

Mr Nian 1221

[Chapter 1221](#)

1221 I won't be grateful to you _1

Ning Qing was really helpless. This child had really been taught badly by Lou qingyue. His mind was only filled with her so-called "mother."

She threw away her annoyance and said patiently, "Mohan, you haven't eaten anything today. Aren't you hungry?"

The boy was clearly unable to react to the sudden change in topic.

Ning Qing smiled. I've asked someone to prepare some food for you. You can go to bed after eating.

Lou Mohan came back to his senses and pouted his clean little face. I don't eat bad people's food.

"Mommy is not a bad person."

"....."

you're still young. Your stomach will hurt if you're hungry. You'll be the one who'll feel uncomfortable. I'll have to ask the doctor to give you an injection then.

Ordinary three to five-year-old children hated words like doctors and hospitals the most, just like youzi, who wanted to cry when she heard about injections.

Ning Qing used these words to scare him, but he didn't even move his eyebrows.

"Do whatever you want, I will not yield."

These words were a little arrogant.

He was really stubborn and unmoved by force or persuasion. After thinking for a while, ning Qing had no choice but to say, "but if you fall sick from hunger, you won't be able to escape. You won't be able to see Lou qingyue either."

Lou Mohan was stunned. His dark eyes were dull and he thought for a moment.

Ning Qing could see that it was useful and continued to tempt him.

"Didn't you want to meet her? If you fall sick from hunger here, you'll never be able to escape."

once you're sick, you can only stay in bed. I won't allow you to get out of bed until you've fully recovered.

the servants and doctors in this villa will keep a close eye on you. Even if you want to run, you won't have the strength to do so without eating.

"....."

Lou Mohan stared at the noisy woman in front of him and frowned.

Although her mother had told her that all women except her were bad people, this woman was right in order to return to her mother's side.

He had to conserve his energy and find a way to leave this place.

Ning Qing looked at him as he pondered. how is it? have you considered it?"

Lou Mohan stared at her and was about to speak-

"Gugu ~~"

His body stiffened, and Bing Shan's expression became unnatural.

Ning Qing tried to hold back her laughter. are you hungry?"

Mo Han's little face blushed slightly. He was a little embarrassed, but he tried to pretend that he didn't care. you're right, but I won't be grateful to you!

Ning Qing smiled and gestured to the servant outside the door.

When the fragrant dishes were served, Lou Mohan's eyes couldn't help but follow.

The servants were also very attentive. They didn't prepare too many dishes for each dish. They were all placed on small plates, and the variety was all children's favorite.

Ning Qing ordered the servants to set up the tableware in front of the coffee table. She looked at the boy who was swallowing his saliva silently. go and eat.

Lou Mohan's eyes turned dull for a while. He got up from the bed silently and walked to the coffee table.

Ning Qing looked at him from behind. He seemed to be in a dilemma, but he still reached out his little hand, grabbed the chopsticks, and put a crystal dumpling into his mouth.

After he finished eating, he felt that it was delicious, so his posture and movements became unruly.

"....."

Ning Qing picked up his little slippers and came to his side.

eat slowly," she reminded him gently when she saw that the corner of his mouth was dirty. be careful. It's hot.

"....."

Lou Mohan glanced at her and lowered his head to continue eating.

Looking at the way he gobbled up the food, he was indeed famished.

Ning Qing had wanted to ask him to put on his shoes, but he was too focused on eating, and there was a wool blanket under his feet, so she did not say anything.

[Chapter 1222](#)

1222 Who wants you to like me (1:

Ning Qing's heart was filled with another kind of satisfaction and gratitude as she quietly watched her son finish his meal.

Lou Mohan finished his last mouthful of porridge and wiped his mouth with a tissue. He looked up and saw Ning Qing's slightly wet eyes.

He moved his mouth and wanted to say something like "don't expect me to be grateful to you", but he suddenly couldn't say it.

Ning Qing noticed that he was hesitating to say something, but she pretended not to see it. She lowered her body and placed the shoes by his feet. put them on.

Lou Mohan didn't do as he was told.

Ning Qing stood up and looked at his beautiful eyes. She could not help but reach out her hand.

The boy dodged. Wanwan, don't think that I'll be impressed by you just because you gave me some benefits.

