

Mr Nian 1201

[Chapter 1201](#)

1201 No one can save you (1:

The words of a child were the purest and most unscrupulous.

She didn't know that her every word and sentence had become the most hurtful weapon, stabbing into everyone's heart.

Mother ning turned around, and father ning didn't know what to say.

Auntie went to a place far away," Nian lie explained in a low voice. youzi wants to send her there.

Youzi looked at her father, and then at her grandparents.

It seemed like everyone was very sad.

Was it because aunty was gone?

Youzi remembered what ning su had told her: " make Grandpa, grandma, and mom and dad happy. Can you do that? "

"Yes!" She raised her hand and happily promised.

At that time, ning SU's smile was the most beautiful in the world.

She was as beautiful as her mother.

Thinking of this, youzi obediently stopped asking.

She put her hands together and kowtowed three times to the photo on the tombstone. Auntie, " she said, " youzi will be good.

The corners of ning Qing's eyes were sore, but she held back her tears and held the child's hand. go back with Grandpa and Grandma. Mom will come back later.

As soon as she finished speaking, youzi broke free from her hand.

Ning Qing thought that she was going to do something, but who would have thought that the half-grown child would sway to the tombstone and kiss the photo of the smiling child.

"....."

Father ning and mother ning's hearts ached even more.

"You're a good girl." Ning Qing picked up youzi and sobbed.

Youzi smiled happily. good child, Grandpa loves you, grandma loves you, dad loves you, mom loves aunt Xuxu, and also loves you.

She pointed at everyone, and her gaze finally landed on the tombstones.

Mother ning couldn't hold it in anymore and turned to her side to cry.

Ning Qing's eyes were red. go with Grandpa.

Mr. Ning took youzi from him. Youzi didn't cry or make a fuss, but obediently leaned into his arms.

Before he left, father ning looked at ning Qing worriedly. it's windy here. Don't blow too much. You'll catch a cold easily.

mm," ning Qing replied and kept looking at the two words " ning su " on the tombstone.

In the past two days, Lu Zhui had already told her everything that had happened that day, no matter how big or small.

She understood her sister, and she understood her.

She must have known that no matter what Nian lie did to her, no matter how submissive he was, Lou qingyue's men would never let her off.

Whether he saved her or not, he would still die.

How could she be so selfish that she wanted her to give up the Lou family and even her own life for her?

She wouldn't let Nian lie be humiliated like that because of her.

That was why this woman, who had been thinking for others her entire life, finally chose to jump off a tall building for her future.

"....."

After father ning and mother ning had walked away, ning Qing looked at the tombstone and forced a smile.

She said in a helpless and sad tone, " you've been thinking for me all your life. You've never lived for yourself. Is it because of this that you don't want to wait? you want to be free as soon as possible? "

"....."

but, ning su, I've always hoped that you would be fine, eight years ago, and eight years later. If I had known that you would encounter such a disaster when you returned to our side, I would rather have you live a good life in a place we don't know about.

"Hu hu ..."

The only response she got was the sound of the wind.

"I'm sorry, sis, I'm sorry, I couldn't save you, Yingluo."

She finally couldn't hold it in anymore. She squatted down, covered her face, and cried.

She had endured enough for the past few days.

He finally didn't have to endure it anymore.

"....."

Behind her, Nian lie looked at her with pain in his eyes.

[Chapter 1202](#)

1202 She's a calamity, but also destiny (1:

She cried on and off for a long time before Nian lie finally moved forward in his wheelchair. He patted her shoulder and called out to her lovingly.

Ning Qing's body trembled. She raised her head, and her beautiful eyes were red.

His heart ached as he touched the corner of her eyes. He wanted to say something to comfort her, but he also knew how powerless words were at this moment.

He had seen ning Qing pretending to be strong for the past two days. Right now, he did not know if she was too tired or too helpless, but the woman leaned weakly against his legs and held his with her cold hands.

"Nian lie, I really don't have a sister anymore, Yingluo."

The grief was deeply rooted in their hearts.

"....."

The man bit his jaw and touched the top of her head with his other hand.

"You still have mom and dad, youzi, and me, Yueyue."

yeah.

Ever since she had stirred up trouble in the Lou family, she had seen Lou LAN and ning su leave her.

She only had them now.

"....."

