

Mr Nian 391

[Chapter 391](#)

391 Ning Qing, don't be soft-hearted (1:

During ning Qing's hospitalization, Yan Sichen and Yu Shu had come to visit her a few times.

However, she was really uncomfortable in the hospital. Seeing that her body was getting better, she immediately said that she wanted to be discharged and go home.

Father ning had no choice but to agree.

After resting at home for two days, there was still no news from the Nian Corporation. It was as if they had silently acknowledged that she had taken a long leave.

One day, ning Qing had just finished dinner and was taking a walk in the neighborhood when she received a call.

Looking at the name, she was stunned for a moment. Her eyes were filled with relief and joy. Hello, why did you think of calling me? "

I saw the news. You're in trouble.

The woman in front of him was cold and indifferent, as if nothing could stir her up.

Ning Qing was used to seeing her like this, so her smile did not change.

"I did run into some trouble, but it doesn't matter. I've returned safely."

"Where is he?"

The smile on ning Qing's lips didn't stop, and then her tone obviously dropped.

"I don't know,"

"....."

he's already made an appearance in front of the media: " she added after some thought: : don't think he's hurt much this time.

Tina pursed her beautiful lips, and an unreadable emotion rippled through her gentle eyes. what's your next step? "

Ning Qing's footsteps slowly stopped. She sat down on a bench in the garden, crossed her slender legs casually, and her expression gradually became complicated.

he didn't contact me again after I came back. My parents also forbade me from going back to the Shang group because of what happened in the past.

Tina's eyes lit up at the mention of her parents.

Ning Qing didn't notice her strange behavior: they're watching me very closely now: " she said: : little distressed: what happened in the past was a disaster not only for me, but for them as well.

"Is that so?" Tina asked in: cold voice.

"They don't like Nian lie, and they don't want me to have anything to do with him." The more ning Qing spoke, the more upset she felt.

Ever since she came back, her parents 'love for her was no less than before, especially her father's.

In the past, her father had always been on Nian lie's side no matter what. But now, for some reason, Wanwan felt that something was going on between her parents and Nian lie.

It wasn't just because of her.

There seemed to be something between them that she did not know about.

it doesn't matter what they think. What's important is that you have to settle the matter between you and Nian lie as soon as possible.

The obviously cold female voice from the other end pulled ning Qing back to her senses.

"I know," she answered.

"Ning Qing, don't be soft-hearted,"

These words came so suddenly that her voice went hoarse.

don't forget who you were three years ago." Tina reminded her with a cold expression: don't forget how you've survived these three years: and don't forget why you're doing all this now.

Ning Qing's gaze lowered and fell on the cluster of red flowers in the flower bed.

"I didn't forget," she said after a long time.

The pain and despair at that time could torture her for the rest of her life.

She had tried her best to heal herself just to wait for that day.

The day that she and her child's enemies would pay the price!

There was no expression on Tina's beautiful face, and there was a hint of coldness that shouldn't have been present at her age.

it's good that you didn't forget. Just follow the plan and do what you have to do next. Don't worry about others.

Ning Qing frowned slowly. but I've already lost contact with him.

If he didn't love or pity her at all, she would have to give up all her previous plans!

A sharp glint flashed through Tina's eyes as she pretended not to hear the awkward expression on Feng tianlan's face. you can take the initiative. she said.

[Chapter 392](#)

392 Brother, it's Yingluo and sister-in: law!

Ning Qing was so smart that she knew what she meant the moment she heard those words.

She hesitated for two seconds and said with uncertainty, "I'll take the initiative to tease him."

It's cheap to take the initiative. Showing concern from time to time is the best way to test a man who's not sure if he has you in his heart.

Ning Qing was a little embarrassed. My ran ran.

"Remember what you just said to me."

Ning Qing gritted her teeth, and her heart became determined.

"I got it!"

The call ended.

Ning Qing looked at the bright phone screen and then at the bunch of bright red flowers in the flower bed.

It was extremely similar to the one he had given her in the valley.

The bracelet on her wrist was cold, and it seeped into her heart.

Something settled in her clear eyes. She stood up, walked to the flower bed, and reached out to pinch the stem of one of the red flowers.

The next second, it was broken.

.....

Cloud flame No. 1.

There were two servants standing outside the master bedroom. The light in the room was on, and a half-naked man was sitting on the large bed. In front of him was a male doctor in a white coat, who was treating the wound on his chest with his head lowered.

Nian che and Lu Zhui stood by the side, nervously blocking the doctor's way.