Ning Qing burst into laughter. you're pretty good at using idioms.

Mo Han raised his head proudly. of course, I have a teacher since I was young.

Ning Qing did not believe him. did she get a special teacher to teach you how to read? "

"That's for sure,"

Although the man was not really a teacher and had always been strict with him, he had indeed taught him some things.

Ning Qing's feelings were a little complicated. According to her son, Lou qingyue did not abuse him and was actually quite good to him?

She calmed down and sat beside him.

He still didn't like her getting close to him, so he moved a few steps to the side.

Ning Qing did not mind and asked him, "how did you grow up?" Where did you live before?"

"My mom said not to tell others about yourself," Mo Han said.

"Mom just wants to understand you."

The boy returned to his cold expression. I won't tell you.

Ning Qing was sad, but she could not force him to say it.

He was only five years old, so he probably didn't remember much of what happened before. He had also been completely deceived by Lou qingyue, and his hostility towards her was so deep.

If she wanted him to see the truth, she could only use family and love to influence him.

There was a smile on Ning Qing's lips. if you don't want to talk about it, then don't. It's getting late. You're a child, so you should go to bed early.

Mo Han hated it the most when people treated him like a child, and he hated her pampering tone even more.

“I don’t need you to care about me. You’re not allowed to order me around!”

Ning Qing was helpless, but she was prepared to fight a long battle.

“Alright, I won’t bother with you.”

“.....”

but it’s already very late. If you don’t rest, I’ll go back to rest too.

After saying that, she stood up.

I’ll get someone to clean up. You should sleep early. Good night.

She reached out and stroked his head.

Mo Han had never been treated like this before. His face turned red and he jumped aside. you annoying woman, who allowed you to touch me?!

In ning Qing’s eyes, he was shy when he shouted with a red face.

Ning Qing’s hand stopped in the air. this means that I like you.

The boy’s face turned even redder. who wants you to like me! I hate you! You go!”

Ning Qing blinked and pursed her lips. okay.

She turned around and left without any hesitation.

Lou Mohan’s flame was stuck there, neither going up nor down. After she left, he didn’t even know why he felt a little strange.

The servants came in to clean up the plates, and he jumped back to the bed and got into the quilt.

young master, we’re going out now. If you need anything, you can call us anytime.

He thought to himself, “they’re obviously monitoring him to prevent him from running away, but they’re actually speaking in such a grand manner!”

[Chapter 1223](#)

1223 First official meeting (1:

Mo Han was angry, but he suddenly remembered what ning Qing had said before.

Before the maid left, he stuck his head out from under the blanket. Hey!

The maid turned around and asked curiously, “ what are your orders? ”

An unnatural expression flashed across the boy’s face. He stammered, wanting to ask but unable to.

The servant looked up. young master? ”

He tried to force her but still could not say it. it's nothing. You can go!

With that, he went back under the blanket.

The servant was very confused, but she didn't dare to ask more. She replied with a "yes" and left.

Under the blanket, Lou Mohan's face was stiff and his red lips were tightly pursed.

That woman had him locked up and not allowed him to go out. She was a bad person!

He would never forgive her, and he would never be grateful to Hanhan. However, she was good to him, and the way she looked at him was always filled with different emotions.

Was it gentleness? Was it pity? Or was she just pretending?

The boy didn't know that it was the love that Ning Qing had buried deep in her heart, feeling guilty for a long time.

As for the man, Yingluo did protect him, but he didn't ask him to protect her, right?

Yes, this was not his fault.

"....."

After some inexplicable self-comfort, the boy shielded himself from the sudden strangeness in his heart, hugged the corner of the quilt, and fell into a deep sleep.

The door opened quietly, and a slender figure approached.

Ning Qing looked at her son, who was sound asleep, and her heart was filled with love and sadness.

She leaned over and kissed him on the cheek.

As gentle as water.

"Be good, go to sleep."

*

The next morning.

Ning Qing took care of Nian lie's breakfast. Nian lie would look at her from time to time, but he didn't say anything.

She couldn't take it anymore. why do you keep looking at me? "

"I'm fine," Nian lie replied in a low voice.

Ning Qing thought about what he was currently worried about. She took the initiative to confess. I've already decided on Lou qingyue. Since she doesn't repent, I don't need to show mercy.

