

## Mr Nian 311

Chapter 311: Nian lie, don't use your power to force me over and over again

Nian lie couldn't stand her like this. He grabbed her arm and pulled her away from him.

"Ning Qing! Do you know what you're saying?!"

of course I do. It's a play between adults. When you're lonely, you can comfort each other. What's the big deal? "

Looking at the man's frozen expression, ning Qing's smile became even more cheerful.

Her lips moved closer and closer to his.

When she saw the disgust in his eyes, she deliberately took a deep breath.

Then, he pushed her away.

He shouted sternly,

put away your self-degrading look. Don't think that I'll let Yan Sichen off just because you did this!

He panicked.

Ning Qing brushed away the wrinkles on her shoulders. what do you want then? "

"I said, don't sign the contract!"

"But I need a job and money."

Nian lie's gaze was as deep as the winter night, cold and frosty.

"I'll give it to you!" He forced out a few words from his throat.

He would give her whatever she wanted!

As long as she didn't do this again, he would ...

"Alright," he said.

Ning Qing's firm reply made Nian lie's breath stop.

She tilted her head and played with her loose curly hair with one hand. It glowed a faint brown under the light, and it tugged at his heartstrings.

as long as I don't sign a contract with brother Sichen, you won't touch him. Is that what you mean? "

Nian lie's fists were tightly clenched, and his palms were wet. yes!

"Alright," he said.

The room fell silent.

No matter if it was the anger that had been triggered just now or the vague ambiguity, after she said that word, they all fell silent.

Ning Qing ignored the man standing on the side. She bent down and took out a small mirror and lipstick from her bag, then slowly tidied up the mirror.

“.....”

Nian lie didn't look at her, but he kept his gaze on her.

With a small slap, ning Qing put on her lipstick and pursed her lips a few times in front of the mirror. Her bright red lips were extremely beautiful.

“Do I look good?” she looked up and smiled at him.

Nian lie's throat lost its sound.

Ning Qing was holding an object in her hand. Mr. Nian, you've been wise all your life, but we didn't do anything. We can't let others misunderstand and ruin our reputations.

After she finished speaking, she put the things back into her bag.

Nian lie's expression was complicated. Was she talking about Yan Sichen?

She was afraid that he would misunderstand their relationship?

However, they were not innocent.

Nian Ying's mind was in a mess, and when he came back to his senses, he saw ning Qing's expressionless face.

“I've already agreed to what you said. Why aren't you leaving?”

She crossed her arms and looked like she was trying to drive him away.

Nian lie gritted his teeth. you and I have a fight.

“Don't push your luck, Nian lie.”

Her slightly upturned eyes were cold, and her tone became impatient.

I've already promised you, so I won't go back on my word. Don't force me again and again with your power. I'll be angry.

The clear and elegant voice revealed a cold aura.

“When I'm angry, I'll do anything.”

The throbbing in his chest became more and more intense, as if it would jump out at any moment.

Even though he knew that she was just bluffing to threaten him.

However, the fear was like ice, flowing through his blood to his limbs. He could hardly think.

Finally, he said in a low and hoarse voice, ”

“I’ll get someone to give you the job you want.”

“.....”

With great difficulty, Nian lie turned around and walked to the door. He pulled the doorknob open and stepped out.

As soon as he came out, Yan Sichen brushed past his shoulder and rushed in.

“Qingqing, did he do anything to you? What’s wrong with your hand? why is it so red?”

“It’s okay, brother Sichen. It doesn’t hurt.” Ning Qing comforted the man who was holding her hand. Her eyes looked past the gap between his head and Nian lie’s stiff body.

She walked to the door and closed it without hesitation.

He was isolated outside.

Chapter 312: : ‘m sorry: brother Sichen (1:

“Young master.” “Should we take the young Madam away by force?” the bodyguard behind her could not help but ask.

Nian lie used all his strength to suppress the excruciating pain, forcing his face to turn even paler.

He stared at the door and said with difficulty, “no need.”

He could not force her anymore.

He was afraid that she would disappear again.

Nian lie suppressed his feelings of jealousy and left quickly.

In the private room, Yan Sichen was extremely anxious. Qingqing, how are you? What did he say to you?”

Ning Qing was stunned. there’s really no Zhenzhen.

Yan Sichen held her wrist, which was as hot as black iron.

Perhaps infected by his nervousness, ning Qing retracted her hand without a trace. I just said a few words. I’m really fine. Don’t worry.

Yan Sichen’s brown eyes flickered with worry, but he only looked at her face after she repeatedly emphasized that she was fine.

Then, his face suddenly darkened.

