

Mr Nian 351

Chapter 351: Discovered that they're missing (1:

“.....”

The wooden window made a squeaking sound as the wind blew.

The sound of the rain suddenly came.

The pleasant scent of her body rushed into his nose, stirring his nerves.

In the end, Nian lie couldn't hold it in any longer. He reached out and wrapped his arms around her shoulders. A centimeter away from her face, he gave her a light kiss and closed his eyes in satisfaction.

.....

The next day, at dawn.

The faint morning light shone on the mountain peak of Luoxia Valley. On the other side of the mountain peak, which was originally uninhabited, was densely packed with vehicles and people.

The entire scene was cordoned off by police tape, and the police in uniform searched the surroundings for traces left behind.

Yan Sichen stood outside the cordon, his red eyes full of worry and heartache.

Ning Qing had already disappeared for two days, but he had only been informed by Lu Zhui last night and had rushed over overnight.

After finding out that she had disappeared with Nian lie, he was in a state of panic.

He didn't even dare to tell Ning Qing's parents. He was afraid that they wouldn't be able to take it!

When Lu Zhui saw him, he walked over to him with an obvious look of fatigue on his face. Master Yan.

Yan Sichen looked at him with an unfriendly gaze. Qingqing said that she came to Haicheng for business. How did this happen all of a sudden? "Why had Nian lie followed them? And how did they get here?"

Lu Zhui's expression was serious. Young Madam came here because of work matters. Our young master, Qianqian, naturally came here to chase after young Madam.

He's the president of the Nian Corporation. Didn't he ask anyone to follow him?"

Yan Sichen couldn't keep calm and clenched his fists tightly, ready to make a move at any time.

Does he have some secret plan to hide Qing Qing?"

When Lu Zhui heard this, his face turned pale. He was about to say something when a police officer walked over and said with a serious expression, "We found traces of blood and fighting at the scene. There are bullet shells on the ground and signs of someone rolling down the side of the road. The

preliminary judgment is that after being attacked, Mr. Nian and Miss Ning rolled down the cliff by accident or force.

Yan Sichen's eyes widened in disbelief. What?!

It rained last night, so it's hard to find many traces. But judging from the range of the blood stains left at the scene, the two people were seriously injured. As for who it was, we'll have to wait for the technical staff to draw blood and test it. Our people have detected blood stains at the cliff, so there's a high chance that they fell down.

"Impossible! How did Qingqing fall down?"

Yan Sichen couldn't believe it at all. He didn't dare to think about how they could survive in such a deserted place, let alone when they were so seriously injured!

"I don't believe it! She won't fall down!"

At this moment, Yan Sichen had completely lost his mind. He rushed to the hillside and saw many people doing the test.

He walked to the cliff in a few steps and looked at the foggy valley. It was impossible to survive falling from this height!

Yan Sichen's eyes turned red and he gritted his teeth tightly.

After hearing the police officer's words, Lu Zhui followed them to the cliff. He had never shown his emotions in front of outsiders, but at this moment, he couldn't help but feel panic and worry.

However, he had a strong belief that Nian Lie was still alive. He believed that his young master would definitely think of a way to survive with the young Madam!

He came to Yan Sichen and said, "Master Yan, no matter how much you hate my young master, we have the same thoughts now. We both hope that they can live.

Yan Sichen lowered his head, his eyes red, and didn't say anything.

You can doubt everything, but you can't doubt my young master's feelings for young Madam.

"....."

"In order to keep young Madam alive, young master will not die. As long as young master is not dead, young Madam will definitely be alive."

Yan Sichen's eyelids twitched as he looked at the man who was slightly agitated.

Not long after, he suppressed his inner emotions and spat out word by word, "

"Since you trust him so much, then try your best to find clues. You must find out where they are going!"

He turned around and straightened his back. He took out his phone and dialed a number. Gather all the people to the Luoxia Valley in Haicheng," he ordered. Hurry!

Chapter 352: Why aren't you being considerate as a wife?

The people outside were busy and full of worry about the life and death of these two people, but the people below had no idea.

Ning Qing was still in a daze when she heard voices outside.

After waiting for a while, he said it was time for breakfast.

She didn't want to eat it.

Her back was aching, and the bullet wound on her arm was also very painful. In addition, she had slept too late last night, so she just wanted to sleep a little longer.

The door opened with a squeak.

The shadow fell on her face, blocking all the light from the window.

She thought it was her mother-in-law, so she said vaguely, "mother-in-law, I'm very tired. I didn't sleep well last night. I want to sleep a little longer. You don't have to wait for me to have breakfast.

"....."

The shadow didn't move, so she turned over and continued to sleep while hugging the corner of the blanket.

After sleeping for about half an hour, she was woken up by someone.

