

## Mr Nian 371

Chapter 371: Confessing his intention to leave (1:

Ning Qing clenched her fists. I'll tell mother-in-law that we're leaving.

Nian Xi was stunned.

Of course, he knew that she couldn't bear to do it. He had originally thought that if she didn't want to speak, he would be the one to tell the two elders.

Who would have thought that she would actually say it herself?

Nian lie was a little nervous. what did granny say? "

Ning Qing's expression was indifferent, and she only shook her head.

She looked as if no one wanted her, as pitiful as she could be.

Nian lie stood up and was about to hold her hand.

"Little girl ning, are you done?"

Ning Qing and Nian lie looked at each other. it's almost done, " ning Qing said to the window.

The old man's voice was still high. then come out once you're done. I have something to ask you.

Ning Qing blinked. okay, I'll be there right away.

She turned around and met Nian lie's slightly worried eyes.

"Quickly settle it, I'm going out."

She turned around and was about to leave, but Nian Junxin quickly pulled her back. wait for me, we'll go together.

Ning Qing bit her lip. She did not want to face the two old men alone.

After living here for more than a week, she was envious of the loneliness and simple happiness of the two elders.

Moreover, she had never been so relaxed and at ease in the past three years.

Putting aside everything in the outside world, she really wanted to stay here and spend the rest of her life with the two elders.

But how could one have everything that one wished for?

She was able to meet such good old people because of the accident during the pursuit.

The more she thought about it, the more upset she felt. Ning Qing had no choice but to push Nian lie's hand away, grunt in a muffled voice, and sit at the side without saying a word.

Nian Ying's eyes flickered with emotions, but he didn't say anything.

He quickly bandaged his wound and left the room with ning Qing.

When he saw the two old men sitting in the middle of the courtyard, Nian lie paused and walked over with a smile.

"Grandpa, what's the matter? why did you call us so urgently?"

The old man patted the short stools on both sides and motioned for him and ning Qing to sit down.

The two of them did as they were told. The old man did not speak at first, but his expression was rather solemn.

Ning Qing was upset. grandfather.

"Have you two been happy here?" the old man asked with a smile, as if he had made up his mind.

Ning Qing smiled. of course I'm happy!

The old man looked at Nian lie. Nian lie nodded with a serious expression on his face. The old man smiled in satisfaction.

hehe, it's good that you're happy. When I first carried the two of you back, the young man and young lady looked so listless. Now, they're jumping around in front of me. I'm really happy.

For some reason, ning Qing's eyes were filled with tears.

She and Nian lie exchanged a glance. They both guessed that it was her mother-in-law who had told him about their departure. In an instant, the atmosphere in the courtyard became sorrowful.

The old man pondered for more than ten seconds and couldn't help but sigh. sigh, your mother-in-law and I have been in this mountain for decades and have never seen any outsiders. It's not easy to meet you two. You should prepare to go back now.

Ning Qing quickly held his hand. The deep cut and rough skin on the back of his hand made her eyes feel hot.

She said, " Grandpa, I'm really grateful to you for saving us. If it wasn't for you, I might have been buried in the forest. You saved us and took care of us with mother-in-law for so long. You told me so many things, Zhenzhen.

She half-squatted in front of the old man, tears in her eyes. Wanwan, you and mother-in-law are like family to me. I'm really grateful to you and mother-in-law!

Chapter 372: : hope I'll be happier when I get out (1:

Ning Qing sobbed, her eyes darting between the two old men, unable to hold back her emotions.

She said, "after I go out, if it's possible, I'll come back to pick you up!" Grandpa, mother-in-law, please come with me. I will be filial to you!"

The two elders were touched by her words. The mother-in-law had already covered her face and turned to the side to wipe her tears.

Grandfather lowered his head to look at her, his old face full of relief. But he said, " little girl, grandfather and grandmother have lived in this mountain for decades. They are already old. How can they adapt to Huanhuan when they go out? "

Ning Qing held his hand tightly in excitement. "I'll find someone to take care of you and mother-in-law! Grandpa, please come with me!"

After getting along with him for so many days, she knew that the old man in front of her was very soft-hearted, and as long as she begged him, he would definitely not be able to leave her.

Grandpa, I can't bear to part with you and mother-in-law. Come with me and we'll live together in the future, okay? " The anticipation in ning Qing's words was strong, and it could be seen that she wanted the two elders to be by her side.

The old man patted the back of her hand with his other hand, still smiling.

