

Mr Nian 251

Chapter 251: Stepping onto the unfinished bridge (1:

The bodyguard didn't understand what she was saying. Just as he was about to say something, Lu Zhui walked out while making a call.

hurry up and find her. If you can't find her, you don't have to stay.

The few of them looked over and saw Lu Zhui walking over with a worried expression.

The woman, who had been nervous just now, seemed to be frightened and ran away in a panic.

The few of them were puzzled.

Lu Zhui walked to the front and looked at the people who were looking at each other. what are you guys doing? "

The bodyguard lowered his head. someone was causing trouble just now. We just chased them away.

Lu Zhui frowned. who is it? "

The man pointed at the woman who had walked away. He could no longer see her clearly.

However, Lu Zhui's heart skipped a beat. He had a bad feeling about this.

Before he could say anything, the phone rang. He didn't look at the woman again. guard all the entrances. Don't let any media in.

"Yes."

Lu Xuan turned around and walked into the venue.

After ning Qing dodged Lu Zhui, she walked on the street in a daze, like a lonely soul with no place to go.

Her heart seemed to have been placed on an ice block, and she could not feel it at all.

In a corner, a man carrying a camera looked at ning Qing. No matter how he looked at her, she looked familiar.

He touched his chin and muttered to himself,"why does this woman look so familiar?"

The assistant beside her looked at the woman who seemed to be out of her mind. Then, she saw her big belly and her eyes widened in surprise.

"She does look: little familiar," she said weakly:

The man thought for a while but couldn't remember.

The assistant looked at ning Qing's side profile and said hesitantly,"she looks a little like Bai Qingqing."
&Nbsp;

The man slapped his thigh. what the hell? isn't that Nian lie's ex-wife? "

The assistant was confused when he saw how excited he was.

The man held her hand and smiled. my good disciple, the day we can turn over a new leaf has come!

The assistant was confused.

The man narrowed his eyes and analyzed, "look at her belly. She's at least six or seven months pregnant. If you calculate the time of her divorce with Nian lie, she should be at the wedding at this time, Huanhuan.

The more the man spoke, the more energetic he became. He felt as if the explosive headlines were right in front of him.

"If her child is Nian lie's, we'll be able to secure our bonus for this semester!"

"But she looks so sad," the assistant said timidly, not quite agreeing.

The man turned around and glared at her. as a paparazzi, it's a taboo to sympathize with others.

"....."

get ready. If you can't get today's news, I'll go back and ask my boss to fire you!

The girl could only nod with tears in her eyes.

The man carried the camera and turned it on. At the same time, he asked the girl to turn on the live broadcast and watch ning Qing's back.

"Master, what's the livestream room called?"

The man thought for a moment, and his eyes lit up. let's call it 'pregnant ex-wife suddenly appearing outside the wedding venue, is it to redeem herself or to ruin the wedding venue'!

The little girl responded with an "Oh" and did not dare to disobey him.

After changing their names, the two of them quietly followed.

However, ning Qing knew nothing about this.

She walked slowly on the road, wearing thin clothes and a patient's gown, which made her look even more weak and sad.

His bulging belly seemed to be mocking her inner thoughts.

Before she knew it, she had reached the municipal Bridge.

The unfinished bridge was not safe. The construction tools and materials were piled up everywhere, and the bridge had not been fenced.

Ning Qing's eyes were empty and dark, without any hope.

"....."

So, she turned her toes and crossed the roadblock with difficulty, stepping on the unfinished bridge.

Chapter 252: Don't embarrass the Nian family with so many people watching (1:

Behind her, the people following her had changed from two to a group. They were all carrying video cameras, holding mobile phones and cameras, and pointing them at her figure.

Cold and greedy.

No one dared to follow her, because they were all afraid of an accident.

Ning Qing walked to the middle of the bridge and looked around. There was a crowd there.

She lowered her eyes and took out her phone from her bag. She found the live broadcast of the wedding on the internet.

The lights were dazzling. The woman's figure was slender, and her wedding dress was pure and flawless. With her face, she was beautiful and moving. The man beside her had a steady figure, and he was gentle and elegant like never before.

The bridesmaid was carrying a child in her arms. He was small, but he made his presence known to everyone.

"....."

Ning Qing's fingers stopped there, and tears fell drop by drop.

She was completely numb.

After he left, he made a call.

At the wedding venue, Lu Zhui's phone rang.

When he saw that the caller ID was ning Qing's, he was shocked. He wanted to answer the call, but after seeing Nian lie's name, he didn't know if he should.

However, Nian lie, who was beside Bai Qingqing, seemed to have sensed something and walked over to him.

