense pain in his heart. His vision was sometimes clear and sometimes blurry.

“Dad, dad! What’s wrong with you?”

“Dad! Is it very painful? you’ve lost a lot of blood.”

don’t move, ” Nian lie said, enduring the pain.

Mo Han was about to cry. He shook his head. you’re hurt, Hanhan.

Nian lie didn’t say a word. His right hand clutched his wrist tightly, and his numb left hand acted as a support, trying to pull him up.

However, the moment he moved, more blood gushed up.

The smell of blood Rose up in his throat. He couldn’t help but spit out a mouthful of blood.

Mo Han cried out, “no!” No, please Don’t Save Me!”

Nian lie didn’t seem to hear her. His palm seemed to be embedded in his wrist.

Mo Han kept shaking his head and cried, “it’s too heavy. Don’t worry about me. Don’t worry about me.”

Nian lie seemed to have heard something. His eyes focused and he realized something ...

Mo Han’s small body swayed in the air, a pair of old hands tightly holding onto his waist.

Lou Si’s expression was distorted from the force she was using: if we’re going to die, then we’ll die together. she forced out a sentence:

Mo Han’s body was being torn apart and he was in so much pain that he felt like his lower body had been cut in half.

He tried to shake off Lou si, but she was too forceful, as though she wouldn’t rest until she was dead.

Nian lie let out a low groan. He was in so much pain that he couldn’t bear it anymore.

Mo Han did not dare to move anymore.

At that moment, he clearly knew that in Nian lie’s current condition, he wouldn’t be able to lift the weight of both him and Lou si.

He cried so hard that his words were unclear. Don’t Save Me, Yingluo. I’m a bad child. Daddy, you and mommy can have other younger brothers and sisters in the future. Don’t Save Me, Yingluo. Don’t want Yingluo.

He couldn’t let Nian lie be dragged down.

Otherwise, who would take care of his mother and sister?

His life had originally been picked up by the people in front of him, and they had also given birth to him.

It was only natural for him to return it to them.

Mo Han cried, his tears falling. dad, I’m sorry.

Nian lie tilted his head and mumbled an “mm” in an unclear manner.

Mo Han’s expression suddenly changed and he reached out his hand-

“What are you doing!” Lou si exclaimed in fear.

Mo Han placed his hand on the back of Nian lie’s hand. The blood was hot, but the skin was frighteningly cold.

He looked down and stared at Lou si with a never-before-seen ferocity in his eyes.

grandmother, you said you’re my grandmother, but you want to take me to death and hurt my parents.

Lou si hugged him tightly and Mo Han’s face turned pale.

“I did let them down, but I’ve already come to my senses, so I can’t continue like this.”

“.....”

“Grandmother, let’s go together. You won’t be lonely.”

Lou Si’s eyes widened in fear, “ what are you doing, Wanwan? don’t mess around!

It turned out that she was also afraid when she was about to die.

Mo Han thought that it was a little ironic.

Then, he raised his head and looked at Nian lie, whose face was covered in sweat.

The other party was already a little delirious, but he still stubbornly held on to him, as if it was his instinct when he was alive.

Mo Han wanted to give him the most beautiful smile, but he couldn’t stop his tears.

“I’m sorry, daddy. I’m sorry, Yingluo.”

Nian lie’s breathing became lighter. He heard something, and sweat dripped into his eyes, causing a sharp pain.

## [Chapter 1278](#)

1278 The young master is still alive

“Mo Han Qianqian.”

“Goodbye, Dad.”

Her small hand held the back of his hand and pulled it out forcefully.

Nian lie instantly sobered up like a dying ray of light. no-”

However, her body had already reached its limit, and that pair of small hands left his palm.

One centimeter, two centimeters ...

A gust of wind blew past him. Although it was fast, it carried a familiar fragrance.

Nian lie's vision blurred, and the figure was already kneeling in front of him.

His mind went blank, and another person appeared on his face. It was Lu Zhui.

Ning Qing grabbed Mo Han's fingers tightly. don't give up, Mo Han!

Mo Han raised his head again and saw ning Qing and Lu Zhui.

The fear of falling again had made him lose his senses.

But the moment he saw ning Qing, he was strangely comforted.

"Young master, don't let go!" Lu Zhui shouted. Hold tight!"

A pair of strong hands grabbed his wrist.

Mo Han revealed an expression that looked like he was crying and laughing at the same time. mommy, Yingluo.

Ning Qing was also on the verge of tears. The extreme fear and anxiety made her unable to control herself.

Fortunately, she was here.

Otherwise, what would happen to her Mo Han and her Nian lie?

"Dad's injured," Mo Han said.