“Qing Qing.”

“What’s wrong?”

“.....”

Yan Sichen's eyes were fixed on her lips.

Her lips were beautiful, round, and slightly protruding, as delicate as a flower, but also as fragile.

With just a few gentle touches, it would turn red like blood. Even the lipstick could not cover the slightly swollen lips.

Ning Qing stiffened and turned her body.

Yan Sichen endured his heartache and looked down at the torn piece of paper on the ground. did he really not do anything? ”

Ning Qing hummed in agreement, obviously not wanting to tell him what had happened.

He pursed his lips tightly. His expression was dark. He forced a smile and said, ” it's alright. As long as he doesn't touch you.

“.....”

Yan Sichen bent down to pick up the contract, but it had already been stepped on a few times.

“It's okay, Qingqing. I'll get someone to prepare two new sets of food,” he said after patting her twice.

Seeing him like this, ning Qing could not describe the feeling in her heart.

She looked at the contract in his hand and then at his pale face. She felt that he had probably guessed something.

“Brother Sichen, I'm sorry.”

Yan Sichen's body trembled. why? did you suddenly apologize, ran ran? ”

Ning Qing couldn't bear it, but she still confessed. he didn't allow me to sign this contract with you. He said that if Yingluo signed it, he would take action against your family.

Yan Sichen's expression froze.

She took two steps forward and took out the contract in his hand. this is a matter between me and him. I don't want to drag you down and even more so, I don't want to drag the Yan family down.

She did want to help him before.

She also believed that with her current fame, she would definitely be able to help Yan Sichen rebuild his Foundation and open up a path in the jewelry industry.

However, this couldn't be built on a Foundation that could be destroyed at any time.

She had been married to Nian lie for more than two years and was pregnant with his child, but he could still lie to her and marry another woman at the same time.

She couldn't not believe his words.

I'm sorry, ” ning Qing could only apologize. I can't keep my promise.

What could Yan Sichen say to her when she was like this?

In the end, he was useless and couldn't win against Nian lie!

A layer of mist accumulated in the man's eyes. He did not want to put her in a difficult position, so he forced a smile and said, " it's okay, Qingqing. This is not what you want. Don't be troubled. I'm fine.

Tears welled up in ning Qing's eyes, and she felt even more guilty.

don't worry, I'll contact my colleagues and find you a better designer than me.

Yan Sichen caressed her long hair gently and indulgently. okay.

Ning Qing laughed along, and the huge stone in her heart was lifted.

But she didn't know that in his heart, she was the best and the most powerful.

However, the man couldn't say such words.

Chapter 313: You Call Me Madam, what does the one in his house think?

After Nian lie's arrival, the good lunch became awkward and embarrassing.

Ning Qing and Yan Sichen walked out of Jingyue's door after having their meal, each with their own thoughts.

Yan Sichen was not too far away from her. where do you plan to go? I'll send you there.

Ning Qing stood in front of the steps and smiled gently. no need. I still have something to deal with. You can go back first.

Her words had rejected his reason to go any further.

Yan Sichen covered the gloominess on his face. alright, I'll go back to the company first.

Ning Qing nodded and watched the man get into the car. She waved and left.

At the corner of the street, some light flashed several times.

Ning Qing gathered the bag that was about to fall off her shoulder and frowned as she looked in a certain direction.

There was nothing but passersby.

She shook her heavy head and walked down the stairs, ready to wave for a taxi to go back.

A black luxury car had already stopped in front of them.

The car window rolled down, and an unfamiliar man's face appeared.

"Madam, the president asked me to send you back."

A thin layer of sweat appeared on ning Qing's forehead. She did not look happy. Her face was cold. no need.

“But the president said that we must send you home safely.”

Ning Qing sneered in her heart. why didn't he come personally? ”

The driver was dumbfounded.

Recalling Nian lie's cold expression, the driver lowered his head. it's so hot. Get in the car first.

“No need.”

Ning Qing rejected him without hesitation, as if there was something dirty in his car that would dirty her.

After waiting for a few minutes, the taxi she called arrived.

The chauffeur panicked. Madam, please don't make things difficult for my ran ran.

I've divorced Mr. Nian a long time ago. Everyone in Ye City knows that. What would the man in his family think if you call me that? ” said ning Qing.

The chauffeur was getting out of the car, and he was confused.

Ning Qingyan frowned and straightened up. don't call me that anymore. I really hate that name.

Then, he walked away slowly and got into the car behind.

The driver had no choice but to follow her and escort her home.

He returned to the Nian family and reported to Nian lie.

Mr. Nian, my husband, miss ning, has arrived home safely.