"Lu Zhui,"

He hid his phone behind his back out of reflex.

He lowered his head. young master.

Nian lie had always felt that there was something wrong with him. give it to me.

Lu Zhui's entire body trembled. This was the first time he had disobeyed an order.

This time, Nian lie was sure that he was hiding something from him.

The moment he thought of something, he could not hide the panic in his heart.

"I told you to take out your phone!" He ordered.

Thus, the phone was handed over.

The missed call came from Ning Qing, whom he had not seen for a long time.

How did she get her phone?

Nian Yu's pupils shrank, and he called back without thinking.

The call was connected.

He tried a few more times, but it didn't connect.

The frustration in his heart grew. He locked Lu Zhui's arms tightly. "What are you hiding from me?"

Lu Zhui broke out in a cold sweat.

He said, "Young Madam is not feeling well, so I sent someone to send her to the hospital, and then ran."

"What happened to her?"

Lu Zhui didn't dare to look at Nian Lie. Young Madam is gone.

Nian Lie's mind buzzed. Lu Zhui hurriedly said, "Young master, I've already sent people to look for her. We should be able to find young Madam very soon!"

The anger of being deceived and the strong sense of uneasiness made Nian Lie confused.

He threw a punch at Lu Zhui's face, causing him to fall to the ground.

The commotion attracted the attention of everyone in the banquet hall.

Mrs. Nian, who was conversing with the others, consoled them with a few words and walked over, her expression dark.

"Luan 'er, what are you doing?"

Nian Lie gritted his teeth and clenched his fists tightly.

Lu Zhui was in pain, but he quickly stood up.

"I'm sorry, Madam. I didn't handle a project well and offended the other party. It's only right for young master to be angry."

His mother looked at him coldly.

Bai Qingqing also walked over and held Nian Lie's hand. She glanced at Lu Zhui and said, "Brother Che, today is our wedding day. Don't be angry anymore."

"Alright, alright. It's just a small matter. Today's a big day, so don't get angry over such a thing."

Even though Mrs. Nian was unhappy, she was more afraid of embarrassing the Nian family in front of so many people.

She walked up to Nian Lie, who didn't look depressed, and tidied his collar. Her dark red lips curled up as she warned, "

che 'er, there are so many people here. Don't think of causing any trouble. Your father and I will be watching. Don't embarrass us.

She patted his chest and went to greet the guests.

Bai Qingqing didn't understand, and Nian lie didn't say anything.

Nian che leaned to the side with a glass of fruit wine in his hand. Seeing that they had not started fighting, he said disdainfully, " how boring. he was about to walk away.

"Nian che." Nian lie suddenly called out to him.

Chapter 253: If you find the young Madam, you must reply (1:

The other party was not in a good mood. what? "

He had nothing to say to his blind brother!

Under Bai Qingqing's intense gaze, Nian Jing suppressed the heavy emotions in his eyes. He glanced sideways at Nian che, then said, " I'll leave the rest to you.

Of course, Nian che wouldn't do it.

"On what basis!"

Why did he have to clean up his mess!

He was not willing to!

Nian lie didn't care about his wishes. He ordered Lu Zhui in a serious tone,

Lu Zhui, give him some instructions. Tell him to handle it now.

He then pulled Bai Qingqing away.

Nian Xi exploded in anger. hey, what do you mean by that? "

Lu Zhui blocked Nian Che's path. His lips were slightly curved, and his gaze was extremely complicated.

"Second young master, please follow me."

"I'm not helping him!"

This kind of man who abandoned his wife and children, he would never associate with him!

Lu Zhui pulled a long face. it's about young Madam.

Nian Jin narrowed his eyes and looked at the woman who was dragging her white wedding dress. He felt a chill in his heart.

"It's miss ning," Lu Zhui could only confirm.

He widened his eyes and pulled him to a place with fewer people.

“What happened to my sister-in-law?” he asked anxiously.

Lu Zhui gritted his teeth and revealed everything.

Nian che was so flustered that he almost slapped his wooden head.

a pregnant woman is missing, and you’re only telling me now?!

Moreover, today was such a special day. If his sister-in-law saw anything, even if his brother had ten lives, he would not be able to exchange it for her!

Lu Zhui also felt very guilty. He hadn’t expected that he still hadn’t found young Madam.

it’s my subordinate’s and my negligence. I’ll apologize to young master after this and accept punishment. However, it’s an urgent matter now, and young master can’t leave. So, we can only ask you to look for young Madam.

Nian che was so worried that he spun around on the spot.

“I’m leaving. What if my mom and the others look for me later?”