"Little girl ning, all good things must come to an end. We all understand this principle."

"Grandpa, Zhenzhen"

The old man's eyes were red as well. He tried to hold back his laughter. I thought that no one would remember me even if I died in this mountain. At least you know us now.

"....."

"I'm already very happy to have met you. I don't have any other wishes."

As soon as she finished speaking, her mother-in-law was already sobbing. She got up and rushed into the house.

Ning Qing's tears fell, and her reluctance to part spread through the entire courtyard.

Beside them, Nian lie clenched his fists tightly. He, who had never revealed his emotions to outsiders, also tried to persuade them in a hoarse voice. grandfather, you and mother-in-law are both old. There's no one to take care of you in this mountain. Just like ning Qing said, you should come with us. We will definitely take good care of you.

The old man looked at him, and then at ning Qing, whose eyes were full of anticipation. He sighed and said stubbornly, " we don't have anything to pursue. We just want to go back to our roots. Let's go out and take a walk.

Even though he was reluctant, the old man still shook his head.

Ning Qing's tears could not stop. but I, Zhenzhen, can't bear to leave you and mother-in-law!

She buried her head in the old man's hand, as if she wanted to absorb the last warmth.

The old man touched her head and pretended to comfort her. I'm not sure if you'll be able to go out this time, but you might be back soon. Yingluo, it's okay. Your mother-in-law and I will wait for you here. Whenever you want to come back, we'll welcome you.

"....."

Ning Qing held his hands with both hands and shook her head while crying, unable to say a word.

Nian Jue's eyes turned red. He lowered his head and didn't say anything.

The old man didn't argue with them for the first time. The love and reluctance on his face were engraved in his eyes.

the two of you should just remember the relaxation and happiness you've experienced these days. In the future, when you think of it, don't forget me and mother-in-law.

Ning Qing raised her head.

He held Nian lie's hand and placed it on the back of her hand.

no matter if you two end up together or separate, I hope you two can be as happy as you are now. No, even happier than now.

Ning Qing held back her tears and said with tears in her eyes, " grandfather, I will!

Nian lie nodded solemnly as well. The old man smiled again, pleased.

In the evening, they had dinner.

After the old man asked them when they were going to leave, he nodded and told them to rest early without saying anything else.

Nian lie sat on the edge of the bed. He looked at the woman who was curled up in a ball. He sighed softly and leaned over to ask her, " are you still sad? "

"No," ning Qing replied in a hoarse voice.

Then, she sniffed.

Chapter 373: Memories can be retained forever (1:

After all, Nian lie was used to enduring silently. Even if he felt uncomfortable in his heart, he couldn't express it so freely.

However, he could not bear to see her in such pain.

He forced her to turn around and lowered his head to see her red eyes and nose. His heart ached. don't cry.

"....."

you're only leaving once. Grandpa also said that you can come back to visit them whenever you want in the future.

Ning Qing looked at him and then at the dark roof.

The night was cold, but his palm was warm, and it gave her goosebumps.

She couldn't muster up any energy, and her pretty eyebrows were lowered. I know.

However, even though she knew that this was not a permanent separation, she was still sad.

The outside world was full of ups and downs, and it was very difficult to meet someone who treated her with sincerity. However, the two old men she met here were simple and kind, and they treated her like their own granddaughters. Even her cold and indifferent heart was deeply touched!

She couldn't leave them without any fluctuations!

Nian lie could tell that it was useless to persuade her, so he let go of her hand and let her lie down in a more comfortable position. A faint light flickered in his long and narrow black eyes.

"If you really can't bear to part with them, then stay here and accompany the two elders."

Ning Qing's gaze shifted to the left and fell on him. do you think that's possible? "

Of course not.

He just wanted her to understand the current situation.

If she was willing to stay, he had plenty of ways to do so. If not, it was her choice.

Ning Qing didn't have the mood to guess his thoughts. Her chest felt like it was blocked by something, and she felt stuffy and uncomfortable.

"I don't understand why people are always like this," she said.

Nian lie lowered his head to look at her. There was a fragile beauty on his pale face.

His heart felt as if it had been soaked in warm water, melting into a ball, and his tone unconsciously became calmer.

ning Qing, we all meet many people in our lives, and we will inevitably experience separation, but separation doesn't mean that everything is gone. The interactions and memories you have with those people are permanent. As long as you still remember them, some people and things will exist forever.