This piercing form of address made Nian lie put down the documents in his hands.

Lu Zhui, who was beside him, also heard it. He walked up to him and kicked him. what did you call Madam? ”

The chauffeur was trembling with fear. He glanced at Nian lie and said, ” it's Zhenzhen, miss ning, who didn't allow me to call her that. She said that she and the president had divorced a long time ago, and everyone knows that. She also said that if I called her that, the person in your family would be unhappy, Zhenzhen.

Nian lie's face darkened at a speed visible to the naked eye. His fingers gripped the pen so tightly that they turned white.

Lu Zhui's heart skipped a beat. did Madam say that? ”

“Yes.”

Lu Zhui closed his eyes and cursed under his breath.

Nian lie didn't say a word. His pale face showed that he was sick. It was obvious that he wasn't in good health.

The stock price of the Nian Corporation had been fluctuating these days. From time to time, people would come downstairs and make a fuss about what had happened three years ago. The comments on

the internet were also getting more and more aggressive with the silence of the Nian corporation's public relations team.

After seeing ning Qing, he didn't even have time to return to the hospital. He rushed back to the company to deal with those things.

He wasn't afraid that the Nian family would be affected. The only thing he was afraid of was that those people's voices would disturb her again.

As for her, she would not allow his people to call her Madam anymore.

"....."

"Get out," Nian lie said after taking a deep breath and suppressing the pain in his heart.

The chauffeur walked out with weak legs.

Lu Zhui consoled him. young master, young Madam has misunderstood you. She must have thought that you really married Bai Qingqing back then.

Nian lie clenched his jaw, not saying a word.

Lu Zhui gave a fake smile. it's fine. There's still a long time to go. These small misunderstandings can be resolved slowly. Haha, Yingluo, don't mind it too much.

His voice was as soft as a mosquito's when he said the last sentence.

After a long while, Nian lie put down the slightly bent fountain pen in his hand. His handsome face had an inexplicable determination and persistence.

Lu Zhui, get someone to contact HE. As soon as possible.

Chapter 314: The woman who came back from the dead (1:

—

Ning Qing stayed at home for the whole day in peace.

It was only one day.

Three years ago, her relationship with Nian lie had been dug out. She had read the comments online with a lack of interest, and she felt a little upset.

as the saying goes, one day as husband and wife, a hundred Days of Love. An ex-wife is still a wife. The Nian family relied on their power and influence to force a pregnant woman to jump off the bridge and commit suicide. She really deserves to be struck to death by lightning!

"All good-looking people are the same. Isn't that Nian lie's face? On one hand, he tricked his ex-wife into giving birth to a child, and on the other hand, he wants to find a young woman to marry. Isn't he a whore who still wants to maintain a good reputation? he's really a scumbag."

“Aren’t the comments above too radical? I suspect that you’re the Internet Water Army hired by the girl’s side.”

why didn’t anyone say that this woman had used some disgusting methods? she’s a cripple, yet she still married into the Nian family. This woman is obviously not a good person.

“.....”

Ning Qing’s fingers swiped across the comments and read the extreme comments.

Not long after, the page disappeared.

“It’s this move again,”

Ning Qing half-leaned on the sofa, looking at the disappearing comments and the sudden removal of the top trending search. A cold smile appeared on her lips.

“I just don’t know if you’ll be able to make it in time every time.”

Her mumbling startled mother ning, who was bringing some fruits over.

Mother ning looked at her strangely. Qingqing, what are you talking about? ”

Ning Qing put down her phone. nothing. I just saw a joke.

Mother ning said in a soft voice as she handed her a peeled apple.

if you don’t have to work, you should go out more. Aren’t you bored staying at home all day? it’s good to go on a date with your friends.

Ning Qing felt helpless.

She had only been back for a few days, but her mother had missed her so much more than once.

She took a bite of the Apple. It was sweet and sour.

“Mom, I’ll have a job soon,” she said:

Mother ning paused. you said the same thing the day before yesterday.

Ning Qing’s eyes were light. I’m serious.

As they were talking, father ning came back with a briefcase. He didn’t look too good.

Upon seeing this, mother ning immediately went up to her. what’s the matter? why do you look so pale?  
”

:: ‘m fine: : Father ning glanced at ning Qing: who was sitting on the sofa, and frowned:

“Father, what’s wrong: : ning Qing could see his hidden anger and asked tentatively:

Did work not go well?

Father ning stopped beside the sofa. His briefcase had been taken away by mother ning. He hesitated for a moment before sitting down next to ning Qing.

“What’s wrong?” Ning Qing asked as she handed him a piece of Apple with a fork.

