

Mr Nian 441

[Chapter 441](#)

441 It's his own little brother, what is he worried about?

Ning Qing interrupted him before he could say the word "make up."

"The zipper on my back is stuck. I just asked him to help me."

Nian Xi was speechless.

Ning Qing glanced at the counter next to her and took a Black Diamond handbag from it. "Didn't you say you were going to be late? Let's go."

She brushed past Nian che and walked down the stairs in her ten-centimeter high heels.

"Ah," Nian che replied. He looked back at Nian lie and noticed that he was in a daze.

"Brother?" He waved his hand in front of him. "What's wrong with you?"

Nian lie's dark eyes gradually focused and he calmed down. "I'm fine."

As he left, Nian che touched his neck in confusion.

What was going on with these two?

Confused by the situation, he chased after them. Nian lie and Ning Qing were standing in front of the convoy, as if waiting for him.

"Nian che, I'll go with you," Ning Qing said when she saw him.

Nian che was speechless.

Nian lie ignored him, his expression not looking too good. "I was the one who poached you into the Nian Corporation. Ning Qing, you should be my female companion tonight."

So it was about the female companion.

Nian che heaved a sigh of relief and tried to smooth things over with a smile. "She's just a date. I thought it was something big."

"It's indeed not a big deal."

Ning Qing caught it and turned to look at him.

"I want to be your female companion tonight, is that okay?"

Nian Xi was speechless.

He looked at the dark-faced Nian lie and tried to comfort Ning Qing. "Sister-in-law, why don't you just forget about Zhenzhen? It's better for you to be with my brother on such an occasion."

"We're an ex-husband and wife, so it's inevitable that we'll get into trouble if we appear in public."

Ning Qing knew that Nian che was in a difficult position, but she did not want to go along with a certain someone's wishes. "you don't want me to be your female companion?" she questioned Nian che in a rather forceful manner.

of course not! Nian che quickly denied.

After saying this, his eyes flickered and landed on Nian lie, who was standing behind her. "brother, why don't we have a chat?" he asked.

The man stubbornly pulled a long face and said, "whatever." then, he turned around and got into the car.

Nian che was helpless. Ning Qing pulled open the car door beside her and got in.

He sighed silently and went to the other side of the car.

"you're beautiful today." in the car, Nian Jin looked at ning Qing and praised her with a smile.

"Thank you," ning Qing replied, pulling herself back to reality.

she'd be even more beautiful if she wasn't angry," Nian che said.

Ning Qing's eyes froze. "I'm not angry."

"You're so stubborn with my brother, and you call that not angry?"

"....."

Ning Qing was silent.

She really didn't want to discuss her relationship with Nian lie with anyone.

It was very annoying.

Nian che smiled in a relaxed manner. "alright, today is a day worth celebrating. So far, night sky's sales have been doing well around the world. It's approaching the best of the year. As a designer, don't let such a small matter affect your mood."

Ning Qing thought that he was right.

After gently exhaling a breath of turbid air, she looked up. Her clear eyes were shining.

"You're right, I should be happy," she said with a smile.

Nian Che's smile deepened when he saw her smile.

In the other carriage, Nian lie's mind was preoccupied with the car behind him.

Lu Zhui couldn't help but sigh when he saw this. He couldn't help but console him. "young master, young Madam and second young master will be fine. You don't have to worry."

"....."

Nian lie's Black eyes flickered, and a hint of mockery slowly crept into them.

That was true.

His own brother, what was he worried about?

He rubbed the bridge of his nose and put his heart at ease.

“You’ve been busy all day. You should rest for a while,” Lu Zhui said.

A low and hoarse “hmm” came from the back seat.

Nian Jin closed his tired eyes and took a nap.

[Chapter 442](#)

442 I’m not your male partner tonight (1:

It was a peaceful journey.

When they arrived at the entrance of the cruise ship, it was surrounded by reporters.

Ning Qing took a deep breath. She felt much more at ease when she heard the words “ don’t be nervous ” from the side.

She looked at Nian che with determination. let’s go.

The man did not move.

Nian che? ” ning Qing was confused.

Nian che sat as steady as a mountain, his gaze passing over her and landing outside the car window.

sister-in-law, I can’t be your male companion tonight.

Ning Qing frowned. Before she could think further, the car door beside her was pulled open.

A large palm reached out.

Above her was the man’s god-like face.

“What are you doing?”

Ning Qing tightened her grip on her bag and looked up to meet Nian Che’s encouraging gaze.

There were flashes and greetings outside, and she knew she couldn’t wait any longer.

He turned around and straightened his back.

She reached out and placed her hand on his palm.

Nian lie’s suspended heart settled down. He watched as her red lips curled up into a sweet smile.

