

Mr Nian 201

Chapter 201: Let Nian Xi join the company, take good care of him (1:

Nian lie's steps were slow, and he wasn't in a hurry.

It was as if these words had no effect on him.

"Yes."

Lu Zhui answered vaguely. He lowered his head and opened the car door for him.

He lowered his body and sat down, his face expressionless and cold.

A fleet of cars set off and soon arrived at the Nian corporation's building.

Nian lie got out of the car and strode towards the elevator.

When they arrived at the president's office, it was filled with people.

It was his father's.

Butler Lu was also there. When he saw him walking over, he stepped forward and stopped Lu Zhui. young master, old master is waiting for you in the meeting room. he said.

Nian lie buttoned the bottom button of his suit and walked past him without a word.

When she pushed the door open and entered, she saw Nian che, who was dressed in a formal suit, standing in front of Nian Junting. He seemed to be arguing about something.

Nian Che's eyes brightened when he saw him enter. It was as if he had seen his Savior, but he didn't dare to make a sound.

Nian Junting didn't change much. He was still wearing a short Chinese jacket and long pants, looking energetic.

"Dad," Nian lie said.

Nian Junting beckoned to Nian che, and the latter retreated to the side.

His emotionless eyes were sharp.

"Did you come here so unhurriedly to make me wait for you?"

As soon as he spoke, a powerful aura spread out.

Nian Ying was curled up at the side, her eyes occasionally shifting between him and Nian lie.

Nian lie's expression did not change. dad, this is normal working hours. There are no special schedules.

Nian Junting narrowed his eyes, revealing fine lines at the corners of his eyes.

so that's why the Nian family's situation hasn't been good recently!

His voice was like a great Bell, steady and intimidating.

I'm sorry," Nian lie said in a tone that was neither servile nor overbearing.

She couldn't sense his apology from those two words.

Nian Junting held a string of Buddhist beads in one hand, his eyes as sharp as an Eagle's.

The anger that she was exuding did not affect the man in front of her at all.

Nian Junting's voice was a little loud, but he controlled his temper well.

I'm planning to let Nian Jin work in the company," he said: as his brother, you have to take good care of him.

It wasn't a commanding tone, but every word was engraved with the meaning that disobedience was not allowed.

Nian lie's eyes were light, and his face did not move at all.

"Alright," he said.

"....."

Nian Che's eyes widened.

What was the meaning of this?

His brother had agreed? Didn't he understand the meaning behind his father's words?

teach him well," Nian Junting continued with a cold face. when he's done, you can hand over your work to him.

Nian lie didn't even frown. I understand.

Nian che was not having it.

"You two have decided? Why didn't anyone ask for my opinion?"

Nian Junting was in a bad mood. He gave him a sidelong glance.

Nian che couldn't hold back his words and hurried to the two of them.

"Dad, brother, it's not like you don't know how to manage a company. I don't like to do these things. I'm afraid."

"Nian Che!" Nian Junting shouted.

Standing next to Nian lie, the thin and weak-looking Nian che trembled.

Nian Junting's breathing became heavier. just do what I tell you to do. Cut the crap!

"But I'm scared!"

He didn't want to learn.

as a member of the Nian family, the Nian family will eventually be handed over to you. You're a disgrace to the Nian family if you have nothing to do all day and act like a rich young master!

"....."

He glanced at Nian lie coldly and continued to lecture Nian che, "

"Besides, your brother has promised to teach you. What are you afraid of?"

Nian che could not voice out his grievances, nor did he dare to disobey his father.

Everyone in Ying city knew that their family was strict and their parents' words were Supreme. They were not allowed to go against them.

Once violated, one would be punished, regardless of one's status.

Just like his brother's last time, he was beaten until his skin was torn and his flesh was torn.

Nian Che's entire body trembled. He was so afraid that he called out to Nian lie for help.

However, the man said coldly, "

whatever dad says goes. Nian che, don't talk back.

Chapter 202: Without the Nian family, you're just: piece of trash that's stepped on by everyone (1:

Nian che was speechless.

Where was his brother's stubbornness and stubbornness?

Didn't they say that they would never admit defeat and would not be controlled and arranged by their parents even in death?

At that moment, Nian che couldn't understand his brother.

Nian Junting was infuriated by his words. Nian che, " he said sternly. get out!

He looked to the left and right, but he could not say anything.

He gave Nian lie a helpless look, but the other party ignored him. He could only walk out of the meeting room dejectedly.

Sitting on the leather chair, Nian Junting glared at his son with a piercing gaze.

"Don't think that I don't know that you're the one who's hiding that woman just because you're pretending to be under my control!