Mr. Ning pushed her hand away and looked at her seriously. where did you go yesterday? ” Who did you see?”

Ning Qing blinked. I had a meal with brother Sichen and talked about work.

“What else?”

Ning Qing’s expression became serious. ran ran met Nian Jin.

“I knew it was him!: Father ning lowered his head, his expression ugly.

: Qingqing, why are you going to see him?”mother ning cried out in shock:

Ning Qing looked at her mother, then at her father, and lied subconsciously. it was just a coincidence.

Father ning’s face was dark, but he did not blame her. don’t go out for the next few days. Stay at home and don’t listen to or look at the rumors outside. Do you hear me? ”

Ning Qing didn’t say anything. Seeing her father’s face as if he was facing a great enemy, she took the opportunity to take a look at her phone while he was talking to mother ning.

The news headlines in ning city exploded again.

the Nian corporation’s President met a woman in private. The woman looked like his ex-wife who had been dead for three years.

“It’s solid! The girl who was having a tryst with the president of the Nian Corporation was his ex-wife whom he had abandoned three years ago!”

“The woman who disappeared three years ago came back to life. Is it for revenge or is there something else?”

At the bottom, there were two high-definition pictures that captured her beautiful face clearly.

Ning Qing snorted and her phone suddenly vibrated.

She looked at the familiar number and answered the call.

A low and magnetic male voice was heard-

ning Qing, come see me at the Nian family at nine O ‘clock tomorrow.

Chapter 315: Are you a human or: ghost:

The towering building reflected the light, which fell on the ground of the fire.

It was a hot day, and the ground was steaming, making people’s vision blurry.

Ning Qing got out of the car. She was wearing a pair of khaki-colored one-piece pants. She was slender and had her long hair tied up high. She looked handsome and professional.

With light makeup and an untimely mask, she walked through the Nian corporation's entrance.

Hello, miss," the receptionist at the front desk asked her respectfully. may I help you? "

Ning Qing looked around the reception hall, her words unclear through the mask.

I'm here to see your Mr. Nian.

The female receptionist looked at her a few more times. do you have an appointment? "

"No, I didn't,"

I'm sorry, but you can't meet Mr. Nian without an appointment.

She sounded polite, but the smile on her face seemed to be saying,'there are many women like you out there. Don't even dream of getting together with Mr. Nian.'

Ning Qing gave Nian a call, but no one picked up.

She stared at her phone and chuckled, her meaning unclear.

Holding her phone in her hand, she was about to leave when she suddenly remembered something and returned to the front desk.

The two women smiled professionally. Ning Qing tugged at the edge of her mask and said, " it's fine if you don't want to see him. Please leave him a message. Don't let him regret it.

The two receptionists looked at each other and then at the woman who had half of her face covered. please leave your name.

Ning Qing's cold and charming eyes narrowed slightly, revealing a trace of coldness.

"Ning Qing,"

"What?" The man didn't hear her clearly.

I said, I'm ning Qing, " ning Qing repeated, holding onto the rope on one side of her mask, revealing her stunning features.

The receptionist was frightened by her and pointed at her with a pale face. it's you! Are you a human or a ghost?"

She had accidentally blurted out what was in her heart, startling many people in the hall.

The security guard at the door also came over. what happened, Yingluo? "

Before she could finish her sentence, she was dumbfounded when she saw ning Qing's face.

How is this man still alive?

Didn't he die three years ago?

Ning Qing saw fear in their eyes.

Afraid of causing a bigger commotion, she could only put her mask back on.

“Can I go up now?” she asked.

The few of them froze and no one spoke.

At this moment, a greeting came from the door.

They looked in the direction of the voice. Nian Yu was tall and straight, his long legs striding forward. A group of people followed behind him as he strode into the lobby and headed straight for the private elevator.

Lu Zhui’s sharp eyes caught sight of ning Qing, who had a cold temperament in the crowd.

“Young master! Young master, Madam is here!”

He grabbed Nian lie’s hand. The other party turned around and saw the woman standing in front of the counter.

He panicked and turned his toes to walk over without thinking.

Ning Qing watched as he walked towards her, his fingers tapping on the counter.

“: ‘m sorry, I’m late,” Nian lie said immediately:

The two girls at the front desk, including the security guard, looked as if they had seen a ghost.

They had never seen Nian lie so nervous and flustered, let alone apologize to anyone.

The other party still looked at ease, and even a little impatient.

Ning Qing waved her hand perfunctorily. I’m fine.

“You’ve been here for a long time?”

He stepped forward to hold her hand, but ning Qing stopped him by scratching her chin.

