[Chapter 461](#)

461 You should put yourself first in everything (1:

It was strange that ning Qing's fever came and went quickly.

The next morning, her fever went down.

Mother ning was overjoyed and asked about yesterday's incident. Ning Qing made up an excuse to fool her.

time to take your medicine, " said father ning as he came in with some warm water.

Ning Qing took the glass of water and the medicine he handed over. She swallowed it in one gulp without hesitation.

Mr. Ning sat down. Seeing how decisive she was, he sighed. I remember when you were sick when you were young. You had to take medicine with your mother and me for a long time before you were willing to eat. You've really grown up now.

Ning Qing swallowed two mouthfuls of water to wash away the bitterness and foreign feeling in her throat. She smiled and said, " yes, I've grown up. There are some things that you and mother don't need to worry about.

She handed the empty cup to father ning, who then placed it on the table.

there are some things that you don't have to worry about, but there are some things that you can't be sure of and that you don't know right or wrong. You still have to worry about them.

Ning Tingyi was confused by what he meant.

Father ning didn't expose her, and only talked about mother ning and himself.

your mother and I have been together for so many years. I don't wish for myself to be well. I only wish for you and your sister to live well.

At the mention of ning su, both of their faces looked more or less lonely.

your sister is not blessed enough to enjoy the beauty and happiness of this world. Similarly, she doesn't have to experience pain and setbacks.

Father ning looked at ning Qing. but you're different.

you're very different from your sister. She's gentle and more obedient to her elders. You've been naughty since you were young, lively and cheerful. You don't like to be controlled by others, and you have your own opinions.

Ning Qing was stunned.

This was the first time her father had praised her like this.

"However, being generous is one thing. Sometimes, being too opinionated is not a good thing."

“.....”

Father ning wasn't exactly serious, and his tone was as usual.

this will make you unable to listen to what others say. You will be stubborn and use the wrong method to do wrong things. Mr. Ning pressed his hands above his knees. that's why I've always been in charge of you since you were a child.

Ning Qing slowly understood that her father was telling her about his ways of education.

She recalled how she had always complained that her father didn't understand her and was strict with her.

Ning Qing felt depressed and guilty. I'm sorry, dad.

She had misunderstood him so badly before.

Father ning hesitated, but still took his daughter's hand.

Qingqing, I was too mean to you in the past. I was wrong, but your mother and I really hope that you can live well.

In the face of her father's weakness and apology, ning Qing couldn't hold back her tears. father, you're not wrong. It's my, Zhenzhen's, past. It's my fault. I shouldn't have degraded myself and hurt you and mother's hearts!

She had said so many hurtful words. Her parents must have been heartbroken when they heard them!

She jumped off the bed and half-knelt into her father's arms.

Tears welled up in Mr. Ning's eyes as he patted her shoulder. Qingqing, I'll support you in whatever you want to do in the future. But you have to remember that your sister has left us. You're the only one your mother and I have left.

You should put yourself first in everything. Don't be obsessed with some unworthy people or things and ruin yourself.”

Ning Qing cried so hard that she couldn't speak, and she kept nodding in response.

With trembling hands, father ning touched her head.

That calloused hand, which had been engraved with decades of years and hardships, slid across her face.

your mother and I had once fallen into despair, but after having you and your sister, we suddenly saw the light and thought that the road ahead was bright.

He cupped ning Qing's face in his hands. The love from his father was deep and heavy. In the years that she had been away, it had weighed down on the middle-aged man's back.

“Our ning family's daughter is not the most distinguished, but she is the most precious treasure in the eyes of her parents. Our ning family's daughter wants to be pure and see the world with a clean face.”

Ning Qing's tears could not stop. Looking at her father's smile, she curled her lips with great difficulty.

His bright eyes were full of vitality.

"Alright," she promised, smiling with tears in her eyes.

462 Her birthday _1

It was ning Qing's birthday two days later.