“I’ll hide it for you and try my best to delay them,” Lu Zhui said.

“.....”

please agree. Young Madam’s safety is in your hands now.

Lu Zhui’s head was very low, and he didn’t try to hide the begging in his words.

Nian che walked back and forth several times, then looked at the tall man in the crowd and finished the wine in his glass.

He gritted his teeth and his eyes were red. this is the last time I’m helping him!

If he let ning Qing down again, he would not acknowledge this brother of his in the future!

With that, he smashed the bottom of his cup on the table.

Like a gust of wind, Nian che swept past Lu Zhui.

you have found the young Madam. Please reply.

“.....”

Nian che walked away, not sure if he heard her.

Lu Zhui watched as his back slowly disappeared, and the worry and guilt in his heart grew.

Nian che loosened his tie as he ran out of the hotel’s back door.

The bodyguard saw him and asked in surprise, “second young master, what are you doing?”

give me the car keys, ” Nian che said sternly.

The bodyguard didn't dare to disobey, but he said, "master and Madam have said that no one can go out." &Nbsp;

Nian che snatched the keys from her. He was a few centimeters taller than her and looked rather imposing.

He had had enough of being controlled by his parents, without any dignity or freedom to speak of.

He definitely couldn't be like his brother and let them do as they pleased!

how dare you stop me? you better f * cking take a good look at who I am!

He pushed the person in front of him away, his aura sharp and his eyes terrifying.

For a moment, no one could react.

Seizing the opportunity, Nian che rushed to the car parked at the side.

He opened the car door and started the engine.

Someone even came up and knocked on the car door, trying to stop him.

He stomped on the ground, and with a loud boom, he left.

Chapter 254: The news that she wanted to jump off the bridge (1:

Nian che drove the car and searched the streets, but he did not see ning Qing.

A long time had passed. It was almost 12 o'clock, and the wedding ceremony was about to begin.

Nian Che's phone rang.

She immediately picked it up.

"Second young master, have you found her?"

no," Nian che replied with a serious expression.

How could they find it if they searched aimlessly?

the wedding is about to begin," Lu Zhui said: please find young Madam.

I know," Nian Yu cursed.

As soon as he hung up, the call came in again.

It was from Butler Lu.

His parents were looking for him.

Nian che was in a daze as he hung up the call. When he looked up, the car in front of him suddenly braked.

He was careless and bumped into the other party.

“Bang!”

Nian che was extremely frustrated. He smacked the steering wheel and unbuckled his seatbelt.

“Do you know how to drive?”

The other party was actually a woman.

Nian che found it familiar.

When she turned around, it was actually su Yinuo!

He was in a bad mood, and he scolded her. I’m really unlucky to have met you. Su Yinuo, can you not come out and harm others?!

Su Yinuo did not expect it to be him either. She took off her sunglasses and revealed her beautiful little face. isn’t he getting married? you’re still in the mood to walk around.

my brother is getting married. Why aren’t you there to witness his ‘happiness’ and recognize yourself? ”
Nian che sneered. why are you standing here and blocking the road? ”

Su Yinuo’s eyes flashed with a hint of sadness.

“It’s none of your business,”

She crossed her arms and looked at the back of the car arrogantly.

“Tell me, how are you going to solve the problem of you hitting my car?”

Nian che was about to go crazy from anger.

“You were the one who f * cking hit the brakes all of a sudden and caused me to crash into you!”

“That’s because you bumped into me.”

Nian che took a deep breath. I don’t have time for your nonsense.

He returned to the car and was about to reverse the car to leave, but su Yinuo blocked his way.

With an emergency brake, Nian che almost hit the steering wheel.

He stuck his head out of the car window. if you’re looking for death, get lost!

Su Yinuo took her time and lowered her head to look at his expression. why? are you in a hurry to die? ”

Nian che gritted his teeth. I’ll say it again. Don’t mess with me. I have important things to do!

“You must have seen the news,” the woman’s beautiful face remained calm.

Nian che furrowed his brows. what new Qianqian? ”

“The news that she’s going to jump off the bridge.”

She was calm and collected, but she stirred up a huge wave in Nian Che’s heart.

what did you just say?!

Su Yinuo looked at him strangely, then reacted. so you don't know.

Nian che stuck half of his body out of the car window and grabbed her hand. what are you talking about! What's wrong with my sister-in-law?"

Su Yinuo stepped back in disgust, but he was too strong, and she couldn't break free.

She could only hold the phone and show it to him awkwardly.

The screen shook violently. On an unfinished bridge, a woman in white sat on the bridge with her feet suspended in the air, as if she would be blown away by the wind at any moment!

