

Mr Nian 411

[Chapter 411](#)

411 What could be happier than her not dying?

At this moment, Lu Zhui handed him the design. He tilted his head and took the draft paper with his slender fingers. His eyes were lowered, and it was hard to tell if he was satisfied or not.

Ning Qing suddenly felt a little nervous.

“Ning, please explain the design concept of the ‘night sky’ jewelry set and the materials to be customized.”

The emcee happened to call her. She was confused for a few seconds and glanced at everyone.

The only time she saw Nian che was when he looked at her quietly, a hint of encouragement flashing across his dark and bright eyes.

“.....”

Ning Qing’s heart calmed down, and her red lips curled into a smile.

When she got up, her bright and beautiful face was full of confidence and charm.

She walked to the front of the stage and bowed slightly to everyone, her red lips slightly open.

“Hello, everyone. I’m Ning, the person in charge of the first product of this jewelry launch. I’m also the designer of ‘night sky.’ I’m very happy to see all of you here. Next, I’ll explain my design from four different aspects.”

The quiet female voice was neither pretentious nor pretentious. She spoke at a normal speed and was neither fast nor slow as she explained her design.

Nian Xi sat upright in his seat, a certain emotion that he was trying his best to suppress overflowing from his eyes. It seemed to be joy, but it also seemed to be relief.

Three years ago, the seemingly weak but tenacious woman was crushed by her feelings and chose to escape.

Three years later, it was as if she had been reborn. At this moment, she was standing in front of him, blooming and shining.

What could be happier than her not dying?

Probably, there was no more.

“The inspiration for the design of the ‘night sky’ came from my personal experience in the United States. After I returned to China, for various reasons, I felt that Life and Fate were very complicated, and it was difficult to persist and change. At that time, I always missed life in the US.”

Ning Qing smiled slightly, her true feelings mixed in.

as we all know, although the US is not vast, its economy is developing well. However, these are not what attracts me. What attracts me is the night sky.

whenever night falls, the entire city will be shrouded in darkness. The starry night sky is the most peaceful and tranquil.

every time I'm under a lot of pressure, I'll climb to the top of the mountain and look down at the entire city and the night sky.

Ning Qing's eyes were sparkling with Starlight, clear and bright.

"That was a rare moment of relaxation for me. The only thing that accompanied me was the night sky.

Thus, in my opinion, it symbolizes simplicity, freedom, purity, and beauty. No matter what kind of feelings you have, if it can be used as a symbol, then it is the most beautiful."

Ning Qing pulled back her thoughts and looked at everyone below.

so, as a work that must be released before the Chinese Valentine's Day, I named it 'night sky'. I chose a sapphire that is similar to the color of the night sky as the main material, supplemented by special polishing and craftsmanship, and the four-piece set is a necklace, an earring, a bracelet, and a ring.

Ning Qing gestured to the assistant at the door, and she pushed the sample display table in.

"This is the sample that I produced."

She put on a pair of specially made gloves and held each item in her hand, displaying and explaining them one by one.

"....."

The explanation went on for almost an hour before ning Qing ended it with a perfect ending with " this is the basic situation of the night sky " and a bow.

"Pa-pa-"

Rhythmical applause could be heard.

Ning Qing was stunned. Everyone in the audience followed suit and applauded, including Lu Zhui and her assistant.

[Chapter 412](#)

412 I'm not my brother, I'm very reasonable (1:

She looked at Nian che, who was leading the applause. Her heart was filled with a burning sensation. The pride and acknowledgment she felt made her smile sincerely.

"Thank you, everyone." She bowed again, expressing her sincere gratitude.

The applause slowly stopped.

ahem. Nian Xi coughed. He hid his shocked expression and said something to Lu Zhui. Then, he looked at the crowd and asked, " the designer's explanation is over. Does anyone have any questions-"

The entire meeting room fell silent.

No one spoke for a while.

“If there’s no problem, Wanwan,” Nian che replied.

“I have a question, second young master.” A male voice was heard.

Everyone looked over.

The man looked to be in his forties and was as thin as a bamboo pole. Because of his thin face, he looked shrewd and mean.

“Do you have any questions?” ning Qing asked.

He stood up and looked at ning Qing with an air of superiority.

to be honest, I don’t really understand what you’re saying, miss ning. However, as a businessman, the investment you’ve invested in this design is quite high, be it in terms of cost or other aspects. I don’t think this sample is proportional to the investment.