"I know," Nian lie replied quickly, " Lu Zhui told me.

you want to see Mo Han? " ning Qing thought.

Nian lie's eyes flickered, but he did not answer immediately.

Ning Qing was suddenly put in a difficult position. The child's condition was very unstable, and Nian lie was seriously injured. If the other party wanted to do something, she was afraid that he would not be able to deal with it.

"Your body hasn't recovered yet," she said. "Just wait."

Nian lie knew what she was worried about. no matter what, I'm the one who protected him. Isn't it only natural for me to want to see him? "

Ning Qing raised her eyes. he's your son. You can see him whenever you want, but Hanhan ...

"No buts."

Nian Xi held her hand, his eyes clear and bright.

"I want to see him."

Ning Qing was embarrassed, but she could not resist the determination in his eyes.

"Alright," he said.

She gave in.

"I'll get Lu Zhui to bring him over."

"No need," Nian lie propped himself up with one hand. I'll go see him personally.

Ning Qing pressed his body down in a panic, her expression serious. you're so seriously injured. What else do you want to do? " Lie down properly."

Nian lie said helplessly, " ah ning, this is our first official meeting.

Ning qingjin was stunned for a moment. Then, she replied to him gloomily, " just because you think it's important doesn't mean that the other party thinks highly of you.

what? " Nian lie didn't hear her clearly.

"It's nothing," Ning Qing's lips twitched into a smile, and she brushed off the previous topic. he's already five years old. It's not that he can't walk. It's fine to let him come to see you. Don't torment yourself anymore. We can only return to China if you recover soon. I miss my parents and youzi very much.

Nian lie could empathize with her. When he thought of his soft daughter, his resolute heart also softened.

[Chapter 1224](#)

1224 Your father didn't mean to be mean to you (1:

"Alright, I'll wait for him."

Ning Qing let him lie back on the bed and asked Lu Zhui to bring the child over.

Five minutes later, Lou Mohan appeared in the room that only ning Qing and Nian lie were in.

Ning Qing was very gentle. She patted the seat next to her. Mohan, come and sit.

The boy looked at the man on the bed hesitantly. Nian lie was also observing him.

“.....”

Lou Mohan looked at Nian lie and straightened his back unconsciously. His eyes were not as cold as before.

That was because the man’s gaze was not friendly at all.

Didn’t he say that he was his father?

Why did this man look so fierce?

Mo Han thought to himself. Ning Qing thought that he couldn’t let go, so she pulled his hand and sat down.

don’t touch me! the boy was like a bird startled by the twang of a bow.

As soon as he finished speaking, the gaze on him became sharper.

Nian lie’s expression darkened. who allowed you to shout at her? ”

The child grew bold and was as unscrupulous as before.

“I don’t like her. Is there a problem with not allowing her to touch me?”

Nian lie’s dark eyes suddenly turned cold. you have no right to dislike her, because she’s your mother.

The man’s tone was very straight and cold. He did not treat him like a child at all.

Although Mo Han was cold by nature, in the face of absolute strength, his coldness could not withstand a blow.

His eyes and face turned red. she’s not!

“Say that again,” Nian lie said in: deep voice:

“.....”

The boy tried to endure, but the jealousy and fear in his eyes could not be stopped.

Ning Qing quickly tried to smooth things over. don’t be so fierce. He’s just a child. He didn’t mean what he said!

Nian Jing looked at Mo Han, her expression still cold.

Lou Mohan didn’t like to be bullied. He stood up and clenched his fists. what right do you have to order me around? ” You two bad guys bullied my mother and me. One day, I will take revenge!”

Ning Qing saw his excitement and quickly held his hand.

He shook her off fiercely, and ning Qing’s previously injured arm hurt. si si si ...

Nian lie propped himself up and grabbed her other arm. ah ning, how is it? ”

Ning Qing shook her head. I’m fine, I’m fine.

She looked at the child who was about to rush out of the door. Mo Han, wait for Hanhan.

He didn’t listen and tried to turn the doorknob, but the doorknob wouldn’t open.

Nian lie was furious. stop!

Lou Mohan’s small body froze.

you’re running away after hurting someone? ” he said in a hoarse voice. are you that uneducated? ”

“.....”

“Apologize!”

The man shouted sternly, and his small body trembled.