“I just arrived.”

In fact, she had deliberately arrived half an hour earlier to cause a stir.

Who knew that as soon as she showed her face, he would come.

Seeing that she was in a bad mood, Nian lie’s cold eyes swept across the few people present.

The two women at the front desk immediately stood up, their faces pale with fear.

Fortunately, Nian lie didn’t say anything. He only pulled ning Qing over forcefully. come with me first.

The few of them watched the two of them enter the elevator without even panting.

Lu Zhui walked over with a cold expression. the three of you can go to the finance department to get your pay and leave.

The woman’s eyes widened in disbelief. assistant Lu!

Before she could say anything, the man’s figure was already chasing after Nian lie and the others.

Soon, the small commotion in the hall disappeared, and everything returned to order.

Chapter 316: Ning Qing, don't talk to me in this tone (1:

On the 28th floor.

The elevator door opened, and Nian lie pulled her along as they made their way into the president's office.

It was still black and white, so monotonous that one could feel the coldness and dullness of the owner.

Ning Qing looked at the office that had not changed at all, and the scene in her mind was a little dazed.

She remembered that she had been here countless times, but her memory was very deep.

And everything that happened here was unpleasant.

Nian lie took off his suit jacket and hung it on a rack at the side. He then looked at ning Qing, who was staring at him blankly. What are you looking at? "

Ning Qing snapped back to her senses. you haven't changed much.

Nian Yu stopped unbuckling his tie and turned to look at her. you still remember? "

Ning Qing's lips twitched. I've been here before, after all. And every time I come, it's a shocking memory. How can I not remember? "

This question dragged Nian lie into the abyss.

She was right.

The first time she came here, she had been belittled and framed by an unknown Secretary of his. Then, she found a group photo of the so-called " ning su " in his lounge and even took the ring away.

Then, he was caught by his father and was scolded and humiliated.

The last time was after the divorce, when she found her 18-year-old adult present in his pocket, she held the necklace and questioned him.

His attitude towards her was terrible every time.

At that time, he had always thought that he would have countless time and opportunities to tell her everything.

However, he did not explain it to her even before she committed suicide.

The suffocating pain tormented Nian lie's heart. His pale lips parted as he apologized.

Ning Qing smiled nonchalantly. She walked to the sofa and sat down. She crossed her long, slender legs and said casually, " Mr. Nian, what do you want from me? please tell me.

Nian lie was hurt by her forgetfulness.

He wouldn't feel so bad if she had yelled at him or hit him hysterically, but she had an indifferent expression on her face, which made him feel that Hanhan's past was only remembered in his heart.

It was carved into a winding scar.

From time to time, he would feel an unbearable pain, but it would never heal.

"Ning Qing Qianqian."

I'm not here to reminisce about the old days. Besides, there's nothing between Mr. Nian and I.

Ning Qing interrupted him coldly. Her eyes were distant and calm, as if he would never be able to touch them.

"You should remember the reason why I'm here."

"....."

What was the reason?

She had no choice but to come here because he had threatened her with Yan Sichen!

The pain was accompanied by the fire of jealousy, burning in his heart.

"Don't you want to work?" Nian Yu said slowly.

Ning Xiangqian glanced at him.

She knew that the Nian family was not involved in the jewelry industry, so Yan Sichen had chosen this industry as his starting point after being forced to do so.

"I said I would give it to you."

Ning Qing snorted, a hint of mockery in her beautiful eyes.

Mr. Nian, what do you mean by that? do you want to enter this industry for me? "

Nian lie adjusted his breathing. Her prickling body made him feel pain both physically and mentally.

He wanted to hold back, but he couldn't.

He quickly walked in front of her and knelt on her thigh with one long leg, his upper body leaning forward.

"Ning Qing, don't talk to me in that tone!" He said with difficulty as he held her chin through the thin mask.

Chapter 317: Mr. Nian has seen this face of mine for many years (1:

He was in too much pain!

Ning Qing's eyes wavered, and she accepted her current situation in just a second.

There was no fear in her eyes. She raised her chin, as if to provoke him, and moved closer to his face.

“Then should I be respectful or silent?”

“You’re so silly!”

“What?”

Nian lie gazed into her eyes. Those were a pair of beautiful, sparkling eyes that could easily capture the hearts of others.

He held his breath, and his well-defined hand trembled as he reached for the side of her face.

Ning Qing heard a small slap beside her ear, and her mask came loose, leaving only the other side hooked.

Under the mask, her beautiful face was revealed, and her pink lips had a meaningful curve.

As he looked, he became lost in thought.