When she saw the doctor remove the festering scar on the wound, she couldn't bear to look away.

It hurt just looking at it!

However, Nian Yu straightened his upper body, clenched his fists, and placed them on his thighs. A thin layer of sweat had appeared on his lowered face. Other than the occasional look of pain in his eyes, he didn't have any other expression.

Five minutes later, the doctor retreated the wound, applied medicine, and wrapped it with bandages.

He raised his hand to wipe the sweat off his forehead. He didn't dare to look Nian lie in the eye and could only suggest carefully, "

Sir, your injury has worsened again. This is not good. If the snake poison is not cleaned, it will speed up the festering and inflammation of your wounds. You must pay attention to rest and don't tire yourself out. It's best to rest in bed for the next half a month.

Nian lie pulled up the collar of his shirt and slowly buttoned it without saying a word.

when will the venom be cured?" Nian che asked.

it would have only taken a week, " the doctor said bluntly. but Sir, you've been working so hard these days that your metabolism and blood flow have been affected. Now, the snake venom has spread all over your body.

It had not been easy to save Nian Yun back then, and everyone had thought that everything would be fine. But now, hearing this, they felt that it was even scarier than when he had been saved!

Lu Zhui was anxious. then what should we do? Will my young master be alright?"

The doctor paused for a moment. it won't. As long as you inject the medicine to suppress the poison at a fixed time every day, the snake poison will be cleared after a long time.

Lu Zhui heaved a sigh of relief. that's good.

but I still suggest that you rest well, Sir. Whether it's the injuries or the snake venom, you need to rest for a while.

mm. Nian lie replied casually. The doctor sighed and gestured to the nurse who was following him.

The lady knelt down on one knee and carefully lifted the sleeve of Nian lie's left arm. She then inserted the needle into his blood vessel.

After they were done, the doctor said, " we'll take our leave first. Mr. Nian, please rest well. then, he left with the others.

After the doctor left, Nian che watched as Nian lie picked up the computer at the side. The way he looked like he was about to do work excited Lu Zhui so much that blood rushed to his head. He was about to stop him when his phone vibrated.

He glanced at the number in frustration. It was a familiar number.

Suddenly, he recognized the number. He looked at Nian lie and stammered, " brother, it's Wanwan. It's sister-in-law!

[Chapter 393](#)

393 Refused to contact _1

: Answer it.: Nian lie's fingers: which were on the keyboard: paused slightly:

Nian che suppressed his joy and cleared his throat to pick up the call.

"Hello, sister-in-law, it's me!"

"....."

Ning Qing clenched her phone slightly, a little at a loss. yeah.

what's the matter?" Nian che asked agitatedly.

Ning Qing's eyes flickered. it's nothing. I just wanted you to tell the company that I'll be staying at home to accompany my parents for the next few days. I won't be able to go to the company for the time being.

ah, it's okay. The company's matters are not urgent. You can come anytime you want.

Ning Qing quieted down and could not help but straighten up.

The question that she could have asked easily suddenly disappeared.

The room was dark and gloomy without any lights on.

Ning Qing took a few deep breaths before she could calm herself down. Nian che, where's your brother? how is he?" she asked.

Nian che stole a glance at the absent-minded man on the bed and raised his voice on purpose,"my brother. He's Hanhan."

Nian lie, who wasn't paying attention to the computer screen, sensed her probing gaze, but he didn't say anything.

Nian che waited for a while, but when he didn't get any response, he was immediately confused.

He said to the phone, "sister-in-law, wait for me. he covered the receiver with his hand and walked over to Nian lie.

"What are you in a daze for? my sister-in-law is asking you about Yingluo."

"Hang up,"

Nian che suddenly stopped in his tracks. Lu Zhui also looked over in surprise.

He thought he had misheard and stared at Nian lie with wide eyes.

The other party had already retracted his deep gaze and focused his attention back on the documents on the computer.

The room was very quiet.

It was so quiet that everyone could hear the loud "Hello" from the phone clearly.

Nian lie was so conflicted that his face contorted. To her surprise, Nian lie repeated his words without even raising his head. say I'm not here.

At that moment, he didn't understand.

But before he could think about it, the woman on the phone kept calling his name.

"Sister-in-law, my brother Yueyue has just fallen asleep:" he said with: smile:

The other end of the phone went silent.

Nian che put on a fake smile, feeling as if his brain was in a mess. you can ask me if there's anything you need. If you really can't, I'll wake him up immediately, Qianqian.

"No need," Ning Qing replied softly.

The smile on Nian Che's face was almost gone.