Nian Yu's legs weren't very nimble. He put the breakfast on the small table at the side and hesitated for a moment. ning Qing, get up and eat.

In her sleep, ning Qing frowned and lazily opened her eyes. When she saw who it was, she immediately woke up.

"Who let you in?"

Nian lie lowered his gaze and caught a glimpse of her white skin at her waist. His eyes flickered. He turned around and said, "get up and eat breakfast.

Ning Qing wanted to say that it was none of her business, but Nian lie had already predicted what she was going to say. He spoke before she could. grandfather and mother-in-law are worried about your health. They said that you need to eat at least enough to recover your energy and strength.

Then, he glanced at her again, his gaze unclear.

"Don't you want to get out of your current situation as soon as possible and recover as soon as possible? only then can we think of a way to leave this place."

After he finished speaking, he left without waiting for her to speak.

Ning Qing closed her eyes in anger and rested on the bed for a while. She had just convinced herself with reason when she turned around and saw the bandages that had just been removed from the bedside.

It was the one she saw wrapped around his body yesterday.

So, it wasn't her imagination last night, and he really came in to sleep?

Ning Qing's mind was in a complete mess.

After finishing his breakfast in anger, he went out with his bowl and saw the old man sitting on the steps.

Ning Qing's face did not look gloomy. grandfather.

The old man saw her and couldn't help but tease her. Oh, you finally know how to get up.

Ning Qing was a little embarrassed. I didn't get much sleep last night, so I want to sleep a little longer.

Aiyo, it's okay. There's no such thing as waking up early or staying late in the mountains. If you're hungry, you eat. If you're tired, you sleep. There's no need to worry so much!

Ning Qing smiled and brought the bowl into the kitchen. When she came out, she looked around but did not see Nian lie.

The old man looked at her and rolled his eyes. ahem, girl, why didn't you sleep well last night? " Did your husband torture you?"

Nian lie had just returned and heard this.

Ning Qing also saw him and glared at him. grandfather, what nonsense are you talking about? "

"Then why did you say you didn't sleep well? Didn't he disturb you?"

Ning Qing gritted her teeth, and her neck felt hot.

"Mosquitoes! There are too many mosquitoes at night, I can't sleep."

Oh: " the old man replied knowingly. He turned to Nian lie: who was standing at the door: are there many mosquitoes in the room? did they bite you? "

Nian lie cleared his throat and glanced at ning Qing. there are mosquitoes, " he replied. it hurts when they bite.

The old man nodded. I'll ask my wife to make you a sachet later. It's very good at repelling mosquitoes. Don't worry.

Nian Yu smiled. alright.

: Little girl ning, why are you so inconsiderate as: wife: : the grandfather turned to look at ning Qing and asked seriously:

Chapter 353: Who told you that I'm married?

Ning Qing's mind was in a daze. Grandfather continued, " your husband is so seriously injured, but he still knows to go out and Scout for you guys. Look at you. You don't even know how to help him.

Ning Qing was extremely helpless. grandfather, I said we're not Zhenzhen.

"What do you mean no!"

The old man raised his voice, his expression not looking good.

no matter how much you quarrel, don't always deny the fact that you're husband and wife. He's good-tempered and isn't angry at you. If it were me, I would've turned my back on you.

Ning Qing glanced at the man and muttered in a low voice,"he's not the one, so what right does he have to be angry?"

When the old man heard this, he was really angry. don't say such things. You're really annoying.

"....."

Listening to the two bickering, Nian Ying had a strange feeling in his heart.

At that moment, he felt that it was not bad to live here with her.

Unfortunately, he also knew that this was unrealistic.

Feeling a little depressed, Nian lie pulled himself back from his thoughts. stop arguing, " he said to the two who were still arguing.

The two of them lowered their voices.

Nian lie looked at the angry old man and said, " Grandpa, I have something to talk to her about. You should rest for a while.

The old man snorted, put his hands behind his back, and walked into the house.

Ning Qing stood on the steps and looked down at the other party.

Nian lie stood by the door across the courtyard, his voice neither loud nor soft.

"Ning Qing, come here. I have something to ask you."

Ning Qing had wanted to ignore him, but when she saw his serious expression, she paused and walked over.

"You'd better really have something to tell me: : she warned as she passed him:

With that, she pushed the door open and went out first.

Nian Yun's eyes flickered as he slowly walked out.

Speaking of which, this was the first time ning Qing had walked out of the courtyard since she had woken up. There were man-made cobblestone steps outside, and there was a thin stream below. The mountain spring water flowed down the small ditch, and there was a faint sound of water at the bottom.

Birds chirped and insects chirped. A Kingfisher flew past ning Qing's line of sight.

Nian lie walked over and immediately caught the adoration in her eyes.