Ning Qing’s heart ached. don’t shout at him. He doesn’t like ran ran.

Before she could finish her sentence, the boy had already turned around.

Ning Qing was stunned and looked at the father and son in disbelief.

Nian Mohan, I want you to apologize to your mother! Nian lie said mercilessly.

The boy gritted his teeth, his face unyielding. His face and neck were red from holding back.

He clenched his fists and his body trembled slightly. you forced me to come here. I didn’t want to come. Why should I apologize? ”

“.....”

Facing his unrepentant son, Nian lie’s face was as dark as the bottom of a pot.

Lu Zhui had reported to him before. He had long known that his son was a Porcupine, but he didn’t expect that it would hurt so much!

Ning Qing looked at his trembling body. She was obviously afraid and angry. She quickly broke free from Nian lie’s hand and walked towards him.

“No, Mohan, your dad didn’t mean to be mean to you. He just wants to see you Hanhan.”

“Is there any use in seeing me?”

[Chapter 1225](#)

1225 Mo Han’s past (1:

The boy was like an injured Wolf, his eyes bursting with hatred and resentment that didn’t belong to his age.

I'm already five years old. I'm five years old. In the past five years, you guys didn't want to see me. Now that you suddenly want to see me, I have to let you see me according to your request, right?!

Ning Qing was speechless.

Mo Han's resentful eyes shifted between the two of them. Tears flowed out of his bright black eyes and he finally fixed his gaze on Nian Xi's face.

He said, "if you say I'm uncultured, then I'm uncultured!" Because I'm an orphan who has no mother!"

The room fell into dead silence.

Ning Qing's heart ached. Mohan, it's not that mom and dad don't want you. It's really because of an accident, Hanhan.

Mo Han stared at her. didn't you say that I was taken away because you were careless? "

Ning Qing closed her eyes weakly and opened them again. it's Zhenzhen's fault. It's mom's fault for letting you live outside for five years. Mom has let you down, Zhenzhen.

The boy's heart felt like it was being pricked by needles. It hurt a little, but he didn't know why.

He only knew that the two people who claimed to be his parents made him sad.

He said, "didn't you ask me how I grew up? I'm telling you, from the moment I was conscious, I was locked up in a small dark room, eating vegetables and plain rice every day. Only when my mother came, I could have a bite of meat. After she left, people trained me every day, forced me, gave me lessons, and made me listen to my mother for the rest of my life. As long as I asked something else, they would hit my palms, pour cold water on me, not let me eat, and even in the winter, they wouldn't give me warm clothes and blankets."

When ning Qing and Nian lie heard this, they were shocked beyond words.

He was only two or three years old when he was conscious.

He was only two or three years old and he was already being tortured like this?

The boy's eyes were red, and tears flowed down his cheeks, but he was completely unaware.

it was only last month that I came out of that little dark room. I thought I could return to my mother's side, but they sent me to a wooden house. It was very cold there, and no one accompanied me. Only my mother came once. She said that someone wanted to hurt her, that she couldn't protect me, and that you would find me. She wanted me to work hard to protect myself. If I could defeat you and escape, I would be able to return to her side.

Ning Qing's heart was filled with pain. This damn Lou qingyue, how could she deceive a pure and fragile child like this!

She had actually incited her to kill!

"Oh my God, how did you survive, Yingluo?"

Ning Qing's face was covered in tears, and her heart ached so much that she pounded her chest.

Nian lie's face was also solemn, and the way he looked at the child became complicated and difficult to understand.

He wanted to tell him that Lou qingyue was lying to him and that they were his real parents.

However, to a child who had never received any warmth, a little warmth was his light.

Lou qingyue had taken advantage of his weakness. What method should he use to expose her in front of the child? wouldn't this overturn the only belief in this child's heart?

The man who had always been in control of the situation also felt a deep sense of powerlessness at this moment.

Ning Qing could not help but throw herself at Mo Han. Regardless of his struggle, she held him tightly in her arms.

"I'm sorry, child. It's your mother who has let you down!"

if I had been stronger back then and didn't do anything stupid, you wouldn't have been separated from me and you wouldn't have suffered so much. It's mom's fault!