Ning Qing's eyes were half-closed, without any disappointment or other emotions.

"Since he's resting, then forget it," she said.

"Hello, Wanwan," Nian che replied.

Ning Qing blinked. I'm fine now.

Nian che seemed to have sensed her low spirits. As he watched Nian lie calmly typing on the computer, he felt as if his heart was being scratched.

Ning Qing said something else, and his expression became complicated. He said goodbye and then hung up.

"....."

She raised her head and looked at Nian lie, who didn't seem to be affected by the wind or rain. Nian Jue was furious. Nian lie, what are you doing now? "

This time, she called to say that she was taking leave, but her tone was clearly to find him! But why did he refuse to answer the phone?

He did not understand!

Lu Zhui didn't understand either. young master, are you muddleheaded from the pain? that was young Madam just now, the woman you've been thinking about for years. She called to ask you about it. Qianqian.

The series of questions gave Nian lie a headache.

He threw a cold glance at her and stopped.

"Get out: : Nian lie said impatiently:

Nian Xi was furious. I can't be bothered with you!

After saying that, he rushed out.

Lu Zhui wanted to say something but stopped. In the end, he couldn't disobey the order and also left the room.

As soon as she left, Nian lie's gaze shifted from the computer to the phone on the bedside table.

After a while, a self-deprecating look appeared in his eyes.

"....."

Ning Qing looked at the screen, which had long since turned off. Her heart was stifled, and she finally let out a breath of turbid air.

Frowning, she closed her eyes and fell back on the bed.

Then, he raised his arm and covered his eyes.

[Chapter 394](#)

394 I'm right downstairs at your company (1:

Although ning Qing had guessed that Nian lie did not want to see her, she did not expect him to be so decisive.

The next morning, she found an excuse to take a leave of absence to accompany her parents and returned to the Nian Corporation.

When the people in the department saw her return, they were all extremely surprised, but no one dared to step forward and ask her.

She sat in the office for half an hour. Only her assistant came in with warm milk. She said politely and concernedly, "our Department said that you must have encountered some problems recently. That's why you didn't come to work.

Ning Qing thought of Nian lie's previous clarification. She didn't say much. it's a private matter," she said casually.

"You don't look well. If there's anything wrong with your body, don't think about coming back to work. You should rest more."

These words sounded quite ordinary, but ning Qing could hear a different meaning in them.

However, she didn't say much. She just curled her lips and said, "thank you for your concern.

"Miss ning, you don't have to be so polite with me."

Looking at the smiling assistant, ning Qing's eyes darted around. She said casually, "I heard that our President went abroad some time ago. The media made groundless accusations and said that he was with me.

really?" the assistant was surprised. the media actually dared to write that?"

"Yeah,"

Ning Qing only smiled, her bright eyes wavering.

The assistant was speechless. the media nowadays can make up stories so well. If disappearing at the same time can be considered as two people being together, then wouldn't there be many coincidences in this world?"

"Perhaps," ning Qing replied, not too seriously.

don't mind the rumors," the assistant said. no one can criticize your relationship with Mr. Nian. Don't be upset about it.

"I'm not unhappy."

Ning Qing was still looking at her. When she saw that the assistant was starting to get nervous, she said slowly, "it's not the truth. No matter what they say, it can't be true.

The assistant smiled and said, "that's right. Don't mind what they say about Yingluo.

"Has he been coming to the company these days?"

Ning Qing's expression suddenly turned cold, and the sudden change in topic almost made the assistant unable to continue.

She raised her hand to push the frame of her glasses. After thinking for a while, she said, "the president came to the company two days ago. But he didn't come today or yesterday. I'm not sure.

After the test, ning Qing had no intention of continuing to deal with him.

"Alright, I'm fine. You can leave."

The assistant was a little confused, but he didn't ask much. He nodded to the woman in his seat and left.

After she left, ning Qing's originally expressionless face revealed a hint of ridicule.

She didn't know if he was in the office or not.

However, it was obvious that her every move was within his sight.

Before this, the news about her and Nian lie had been made known to everyone, but this little assistant actually acted like she didn't know anything!

Some people were truly ignorant.

However, some people deliberately pretended to be ignorant, thinking that they could deceive everyone.

"....."

Ning Qing's fingers rested on the edge of the desk. Her eyes swept over the glass of milk, but she did not say anything.

Just as he was about to get up, his phone on the table suddenly vibrated.

She glanced at the caller ID and her beautiful eyebrows furrowed.

The vibrations came one after another, indicating the other party's determination and persistence.