Ning Qing's eyes flickered. She muttered, " but he's not by my side. What's the use of memory? "

"The person is not by my side, but the memory can be retained forever."

"....."

"Compared to not having it, memories can at least let you reminisce about the good times of the past, right?"

Ning Qing seemed to have heard him, but she also seemed to be extremely tired as she slowly closed her eyes.

Nian lie raised his hand, wanting to touch the corner of her eyes, but he held back.

don't let your thoughts run wild, " he said gently, tucking in the corner of the blanket. go to sleep.

Ning Qing hugged the blanket and turned around.

Seeing her rejection, Nian lie didn't say anything and lay down with his clothes on.

He stared at her thin shoulders that were exposed, leaned closer, and reached out to hold her.

The woman's back suddenly stiffened. Before she could resist, Nian lie quickly said, " just this once. Ning Qing, don't reject me.

Don't reject his comfort and company.

At least, it would be the last time.

The conflicted look in ning Qing's eyes flashed for a moment, and then faded inexplicably.

Sensing that her body had gone limp, Nian Jin heaved a sigh of relief. can you walk with your injuries? " she asked.

Nian lie stared at the back of her head, carefully avoiding the long hair that was pressing down on her. He could smell the faint fragrance of her hair.

"Ning Qing, I'm a man. This is just a small injury."

In a place where he could not see, ning Qing's expression suddenly darkened and became cold.

The man didn't know. He patted her waist gently with a steady rhythm, like coaxing a child to sleep.

"Go to sleep."

The woman gave a soft " hmm " and the two of them stopped talking.

Chapter 374: Parting is imminent (1:

The next day, there was a knock on the door before dawn.

Both Nian lie and ning Qing were jolted awake. The old master's aged voice came from outside.

"Brother, little girl, are you awake?"

Ning Qing was still in a daze. Nian Jin cleared his throat and said, " grandfather, you're awake.

"Quickly get up, eat early and get on your way, so you don't have to waste more time."

"Alright," he said.

The old man's hunched figure flitted past the window. Nian Jue shook his head and looked at the woman beside him, still in a daze.

"Wake up, ning Qing." He found it funny and called her.

After five seconds, the woman yawned.

Nian lie got out of bed and brushed the creases off his clothes. I'll go out first. You can come out after you've cleaned up.

: Oh: : ning Qing replied.

Nian lie went out. A cold wind blew past him, and his muddled mind instantly cleared up.

The kitchen was lit up, and her mother-in-law and grandfather were busy making breakfast. On the bench by the door, there was a clean shirt and long pants, dark red long sleeves and black pants.

The old man, who was setting up the fire, noticed him and said, " my wife and I bought those clothes a long time ago. We haven't worn them before. They're new. We said that we'll wear them when our son gets married, but it didn't happen. We won't have the chance to wear them in the future. I'll give them to you two.

Nian lie's brows were tightly knitted together. Ning Qing heard this as soon as she came out and rejected him without hesitation. no, this is yours and mother-in-law's. You can keep it as a memento. We can't take it.

The old man narrowed his eyes. girl, do you know how far you have to walk if you go out now? " There's everything in the forest. Your skin is so soft and tender. Even if you don't feel bad when you knock it, Grandpa will feel bad."

Ning Qing didn't understand. what does this have to do with whether I wear this or not? "

"It's fine."

The old man's face darkened.

"But if you don't want it, it means that you're disdainful of your mother-in-law's and my kind intentions."

Ning Qing was about to argue when Nian lie grabbed her wrist and shook his head at her.

Forget it.

The two of them went back to their room to change. When they came out, they were like two different people.

Looking at the two of them, who seemed to be extraordinary with just a little bit of clothing, the old man knew that they were both of high status.

He didn't say anything. He just smiled. yes, it's nice!

The mother-in-law also laughed and babbled, probably saying that it fit and looked good.

Nian lie and ning Qing looked at each other, but they did not say anything.

After that, the four of them had their last breakfast. Grandpa found a black backpack from Nian lie's cabinet and helped him pack his things. They stuffed dry food, water, ointment, and an insect repellent sachet into the bag.

Ning Qing didn't take anything with her. She stood a little dumbly on the side and watched the two of them clean up.

The sky was dusky, and the sun rose.

With the elderly man's "done," everything was packed.

The few of them did not speak. The old man glanced at his mother-in-law beside him and she entered the room.

When he came out again, he was holding an object in his hand.

It was a red velvet box. It looked new and well-protected.