Nian lie's Black eyes were filled with love. He looked at the people on the tombstone and swore to himself that he would protect them well.

Ning Qing had cried for too long, and her legs were numb.

Nian Jin held ning Qing's hand tightly and stood up with the help of the wheelchair.

With the back and strength of a man, he pulled her into his arms.

Ning Qing leaned in his arms and felt the shaking of his body.

"Put me down, I can walk on my own," she said hoarsely.

How could Nian lie bear to let her go when her throat was hoarse from crying?

it's alright," he replied with a comforting smile.

"Your legs ..."

"I can still carry you for a while."

“.....”

He endured the pain and his eyes were deep. if you're willing, I want to hold you and walk with you for the rest of my life.

Ning Qing opened her mouth and did not speak for a long time.

Nian lie knew that she was sad, but he didn't expect her to respond.

“Do you mean what you say?”

Nian Yun stopped in his tracks.

Ning Qing looked up. His Adam's apple bobbed a few times. He clenched his jaw and forced out a sentence. it definitely counts!

The tears at the corners of her eyes had not dried yet, and her eyes were sore and bitter. She leaned close to his chest and smelled his scent.

The pain in her heart dissipated a little.

Perhaps, he would always be the love of her life.

It was a restraint, a destiny, a calamity.

The only person she had ever loved was him.

“This time, I can't go back on my word.”

“Alright!” Nian lie's eyes were slightly moist as he replied firmly.

She rested in his arms and closed her eyes.

The cold wind blew on the hillside, and the sun shone through the clouds, shining on the ground.

On the tombstone, the woman in the photo had soft eyes and a smile on her lips.

Her gaze was directed in the direction of the man who was firmly holding the woman and leaving.

It was strong, solid, and heavy.

*

In the capital, outside the Lou family's confinement room.

Nian lie's leg had not recovered yet, so he could only send ning Qing here.

He was still a little worried. are you sure you don't want me to go in with you? ”

Ning Qing shook her head. I have something to ask her in private.

Nian lie knew the hatred in her heart, but she had been very calm recently. However, he didn't know if she was really calm under that calm.

In short, he had to admit that even though they had made up in front of ning SU's grave, he couldn't see through her true thoughts.

Nian lie didn't say much. He smiled gently and said, " lower your head.

Ning Qing was a little lost in thought. what's wrong? "

He raised his hand and pulled her hair behind her ear.

you look really good today. Youzi said she wants you to go and accompany her earlier.

...

"....."

Ning Qing was silent for a moment. okay, go and look for her first. I'll come to the garden to find you in half an hour.

[Chapter 1203](#)

1203 Then kill me (1:

"Alright," he said.

Ning Qing wanted to go in, but Nian lie grabbed her wrist.

She turned around, and he lifted her hand and planted a kiss on the back of her tender hand.

When he looked up, his eyes were dark and bright.

It was as if he knew everything.

"Be careful, don't get your hands dirty."

Ning Qing pursed her lips and looked away. His doting look made her feel conflicted for a moment.

"Alright," he said.

When she turned around, her figure was somewhat determined.

Nian lie's hands were still clenched. The gentleness on his face had faded, and his eyes were pitch black.

The room was pitch black, and no one could be seen. Only the sound of rats scurrying past could be heard.

A woman was tied to a chair. Her face was pale, and her head drooped tiredly. She looked like she was exhausted, but also dead.

"Pa da."

The door was unlocked.

Lou qingyue suddenly woke up. Her eyes were wrapped in black cloth, and her hearing became unusually sensitive.

She had been tied up here for a week.

That day, she had seen ning su fall from a building from a distance. She had thought that the matter had been settled and was ready to leave, but Nian lie's men had appeared so suddenly that she didn't know how they had found her. Even when she had been caught, she hadn't been able to believe it.

"Ning Qing, you b * tch Zhenzhen, Kill Me if You Can!" She yelled in a hoarse voice, not knowing who the person was.

"I just killed your sister Yingluo and you're torturing me like this. What? You're afraid to face her dead body, right?"

A strange smile appeared on her face. I saw it. She jumped down from a building and died without an intact body. Even her face was smashed to pieces, and I couldn't tell what she looked like. Let alone her frail body, but she deserved it. She deserved it for going Against Me!

you'd better kill me. Otherwise, if I don't die, I'll chase you like a ghost for the rest of my life until I tear you to pieces and die as miserably as that b * tch!