She was dragged out of bed by mother ning early in the morning and followed her to buy some groceries in a daze.

buy more vegetables. Si Chen is coming tonight.

Ning Qing looked at her and grumbled, "it's my birthday, mom. You're making it seem like brother Sichen's birthday.

I asked him to come because of you. He's been so concerned about you and has been so good to us all these years. We should thank him for that," Mrs. Ning rebuked as she picked some vegetables.

Ning Qing was speechless.

When she returned home, father ning was already prepared.

"I'm back."

He was holding an incense stick in his hand, and there were candles and paper money on the table. Qingqing, come and meet your sister.

Ning Qing agreed and walked over to take the incense.

Father ning held ning SU's photo in his hand, carefully wiped it, and then put it back in front of the incense burner.

There were fruits and some snacks on the table, all of which ning su used to love.

Ning Qing stood upright in front of the photo, her heart slightly bitter.

No matter how much time had passed, as long as she thought of ning su, who was her twin, she would always feel sad.

Mr. Ning stood at the side, waiting for his mother to come over after washing her hands. He looked at the photo and said, "xinsu, today is your and Qingqing's birthday. Our whole family is finally here.

Ning Qing smiled at the photo. sister, I'm back. It's been hard on you all these years. Please look after father and mother in Heaven. You can rest in the future. I'll do my best to be filial to father and mother.

Ning Qing's expression was solemn, and she bowed three times seriously.

Father ning nodded, and mother ning shed tears of relief.

She inserted the three incense sticks into the incense burner and turned back to look at her parents who were relying on each other, smiling.

After the three of them had lunch and took a short break in the afternoon, Yan Sichen arrived.

After taking a nap for half an hour, Ning Qing entered the living room and heard Yan Sichen's voice. When she saw the tonics and fruits on the table, she knew that he had arrived.

Yan Sichen happened to pop his head out. "you're awake?"

Ning Qing looked at the man in the apron and touched her head awkwardly. "yes, brother Sichen, you're here so early."

"the company's matters have ended early. Besides, your birthday can't come too late."

Mother Ning chuckled. "oh my, Si Chen is so good at talking!"

This scene was too harmonious.

Ning Qing stood in the living room, feeling a little lost.

"Qingqing, bring the potatoes on the table over."

"Oh, okay."

She carried the bag into the kitchen and found that the space seemed to have become smaller with Yan Sichen's presence.

Yan Sichen wiped his hands clean on his apron and said, "give it to me. You can go out and rest."

Ning Qing felt that she didn't belong to this family anymore. Yan Sichen smiled gently. "you want to help?"

Ning Qing glanced at her mother, but she immediately pretended not to see her.

She sighed in her heart and shook her head. "help my mother. I don't know how to cook."

Just as he finished speaking, someone knocked on the door.

Ning Qing glanced in that direction. Father Ning said, "I'll open the door. then, she turned back to look at Yan Sichen. She leaned closer and whispered, "my mother hasn't been right for the past two days. If she asks you anything random, don't think too much about it."

: It doesn't seem very nice for you to talk about Auntie like that: "Yan Sichen's smile deepened and he lowered his voice like she did:

Ning Qing was about to say something when father Ning's confused voice came from the door.

"Young man, did you knock on the wrong door?"

Ning Qing couldn't care less about what was in front of her and walked towards the door. "dad, who is it?"

The door did not open. Mr. Ning turned around with a strange expression on his face. "it's a foreign young man."

Ning Qing's eyelids twitched. A blonde head tilted over, and a bright smile dazzled her eyes.

“Baby, it’s me. I’m here to celebrate your birthday!”

[Chapter 463](#)

463 Tell me the truth, does he like you (1:

In the living room, the man’s loud and high-pitched voice did not stop for a moment.

uncle, you’re really extraordinary and elegant. You’re the most elegant and cultured person I’ve seen since I returned to the country!

oh my, auntie’s skin is so good. What kind of skin care products did you use? you look like a 20-year-old girl. Tell me quickly, I’ll buy some to use!