He exchanged a glance with Nian che, who was in the car.

One touch, and then it left.

Nian Yu pressed a hand to his forehead and suddenly laughed.

Watching the two of them step on the red carpet hand in hand, he buttoned up his shirt, straightened his tie, and stepped out.

The red carpet wasn't long, but there were still greetings and surprised voices.

Ning Qing tensed up and maintained an appropriate smile on her face as she walked down the red carpet and stepped onto the cruise ship.

She was about to let go when Nian lie pulled her back.

She looked at him coldly and said, " we've walked the red carpet and entered the venue. Mr. Nian, you don't have to act with me anymore.

Nian lie didn't look as dejected as before. there are so many people here, " he said calmly. do you want them to guess that you and I don't get along? "

Ning Qing gritted her teeth. you're right.

Nian lie lowered his eyes and looked at her. you don't care about the night sky anymore? "

How could she not care about her design?

As expected.

This man was still so good at grasping other people's weakness.

Ning Qing held her breath. She had made Nian Yu laugh.

She glared at him. what are you laughing at?!

Nian Xi held her hand tightly and put it in his.

"It's fine if you're angry with me, but don't let anyone else see it. Bear with it."

Ning Qing pursed her red lips and followed him into the magnificent Hall.

"Mr. Nian, you're here,"

"Mr. Nian, nice to meet you."

miss ning is so talented. You and Mr. Nian are a perfect couple!

"....."

One greeting after another, ning Qing was a little uneasy at first, but slowly, she felt like a fish in water.

After walking around the venue and listening to the man's polite and official response, she slandered him countless times in her heart.

Finally, when she saw Yan Sichen, ning Qing's eyes lit up.

Nian lie noticed the change in her. He chatted with the person in front of him for a while, then turned and walked in that direction.

Yan Sichen saw ning Qing early in the morning and was a little excited. Qingqing, congratulations.

Ning Qing smiled. thank you, brother Sichen.

She clinked her glass with his and poured the wine into her mouth.

“Thank you: young master Yan: for taking the time out of your busy schedule to attend the Nian family’s jewelry exhibition: ” Nian lie said before Yan Sichen could drink:

As he spoke, he clinked his glass with his in the air and drank it all.

Yan Sichen knew that he was trying to make him uncomfortable, so he really didn’t drink the glass of wine.

thank you for your special invitation, Mr. Nian, ” he said expressionlessly. I’m very happy to see Qingqing’s work being recognized by everyone.

He and ning Qing looked at each other and smiled.

Nian lie narrowed his eyes. of course. She’s so outstanding. It’s only a matter of time before she gets recognized.

Yan Sichen seemed to agree with him. that’s right. She’s so outstanding that she won’t be buried anywhere. Even if someone deliberately hides her, she will still shine.

[Chapter 443](#)

443 The head of the aristocratic Lou family in the capital-Lou LAN (1:

Nian lie’s eyes darkened.

“You’re overpraising me,” ning Qing said nonchalantly.

Yan Sichen’s attention also shifted to her and he smiled gently. why would I? you’ve always been the best.

The two of them chatted happily and seemed to have forgotten about Nian lie.

He clenched his fists tightly, and anger seeped out from between his brows.

All of a sudden, the entire arena dimmed.

Screams came from the surroundings, and he pulled ning Qing into his arms to protect her.

Then, the lights turned on again.

However, it was a beam of light that hit the T-stage.

The host walked onto the stage amidst the confusion of the crowd. thank you, everyone, for taking the time out of your busy schedules to come to our banquet. Tonight, we have prepared a runway show for everyone, so that you can admire the beauty of our series of jewelry launched by the Nian Corporation up close. I hope that everyone will have a good time tonight.

After a few simple words, there was a round of applause.

Ning Qing did not know about this. She looked at Nian lie in surprise. you arranged this? ”

Nian lie smiled faintly. the cruise banquet was your idea. I arranged a show to fit the occasion only to suit the atmosphere tonight. Otherwise, don't you think it's too boring? "

Ning Qing thought about it and had to agree with his approach.

Nian lie's smile was filled with love. take a good look.

"....."

Yan Sichen stared at the two of them, his fingers weak.

The elegant music started playing and everyone looked at the T-stage with full attention.

Nian lie narrowed his eyes and looked at Yan Sichen, his expression unclear.

Of course, he knew that Yan Sichen had tried to hold ning Qing's hand just now.

If he hadn't moved faster, he would be the one feeling uncomfortable now.

Nian lie's mind settled as he held the woman in his arms tightly.

The runway show lasted for about half an hour. All the professional models wore this series of jewelry and made a variety of displays, which attracted the applause of the people below the stage.

After the show ended, he received another round of compliments.

