

## Mr Nian 301

### Chapter 301: A trip to the Nanshan Cemetery (1:

Father ning's eyes were full of sorrow and he didn't say anything else.

Mother ning stepped forward and held ning Qing's hand. it's good that our daughter is back. If you're really so angry with her, why are you crying on the balcony at night? "

Ning chengfeng suddenly stopped. what are you talking about? "

He looked at the stunned ning Qing, and his eyes became unnatural.

Ning Qing's heart ached even more. dad!

She couldn't care about anything else and rushed up to hug ning chengfeng.

I'm sorry, it's my fault. I shouldn't have left you and mom. From now on, our family will be together forever and never be apart.

Father ning trembled and couldn't stop his tears from falling as he looked at his daughter.

The old Palm finally landed on her thin shoulder.

"It's good that you're back,"

Mother ning laughed with tears in her eyes as she stepped forward to hug them.

"....."

Looking at the three of them who had made up, Yan Sichen was filled with emotions and quietly left the world that only belonged to the three of them.

After that, ning Qing briefly explained her current situation to her parents. She also told them that she had a proper job and everything was going well.

after that, when I'm done with my work here, dad, mom, you can go abroad with me.

Mr. Ning frowned. I'm not used to that kind of Western life. I'm not going.

Mother ning came out with some fruits. She had never been so happy in the past three years.

She glared at father ning. our Qingqing is successful now. What's wrong with her going abroad? " In the future, I'll go wherever she goes. If you don't want to go, you'll have to stay here alone."

Father ning's face darkened.

Ning Qing handed him a piece of Apple and said with a smile, " father, it's actually quite good abroad. The scenery is good. It's very suitable for traveling. Haven't you and mother wanted to go abroad for a visit for a long time? " When things here are over, our family will move in together."

Ning chengfeng's face looked much better after he was fed a date.

He was still stubborn. we'll only know if the scenery is good when we get there.

didn't you just say you wouldn't go? " mother ning mumbled. tsk, men are really fickle.

"What are you saying!"

"....."

Watching the two of them bicker, ning Qing's cold heart warmed up.

Now, she wanted to protect this family.

She would not allow anyone to break them up.

\*

At six O'clock in the afternoon, the sky darkened and it started drizzling.

Mother ning advised ning Qing to go the next day. She had changed into a long black dress and was very determined.

She said, " don't worry, I'll rush back for dinner. then, she left the house with the umbrella.

Along the way, there was some water on the ground. The wheels of the car ran over the puddles and splashed on the sidewalk, slowly seeping into the soil.

She got out of the car and went to the flower shop to buy a bunch of white chrysanthemums.

An hour ago, her father's words rang in her ears.

after that incident, we all thought that you were the pregnant woman who died. Your mother cried and made a scene many times. It was not easy for me to send her body to the crematorium. Later, your mother did not allow me to touch the ashes. I was also afraid that she would not be able to walk out of your death, so I had no choice but to hand the ashes to Nian lie and have him send them to the cemetery to be buried.

"....."

Outside the window, the sound of rain was intermittent.

"Miss: we're here: " The chauffeur reminded her.

She came back to her senses, paid the money, and got out of the car with the flowers.

In the gray sky, it drizzled and the mist lingered. The two rows of banyan trees by the roadside looked sad and sad.

Ning Qing's eyes swept over the words " Nanshan Cemetery " on the stone tablet and she stepped in.

Chapter 302: At that time, I already felt that she wasn't you (slightly abused)\_1

After registering with the Gravekeeper, she walked past the rows of tombstones and found her own tombstone in an especially wide open space.

In the photo on the tombstone, she had a faint smile on her face. It was the version of herself that she had never seen before.

The words "grave of my beloved wife, ning Qing" pierced her eyes.

Beloved wife?

A hint of mockery came out of his lips.

Ning Qing ignored those two words and lowered the bouquet in her hand.

"I'm ning Qing. I've come to see you."

"....."

She held the umbrella in one hand and stood in the rain. Her black dress was solemn and dignified.

"Although I don't know your name, you're lying here. I'm sure you were like me back then, a pitiful person."

Her fingertips slid across the tombstone, and the coldness spread through her fingers and into her whole body.

I'm sorry that your family didn't find you, and you're lying here with a name that doesn't belong to you.

And she, who was supposed to be lying here, could only watch her misfortune from the side.

Perhaps, this woman had died in her place, so she could live.

Ning Qing's eyes softened, and the misty rain behind her made her look even gentler.

"I'll live well."

He wanted to replace her portion of 'together'.

In the misty Cemetery, the woman's thin figure became more and more firm.