A trace of helplessness flashed through ning Qing's eyes, and she picked up before hanging up.

"Hey-"

"Ning, I'm going to give you a huge surprise! Guess what it is!"

The man's excited words came without warning. Ning Qing held her forehead and said in a bad tone.

"Tiny, I'm very busy. I don't have time to play guessing games with you."

The man opposite her was not very happy. I'm just letting you guess. Why are you so heartless ~"

"Are you alright? if not, I'm hanging up." Ning Qing didn't want to talk to him anymore.

"Don't hang up, Ning, don't hang up!" The man anxiously stopped her loudly, afraid that she would really hang up.

"I'm really looking for you for something!"

"What is it?" ning Qing asked with the last bit of patience she had.

"I've come to Ying city!"

"....."

Ignoring ning Qing's silence, the man's handsome face was filled with a happy smile, not caring how explosive his next words would be.

also, let me tell you another piece of good news. I'm right downstairs at your company!

[Chapter 395](#)

395 The Gu family's young master, Gu nanzhei (1)

Ning Qing's expression froze.

The man's voice continued on the phone,"are you surprised?" Haha, I knew you would be so shocked that you wouldn't be able to speak!"

"Tiny....."

"What are you waiting for? come down and welcome me. I've been waiting here for half an hour!"

Ning Qing's head suddenly started to hurt. She closed her eyes and squeezed out three words from her red lips.

"Gu! South! Whoosh!"

The man whose name was called suddenly shivered and unconsciously moved his phone away.

"You f * ck you f * ck"

Ning Qing was furious. don't you have to work? Who allowed you to come back?"

The man with blonde hair and blue eyes looked around, as if he could imagine the woman's angry look.

His Adam's apple bobbed and he swallowed his saliva. He made a gesture with his hand, showing weakness as he fanned himself. Aiya, the weather is really hot. Ning, come down quickly and look at me. I'm about to die from the heat!

Ning Qing gritted her teeth. I'm asking you a question!

He continued to change the topic. what kind of place is this? the ultraviolet rays are so strong that my skin is peeling. Ning, come and feel bad for me.

“.....”

I’m just downstairs across the road. Come quickly, I’ll wait for you. Muah ~”

He gave her a flying kiss and quickly hung up the phone, not giving ning Qing any chance to refuse.

Ning Qing was a little depressed.

She had not been in a good mood for the past two days and did not want to waste any more time and energy to get rid of this man. However, this man had been chasing after her since she first joined HE, and she only managed to get rid of him when she returned to the country.

But now, he was here again.

Ning Qing held her forehead and rubbed it, her thoughts uncontrollably drifting back to three years ago.

Tiny, whose Chinese name was Gu Nanxi, was the youngest son of a big family in the United States. Her ancestors were from the capital of China, and they moved to the United States because of the turmoil.

The Gu family was very powerful, and Gu Nanyan had been doted on since she was young. In that small country, it could be said that everyone knew about her.

Before ning Qing joined HE, she had heard of his family’s reputation. Who knew that after joining HE, she would find out that he was actually an amateur design director there!

It was said that HE was a business under his family’s name, and he came to work as the “ young master of the Gu family ” just for a moment of interest.

When she first joined HE, she was very hardworking and careful. One night, when she had to work overtime, she was the only one left in the entire Department. She took the elevator to the underground parking lot.

As soon as the elevator door opened, a man rushed in, shouting, “ ghost, ghost! and even pounced on her.

That’s right, that person was Gu nanyi.

At that time, he was hugging her waist and would not let go even if she was killed. He mumbled in fear, “ there’s a ghost! Help! Help me!

Ning Qing’s face turned red. She hit and pushed him, but she could not push him away.

In the end, after he came back to his senses and realized that it was safe, he said with a smile, “ thank you for saving me, beautiful. Do you want me to send you home? ”

Ning Qing was furious. She bit her lip and glared at him a few times before leaving without a word.

The next day, she found out that the person was the Gu family’s youngest son, Gu nanzhi.

“Swish-”

There was a brief vibration in his hand.

Ning Qing pulled herself out of her memories and looked at the phone screen.

I came all the way here to find you. Ning, are you so heartless to someone who likes you? ”

Ning Qingzhen was helpless.

However, she couldn't leave him alone no matter what, so she got up and quickly walked out.

They entered the elevator and went downstairs.

Ning Qing's phone rang again as soon as she walked out of the elevator.

She gritted her teeth and picked up, "if you rush me again, I promise I won't care about you anymore, Yingluo."