Ning Qing's heel hurt badly from wearing such high heels. In contrast, Nian lie's relaxed expression made her feel very uncomfortable.

Nian lie noticed her gaze and hurriedly ended the conversation. what's wrong? " he asked with concern. where do you feel uncomfortable? "

of course I'd feel uncomfortable dealing with so many people, " ning Qing mocked. I can't compare to Mr. Nian's experience in battle.

Nian lie could hear her anger, but he wasn't angry. He leaned closer to her ear and said, " hold on a little longer. I'll take you to see someone.

Ning Qing wanted to say no, but she noticed that the people around them were looking at them from time to time, so she could only go along with his wishes.

Nian lie gently held her by the back of her waist, saving her energy when she walked.

When ning Qing found his target, she was stunned.

Nian lie said, " her name is Lou LAN. She's the current head of the famous Lou family in the capital. She's very powerful and her influence is spread all over the country and even the world. However, she has rarely appeared in the country in the past few decades. She's mostly active abroad.

Ning Qing was puzzled. why are you telling me this? "

Nian lie's dark eyes were deep. it's nothing. She came to ning city to meet a guest and happened to have time, so I asked someone to invite her.

Ning Qing was still puzzled. so? ”

Nian Xi stopped in her tracks. Her expression was serious, which was rare for her. she’s usually reclusive and doesn’t like to interact with outsiders. I only asked someone to invite her once, and she came. You’re so smart, so tell me why.

When ning Qing was in the capital, she had heard of the Lou family, but their family was very mysterious and could be traced back to a hundred years ago. It was a very ancient family.

Moreover, the family business was inherited by the female, and the previous family heads were all female.

If the mother had two daughters, the eldest daughter would inherit the throne.

This was very rare.

Why did she come to this banquet so easily?

Logically speaking, she shouldn’t be interested in such a scene.

Ning Qing’s thoughts were a little chaotic. She asked tentatively, ” is there someone here who has a relationship with ran ran? or is there someone she’s interested in? ”

[Chapter 444](#)

444 The person she’s interested in is you (1:

His cold eyes shook fiercely, shaking ning Qing’s heart.

Surprised, she said, ” I’m right.

Nian lie’s brows furrowed with worry. yes.

“Who is it?”

To make someone of this status lower his attitude and personally meet him?

Nian lie’s expression became a little strange. It was only when his indescribable eyes were fixed on her face that ning Qing suddenly reacted.

“It’s me!”

Nian lie wrapped his arms around her waist, signaling for her to keep her voice down.

Ning Qing was so shocked that she forgot to resist. Her eyes widened. did you trick me? ” Why is it me?”

Afraid that she would overthink, Nian Jing hurriedly explained, ” everyone in the capital city knows that Lou LAN likes to collect jewelry. She has collected all the series you have designed in the past. She admires you a lot. She can be considered your fan.

Ning Qing was speechless.

Fans?

Nian lie lowered his voice as he scanned the women on the other side.

“Ning Qing, no matter what, you should understand that it’s a good thing for you to be able to get in touch with someone of her status.”

Ning Qing didn’t like his tone. if she likes my work, I have nothing to say, but what if we’re wrong and she doesn’t like me? ”

“There’s no mistake,”

Nian lie was certain.

Ning Qing found it strange. why are you investigating the Lou family? ”

Why would he want to investigate a family that had nothing to do with him and the Nian family?

Ning Qing did not understand.

Nian lie was suddenly at a loss for words. He could only say, ” don’t worry about this. You just need to know that I did this for you.

Ning Qing smiled indifferently, but her eyes turned cold.

you can always blame everything on me. Mr. Nian, you’re so good at scheming.

Nian lie didn’t know how to respond to her sarcasm, because he knew he couldn’t.

Some things were too complicated.

Before he could figure it out, he could not let her know.

For example, the person who had been following her and trying to harm her.

Another example was the mysterious woman who had suddenly appeared and taken her away three years ago, then returned her intact.

Ning Qing did not notice his serious expression. She forced herself to say, ” fine. After all, you’re my superior. How can I go against your wishes? ”

Nian Jin’s heart tightened. ning Qing!

The woman flicked her long hair and walked toward the graceful woman with firm steps.

Lou LAN smiled as he rejected someone’s invitation. As he turned around, he heard a gentle female voice,

“Hello, Mrs. Lou.”

She focused her eyes and saw a woman in a black dress with fair skin standing in front of her with a smile.

“I’m Ning, the designer of the night sky. My Chinese name is ning Qing.”

Lou LAN squinted his eyes and smiled after recognizing her.

“Hello, miss ning.”

Nian lie rushed over and held ning Qing's waist. He nodded at Lou LAN. Madam Lou.