Ning Qing had only been standing there for a while when she heard footsteps behind her.

She thought that they were also here to mourn, so she did not turn back to look.

Until the man stopped behind him.

Ning Qing's thick black eyelashes drooped. The warmth in her eyes faded, and they were as cold as the rainy day.

"Ning Qing: : Nian lie said bitterly as he looked at her: who was holding the umbrella:

Mr. Nian, " she said sarcastically, " you're really persistent.

The man was also holding a black umbrella, but his shoulder was still wet.

His eyes flickered, and his gaze slowly fell on the tombstone.

She took a step forward, and the edge of the umbrella knocked against her, shaking off the rain on the ground.

There was a hint of a smile in his eyes as he began to talk about the past.

when your father handed her to me, I held her in my arms. At that time, I already felt that she couldn't be you.

Ning Qing looked at him from the corner of her eyes, her sarcasm obvious.

"From what you're saying, you think that I'm immune to poison and weapons."

Her lips twitched, and her words were laced with poison.

that's why Mr. Nian thinks so. That's why he treated me like that three years ago. That's why he's here with a clear conscience. That's why he's resentful enough to carve the words 'beloved wife' on this tombstone.

"....."

"Nian lie, don't you find yourself disgusting?"

A deep pain hit his heart, and his face turned pale, as if the blue blood vessels under his skin could be seen.

His pale lips were half-open, and his dark eyes were filled with sorrow and pain. Qingqing, it's not like that. I did it for my Hanhan. I didn't expect things to turn out like that.

He really didn't expect that he would force her to give up her life!

If he had noticed that something was wrong with her earlier, he would have laid his cards on the table. He wouldn't have faked his marriage with Bai Qingqing!

He was so deeply in love with her, but in ning Qing's eyes, it was like a big joke!

how could you say something like that for me, Yingluo? Mr. Nian, I've really underestimated your shamelessness.

Ning Qing looked at him, who was slightly hunched over, and the hatred in her eyes slowly gathered, gradually forming a storm that was so strong that it could not be dispersed.

How could Nian lie not have seen it? he didn't know how to explain.

In a panic, the umbrella in her hand fell to the ground.

He pulled her into his arms and apologized by her ear, "

"I'm sorry, I'm sorry."

Chapter 303: As long as you kneel down, I'll forgive you (abuse)\_1

Those words came from the bottom of his heart, like a knife cutting into his heart.

“.....”

Ning Qing couldn't breathe because of his strangling. The umbrella in her hand swayed and finally fell to the ground.

“I never wanted to hurt you, ning Qing.”

The drizzling rain fell on her eyelids, and it was so cold that she couldn't stop her long eyelashes from fluttering.

His nails dug into his flesh.

The physical pain allowed her to maintain her last bit of consciousness.

She tilted her head and pressed it against his cold neck, her hands on his back.

Nian lie's entire body trembled. He was so surprised that he forgot to breathe.

Ning Qing softened her tone. Nian lie, are you in love with me? ”

After losing her, he realized how good she was, so he felt so guilty.

The cold rain dripped down the man's well-defined face.

His sexy lips moved. my Hanhan.

“I know.”

She pushed him away, a faint smile on her beautiful face.

Nian Yu was in a daze for a moment, then he heard her say, ”

“You have indeed let me down.”

“.....”

Ning Qing brushed away the wet hair on her face. but those things are in the past. You and I have a new life, and we are moving forward.

It's over, Yingluo.

Walk forward,

Nian lie felt a dull pain in his chest. The dark light in his eyes shattered. no!

“If you really feel sorry for me, I can accept your compensation,” ning Qing said with a smile.

Nian lie's voice was trembling, but it was unclear whether it was because of the cold or fear.

“If you do as I say, I can forgive you.”

The easy forgiveness was as light as a feather in her mouth.

“What do you want me to do, Huahua: : he asked:

Ning Qing put away her nonchalant attitude and her tone suddenly became cold.

“Kneel down.”

“.....”

She pointed at the water-filled ground, her eyes half-closed. if you kneel here until tomorrow morning, I'll forgive everything that happened in the past.

Nian lie seemed to have lost his voice, his dark eyes terrifyingly quiet.

Ning Qing's lips curled into a mocking smile. what do you think? ”

The cold wind blew the rain away. The man's body was like a sculpture, motionless.

Ning Qing picked up the umbrella on the ground, her half-wet long hair falling to her shoulders.

“Up to you. If you're not willing, I'll also cower.”

“Bang!”

The sound of his knee hitting the ground was extremely clear.

Ning Qing paused.