"You guys look down on Lou LAN, Lou si, and you! All of you should die!"

After shouting this, a bucket of cold water was poured on his face.

She couldn't see, so her mouth and nose were blocked, and she coughed violently.

But before she could regain her senses, her hair was pulled by someone, followed by two tight slaps on her face.

"Pa pa."

Lou qingyue's ears buzzed from the beating, and the black cloth in front of her eyes was pulled open.

She opened her eyes and saw ning Qing's face full of hatred.

Lou qingyue grinned. it's really you.

Ning Qing was unable to calm her hatred and anger. She pulled her hair tightly. Lou qingyue, you really don't know how to repent!

The woman's lips bled. repent? I didn't do anything wrong, so why should I repent?"

you and your mother killed my mother and my sister. You tried to kill me time and time again. You didn't even hesitate to sacrifice your brother's life. Do you know that you're killing people on purpose? "

Lou qingyue was fearless. in a big family, fighting for power is normal. It's okay if you don't understand. What right do you have to say such things to me? "

Ning Qing's eyes were red with hatred. you killed my family. Do you think I have the right? "

"Then kill me."

"....."

Lou qingyue felt that ning Qing would not dare to do so, so she laughed and acted presumptuously.

“If you really hate me, then kill me to vent your anger on your mother and sister. Do you dare to?”

Ning Qing’s grip on her hair tightened. Her face was contorted in pain, but she was not afraid.

It was strange.

She and ning Qing were obviously not the same kind of people, but she knew clearly that ning Qing would not stain her hands with blood, and she would not do something like taking a life to avenge her family.

However, she had underestimated ning Qing’s ruthlessness this time.

[Chapter 1204](#)

1204 Lou qingyue was scared out of her wits (1:

The woman’s face was expressionless, and under the dim yellow light, she looked particularly sinister.

“Since you want to die so badly, I’ll fulfill your wish,” she said.

She let go of Lou qingyue and walked to one of her subordinates. She washed her hands in a golden basin and then took a velvet handkerchief to wipe them.

Such careful movements were an insult to Lou qingyue.

“What do you mean by that? You think I’m dirty?”

Ning Qing gave her a cold look. do you think you’re very clean? ”

Lou qingyue was faintly angry. you’re a lowly woman who came from the lowest family. I was born as a young lady of the Lou family. What right do you have to despise me? ”

Ning Qing’s eyes were as sharp as a knife, more like a pure mirror, making her feel a sense of shame that could not be hidden.

“In this world, there is no such thing as high or low, only good and evil.”

She walked up to the woman and looked down at her.

“Lou qingyue, you’ve done so much evil and killed so many people. You treat human lives like grass! You’re the one who doesn’t deserve to live in this world!”

“.....”

“You think I don’t dare to attack you? you’re wrong.”

Ning Qing took a short knife from one of the guards. The sharp blade glinted coldly under the light.

She suddenly moved closer and pressed the cold blade against the woman’s fragile neck.

“You should have realized it before you killed my mother,” he said slowly.

“.....”

“If you cut the weeds and don’t root them out, they will be a scourge for a lifetime.”

Her soft voice and unfamiliar appearance made Lou qingyue's hair stand on end.

"What are you doing, Qianqian?"

Ning Qing bent down and pressed her red lips close to her ear.

"Since you killed my mother, you should kill me as well. You killed my sister, so you should also take my life at all costs."

Lou qingyue looked sideways and met her cold eyes. She shivered.

"Yingluo, how did you become like this?"

The ning Qing she knew was not such a vicious person!

She didn't dare to kill anyone!

How could she dare to kill her?

Ning Qing had put on extremely beautiful makeup today, as if to hide her fatigue and sadness.

However, it was this kind of makeup that made her look so different!

Lou qingyue shook her head. don't play tricks with me. This is the confinement room, right? " This is the Lou family. If the other members of the Lou family know that you locked me up here, they won't agree to you treating me like this!"

Ning Qing watched her struggle with cold eyes. you'd better be careful. The knife is very sharp. If you're not careful, Zhenzhen will cut your neck.

Lou qingyue's entire body froze. She couldn't be any more careful.

"Ning Qing, I want to see second uncle and third great uncle. Get them here!" She said.

"What if I don't?" ning Qing said.