From a distance, he stared at ning Qing, the disdain and contempt in his eyes obvious.

I think your design is no different from the other jewelry advertisements on TV. It’s luxurious and beautiful on the outside, but it doesn’t have any inner meaning. It can only be said to be ordinary.

As soon as he said that, the directors who didn’t dare to speak at first began to discuss.

They all knew that when Nian lie was around, he suppressed them too much and didn’t dare to say a word.

It just so happened that the woman today was his ex-wife. Previously, she had caused an uproar and even affected the company. As a result, many people were dissatisfied with Nian lie. This time, he could use this as an excuse to make a big fuss.

“Elder Liu is right. You’ve been talking for so long, but there’s nothing special about it.”

jewelry design is the same nowadays. It doesn’t matter what the design concept is. What’s important is that someone has to like it.

I heard that our company spent a lot of money to hire you. This design is just ordinary. It’s not presentable at all.

“.....”

Ning Qing was stunned by the sudden turn of events.

Of course, she knew that someone would ask questions, but she didn’t expect that there would be so many people.

There were more and more refutations and insults, and the shareholders who knew the industry didn’t know how to persuade them.

Ning Qing’s mood was heavy. please be quiet, everyone.

However, no one listened to her.

Ning Qing's heart turned cold.

are you guys done talking?" Nian che, who had been silent for a long time, asked her in a low voice.

The sounds of discussion gradually stopped.

Nian che tilted his head to one side, his index finger pointing at his temple. His posture was irreverent, and his words were filled with amusement.

everyone, please be quiet and have some organization and discipline. Otherwise, I'll think that this is a wet market and not a conference room.

Nian Xi's words were full of sarcasm, and anyone could tell that he was angry.

The man's eyes, which had never been hostile, slowly swept across everyone present.

Those who met his gaze felt a chill run down their backs.

That feeling was as if the person sitting on top was Nian Xi himself.

A silent flow of death.

When no one dared to respond, Nian che suddenly laughed, dissolving the cold atmosphere.

"Don't be so serious. I'm not my brother. I'm very reasonable."

The board members below looked at each other. The skinny man who was standing at the beginning heaved a sigh of relief and was about to continue.

[Chapter 413](#)

413 Let's do as miss ning says then (1:

personally, I think her designs are perfect. The split sales model can arouse the desire of many ordinary families to buy them. The arch bridge part of the ring and necklace is very distinctive, and the details are on point. It's our company's blessing to be able to invite her to take charge of the first launch of our jewelry.

"....."

so, I don't have any problems.

He changed his mind and asked the people below.

"What about you guys?"

The directors looked at each other and finally lowered their heads in silence.

Nian che looked at the man who was standing and smiled innocently. director Liu, do you have any other opinions?"

The man looked at the others who had their heads lowered in silence. His face turned green and white. After a long time, he finally said, "there's no more Qianqian!"

“That’s good.”

please continue. Nian Yu’s threatening smile disappeared. He turned to look at the stunned ning Qing and raised his hand.

Ning Qing moved her lips and nodded with some difficulty.

From then on, all the following procedures became extremely smooth.

When they mentioned the arrangements for the launch of “night sky”, Nian che hastily listened to their opinions and glanced at the woman in front of him.

Today, ning Qing was wearing a khaki-colored one-piece with a little makeup. Her long, curly hair was tied into a low ponytail, and her slightly messy hair stuck to her temples, making her look gentle and capable.

“Miss ning is the person in charge of this operation. Tell me your thoughts.”

Ning Qing was caught off guard and was called out by him.

She had been a little absent-minded just now. Now, she looked at everyone a little unnaturally. After a while, she said, “my personal opinion is to hold a press conference in the afternoon. Because people’s leisure time is concentrated in the afternoon and evening, the exposure of the press conference should be higher if it is set at this time.

Also, I think we can arrange a banquet on the Yihe cruise ship tonight and invite people in the industry. First, it can boost the reputation of Nian’s jewelry, and second, we can get to know more people in the industry and expand our future development channels, hehe.”

As Nian che listened, he nodded repeatedly. not bad, it’s pretty good.

what do you think?” he asked Lu Zhui, who was standing behind him.

Lu Zhui paused for a moment before he nodded his head honestly.