There was a hint of respect in his calmness.

Ning Qing was surprised.

Her impression of Nian lie was that he was a man who would never bow his head to anyone or anything.

This attitude was really rare.

Lou Lan's smiling eyes met Nian lie's. A dark blue glint flashed across his eyes. I've heard people talking about the Nian family. I didn't expect the young ones to be in power now.

"....."

"How have your parents been? how are they?"

Nian lie, who was used to seeing storms, actually felt a faint sense of oppression from this woman.

He met her eyes. father's health wasn't good for the past two years, so mother took care of him at home.

Lou LAN nodded. yes, he's getting on in years. In addition to the fact that he was a Playboy when he was young, he didn't care about what was in front of him. He should really rest well.

[Chapter 445](#)

445 Inexplicably friendly (1:

There seemed to be a hidden meaning in his words.

Ning Qing hesitated. you know the elders of the Nian family? "

"I can't say I know him, but we've met a few times before," Lou LAN replied, his smile fading.

Ning Qing nodded.

Lou LAN continued to size Nian lie up. Mr. Nian, you've inherited the Nian family at such a young age. You're young, promising, and steady.

Nian lie's thin lips parted. you're being too serious.

"However, Yingluo"

Lou LAN paused for a moment. His eyes narrowed, and the kindness he had on him disappeared.

"The mistake people like you are most likely to make is that you are young and impetuous. You should also restrain your edge, understand the principle of the tall tree attracting the wind, and plan a smooth and long road."

Nian lie felt a chill run down his spine as she lectured him.

He was as respectful as ever. thank you for your teachings, Mrs. Lou. Nian lie will definitely remember your words.

Lou LAN nodded in satisfaction. He looked at ning Qing and said, " there are so many people in the hall who need you to take care of them. I won't take up any of your time. Go.

Ning Qing was stunned, but Nian lie had already agreed. He gave her a look that told her to calm down and retreated into the distance.

She thought to herself,"it's over, I won't deal with such a Big Shot."

Lou LAN gave her a gentle smile. miss ning, did I scare you? "

Ning Qing quickly shook her head. no!

She stared at Lou LAN. His face was over forty years old, but he did not look old at all. Instead, he looked like he had been through a lot and had been cleansed of all worldly matters.

She was gentle, calm, beautiful, and natural.

It was as if what she had just seen was an illusion.

"Can I call you Qing Qing?"

Lou Lan's sudden words made ning Qing feel at a loss. of course, you can!

She couldn't help but laugh. you don't have to be so nervous. You're different from him. He's a businessman. He's been too sharp in the past few years and it's easy for him to be targeted.

Ning Qing understood. so you were really giving him advice just now.

"What else do you think?" Lou LAN teased.

Ning Qing's lips were slightly open, and she was speechless.

Lou Lan's eyes were kind as he took her hand.

"I think you look very familiar. You look very similar to me when I was young, so I want to be closer to you. You don't mind, right?" she said with a smile.

Ning Qing was flattered. She suppressed her heart that was about to jump out of her chest. No.

Lou Lan's eyes were as gentle as water. how old is Qing Qing this year? "

"My nominal age is twenty-four. I'll be twenty-five in a few days," ning Qing answered honestly.

"What a coincidence, it's your birthday."

Ning Qing gradually let down her guard. in a few days.

Lou LAN looked at her, his eyes deep and dark blue. it's good to be young.

Ning Qing's mind was in a daze, and the blue had disappeared.

She thought it was her imagination and continued, " everyone will grow old. Birth, aging, illness, and death are normal. It's best to live in the present.

Lou LAN nodded his head in satisfaction. you've seen through it thoroughly. That's good.

Ning Qing smiled. After thinking for a while, she had an idea: do you like my work? ” she asked.

: I quite like it: Lou LAN replied honestly, ”because I feel that there’s always a kind of emotion in your designs.”

It was the first time Ning Qing had heard someone say that. She was instantly interested. Oh? What Do You See?”

Lou LAN smiled. I’m not an expert in the jewelry industry, but I can feel that they contain your state of mind. Sometimes it’s sad, sometimes it’s courageous, and sometimes it’s a rebirth from adversity. In short, there are many emotions, and the works are unique.

Ning Qing was shocked, but also very happy.

Mrs. Lou, you’re amazing! This is the first time someone knows what I’m trying to convey!

It wasn’t the cold diamond, the design, or the material. It was just trying to convey a kind of emotion.

This was also the reason why she learned jewelry design.

Ning Qing held Lou Lan’s hand tightly. Lou LAN was still loving. is that so? it seems like you really want others to understand you.

“Yes, I’m very happy!” Ning Qing’s emotions were turbulent.