"What right do you have to imprison me? You don't have the right!" Lou qingyue was terrified. I want to go back to prison. You can also ask the police to come! Only they have the right to judge me, you can't!"

As soon as she finished speaking, ning Qing sneered.

Lou qingyue's feet turned cold. ran ran, what are you laughing at? "

Ning Qing straightened her body, her cold eyes filled with mockery and coldness. you've already said that this is the Lou family. Do you think that the other members of the Lou family don't know that you're here? "

Lou qingyue's eyes widened.

Ning Qing paced slowly. as for the police, have you forgotten? you're the one who escaped from prison.

"....."

"Let me think about how you killed my sister after you escaped from prison. You had nowhere to go and committed suicide to escape punishment." "What do you think of this?" ning Qing asked.

[Chapter 1205](#)

1205 The child from five years ago is in my hands (1:

Lou qingyue had had enough. Her heart felt like it was being bitten by ten thousand ants. It was so painful that it turned her world upside down.

“Ah, you crazy bastard!”

She screamed and struggled violently.

“If you let me go, I don’t want to die in your hands! I don’t want to die, I’m still young, I’m the eldest daughter of the Lou family, Yingluo, hahaha!”

As she spoke, she had a mental breakdown and was crying and laughing at the same time.

Ning Qing’s hand holding the knife moved back an inch, and she pressed forward again.

“Don’t move,”

Lou qingyue froze again. Fear eventually overcame her confidence in ning Qing.

“Don’t! Don’t! Don’t kill me! I was wrong!! I won’t steal from you anymore, please don’t kill me, okay?”

“.....”

“Ning Qing, Qingqing, I’m your sister! We’re blood-related, you can’t kill me!”

Ning Qing gritted her teeth. shut up! You’re not my sister!”

“Ning Qing Qianqian.”

“My sister is dead because of you! I don’t have a sister in my life, and you still dare to talk about her in front of me?”

Ning su was a scar in ning Qing’s heart that had yet to heal. Just a mention of him would move her entire body.

She exerted some force and the blade touched Lou qingyue’s skin.

“Ah!”

The blade slanted and cut the skin below his neck.

Bright red blood flowed down, and the pain told Lou qingyue that ning Qing was telling the truth. She would really kill her!

Ning Qing’s eyes flickered. After a second, she said coldly, “ it’s just a small cut. Do you know how painful my mother and sister’s deaths were? ”

Lou qingyue had completely lost her mind. I’m sorry, it’s my fault, Zhenzhen. I’m not human. Aunt was so good to me, but I repaid her kindness with ingratitude. I listened to my mother’s words and did those stupid things to aunt. Zhenzhen, it was my mother who made me do this. It wasn’t me! Please forgive me, Yingluo.”

At the crucial moment, Lou qingyue had used Lou si to block things!

But ning Qing felt that it was even more ironic!

“At a time like this, you can even betray your mother! Lou qingyue, I’ve really underestimated the extent of your selfishness!”

Lou qingyue was about to go crazy. She shook her head and laughed.

so, no matter what I say, you’re going to kill me for revenge? ”

Ning Qing looked at her. that’s right.

Lou qingyue’s expression suddenly changed. Her face was stiff and twisted.

“Alright, then you can do it.”

Ning Qing’s eyes darkened, and she raised her short knife without hesitation.

He exerted force.

“You’d better go to hell and repent to my mother and sister!”

At that moment, Lou qingyue saw an unprecedented killing intent in her eyes.

“If you don’t want to see your son again, you can kill me!” She blurted out in a panic.

The tip of the knife stopped a centimeter away from her chest.

Lou qingyue held her breath. Her entire body was covered in cold sweat.

Ning Qing’s eyes were dark. what did you just say? ”

Lou qingyue was afraid of the knife in her hand. She couldn’t control herself at all. She felt a hot stream flowing out of her lower body and her expression became even uglier.

Ning Qing didn’t notice her strange behavior. She approached her with the knife in her hand. what did you just say about my son? ”

The corners of Lou qingyue’s eyes and mouth were twitching. She trembled and couldn’t speak clearly.

“Five years ago, Wanwan, when you were in the capital, before you met Lou si, the child in your stomach, Wanwan ...”

Ning Qing’s heart was pinched hard. how did you know about the existence of that child? ”

“Because I’m the one who took your child away, Yingluo.”