Nian lie, you've already divorced her. How much longer do you want to help her? Do you really want to be stubborn with me?"

Nian Xi's eyelids were half-closed, blocking the light in his eyes.

"Dad, you've misunderstood. I didn't help her," he said.

Nian Junting slammed his palm on the table. do you think I'm blind?!

It had been a week since that woman had last appeared in the hospital.

His men couldn't find her after so long. Other than his son, who else would have such courage?

"You're really capable, even daring to lie to me!"

Nian lie's eyes didn't even move in the face of the Furious man.

"Your son wouldn't dare."

"For that woman, there's nothing you wouldn't dare to do!"

Nian lie's expression remained indifferent the entire time. I'm about to get married to Wanwan. There's no point in you saying all this.

Nian Junting clenched his prayer beads tightly, his hands trembling.

Nian lie was very calm as he stated a fact.

"The child is getting older. Ran ran won't look good in a wedding dress."

Only then did he raise his eyes and meet the eyes of his father, who had planned and planned everything.

One was fierce and fierce, while the other was turbulent.

Nian Junting obviously didn't believe him.

Nian lie, do you really want to marry that actress, or are you just putting on an act for me and your mother to see? do you think I can't tell? "

"Since you don't believe me, there's no need for me to say more." Nian Yu stared at him, his thin lips slightly parted.

Nian Junting snorted coldly, his anger quelling.

Nian Yu sensed it, and his dark eyes moved slightly.

He continued,

"You've been in charge of the Nian family for so many years.

You said that Nian Che's personality was unstable and that he left the country whenever he wanted to;

You said that as the eldest son of the Nian family, I had to go through human resources, so I was sent to the bottom level of the company when I was fifteen.

Today, you said that you wanted Nian Jin to work in the company. I accept your offer."

His eyelids were lowered, and no emotional fluctuations could be seen.

"I can listen to you, but I have to make my own decisions regarding marriage."

Nian Junting's anger rose, and he used the same tactic again.

you're the eldest son. Why are you thinking about love instead of planning for the future of the Nian family? "

Nian lie knew that he wouldn't be able to change his mind, so he didn't intend to argue with him.

otherwise, should I be like you, a heartless man who is cold to his own son? "

"You're so silly!"

"I'm a man. I can't possibly kill a woman," he said sarcastically.

She was provoking Nian Junting with the car accident and the hospital incident.

"Nian lie!" Nian Junting shouted in anger.

A thick stack of papers flew over from the table.

Nian lie didn't Dodge and allowed him to get angry.

A bunch of scoldings were hard to hear.

you've received so many benefits from the Nian family. Your mother and I raised you so that you could repay us, not to go against us!

you should spend your entire life for the Nian family. What right do you have to talk about love? "

Who Do You Think You Are? if it wasn't for the Nian family and me, you'd be a piece of trash that everyone would step on!

Chapter 203: Are you hiding my sister-in: law:

"....."

At a certain moment, Nian Junting thought that Nian lie would retort or attack him in anger.

However, he didn't deny a word.

In the end, he only said,"as long as you're happy now."

He seemed to be compromising, but he didn't.

Nian Junting was so angry that he couldn't speak.

He then said, " I'm busy. Dad, do as you please. he turned and left.

He turned a deaf ear to how the Furious man tried to stop him.

Once the door was closed, nothing could be heard.

Nian lie swept his gaze across the room, but did not see Nian che.

He walked towards the elevator, but Butler Lu stopped him.

young master, you can't leave without master's order.

"There's still a lot of work to be done at the company," Nian Yu said coldly.

Butler Lu lowered his body and repeated, "

"Old master said that unless you hand over miss ning, you can't leave."

The person in front of him suddenly burst out with a cold and terrifying aura.

Nian lie was displeased. I've respected you by calling you Uncle Lu. Have you forgotten that you're just a servant in the Nian family? "

Butler Lu's expression turned ugly, and it was faintly stiff.

"Young master, I'm just following old master's wishes."

"Then try to stop me."

When he passed by him, Lu Zhui happened to come up to him.

The two of them were blocked by a group of people.

"Please don't make things difficult for me."

Butler Lu said.

Nian lie's eyes narrowed, and his murderous gaze swept across everyone.

The aura of a superior was powerful and oppressive, and the people around them couldn't hold it in and avoided his eyes.

The situation was triggered at once.

"Wait!"

Nian Che's voice interrupted.

The group of people looked over and saw him walking over quickly.

She glanced at Nian lie and Lu Zhui, who were surrounded by people. She cleared her throat. dad said to let him go. Don't stop him.