Nian Che's eyes widened.

Su Yinuo retracted her hand. this matter has already been reported on the news in Ying city. The entire city is about to know about it.

"How could this be?" Nian che mumbled.

Su Yinuo's gaze flickered when she thought of what had happened yesterday.

"She knows," she said.

"Know what?"

"I know that he's getting married to Bai Qingqing today."

Nian Che's eyes widened. how could that be? my brother said he didn't tell my sister-in-law.

His sister-in-law had been very gentle ever since she had the child. His brother had also protected her well. How could she have known?

Su Yinuo's gaze shifted away unnaturally.

it's you! Nian che suddenly understood.

Chapter 255: You're getting married today, congratulations (slightly abused)_1

Su Yinuo shook his hand off. so what if it's me? your brother treated her like a fool and fooled her around. To think that she's pregnant. He's so embarrassed.

1

"You shut up!"

Nian Che's eyes turned red as he retorted angrily, " su Yinuo, I know you're not a good person. I didn't expect you to do something like this. You're so evil!

His sister-in-law was already so upset and was hanging on by a thread. Now, she was telling her something like this. No one could take it!

After he finished speaking, the fear in his heart grew.

"If anything happens to her, the entire su family won't be able to save you!" He yelled at the woman.

"I'm Yingying!"

Nian che didn't want to see her again, so he started the car and sped off.

Su Yinuo stood on the spot and pursed her lips, not saying a word.

Her phone rang and she picked it up.

"Come over and pull my cart."

As Nian che drove in a certain direction, he took out his phone and clicked into the trending search.

The woman's slender figure was still sitting on the bridge, not watching the video.

He quickly recognized that she was at the municipal Bridge. As he rushed over, he called Nian lie.

However, the call was busy.

He threw his phone away angrily, his black eyes flashing with deep worry.

What he didn't know was that at the wedding venue, the emcee was giving a speech affectionately. A woman in a wedding dress stepped onto the arch bridge that was covered with fresh flowers, and under the thin veil was Bai Qingqing's face that was as bright as peach blossoms.

She was very excited and happy.

After waiting for so long, she finally got her wish of marrying him!

All his previous efforts had not been in vain!

From now on, she would be the young Madam of the Nian family, the only woman by his side!

Suppressing her excitement, she walked towards the other end of the stage.

Below the stage, Nian lie stood there, slightly lost in thought.

He was holding his phone in his hand and Lu Zhui was standing beside him.

His heart was unsettled. He wanted to ask Lu Zhui something, but his phone vibrated.

Ning Qing again.

He was picked up in a second.

"Ning Qing!"

At this moment, the woman was sitting on the edge of the bridge, her feet hanging in the air.

Ning Qing did not mind the crowd's discussion.

She said in a hoarse voice, "Nian lie, Qianqian."

where are you: ! Nian lie asked: no longer in the mood to think about how she had gotten her hands on his phone.

"Are you happy?: ning Qing's tears fell. She did not answer:

Nian lie was stunned.

"Congratulations on your wedding today," she continued.

Her sad eyes drifted to the distant River, and coldness spread through her body.

"....."

Nian lie's thoughts were in a mess. An uncontrollable chill rose from the bottom of his feet.

"I'm so stupid. I knew you were lying to me, but I still believed you."

His heart ached so much that he was about to suffocate.

Ning Qing took a deep breath. She couldn't hold back the pain and despair that filled her.

Her mind was filled with her imagination.

There were photos of her and ning su, of him and ning su, and also Huahua, of him and Bai Qingqing walking hand in hand into the wedding hall.

Ning SU's warning in her dream was still ringing in her ears:

"Don't give him any love, he will kill you."

There were some things that she did not believe.

However, some words would really come true.

Ning Qing smiled, the corners of her eyes curving up. It was a poignant and moving smile.

The cold wind raged, and the river was shrouded in mist.

Her entire body was trembling, but she didn't know if it was because of the cold or because of sadness.

"You've deceived me so much."

"You've never thought of continuing to walk down this path with me."

you've harmed my sister and deprived me of my freedom. You're so lowly and lowly. I hate you so much. Nian lie, I hate you!

Chapter 256: Nian lie, I hate I love you (sadistic)_1

"But, I love you, Yingluo. I still love you, haha."

She mumbled incoherently as she clutched the fabric of her chest tightly with one hand. In the end, she burst out laughing.

The ear-piercing laughter caused Nian lie to lose his calm.

"Where the hell are you?!" He asked with reddened eyes.

Ning Qing continued, ”

“If I had known this would happen, I would have insisted on getting a divorce from the start and stayed far away from you. Why should I be immersed in the little bit of kindness you have for me? The results were all fake, all fake Yingluo.”