Ning Qing’s heart was beating extremely slowly, so slowly that it was almost out of frequency.

Mr. Nian, ” she said, ” you’ve been looking at my face for years. What’s the meaning of this expression?  
”

He caressed her face gently, afraid that he would hurt her if he used too much force.

His voice was filled with joy, trembling, and rejoicing.

“You’re finally back.”

She had finally returned to his side.

What more could he ask for?

Ning Qing was not moved by his irrelevant words. so, are you happy to see me, or are you not happy that I’m back? ”

Of course, he was happy!

Nian lie didn’t say anything, so ning Qing pretended to sigh.

I’m thinking too much. No one wants me to show up again, so why would Mr. Nian? ”

Nian lie’s eyelids twitched. you knew? ”

Ning Qing’s neck hurt a little. it’s such a big deal. How could I not know? ”

Nian lie suddenly became nervous. He held her hand subconsciously and said, ” I’ll deal with those people and things. Don’t take them to heart!

Ning Qing leaned back on the sofa and looked at him with squinted eyes, her gaze unreadable.

:: didn’t ask anyone to do it!”Nian lie inched closer and explained hurriedly:

Did she misunderstand him?

Ning Qing stared at the handsome face that was so close to her. His panic and urgency were written on his face, as if he was afraid that she would overthink it.

She said lazily, " I didn't say that you asked someone to do it. Why are you so nervous? "

Her breath slowly landed on her chest, and it was uncomfortable.

His black eyes flickered with all kinds of emotions.

For a while, no one spoke.

The person outside didn't know what was going on inside, so he pushed the door open and entered without hesitation.

"Young master, I've brought the contract with me."

Looking at the two's ambiguous posture, Lu Zhui was shocked. He immediately turned his back and felt embarrassed, which was rare.

um, I'm sorry to disturb you. Please continue, continue! He took the contract and was about to close the door.

"Assistant Lu, give it to me," ning Qing said lazily when she saw that the person on top of her did not move.

She retracted her hand from his palm, turned her body sideways, and reached out to take the contract.

Lu Zhui looked at Nian lie's expression and carefully and respectfully handed him the file.

"Alright, you can leave first."

As he was too close to her, there wasn't enough space. She held the documents up. I'll talk to him about the rest.

Lu Zhui felt as if he had been pardoned. After saying yes, he hurriedly closed the door and ran away.

"How long are you going to be like this?" ning Qing frowned and asked.

Nian lie came to a sudden realization and retracted his hand instantly.

She put on a serious expression, as if she wasn't the one who had done that to him.

"This thing is for me?"

Nian lie was already seated opposite her. He nodded with a complicated expression.

"Can I open it?"

Nian lie acquiesced.

Ning Qing quickly opened the bag and took out the document. It was a contract!

Chapter 318: Your boss sold you to me (1:

There were only a few pages left, which was almost exactly the same as the one she and Yan Sichen had to sign the other day.

There were only two differences.

First, the salary and benefits had increased by more than ten times.

Secondly, she was not allowed to take on any design orders under her personal name after she joined the company as a designer.

It was obvious that he didn't want her to come into contact with Yan Sichen again.

He was indeed no different from three years ago!

Her anger and hatred were like a Prairie Fire. Ning Qing adjusted her breathing and asked him, "is this the job you wanted me to do?"

Nian lie's emotions calmed down, and his expression returned to its usual cold and stern look.

the terms and conditions are very clear. I don't have many requirements for you. It's just some basic work.

"Restricting me from taking orders is also my job?"

Ning Qing's face was neither cold nor light, and she did not look very good.

Mr. Nian, I have nothing to say since you have my boss's special permission. However, as per your request, I can't even do the work that my boss has arranged for me.

Nian lie could hear her dissatisfaction. After thinking for a long time, his tone remained firm.

you've been specially assigned to work at the Nian Corporation, leading my new project. So, I'm your boss.

Ning Qing frowned. I'm under HE.

"But your boss sold you to me."

Nian Xi lit a cigarette and held it between his lips. His words were not clear, but they were strong enough for ning Qing to hear.

"In these three months, you belong only to me."

There was a faint fire in ning Qing's eyes, and there was some dissatisfaction and anger in her clear black and white eyes.

"Mr. Nian, you're so smart."

She couldn't help but mock him, but Nian lie remained unmoved.

Through the smoke, the emotions in his cold eyes were hard to read.

Ning Qing's face was slightly red. She sneered. with my current fame, there are countless people who want to ask me for design drawings. Why should I cut off my source of income for the next few months just for a contract with the Nian Corporation? "

What he meant was to restrict her personal freedom.