Nian che slammed the table lightly, making the final decision.

then let’s do as miss ning says. The other departments should cooperate.

“You guys don’t have: problem with that: right?: he asked the directors:

They couldn’t answer and could only nod with difficulty.

Nian che spread his hands in a casual manner.

“Then I’ll thank everyone for your cooperation. That’s all, the meeting is over.”

The group of directors got up and quickly scattered like birds.

Soon, only ning Qing, Nian che, and Lu Zhui were left in the meeting room.

Lu Zhui glanced at ning Qing and whispered into Nian Che’s ear, “I’ll go back and report to the young master.

“Yes.”

Only he and ning Qing were left.

All sorts of emotions welled up in her heart, and ning Qing did not know where to start.

Nian che could tell that she was in a difficult position, so he stood up and walked closer to her.

“Nian che Xuanji,” ning Qing called out to him nervously.

Nian che looked at his watch and suggested, “ I’m not in a hurry. There’s a coffee shop downstairs. Do you want to go? ”

Ning Qing’s Red lips opened and closed. Hello, ran ran.

Nian che smiled and took the lead to leave.

Ning Qing clenched her phone tightly. She saw more than ten missed calls on the screen and ignored them.

After explaining the situation to her assistant, she quickly ran to the elevator.

Nian che stood there with his head lowered. His clear jawline and handsome face reminded her that the once young and tender him had transformed into a mature and charming man.

When he saw her, he smiled at her. His smile was still so clean.

His well-defined fingers pressed the elevator buttons and reminded her, let’s go.

Ning Qing came back to her senses and followed him.

[Chapter 414](#)

414 Nian che, long time no see (1:

In the quiet coffee shop, a man and a woman sat opposite each other with a cup of coffee in front of them.

Ning Qing’s feelings were complicated and a little awkward, but she still took the initiative to break the silence between the two.

“Thank you, Nian che,” she said.

Whether it was at Sunset Valley or at today’s meeting.

Nian che stirred the coffee in his hand. When he heard her words, he lifted his eyes and looked at her.

long time no see, sister-in-law. You’ve become more polite with me.

Ning Qing’s ten fingers clenched slightly, a little at a loss.

Nian che, on the other hand, was relaxed. He picked up his coffee and took a sip. Sensing her nervousness, he chuckled. but it looks much better than last time.

His smile relaxed ning Qing’s guard.

She tilted her head and smiled. yes, I'm finally not in a sorry state this time.

"....."

Ning Qing looked at him seriously, her tone soft.

long time no see, Nian che.

Nian che put down his coffee. long time no see.

The coffee cup on the table was rippling.

His fingertips tapped on the glass wall, and there was a satisfied smile in his eyes.

well, it seems that you've had a good time in the past three years.

Ning Qing lowered her head. now that I have something I want to do, Yingluo is doing alright.

"You're all world-famous top jewelry designers, and you call it okay? You really have high expectations for yourself."

Ning Qing smiled and did not say anything.

what about you? where have you been for the past three years? how have you been? " she asked as she stared at his face, which was getting brighter.

Nian che leaned back, his posture casual and lazy, not too different from before.

three years ago, after you left, " he said, raising his eyebrows, " I went back to the country I used to stay in for a long time.

Ning Qing did not know about this.

"Why?" she asked in surprise.

it was my parents 'arrangement that I came back to China, " Nian Xi replied. after my brother takes over, I don't have to do things that I don't want to do anymore.

He gave ning Qing a meaningful look. and after you leave, I have no one to talk to in the country. I might as well go back there.

His words were light, but it was easy for ning Qing to think of what had happened back then.

The man in front of her had always treated her with sincerity.

At that time, when everyone hated her, he was the only one who gave her trust and care. He was also the only one who was willing to stand by her side and protect her unconditionally!

He was the only one who gave her the only warmth she had.

So, she knew better than anyone how much of a blow her "death" was to him!

Ning Qing's eyes were filled with tears. I'm sorry, Nian che.

The man was stunned by the sudden dejection.

Ning Qing said, "I'm very sorry that I didn't inform you when I left back then. I also didn't tell you that I was the safe Yingluo after that."

Although she had no choice at that time.

However, she still felt that she had let down the man who had been willing to entrust her with his heart.

Nian Che's fingers stopped tapping on the cup for a moment before he continued.

He smiled. you don't have to apologize to me, sister-in-law. You're still alive. That's better than anything else.