"Come closer, you two," said grandfather with a smile.

The two of them did as they were told.

He added, " we've been here for so long, and we don't have anything to give you two. This is a gift from me to your mother-in-law when I got married. It's useless in the mountains now, so I'm giving it to you two as a memento.

"Grandpa, this won't do." This time, Nian lie wasn't willing to accept it.

The old man's face turned serious. He took the box and was about to stuff it into his hands. what can't I do? Take it!"

Ning Qing's eyes were red. it's not like we won't come back to see you in the future, " she said. what do you mean by giving us everything? "

Chapter 375: Pull yourself together, ning Qing (1:

The old man paused, and the mother-in-law took her hand. Although ning Qing still could not understand what she was saying, she could see the reluctance on her gentle and loving face.

Her tears came again.

Grandpa didn't care so much. He said, " hurry up and take it. Otherwise, your mother-in-law and I will be angry.

After saying that, he even held his chest and coughed a few times. Nian Yu couldn't argue with him, so she could only hold the velvet box in her hand.

Ning Qing helped the old man up. He took a few deep breaths and said, " I know. You're all of extraordinary status and don't lack money. This gift is just a token of my appreciation. Keep it well.

“Grandpa, Zhenzhen”

The old man steadied his breathing and looked at the sky. The fog dispersed and the sky brightened slightly.

“Alright, it’s about time. You guys can go,” he said seriously:

“.....”

The sadness of parting enveloped them, and ning Qing was unwilling to leave. grandfather, mother-in-law, you can go out in the future. Come and take a walk with me.

The mother-in-law wiped her tears. The old man didn’t say anything and just pulled her to the door.

Nian lie carried the heavy bag on his back and placed the palm-sized velvet box into his pocket.

He walked to the door and pulled it open. The old man looked at the two of them again and solemnly said, “ you two must remember what I said. Live well.

Ning Qing bit her lip and nodded.

The old master reluctantly let go of her hand. alright, go on.

Ning Qing’s eyes were filled with tears. mother-in-law, grandfather, Zhenzhen.

“Go on.”

The old man waved at her, then turned to look at Nian lie. remember what I told you.

“Grandpa, I will,” Nian Ying promised solemnly.

The old man lowered his head. you should go too.

“Let’s go, ning Qing.” Nian lie walked to ning Qing’s side and wrapped his arm around her waist.

Ning Qing looked at the two old men who were leaning against each other, and her red lips twitched with a magnificent smile.

“Grandpa, grandma, don’t worry. I will work hard to be happy!”

Through her tears, she seemed to see the smiles on their faces.

Her heart clenched into a ball, but she had to turn around.

At that moment, her tears fell and she almost couldn’t speak.

Nian Jin supported ning Qing all the way down. At first, she kept turning her head back, but when she couldn’t see the two old men anymore, she stopped looking and only cried silently.

Nian lie didn’t say anything else. The two of them had passed by the clear pool. His mind was a little shaken. He looked at ning Qing, but she didn’t notice him at all.

His heart softened. don’t cry. There’s still a long way to go. If you waste your energy like this, it’ll be very difficult later.

Ning Qing looked at him with red eyes. He had to stop and come to her side, affectionately wiping the tears from the corner of her eyes.

“Pull yourself together, ning Qing.”

Her eyes were clearer than the water in the stream. After suppressing her sadness, she said, “okay.”

Nian lie smiled and held her hand. let’s go.

Ning Qing wanted to struggle, but after seeing the big bag on his back, she chose to remain silent.

The mountain road was difficult to walk on. Even if it was downhill, the pothole-filled road would slow down the speed.

Nian lie held ning Qing’s hand and followed the route that he had asked his grandfather about earlier, trying his best not to deviate from it.

They didn’t know how long they had been walking, maybe five or six hours. The sun had risen to the top of their heads. They could tell that it was around noon. They walked in circles, but they had only reached the foot of the mountain.

Nian Ying chose a big tree and stopped under it to let ning Qing rest.

He took out the food and water from his backpack and handed them to ning Qing first.

Ning Qing was extremely hot. The surroundings were wet, and there were all kinds of insects and ants on the ground. It was so stuffy that her whole body felt uncomfortable, and her throat was smoking.

She only took the water and drank many mouthfuls before her thirst was slightly alleviated.

Chapter 376: Return (1:

She handed the water bottle to Nian lie. He only took a sip to moisten his throat before putting it back in his bag.