“You like it?” He asked her in a low voice.

The smile at the corner of Ning Qing’s eyes disappeared, and she said expressionlessly, “if you have something to say, say it quickly. Don’t waste my time.

“What time do you have to waste here?”

“You!”

Ning Qing suppressed her anger and said, “Mr. Nian, you don’t even have any sense of time now that you’re here. Do you know how long we’ve been gone?” It’s already been two and a half days, and the people outside might have gone crazy. You’re not thinking about how to get out, and you’re still in the mood to chat with me?”

Nian lie’s Black eyes flickered. Ning Qing suddenly laughed mockingly. it can’t be that Mr. Nian has forgotten his identity and really wants to spend the rest of his life here.

Nian lie’s gaze was unreadable. what if I say yes? ”

He stared at her, not willing to let go of any details.

“If I say I’m willing to spend the rest of my life here, what about you, ning Qing? are you willing?”

It was clearly still that cold and low tone, without any emotion.

Ning Qing thought he was so funny that she couldn’t hide the sharpness in her eyes.

“I thought you only injured your leg. I didn’t expect you to be injured in the head too.”

“.....”

I have a conscience and a moral bottom line. Even if you’re my ex-husband, I wouldn’t be so bad as to steal someone else’s husband. Besides, why should I spend the rest of my life with someone like you? ”

Nian lie’s brows furrowed tightly. His leg was in great pain. He shifted his center of gravity and weighed his injured leg. He asked in a low voice, “who told you that I’m married? ”

Chapter 354: The child from three years ago, is he still around?(1)

Ning Qing was still in a fit of anger, and her eyes were like daggers. I don’t have amnesia. I remember the wedding three years ago very clearly!

Nian lie took a deep breath. It was only then that he realized that she had always thought that he was married.

So she didn’t take what he said to the media at the entrance of the TV station to heart at all?

Nian Jin’s expression turned serious. ning Qing, I’ll say this for the last time. I didn’t marry her. I didn’t marry anyone else. You’re my only wife from the beginning to the end.

“.....”

A little doubt and puzzlement popped up in ning Qing's mind.

She observed his expression and didn't miss a single change.

Nian lie returned her gaze. His eyes were honest, and there was a hint of undercurrent in them.

do you still remember that I told you that her child is not mine?"

Ning Qing's back trembled, and she pursed her lips without saying a word.

Nian lie really wanted to tell her everything. He wanted to tell her that Bai Qingqing was someone his parents had arranged to stay by his side with the purpose of sowing discord between them. However, if he were to say these things to Qingqing, she would definitely ask him why his parents wanted to stop them from being together.

It was definitely related to what happened five years ago.

He could not explain it to her.

Nian lie's heart was filled with heartache. He said in a low and hoarse voice, " back then, I hinted to you that I was just putting on an act with her. Because of some special circumstances, I had no choice but to do that.

He just didn't expect her to be unable to hold on, Yingluo.

He was the one who didn't consider everything thoroughly, which caused her to be hurt again and almost die.

Ning Qing lowered her head slightly. There was no expression on her face, and no one could see her expression.

Nian lie frowned and reached out to help her. ning Qing, Qianqian.

She suddenly took a step back and was about to fall down the steps, but he quickly caught her and fell into his arms.

Nian Jin was overwhelmed with fear. He hugged her waist tightly and couldn't help but scold her. you're already an adult. Can't you even stand properly?"

Ning Qing's eyes were filled with tears, and she almost cried.

Under such circumstances, she was actually lost in thought!

Nian lie sensed that she was in a bad mood. He lowered his head and was about to ask her something when she pushed him away hurriedly. She turned around and said in a trembling voice, "

"Are you done?"

Nian lie froze.

"Nian lie, don't you feel guilty for making up such a lie?"

Three years ago, when she was still his wife, he had already insisted on abandoning her to look for that Bai Qingqing, whom he had eyes and heart filled with.

Three years later, that woman disappeared. When she came back, he changed his words and said that he was just putting on an act.

He had let her down three years ago.

Three years later, he would have to let that woman down again.

Between her and Bai Qingqing, which one was the one he wanted, or did he enjoy the feeling of having a few women in the palm of his hand?

If that was the case, then who should she blame for her dead child and the suffering she had suffered?

What a joke!

It was laughable!

Because of the excessive grief, the corners of ning Qing's eyes twitched slightly, and she could not show any expression.

Her tears fell and she wiped them away.

"Ning Qing, don't cry."

These words made her heart ache.

She took a deep breath and tried to suppress the trembling in her voice. don't come over.

Nian lie was also in so much pain that his face had turned pale. His lips trembled as he said, "I want to ask you something.