Ning Qing was stunned.

Nian Che's gaze fell on the table.

I know that you were heartbroken by my brother back then. You couldn't hold on any longer, so you made that choice.

Ning Qing's lips trembled. my ran ran.

Nian che was very forgiving. it's normal that you don't believe him. I didn't believe my brother back then either. Besides, you're pregnant.

Ning Qing's face turned pale.

[Chapter 415](#)

415 My brother is also very pitiful (1:

The child was a scar in her heart.

No matter when it was mentioned, it was always an indescribable pain.

Nian che could tell from her expression that she was unwilling to talk about the child, so he changed the topic.

how did you go abroad? you're still working at HE? "

As far as he knew, HE had a very high threshold, and ordinary people could not get in.

Ning Qing suddenly regained her senses and forced a smile. it's a long story. In short, I was lucky at that time. I was saved by someone, and everything has been going well until now.

She raised her hand, picked up the small spoon, and stirred the brown liquid in the cup.

Then, she pinched the ear handle and took a small sip.

It was fragrant but bitter.

Nian che stared at her cold and beautiful face and nodded thoughtfully.

then, have you been aware of what's going on in the country in the past few years? "

This question was asked very discreetly.

In fact, he wanted to ask her if she had ever cared about the Nian family.

But he was afraid that she would be unhappy.

Ning Qing thought for a moment. it was tough when I was learning design. I didn't have much time, so I didn't pay much attention to it.

"What's wrong? what should I know?" she put down her coffee cup and sat up straight.

"My brother didn't marry that woman." Nian Xi's eyes flickered. She wanted to say something, but in the end, she still said it.

"I know," ning Qing said slowly, her back trembling.

Nian che didn't know how to continue when she was so honest.

Ning Qing's expression was calm. your brother told me that he didn't marry Bai Qingqing back then, and her child wasn't his.

A ray of hope suddenly rose in Nian Che's heart. His voice was a little urgent as he said, " so you're in a hurry? "

Could she choose to forgive him?

Ning Qing seemed to know what he was going to say. She smiled and shook her head. Nian che, I've told you before that he's not the only one to blame for what happened between us. I've done something wrong too. So, between us, I have no right to blame him.

Nian Che's throat was suddenly blocked, and he couldn't speak.

"We're both at fault. If you have to point out where I'm resentful ..."

Ning Qing stopped and looked up at him.

The waves in his heart rose and fell.

In the end, he suppressed the hatred that he had almost blurted out.

"What about Bai Qingqing?"

Ning Qing's clear eyes moved. She could not lie.

Indeed, if it wasn't for her intervention, she might not have come to this.

Nian che was anxious. He leaped over the table and held one of ning Qing's hands. sister-in-law, do you hate her or not? "

Ning Qing's eyelashes trembled. hate me then.

Nian che clenched his fists tightly and said, " sister-in-law, some things are not what they seem. I know that you have a knot in your heart. As your ex-husband's brother, whatever I say will be suspicious of exonerating him. But I still want to tell you that my brother has not been doing well after you left.

Ning Qing looked at him as he clenched her hand, and then looked at him from her arm. really? "

Nian Che's thoughts turned back to the present, his eyes fixed on ning Qing's face.

I'm not in the country, but I keep in touch with him from time to time. I know that he has been working hard for the past few years and has been looking for you everywhere when he has time.

to outsiders, he's like a madman, looking all over the world for a person whose Yingluo is no longer around.

Nian che observed ning Qing's expression closely, not letting a single detail escape his eyes.

His voice gradually became obscure.

after what happened to you, I've always blamed him. I felt that he deserved it because he was the one who forced you into that state. But when I saw him looking for you like crazy, I actually felt that my brother was also very pitiful.

[Chapter 416](#)

416 This woman already has: husband (1:

After saying that, Nian che also found his words funny.

How could that cold and emotionless man, who had always been high and mighty, have such a pitiful day?

If he had not seen it with his own eyes, he would not have believed it.

"What do you want to say?" ning Qing asked.

Nian Jin wanted to say something but stopped. He pulled a piece of paper from the side and wrote down an address.

I just want to say, sister-in-law, some things can be clarified. I don't want you to forgive my brother, I just want you to let yourself go.

Ning Qing's hands trembled uncontrollably.

Nian che watched her with a complicated look in his eyes. if you want to know more about what happened three years ago, you can go to this place.