These words crushed Nian lie’s rationality.

He growled, ” don’t say such things. Calm down. I’ll explain to ning Qing what happened today. Wait for me!

The woman did not answer.

After more than ten seconds, the wind from the other side blew over, making a whooshing sound.

Then, the woman’s voice was so light that it was weightless, but it was filled with hatred.

Nian lie, I hate you. I love you.

if there’s a next life, I hope I can suffer all the pain in this world. But please don’t let me see you again.

The call ended.

When Nian lie called again, the call was already engaged.

Intense fear and terror rushed up to him, and he could not keep his mind.

“Let’s welcome our groom onto the stage,” the host announced.

Below the stage, he stammered and did not react at all.

Everyone looked over.

young master: ” Lu Zhui said in: low voice: ” we’re still one step away. Please wait: little longer.

No!

He could not wait!

Ning Qing was stunned.

A strong sense of uneasiness was about to take his life.

Nian lie’s face twitched slightly. He tugged at his bow tie and was about to walk out.

“Young master!”

“Luan ‘er, stop right there!”

Nian Xiaomu’s mother stepped forward to block his way, not forgetting to threaten him, ”

“What do you want to do? everyone’s watching!”

Nian lie glanced at the Furious Nian Junting. He couldn’t wait any longer. I want to see her! No one can stop me! he said in a hoarse and panicked voice.

He walked past mother Nian and dashed out.

Everyone was stunned, including Bai Qingqing, who was on the stage.

“Brother yang!”

Nian lie’s back view was resolute and he did not turn back.

“Stop him!” Nian Junting stood up and ordered.

A group of people swarmed up, and the banquet hall was in complete chaos.

However, at that moment, Nian lie’s mind was filled with ning Qing’s despairing cries. His heart was about to break.

No matter who it was in front of him, he would beat them up as if he had gone crazy.

There were more and more people, but he still didn’t give up.

Fortunately, Lu Zhui and his men arrived in time and stopped those people.

“Young master, please leave quickly! Go and save young Madam!”

Nian Yun’s chin was bruised, and his gaze was extremely terrifying.

He couldn’t care about anything else, so he turned and rushed out.

The intense fight, accompanied by the screams of the crowd, rang out behind him.

He was like an Asura who had finally retreated from the battlefield and was about to run to the person he had been thinking about.

The journey to the entrance was considered smooth. Before she could get into the car, an anxious female voice called out to her.

“Brother yang!”

Nian lie stopped.

Bai Qingqing lifted the hem of her dress, which had a long trail behind it. Her veil had fallen somewhere, and her hair was hanging down in a mess.

She walked to him with tears in her eyes and begged, “where are you going?” You’re going to leave me and the child for her again, aren’t you?”

Nian lie didn’t say a word. His dark and quiet eyes didn’t light up.

Bai Qingqing’s heart was burning with anxiety, and her face looked extremely fragile.

“Don’t leave me behind, brother Yan, don’t! It’s our wedding day, you can’t waste your time!”

She shook her head and cried pitifully.

However, there was only the woman on the other end of the phone who was filled with sorrow in Nian Xi’s heart.

His hands that were hanging by his side trembled slightly, and his eyes were filled with heartlessness and coldness.

“Don’t cry,”

Chapter 257: From the beginning to the end, I never thought of marrying you (1:

Bai Qingqing was stunned for a moment, her tears hanging on her long eyelashes.

“I won’t marry you, Bai Qingqing.”

“What?” the woman’s red lips were open and her voice was unstable.

“From the beginning to the end, I’ve never thought of marrying you,” Nian lie said clearly, pushing her away from him.

He just wanted to expose her and his parents ‘true colors at the wedding.

He had been waiting for this day.

He didn’t even mind hurting the woman he loved the most.

1

Bai Qingqing’s limbs went limp. At that moment, she didn’t seem to recognize him.

She pretended to be calm. brother che, what are you talking about? I don’t understand ran ran.

“You don’t understand, do you?”

Nian lie answered quickly, not hiding the frostiness and anxiety on his face.

He took out his phone and impatiently tapped on it a few times before showing it to her.

Bai Qingqing’s face blushed, and all the blood drained from it, leaving behind a pale white.

Nian lie kept his phone, his expression cold and distant.

you’d better pray that she’s fine. Otherwise, Bai Qingqing, you won’t have an easy life for the rest of your life, including that child of yours.

After saying that, she watched as he got into the car and left.

“.....”

Her legs went soft, and all the pride and excitement she had just now disappeared.