“.....”

Memories swarmed into ning Qing’s mind, and she was in a mess.

[Chapter 1206](#)

1206 He is our child!_1

Thinking of the crying she had heard when she was forced to do a C-section, she held her forehead in her hand due to the severe headache.

Lou qingyue could tell that she was very concerned about the child. She said with certainty, " I lied to you that the child is dead. In fact, he is not dead.

"....."

"The crying you heard is real. He's still alive."

Ning Qing's forehead was covered in sweat. Her hands were weak, and the knife fell.

She raised her hand and blocked half of Lou qingyue's face.

Yes, it was.

It was exactly the same.

All these years, she had not realized that she was the woman who had forced her to do a C-section!

The enemy is right in front of you. Ning Qing, ah, ning Qing, you're so silly!

The hatred that had accumulated for many years, along with the endless resentment, had eroded ning Qing's rationality.

She reached out to pick up the knife, tears welling up in her eyes.

"You lied to me so much, you deserve to die!"

She raised the knife and was about to stab the woman's chest. Lou qingyue shook her head in fear. if you kill me, no one in this world will know where your child is! she threatened.

Ning Qing's eyes were dark and empty.

In the nick of time, a "ah ning" was heard.

Ning Qing hesitated for a moment. A big hand held the blade, and she was pulled into a warm embrace.

Nian lie hugged the stiff ning Qing from behind. it's alright, ah ning. I'm here. It's alright.

"....."

Numbed, ning Qing turned her head mechanically. That familiar face came into view. Her eyes focused and slowly looked at his hand holding the blade.

She suddenly let go of his hand and held his bleeding palm. I'm sorry, Xuanji, nianlie. I'm sorry.

Nian Yun let go of the knife and it fell to the ground.

He turned ning Qing around and held her in his arms. I'm fine. I'm fine. Don't worry, okay? "

The woman grabbed his collar tightly, shaking like a sieve.

I'm sorry, I couldn't control myself just now. I didn't know why I couldn't control myself.

Nian lie's heart felt as if it had sunk into the deep sea. It was so painful that he could not breathe properly.

"It's okay, it's not your fault."

"....."

Ning Qing hugged his waist tightly, unable to say a word.

Lou qingyue looked at the two of them coldly. have you two shown enough love? "

Nian lie looked at the woman who was neither human nor ghost. There was no gentleness on his gloomy face.

"You mean, a child?"

Lou qingyue's lips curved into a smile. yes, the child that was still in her stomach when she jumped off the bridge.

Ning Qing withdrew from Nian lie's arms. that happened so long ago. How would I know if you're not lying to me? "

Lou qingyue gave her a number, and Nian lie immediately got someone to call her.

After she hung up, Nian lie suddenly stepped forward and grabbed her neck. you lied to us!

"Cough cough!"

She coughed twice and was about to say something when ning Qing, who was holding her phone, shouted from behind.

The man clenched his fingers and shook off Lou qingyue. He walked towards ning Qing. what's wrong? "

Ning Qing covered her mouth, her eyes red as she said,"the photo ... The child ..."

Nian Jin took a look. In the photo was a boy in black. He was about four or five years old, standing upright in front of the camera. He had beautiful features, but his eyes were cold and emotionless.

But the outline of that face ...

"It's him! It's definitely him!" Ning Qing had been excited beyond words ever since she had seen the photo.

The strange feeling in her heart surpassed everything, even stronger than her desire for revenge!

"He's our child, there's no mistake!"

She grabbed Nian lie's arm, her eyes pleading.

[Chapter 1207](#)

1207 Nian lie, you must save him (1:

"Nian lie, you have to save him! We must save him and bring him back to our side!"

Nian Yu frowned. Even though the little boy looked exactly the same as when he was young, he was still a little suspicious.

He patted Ning Qing's shoulder. Okay, I understand. If he is that child, we must save him.

Ning Qing sobbed in his arms. Nian Lie comforted her for a while, then his sharp eagle eyes shot towards Lou Qingyue.

Lou Qingyue was covered in blood and was in a sorry state. However, because of her child, the initiative had once again returned to her.

Her smile was a little sinister. He looks so much like you. If you don't kneel, you'll still doubt that he's not your son, right?"

"....."

Nian Lie didn't say anything, but his cold expression said it all.