He pushed the note to her.

Ning Qing lowered her eyes and saw the words " Ying city Detention Center ".

She furrowed her brows and picked up the note. what does this mean? "

Nian Che's expression turned indescribable. you're embarrassed.

Suddenly, the note in ning Qing's hand was snatched away.

"Ya, What's this?"

With a loud male voice, the man sat down next to ning Qing.

She glanced at it and was instantly annoyed.

“Gu nanzhi, what are you doing?!”

The man was wearing a pair of large sunglasses, and the Blue Diamond on his left ear was dazzling. Even if one couldn't see his eyes, one could imagine his unruly expression.

Gu nanzhi used her index finger to pull down her sunglasses. She glanced at Nian che, who was sitting opposite her, before pushing her sunglasses back.

She looked at the note in her hand carefully. what kind of Wanwan is this? a Detention Center? ”

Ning Qing wanted to grab it, but he raised his arm so that she could not reach it.

Ning Qing was furious. give it back!

Gu nanzhi completely ignored him. She crossed her legs and leaned back, placing her hands on the back of the sofa. In a possessive manner, she surrounded ning Qing in her sphere of influence.

He pointed at ning Qing and said to Nian Xi, ” hey, kid. This woman already has a husband. Please don't come and bother her anymore.

Ning Qing was confused.

Nian Che's brows furrowed. He looked at Gu nanzhi from head to toe and asked in a low voice, ”sister-in-law, he's Chenchen.”

“He's ...”

“What sister-in-law? She's my wife!” Gu nanzhi interrupted the two of them.

Nian che looked him in the eye, his expression turning cold.

“Sir, do you know what you are saying?”

“Of course! I said, she's my old Yingluo!”

Ning Qing grabbed Gu nanzhi's ear and stood up. She snatched the note from his hand and glared at him. are you done? ”

Gu nanzhi was also angry. She retorted with: red face: ” Who asked you to ignore me today!”

“I said I have work to do, I'm very busy!”

“So you have time to eat with this pretty boy, but you don't have time to return my calls? Do you know how worried I was about you?”

Nian che, who was being pointed at, slowly understood the situation he was in. As he watched the two of them argue, he slowly picked up his coffee and took two sips.

Ning Qing felt as if she had been thrown into a fire, and her whole body was burning. can you be reasonable? work is more important. How can I have time to answer your call? ”

She gritted her teeth, and there was a fire in her eyes.

“Also, he's not a gigolo, he's my younger brother!”

Nian Xi's hand, which was holding the cup, paused for a moment, then she put it down as if nothing had happened.

what brother? where did you get a brother from? "

Ning Qing held her forehead and did not want to explain anymore.

Gu nanzhi removed her sunglasses and glared at Nian che. tell me, which family of brothers are you? "

[Chapter 417](#)

417 Let's talk about why his brother didn't want you in the past (1:

Nian che sat up straight unhurriedly, his voice clear.

"My ex-husband's younger brother should be considered a younger brother too, right?"

Gu nanzhi's eyes flickered with confusion before she understood. She looked at Nian che with even more hostility!

The disdain in his blue eyes was obvious, and he did not hide it at all.

I was wondering why you're my ex-husband's younger brother, " he sneered. no wonder you're so annoying.

He almost crushed the word 'ex-husband' with his teeth.

Nian che looked at him teasingly, " yeah, and who are you? my sister-in-law's admirer? "

Gu nanzhi thought for two seconds. She quickly put her arm around ning Qing's shoulder and announced arrogantly, " what suitor? I said I'm her husband!

Ning Qing couldn't take it anymore. Gu Nanzheng!

The next second, the man's eyes twitched.

"Qianqian's future husband, okay?" he asked, still afraid of losing face.

Ning Qing was extremely helpless.

She gave up on communicating with this man who had zero intelligence. She looked at Nian che apologetically and said, " I'm sorry, Nian che. He's my friend and boss from America. He's a little awkward and abnormal, but he doesn't mean any harm. Please don't mind him.

Nian che glanced at Gu nanzhi in a daze, a smile on his lips. yeah, I can tell.

Gu nanzhi didn't quite understand what ning Qing was saying, but she could tell from Nian Che's gaze that she wasn't saying anything good.

He glared at ning Qing, but was scared away by her cold eyes.