Her mind was filled with the thought that he knew everything.

Extreme fear rose from the bottom of her feet, and she couldn’t control herself. She clutched the wedding dress tightly, only to realize that she had been used by them.

It didn’t matter if it was him or his parents.

Just now, Nian Yun's eyes were filled with killing intent and hatred.

Bai Qingqing's heart turned cold. Thinking that she still had a chance of survival, she dashed into the banquet hall.

The crowd was too chaotic, and she dodged left and right. Countless people stepped on the hem of her wedding dress, which was dirty and disgusting.

She stumbled onto the stage and stood at the highest point. As soon as she heard Nian Xiaomu's mother's voice, the huge screen suddenly turned black.

Everyone looked over.

The screen lit up.

Then, photos of women were displayed.

Bai Qingqing's pupils contracted abruptly.

The woman was chubby, short, and round. She was wearing a cheap shirt and shorts. Most importantly, her face was flat with baby fat. She was plain and could even be described as ugly.

Bai Qingqing suddenly screamed, who is it? Quickly turn it off!"

However, no one paid her any attention.

The photos were shown one by one like a slideshow.

However, the photos after that were different.

The woman appeared in a well-known hospital, famous for plastic surgery.

Then, the woman's face began to change.

Her chin was sharp, her double eyelids were cut, the corners of her eyes were opened, her lips were full, and her nose bridge was filled up. After a series of changes, she finally had a perfect and moving face.

All the guests looked at the crazy woman on the stage.

"Argh! Turn it off!"

"Don't look, don't look!"

"This isn't me! This isn't me at all!"

Bai Qingqing waved her hands around like she had gone crazy, but she accidentally tripped on the train and crashed into a corner of the stage.

The pain came and she carefully touched her face.

"My face is ruined by the blood! Don't, don't!" She was like a trapped beast, screaming non-stop.

The scream was sharp and unpleasant, making everyone cover their ears uncomfortably, and their eyes began to show disgust.

In the crowd, someone said, "so you're a woman who has had plastic surgery. No wonder. she looked over fiercely and roared, "you're talking nonsense. Do you believe I'll tear your mouth apart?"

As soon as she finished shouting, a strange sound came from behind her.

It was the overlapping voices of men and women, some light and some heavy.

Her back stiffened.

She slowly turned her head, and her face clearly entered the camera.

And on top of her, there was a man making bold moves.

Chapter 258: Ning Qing, wait for me!(Slightly abused)_1

"So this was the reason why I didn't want to marry you when I was young."

"You're a promiscuous woman, yet you still dream of marrying into a rich family!"

"It's too disgusting. What's the difference between this kind of person and a prostitute? How do you still have the face to live in this world?"

"....."

The sounds of fighting disappeared and were replaced by harsh insults.

Bai Qingqing's hands were covered in blood as she stared at everyone in a daze and panic.

"It wasn't me, this wasn't me!"

Nian Xiaomu's mother walked out from the crowd and stood in front of her.

There was not a trace of pity in his eyes when he saw her go crazy. Instead, there was cold disappointment and heartlessness.

However, Bai Qingqing thought that she was here to save her.

She crawled over on her knees and tugged at her skirt.

"Auntie, this isn't me. Someone must be framing me! You'll believe me, right?"

Butler Lu kicked her, and Bai Qingqing let go in pain.

Nian Xiaomu's mother and father looked at each other, then said, "

how dare a shameless woman like you dream of entering the Nian family? you're so shameless!

"....."

fortunately, our Luan 'er saw your true colors in time. Otherwise, our Nian family would have become the laughingstock of everyone in the future.

Mrs. Nian's face was cold. someone, catch her.

Bai Qingqing looked at her in disbelief.

“And your child.”

She didn’t know when Lu Zhui had been waiting at the side, but he threw the test results at Bai Qingqing’s stunned face.

Then he announced in public, ”

“This is the DNA test for the child. Her child is not my young master’s.”

For a time, the sound of discussion rose and fell.

Bai Qingqing’s mind exploded. Something had collapsed.

Then, she thought of something and started to laugh.

Her face was full of tears.

you guys really have a good plan. It was you guys who wanted me to get close to him. It was you guys who wanted to control him for the rest of your lives. It was clearly you guys who wanted to control him!

The slap landed on his face, and his lips cracked open, blood oozing out.

you’re just: third-rate actress: ” Butler Lu said sternly: to think that my Madam likes you and dotes on you. How dare you say such disgraceful words!

Bai Qingqing’s eyes were as red as a ferocious ghost’s, and she said resentfully, ” you guys! You guys forced me!”

say no more, ” Nian Juntong ordered coldly. send her to the police station.