Butler Lu lowered his eyes. second young master, the old master has already instructed me, Qianqian.

father said that he's unfilial and disloyal. He'll go wherever he wants. Let's see how he'll live after leaving the Nian family.

"....."

Nian che didn't care if they believed him or not. He squeezed into the crowd and pushed Nian lie into the elevator.

The elevator door closed, and no one stopped them.

Nian che patted his chest and heaved a sigh of relief. He turned to look at his expressionless brother.

Nian lie directly exposed his lie.

“Have you thought about the consequences of using dad’s name to cheat him?”

Nian Yu snorted. I’m not trying to help you. Who would do such a thing? ”

He had always been an obedient child. He would do whatever his parents said and would never disobey.

Nian lie didn’t say anything.

It was only then that Nian che remembered something. He scoffed at him and hid in the corner of the elevator, leaning against it.

“Forget it. A scumbag like you isn’t worth my help.”

Lu Zhui frowned. second young master, first young master isn’t a scumbag.

Nian che laughed coldly, ” who else could he be? are you? ”

Without waiting for Lu Zhui to speak, he coldly mocked, ”

that’s right. You’ve been by his side since you were young and learned from him both good and bad. You’re definitely not a good person.

Lu Zhui’s mouth moved a few times, not knowing how to refute.

who taught you to speak like that? ” Nian Xi chided Nian che. you’re acting like a hooligan.

“Even a hooligan has a better reputation than a scumbag like you!”

Staring at his brother, who had exquisite features and a handsome face, Nian che couldn’t figure out how his brother had turned into such a bad * SS man with poor taste!

For the first time, Nian Yun didn’t teach him a lesson.

He only silently lowered his eyes, pursed his thin lips, and did not speak.

There were some things that he didn’t need to explain to anyone other than her.

Seeing him like this, Nian che somehow felt that he was a little sad and lonely. No one could understand him.

He took a deep breath, his tone serious.

“Unless you tell me if you’re hiding my sister-in-law.”

Chapter 204: Why did you come back at this time?

He stared deeply at Nian lie, not letting go of any inch of his face.

The next sentence, she raised her head proudly. otherwise, I won’t forgive you.

The elevator descended, and the red number changed from two to one.

It became 1.

Nian lie seemed to have not heard him and was about to leave.

Nian che stood in front of him and asked, "brother, is my sister-in-law with you or not?"

Nian lie looked at his younger brother's slightly childish face. His facial features were deep and delicate, a perfect match.

There seemed to be waves in his eyes, but it also seemed to have never moved.

"No," he said, his lips moving.

Nian che grabbed his arm, his emotions stirred.

"How is that possible? Don't lie to me, my sister-in-law is only with you, otherwise, how could she have disappeared for so long!"

"I don't care,"

The four words were very clear.

Nian che furrowed his brows. what did you say, Wanwan?"

Nian lie was getting impatient. don't bother me with unimportant people's matters. I don't have the time or the mood.

"....."

Pushing his hand away, he said, "Nian che, he has the final say in the Nian family. Don't do anything that he doesn't like. Now, go back.

'He' was, of course, Nian Junting.

Nian che looked at Nian lie in disbelief. He felt as if his brother had suddenly changed into a completely different person!

Nian lie walked out of the elevator, and he hurriedly chased after him.

The tie around his neck made him uncomfortable. He tugged at his collar and stopped his brother from leaving.

brother, you know that I don't like company management. How can I possibly learn it?"

"Dad wants you to learn, so you must do as he says."

"I can't learn it!"

Nian Che's expression changed.

you're the eldest brother. The Nian Corporation will be in your hands in the future. You're in charge of it anyway. Why do you have to hand it over to me?"

He did not understand!

Nian lie's footsteps came to a halt. There was a sense of calm and peace in his coldness.

With the aura of an elder brother, he looked down from above, "

it's obvious what he's trying to say. Nian che, stop running away. The future of the Nian Corporation can not be without you.

Nian che clenched his fists and pouted. He mumbled unhappily, " whoever wants to take over can take over. I don't want to.

Nian lie didn't get angry at his immaturity.

Instead, it reminded him of his reckless behavior a few years ago, when he tried to break free from his shackles for her and himself.

However, it did not go as he wished.

Nian lie's voice was heavy. don't say such useless things.

Nian Che's face was filled with dissatisfaction.

He raised his voice, " Nian che, don't be stubborn. Go back!

Nian che felt aggrieved. In his heart, he scolded him for being a scumbag and heartless, but he couldn't help but be afraid of him.