“I don’t know,”

Ning Qing saw his actions and frowned. I don’t know what he means.

“I mean it literally.”

Ning Qing looked at him unhappily. Nian Jin looked around. There were moss everywhere, and there were trees and vines everywhere.

“I’m not wrong, we should have just left the mountain,” he said:

Ning Qing’s brows twitched. They had only just left the mountain after walking for so long?

Nian Jue handed a piece of cake to ning Qing. She wanted to reject it because it was too dry for her.

Nian lie could read her mind. His thin lips were pursed into a cold, straight line.

“We need physical strength. If you don’t eat, you’ll slow down our speed.”

Ning Qing also knew that this was not the time to be pretentious. She just felt that she was not hungry.

Nian lie's face was a little pale, but he was very serious. you have to eat even if you're not hungry. Right now, food is used to maintain life and provide energy. It's not about whether you want it or not.

"....."

Ning Qing was speechless. She took the cake and began to chew on it with great effort.

Nian lie thought that his words were too harsh. He walked to her side and looked at the wet hair on her forehead. are you very tired? "

"No!" Ning Qing stopped eating her biscuit and gritted her teeth.

Nian lie couldn't help but laugh at her stubborn look.

Forget it.

"You should rest for a while."

"Where are you going?" ning Qing looked at the man, who was obviously going to leave.

"I'm scouting the path." Nian lie turned around, his dark eyes clear and calm. sit down properly. Don't run around.

Ning Qing frowned slightly but did not say anything.

Nian Ying walked away.

Ning Qing finished the biscuit with great difficulty, her throat burning. She got up and took the kettle from her backpack. Just as she was about to drink it, she bent down and searched in her bag.

Only then did she realize that they only had this clean pot of water.

With the speed at which she was drinking just now, there was only half of the kettle left, but the distance was so long that she couldn't see the end.

"....."

At that moment, ning Qing thought of Nian lie's appearance when he had taken a sip of water, and a complicated feeling rose from the bottom of her heart.

She put the water bottle back and tried to lift it. The bag was quite heavy.

She rummaged through her bag again. There was a thin blanket and a coat. She quickly tied the blanket up and tied it behind her back. It was just right.

She moved some of the things out of her backpack, and Nian lie returned.

"What are you doing?"

"I'll share your burden," ning Qing said honestly after a pause.

Nian lie was obviously against it. He wanted to pull the thing off her back. no need.

Ning Qing did not compromise, and she looked up and said, "I can do it."

"You can't," Nian lie refused coldly.

Ning Qing was furious. why can't I? I'm in good health, unlike you."

Nian Yu stopped pulling the thing off her body and looked at her without blinking. not like me in what way? "

Ning Qing bit her lip and did not say anything.

Nian Jin lowered his eyes. Even though he was skinny, his handsome face was filled with joy. ning Qing, you care about me.

It was an affirmative sentence.

In the forest, the light and shadow were either bright or dark.

Ning Qing's eyes wavered. Nian lie didn't see it clearly, but he heard her determined and calm tone.

you said before that we don't know how much longer we have to walk. You haven't recovered from your injury, and you and I have to admit that as a man, you have an innate advantage over me. Whether it's physical strength or other things, if anything happens to you halfway, I might not be able to do anything.

Chapter 377: I: Nian lie: don't need anyone's help with something: 've set my mind on

Nian lie's gaze changed several times as she spoke, and in the end, it was dyed with a dark luster.

Of course, he had to admit that she was right.

He had never seen her so calm and wise, so able to clearly analyze the current situation.

Nian lie's mood instantly turned sour. His eyes seemed to have sunk into a Black Vortex, becoming deeper and deeper.

Ning Qing continued. if you want to get out of this place, I can do it without you. The chances of me getting out alone are very small. I don't want to increase the difficulty of escaping, so at this time, please take good care of your position.

Her words could be said to be a little unreasonable.

Nian lie nodded his head a few times. you're right.

He yanked the things off ning Qing's body, his eyes determined. but I, Nian lie, have never needed anyone's help when I've decided on something.

"....."

"Especially you."

Ning Qing didn't know who had given him so much courage that he wasn't willing to give her any pressure.

She wanted to vent her anger on him, but Nian lie had already stuffed the blanket and the things wrapped in it back into his backpack and hung it on his back.

“Let’s go. There’s a flat road ahead, it’ll be easier to walk.”