Before he could finish his words, a row of bodyguards in black with cold and solemn expressions and well-trained expressions entered his sight.

[Chapter 396](#)

396 : coquettish man has the best life (1:

The man in the lead was dressed in a black shirt with his arms folded, revealing his strong and powerful muscles. His legs under his black suit pants were strong, and his steps were steady. His handsome face made people and gods angry.

Lu Zhui followed beside him, following his every step. He was saying something that the others could not hear clearly.

Nian lie did not expect to meet ning Qing in the main hall. His dark eyes could not help but freeze as he looked at her.

However, other than the first glance, the woman's attention had long shifted away.

On the phone, the man said threatening words in a carefree manner.

"If you still don't come out, I'll personally come in to catch you."

Ning Qing lowered her head slightly. She held the phone and warned in a low voice, " you better behave yourself. I'll be there soon.

After she finished speaking, she lowered her hands and walked past the group of people without looking sideways.

"....."

Nian lie stopped in his tracks, and so did everyone else.

Lu Zhui looked at ning Qing's back and then at Nian lie. He was a little worried. young master, Qianqian.

Nian Yu pursed his thin lips tightly, his eyes filled with emotions.

Then, when he heard her footsteps walking away, his dark eyes suddenly froze. let's go.

He stepped into the elevator that he had been waiting for.

At the entrance, the sunlight was especially glaring.

Ning Qing raised her hand to cover her forehead and squinted her eyes to look across the road. The man immediately noticed her and waved excitedly at her.

Ning Qing took a few deep breaths before walking towards him.

The man was wearing a pair of large sunglasses, revealing only his perfect jawline. His fair skin was flushed from the heat, and his light pink lips were curled up into a charming smile. His golden hair looked even more flowy under the sun.

On his left ear, the dark blue diamond earring was dazzling.

As soon as ning Qing approached him, he rushed up and hugged her tightly.

"I knew you couldn't bear to let me wait for you here! Ning, I missed you so much!"

His excited and clear voice didn't sound like a foreigner at all.

The passersby were attracted by his loud voice and looked over.

Ning Qing gritted her teeth and pushed him away with all her might. Gu nanzhi, stop fooling around!

The man didn't think there was anything wrong with him. He shamelessly reached out to hug her. no, no, no! I haven't seen you in a long time. I miss you so much that my heart hurts!

Ning Qing could only feel the veins on her forehead throbbing. shut up!

"No, I just miss you!"

you ... ning Qing flung her hand away. She could not stand it anymore: you're on your own now.

She turned around and was about to leave.

Gu nanzhi took off her sunglasses and her deep and prominent facial features were completely exposed to the sun. Gasps of surprise could be heard around her.

He turned a blind eye to it, and his light blue eyes were filled with dissatisfaction as he shouted, "you're too much!" It's my first time in Ying city and you're already treating me like this!"

Ning Qing didn't even turn her head, and her back looked as heartless as could be.

The man looked at her angrily as she crossed the road without any intention of looking back. His beautiful features immediately scrunched up and he shouted as he ran across the road, " Aiya! I was wrong! Young miss Ning, don't go!"

He quickly rushed to ning Qing and blocked her way.

Ning Qing went left, and he went left.

Ning Qing went right, and he went right.

The woman raised her eyes and glared at him angrily. move!

“I won’t!”

He had only been stubborn for a second before he was defeated. He bowed and apologized.

“I’m sorry, I already said I was wrong.”

for you, this is the first time I’ve traveled so far and almost got lost at the airport. I’m so pitiful, so please don’t be angry at me.

“Ning~Ning~”

[Chapter 397](#)

397 Because she is the woman I like (1:

The security guards at the entrance of the Nian Corporation would look over from time to time. The man was still holding her hand, begging for her life, looking like a pitiful puppy that no one wanted.

Ning Qing’s face turned red. get up.

“I beg you, please forgive me, okay?”

Ning Qing stared at him, who was pretending to be pitiful, and laughed in anger. little master Gu, can you be more shameless? ”

The man blinked his long and curly eyelashes. what is a face? is it more important than you? ”

Ning Qing,”Zhenzhen.”

As the two of them were in a stalemate, footsteps came from the door.

Gu nanzhi was still holding ning Qing’s hand. She pursed her lips and said, ” you have such a bad temper. Only I can endure it. You don’t cherish it and are so fierce to me.

Ning Qing had endured it to the extreme, but she couldn’t say anything harsh. I didn’t ask you to come! she said.

Gu nanzhi nodded. yes, you didn’t ask me to come. But it’s been so long since I returned to the country and you didn’t call me. I missed you so much that I could only come to you myself.