He slowly turned around, his look of grief and indignation was very heartbreaking.

"....."

She watched as he entered the elevator and went upstairs.

Nian lie stepped out of the Nian corporation's main entrance and headed straight for the car.

When she returned home, she did not see ning Qing in the hall.

"Where is she?" he asked, grabbing a servant.

young Madam is in her room. She said she's tired and wants to rest. She asked us not to disturb her.

Normally, Nian lie wouldn't have thought much of her words.

However, at this special moment, he felt that something was wrong.

He strode towards the room and knocked on the door.

He turned the doorknob, but it was locked from the inside.

Nian Xi's heart trembled.

Lu Zhui sensed that something was wrong. I'll go get the spare key.

Just as he was about to leave, the door opened from the inside.

Ning Qing looked at the people at the door and was stunned as she rubbed her eyes. what's wrong with you? "

Lu Zhui and the servant looked at each other.

Nian Yu pursed his lips and said, " I'm fine. then, he pushed her into the room.

Ning Qing's hands clenched. didn't you have something urgent to attend to at the company? why are you back at this time? " she asked.

Chapter 205: Getting hurt while protecting her (1:

Nian lie's Phoenix eyes swept across the sofa, bathroom, and the slightly messy bed.

There was no difference wherever it passed.

His caution made ning Qing's heart hang in the air.

What are you looking at? " she asked unnaturally.

Nian lie turned around. nothing.

He walked in front of her, his eyes scanning her face for a long time.

"Sleeping?"

Ning Qing could not hold on any longer, and her face was a little stiff.

"Yes, I've been sleepy every day recently."

"Do you feel uncomfortable anywhere?"

"No, I didn't,"

Nian lie glanced at his watch. there's still some time before lunch. You should sleep: little longer.

After he finished speaking, he helped her to the bed.

"No need!"

She suddenly raised her voice and looked over with her deep eyes.

Ning Qing's heart was beating fast, and she grabbed his arm that was supporting her.

Yueyue, my waist hurts a little. I've probably been lying down for too long. I want to go down for a walk.

"....."

"Can I go out?"

Nian lie's eyes were deep. He paused for a few seconds before he replied, " okay.

The two of them turned around and left the bed.

Ning Qing silently heaved a sigh of relief and followed him outside.

There were green plants in the community and a long corridor. In the center, there was a huge rockery and a pool. There were red and white carp swimming in the pool.

As autumn was approaching, the leaves of some trees were beginning to turn yellow.

The weather was a little cold. Nian Jin took off his suit and draped it over ning Qing's shoulders.

"It's cold, don't catch a cold."

He held her shoulders tightly, stared at his feet, and took care of her in detail.

Having escaped the tension just now, ning Qing's mood was now very depressed.

"What did you do at home today?"

Nian lie asked her in a casual manner.

Ning Qing blinked, her beautiful and clear eyes moving.

"Nothing much. After you left, I watched TV for a while and felt tired, so I went back to my room to rest."

Nian lie liked how docile she was. She had the gentleness of a mother and no longer rejected him so much.

"Isn't it boring?"

Ning Qing remained silent.

He looked at her gentle side profile. She seemed to have gained some weight recently. Her cheeks were chubby and she looked very cute.

He couldn't help but slow down his speech and look down at her flat stomach.

"When the child is born, I'll take you out for a good walk."

"....."

"Is there any place you want to go?"

Ning Qing listened to his words of longing for the future and felt both ironic and sad.

She couldn't see a glimmer of hope for the future, and she didn't understand why he could say such words so calmly.

A thickly-packed pain came up.

She took a deep breath and said perfunctorily, "No."

At the same time, she broke free from his protection and walked to the side of the pond in the rockery.

Nian lie looked at his empty arm and a look of disappointment flashed across his face.

Ning Qing seemed to have sensed his emotions, and she walked even faster.

Unexpectedly, there was a pool of water at the bottom of the pool.

As she was not paying attention, she slipped.

“Ah!”

Her face was filled with fear, and she couldn't keep her balance!

In an instant, she closed her eyes, her hands unconsciously covering her lower abdomen, and she fell down.

However, the pain did not come.

Nian lie hugged her tightly. He knelt on the ground with one foot in the dirt, and in a very strange position, his arm was holding her falling body.

Ning Qing opened her eyes and saw the worry in his eyes.

“Ning Qing, how are you?” he asked through gritted teeth.

This sentence struck her heart.

Her lips quivered as she held his hand and adjusted her posture.

“I'm sorry.”

Nian Xi took a few moments to recover, but didn't stand up.