Lou Qingyue sneered. He was indeed the man she had taken a fancy to. He was so cautious. It was a pity that Qianqian wasn't her woman.

She didn't feel sad. She raised her chin and said, "wait two more minutes.

"Don't you dare play any tricks," Nian Lie warned.

"Whether it's a trick or not, we'll know later."

After that, the confinement room fell into a terrifying silence.

Not long after, his phone rang again.

Ning Qing hurriedly pressed the screen to light up. It was a paternity test!

The forensic scientist was Nian Lie and someone else, and the bottom showed that there was a 99% chance that they were father and son!

Ning Qing's heart ached again. He's our child!"

Nian Jin hugged Ning Qing tightly, his fingers tightening slightly.

Ning, " he said after a long time, " you must be tired today. Go back and rest.

Ning Qing raised her head in confusion, tears still on her face. What did you say, Yingluo?"

"Don't worry about the rest, I'll take care of it."

"....."

He held her face in his hands, his eyes exuding a gentle and warm glow.

youzi is alone in the manor. She doesn't like the cold. Go and accompany her. I'll be back soon.

Ning Qing knew that he was indirectly trying to get her to leave this place, but ran ran,

"Nian Lie, but that child Yingluo ..."

“Ning, are you still willing to trust me?” the man asked seriously, his face solemn.

Ning Qing hesitated for a moment before nodding.

After all, there was no one around her that she could trust 100% except for him.

Nian lie’s lips curved into a sincere smile. since you trust me, then you can go and accompany youzi with peace of mind.

In other words, he would give her a complete explanation.

“Be obedient.”

Ning Qing’s impulse was suppressed by his soft words.

She wanted to say something but stopped. In the end, she glanced at Lou qingyue and said, ” okay.

“.....”

“Be careful of your leg.”

“Yes.”

After she left, Nian lie went to Lou qingyue.

The woman panted slightly and held her head high. I’m telling you, if you want to find that child, you have to listen to me.

Nian lie narrowed his eyes. don’t forget where you are now.

“.....”

if you don’t tell me, I have a thousand ways to torture you until you’re willing to tell me.

Nian lie wasn’t ning Qing. He rarely acted on his emotions and wouldn’t be easily tied down by other people.

Lou qingyue was well aware of this. She thought for a moment before saying, ” if you have the ability, kill me. If you kill me, don’t even think about finding out where the child is for the rest of your life!

Nian lie was unmoved. as long as he’s still alive, I can spend the rest of my life looking for him. But it’s different for you. Hanhan is dead. You have nothing.

“You!”

Lou qingyue gritted her teeth. This man was really ruthless!

Nian lie’s eyes were cold. you have time to think about it, but I don’t have much patience.

[Chapter 1208](#)

1208 I’ll tell you after I’ve recovered _1

do you think that your child will still live after I die? ” Lou qingyue said ruthlessly:

Nian lie was stunned. what do you mean? ”

I’ve ordered people to keep an eye on him, ” Lou qingyue said sinisterly. as long as there’s no news of me within a month, you can guess what your good son’s fate will be.

Nian lie’s expression turned cold uncontrollably.

Lou qingyue continued to press on.

“You can search for him for the rest of your lives, but who knows if he’ll be Dead or Alive after you find him?”

Nian lie grabbed her by the neck, and her face immediately turned green.

“Are you threatening me?”

you’ll only be threatened if you care. Do you care? ”

“.....”

Lou qingyue narrowed her eyes. The pain and suffocation caused her to faint for a moment.

She forced out a voice from her throat. I think she really misses the child, Yingluo. Back then, when I lied to her that the child was dead, she cried very sadly. Now that Yingluo knows that the child is alive, I’m afraid she can’t wait to fly to the child’s side.

She watched Nian lie’s expression gradually soften, her vision blurred.

“If we can’t find the child for the rest of our lives and find him dead, do you think ran ran will go crazy?”

Lou qingyue! Nian Xi’s eyes almost popped out.

There was no more air entering her chest. The woman could not withstand his strength. Her eyes rolled back and she fainted.

Nian lie’s breathing quickened as his subordinate walked up to him.

“Sir, please.”

He closed his eyes and ordered in a deep voice, “save her.”

“Yes.”

Not long after, the doctor from the manor was called over. After a simple rescue, Lou qingyue woke up.

Nian lie looked at her. you better not be lying to me.