“You!”

“Ahem.”

The sudden cough stopped the two from continuing their conversation.

Ning Qing and Gu nanzhi looked in the direction of the voice. On the steps, the man’s figure was getting taller and taller.

Ning Qing was stunned. She looked at Lu Zhui, who was standing beside Nian lie.

Lu Zhui was a little embarrassed. He covered his mouth with his fist and coughed twice. Then, he lowered his body and made a gesture of guidance. young master, be careful of the steps.

Nian lie stood still, his leather shoes reflecting a cold light.

He didn't move, his dark eyes looking at ning Qing.

She turned her face to the side and looked back, her angry expression gradually calming down.

He became calm and indifferent.

Gu nanzhi looked at her, then at ning Qing. She felt that something was not right.

He didn't quite understand, and his light blue eyes were clear with confusion.

"Who is he?" he asked, approaching ning Qing.

Ning Qing's face was expressionless. boss.

When he said this word, the light in Nian lie's eyes shattered, but in the next second, it returned to being deep and difficult to look at. No one could tell the difference.

Gu nanzhi nodded, not fully understanding. Oh ~ you mean the boss?"

Ning Qing did not answer, so he took it as a silent agreement.

Gu nanzhi looked the man in the eye and sized him up. When ning Qing wasn't paying attention, she suddenly walked up the steps.

Until he stood in front of Nian Xi.

Lu Zhui looked at his standard smile, which revealed eight teeth. He felt that he was asking for a beating. He leaned forward to block him and coldly chased him away. what do you want? "

Gu nanzhi's smile did not change and her tone was light.

nothing. I heard from my baby that you're her boss, so I want to thank you.

Lu Zhui frowned and sized up the man in front of him.

Behind him, when Nian lie heard the word 'certain', a trace of hostility flashed across his eyes. Then, his gaze fell on the man.

"Lu Zhui, move."

Lu Zhui lowered his head and said "yes." Then, he took two steps to the side.

Nian lie's long and narrow eyes studied Gu nanzhi. She didn't mind his gaze at all. Instead, she smiled and reached out her hand to him.

although my baby is a little talented, he has always had a bad temper and is not easy to get along with. He may cause some trouble at work.

"....."

"If she did anything wrong, please don't take it to heart. I'll apologize to you on her behalf."

The man's every word was like a thorn, stabbing into Nian lie's heart.

The look in his eyes changed several times, so dark that not a trace of friendly emotion could be seen.

“What right do you have to apologize on her behalf?” he asked directly.

“Because she’s the woman I like: : Gu nanzhi replied without thinking:

[Chapter 398](#)

398 Gu nanzhi, do you think I’m: fool?

“.....”

It was quiet all around.

No one answered.

Gu nanzhi couldn’t see the deep meaning in the man’s expression, but she didn’t mind his rudeness. She retracted her hand with a smile and gave ning Qing, who was behind her, a look that she thought was mesmerizing.

“Girls are naturally more delicate. If you really do something wrong, as a gentleman, please bear with it.”

“.....”

“If you’re not satisfied with anything, just tell me. I’ll teach her a good lesson.” As Gu nanzhi spoke, she did not notice that Nian lie’s face was as dark as water.

stop talking: ” ning Qing warned the arrogant man. come here.

Gu nanzhi looked at Nian lie and smiled nonchalantly.

“I’m sorry, she’s a little shy,”

This showed that he understood ning Qing’s words better, and it only made Nian lie’s mood even gloomier.

The man said, ” let’s talk again next time. then, he hurried to ning Qing and gave her a big hug again without hesitation.

“Baby, let’s go, take me to eat something good!”

“.....”

Her hands that were hanging by her sides finally clenched into fists.

Lu Zhui looked at Nian lie worriedly. He waited for him to say something before he separated the man who was clinging to ning Qing.

Nian lie’s eyelids drooped, and his restraint was revealed through his slightly trembling eyelashes.

Lu Zhui was very worried. young master, Qianqian.

His face seemed to have paled a little, but he only said one word, let’s go.

Lu Zhui was shocked. He had already walked down the steps and walked past Gu Nanyan and ning Qing expressionlessly. Then, he left.

Then, his expression became complicated as he looked at the two people who were hugging each other.

“.....”

Ning Qing’s eyes flickered slightly. Lu Zhui also walked past her with an unpleasant expression, leaving behind a sentence.

as an employee of the company, please take note of your image.

Ning Qing pursed her lips. When she turned around, Lu Zhui had already gone after the man.