Ning Qing's eyelashes drooped, and there was no color in her eyes. She looked like a walking corpse. what? "

Her calmness surprised even herself.

Nian lie's eyes flickered with light as he endured it. He squeezed out each word with great difficulty,

"Is the child from three years ago still around?"

Chapter 355: I'm not qualified to be his mother, and you're even less worthy!

"Is the child from three years ago still around?"

This sentence floated in ning Qing's mind as she stared at the rice in her bowl, her eyes listless.

The old man looked at Nian lie and her from left to right, sensing that something was amiss.

He picked up a piece of Taro and put it in ning Qing's bowl. tsk, girl, what are you thinking? "

Ning Qing's eyes flickered, and both her mother-in-law and that person looked over.

"....."

“Look at how skinny you are. You’re even skinnier than my old bones. Why aren’t you eating properly?” Grandfather mumbled as he put food into her bowl. you have to eat more. How can you be healthy if you don’t eat? ”

Ning Qing’s lips were slightly pale, and she trembled a few times. Her eyes were watery, and she could not control the tears.

She was in too much pain.

He couldn’t say anything.

Her mother-in-law put down her bowl and chopsticks and held her hand, her eyes full of love and concern.

Ning Qing had no choice but to close her eyes and suppress the pain. She pursed her lips and said, “ Zhenzhen, I’m fine. I’m just a little uncomfortable. I’ll be fine after I lie down.

Anyone with eyes could tell that she didn’t want to say more, so no one asked further.

After lunch, ning Qing returned to her room and closed the door to rest. She did not come out until dinner.

The old master looked at the man standing at the door and couldn’t stand it anymore. what’s wrong with you guys? You quarreled with her again?”

Nian Xi’s eyes were dull, and his throat was bitter.

If they were just quarreling, that would be great.

He shook his head. I’m fine.

The old master did not believe him. He pulled his hand and walked a few steps away. Didn’t I tell you that women should be coaxed? Why are you so stupid? you’ve made her unhappy again and again!”

Nian lie could not bring himself to voice out his bitterness. He lowered his head and accepted her advice. Grandpa, I know Hanhan.

“What do you know?”

The old man raised his voice and chided him.

this girl has a tough mouth but a soft heart. She’s a good child. It’s your good fortune to marry her in your previous life, but you don’t know how to cherish her. When you lose her in the future, it’ll be too late for you to regret it!

Nian lie smiled bitterly.

He had already lost her twice.

That kind of pain, that kind of despair, he and she had experienced it again and again, even the child.

Thinking of the few words she had said to him, Nian lie’s heart ached so much that he couldn’t speak.

“Is the child from three years ago still around?”

“He’s dead,”

“How could it be?”

At that time, ning Qing’s eyes were like a knife, ruthlessly piercing through his heart.

his mother barely managed to survive. He’s so young and so fragile. Do you think he can survive? ”

“Stop dreaming, Nian lie.”

I’m not worthy of being his mother, and you’re even less worthy. You don’t even have the right to mention him!

“.....”

The old man glared at the silent man again and again. All he could see was fatigue and dull pain.

He vaguely guessed that what happened to the two of them was not simple. Just from the way he carried them back, he could tell that the two of them were either rich or noble, and their identities were not ordinary.

He sighed softly. The old man compromised. okay, go and ask her out for dinner. How can she stand it if she doesn’t eat? ”

Hearing the old man’s irrefutable words, Nian lie’s chest tightened and he pushed the door open.

The room was dark, and she could only vaguely see the figure curled up on the bed from the light outside the window.

She seemed to have noticed him coming in and buried her head deeper.

Nian lie remained silent. In the darkness, no one saw the heartache in his eyes.

“It’s time to eat,”

Everyone ignored him.

“Grandfather and mother-in-law are very worried about you. Ning Qing, don’t be like this.”

The woman was dead, without any signs of life.

In the dead silence, Nian lie felt as if he had been scratched by a cat, and the pain was unbearable.

Just as he was about to reach out to pick her up, the woman straightened her body and stared at him through the hazy darkness.

“.....”

Nian lie’s heart almost stopped beating.

He clenched his fists tightly.

After getting used to the darkness, ning Qing’s pale face came into view.

Chapter 356: The match between two old people (1:

He took a step forward. why do you look so pale? where are you not feeling well? ”

Ning Qing slapped his hand away, her voice cold and emotionless.

“I won’t die.”

“.....”

She pushed him away and jumped out of bed. After putting on her shoes, she looked at him faintly.

That gaze was so cold that it made Nian Ying’s heart tremble.

He tried his best to suppress his heartache and walked out of the room.

When the old man saw ning Qing come out, he teased her. I thought you were really not feeling well. If you were sick, where would I find you medicine? ”

Ning Qing sat down and took the chopsticks from her mother-in-law. I’m not sick. You don’t have to worry.