His body's reaction was faster than his brain.

When he rushed over, he knelt down without any cushion just to catch her.

The muscles on his thighs and arms were contracting violently due to his quick reaction. The intense pain from his right ankle made his face turn pale.

Ning Qing slowly noticed that something was wrong with him. Nian lie, what's wrong with you? ”

Chapter 206: If the child is gone (1:

Are you hurt somewhere?

Very quickly, a thin layer of sweat appeared on Nian Xi's forehead.

He gritted his teeth and stood up with the support of one leg. I'm fine.

He even checked her up and down to make sure she was fine before reprimanding her. ning Qing, you're already the child's mother. How can you not watch where you're going? how are you going to teach your child in the future? ”

Fear crept up on him.

Nian lie didn't dare to imagine what would have happened to her and the child if he hadn't been there just now.

"....."

However, ning Qing's eyes flickered violently when he mentioned the child.

He seemed to care more about this child than she had imagined.

If the child is without Yueyue

Ning Qing's short silence made Nian lie think that she was unhappy.

He thought that she was pregnant and shouldn't be too calculative about these things, afraid that it would affect her mood.

"Don't be so careless in the future," Nian lie said.

"....."

"If you keep doing this, you're not allowed to go out."

Ning Qing's expression was indifferent. you didn't allow me to go out alone either.

Nian lie's hand, which was holding her hand, stiffened.

The atmosphere suddenly became heavy.

Ning Qing's brows furrowed, her frustration and panic intertwined.

She pushed his hand away and walked back alone.

She did not look at him again.

Nian lie stood at the same spot for a long time until Lu Zhui came looking for him.

He spent the rest of the afternoon working in the study.

He did not go to the restaurant for dinner that night.

Lu Zhui served the dinner, but Nian lie didn't even look at it.

"Just leave it."

"Yes."

Her typing on the keyboard paused.

"Has she eaten yet?" he asked.

don't worry, young Madam has already had her meal. She's not feeling unwell and has already returned to her room.

"Mm," Nian lie replied, neither happy nor angry.

Lu Zhui was about to say something when a call came.

With Nian lie's permission, he walked to the side and answered the call.

"....."

"Alright, I know."

Lu Zhui's expression turned ugly after he finished speaking.

young master, as you've expected," she said to Nian lie, who was sitting at the desk, "old master has said that you're not feeling well. He and second young master will be in charge of the company for the time being.

Hearing this, Nian lie's breathing stopped.

Under the cold light, his handsome face was clear and perfect, and his dark eyes were deep and calm.

"I know."

His hands continued to move, not affected much.

"You may leave."

Lu Zhui left.

Nian lie's gaze, which was fixed on the computer screen, dimmed.

He took the cigarette from the table, lit it, and put it between his lips.

The smoke lingered, and the bitterness entered his throat.

"....."

The room was quiet.

The bone-piercing cold chased around the entire room.

In the end, it was annihilated between his soul-stirring eyebrows.

Sharp, penetrating, as if he was in control of everything.

After Nian lie finished smoking the cigarette in his hand, he stood up, pressed the button on the computer screen, and threw the cigarette butt into the ashtray.

He suddenly missed her very much.

When he returned to the bedroom, the woman was still awake.

He walked closer to her. Ning Qing sniffed and could smell the cigarette smell on him.

"Go take a shower," she blurted out.

Her disdainful gaze was like a thorn that stabbed into his heart.

Nian lie paused for a long time, then turned toward the bathroom without a word.

"....."

Ning Qing wanted to say something but stopped herself. She did not stop him.

In the sound of running water in the bathroom, she hugged the quilt and turned around. She fell asleep in a short while.

Nian lie came out with a damp body. There was only a dim yellow light left on the bed.

He gently rubbed her short hair, but the woman still didn't sleep well enough.

Out of the corner of her eye, she saw a corner of the sofa that was exposed under the pillow.

He reached out and took it. It was a flyer.

The words "painless abortion" at the top pierced straight through his heart.

Under the dim light, the man's shadow was elongated, and his face was unusually pale.

After a long time, he put it back to its original place, returned to the bed, lifted a corner of the quilt, and lay down.

Staring at her sleeping posture, Nian Jin felt more and more empty.

Bitterness rolled up.

Her eyes were red with disappointment and hatred.

In the end, it was a sleepless night.

Chapter 207: Don't you think there's something wrong with my brother recently?

*

The next day.

The rain was misty, and the autumn wind was cool.

Ning Qing was not tormented by nightmares that night, and she finally had a good sleep.

When she woke up, there was no warmth in the place where Nian lie had slept.