She let out a long breath and stared coldly at the man who was hugging her tightly. are you done? ”

Sensing that her tone was not right, Gu nanzhi immediately let go and jumped away. She raised her eyebrows. Ning, what are you saying? I’m just showing you how much I miss you.”

“Do you know who he is?” ning Qing asked coldly, not buying it.

A hint of awkwardness flashed past Gu nanzhi’s light blue eyes. She did not answer immediately.

Ning Qing already had an answer in her heart and turned to leave.

“Hey!” Gu nanzhi pulled her back, her expression full of urgency and confusion. I heard that he treated you badly in the past, so I wanted to deliberately anger him and help you vent your anger. Why are you so angry? ”

Ning Qing was furious. this is my own business. I don’t need you to vent my anger for me.

“I just can’t stand a man like him bullying you!”

Ning Qing did not care about this. She only felt that he was making things worse and worse, and her heart was in a mess.

: You don’t need to care about my business: : she said coldly as she shook his hand off:

“Alright, alright, I don’t care! Don’t go!”

The man saw her angry look and did not dare to hold her hand. He could only block her way again and again.

“Gu nanzhi! Are you done?” Ning Qing rarely had such an emotional outburst. This time, she was obviously extremely angry at his actions.

Gu nanzhi raised her hand as if she was swearing an oath. Her beautiful face showed a pitiful expression.

“I was really wrong. I swear, I won’t care about you and him anymore. Don’t leave, Yingluo. I’m not familiar with this place at all. If you leave me here alone, I really have nowhere to go.”

Ning Qing sneered. do you think the young master of the Gu family has nowhere to go? Ha, Gu nanzhi, do you think I’m a fool?”

[Chapter 399](#)

399 It’s been investigated _1

When the man whose name was called heard her laugh, he felt a chill run down his spine, but his hand still subconsciously grabbed her sleeve.

"I only know you. If you don't want me, then I have no place to return to, and I have no home to return to."

Ning Qing was speechless. shut up!

"You won't be angry with me if you shut up?"

Ning Qing gave her a cold look. Gu nanzhi knew what she was doing and pulled her mouth shut like a zipper.

She looked at him for a few seconds and finally gave in.

This man was a disaster for her when she went abroad!

Ning Qing sighed silently. alright, let's go.

Gu nanzhi's eyes brightened and she chuckled. The obedient and timid look she had just now disappeared immediately. She put her hand on ning Qing's shoulder and said, "I knew you couldn't bear to ignore me!

Ning Qing,"Zhenzhen."

Little young master Gu's heart jumped. baby, where are you taking me? "

Ning Qing glanced at his stunning face. let's eat.

Gu nanzhi was so happy that she even pinched her face. you're always pulling a long face. I thought you didn't care about me, but it turns out you took my words to heart. Women who don't mean what they say are so cute. Aiyo, why are you pinching me? "

"Shut up," he said.

"Alright, alright, I was wrong."

"....."

The two of them stood on the side of the road and attracted the attention of countless people. It was not until they got into the car that they were cut off from the surrounding line of sight.

.....

At the other end of the road, rows of black luxury cars drove in the middle of the road in an orderly manner, and the surrounding cars moved away from them in tacit understanding.

In the not-so-bright car, the man's gaze fell outside the window.

Upon a closer look, there seemed to be a slight stagnation in his deep eyes, as if he was quietly absorbed in it.

Lu Zhui looked at the person in the back seat again and again. He had no choice but to remind him, "young master, I've already found out.

Nian Junting turned his gaze away, signaling for him to continue.

the man just now is the youngest son of the Gu family in the United States. His name is Gu Nanxi. Because of old master Gu's means and wide connections, he monopolized all the industries in the United States twenty years ago. It was only in recent years that his power was restricted and weakened. However, you can't underestimate Yingluo.

"How did they meet?" Nian lie asked impatiently. He didn't want to hear any more nonsense.

Lu Zhui took two seconds to react. three years ago, when young Madam was in HE, young master Gu was the design director. After a while, we got to know each other.

As Nian lie thought of ning Qing's helpless but indulgent attitude towards that man, he felt as if an invisible hand was gripping his heart tightly.

Lu Zhui continued. when young Madam was in trouble, he helped Wanwan many times. I don't know why he approached young Madam, but it doesn't seem like he would harm young Madam.

Nian lie clenched the hand that was resting on his thigh tightly. A numbing feeling started to spread from his left arm to his entire body. Even the wound on his back that had healed started to ache.