Nian lie followed her. After a moment of hesitation, he sat down on the other side of the old man.

The old man glanced around and coughed heavily. I also told this old woman that if you two really can’t leave, I’ll go out on your behalf and get someone to take you two out for a walk.

Ning Qing put down her bowl and chopsticks. She was afraid that he would really take it seriously, so she tried to stop him. grandfather, you and mother-in-law are not in good health. Don’t make any plans.

Even Nian lie and her, who had recovered, would find it difficult to endure the journey of one day and one night, let alone him.

She understood that the old man was truly good to her, but she could not let him take the risk.

Nian lie also felt that it was inappropriate. He said in a serious tone, ” please don’t think that way. You two saved our lives. We are already very grateful to you. Besides, how we get out of here is our own business. You don’t have to worry too much.

The two of them were too serious. The old man laughed. I was just saying it casually. You guys took it seriously. With my body, I’ll probably die of exhaustion before I even get halfway out!

“Don’t talk nonsense!” There was blame in ning Qing’s eyes. you and mother-in-law are going to live a long life. It’s better not to say such things.

“Alright, alright, alright. You’re just like a housekeeper.” Grandfather grinned and cursed, but there was no anger on his face.

After this incident, the atmosphere at the dinner table became a little strange.

The old man looked at this and then at that, sighing silently.

After dinner, her mother-in-law boiled some hot water for everyone to take a good bath.

After the few of them finished their discussion, their grandfather and mother-in-law washed first, followed by ning Qing and Nian lie.

After grandfather was done, he came out to let ning Qing take a bath.

The old lady scooped the hot water from the pot into the wooden bucket. The bucket was big and heavy, and it swayed as she carried it.

The old man took it and gave her a look. Then, he let out an " oh no " at the door. Nian lie immediately dropped the firewood and walked over to help him.

"What's wrong?"

Grandpa held his waist and cried out in pain. I think I sprained my waist. This man is old and useless!

His mother-in-law stood at the side and watched his performance in confusion.

The old man took Nian lie's hand. your mother-in-law's health can't take it anymore. You should help the girl carry the water.

Nian Xi paused. alright.

alright, go get the water. I'll let the old woman test the water temperature for her.

Nian lie felt that his reaction was a little strange, but he didn't think too much about it. He carried the bucket and entered the small room for the bath.

There was a big wooden bucket inside. He was still injured, so he poured the water into it with some effort and went back to the kitchen.

The old man's eyes lit up, and he said something to his mother-in-law before turning around and entering the room leisurely.

Nian lie made three trips, but the wooden bucket was only half-filled. When he was about to go again, his mother-in-law stopped him and shook her head and waved her hand, indicating that there was no need for it. She then connected the bucket to the tap in the room and put in cold water.

Nian lie rubbed his forehead with his arm and waited for his mother-in-law to nod in a daze before he went to the door to call ning Qing.

Ning Qing did not say a word to her. When they went to the bathroom, her mother-in-law gestured to her a few times, and she roughly understood what she meant. it's okay. I don't need you to take care of me. You can go and rest.

Her mother-in-law nodded and closed the door when she left.

Ning Qing took a deep breath and let out the anger in her heart. She took off her clothes without hesitation and stepped into the wooden bucket.

The water was warm and cool, and it was quite comfortable.

Ning Qing relaxed her body and mind. After soaking in the water for a while, she felt that the water seemed to be a little cold.

Chapter 357: Ning Qing, let's have: chat (1:

At this time, she also felt that she could make do with it. It was just that the mountain was humid and the air conditioning was strong. After she hung in the air for a while, she was basically cold by the time she entered the water again.

“Hiss-”

Thinking that the two elders were already asleep, she could only grit her teeth and endure it. Who would have thought that the moment her whole body was soaked in the water, she still couldn't help but shiver.

Outside the door, Nian lie heard the noise. He frowned. He got up and approached the door. what's wrong with Yueyue? ” he asked hesitantly.

Ning Qing did not expect him to be waiting outside for her. Her mind was in a mess, but she still gritted her teeth and said, ” I'm fine.

Nian lie could hear her voice trembling. He couldn't help but feel nervous. what exactly is going on? ” Does your wound hurt?”

There was no sound from inside.

Nian lie was anxious. He pushed the door open with one hand, but to his surprise, the door wasn't locked!

Then, through the half-opened door, he saw the woman curled up in the wooden bucket, and his expression froze.

Ning Qing didn't expect him to push the door open. She clutched her chest in panic. what are you doing?! Close the door!”

She didn't even dare to shout at him for fear of disturbing the old man!

Nian lie's eyes flickered fiercely. His fair skin was like pure white jade, sparkling and flawless.