This was clearly the first time she had met this woman, but she felt that they had a telepathic connection!

It was amazing!

[Chapter 446](#)

446 Meeting an old friend again (1:

Ning Qing and Lou LAN chatted for a long time before she was called away.

In the bustling banquet hall, she looked around and saw Yan Sichen and Nian che chatting with others. Even Li Miao was here.

She didn’t notice Nian lie. When she turned around, her attention was attracted by a figure that swept past the door.

Eh?

Why does that person look so much like Xuxu Tina?

What was she doing here?

He hadn’t told her.

Ning Qingxin thought that it couldn’t be her, but her feet had already followed her out.

The ship shook slightly, and the cold wind that hit her face instantly sobered her muddled mind.

The woman's figure looked more and more like Tina. As Ning Qing was confused, the woman disappeared around the corner.

Just as she was about to catch up, a woman's voice stopped her.

"Ning Qing?"

She stopped and turned around.

The woman was wearing a light blue strapless dress. She had a graceful figure and a beautiful face.

Ning Qing was surprised. "Su Feifei?"

Su Yinuo?

The woman smiled. "It's me."

Ning Qing looked at her as she walked closer and closer, and her feelings suddenly became a lot more complicated.

It seemed that she had not heard anything about the SU family since she returned to Ning City.

Did something happen to the SU family?

Su Yinuo seemed to have seen through her surprise. "You're so surprised to see me?"

Ning Qing was dazed. "Of course not. With Miss SU's identity, it's only right for her to be here."

Su Yinuo smiled strangely and asked her, "My identity?" "What is his identity?"

"Naturally, it's the high and mighty eldest miss of the SU family," Ning Qing said after calming down.

Su Yinuo sneered, and her eyes were full of emotions.

"I haven't seen you for a few years, and your ability to mock people has grown."

"Thank you," Ning Qing said expressionlessly.

Su Yinuo's face turned cold. She really hated this side of Ning Qing!

She was acting as if she was the only noble, pure, and kind person in the world who looked down on others!

However, she paused for a moment and chuckled. "Forget it. Looking at you, you don't know anything, do you?"

Ning Qing frowned. "What should I know?"

Su Yinuo continued to keep her in suspense. He did so much, but he didn't tell you. He really put in a lot of effort.

Ning Qing's expression gradually turned cold, and she did not want to deal with her.

"I don't like people speaking in riddles with me. If there's nothing else, Miss Su, I'll take my leave."

She turned to leave, but just as she took two steps, she was stopped by su YINUO.

“Ning Qing, stop right there!”

She faced the river Wind with her back to her.

Su YINUO gritted her teeth. Three years ago, everyone thought you were dead. He didn't believe it and looked for you for three whole years.

Ning Qing knew about this. Nian Che and Lu Zhui had both told her about it.

“I'm not interested in what happened three years ago,” she said indifferently.

“Other than this, are you not interested in anything else?”

“.....”

Seeing that Ning Qing was silent, su YINUO smiled sarcastically. With both hands on the railing, she looked at the lights in the distance and the sparkling waves below.

“After he found out that I went to look for you three years ago, I thought that he would take into account the relationship between the Nian and su families and would not do anything overboard. However, these are all my imaginations.

Not only did he blame your death on the entire su family, but he also cleaned up and acquired all of the su family's external businesses in three months! He said he'll leave us a way out for the sake of our last friendship, but he won't allow our su family to have anything to do with him!”

Su YINUO smiled bitterly, and the light reflected in her bright eyes was like tears.

Ning Qing was shocked!

[Chapter 447](#)

447 How scary is Nian lie (1:

for you, he didn't even care about our family's years of friendship. It's my fault. If I didn't insist on fighting with you from the beginning, the su family wouldn't have ended up like this.

He blamed her for loving him for so long.

She was to blame for being stubborn and nosy, bringing harm to the entire su family.

She tightened her grip on the railing. Three years ago, I said that both you and I lost. Heh, I was wrong. You didn't lose. From the start to the end, it was me and Bai Qingqing who lost.

She stared at Ning Qing's back, unable to stop her tears from flowing.

Ning Qing's voice came through the wind.

“What's wrong with Bai Qingqing?”

Su YINUO stared at her. She's in prison.

Ning Qing's back stiffened.

Su Yinuo's Red lips twitched, and she was on the verge of smiling. I only found out later that he had never thought of marrying her.

After the day of the wedding, all sorts of negative news about Bai Qingqing was spread everywhere. Their family even personally took action and sent her to jail.

Ning Qing, it was only then that I realized how scary Nian lie could be."

"....."

The cool wind blew past his ears.

The early autumn night was not cold, but it made ning Qing feel cold all over.