“Yes.”

The woman was forcefully dragged away, and her pure white wedding dress was already unsightly.

Bai Qingqing laughed sorrowfully, her laughter becoming increasingly frightening.

“He knows everything. You won’t be happy for long.”

my retribution is here. Remember this, you will receive your retribution sooner or later!

I curse you! I will not let the Nian family off even if I become a ghost!

The mournful curse reverberated in the hall. Everyone’s hair stood on end, but they didn’t dare to reveal anything in front of the Nian family’s parents.

Mr. Nian’s face was dark and gloomy. Mrs. Nian could only put on a look of pity and regret. After giving a simple explanation to everyone, she disappeared from the banquet hall with Mr. Nian.

This farce was finally over.

On the other side, Nian lie was driving down the street at an astonishing speed.

He kept calling ning Qing's phone, but it didn't go through.

In between, he saw the address and video link sent by Nian che.

He accidentally entered the video.

In the distance, the petite and thin woman was sitting on the bridge, so she could barely be seen clearly.

But he recognized her immediately. It was ning Qing!

His heart ached so much that he couldn't breathe. Suddenly, his vision turned black, and there was a metallic taste in his throat.

Then, the huge object in front of them crashed into them.

Nian lie had no choice but to turn the steering wheel, but he still collided with it.

The car overturned.

The violent impact and pain were overwhelming in his body.

However, he climbed out of the car with his willpower.

He was covered in blood, and the people around him were pointing at him.

It was as if he was holding on to his last breath as he clutched his numb chest. There was liquid flowing down in front of his eyes.

ning Qing, don't. Wait for me.

He fought with all his might, ignoring the obstruction of the passers-by, and dragged his heavily injured body numbly in that direction.

Blood flowed down his pants.

The ground was covered in blood.

On the river, the cold wind whistled, cutting the woman who was on the verge of collapse like a knife.

Without feeling anything, she held her phone, which had little battery left, and called her parents for the last time.

"Mother!"

Mother ning's voice was buzzing. She seemed to be sleeping.

"Qing Qing? Is that you?"

She was surprised, but ning Qing smiled and cried. it's me, mother.

“Where are you? How are you? how have you been? Where’s the child? Is the child still there, Yingluo?”

Ning Qing did not answer the series of questions.

Her heart ached to the extreme, and the bone-chilling cold coursed through her limbs, again and again, until her blood coagulated.

“Mom,: ‘m sorry,” she cried:

“Qing Qing Qian Qian”

if it wasn’t for me, our family would be fine. It’s my fault for not being sensible and obedient enough, always making you and dad unhappy.

Mother ning slowly realized that something was wrong. Qingqing, why are you suddenly saying this? ”

“I’m sorry, I’m sorry.”

She covered her mouth and cried until she was out of breath.

Ning Qing’s mother asked again and again. Ning Qing gritted her teeth, and the faint smell of blood wafted up.

mom, if there’s a next life, I don’t want to be your daughter anymore, ” she said guiltily. I hope that you and dad will live well. Without me, you’ll live even better.

Mother ning was panicking. Qingqing, don’t spout nonsense! Tell me where you are now, I’ll come and take you home!”

Ning Qing shook her head and apologized again and again.

She hung up the phone after mother ning urged her to stay.

His hand slowly dropped.

The cold wind carried a faint mist and blew on her face.

She couldn’t see her surroundings clearly, and her mind was in a mess.

In her daze, she picked up her phone that was about to turn off and dialed a number.

It had been a few years since she last called that number.

Hearing the familiar beeping sound, ning Qing smiled, but her eyes were dead silent.

As usual, no one picked up the phone.

She opened her pale lips and held her stomach with one hand. The child was kicking her stomach uneasily.

Ning Qing’s eyes were listless as she stared at the air in front of her.

“Sister Qianqian”

No one responded.

Her smile was uglier than her crying. I'm sorry about ran ran's car accident. I'm sorry.

She was sorry to be with him.

She fell in love with him, was hurt by him, and was sorry;

I've let you down for everything."

A low cry was squeezed out from his throat, hoarse and sorrowful.

"I should have listened to you. How could I be so stupid? you clearly did it for my own good. It was me who didn't listen to you, so I'm getting my retribution."

"....."

Ning Qing's ethereal voice was heard. sister, I don't know how to continue.

"Sister-in-law!"

A familiar male voice entered ning Qing's ears.

She turned her head mechanically and looked at the group of strangers.

Was she hallucinating?

He laughed at himself and then stood up shakily.

"Miss ning!"

A timid female voice interrupted, and ning Qing touched her stomach and looked over.