He stopped in his tracks and turned around to look at her coldly.

ning Qing, remember, as long as you make yourself feel more relaxed, I promise that I will take you out of here.

Ning Qing’s fingertips trembled. The man walked faster and walked away in a few steps.

Her eyes were half-closed, and under the hot light, the expression on her face was unexpectedly indifferent.

.....

The two of them walked for a long time this time. When they were tired, they stopped to eat and drink some water, and then continued walking.

Even as the sun was about to set, the primeval forest still seemed to be endless.

Nian lie found a relatively high slope and removed some tree branches to build a simple bed. He placed it between a few criss-crossed trees.

“What are you doing with this?” ning Qing asked, puzzled, as she watched him work so hard.

Nian Jin stood on his tiptoes and raised his head. He held a hemp rope in his hand and tied the last corner.

He gritted his teeth and pulled hard, answering ning Qing’s question at the same time.

“I’m sleeping.”

Ning Qing almost rolled her eyes. I know. What I mean is, why do you want to build it so high? ”

Nian lie dusted his hands and sat down beside her. He looked like he wanted to say something but hesitated. Yingluo is fine.

“Why?” ning Qing could tell that something was wrong and insisted on asking.

Why was his gaze so strange?

Nian lie lowered his head and touched the grass on the ground. He moistened his hands and rubbed them together.

“You’d better not know.”

Ning Qing frowned. She hated it when people kept things from her. It made her feel like a fool.

Her face turned cold. speak!

Nian Ying turned to look at her. His dry lips moved, and he said, "do you remember what Grandpa said? there are very few people in this mountain. Other than snakes, insects, rats, and ants, there are still some things that we have to be careful of."

A chill ran down Ning Qing's spine. She seemed to have thought of something and her face turned pale.

Nian Xi's expressionless face confirmed her guess.

"Yes, there are wolves in the mountains."

He didn't know where he got it, but there was a faint bloodstain on his handsome face. When placed together with that unsmiling face, he looked inexplicably cold and mysterious, full of a wild and unruly nature that was different from the past.

I've observed along the way. There are Wolf footprints in the wet puddle, as well as the bones of other animals and feathers of birds.

Chapter 378: You sleep, I'll watch over you (1:

Ning ting's body began to tremble as she listened.

Her pale lips trembled. why are you telling me this? "

Seeing her reaction, Nian lie couldn't help but find it funny. have you forgotten? " he said awkwardly, " you were the one who asked me just now.

"....."

Seeing her pale face, he could not bear to scare her anymore. most wolves in the mountains live alone, not in a pack. Besides, our luck should not be that bad.

"....."

"Even if you really run into one, you have to believe that it's just a Wolf. I can protect you."

Ning Qing couldn't care less about what he was saying now. Her mind was so frightened by the wolf that she couldn't think.

She had never seen a real Wolf in her life. If she died in the mouth of a Wolf, wouldn't that be too tragic?

The more she thought about it, the more horrified she felt. Ning Qing even imagined hearing the howls of wolves in the distance.

She couldn't help but move closer to Nian lie. She was a little embarrassed when he saw her. What are you looking at, Yueyue? "

Nian lie smiled. nothing.

However, he could not stop smiling.

The sun slowly set, and night fell.

Ning Qing nibbled on the dry biscuit as she looked at Nian lie, who was still observing his surroundings, and shivered slightly.

The temperature in the mountains was not high to begin with, and it became even colder at night.

Nian lie caught a glimpse of her. He took out a blanket from his backpack and threw it on her. put it on.

“Can’t you start a fire?” ning Qing asked carefully.

“I can’t,” “It’s easy to attract wolves,” Nian lie answered firmly.

Upon hearing that word, ning Qing stopped talking and obediently wrapped the blanket around her.

A little later, Nian lie asked her to climb onto the tree bed that was built high to rest.

The bed was small and could only accommodate one person. It did not seem to be too secure.

Ning Qing looked at the man who was leaning against the tree with his eyes closed and hesitated for a long time.

Sensing her gaze, Nian Yu opened his eyes and looked at a gray spot. can’t sleep? ”

Ning Qing retracted her neck and asked in a neutral voice, “ how’s your injury? ”

He didn’t even change the medicine today. Wasn’t he afraid of getting a fever?

After she reminded him, Nian lie finally recalled this matter.

yes, ” he replied vaguely, then said, ” I forgot.

It was because he was already numb from the pain.

“Hurry up and change your dressing,” ning Qing reminded him again with the blanket wrapped around her.