The man's tall body had already knelt down, and the second half of her sentence was silent.

He had his back to her, his back straight, his trousers dripping with water, and his leather shoes no longer shiny.

Nian lie lowered his head slightly. The raindrops flowed down his face, gathered at his jaw, and then dripped onto the ground.

“If this is what you want, I will do it,” he said.

The man's voice was ethereal and hoarse as the wind blew into her ears.

Ning Qing stared at his back, her hatred completely erupting.

“Then you can kneel. It's best if you kneel until you die.”

With that, she turned around and quickly left the cemetery.

There was not a single person in the foggy garden.

His lonely body knelt there, like a lonely ghost, making people feel afraid and sad.

Ning Qing's thoughts were a little chaotic, and her steps were a little messy.

She rushed out of the cemetery and met Lu Zhui, who was waiting for her at the entrance.

Although he had long heard that she was still alive, the impact of seeing her with his own eyes was still very strong.

His lips trembled. young Madam, young Madam.

Ning Qing stopped in her tracks, her cold face expressionless. assistant Lu, I'm no longer the young Madam of the Nian family. I don't deserve to be called that.

Lu Zhui shook his head and his eyes were warm. I'm sorry, Wanwan. It's great that you're still alive.

Ning Qing was not touched.

The man in front of her had listened to many of Nian lie's words, and he was also involved in Yingluo, who had indirectly caused her to suffer a fate worse than death.

She was not that magnanimous.

Lu Zhui was also a little embarrassed. He wiped the rain off his face and looked behind her.

Nian lie did not come out.

"Young master isn't with you?" he asked.

Chapter 304: Whether he kneels or not, it's his own choice (slightly abused)\_1

Ning Qing sneered. he's inside.

Lu Zhui revealed a suspicious expression.

Ning Qing brushed past him. you'd better go in and see him.

After saying that, the woman rolled up her slightly wet dress and walked away.

Lu Zhui didn't dare to keep her. He was worried about Nian lie and rushed into the cemetery in a panic.

The cold rain was so painful that it made one lose consciousness.

Nian lie knelt there, not moving at all.

Lu Zhui was shocked to see him from so far away.

Was the person kneeling on the ground the young master?

He had broken his pride and buried his noble head, feeling extremely dejected.

Lu Zhui rushed in front of him. young master, what are you doing? get up!

Nian lie pushed his hand away. go away.

Lu Zhui had never seen him in such a lowly state, and he felt very uncomfortable.

"You've always been in poor health, and your hind legs will hurt again if you get caught in the rain!"

It was the aftereffect of his car accident on the day ning Qing jumped off the bridge.

Every time it rained, she would be in so much pain that her face would turn pale and she couldn't even walk. Now, she was actually degrading her own body like this!

"Please get up first, we'll talk when we get back!"

she said that she'll forgive me if I can do it. Nian Ying was stubborn. After shaking him off, she opened her pale lips.

Lu Zhui was shocked.

"But young Madam has already left!"

The man's face could no longer be described as pale, and his slightly twitching heel revealed his pain.

"I promised her," he said. "Don't get in my way. Get out."

"Young master!"

The man lowered his head and did not say a word.

Lu Zhui had no choice but to return to the car and use an umbrella to cover his head.

The shadows of the trees rustled, and the rain became heavier.

Outside the cemetery, Ning Qing dusted off the rain on her body and looked at the woman who had just rushed out of the cemetery.

The woman had a camera around her neck. She covered her forehead with her hands and rushed under the umbrella.

When she looked up, her chubby face was a little pale.

It was Yu Shu.

She made a "done" gesture before saying, "the rain is heavy."

The man looked a little pitiful.

Ning Qing said, "thank you for your hard work. I've already called a taxi. Take a hot bath when we get back. Don't get sick."

Yu Shu laughed. "don't worry, I'm still in good health."

"I've developed the photos. I'll send them to you later," she said after a pause.

"No need," Ning Qing touched her wet hair. "pick a few photos that aren't too clear. Just send them with text."

Yu Shu nodded. "sure."

The two of them were silent as they waited for the car to arrive.

Yu Shu hesitated for a while before she reminded her, "sister Qingqing, I've heard some rumors. They say that Mr. Nian's health isn't very good after what happened three years ago. He knelt there for a whole night. Will something happen to him?"

She looked at Ning Qing again and again as she said this.

But the other party's expression was very cold.

I didn't force him. He's willing to kneel or not.

She didn't show any signs of struggle, so Yu Shu stopped asking.

Not long after, the car arrived. Ning Qing and Yu Shu got in the car and left.