"Why are you so fierce? you're clearly in the wrong." He mumbled, his voice getting softer and softer.

sister-in: law, are you sure he's your superior? " Nian che asked: chuckling:

To hide her embarrassment, ning Qing smiled. yes.

Nian che fell silent.

Gu nanzhi didn't want to be ignored by the two of them. She asked ning Qing casually, " you still say that you're bored. What are you talking about with your ex-husband's brother? why didn't his brother want you in the first place? "

It was an unintentional remark, but it struck the hearts of the other two people present.

Nian Che's expression changed. His eyes were flustered for a second before he turned to look at ning Qing.

The anger she had earlier was gone, and her expression was calm.

It was so quiet that it made one feel a little flustered.

Nian che was about to say something, but ning Qing spoke first. Nian che, if there's nothing else, let's talk another day. I have something to attend to, so I'll be leaving first.

He couldn't say any words of comfort, so he replied with some difficulty,"okay."

Ning Qing put the crumpled note into her bag and stood up expressionlessly. She walked past Gu nanzhi and left.

Gu nanzhi was dumbfounded as she watched her leave. Hey! What's the meaning of this?"

Ning Qing ignored him. He turned to look at Nian che, surprised and confused. did I say something wrong? "

Nian che glanced up at him. He was neither happy nor angry, but he was clearly in a bad mood.

Gu nanzhi could not understand. She raised her hand and scratched the back of her head. I didn't say anything wrong. Isn't it your brother who doesn't want her? "

Nian Che's forehead twitched as he heard that. He glared at him unhappily.

A certain dim-witted man was still mumbling to himself.

that's not right. She was abandoned by her ex-husband. I didn't remember wrongly.

"I'm telling the truth, so why is she angry?"

On second thought, Gu nanzhi's face was full of grievance and anger.

"She stood me up and treated me so badly. I'm not even angry, so why is she angry?"

"....."

Nian che didn't know if Gu Yusheng was really stupid or just pretending. However, he couldn't stand it anymore. He reminded him, " Mr. Gu, she's a girl.

[Chapter 418](#)

418 When will you forgive me?: 1:

“So what if it’s a girl?” Gu nanzhi was so preoccupied with ning Qing that she didn’t notice how he had addressed her.

Nian che took a deep breath and suppressed the urge to punch someone. He explained, “ a girl’s mind is sensitive and fragile. It’s easy for her to be hurt by the smallest details. Qianqian may look strong, but that doesn’t mean she can pretend nothing happened when you mention her sad past.

Gu Nan was stunned. She slowly put down the hand that was scratching her head.

Nian Che’s eyes flickered slightly. no matter what happened between my brother and her, as bystanders, we have no right to ignore her pain. We can’t treat the pain in the past as a joke and bring it up so easily in front of her.

He stood up and fixed the creases on his shirt. His face was serious. what you did just now will only make her feel embarrassed.

Gu nanzhi’s light blue eyes were clearly wavering, and she looked a little confused.

Nian che walked to his side and said, ”

next time, please think carefully before you speak in front of her.

With that, he strode away.

Only the man with blonde hair and blue eyes was left standing.

“Sir, what can I do for you?” the waiter asked after a while.

Gu nanzhi’s mind suddenly went blank. She looked out of the cafe in a panic, but the woman was no longer there.

He cursed something in a low voice and ran out.

.....

Ning Qing returned home. Under mother ning’s confused gaze, she went upstairs without a word, returned to her bedroom, and threw her whole body on the bed.

you’re still saying that you’re not bored? why are you talking to your ex-husband’s brother? why didn’t his brother want you back then? ”

Gu nanzhi’s words kept ringing in her ears and showed no signs of stopping.

Ning Qing buried herself in the quilt until she could not breathe properly. Then, she raised her head and took in deep breaths.

After a few minutes of silence, she wiped the tears from the corners of her eyes and picked up her phone to make a call.

“Hello, Sister Qingqing ...”

“It’s me,” ning Qing said.

Yu Shu, ” she said directly, ” I’ll send you the address of the hospital later. Then, do as I say.

Yu Shu didn't say anything else. She was even a little excited. okay!

She had been waiting for a long time ever since ning Qing's accident. She had waited so long that she thought that Nian lie had touched her sister.

He didn't expect that just as he thought about it, something happened.

It seemed that she had thought too much.

Ning Qing's soft voice continued, " Zhenzhen's illness should be very serious. Be careful when you go. Don't get caught.