Su Yinuo said, "to this day, Bai Qingqing is still in prison. As for me, I can't cause any more trouble. You're not dead either. In the end, you're still the winner.

There was a heavy sorrow in her eyes, and it was no longer as sharp as it had been when she was against ning Qing.

Time was really cruel.

"Big winner, you can laugh at me all you want now."

Ning Qing's heart trembled, and her body lost its warmth.

Su Yinuo's bitter smile was like a fist that hit her chest, making her feel suffocated and uncomfortable.

However, she still calmed down very quickly.

"Miss su,"

Su Yinuo raised her head to look at her.

Ning Qing turned around and looked at her quietly.

"There's no winner or loser between us. The past is in the past. There's no point in dwelling on those things now. Living in the present is the easiest thing you and I can do."

Su Yinuo was stunned and looked at her in a daze.

"Some people have a hard time for a while, but some people have a hard time for their whole life,"

There was no love or hate in ning Qing's eyes, and her tone was gentle.

Su Yinuo was a pitiful person.

Even if she had used some big or small tricks in the past, they were not worth mentioning in her eyes.

miss su, you're still young. There are countless possibilities and choices in the future. If you can stop your losses before you're twenty, don't wait until you're thirty to do it.

Su Yinuo understood what she was saying, and her eyes were glistening with tears.

Ning Qing hesitated for a moment, then walked up to her and patted her on the shoulder.

“When you still have a choice, remember to take a better path. Don’t repeat the same mistakes.”

After she finished speaking, she turned and left.

“How about you?”

Su Yinuo was anxious, as if she wanted to confirm something.

“Ning Qing, aren’t you trying to make up with him now that you’re so close to him?”

Ning Qing straightened her back. this is none of your business.

Su Yinuo was indignant. I’ve said it before. Nian lie is not a good man to belong to!

Why did she not believe him?

“What you see might not be true.”

Ning Qing left her with a vague answer and walked away with her skirt.

A winner?

She might be.

But it was not because of his love for her.

It was her hatred for him.

Some emotions gathered in ning Qing’s eyes, but they disappeared in an instant.

She continued to walk down the corridor, and when she saw the woman again, she was talking to a man.

Ning Qing paused. The man’s hair color looked familiar.

The man’s side profile appeared. It was really Gu nanzhi!

She was about to walk over when a waiter suddenly walked over and blocked her way. miss ning.

Ning Qing was anxious. When she looked over again, the two people were no longer there.

“What’s the matter?” she asked, taking a deep breath in defeat.

“There’s a lady with the surname Li over there looking for you.”

[Chapter 448](#)

448 Don’t make her feel like she’s in jail (1:

Li?

Li Miao?

Ning Qing thought for a moment. Perhaps Gu nanzhi had not handled the matter between them well, so she had come to her.

Ning Qing helplessly sighed and said, " I understand. then, she walked toward the waiter.

.....

In the banquet hall.

After Nian lie had finished his discussion with the others, he went out to the hall and looked around, but he could not find ning Qing.

where is she? " he asked, grabbing Nian che.

Nian Yu took a sip of champagne and pointed to the corridor. sister-in-law went out there. She probably went to get some fresh air.

Nian Yu's eyebrows twitched. didn't I ask you to look after her? "

brother, sister-in-law is an adult, " said Nian che helplessly. don't make her feel like she's in jail. There are people watching her everywhere she goes.

Nian lie realized that he had overreacted, but he really didn't like the feeling of her not being in his control.

He put down his wine glass and said, " I'm going to find her. then, he hurried over.

There weren't many people outside. He quickly walked to the deck and still didn't see anyone.

: Did you see ning Qing: : Nian lie felt uneasy and grabbed a passing waiter.

The waiter pointed in a certain direction. Oh, Zhenzhen, I just saw miss ning go that way.

Nian lie followed his hand and saw that the Kasaya was in the direction of the stern.

What was she doing there?

Nian lie pushed the waiter away. His panic and uneasiness grew stronger.

Gu nanzhi, who was drinking in a corner, heard Nian lie's footsteps as he walked away. She looked at the stunned waiter and smiled. don't be nervous. I won't tell anyone that you're slacking off here.

The waiter was stunned.

He stuffed the unfinished glass into his hand and threw him a wink. help me hold it. I'll be back in a while.

As he turned around, his frivolous smile suddenly disappeared.

Ning Qing had gone to the stern?

Was he chasing after that person?

His blue eyes were filled with obvious worry, and he couldn't help but walk faster.

.....

At the stern of the ship, ning Qing saw the delicate figure.

The woman in the pink Princess dress, if it wasn't Li Miao, who else could it be?

She quickly stepped forward. This place is very dangerous. Why are you standing here, Yingying?"