After saying that, she thought about her surroundings that were almost invisible. She jumped down helplessly, found the small bottle of medicine in her backpack, and squatted down in front of him. you can’t see around here. I’ll help you.

In the night, Nian lie’s eyes suddenly lit up.

This was the first time she had taken the initiative to help him in a long time.

“Alright.” He suppressed his excitement and forced out a word.

Ning Qing glanced at him and waited for him to unbutton his shirt. Her actions seemed to have become a little ambiguous because of her words.

She couldn’t help but frown. She wanted to go back on her words, but she felt that it was inappropriate.

Putting aside everything in the past, he had treated her well this time.

Forget it.

She still needed to rely on him to get out.

At this thought, ning Qing's slightly uneasy heart calmed down. She unscrewed the bottle cap and went forward.

"....."

For a moment, no one spoke.

The cool ointment was applied to the wound and relieved the pain.

Nian lie's body trembled unconsciously. As he couldn't see her clearly, his senses became especially sensitive.

Her fingertips brushed against his skin, and his breath was filled with the fragrance of her hair. In order to see the wound clearly, she had curled up in front of his chest, and he could hold her in his arms if he reached out.

"It's done,"

As ning Qing got up, her cold eyes fell on him in a panic. Her voice was hoarse. yes, go upstairs and sleep. I'll watch over you.

Chapter 379 You're late (1:

Ning Qing didn't say anything and stepped on it.

"....."

Nian Yu moved his body and adjusted his breathing. He touched his bandaged wound with his large palm and smiled.

"Nian lie,"

He was uncertain and looked up.

The woman was lying down and said in a flat tone, " you can come up.

Nian lie's pupils suddenly contracted. However, she didn't continue after saying this, as if she wasn't the one who had just spoken.

"....."

The wind blew on the treetops, and the chirping of cicadas and insects echoed each other.

It was as if his heart had been unsealed, and his heart was beating faster than the wind.

After ning Qing said that, she no longer cared about him. She had tried her best to deal with the present rationally. It was his own business if he did not listen.

As he was thinking about this, a voice came from below.

The man got up, his clothes ruffled, and he walked closer with light steps.

The surrounding trees swayed a little, and he squeezed behind her and hugged her tightly.

"Ning Qing, thank you."

His warm breath fell on the back of her neck. Ning Qing was so flustered that she didn't know what he had said, and she could only try her best to move to the side.

Nian lie held her down and said with some restraint, " don't move.

She suddenly didn't dare to move.

Even though this position wasn't comfortable, Nian lie still felt a little sorry for her.

He relaxed his grip and closed his tired eyes. When he opened them again, his expression was serious.

"Ning Qing, have you made up your mind?" he asked.

Ning Qing clutched the corner of the blanket. Her body was in pain, but she didn't have the time to care.

: What is Hanhan thinking about?: she asked: her eyes darting around in a place he couldn't see.

The man stopped asking.

After a long time, a " go to sleep " came from behind him, and he didn't say anything else.

Ning Qing listened to the whistling wind and lowered her eyes to hide her emotions.

He slowly closed his eyes.

Everything looked so calm.

However, at this moment, something was happening in the courtyard on the mountain.

.....

The spacious courtyard was filled with a dense crowd. Whether it was the entrance or the backyard, they were all watched closely.

The old man and his mother-in-law were invited out of the room by two burly men and brought to them.

The old man leaned sideways to protect his mother-in-law, his face serious and calm. Who are you? what do you want? "

Seeing how guarded he was, Nian che quickly explained, " old man, don't be afraid. We're here to look for someone.

Her grandfather looked at him in the eye. This man looked rather familiar.

Yan Sichen couldn't wait any longer and went up to block the old man. Hello, Grandpa. It's like this. My fiancée had an accident before and fell off a cliff. I've been looking for her for many days and followed her tracks to find you. May I ask, ran ran, have you seen her before? "

When the few people present heard the word 'fiancée', their expressions instantly changed.

Nian Che's face turned the color of a pig's liver. Lu Zhui furrowed his brows in silence.

The old man looked at the young man in front of him in surprise. you're the fiancé of the ning girl? "

Yan Sichen was delighted. yes! It's her!"

The old man's face darkened. He grabbed his mother-in-law's hand with an indescribable expression.

Yan Sichen lowered his head and became even more respectful. grandfather, please tell me, where did ning Qing go? Was she injured? Is Yingluo still with you?"