The girl ignored the man's objection and shook off his hand. She took two steps toward the bridge and advised, " don't be like this. Don't hurt yourself for anything. It's not worth it!

Ning Qing looked at her indifferently. Her face was pale and ethereal, and she was untouchable.

The girl was very nervous. there are still many things in this world that are worth remembering for you, and your child. He must want to see you and the world. Don't jump. Can't you just live on? "

Ning Qing was lost in thought.

The child

But the child was also his, and he was the one who had to take care of it.

No, he no longer needed it.

"Thank you," ning Qing said to the woman with a sad smile.

Then, she took a step forward.

There were screams.

She turned around, her clothes fluttering in the wind.

The phone fell to the ground.

She opened her arms and smiled like a flower. There was the pleasure of relief and the desolation of her heart breaking, but she was so beautiful that it made people feel shocked.

“Goodbye.”

She closed her teary eyes and fell backward.

Chapter 260: He jumped down after her (high abuse)_1

“Argh! She really jumped!”

The crowd cried out in alarm.

“Sister-in-law!”

Nian che rushed out of the crowd and pounced on her, but his hand brushed past hers.

Ning Qing was in a daze. The cold water splashed on her body, like bricks hitting her, hard and painful.

Countless river water rushed into her ears, nose, and mouth. She floated and struggled. Her chest was suffocating, and her stomach was in so much pain that she was about to lose consciousness!

It’s alright, you’ll be free.

‘Ning Qing, you don’t have to endure the suffering and pain anymore.’

Let go.

As such, she only touched her stomach, holding her only apology to the child, and did not even struggle anymore.

With his eyes tightly shut, he disappeared into the rapidly flowing river.

“Sister-in-law!”

Nian Ying fell to the ground, his hand hanging in the air. He screamed, his eyes red.

On the other side, the heavily injured Nian lie was on the other side of the bridge, clutching his bloodied chest. Just as he popped his head out, he saw the woman falling from the distance!

His eyes were bloodshot as he stared at the figure being swallowed by the river.

He seemed to be in disbelief as he looked down at his phone.

On the screen, the delicate woman was no longer there!

“Ning Qing! Ning Qing!”

At that moment, his heart felt like it was about to explode, and his tall body trembled like a sieve!

A reporter noticed him.

isn’t this Mr. Nian? why aren’t you at the wedding? ”

“Ah, he has so much blood on him!”

“.....”

Some people were surprised, and some people exclaimed.

Everyone was looking at him. His right foot was bent at a strange angle, and there was a large patch of blood on his chest. His pure white suit was ruined beyond recognition, not to mention his face!

Nian lie couldn't hear what they were saying. As if he was possessed, he dragged his feet and ran toward the bridge!

It exuded a mournful and destructive aura, causing the crowd to consciously make way for it.

He pushed aside the obstacles blocking the road and saw Nian che lying on the ground, crying. His phone had rolled to the side.

He acted as if he didn't see anything. His pale lips trembled as he walked up to Nian che and picked up the phone from the ground.

It was displayed as a call.

He didn't see the caller ID clearly, and the next second, the phone died because it ran out of battery.

Nian che noticed him. He rose to his feet and knelt on one knee. He looked at him with a complicated expression and said, “brother, I'm sorry.

Nian Ying looked at the river.

The wind was extremely cold, and the river water must have been cold as well.

“Where is she?” he asked, unusually calm.

Nian che clenched his fists tightly. His palms were bleeding from the rough ground.

sister-in-law jumped down with her,” he said. I'm sorry, I didn't stop her.

Nian lie didn't answer him immediately.

Nian che raised his head and looked at him. He saw that he was looking at the Misty River surface with his empty and lifeless eyes.

His heart sank. He thought that Nian lie would do something, but Nian lie turned away.

He was so calm that he didn't even shed a tear.

go and call the police. Mobilize all the manpower and connections of the Nian family to get someone to save her.

Nian che stood up completely. He was speechless at his brother's current state. Ge Ge Ge Ge.

“Hurry up and go.”

His expression was very calm. With just a slight observation, he could see the dying soul and the lack of will to live.

It was as if he had already died because of Ning Qing.

He pursed his thin lips. If we're late, we won't be able to find her.

Nian Che was worried, but he couldn't come up with any words of comfort. He could only walk to the side and pick up his phone to make a call.

What he didn't expect was that the moment he turned around, the crowd exclaimed again!

The man's bloodied suit jacket hung alone on the edge of the bridge, ready to fall down at any moment!

Covered in blood, he chased after the girl from a few minutes ago and jumped down with determination!