She washed up and left the room.

In the living room, she ran into Nian lie and Nian che, who had just arrived.

The moment Nian che saw her, a smile appeared on his handsome face. long time no see, sister-in-law!

It had indeed been a long time.

Ning Qing approached the two of them, a little surprised.

Two seconds later, she replied, you're here.

"I'm here to see you. Are you happy?" Nian Xi walked around her twice, sizing her up. I haven't seen you in a while, sister-in-law. You've finally put on some weight. You look even better than when you were all bones!

His joy was real.

"My brother has raised you well: " he winked at her.

Ning Qing's lips twitched, but she did not say anything.

Nian Yu stood tall and upright, listening to their conversation.

I told you my brother was hiding you. He didn't admit it at first, so I thought something had happened to you.

Nian che was all smiles.

"It's good that you're fine. At least it's safer to be by my brother's side than outside. I don't have to worry about you."

I'm going out for a while, " said Nian Ying in a low voice, just as ning Qing was about to figure out some other information.

What for?

"I'm here. Why are you going out?"

Nian che spoke for ning Qing. She glanced at him and lowered her head.

Nian lie lowered his gaze and looked at the woman's head.

The joy on her face faded, leaving only her usual calm.

He closed his eyes and said to Nian Xi: : I have something to do."&Nbsp;

With that said, he turned around and walked out.

There was no unnecessary explanation.

Ning Qing looked at his back, and her eyes dimmed.

Nian che almost couldn't catch his breath. Looking at his sister-in-law's dejected expression, he consoled her, "

sister-in-law, my brother must have something to do at the company. Let's not care about him.

Ning Qing did not say anything.

The two of them sat down on the sofa.

In the drizzling rain, Nian Xi walked through the neighborhood in the misty rain and got into the car at the entrance.

He lowered the window and looked at the blurry building, his expression flickering.

After a long while, he finally said to the people outside the car, "tell Nian che to keep her company. Let her go wherever she wants to go and do whatever she wants.

Lu Zhui was stunned. young master, Qianqian.

Did this mean that he was allowing young Madam to do whatever she wanted? Including Yingluo?

The car window was rolled down, covering the man's handsome face.

The car moved slowly and soon disappeared into the faint mist.

The temperature in the living room dropped slightly.

why are you here?" ning Qing asked Nian che. is there something you need? "

Didn't Nian lie forbid her from leaving the house or seeing anyone?

Nian che pouted unhappily.

I'm afraid that you'll be in a bad mood after what you've been through recently. You just happened to go missing. I'm guessing that my brother has hidden you away. He refused to tell me where you live. I had to beg him to bring me here to see you.

Ning Qing pursed her lips and wanted to laugh, but she couldn't.

"I'm fine, don't worry," she said:

He had only grounded her. As for the future?

She did not know what would happen in the future.

Nian Che's thick brows furrowed as he stared at ning Qing and asked, "

sister-in-law, do you think there's something wrong with my brother recently? "

Ning Qing's eyes glittered.

"Yingluo didn't."

She didn't want to care about him.

She was afraid that she could not control her heart.

Nian che had no idea what she was thinking. His handsome features twisted together.

sister-in-law, to be honest, I want you to persuade my brother.

Ning Qing's eyes froze.

"What's wrong with him?"

dad wanted me to join the company, but I'm not suitable for management at all. My brother clearly knew about it, but he still readily agreed to Wanwan. I thought he would object.

Chapter 208: My brother was afraid that something would happen to you, so he restricted your personal freedom (1:

It was common for rich and powerful families to fight for positions, but he never had any intention of snatching it from his brother.

He felt that the current situation was pretty good.

He felt tired just looking at his brother's seat.

Ning Qing's whole body trembled, and she couldn't help but say in shock, "

"Let you into the company?"

"Yes."

"....."

Ning Qing's long eyelashes fluttered slightly, like a butterfly flapping its wings, lively and beautiful.

Did his father mean to split the power? Or did he want Nian lie to abdicate?

But how was that possible!

The Nian family had been thriving under Nian lie's leadership in the past few years. Everyone in the entire Southeast Region knew about them.

Why did his father suddenly want to take away his power?

Did he do something wrong that made Nian Junting do this to force him to submit?

Ning Qing's heart suddenly shrank.

She thought of something, but she didn't dare to think about it anymore. Her hands clenched the fabric under her hands.

Her voice was trembling as she asked Nian che, "

"You just said that I'm safer here than outside. What do you mean?"

Nian lie suddenly stopped chattering.