[Chapter 1226](#)

1226 Mo Han uses ning Qing (1:

it's only right that you hate and hate mom, but can you give us a chance? "

She let go of the child and pleaded desperately,"in the future, Daddy and Mommy will definitely take good care of you. We won't let anyone hurt you again. You can do anything you want, Hanhan, as long as you don't leave our Hanhan."

Lou Mohan's heart skipped a beat. He looked at the woman who was crying and lowered his eyes. Huahua, really? I can ask for anything? "

"Right! As long as you want, we can do anything!"

The boy hesitated for a moment. He glanced at Nian lie fearfully. After sensing that Nian lie had no intention of stopping him, he said, " I want to see my mother.

Ning Qing's tear-filled face froze. what did you say about ran ran? "

Lou Mohan was certain. I want to see my mother. I know that she's in this house.

Ning Qing looked at the boy's face. His fair cheeks were red, and his tears were still there. His eyes were dark, similar to Nian lie's, but different at the same time.

But the most outstanding thing about him was his coldness and restraint.

Lou Mohan lowered his eyes. didn't you agree to any request other than me leaving? " This won't do?"

"....."

Ning Qing looked at him, who was so calm, and suddenly began to wonder if he was the one who had cried and accused them.

Hmph! Mo Han snorted coldly. you adults only know how to lie.

He pushed ning Qing away, wiped his tears with the back of his hand, and turned to leave.

“I promise you.”

Behind him, a trembling female voice responded.

The boy stopped in his tracks. When he turned around, his eyes were filled with uncertainty. really? ”

Ning Qing sniffled and made up her mind. really? ” she said. I won’t lie to you.

“.....”

Nian lie was also immersed in his grief, but ning Qing’s sudden change in direction caught him off guard.

“Ning: you can’t agree to it!” He said bluntly.

Mo Han was worried that the woman would go back on her words. He took ning Qing’s hand and said to Nian lie, ” I’m a child, but you’re both adults. You can’t go back on your words. Don’t try to fool me.

“.....”

He shook ning Qing’s hand, and when he looked up, the clarity in his eyes pierced her heart.

“You promised me, you can’t go back on your word, Yingluo.”

He hesitated for a moment, but then he thought of something and made up his mind.

“Mom.”

Ning Qing’s eyes widened and she was extremely excited. Yingluo, what did you call me? ”

“Mom!” The boy repeated firmly.

Ning Qing hugged him again and kissed him hard on the cheek. baby, mommy will go back on her word! As long as you’re willing to see what’s in front of you, mom will agree to anything!”

Mo Han blinked his eyes. I will be obedient.

This was the best attitude he had shown ning Qing recently.

On the other side, the mother and son seemed to have acknowledged each other affectionately, and Nian lie was calm and collected.

“Nian Mohan, I didn’t agree to it.”

This sentence broke the warmth between the two of them.

Ning Qing turned around and saw Nian lie’s deep and dark eyes.

The boy was a little anxious. it’s fine as long as mommy agrees. What do I need you for? ”

your mother is in charge of this family. She needs to take into account your thoughts and my emotions.

“.....”

I don't agree to let you see Lou qingyue.

"On what basis?"

"Just because I'm your father!"

"....."

The atmosphere became tense again.

Looking at the father and son who were at loggerheads, ning Qing looked to the left and right. don't be like this, Mohan. Dad is still injured. Don't make him angry, Hanhan. The child just wants to see her. It shouldn't be a problem, Hanhan.

[Chapter 1227](#)

1227 Father and son's agreement: 3:

Nian lie didn't back down. ning, don't worry about this for now.

Ning Qing stood up, anxious and helpless.

Lou Mohan held ning Qing's hand tightly. He wanted to act coquettishly and beg her, but Nian lie interrupted him.

"If you want to see her, it's not impossible."

Lou Mohan coldly looked at him. what do you want? "

"I have a condition."

"What condition?"

Nian lie glanced at ning Qing and sat back on the edge of the bed. He placed his hands on his thighs and looked like he was serious about discussing something.

first, you are not allowed to call Lou qingyue 'mother'.

Lou Mohan felt as if he had been stabbed. no!

Nian lie's face was cold. you just admitted that you only have one mother, and that's the woman you're holding.