In the rearview mirror of the car, there was a dim yellow light in the cemetery Guard's residence. The light fell on the ground, and the rain was very clear.

Ning Qing's expression remained the same until they were further and further away from the cemetery.

.....

At four o'clock in the morning, the cemetery was dark and eerie.

The cold wind and rain continued to fall.

Lu Zhui's entire body was stiff and he was shivering from the cold. However, Nian lie still didn't show any signs of leaving.

The rain was cold and would hit his body from time to time.

It took ten hours for his chest to go from the boiling blood in the beginning to being soaked in rain.

His cold eyes moved, and a numbing pain crept up his heels to the top of his head.

Finally, he spat out these two words and fell to the ground.

.....

Chapter 305: It was the Nian family who forced the young Madam into a corner (1:

His head was splitting apart.

After some struggle, the man on the bed opened his eyes.

"Young master, you're awake!"

Lu Zhui shouted in surprise.

Nian lie's throat hurt so much that he couldn't say a word. He only snorted and called the doctor to do a full body examination.

the fever's gone, but Mr. Nian, I've told you before that you need to rest well and avoid getting tired. You're under such heavy rain, and your body will collapse sooner or later.

Nian lie took the glass of water from Lu Zhui's hands and took a sip: when can I be discharged?" he asked in: hoarse voice:

The doctor was helpless. you'd better rest for a week.

Nian Yu's eyes were cold. He lay down, looking a little tired. get out.

The doctor had no choice but to remind Lu Zhui about his rest before leaving.

“How long have I been sleeping?” Nian Yu asked, half-leaning on the bed.

“Two days,”

Two days?

Nian lie’s brows furrowed tightly. His voice was filled with the powerlessness and fatigue of an ill patient. where is she? ”

Lu Zhui didn’t answer. Instead, he passed the phone to Nian lie.

“You should take a look at this before you show concern for young Madam.”

“.....”

He took the phone and saw that the top news in ning city was:

the president of the Nian Corporation kneeled before his ex-wife’s grave late at night. Is it because of guilt or repentance? ”

“Three years ago, the pregnant ex-wife committed suicide by jumping off the bridge, is there a hidden story?”

the insider claims that the Nian family is tarnishing this woman’s reputation. They will not let her off even after her death.

There were a few blurry photos below the red words.

In the cemetery, the man’s kneeling figure was blurry.

However, the main character’s face was very clear.

Even if he was brought to any corner of the city and asked, anyone would be able to recognize him, let alone those who were familiar with him.

what’s going on? ” Nian Xi clenched her phone, her eyes dark and cold.

Lu Zhui lowered his head. during the two days that you were unconscious, this news came out of nowhere and even brought up the incident from three years ago. I got someone to block the news, but Wanwan’s news spread too quickly and we couldn’t stop it at all.

After saying that, he passed the report and documents to Nian lie.

many people on the internet are saying that the Nian family is the one who forced the young Madam into a corner. Many people are denouncing and boycotting our company, demanding an explanation.

Nian lie quickly flipped through the documents in his hands, his brows furrowed in confusion.

this morning, our company’s stock price fell sharply, and there were people making trouble at the door.

Nian lie was a little flustered. where is she? is she alright? ”

Lu Zhui was speechless. young Madam is fine.

“.....”

“You should be more concerned about yourself.” Lu Zhui was very annoyed. the company is in your hands. If you torture your body like this, it will be unable to take it sooner or later.

Nian lie couldn't hear what he was saying. He only ordered, “ get some people to protect her in private. Don't let those people bother her.

Lu Zhui couldn't take it anymore.

young master, look at the urgent matter at hand. Young Madam is still alive, so there's no need to rush things between you two.

Nian lie closed the document and threw it aside. Lu Zhui, you won't understand.

He had no idea how afraid he was of Yingluo disappearing again.

She had just returned, and the news that had been quiet for many years had come back. If she thought that he was the one who did it, she would be in trouble.

Nian Xi's forehead twitched, his heart anxious.

Lu Zhui couldn't help but say, “ you don't care about yourself. You only think of her. Are you sure that she still has you in her heart after what you've experienced? ”

Nian lie kept a straight face and didn't say anything.

Lu Zhui frowned and grumbled, “

“If young Madam could really forgive you, she should be standing here right now instead of going to see master Yan.

Besides, we're the only ones who know what happened in the cemetery. Master, do you really think that these negative news have nothing to do with young Madam?”

Chapter 306: Why did she feel that Yan Sichen was flirting with her:

“Lu Zhui!”

Nian lie's face darkened, and his sickly pale face could not hide his anger.