Nian Jin looked at the contract on the table, his black eyes exuding a cold air. His aura was getting colder and stronger.

Overbearing.

: I've made some adjustments to your salary in consideration of this,"he said:

He could make concessions to her in anything, but the only thing he couldn't give in to was to let her go.

He wouldn't allow her to not be in front of him, nor would he allow her to have any more relationship with Yan Sichen!

Ning Qing gritted her teeth and endured it.

"Not satisfied?" he asked, blowing out a smoke ring.

Ning Qing gritted her teeth and gave a fake smile. I'm satisfied! Mr. Nian, you're so thoughtful. How can I not be satisfied?"

"Then we'll sign it."

"....."

She was still hesitating when she heard the man's lukewarm reply. the Yan family has not been very peaceful recently. The more enemies there are, the more afraid they won't be able to hold on for long. he glared at her fiercely.

"What are you looking at me for?" someone asked shamelessly, despite knowing the answer.

Ning Qing secretly ground her teeth. a pen!

Nian Xi lazily took out a fountain pen and pretended to pass it to her, but he didn't get up.

Ning Qing had no choice but to lean forward to take it, but he grabbed her hand and dragged her forward, almost causing her to fall on the coffee table.

He carefully glanced at her angry eyes, his breath mixed with the smell of tobacco, causing goosebumps to appear on her body.

ning Qing, don't think about other irrelevant people and things. Stay in Xuanji's Nian family.

Finally, he paused.

How could ning Qing not understand that he was threatening her? she pushed him away angrily and smiled professionally. don't worry, I have professional ethics. I'll do whatever you say from now on!

Chapter 319: In the past three years, he has never given up on looking for you (1:

She grabbed the pen and quickly signed it.

The fountain pen slammed on the table, making a loud sound.

Nian lie smoked his cigarette slowly. He knew that she was angry and did not speak for a long time.

This battle had ended in her defeat.

Ning Qing calmed down for a while and straightened her posture. if there's nothing else, can I go now? "

Nian lie stopped in the middle of extinguishing his cigarette. He had wanted to make her stay, but he didn't know what reason to use to do so.

Hence, he allowed it.

"Sure."

Ning Qing picked up her bag, got up, and walked to the door.

be at the office at 9 am sharp tomorrow, " Nian lie reminded her. don't be late.

"I know."

Seeing that she didn't seem to care, Nian Yu thought that she was angry.

"I'll send you off," she said after some deliberation.

Ning Qing turned around and rejected him immediately. no need. Mr. Nian, you have a lot of work to do. Don't waste your time on me.

The complaint in her words was only missing the words "I don't want to look at you" written on her face.

That kind of unspeakable pain rushed to his heart again.

Nian lie still stood up and said, " wait. then, he ordered through the intercom, " come in and send her back.

He hung up the phone after saying that.

Not long after, someone knocked on the door.

Lu Zhui came in and led ning Qing away.

When she left, she didn't look at him again. It was as if she was so angry or disgusted that she felt disgusted even if she looked at him.

He stood in front of the large desk for a long time before walking over. His distant gaze fell on the scattered papers on the table.

Then, as if he had obtained a treasure, he tidied up the pages neatly and locked them in the second drawer.

Inside, there were two photos.

In one of the photos, the woman in the photo was wearing a white dress, and her smile was real and beautiful.

The other picture was very blurry, but one could see the rough body of the bridge under the raging cold wind, and the figure of a woman sitting on the side, swaying.

.....

Downstairs, ning Qing had already gotten into the car.

In front of them, Lu Zhui looked at her again and again. He couldn't help but ask, " young Madam, have you made up with young master? "

Make up?

Ning Qing almost sneered.

didn't your young master Force me to work at your company? " she muttered half-jokingly after two seconds. how is that making up in your eyes? "

Lu Zhui didn't dare to speak.

"There's no such thing as reconciliation between me and him."

Other than fighting to the death to repay the pain and torture, there was nothing else to say between them.

Lu Zhui endured it several times. Although his young master had said that they were not allowed to mention the past, he still could not bear it when he saw ning Qing's rejection!

He knew that she had suffered a lot over the past few years, including the time she spent with the young master, but all of this was unexpected to Wanwan!

No one wanted things to turn out like this!

His mouth moved a few times before he said,"young Madam, the young master has not had an easy time these few years." &Nbsp;

"....."

he's been looking for you for a long time. Everyone says you're dead, but he's the only one who still believes you're alive. He's never given up on looking for you for the past three years!

"So?" Ning Qing's cold words cut off his boiling blood.