Ning Qing did not dare to be distracted by Nian lie's condition. She comforted him gently. don't worry. Mother is here. Everyone is here. Everything will be fine.

Mo Han nodded.

"Give me that hand."

"But she's still holding on to me."

"It's fine."

Mo Han obediently put his other hand over and did not cry out in pain as he dragged her.

When Mo Han and Lou si were pulled up together, Lou Si's heart was like dead ashes as she was held down.

Ning Qing hugged Mo Han tightly, tears flowing down her face. thank God, thank God you're okay.

Mo Han hugged her tightly and trembled.

Ning Qing's heart ached to the extreme, but at this moment, Lu Zhui shouted,"young Madam!" Young master has fainted!"

Ning Qing looked over and saw that Nian Xi's face was pale, as if he had died.

Her heart trembled and she let go of Mo Han. Mo Han supported her, otherwise, she would not be able to stand steadily.

She walked up to Nian lie and said with trembling lips, "he's tired."

At the same time, her fingers uncontrollably reached under his nose.

"Young master is still alive!" Lu Zhui said.

Ning Qing looked up, her eyes empty.

but he was shot in the chest and lost a lot of blood. He needs to be treated immediately.

Ning Qing's heart was numb. She pointed at the path down the mountain. let's go. We'll send her to the hospital immediately. Hurry!

"Yes!"

Nian lie was lifted onto a stretcher and escorted by a group of people to where the car was parked.

Ning Qing's hands and feet were frozen stiff. She walked mechanically, and her brain was numb.

"Hey, put down your gun!"

The voice from behind made her stop in her tracks.

Mo Han was extremely worried. mom, are you okay? "

Ning Qing's heart was empty, but she was afraid of scaring the child. She touched his head and forced a smile. I'm fine.

Mo Han felt guilty. I'm sorry. I ran around and that's why things turned out like this. It's all my fault that dad is so badly injured.

If only she didn't save him.

Just let him die.

He didn't want to look at the lifeless Nian lie, nor did he want to face the gentle and tolerant ning Qing.

Ning Qing squatted down stiffly and looked him in the eye.

His pitch-black eyes were too similar to Nian lie's, and she fell into a trance.

Xuxu and Mohan, dad will be fine. He won't bear to part with you, mom, and youzi.

Mo Han lowered his head, his face still covered in dirt and dirt. but he's bleeding a lot.

...

## [Chapter 1279](#)

1279 Lou si shot herself (1:

Ning Qing's heart felt like it had been stabbed by a knife, and she couldn't stop crying.

"Mom, why are you crying too?"

Ning Qing came back to her senses and touched the corner of her eye. I'm fine. You can go back with the uncles first.

"What do you want to do?" Mo Han asked.

Ning Qing did not answer. She turned around and looked behind her.

Lou si held a gun in her hand and was surrounded by a few people.

She pointed at ning Qing, her eyes burning with hatred. it's you! You're the one who ruined me and my plan! You even caused Qing Yue's death!"

Ning Qing was not afraid at all. She let go of Mo Han's hand and stepped forward to meet the muzzle of her gun.

"It's me."

"....."

"You should take a good look at me, and I should take a good look at you."

She stood outside the safe zone and was only three meters away from Lou si.

She said, " you killed my mother and my sister. You made me tied to the Lou family for the rest of my life. You are my biggest enemy.

Lou Si's white hair was messy and she looked like a lunatic.

"She was the one who harmed me first! It's the Lou family!"

Hatred welled up in ning Qing's heart. the Lou family hurt you. Why are you looking for the Lou family?! What does it have to do with my mother and my sister?"

"....."

my sister and I could have lived a life thousands of miles away, but you ... You dragged us into this Whirlpool!

Lou Si's gun-wielding hand was shaking non-stop. you can't blame anyone for this. If you want to blame someone, blame yourselves for being Lou Lan's daughter!

"If people could choose where they were born, I wouldn't have been born in the Lou family!: Ning Qing sneered coldly, her words like knives:

Lou Si was stunned, " you're spouting nonsense! In this world, there was no one who did not love power! Don't you pretend to be innocent! You've already won, that's why you dare to say such things!"

There was loneliness in ning Qing's eyes, but there was also fatigue and sarcasm.

She closed her eyes, and when she opened them again, there was nothing.

Lou si, you've been scheming for your entire life. You might not have thought about this: but be it my mother or my sister, neither of them wanted this so-called power.

Power was an original sin.

After saying that, she turned around, not afraid of the gun she raised.

Lou Si was dumbfounded as some sort of emotion started to spin in her mind.

She mumbled to herself, "how could she have fought with me for her entire life? you say she didn't want to fight with me?" You're lying, I don't believe you!"