Lou Mohan's hand, which was holding ning Qing's, was burning. This woman's palm was soft and warm.

since you've admitted to it, you should know that Lou qingyue isn't your biological mother. That's why you're not allowed to call her that. Is there a problem? "

The little boy pursed his red lips. I can! I'm not calling her. "

Nian Xi narrowed his eyes. secondly, your mother has already explained to you what happened in the past, so I don't need to say more. So, don't vent your inexplicable hatred on us. Be nice to your mother and me.

"....."

He endured it.

He had to see his mother no matter what.

What's a little grievance and humiliation?

"Alright," he said.

Nian lie had completely grasped his thoughts. His eyes were cold as he said, "third, you can see him, but it must be after you return to the country with us.

Mo Han was stunned. why? "

"Your home is not here. You have to go home."

Nian lie's tone didn't allow any room for discussion. He couldn't refute, or rather, it was useless to refuse.

Lou Mohan glared at him with red eyes as if he was looking at an enemy.

"If you still want to see her, then you should put away your current appearance," Nian Yu said coldly:

"....."

The boy took a deep breath. He was so angry that he was about to explode.

He tried his best to hold it in and not explode.

A certain someone was insatiable.

"You're not allowed to pull a long face in front of me and your mother."

you have to smile. You have to smile at the people you see after you return to China.

"Don't even think about it, you can't win against me."

Lou Mohan's ears turned red with anger. you!

"The last point."

Some ice shards seeped out of Nian Yu's eyes, and his aura became truly cold, making him unconsciously shrink his neck.

Nian lie said,"you're not allowed to hurt your mother, no matter what. If I find out about Yingluo,"

Ning Tingting couldn't take it anymore. Nian lie, he's our son. Why are you taking him so seriously? "

Nian lie was reminded of this by her. Oh, you're right.

He couldn't go too far with him.

if you're not happy, you can tell me. You can also target me. But, don't touch her.

His warning and threat were obvious, and his tone was especially solemn.

Ning Qing's head hurt a little. Nian lie, don't be like this. You'll scare ran ran.

“Alright,” he said.

The tender voice of a child sounded.

Ning Qing looked over in surprise. Lou Mohan’s face was serious. I promise you. Don’t go back on your word.

Nian lie raised his eyebrows. there’s no going back on a promise between men.

The child nodded seriously.

The room finally fell silent.

Because of the tense atmosphere just now, the current calm seemed particularly inappropriate.

“Can I go now?” Mo Han asked, feeling uncomfortable.

“Sure.” Nian lie replied before ning Qing could say anything.

...

[Chapter 1228](#)

1228 Bring Mo Han back to the capital city (1:

He opened the door without hesitation. This time, the door opened easily.

“Mo Han!”

Ning Qing called out, but her son did not even turn his head.

She looked back at Nian lie. He also had the same mild expression, as if he didn’t think there was anything wrong with himself.

Ning Qing facepalmed. Nian lie, aren’t you being too fierce to him? he’s only five years old.

Nian lie didn’t reply to her. He only reached out to her with a pained expression.

Ning Qing was so frightened that she quickly went forward and helped him lie down. how are you? does your wound hurt? ” Wait a minute, I’ll call the doctor!”

She wanted to run away, but he stopped her. it’s okay, I can still hold on.

Ning Qing’s heart ached even more. I told you not to get so worked up. I shouldn’t have let you two meet. The child is not happy, and you’re sad too.

Nian lie’s tightly furrowed brows twitched. you think he’s like a child? ”

Ning Qing felt that his question was very strange.

“He’s only five years old. If a five-year-old isn’t a child, then what is he?”

“His every move and thinking ability is not something an ordinary child can compare to,” Nian Jue reminded her tactfully.

“But he’s just a child, Yingluo.”

“Ah ning.”

He suddenly became serious, and ning Qing became nervous. what’s wrong? ”

Nian lie’s lips curled into a smile. nothing much. I was just thinking about what my parents would do when I bring him home.

Ning Qing was stunned.

She had been too busy recently and had no time to talk to her parents. Naturally, they did not know about Mo Han’s existence.

Nian Xi held one of her hands and kissed the back of it.

they should be very happy, ” ning Qing muttered. Zhenzhen and youzi will have an older brother who will dote on her in the future.

Seeing how emotional she was, Nian lie couldn’t bear to break her beautiful imagination.

“Mom and dad will be very happy.”