“Don't mention her in that tone!”

He got up and pulled off the IV drip from his hand.

Lu Zhui felt aggrieved and didn't manage to stop him in time. young master, what are you doing now? ”

Nian lie's entire body was shrouded in anger, mixed with unspeakable panic and anxiety.

“Did you just say that she's with Yan Sichen now: : he asked: his throat was in pain and his head was dizzy.

“Qianqian is!”

His hand was hanging by his side, and the bright red liquid dripped down the back of his hand and onto the ground. It was a dark red and flirtatious sight.

Lu Zhui wanted to use a tissue to press on the wound, but Nian lie dodged it by turning his body sideways.

His oppressive gaze fell on him, and he had no choice but to say, " young Madam has reached an agreement with master Yan to design new jewelry for him next season. She's already discussed it with HE. All that's left is to sign the contract, young master!

Nian lie rushed out of the ward, his steps hurried.

Lu Zhui ran as he chased after her. if you go over now, you might not be able to make it in time. Please, Qianqian.

Nian lie suddenly stopped in his tracks, and he almost bumped into his back.

He turned around, and an uncontrollable panic overflowed from his black eyes.

Every word and sentence was extremely clear.

"Where are they?"

Under his cold and terrifying eyes, Lu zhuibai was stunned.

"Jingyue,"

stop them. a glint of light flashed in Nian Yun's eyes. He forced the words out of his throat. think of a way to stop them.

After that, he made a phone call and left even faster.

No matter how much Lu Zhui tried to persuade him, it was useless.

On the other side, ning Qing had just stepped into Jingyue when Yan Sichen arrived.

He sent the others away and poured her a cup of tea. I'm sorry. I was held up by something. You must have waited for a long time.

Ning Qing shook her head and smiled. it's alright. I just got here.

She took out a kraft paper document bag from her bag, untied the thread, and said softly, "

I've already informed the company. There aren't any problems. You just need to sign this contract. I'll have to trouble you to think about the matter of me temporarily joining your company.

Yan Sichen looked at the mature and reserved woman and a faint smile appeared on his gentle face.

"Our Qing Qing has really grown up," he could not help but sigh.

Ning Qing handed him the contract. I've grown up a long time ago. You're the ones who still treat me like a child.

Yan Sichen placed one hand on the contract, his brown eyes gentle and reflecting her figure.

“Isn’t it good to be a child? I hope you never grow up.”

This way, she might still be the little sister he used to love the most.

“.....”

Ning Qing felt the warmth in his eyes and was suddenly at a loss for words.

Yan Sichen’s smile was a little forced. although I said that I hope you’re a child, I still want to take up your rest time and let you work for me, Yingluo.

He changed the topic, and ning Qing went along with it.

work has to be done sooner or later, but since it’s for my brother, there’s no sooner or later.

“Right, brother Sichen: ” ning Qing’s heart tightened when she saw Yan Sichen’s smile fade:

Yan Sichen could not laugh anymore.

The private room fell silent.

The atmosphere was tense.

Yan Sichen casually said, ” then I’ll have to trouble you next. he picked up a pen and was about to sign.

“Don’t you want to look at the conditions?” ning Qing frowned and reminded him.

His smile was light and as friendly as ever.

“I don’t have anything to worry about with you,”

It was a very normal sentence, but it made ning Qing feel uncomfortable.

She looked at the man’s face and fell into a brief daze.

Was she wrong?

Why did she feel that Yan Sichen was teasing her?

I’m busy right now, tell them to wait.”

“Alright, I’ll come back as soon as possible.”

“Is there an emergency at the company?: ning Qing asked with: smile:

Yan Sichen sighed and looked a little regretful. I wanted to have a meal with you, but it seems like I won’t have the chance anymore.

“It’s okay. Come to my house for dinner next time.”

His long fingers reached for the pen, but before he could write, there was a knock on the door.

Yan Sichen and ning Qing looked at each other. He said helplessly, ” come in.

At the door, a woman with a good figure smiled gently. Hello, today is Jingyue's eighth-anniversary celebration. Here are some desserts and small gifts for you. I hope that you can get what you want and have a smooth journey in the future.

"Thank you," he said.

After ning Qing and Yan Sichen thanked him, a waiter came in and placed the exquisite snacks on the table before leaving.

"I wish the two of you a pleasant meal."

After the door was closed, ning Qing put a piece of the candy in her mouth and praised it.

She pushed the small plate over. brother Si Chen, try some Yingying.

Before he could finish his sentence, someone knocked on the door again.