"Understood."

Ning Qing told her the specific ward number and emphasized the things to take note of before hanging up the phone.

She turned around and was about to put down her phone when it rang.

At first glance, the three words 'Gu Nanyu' were like a talisman that urged her to die.

Ning Qing hung up without hesitation and muted her phone. She lay on the bed and fell asleep soon after.

When she woke up again, it was already evening.

She groggily got out of bed, went downstairs, and had her lunch.

Her parents asked about her work, and ning Qing said that everything was going well, so she didn't say anything else.

After the meal, ning Qing, who was still not very clear-headed, went back to her bedroom and prepared to take a long sleep.

Coincidentally, the phone on the bedside table lit up.

She took it over and saw dozens of missed calls and text messages, which scared away her remaining sleepiness.

"Baby, I was wrong. Don't ignore my call."

baby, I'm so careless. I shouldn't have mentioned your ex-husband. I'm sorry.

"I've been waiting at the entrance of your neighborhood for an hour. When will you forgive me?"

[Chapter 419](#)

419 I can meet my future in-laws (1:

"....."

The most recent text message was from ten minutes ago.

Ning Qing's mind was in a mess. Her actions were faster than her thoughts. She rushed to the window, pulled open the curtains, and squinted at the entrance of the community.

There were no familiar figures outside the main entrance.

She heaved a sigh of relief, but the vibration of her phone almost scared her to throw it out.

She lowered her head and saw that it was still him.

This time, Ning Qing did not hang up.

The call was connected, and the man's coquettish voice came through-

baby, I was really wrong. It's been half a day. Are you still angry? "

Ning Qing looked at the night sky. She felt a little guilty at the thought of him waiting downstairs for so long.

"I'm not angry," she said.

Gu nanzhi was unhappy. you ignored me and didn't pick up my calls even though you weren't angry. If you were really angry, wouldn't you kill me? "

Ning Qing leaned against the window and looked out again. She was worried. I don't have the ability to take young master Gu's life, " she said.

On the other end, Gu nanzhi did not hear the sarcasm in her voice. She snorted arrogantly. that's true. My life is not something that anyone can take. Only I can do it willingly. Otherwise, no one can take it away.

Ning Qing was amused by his narcissistic words and burst out laughing.

Gu nanzhi was shocked. you're smiling? "

So, he was really not angry with her anymore?

"Yes ..." Ning Qing said helplessly with a smile.

He was simple-minded and spoke without thinking.

If she was really angry with him, she would have died of anger a few years ago.

"Then if you're not angry anymore, come down quickly to see this young master!"

Ning Qing blinked and asked, " what did you say? "

As soon as he said this, he saw a certain figure downstairs from the corner of his eye.

Gu nanzhi grinned and was in high spirits. Her golden hair fluttered in the night wind as she waved at her passionately.

Ning Qing was surprised. how did you get in? "

"I said that my girlfriend's family lives here and I wanted to give her and her parents a surprise, so the uncle at the door let me in."

There was nothing wrong with this.

Ning Qing gritted her teeth. don't tell me the girlfriend you're talking about is ran ran.

"Oh, you."

A certain someone didn't feel anything at all, and his expression was especially proud.

Ning Qing was annoyed. that's enough!

After he said that, the news of her new boyfriend would probably spread throughout the entire neighborhood.

Ning Qing covered her face and did not dare to think further.

Gu nanzhi's high-pitched voice continued to ring in his ears.

"I'm not wrong, you'll be my woman sooner or later, you don't have to deny it."

"....."

"Alright, alright, my patience is limited. Hurry up and get down."

"What if I don't?" ning Qing said.

Through the hazy night, she saw the man's upright posture below, and a helpless expression on his fair and delicate face.

Sighing, he said extremely nasty words.

"It's nothing. It's fine if you don't come down."

"....."

"At most, I'll go up. Anyway, I already know your house number, so I can meet my future in-laws, Hanhan."

"Gu! South! Whoosh!"

Ning Qing knew that he was challenging the limits of her patience!

The man's words contained an arrogant smile. anyway, it's up to you to decide whether to come down or not. I'll wait for you.

This time, he hung up faster than she did and did not give her time to reject.

Ning Qing's heart was filled with anger as she looked down.

The man was all smiles and his figure was graceful. In the night, he was so dazzling that no one could ignore him.