Ning Qing couldn’t help but smile, but then her face fell. poor child. He’s suffered so much, but you still forced him to do those things. He’s still young. Will he dislike us more and more? ”

Nian lie knew that she was feeling guilty and tried to comfort her. ah ning, what I’ve asked of him is what he should be doing right now. Don’t be afraid that he’ll get upset, and don’t treat him like a child.

Ning Qing frowned. what else do you think he is if not a child? ” Can’t you be an adult?”

Nian lie nodded. After some deliberation, he said in a vague way, ” don’t be too soft-hearted to him. He’s already so much more mature than his peers.

Ning Qing didn’t like what he said. you’re too harsh on him. Mohan has suffered so much and finally returned to our side. If we don’t love him as his parents, who will? ”

Nian Xi was speechless.

Ning Qing pushed him away. I’m going to see him. I can’t let him think that neither his father nor his mother is in pain.

Nian lie,”Huanhuan.”

After ning Qing left, he called Lu Zhui to come in.

“Get ready. We’ll be back next week.”

Lu Zhui’s hand was still dangling. He suddenly became alert. return to China?!

“Yes.”

“But your body hasn’t recovered yet. You can’t stand such a rush.”

“It’s fine.”

After he finished speaking, he thought of ning Qing again.

“Send someone to watch the child at all times.”

Lu Zhui understood his intentions, so he nodded and did as he was told.

Nian Xi leaned against the headboard, her expression dark and gloomy.

Now, everything was fine, and everything was renewed.

However, he was still afraid of one thing.

He had to know whether that child was sincere or not.

He would not allow any danger or unstable elements to appear and disrupt their lives!

Because of Nian lie’s insistence, the next day, the group packed up and set out for the capital.

[Chapter 1229](#)

1229 Little cuddly ball (1:

Mr. And Mrs. Ning had received the news long ago and were arranged to go to the capital by Nian lie.

So, as soon as the two people returned to the Lou family with Mo Han, they saw their emotional parents rushing over.

Mother ning hugged her stunned child. this must be Mo Han? ” I’m really lucky to have grown so big!”

it must have been tough on you all these years. Fortunately, you’re finally back at home. we won’t let you suffer anymore, ” said Mr. Ning with a rare gentle smile.

Mrs ning’s eyes were brimming with tears. this child is so beautiful. It must have been hard on you to live alone outside. You’ve been bullied so many times, but you don’t even say a word, Hanhan.

Mo Han stared at the woman who was wiping her tears. There was a little panic and helplessness on his cold little face.

He should have pushed her away, but in the face of her concern and warmth, he didn’t know what to do for the first time. He could only helplessly call out, ” mom, who are they? ”

Ning Qing held his hand, her eyes teary as she smiled. these are my parents. They are your grandfather and grandmother.

Lou Mohan’s body was still stiff. His dark eyes sized up the two people in front of him.

“Greet them,” Nian lie, who was sitting in a wheelchair, said.

The child’s body was stiff, and his voice was unnatural. Grandpa, grandma, Wanwan, how are you? ”

Ning Qing’s mother rubbed his head. what a good child.

Ning Qing saw that Mo Han was too reserved and quickly explained, "mom, Mo Han is afraid of strangers. Don't scare him.

Mother ning chided, "I'm the child's grandmother. I'm not a stranger. He'll get to know us sooner or later. We just need to get closer. Don't you think so, Mo Han?"

The boy, who had never seen such a scene before, blushed. He was so overwhelmed that he could only do as they said. Yingluo, yes.

Mother ning hugged him again and planted a kiss on his tender face.

Lou Mohan,"hehe."

His face was completely frozen, and he looked to ning Qing for help, not sure if it was out of disgust or something else.

However, ning Qing's mind was not on him for a moment. She smiled and looked ahead. youzi!

Lou Mohan was stunned and looked in the direction of the voice.

The nanny was holding a small ball of rice in her arms. At this moment, when she heard ning Qing's words, not only was she unhappy, but she also turned her face to the other side, not looking at the people here.

Mr. Ning sighed. you didn't explain to her the reason before you left. She's been throwing a tantrum recently. She's upset that you don't want her anymore.

calm her down," he whispered to ning Qing. the little girl is really angry this time.

Ning Qing and Nian lie exchanged a look and walked toward youzi.