"Ning Qing, you're not allowed to leave!"

"I'm going to kill you!"

"Give me back my daughter, ning Qing ..."

After the hissing sound was exhausted, the figure did not stop for a moment.

Ning Qing walked to Mo Han's side and he looked up with worry.

She touched his face and held his hand. let's go home.

Mo Han nodded heavily and followed her.

After walking for about two minutes, gunshots were heard again in the quiet forest.

Mo Han paused and hesitated. mom, was that a gunshot? "

Before ning Qing could answer, one of her subordinates ran over and whispered in her ear, "

young Madam, we tried to snatch the gun from Lou Si's hands, but she was too agitated and showed signs of going crazy. We couldn't stop Wanwan and she committed suicide with the gun.

"....."

Ning Qing was silent for a long time, so long that Mo Han shook her hand. mom, what's wrong? "

Ning Qing looked at the distant mountains. The fog was getting thicker and the lights were hidden, and she could not see kindness or evil.

The wind and snow became heavier.

She bent down and picked Mo Han up.

Mo Han frowned. I can walk on my own.

Mom was also very tired.

Ning Qing smiled.

He laughed in a way he couldn't understand.

After that, she silently carried him to the place where she parked the car.

## [Chapter 1280](#)

1280 Nian lie, you are my hero (1:

The next day, at the capital's first hospital.

After a day and a night of emergency treatment, Nian lie's life was finally saved.

Madam, Sir has lost too much blood. The bullet just brushed past his heart, and there was only a five-millimeter difference. During this period of insufficient blood supply, he still used brute force to forcefully mobilize his body's strength, causing his brain to lack oxygen. I'm afraid he will remain unconscious in the future.

Ning Qing's vision turned dark, and Mo Han held her in time.

After she steadied herself, she immediately asked, "but when I saw him, he was still awake. He wasn't unconscious, so how could he be in a daze?"

Why was he unconscious again?

She had experienced it, her sister had experienced it, and now it was Nian lie and Xuxu's turn.

Mo Han was also anxious. my father was awake after being shot. He didn't faint. Could you have made a mistake? "

The doctor's expression was grave. that's Sir's mental support. He's exhausted. I'm sorry, Madam, young master. We've tried our best.

"....."

The doctor explained to Lu Zhui what to take note of and left.

It was as if the sky had collapsed on ning Qing, and she stood there in a daze.

Mo Han held her hand, guilt filling his chest.

": 'm sorry, Mom, it's all because of me," he said:

Ning Qing did not answer him, much less comfort him.

It was as if her soul had been taken away, leaving behind an empty shell.

Mo Han was terrified. mom, don't be like this. You can blame me. You can hit me too. Qianqian, don't keep quiet.

Lu Zhui could understand ning Qing's feelings too well.

As a man, he felt despair and sorrow, let alone ning Qing, who was in love with Nian lie.

He walked forward. young master, let young Madam be quiet for a while.

Mo Han bit his lip and held back his tears.

Lu Zhui's eyes were red, and his voice was hoarse. young Madam, the family still doesn't know about young master's matter. Also, look at Hanhan in Ying city.

"You can deal with it."

After saying this, ning Qing walked to the bed and sat down. Her careful appearance made him sad.

Lu Zhui rubbed the corner of his eyes. I'll see what I can do.

Ning Qing remained silent and stared at the man on the bed without moving.

Lu Zhui couldn't help but say, " young Madam, the doctor said that young master's condition is quite common. You should talk to him more. He can't bear to leave you, so he will definitely wake up. Don't be too sad.

After a long time, ning Qing hummed in agreement.

Lu Zhui was very upset. He opened the door and rushed out.

When the door closed, ning Qing's back stiffened.

She looked at the device connected to the man's chest. His handsome face was wearing a ventilator, and his warm palm seemed to have lost its temperature.

Ning Qing's eyes were wet because she could not feel that the man in front of her was still alive except for the mist on his oxygen mask.

"Nian lie."

She endured the sourness and looked at him up and down many times.

"I'm ning."

"You've saved our son. You've done a good job. I'm very grateful, really."

"I've always thought that you're amazing. Although I've never told you, Yingluo ..."

Ning Qing pursed her lips, tears welling up in her eyes. Her long eyelashes could not hide them.

Her heart was in so much pain that she couldn't even breathe.

She said, " in my heart, you're my hero. You've always been. Whether it was the first time we met or the many days after that, I've always believed that you're the only person I love in my life.

"So, can you please wake up? Mo Han was just saved. Even if he didn't tell me, I knew that he was so scared that he couldn't sleep well every night. Youzi is still young. When we went back yesterday, she was still calling dad Yingluo."