From afar, he pointed to the entrance of the unit, his fingers making a walking gesture, as if he was about to come up immediately.

Ning Qing could not do anything about him. She waved her fist at him threateningly and then said to the window, " just you wait. Don't come up!

420 Get out (1:

Ning Qing tidied up simply and used the excuse of " I'm going out to buy something to drink " as an excuse to successfully leave the house under the eyes of her parents.

She walked down the stairs and was startled by the figure who suddenly appeared.

Gu nanzhi placed one hand on the wall above her head and looked at her tenderly. at least you ran fast.

Ning Qing was still in shock. She pressed herself against the wall, glared at him, and pulled him out.

"Hey, where are you taking me?" Gu nanzhi cried out in shock.

"Get out," ning Qing replied coldly.

Gu nanzhi's hands tightened and she immediately refused to let him go. if I leave just because you tell me to, where will I put my face? "

Ning Qing couldn't move him, so she pulled him to a more hidden place under a tree. After looking around and making sure that no one was around, she said, " if you're really so free all day long, you should either go back to China or find something to do.

"....."

"I'm not you, I don't have time to play with you."

After saying that, she wanted to go back.

"Al!" Gu nanzhi quickly pulled her back, her expression nervous. what's wrong with you, woman? why are you angry again? I've been waiting for you downstairs for a long time, and you're saying this to me the moment you see me, Yingluo!"

He almost died from the heat downstairs.

Ning Qing looked at him in surprise.

She didn't expect that he had been waiting for her all this time.

Gu nanzhi saw that her expression had softened. She quickly twisted her hand and begged. even if you're angry with me, this punishment should be enough. Don't leave me alone. I'm so bored in the hotel alone.

Ning Qing glanced at him. then what do you want? "

The man's eyes lit up. you come to the hotel to accompany me too!

Ning Qing gave a fake smile. in your dreams!

"Alright, alright, alright, I know you're busy!"

Gu nanzhi once again held onto ning Qing, who was about to leave, her eyes full of humble begging.

"If I don't want you to stay in a hotel with me, can you just accompany me somewhere?"

I'm going: " ning Qing said coldly: don't come to me for the next three days.

Gu nanzhi showed a conflicted expression.

Ning Qing turned around and left.

"Alright, deal!"

He didn't stop and pulled her by the wrist as they walked out.

Ning Qing frowned. I haven't changed. Wait for me to go upstairs.

"There's no need to change. I've never seen what you look like." Gu nanzhi said indifferently and pulled her out without a care.

Ning Qing tried to cover up for fear of being recognized. She did not expect the security guard at the door to say, " Qingqing, are you going on a date with your boyfriend? " it broke her defense!

"He's not Yingluo."

"Yes, thank you for letting me in just now." Gu nanzhi smiled innocently and dragged the stiff ning Qing out.

She wanted to get angry, but when she saw the motorcycle in front of her, she was speechless.

Gu nanzhi took off the helmet hanging on the rearview mirror and handed it to ning Qing.

"Is this yours?: ning Qing asked.

"Yeah,"

Ning Qing wanted to go back on her words, but Gu nanzhi put the helmet on her head and patted the car. She said confidently, " I used to be good at riding this bike. Don't worry, I won't let anything happen to you.

Ning Qing had heard of it before. He used to be very keen on this kind of adventurous sport, and he was very good at it.

Gu nanzhi lifted her long legs and sat on the cool and stylish motorcycle. She patted it behind her. come on!

"....."

Ning Qing saw the encouragement in his eyes, and the fear in her heart quickly disappeared.

After taking a deep breath, he lifted his legs and sat on it.

The moment she sat down, the man grabbed her hand and wrapped it around his thin waist!

Ning Qing was speechless.

"Hold on tight, I won't be responsible if I fall down."

Ning Qing pushed the visor of her helmet up. She felt a little uncomfortable. After all, it had been a long time since she had been so close to a strange man.

“You don’t want it: : she asked: trying to get rid of the discomfort in her mind.

Gu nanzhi turned around and smiled. Her eyebrows were raised, her teeth were so white that they were shining, and the Blue Diamond on her left ear was shining.

“I don’t need it!”

He pushed down the transparent barrier in front of him.

“Hold on tight, let’s go ~”

With a loud boom, the motorcycle shot out like an arrow, accompanied by a faint recoil.