Ning Qing was furious. She grabbed the clothes on the chair and threw them at him. I told you to get lost!

Nian lie shifted his gaze away in realization and closed the door.

For a moment, both inside and outside the door fell silent.

Nian lie's breathing was heavy, and his thoughts were in a mess.

Thinking of how she had shivered from the cold, he tried hard to forget the scene just now. He was about to go to the kitchen to add some hot water for her when the door opened.

The two of them looked at each other.

“.....”

Ning Qing's long hair was in a bun. She looked at him with anger and coldness, pushed him away, and rushed into the room.

Nian Xi's foot hurt, and his back hit the wall. The wound seemed to have split open.

Looking at the woman's angry back, he was helpless. He endured the pain and walked into the kitchen.

When he finally came out of the shower with great difficulty, the moonlight was bright outside, sprinkling all over the ground and illuminating every corner of the courtyard.

Nian lie sat down by the window outside ning Qing's room, his eyes dark and deep.

After hesitating for a while, he still got up and went into the room.

Staring at the woman's back, Nian lie walked closer to the bed. With the help of the moonlight, he could clearly see the items on the small wooden table.

The White porcelain bowl was filled with a green herbal paste, and there was a cloth to wrap the wound on the side. There were also two white and tender pears and a small knife.

The fragrance of the crushed herbs was familiar. It was the medicine he had applied these two days.

He sat down in front of the wooden table, the expression on his face unclear.

I know you're not asleep, " Nian lie suddenly said. ning Qing, let's talk.

"....."

He stirred the viscous ointment, raised his leg, and personally applied it to the clean wound.

The wound stung slightly, followed by a cool feeling.

After he finished applying the medicine to the wounds on his body, he looked at the person on the bed, not moving at all.

He helplessly came forward with the porcelain bowl and forcefully pulled her body over. The woman's frightened and angry expression was obvious.

what are you doing?!

"I'm applying medicine for you," Nian lie said indifferently.

Then, he added, " this is the ointment prepared by granny. Don't waste her kindness.

Ning Qing twisted her body and resisted his approach.

"I'll do it myself, you don't have to worry about me!"

Nian lie didn't want to let her mess around. He pressed down on her shoulders and said, " do it yourself. Can you take care of yourself? "

This action pressed on the wound on ning Qing's arm. It was so painful that she sucked in a breath of cold air. let me go! she said hatefully.

Nian lie still refused to let go of her. I told you, if you want to get out of here as soon as possible and get rid of me, you have to get well as soon as possible.

Ning Qing gritted her teeth and did not speak.

Time slowly passed.

In her silent resistance, Nian lie admitted defeat first.

He gave in and handed her the bowl.

Ning Qing took it and did not move.

Nian Xi frowned. why didn't you apply it? "

Ning Qing was so angry that her face and neck were red. you're here. Why should I put it on? "

Chapter 358: If you want to kill me, I'll give you the knife (high abuse)_1

Nian lie paused for a moment before walking to the wooden table. He turned around and said, " I don't want to look at it. Hurry up and treat the wound. Don't let it get inflamed.

Just now, she was completely soaked in water.

"....."

The woman behind him didn't make a sound, and then there was the sound of clothes rubbing against each other.

Nian lie's hands, which were resting on the table, clenched into tight fists.

After ning Qing was done, he took a deep breath and looked down at the small knife.

It was serene and deep.

"Ning Qing,: 'm sorry,: he suddenly said to her.

Ning Qing, who was pulling up her collar, froze.

Nian Xi's eyes were half-closed as he sat there calmly. The pain in his back was mixed with numbness, and it went round and round in his heart.

He said with difficulty, " I'm sorry about what happened three years ago. I shouldn't have kept it from you. I thought I could protect you and your mother, but Hanhan's incident still happened.

Ning Qing's eyes were fixed on a spot on the ground, not knowing if she had heard him or not.

Nian lie's face was pale, as if it was covered by a layer of moonlight.

I'm sorry that you suffered so much three years ago. I'm sorry that I couldn't find you in these three years. I'm sorry, our child Hanhan.

Ning Qing's eyes were out of focus, but when she heard the word 'child', they suddenly lit up.

She bit her lips and tried her best to suppress her hatred, but she still couldn't help retorting, "he's not your child!" Because you're not worthy!"

Nian lie's back stiffened.

Ning Qing glared at him with resentment, tears gathering in her eyes.

"What's the use of saying sorry to me now?"

"....."

"You've never shown any concern for my child. All your concern was given to Bai Qingqing and the child in her stomach! You're only saying sorry to me after he's dead, Yingluo, you're saying sorry to me, haha!"

She laughed bleakly, tears flowing down her cheeks.