After saying that, he anxiously looked at the room through the window.

Nian che could tell that the old man was tacitly agreeing. He quickly added, " there's also a tall, skinny man. He's handsome and suave. He's my brother. Grandpa, have you seen him? "

Is he with sister-in-law?

The old man lowered his head and didn't speak.

Lu Zhui gestured to the people beside him and was about to rush in to look for her.

"There's no need to look."

An old and deep voice stopped them.

The few of them looked over. Grandpa's face was tense. He said expressionlessly, " you're late. They've already left.

Chapter 380 Bitten by a snake (1:

Late at night.

Ning Qing did not know when she had fallen asleep. The position of being squeezed was really uncomfortable. She turned over unconsciously and rested her forehead on the man's chin.

The slight pain made her eyes narrow.

The man's cold pine wood smell mixed with the fragrance of ointment wafted into her nose.

Her eyebrows twitched, and she didn't dare to move.

Nian lie was unaware of her situation. He lowered his head slightly and caressed her slender waist with his large palm. He buried his face in her hair and planted a light kiss on the top of her head.

That action could not be any more natural.

She was held so tightly that she couldn't move. She could only open her eyes wide.

A Wolf's howl came from the distance. The bird was frightened and flapped its wings to fly away.

Ning Qing's long eyelashes drooped, and she was sleepy again.

However, the strange movement in her ankle made her feel uncomfortable.

She opened her eyes to take a look, but she couldn't get up.

"Hiss-"

A little strange sound made her unable to sleep.

“Nian lie,” ning Qing called out softly.

He did not move.

“Hiss ... Hiss ...”

Another sound.

The movement under his feet became more obvious.

The feeling of being stared at and entangled by something was no different from that of a poisonous snake.

Snake centipede

Ning Qing’s heart skipped a beat.

A cold and disgusting touch stuck to her ankle, slowly climbing up along the gap on the side.

Extreme fear entered her mind. Ning Qing’s entire body trembled, and her hands clutched Nian lie’s collar tightly. wake up! Look at Nian lie!

The man was shocked, and his dark eyes opened.

He lowered his eyes and looked at her pale face. what’s wrong? ”

Ning Qing was trembling. there’s a snake in Qingqing.

where? ” Nian lie’s sleepiness vanished.

“It’s at my feet. It’s slowly climbing up.”

When she said this, her voice was trembling.

“Don’t move,”

“Yes.”

Nian lie removed his coat and slowly propped up his upper body.

As soon as it got used to the darkness, the one-meter-long black snake was ferocious and terrifying. It was about to bite ning Qing’s exposed arm!

He didn’t have time to think. His eyes suddenly turned cold and he quickly and accurately grabbed the snake’s body!

The snake didn’t succeed. Sensing danger, it immediately wrapped itself around Nian lie’s hand and bit the back of his hand when he wasn’t prepared!

“Nian lie!: Ning Qing exclaimed in fear:

Nian lie felt a sharp pain in his hand and loosened his grip. The snake fell to the ground and quickly disappeared into the grass.

Ning Qing got up and held his hand. Her face was pale, and she looked up at him. you’ve been bitten!

Nian Yu's eyes flickered. He could see the nervousness in her eyes. He smiled and said, " yes, I was bitten.

Ning Qing did not know what he was laughing about. She held his hand and trembled slightly. that snake is poisonous!

She had noticed the dark red lines on its head. It didn't look like an ordinary snake at all.

"Yes." Nian Xi leaned back against the trunk of a tree. I know it's poisonous.

He knew, but he still caught Yingluo.

Ning Qing thought of the critical situation just now and suddenly felt a storm in her heart.

Nian lie retracted his hand from her hand and calmly brought the wound to his lips. He sucked on it and spat out blood.

This repeated over and over again, as if the person who was bitten by the poisonous snake was not him at all.

Ning Qing watched his series of actions with a complicated look in her eyes. She got up and said, " let me see if there's any other medicine in the bag, Yingluo.

Before he could finish his sentence, the bed shook.

Nian lie looked over and saw that the rope at the corner of the bed had been cut off. The entire bed had collapsed.

"Be careful!"

He pounced on ning Qing.

As the world spun, the two of them fell to the ground with a bang.

Ning Qing was held by him and was not injured at all, but the man under her was in so much pain that he could not speak.

Ning Qing trembled as she got down. Nian lie Xuxu.

The man did not make a sound.