"It seems like your contract isn't that easy to sign," Yan Sichen joked helplessly as he held the pen in his hand.

Although he said that, he still lowered his head and wrote down the three words "Yan Sichen."

The slightly delicate running-standard script was dignified and solemn.

Ning Qing also quickly wrote down her name, and the two of them exchanged the contract.

However, before she could finish, the door was kicked open.

Yan Sichen and ning Qing looked over. Nian lie was dressed in black, standing at the door casually and coldly.

Yan Sichen's face turned cold. what are you doing here? "

Nian lie's gaze swept across the two of them and he beckoned to the person behind him with his finger.

Soon, two men rushed up and took away the two contracts.

Yan Sichen could roughly guess what he was going to do next. He stood up abruptly and said, " Nian lie, Qingqing and I are discussing business. This has nothing to do with you. Put the contract down!

Nian lie held the contract in one hand and lowered his eyes. He carefully scanned through the terms and conditions on it, and his gaze finally fell on the woman's elegant signature.

Ning?

His lips curled into a cold smile, and when he looked up, the coldness dissipated.

"I don't care if you're talking about business or private matters. Anything related to her is related to me."

"You're so unreasonable!" Yan Sichen said angrily. Qingqing is an independent being. Why is she related to you?"

This man was really a lingering spirit!

At the door, a woman with a good figure smiled gently. Hello, today is Jingyue's eighth-anniversary celebration. Here are some desserts and small gifts for you. I hope that you can get what you want and have a smooth journey in the future.

This man was really a lingering spirit!

Nian lie ignored him, his gaze lingering on the woman.

With her back to him, she straightened her shoulders and calmly picked up the teacup, taking a sip.

He walked to her side and looked down at her. why did you sign this with him? ”

Ning Qing swallowed the tea. The fragrance of the tea filled her mouth, and she tasted a faint bitterness.

She paused for two seconds. to earn money, to support myself.

She stood up unhurriedly, looked into his eyes, and said, ” I can’t compare to Mr. Nian. You can earn so much money every day just by sitting in your office. If I didn’t work, I would have died a thousand times.

Her words were laced with thorns, and they easily hurt him.

There was pain in Nian lie’s eyes as he replied in a low and hoarse voice, ”ning Qing, you don’t have to do all this. I can do it.”

“What can you do?” Ning Qing’s cold eyes looked up and stopped him from saying anything.

He looked down at the contract in his hand and held his breath. what he can give you, ” he said, ” I can give you too.

“.....”

Nian lie’s eyes were deep, filled with determination and a barely noticeable hint of begging.

ning Qing, I can give you ten times better conditions. You don’t have to sign this contract.

Chapter 308: Ning Qing, we’ll never be even in this lifetime

Ning Qing’s gaze slowly fell on the unfinished contract.

Mr. Nian, are you trying to Steal My Girl? ”

The meaning behind his sneer was unclear.

yes, ” Nian lie replied with certainty.

Her pink lips curved up, and her smile was so beautiful that it could turn all living beings upside down. Her every move was so vivid.

He could not help but be stunned.

Ning Qing looked up at him and said in a business-like tone, ”

“But I’m sorry, I’ve already spoken to master Yan on behalf of our company. After all, this is a work matter and I can’t make the decision. If you really want to work with our company, you can contact my boss in advance, Yingluo.”

Nian lie’s gaze was fixed on her bright and beautiful face.

Even though he was rejected by her, his face did not change.

"I want you, can I?" he said in a low and magnetic voice.

Ning Qing gritted her teeth and did not show it.

"If it's the company's arrangement, of course you can."

"Alright," he said.

His answer was straightforward, and no one could figure out what he was thinking.

Yan Sichen was stopped by someone. He saw the interaction between the two and felt depressed and uncomfortable.

He interrupted their conversation, " you're done. You can leave now!

His hostility towards Nian lie was so strong that everyone present could sense it.

"Give me back the contract!"

He stretched out his hand, the anxiety and worry on his face obvious.

Nian lie tilted his head and looked at him, his eyes cold and distant.

His eyes turned cold and ruthless.

Yan Sichen had a bad feeling and saw the man weighing the paper in his hand.

Then, the big palm grabbed one end and tore it apart.

"Nian lie!"

The contract had already been cut in half.

Ning Qing couldn't hold it anymore. this is my job. Mr. Nian, have you already disliked me to the point that you want to ruin my future? "

Her gaze was like a knife, cutting through his heart.

The paper in his hand fell to the ground.

She glared at him and said, " didn't we agree that we're even? I tried my best not to appear in Mr. Nian's line of sight. You were the one who insisted on looking for me, and now you don't like me? "

Nian lie caught on to some of the words she said and frowned.