She pulled the woman over, but Ning Qing realized that her face was unfamiliar.

She let go of him. Who are you?"

Why was she wearing the same dress as Li Miao?

Qiao 'er's face was ice-cold, "I'm my family's young miss' personal servant.

Ning Qing looked at her. Li Miao?"

Qiao 'er nodded.

She did not understand. Why are you looking for me?"

"Miss Ning,"

Qiao 'er suddenly called out to her.

As a woman, the most basic thing is to be content with self-discipline and abide by my duties. I shouldn't have delusions about people or things that don't belong to me, and I shouldn't even think about men who already have a master.

Ning Qing now knew that she was here to seek justice for Li Miao.

Her heart relaxed a little and asked, "Does Li Miao know that you came to find me?"

Qiao 'er did not reveal her emotions. My young lady is pure and kind, and she has a special affection for young master Gu. As young master Gu's friend, she was so soft-hearted that she refused to give you a warning even when she knew that the two of you were too close. As a servant, I feel sorry for my young lady.

Ning Qing knew that she had made her own decision and was uninterested. Oh, so?"

Seeing her languid attitude, Qiao 'er was instantly enraged.

So please keep your distance from young master Gu. It's best if he returns to the country as soon as possible and marries my miss.

She looked at Ning Qing with disdain. After all, the Gu family has a big business and young master Gu is playful. In his eyes, a woman of your status is just a toy to kill time. He will not give up the Gu family for you. Sooner or later, he will marry my young lady.

Ning Qing would be a fool if she couldn't tell the malicious intent in her words.

Facing the river Wind, her expression calmed down.

Her skin was as white as Jade.

Ning Qing was expressionless. What if I don't stay away from him?"

"Then you can go to hell!" Qiao 'er's eyes suddenly changed, and she said viciously.

Chapter 449

449 Being pushed down by someone (1:

A strong force hit her, and ning Qing tripped.

As the woman pushed her, she lost control of her body and leaned back.

Then, he flipped over the railing and fell.

“Plop!”

Qiao ‘er’s hands trembled as she stuck her head out to look at the river.

In the darkness, a figure could be vaguely seen.

She gritted her teeth. don’t blame me. If you want to blame someone, blame yourself for being promiscuous and shameless.

As soon as she finished speaking, an angry roar burst out behind her, ”

what are you doing?!

Qiao ‘er’s entire body trembled. When she turned around and saw the Furious Nian lie, her face turned pale with fright. my Huahua!

Nian lie clenched his fists, his eyes red.

He had seen her push ning Qing down!

“If anything happens to her, you won’t live to see tomorrow!” He threatened, glaring at the strange woman.

After saying that, Nian lie removed his suit in a few Swift movements and threw it on the ground. He then jumped down without any regard for his own safety!

Qiao ‘er was stunned, and she stood still.

Gu nanzhi had just walked out of the corner when she saw Nian lie jumping down.

He looked around but did not see ning Qing, and his heart skipped a beat.

He quickly walked over and realized that the woman was someone he knew!

“Qiao ‘er?”

The woman’s face was pale and she stammered, “young master Gu, please!”

Gu nanzhi knew that something was wrong. what are you doing here? ”

The woman avoided his gaze. He was about to stick his head out to look at the river when she stopped him. young master Gu, don’t look!

“What did you do?” Gu nanzhi was burning with anxiety.

Qiao 'er knew that if either Nian lie or ning Qing was alive, what she had done would be exposed. Especially when she thought of the fierce look in Nian lie's eyes just now, she was so scared that her whole body turned cold.

"F * ck me f * ck me"

Gu nanzhi held her shoulders. where's ning Qing? What did you do to her?"

"She fell down," Qiao 'er could no longer avoid it and admitted.

Gu nanzhi's eyes widened and she immediately let go of the railing.

The surface of the river seemed calm, and one could vaguely see the figures of people bobbing up and down.

He gritted his teeth and hurriedly took off his coat. He didn't care about Qiao 'er's dissuasion and jumped off the boat!

Hearing the loud thump, Qiao 'er was completely confused.

"What happened?"

Someone was approaching. Qiao 'er panicked and tried to hide, but it was too late.

Nian che and two-three walked over and saw her at first glance.

He looked at the two suits on the ground and immediately grabbed the woman who was limp. Who are you? why are you here? where are my brother and the others? "

Tears flowed out of Qiao 'er's eyes as she pointed at the river. they even jumped into the river to save her.

Nian Che's body trembled. save who? "

Qiao 'er covered her face and said indistinctly,"it was miss ning Zhenzhen."

Nian Che's thoughts were instantly emptied.

save him! Qiao 'er grabbed him and cried, " save him! Young master Gu jumped down too!

"What!"