Afraid that he would continue with his endless speech, ning Qing saw his complicated expression from the rearview mirror.

"You don't have to remind me again and again that those things are in the past. I've also said that I forgive him."

since you've already forgiven him, why can't you accept young master again?!

forgiveness doesn't mean that I've forgotten everything. Those things really did exist. Lu Zhui, you can't tell me to forget everything.

The car fell silent.

Ning Qing suddenly felt a little tired and turned to look out the window.

The entire Nian Corporation was located in a prime location. It was vast and magnificent, and people came and went at the entrance. Everyone yearned for the business empire of their dreams.

“.....”

Ning Qing squinted and looked up at the 20th floor against the light.

A failure?

Ha. &Nbsp;

No one would know who would lose until the end.

A chill gradually accumulated in her eyes, which was far from the blazing sun outside.

Chapter 320: Mr. Nian's appreciation level should be the same as mine: right?

18th floor, design department.

The interior was modern and the lighting was excellent. Every position was neatly arranged, and it was obvious that it had just been renovated.

When Nian lie led ning Qing in, the crowd looked up and stood up hurriedly.

“Hello, Mr. Nian!”

Looking at the different attitudes of the crowd, the cold-faced Nian lie acknowledged them and led them into the office that had been tidied up for her.

Ning Qing didn't say a word. She only heard Lu Zhui explaining something to those people with her sharp ears. It was probably related to her identity.

He entered the office and closed the door.

Ning Qing looked around. Although the space was not big, the lighting and decoration style were to her liking. There was a coffee machine and appropriate green plants as decorations. She had even specially prepared a small lounge for her.

Ning Qing patted the back of the sofa. you've prepared well.

Nian lie's heart relaxed. It was good that she liked it.

Ning Qing walked past the bookshelves and randomly picked a book to flip through.

after this, this will be your office. You don't have to care about the people outside. If you need anything, just let Lu Zhui know.

Ning Qing nodded and glanced at the magazine in her hand. It was a weekly issue of an international jewelry brand.

And they were all things that she was very interested in.

He had seen a ghost.

She put it back, took two more books, and sat on the sofa.

Nian lie knew that she didn't want to talk to him.

In this small space, her silence was like a heavy hammer on his chest, making it hard for him to breathe.

He walked behind her in his high-end leather shoes and looked down at the magazine she was flipping through.

"Is it good?"

Ning Qing nodded thoughtfully. it's very creative. The cut of the diamond is also beautiful. The designer's angle of design is quite tricky.

It had been a long time since she had seen such a clean and neat design.

Suddenly remembering that there was someone behind her, ning Qing closed the magazine and said, "Mr. Nian, you can go and do whatever you want. You don't have to stay here with me.

Nian Yu pursed his thin lips and looked down at her. His long eyelashes were slightly curled, and his facial features were stunning.

He cleared his throat and said, " the Nian Corporation has just stepped into the jewelry industry, and we need to establish ourselves as soon as possible. You have to lead the design team to decide on the design theme and style within this week. We'll also have to confirm the design draft by the end of the month and send it to the selection team for further polishing.

Ning Qing could not help but frown. They had assigned her a task so quickly?

Nian Jing seemed to have read her mind. I asked you to take up this position, " she said in a low voice. I can't let you sit here and do nothing.

"....."

She didn't say a word, so Nian Jing lowered his eyes and looked at her. why? do you think it's difficult? "

Ning Qing put one hand on her lap and flipped through the magazine unintentionally. you're the boss. You have the final say.

It was this indifferent tone again, and he even used honorifics.

Yet, he could not do anything to her.

Qianqian let out a breath of air. The pain in her throat made his expression turn ugly.

"As long as you're confident," he said after covering his mouth and coughing twice.

Ning Qing raised her eyebrows and flipped through the pages.

Then, a picture came into view.

The pink diamond was the center, and the broken diamonds were the bridge that supported the diamond, forming a luxurious diamond ring.

Ning Qing's movements paused.

Nian lie also saw it, and his expression changed.

"....."

He stared at the woman's side profile, which was extremely beautiful, and he could not see any emotional fluctuations.

However, this diamond ring had the same effect as the "Heart of Eternity" he had given her.

"Ning Qing!: Nian lie was: little excited, but he called out to her with uncertainty.

Ning Qing pointed at the ring and tapped it.

the style is too old, the materials are luxurious, and the details are not well handled. There's nothing special about it. The pink diamond Kasaya is not considered rare anymore.

The formulaic evaluation cut off Nian lie's next words.

She raised her head to look at him and said, "Mr. Nian, you're a good judge of character. I think you have the same idea as me, right?"