Although Lou qingyue was in a sorry state, she revealed a victorious smile.

“Didn’t you already believe it?”

Otherwise, why would he ask someone to save her?

Year Gu’s eyes were filled with killing intent that could not be concealed.

Lou qingyue had already been untied. She immediately ordered, " give me the best doctor and environment. I need treatment.

Nian lie grabbed her wrist with great force. Where Are the Children? "

Lou qingyue narrowed her eyes. I'll tell you after I've recovered.

With that, she shook off his hand and limped out of the detention room, her body stinky.

Behind her, the light from the door shone in and fell on the man.

Nian lie's gaze was deep and cold.

He kept it a secret.

*

A week later.

In the bedroom of the Lou family's main residence, a woman was lying on a large, comfortable bed. She held a mirror in her hand and looked at her beautiful face that had recovered.

"You're recovering well."

Lou qingyue touched her cheek. Her skin was so soft that it could be broken by a breeze. She was no longer as miserable as when she was locked up.

your body is fine now, " the doctor said, trembling. your various functions have recovered very well. You can completely live normally.

"Is that so?" The woman looked at her own body. but I feel that I just don't feel well.

He was clearly looking for trouble.

The doctor wiped the sweat off his forehead. miss qingyue, please don't make things difficult for me, Hanhan.

Lou qingyue smiled arrogantly. am I making things difficult? " As a doctor, shouldn't you treat patients? I said I'm not feeling well, so I'm not feeling well. If you can't find out the cause, then you'd better go to the detention room and reflect on your mistakes!"

"....."

The doctor didn't dare to breathe too loudly and didn't know what to do.

"Such great courage!"

The moment the door was pushed open, the woman's cold words floated in.

Lou qingyue's eyebrows moved, but ning Qing had already walked in.

Looking at the woman who was making things difficult for the doctor, she straightened her posture and said to the doctor, "there's nothing for you to do here. You may leave."

1209 : can't bear it anymore, I don't need to bear it anymore _1

The doctor felt as if he had been granted Amnesty, and he turned around and ran away.

Ning Qing looked at the woman on the bed who was happy and content. She thought about the words that Nian lie had told her to endure and felt conflicted.

"You've recovered, stop acting pitiful," she said.

Lou qingyue lifted her eyes. I said that I'm not feeling well. Are you deaf? "

Ning Qing took a step forward and grabbed her arm.

"Ning Qing, what are you doing?!"

Without a word, ning Qing pulled her down from the bed.

there's a limit to my patience with you. Don't think that you can do whatever you want here just because you know where my child is!

Lou qingyue wanted to get rid of her, but she didn't know if it was because she had been lying down for too long or if there was something wrong with her body. She actually couldn't use much strength!

Ning Qing looked at her anxious look and smiled. what's wrong? are you really seriously ill? "

Lou qingyue's face was a little twisted. ning Qing, you'd better know your place. Do you believe that I won't be polite to your child? "

Before she could finish her sentence, a black shadow flew toward her.

She wanted to hide, but her body became sluggish.

Thus, she received a solid slap on the right side of her face.

"You're so silly!"

Ning Qing did not give her a chance to catch her breath. Ignoring everyone's attitude, she grabbed her collar with both hands. I'll give you one last chance. Where is my son? "

Lou qingyue had a good week, so much so that she had almost forgotten that she was a prisoner. Right now, she was frightened and angry.

At this moment, Nian lie rushed over. His leg injury had not yet healed, so his movements were a little stiff when he ran.

He watched as ning Qing angrily dragged the woman away. Lou qingyue's face was red and swollen, and her clothes were tattered. She was in a terrible state.

The moment Lou qingyue saw Nian lie, she cried out in surprise,'Nian lie, look at what kind of woman you love! She's a lunatic, Yingluo. Tell her, if she touches me again, I'll make your son wish he was dead!"

"....."

Nian lie's expression turned ugly at her threat.

He walked towards ning Qing without a word and stood behind her. ah ning, be careful. Don't do such a thing, Zhenzhen.

However, ning Qing was not calm at all.

She had had enough of being manipulated from the beginning to the end!

He didn't want to feel aggrieved anymore, not even for a second!

"This is none of your business. You'd better stay out of it! She barked coldly before Nian lie's hand could reach out to stop her.