A surprised female voice came from behind him.

: Did brother Yi also jump down: : Li Miao rushed over and questioned:

Qiao 'er cried, " I'm sorry, miss. I didn't mean it!

Li Miao's face was pale and she almost fell down,"how could it be?"

Nian che couldn't care less about them. He got up and went to get help.

Soon, the party on the cruise ship ended early, and the rescue team began to search along the riverbank.

Half an hour later, they found Gu nanzhi, who was so tired that she was about to faint, by the river.

The sky was dark and the river surface was dark. It started to rain.

Rescue boats were released one after another, but the turbulent river water slowed down the rescue process.

Nian Xi bent over and shone the flashlight around her through the rain.

This scene was strangely similar to three years ago.

He was afraid that something would happen to his brother.

He was also afraid that something would happen to her.

His whole body was wet, and he did not dare to relax. He gave a death order for people to continue searching, and no one could persuade him.

Yan Sichen also put down everything in his hands and searched anxiously. Even Gu nanzhi did not rest.

They didn't even have the time to question him. All they could think about was to save those two people.

450 Using his life in exchange for her (1:

Back to the time when ning Qing fell into the river.

She didn't expect the other party to want her dead, so naturally, she wasn't that guarded.

That was why the other party had succeeded.

The river in early autumn was not cold, but for ning Qing, the river was her nightmare.

She didn't know how to swim, and the moment she fell into the water, she choked on a few mouthfuls of water and lost all her calm.

She struggled like crazy. save Yingluo, cough, cough, cough, Yingluo.

However, the more he struggled, the more water gushed into his nose.

The more she struggled, the more her body refused to listen to her, and she sank deeper.

Ning Qing was in despair.

The fear of death made her tear up.

Just as he was feeling uncomfortable, he seemed to hear the sound of waves.

In the turbulent River, Nian Yun steadied his body and anxiously looked for ning Qing.

“Ning Qing! Ning Qing!”

The shouts brought ning Qing back to her senses.

She started to struggle with all her might. I'm here, Nian lie.

The man heard the sound and quickly went down along with the water.

However, the river was too fast. He was chasing her, and she was also sliding very fast.

"Ning Qing! Don't worry, raise your head and hold my hand!"

He chased after her and reached out to pull her.

Ning Qing choked so hard that even breathing was painful. Her eyes were blurred, and she only followed his instructions.

Nian lie was about to pull her back, but a sudden rush of wind separated the two of them again.

"Ning Qing!"

"Nian lie, Qianqian."

The faint cry was getting further and further away.

Nian Xi's heart felt like it was about to explode. He used all his strength to swim towards the woman again.

Ning Qing's consciousness was already floating, and the suffocating pain in her chest made her unable to hold on any longer ...

His hands and feet went numb, and he stopped moving.

Seeing that she had given up struggling, Nian lie shouted, "ning Qing, you can't give up!" It wasn't easy for me to survive. You can continue to torture me, but don't die! Don't!"

The woman could no longer hear him.

His eyes were bloodshot as he swam towards her with miraculous determination.

Finally, the moment she sank into the water, he held her hand!

Nian lie turned around and held her by the waist. He pulled her out of the water, exposing her mouth and nose.

The woman's pale and lifeless face made his heart ache.

He didn't say a word and only held her waist tightly. One of his hands paddled the water surface with great difficulty, and they went down the river.

It started to rain.

It quickly turned from a drizzle to a heavy downpour.

"Ning Qing, ning Qing Zhenzhen, wake up!"

He called her name, and every word was like a knife, cutting into his heart.

Soon, his strength would be exhausted.

The rain kept washing his face and eyes, and a thin layer of mist appeared on the river surface.

Nian lie looked left and right. There were no lights on either side of the river. The river was rapidly narrowing and flowing faster.

He held her, who seemed to be breathless, and was almost in despair.

A slanted tree branch on the river surface ignited his hope.

He couldn't die!

He couldn't let her die!

Nian lie adjusted his position so that his back was facing the tree trunk and he hugged ning Qing tightly.

The speed of the river was too fast. If she were to bump into it, she would definitely be hurt.

Hence, he used his back to meet the tree trunk.

“Bang!”

A muffled sound was heard.

The pain spread through his entire body, numbing his fingertips.

The taste of blood gushed up in his mouth.

He hugged ning Qing tightly, exerted his strength, and threw her onto the tree trunk.

A violent torrent hit him, and the branch he was holding on to suddenly broke.

The torrent rolled past, and the man went down with the flow.

Until he disappeared on the river.

On the branch, the woman's face was covered with wet hair. She was pale and weak, and her eyes were closed.

There was no sign of him waking up.

The rain gradually stopped.

This night was not meant to be peaceful.