His throat moved and his eyes flickered.

ah," he stammered. Yingluo didn't mean anything. She just said that my brother said that you're not feeling well. The environment here is not bad, and it's quite suitable for your health.

"Nian che."

Ning Qing called out to him.

Nian Yu looked at her serious expression, and a look of struggle flashed across his face. In the end, he had no choice but to say softly, "

“Actually, it’s because there are a lot of people looking for you outside. My brother is afraid that something will happen to you, so he’s restricting your Hanhan.”

Before he could finish, he saw ning Qing’s face turn pale.

He quickly made an oath and stated his position.

but, sister-in-law, I swear, I don’t agree with him at all!

“.....”

“No one would be able to accept being locked up in one place for a long time.”

The man’s soft voice rang in her ears, but ning Qing’s heart was cold.

She took a deep breath, and the sadness in that moment disappeared, leaving only coldness and numbness.

“Nian che, I want to go out,” she said.

“What?”

“I want to go to a place to do something. Are you willing to take me there?”

Nian che was in a difficult position. sister-in-law, Wanwan.

Lu Zhui walked over and leaned over to whisper something into his ear.

Ning Qing could see Nian Che’s expression becoming more and more conflicted.

When he finally looked at her, he was extremely helpless. alright, where do you want to go? ”

Ning Qing’s eyes turned cold. She pursed her lips and did not speak.

He stood up and walked out.

*

On the other hand, Nian lie had arrived at the entrance of a familiar neighborhood.

Father ning was holding an umbrella, his back straight and his face serious.

He slowed his breathing and pushed the door open.

He stopped the bodyguard who was holding the umbrella for him and walked towards father ning.

“Dad,” he said.

you’re here, ” said Mr. Ning, expressionless.

Nian lie nodded, his expression humble and respectful.

Qingqing’s mother is at home. Come with me to the house.

Ning Qing’s father gestured with his hand and walked in front.

Nian lie watched his silent back. His mood was dark and gloomy like the drizzle.

The two of them walked one after the other, and father ning didn't wait for him.

Walking into a Pavilion, the rain hit the green Lake. The surface of the lake was clear and quiet, creating wave after wave of ripples.

Father ning put down the umbrella.

The black umbrella was oily, and the raindrops fell drop by drop, finally landing on the ground, leaving water stains.

He sat down and patted the seat on his left. sit.

His calm attitude didn't seem to be because ning Qing wanted to find trouble with him.

Nian lie sat down, his hands neatly placed on his thighs.

"Dad, what did you call me here for?"

Chapter 209: Her mother and I don't want her to make the same mistake (1:

"How are the wedding preparations going?: father ning asked after: moment of silence:

Nian lie's eyes darkened.

I know that your people are keeping an eye on me and Qingqing's mother, " Mr. Ning said frankly. however, you can't stop the news from spreading. It can let me know some things in various ways.

Nian lie's eyes were straight, and his handsome face had a difficult expression.

"Dad, I'm sorry," he said.

Father ning actually didn't want to argue with him over this.

He had experienced more sorrowful things than this, and now, his expectations of ning Qing had been lowered again and again.

He lowered his head and said, " how has Qingqing been? without me and her mother by her side, has she been eating well? is she in good health? "

Nian lie remained silent.

you don't have to be so surprised at how I found out. I knew that you were the one who took her away from me the day she went missing. Why else do you think I didn't call the police? " Mr. Ning continued.

Nian lie knew that father ning wasn't someone who didn't know anything.

On the contrary, compared to mother ning, he had a much clearer view of many things, and his decisions were also well thought out.

He had already experienced it three years ago.

Nian lie's voice was muffled. she's fine. At first, she would throw a tantrum. Now that her mood has stabilized, her body is also in the process of recovery.

"Where Are the Children?"

Nian lie's back straightened even more.

it's not very optimistic. Doctor Qianqian has already told you about her physical condition.

At the mention of ning Qing's health, both of them felt a little depressed.

Her body had been injured before, and it was not easy to conceive this child, but that farce had still happened before.

Father ning took out a pack of cigarettes from his pocket. It was the kind that was neither good nor bad.

Then, she handed one to Nian lie.

He paused for a moment before he took it with both hands.

"You're not Yingluo."

Don't you smoke?

Father ning's voice was muffled as he bit the cigarette.

they didn't smoke in the past, but in the past two years, they've been thinking about some annoying things. Their mother likes to nag, so they smoke every now and then.

Nian lie's heart sank.

"You're not smoking anymore?"

He lowered his voice. she's pregnant.

I can't smoke.

Because of her and the child, he had given up on the habit he had developed two years ago.