Nian lie was stunned. This was one of the few times she had gotten angry at him because of someone else.

"Don't think that anyone can save you. No one can save you today!"

Ning Qing didn't know where she got the strength from, but she forcefully dragged Lou qingyue to the window and pressed her against the window.

Half of the woman's body leaned out, and she grabbed ning Qing's hand in fear. you're crazy! If you kill me, no one will know where your son is!"

"Yes, I'm crazy!"

Ning Qing admitted loudly, her beautiful face full of resentment.

Lou qingyue, I must be crazy to believe that you have news of my son, ran ran. You've led me by the nose for so long, but there's nothing other than a photo!

To think that she had to hold onto the photo every day to relieve her guilt and missing the child!

Her eyes were red, and she had never been so ruthless before.

"I thought I could endure it. I thought that if I did as you said, you would tell me where my son is. But it's been a week! You've been here for an entire week, enjoying everyone's offerings and making the entire Lou family tremble in fear, but you're still unwilling to say it!"

1210 Force out the child's whereabouts (1:

"F * ck me f * ck me"

"Good! Since you're not willing to tell me, there's no point in keeping you alive!"

Ning Qing pressed her body down. Lou qingyue had no choice but to scratch the back of her hand and arm like crazy.

"Crazy, let me go Yingluo, save me!"

She was really afraid.

Nian Yu came back to his senses and looked at Lou qingyue's scratching movements. His heart ached and he frowned. ah ning, let's talk this out, Zhenzhen.

"Don't plead for her! I don't want to hear anything!"

There was no mercy or compassion on ning Qing's face as she pressed the woman's body out.

Lou qingyue was frightened by the weightlessness of her body and the fierce look on her face. I'll talk!"

Nian lie's attempt to get closer to her halted. Ning Qing had already pulled her back. where is she?" she demanded.

Lou qingyue listed a country and the name of a place. When ning Qing let go of her, she trembled and retreated to the corner, obviously frightened.

Ning Qing was in no mood to care about her. She turned around and walked out with a cold face. As she walked, she ordered, " arrange a plane to C nation. Now!

The terrified subordinate immediately took action and rushed out of the door.

"....."

Nian lie didn't say anything. He glanced at Lou qingyue. keep an eye on her.

She turned around and chased after him.

In the corridor, Nian lie saw ning Qing's shadow. He couldn't care less about the servants 'surprise and rushed up.

"Ah ning!"

He grabbed her wrist, and ning Qing turned around. what are you doing? "

Nian lie looked at every inch of her face carefully. The anger and loss of control he had earlier were all gone. you're teasing me.

we've already found out the location, " ning Qing said. we should hurry over now. Don't waste time.

Nian lie grabbed her again. they need some time to prepare. There's no rush.

He walked closer and asked carefully, " are you still angry? "

Ning Qing glanced at him. I'm not angry.

He was about to push her down, and this was called not angry?

Nian lie would never dare to say this out loud.

He hesitated for a moment. I'm sorry. I was too indecisive before.

Ning Qing was stunned. She had been a little angry with him, but now it had disappeared.

"I don't blame you, she's just too cunning," she said:

A smile appeared in Nian lie's dark eyes. He curled his index finger and brushed it against her cheek.

“You just ...”

Ning Qing thought that he was going to blame her. She replied hurriedly, “I was too impulsive just now. But if we let her hold us back like this, we will only be in her hands.

“.....”

“The child can’t wait, and I don’t want to wait any longer either.”

She had been separated from the child for five years. For five whole years, no one knew that he was still alive.

It wasn’t easy for her to find out that he was in a corner of this world. As a mother, how could she bear to be used by Lou qingyue again and again?

Nian lie’s lips curled up as he spoke in a warm tone.

I don’t blame you. On the contrary, I think you’ve done a good job.

Ning Qing raised her eyes in surprise. really? ”

He touched her cheek and sighed. I know that you’re persistent and guilty about that child. I feel the same way. I hope that he can return to our side safely. But sometimes, when the enemy is different, the way to deal with it should be different.

He looked at ning Qing and his smile deepened.

“For someone like Lou qingyue, your direct method is more useful.”

Ning Qing didn’t expect to be praised by him, and she suddenly felt a little shy and helpless.

“I thought Yingluo would say I was too impulsive.”

Nian lie shook his head. the most direct form of fear often makes people more afraid.