"What do you mean?"

She sneered. I made it clear in the cemetery. If you do as I say, I'll forgive you for what you've done in the past. I'm a man of my word and I'll let you go as you wish. Why? are you suddenly going back on your word? "

Even?

How could she let it go!

Nian Xi held her hand tightly and pulled her into his arms, but ning Qing quickly pushed her against his chest.

His words were very urgent, and his pale face was filled with anxiety and a little madness.

“Even? You and I have had a child together, how can we be even!”

“.....”

His eyes were solemn and urgent, and his emotions were shaking.

Every word was sonorous.

“Ning Qing, we’ll never be even in this lifetime!”

However, ning Qing’s face turned pale when he mentioned the child.

The blood had faded from his face, making one’s heart ache.

Yan Sichen broke free from the restraints and rushed forward to pull ning Qing away, protecting her behind him.

“Nian lie, why are you always so self-righteous? You and her had already ended a long time ago, completely ended three years ago. She finally came back, and you still want to force her!”

His eyes were red and filled with anger and hatred.

“The one who should die was never her, it’s you! If it weren’t for you, Qingqing wouldn’t have to bear all this! And ning su won’t die!”

“.....”

Nian lie fell silent.

As the silence spread, countless emotions burst out from him.

Grief, regret, and resentment.

He panted slightly, and his sad eyes slowly fell on the woman behind Yan Sichen.

“Ning Qing.” He squeezed out two words.

The black shadow came face to face.

Chapter 309: : life-threatening kiss (1:

Nian lie didn’t manage to Dodge in time and took the punch head on.

The bodyguard was shocked. young master!

Yan Sichen clenched his fists and his eyes were burning with anger. you’re still so selfish!

“Even if she didn’t remember all of that, you should know that the person who shouldn’t disturb her the most is you!”

Nian Yun tilted his head, a trace of blood flowing down from the corner of his lips.

“What right do you have to treat her like this! What right do you have to hurt her again and again!”

The questions were like a knife, piercing into the bones.

Ning Qing glanced at the silent Nian lie and took a deep breath. After suppressing her surging emotions, she held Yan Sichen’s arm and said, “ brother Sichen, don’t say anymore.

She didn’t want to put work into her personal emotions.

Naturally, she did not expect him to come today.

She had heard that he knelt until midnight that night and fainted from exhaustion.

She didn’t expect him to still rush over.

He really didn’t want to let her go.

Yingluo was also just right, which suited her.

Ning Qing said, “ we can always call him again after the contract is torn. It’s okay, brother Sichen. He likes this place. We’ll let him have it.

After she finished speaking, she pulled him away.

The man, who had not moved for a long time, opened his eyes, and coldness poured out.

The bodyguards rushed forward and blocked the two of them.

Without waiting for Nian lie to say a word, she forcefully dragged Yan Sichen out.

“Qing Qing!” At this moment, he was afraid. He gripped the door frame with both hands and said, “ Nian lie, if you want to vent your anger, come at me. Don’t hurt her again! Nian lie!”

Their shouts were of no use.

Everyone followed.

Ning Qing swallowed and tried to calm herself down. I’ve already told you just now that if you want to work with our company, you have to contact my boss.

He didn’t move.

Ning Qing’s hanging fingers trembled slightly. Nian lie, you’re the one!

The man approached her at lightning speed, and she felt the world spin around her. She felt a pain in her back, and then she was pressed against the cold screen.

Her hand was pressed on her head, and his hot palm was on her waist, holding her every move.

There was panic in ning Qing’s eyes. what are you doing? ”

Nian lie lowered his head and said in an indifferent tone, " don't sign a contract with him.

No matter how gentle he was, she could hear the threat in his words.

Ning Qing gritted her teeth and turned her face away, refusing to get too close to him.

"This is the company's arrangement. I have no right to say no."

"Oh?"

The ending note was raised, and a sense of threat and oppression gradually emerged.

This was the real Nian lie.

He had a biting cold aura, the kind that could take your life at any time.

Ning Qing could not help but tremble. let me go.

Not only did he not let her go, but he also leaned closer to her, almost sticking to her.

His warm breath blew on her face, and ning Qing trembled unconsciously, the corners of her eyes twitching.

He endured it and coaxed her as if she were a child. ning Qing, don't sign the contract with him. I know you can make the decision, okay? "

She kept a straight face and did not respond.

"I don't think you want me to use any other means, and I don't want to play any tricks in front of you."

"....."

"As long as you stay away from him, I promise I won't do anything."