"He's dead, he died in my stomach! Knowing that he was no longer breathing, I could only give birth to him! Do you understand that kind of pain? You don't understand at all!"

Ning Qing's eyes were filled with tears and hatred, and her whole body trembled.

It was as if she hated him so much that she wanted to pounce on him and bite him to death. She gritted her teeth and shouted in a low voice, "now, no matter what you say, that child won't hear you!" I don't need your apology at all!"

The heart-wrenching sounds stopped, and the surroundings were eerily quiet.

Ning Qing's face was full of tears, and her heart ached so much that she could not breathe.

"So, you really hate me that much," she heard the man mumble to himself as she sobbed.

Hate!

She wished he could die a million times! She wanted him to experience the pain that she had felt in the past!

Ning Qing covered her face, tears streaming down her face.

The man stood up at this moment and walked to her.

Nian lie lowered his black eyes. In his misty eyes, countless shattered lights and shadows flashed past.

"Really?" he asked.

She couldn't care less about the stupid plan and revenge. Ning Qing put down her hands and looked at him with eyes full of hatred.

"Yes! I can't wait for you to die!"

As soon as he finished speaking, Nian lie's body swayed.

The pale moonlight cast his shadow on the ground. He looked lonely and desperate.

His eyes were clear, as if a thousand sails had passed, but also as if there was nothing. He even moved the corners of his lips and smiled. sure.

Ning Qing was shocked, as if she didn't understand the meaning of his words.

Nian lie reached out from behind him. The sharp tip of the short knife glinted with a cold light.

Ning Qing sensed what he meant and stared at him with red eyes. Her lips trembled, but she couldn't speak.

Nian lie's smile was extremely tender.

didn't you say that you wanted me dead? I've given you the knife. Ning Qing, the opportunity is right in front of you.

"....."

The woman's body stiffened.

She looked up with her fair face and let her tears fall.

Seeing her like this, Nian Xi's smile fell.

"Didn't you say that your heart ached for the child and that you wanted to kill me for him? why are you hesitating? Ning Qing, did I say it right? you still love Yingluo."

I ...

Before the word escaped his mouth, a "PU Chi" sound cut off all possibilities.

Chapter 359: The warm blood splattered on her face (slightly abused)_1

The sound of the wind suddenly became very loud, as if to cover up the sound of sorrow.

Ning Qing held the handle of the short knife in her hand, her eyes filled with extreme sadness and viciousness.

The sharp end of the knife was buried in the man's shoulder.

Blood flowed down, dyeing the fabric even deeper.

The veins on Nian Xi's forehead popped, and he clenched his jaw tightly. The light in his eyes shattered, gathered, and shattered again, and so on.

Ning Qing's thoughts were in a complete mess. She just wanted to vent all her anger and hatred that she had been holding back for a long time.

However, when she realized that she had actually hit him, her mind went blank ...

Her eyelashes trembled fiercely, like a tree branch shaking off snowflakes.

"Nian lie, I dare to do anything."

Her voice was hoarse, but it was clear in the night.

“.....”

Nian lie’s thin lips were tightly pursed, and sweat seeped out of his forehead. It was obvious that he was suffering inhuman pain.

Ning Qing’s eyes narrowed, and she suddenly pulled back the short knife.

The warm blood splattered on her face and the back of her hand.

As she moved, Nian lie’s body froze. He took a few steps back out of habit until he couldn’t bear the weight and fell back into the chair.

He covered his wound with one hand and panted rapidly, his gaze falling heavily on her.

After a while, he laughed. you did well.

Ning Qing’s hand that was holding the hilt of her sword was completely numb.

She turned her head and looked at him with a complicated expression. you’re crazy, ” she said.

She had stabbed him, and he actually said she was good!

Ning Qing turned her face away. She could no longer withstand the suffocation in the room. She was going crazy!

She was flustered and wanted to jump out of bed, but the man stopped her.

“Don’t go,” he said.

Ning Qing tightened her grip on the edge of the bed, and Nian Yun’s breathing grew heavier.

“It’s cold outside and you’re not in good health. Don’t run around if you’re injured.” He said so calmly.

At that moment, ning Qing suddenly could not understand him.

Ignoring her complicated gaze, he suppressed the bone-piercing pain in his shoulder and stood up with his other hand on the edge of the table.

Ning Qing looked at him warily. Nian lie heaved a heavy sigh and smiled bitterly. now, I can’t do anything to you even if I want to.

“.....”

“Ning Qing, I’m not a God.”

He was not invulnerable. He could also be injured, his heart would ache, and his pain would be indescribable.

The color in ning Qing’s eyes changed. After the man tried to take a step, he swayed his body and pulled the door open to go out.

She still did not say anything.