The nanny greeted her, and ning Qing smiled. Oh, who's such a beautiful and lovely child?" Why are you still angry? Why didn't he look at the person? Come, let me see who it is."

"....."

She reached out to hold youzi, but youzi wasn't happy. She turned around and pretended to be angry, her pink little face puffed up. mom, you're a liar! I don't like it!"

mom told you," ning Qing explained patiently. dad and I went to pick up brother.

Youzi waved her hand. that's too long! You liar!"

Ning Qing took her from the nanny's arms and said, "I'm sorry, I came back too late.

Youzi's bright eyes started to mist up. Hmph!

Ning Qing's heart softened. it's because father is injured, so we came back a little late.

Youzi's eyes darted around when she heard that she was injured. She looked at Nian lie carefully.

Nian lie's complexion was indeed not good. He was sitting in a wheelchair, looking as if he could not move freely.

Youzi's mouth pouted, and tears suddenly came out. daddy, Yingluo, it hurts, waa-

This time, everyone was stunned.

"Didn't I ask you to coax the child? why did you make her cry?"

Father ning said to ning Qing, and ning Qing hurriedly patted youzi on the back.

be good. Mommy is just explaining to you why we came back late. Don't cry anymore. You won't be pretty if you cry, Yingluo.

Seeing that these words had no effect on youzi, ning Qing's head began to hurt.

At this moment, Nian lie pushed the wheelchair forward. His cold face revealed a gentle expression. give it to me. I'll talk to her.

Ning Qing looked at his legs. your body is weak.

"I'm fine."

He raised his hand and didn't use much strength. Ning Qing placed youzi in his arms and adjusted her position to avoid pressing on his wound.

Nian lie lowered his head, his dark eyes filled with tenderness. alright, I'm fine. I'm back. Be good. I know you miss mommy and me. We didn't think things through and made you wait for too long. I'll apologize to you, okay? "

Youzi didn't hold grudges by nature, and she was also a gentle and sensible girl.

When she heard that Nian lie was injured, her heart was filled with only him.

She blinked her wet eyelashes and said with grievance and heartache,"daddy, it hurts. Youzi doesn't want daddy to be in pain."

When everyone heard this, their hearts melted into a ball of cotton candy.

That included Lou Mohan.

There was a strange feeling in his heart. He couldn't tell what it was. It was a little hot, and he couldn't help but want to cry.

Nian lie was touched as well. when dad saw youzi, he didn't feel as much pain anymore.

Youzi wiped her tears, her puzzled expression was a test of the truth of his words.

Nian lie's lips curved into a smile, his eyes filled with love. but you're still angry with Daddy and Mommy. Daddy feels so sad.

"....."

"If you don't cry, daddy won't be in pain at all."

Youzi was silent for a while, then looked up. really? ”

Nian lie’s dark eyes were deep. yes.

Youzi reached out and wrapped her arms around Nian lie’s neck, trying to get up unsteadily.

Ning Qing saw Nian lie’s twitching forehead and said, ” youzi, you’re pressing on dad’s wound.

Youzi turned around with a “Oh,” her eyes filled with confusion and ignorance.

Nian Jin gestured for ning Qing not to stop her. With an indulgent smile on his face, he said, ” it’s okay. It doesn’t hurt.

Youzi stood up with a peace of mind and gave him a big kiss on the cheek.

“I’m not angry, Yingluo. Daddy isn’t in pain.”

Indeed, a daughter was a father’s sweet little jacket.

This saying was never wrong.

Nian lie seemed to really not be in pain anymore. He hugged her and kissed her on the cheek.

Youzi looked at ning Qing and pointed to her mouth.

Ning Qing smiled helplessly, leaned over, and waited for her to kiss her.

Youzi pointed at her face again, ”mommy kiss ~”

Ning Qing said, ”little Smarty,” and bent down to kiss her on the cheek.

Youzi, who still had tears on her eyelashes, stopped crying and showed a lovely and soft smile.

Mrs. Ning sighed. Nian lie still has a way with her.

Mr. Ning chimed in. isn’t that so? she may be young, but Qingqing doesn’t care about her as much as Nian lie does. She’s very clear about that, and she knows who she should stick to.

“This shows that youzi is smart.”

The family chatted back and forth and Mo Han, who saw all of this, had an indescribable feeling.