The corners of his lips were stained with blood, but he did not wipe it away. It added a unique flirtatious look to his face that was carefully carved by the heavens.

Ning Qing raised her eyes angrily and glared at the devilish man in front of her. Mr. Nian, what do you mean by this? didn't you say that you want my forgiveness? I've forgiven you, and you're treating me like this? "

Nian Xi looked at her face. Her skin was so fair and delicate that he couldn't help but want to take a bite.

He suppressed the frustration in his heart and his voice became lower and hoarser.

"I do want your forgiveness, but that doesn't mean I agree to draw a line between us."

Ning Qing's heart trembled, and she looked at him in confusion.

His eyes were very light, but there was a certain kind of emotion surging in the depths of his eyes, which overwhelmed her.

"....."

Ning Qing tried her best to suppress her resistance, but her body was still struggling violently.

“Don’t move,”

Ning Qing ignored him. She lowered her head and buried her face in his chest, twisting silently.

However, this action seemed to have given him a suitable reason.

The body on his body retreated, and the black shadow covered his face.

Immediately, her lips were kissed by a Cold Kiss.

Chapter 310: Mr. Nian seems to be obsessed with this body (1:

“.....”

Ning Qing’s eyes widened, and she froze as if her acupoints had been struck.

He held her tightly and pried open her mouth while she was still in a daze. It was like a fire burning in the Prairie, a wild horse crossing the border, and he was taking over a city.

Nian lie only felt that his heart, which had been empty for three years, finally had a trace of warmth.

At this moment, she was in his arms, well-behaved and docile.

His heart was getting more and more full, and he used all his gentleness to kiss her lips.

Even though his teeth were filled with the stench of blood, he was still immersed in it.

However, compared to his devotion and indulgence, ning Qing’s eyes were still open and unfocused, and there was a flash of pain in her eyes.

After a long time, his warm lips fell on the side of her face.

Her body stiffened, and her face was pale. that’s enough, ” she said with her moist lips.

Nian lie’s breath was hot, and his deep eyes looked at her.

if you’re interested in continuing, please hurry up, ” ning Qing said again. if you’re not, let me go.

Nian lie’s body shook.

His shadow was reflected in ning Qing’s eyes, but there was no love or affection.

His face darkened, and his hand unconsciously loosened.

“If you’re not willing, why are you resisting?”

“Do you think I can resist?”

Ning Qing rubbed her sore hands and lowered her eyes. The bitterness and numbness were like sharp arrows that shot into Nian Jin’s heart.

His breathing stagnated slightly. does it hurt? ”

Ning Qing seemed to smile, but also not.

“I’ve already died once, this pain is nothing.”

“.....”

Nian lie’s heart, which had been boiling just a moment ago, had now fallen into the cold storage warehouse. There was no warmth left in it.

“Besides, I’ve suffered a lot in the past three years.”

Ever since she left the capital three years ago, she went to a country she knew nothing about. She listened to the language she had long forgotten and worked as a low-level trainer. She was even bullied, framed, and framed time and time again. Her life was once a mess.

How long did it take for her to be accepted by those people and to live in such a terrible environment?

And what supported her through that period of time was to take revenge for her child.

Ning Qing’s heart ached at the thought of her dead child.

She pushed away the man who was frozen in place. When she reached for her collar, she suddenly thought of something.

“Do you still want to continue?” she asked, her fingers pressing on the button.

Nian lie furrowed his brows in a daze, his expression dark. what? ”

Ning Qing’s lipstick was wiped off by him, revealing her pink lips, which added a touch of primitive charm.

Her fingers brushed across her collarbones. Mr. Nian, ” she said calmly, ” you seem to be obsessed with this body. Do you want to sleep with it once and satisfy your desire? ”

“Ning Qing!”

Nian lie’s eyes were red. He didn’t believe that such frivolous words came from her mouth!

She was not like this in the past!

What had she gone through in the past three years that he did not know about?

Ning Qing pretended not to notice his surprise. it’s fine if you don’t want to, ” she said. I just saw that Mr. Nian was very moved by the kiss just now.

As she spoke, she looked down.

Nian lie suddenly realized what she was talking about. He turned to the side to avoid her gaze, not having the time to hide the embarrassment on his face.

Ning Qing chuckled, walked up to him, and put her arms around his stiff neck.

“Since you want to say it, why keep it in your heart? Are you afraid that the one at home will be unhappy?”

She had finally taken back the initiative.

She tiptoed and whispered in his ear, ”

Mr. Nian has never been afraid of this kind of thing. He wasn't three years ago, but three years later, he's scared.