Nian Jin leaned against the door and slowly turned his head. I should pay you back for the stab tonight. Ning Qing, I accept all your hatred, but after tomorrow, I hope you can temporarily put down your hatred for me, because we still have to go out together.

Ning Qing looked at him in shock.

Nian Jin's eyes flickered. He returned to his room and left with the White porcelain bowl.

"Sleep early, good night," he said softly to Ning Qing as he closed the door.

The door was locked.

The sound of his footsteps outside told Ning Qing that he had really left the room.

All sorts of thoughts ran through her mind, making it hard for Ning Qing to breathe.

She lowered her eyes and saw the bright red on the back of her hand.

In the next moment, her face was covered in tears.

.....

Outside the courtyard gate, on a huge bluestone slab, a man bent his back and took off his clothes with great effort, revealing a wound with blood gushing out like a spring.

There was something deep in his eyes that could not be seen clearly under the moonlight reflected by the stream.

He bent over and poured some water on the wound.

Nian lie's back tensed up from the pain, but he still didn't show much expression.

After cleaning the wound, she applied the ointment on it and wrapped it tightly with a cloth.

"Hualala-"

With the sound of running water, Nian lie raised his head to look at the half-set moon, which reflected the woman's pale and sad face.

A tear finally rolled down from the corner of her eye.

It dripped into the stream beside him.

Chapter 360: She is my ex-wife (1:

The next morning.

The old man got out of bed groggily and stepped out of the door. He saw Nian lie sitting in the courtyard.

He stopped rubbing his eyes. young man, why aren't you sleeping in the room? " You Chenchen!"

At this point, he looked in the direction of the other room and immediately understood.

“Why is this girl so cruel? you’re still so badly injured!” He was a little annoyed.

Nian lie, who had stayed up the whole night, was not in good spirits. His wound was hurting so much that he was in a daze. Fortunately, he could hold on and forced a smile. I made her unhappy.

The old man glared at him. even if you’re unhappy, you can’t be left out in the cold like this. It’s very cold in the mountains at night. If you sit outside for a whole night, what are you going to do if you get even sicker? ”

The old man’s words made Nian lie feel that he was being cared for.

He stood up and patted his chest. Grandpa, I don’t get sick that easily. Don’t worry.

The old man looked at his expression and did not want to expose him.

Out of the corner of her eye, she suddenly saw the dark color on his clothes.

The old man narrowed his eyes. why are your clothes torn? ”

Nian Xi’s body tensed up, and she subconsciously raised her hand to cover it. we had a fight last night, and I accidentally tore it. Please don’t be angry.

“.....”

The old man stared at his expression.

Nian lie, who had always been calm and collected, felt a little nervous under his scrutiny.

“Why are you up so early?” he took a step forward and changed the topic.

The old man looked left and right, but didn’t see anything wrong. He snorted and said, ” I’m tired of eating those these days. I planted sweet potatoes at the back of the house. I want to dig them up early and give you two some fresh ones.

Nian lie smiled. I’ll go with you, then.

you’re so seriously injured, ” the old man glanced at him and muttered. you won’t be of any help even if you come with me.

Nian lie froze.

The old man had already passed by him and went into the house to get the basket and hoe.

Nian lie was still standing there when she came out.

He walked to the door and turned back to look at her. oh my, you look so pitiful. Sure, come with me if you want to go.

Nian Jing was stunned. alright.

Then, he lifted his legs and followed her.

The scenery at the back of the mountain was very good. The hazy fog and the rising sun were natural beauties that were rare in the city.

Nian lie followed the old man to the sweet potato field. He was about to make a move, but the old man seemed to have seen through him. don't do such heavy work. Your injuries won't recover. You won't be able to leave even if you want to.

The old man put down his basket and started to dig with a hoe.

At first, the two of them didn't speak.

The old man looked at Nian lie for: long time. When he was done: he took: break: young man, what's your relationship with that girl? " he asked Nian lie loudly with the hoe in his hand:

Nian lie was washing sweet potatoes in the stream by the side. When he heard this, he stopped.

"You know that we're not husband and wife?" he raised his head and asked in a muffled voice.

The old man wiped his sweat. at first, I thought you two were, but after seeing how you interacted with that girl, tsk, the more I look at you, the less likely you two are.

Nian lie lowered his head and didn't reply.

The old man glanced at his back. what's wrong with you? do you like her, but she's not happy? "

no, " Nian lie smiled bitterly.

The old man didn't hear him and simply walked to his side and squatted down. it's easy to like a girl. You just have to think of ways to make her happy. She's not like you, making yourself seem like a different person.

This comment was filled with ridicule and disdain, making Nian Yu feel a little awkward.

"It's not what you're thinking,"

"Then what is it?"

"She's my ex-wife," Nian lie said calmly as he washed the sweet potatoes.