She took out a lighter and lit the cigarette for father ning.

The blue flames burned and extinguished.

Accompanied by the rustling of the rain and the green scenery, there was an additional hint of dejection.

"Nian lie, do you blame me?"

Nian lie's lips moved when he heard the sudden question.

"No," he said in a hoarse voice after a second.

Father ning could tell that the reason he had taken ning Qing away and not revealed any information to them back then must have been because of a grudge.

He took a puff of the cigarette, but it didn't taste good.

He frowned and said, ”

we can't interfere in the relationship between you and Qingqing. However, as her father, I know that you have already divorced her. No matter how I think about it, I can't let her give birth to another child without caring about her health.

Nian lie lowered his head and said, ” I understand.

Father ning frowned, and his face was covered in smoke.

she may not remember what happened in the past, but we do. I want to forgive you, and I also want to look at what's in front of me and think about Qingqing's future. But the fact is that you're divorced, and she's pregnant with her ex-husband's son. It's not good to say that.

“.....”

“Because of your special identity, there are many people watching you from the outside. Your every move is magnified infinitely. It's going to be tough for Qingqing who doesn't know anything. As her parents, we don't want her to be too tired.”

He turned his head and looked at Nian lie, whose features were clear.

“Her mother and I don't want her to repeat the same mistakes. Don't blame us.”

Chapter 210: If you really love her (1:

Father ning's words resonated with a certain memory in Nian lie's mind.

Her thoughts were entangled tightly.

His chest was heavy, and he couldn't breathe.

dad, I understand what you're doing, ” she replied slowly. I also understand that you don't want her to be hurt. I'm sorry.

In the end, the countless words that had accumulated in his throat turned into an apology.

Father ning looked at him, sad but clear at the same time.

there's nothing to be sorry about. I know you've been suffering these past few years.

After staying by ning Qing's bedside for a few years, they, as her parents, had long been numb to fatigue and hoped that she would wake up one day.

However, when she woke up, she still ended up in this state.

Everything was still as painful as before.

Father ning sighed, and his eyes looked away.

Nian lie, when I handed her over to you back then, a large part of the reason was that she used to like you from the bottom of her heart. But later on, she really hated you.

Nian lie's eyes were slightly red, and his hands on his thighs were trembling.

He understood.

He understood everything!

If she didn't hate him so much, she would have died.

If she wasn't so helpless and desperate,

How could she have chosen to forget him in such a way?

And why would Wanwan punish him with two years of life and death?

Father ning saw that he was in pain. Although he couldn't bear it, he thought of his daughter who was missing, so he hardened his heart and continued.

I don't know what happened between the two of you when she woke up, but the result wasn't satisfactory. You two still got divorced in the end. It's clear that it wasn't the right decision to let Hanhan be.

Nian lie's heart felt as if it had been struck by a heavy hammer. The sadness in his dark eyes was obvious.

His thin lips trembled. dad, ran ran.

Father ning threw the finished cigarette on the ground and stepped on it.

White smoke rose from the ground.

"Nian lie, there are some things that might be wrong from the start."

The man's eyes were completely red, and his whole body was tense like a tight string, as if it would break at any time.

The emotions in his heart surged wildly.

Looking at the middle-aged man's expressionless face, Nian lie knew that it was useless to explain.

Panic and heartache filled the air.

He couldn't think of any other way, so he could only move his body and kneel on one knee.

"I'm sorry, dad!"

In the cold wind and rain, a tall figure knelt on the ground with his head lowered. That face that could turn all living beings upside down was stained with sadness and despair, and tears seeped out of his eyes.

This made father ning's heart tighten.

Nian lie's jaw was clenched tightly as he tried to control his frantic emotions. His voice was deep, but it was trembling.

dad, I know. It's my fault. I didn't protect her well and made her hurt and sad. You and mom can blame me, but I'm a coward.

I can't lose her.

The man who had always been arrogant and Noble in the eyes of others not only lowered his noble head in front of this ordinary father, but his voice was also humble and pleading. His eyes even turned red.

However, even if he was already like this, he still seemed so insignificant in front of a father who only wanted his daughter to live a stable life.

Nian lie, Qingqing has suffered too much. We can't torture her anymore.

Grief filled his eyes.

Nian lie gritted his teeth. you and mom can trust me one more time.

As he spoke, he knelt down on the ground with his other knee.

Father ning reached out to stop her.

Nian lie raised his head, a hint of hope clearly visible in his dark eyes.

Father ning didn't look at him. He hardened his heart and shook his head.

if you really love Qingqing, Nian lie, this time, you should let her make her own decision.