Purpose:

Of course, he knew what his goal was.

As a man himself, he could tell at a glance that Gu Nanzheng's feelings for ning Qing were extraordinary. It was definitely not something that ordinary people could compare to.

He was not afraid of what other men would do.

He was afraid of her attitude.

It was the way she was so forgiving and lively towards Gu nanzhi.

That made him hate him, jealous, and wanted that man to disappear immediately!

"Young master? What's wrong, young master?"

The extreme thoughts were broken by the shouts.

Nian lie suppressed his urge to run and looked over with his slightly red eyes.

Lu Zhui felt a chill run down his spine. Nian lie had already regained his usual calm demeanor.

He pinched the bridge of his nose, showing a rare fatigue.

"Get people to keep a close eye on them."

"Yes."

[Chapter 400](#)

400 Don't hit me anymore: I'll say, _1

The fleet of cars gradually stopped outside a high-class private club.

Nian lie poked his body out of the car and casually buttoned up his suit. His face was cold, and his coldness was so intimidating that it made people feel afraid!

The owner of the club walked over nervously and pretended to be relaxed and happy to lead the way for him.

Walking into the dark corridor, the club, which was supposed to be full of people, was almost empty.

"Where is she?" Nian lie asked emotionlessly.

"Mr. Nian, she's in the private room over here," the boss replied.

Nian lie looked over and walked towards the private room at the end of the corridor.

The boss wiped the sweat off his forehead and held onto Lu Zhui's hand with a begging expression.

"Assistant Lu, that thing really has nothing to do with me! How dare I talk about Mr. Nian's private affairs? it was all that kid's doing! Please tell Mr. Nian to let me go, I'm really embarrassed!"

Lu Zhui was emotionless and pushed him away forcefully. young master will make his own decision regarding this matter.

After saying that, she followed Nian lie's footsteps and left.

Nian Xi looked at the door, but there was no sound from inside.

Lu Zhui lowered his body and opened the door for him. be careful.

The room that was supposed to be filled with dim and ambiguous lights was eerily quiet at this moment.

A man was curled up on the ground, motionless.

Nian lie lowered himself and sat on the leather sofa, crossing his long legs. His hand, which was wearing an expensive watch, naturally rested on his thigh. He looked down coldly at the crowd like an Emperor.

Lu Zhui gave a look to the side. A bodyguard grabbed the collar of the man who looked like he was dead. wake up.

The man's hands and feet were tied up with ropes. His face was swollen and there was blood flowing out of his nose and mouth. He looked hideous and terrifying. He had lost his original appearance.

It was obvious that he had been "treated" well before Nian lie arrived.

The man's still eyes started to ripple when he saw Nian lie, who was sitting on the sofa. His fear and terror were beyond words.

"Don't whine, don't hit me! I don't know anything! Please let me go, Yingluo!"

The man's voice trembled as he spoke, and his body moved back uncontrollably as he was held down by the bodyguard.

"Be honest!"

“Mr. Nian, what are you doing? I really don’t know what I did wrong, Yingluo!” The man’s tears and the blood flowing from his nose looked gory and disgusting.

He wanted to grab Nian lie’s leg, but Lu Zhui kicked him to the ground.

my young master has something to ask you, ” he threatened coldly. be honest and tell me the truth. Don’t suffer any more physical pain.

“It’s you, it’s you!”

The man wailed and nodded in fear.

Nian Xi’s eyelids were half-closed, his posture high and mighty, his eyes as cold as ice.

“Where did you find out about my whereabouts?” he asked after a long time.

The man explained hesitantly, ”

“Last week, one of our reporters went to Haicheng for an outdoor shoot, and Yingluo happened to see your car on the road. I’m close to him, so he came back and told me, but he didn’t dare to disclose anything about you to the public. It was me, Yingluo, I was possessed, so I had the courage to ask you that bastard question.

Mr. Nian, I’m sorry, I’m too bold. Please let me go!”

Nian lie’s expression didn’t change at all, his fingers tapping on the keyboard from time to time.

Lu Zhui kicked him again. I told you to tell me the truth!

“It’s the truth! Mr. Nian, I really won’t do it again. Please, Zhenzhen, stop calling me!”

The light around him was dim, and Nian lie’s eyes were dark and unclear.

He stopped tapping and flicked his index finger to the left. Lu Zhui understood.

Painful wails and screams sounded.

Slowly, the cries became weaker and weaker.

In the end, just as he was about to die, the man finally let out a sigh of relief.

“Stop hitting me, I’ll talk, Yingluo.”