“Aiyu, young man, you’re so sweet.” Mother ning couldn’t stop smiling.

Gu nanzhi had a serious expression on her face. Auntie, my name is Gu nanzhi. You and uncle can call me nanzhi. I’m Ning’s good friend from America.”

Seeing Gu nanzhi making her parents so happy, ning Qing held her forehead.

Yan Sichen was also a little surprised. He paused and stood next to ning Qing. you invited him? ” he asked.

Ning Qing helplessly replied, ” No.

“Then how did he know that it’s your birthday today?”

She even knew the ning family’s address?

:: think: saw it on the company’s information form,” ning Qing replied honestly.

However, his sudden attack had really given her a huge “surprise.”

Yan Sichen nodded thoughtfully, his brown eyes looking at Gu Nanxi slightly solemn.

Gu nanzhi was introducing the culture and scenery of America to father ning. Mother ning smiled and said, ” alright, little Gu, you can talk to your uncle first. I’m going to cook. I’ll definitely let you try my cooking tonight.

Gu nanzhi smiled obediently. thank you, Auntie.

Mother ning got up and pulled ning Qing to the bathroom.

“Qing Qing, what’s wrong with you?”

Ning Qing blinked. nothing much. He’s my boss in HE.

“Just a superior?”

Ning Qing looked at her mother, whose eyes were shining. what else do you think? ”

Mother ning grabbed her hand and looked at the handsome man on the sofa from afar. look at how attentive he is to your father. What kind of boss is he? ”

“Mom ...”

“Tell me the truth, does he like you?”

Ning Qing pretended to be mute.

Mother ning smacked her hand. hey, now there’s only Si Chen and this young man. You still have half of your life ahead of you. You can’t expect your father and I to stay by your side for the rest of your life. Qianqian should at least choose one. Don’t tell me you don’t like any of them? ”

Ning Qing did not know what to say.

She could understand her mother’s feelings, but she didn’t have such thoughts.

Mrs. Ning could not care less. if you can’t choose one, I’ll help you choose one tonight. Both of these men are so good. One of them will definitely suit you.

mom, I still don’t understand some things. I don’t want to spend time on these things.

you’re already 25 years old. If you wait any longer, you’ll become an old lady. What if no one wants you in the future? ” Mrs. Ning said angrily.

“.....”

it’s settled then. Let’s see what your mother can do tonight.

With that, mother ning went to the kitchen, humming a song.

Ning Qing didn’t even try to stop him.

She had a slight headache.

She walked to the sofa and said, ” dad, I have a few words to say to him.

“What are you doing here?” she asked coldly, dragging the confused man to a corner.

Gu nanzhi was very innocent. I’m here to celebrate your birthday.

“I didn’t ask you to come.”

Gu nanzhi clutched her chest. baby, you’ve hurt me too much. How can you despise me at a time like this? ”

Ning Qing warned him. you’d better not give me any nonsense tonight. Watch your mouth. If you dare to talk nonsense in front of my parents, don’t even think about seeing me again in this life!

“Alright, alright, alright, I got it.” Ning Qing only let him go after Gu nanzhi swore repeatedly.

“Where’s Li Miao?” ning Qing took the initiative to ask after a moment of silence.

Gu nanzhi suddenly felt awkward. Yingluo, why are you asking about her? ”

Ning Qing thought that he was still angry with someone else, so she explained again, ”I’ve already told you that she didn’t do it, Zhenzhen.”

“I know. I didn’t say anything!”

“.....”

“She went back, Gu nanzhi said unhappily:

Ning Qing thought she had heard wrong and was about to ask when someone knocked on the door again.

[Chapter 464](#)

464 Happy Birthday: Qingqing (1:

At this moment, the entire ning family fell silent.

Ning Xi’s mother poked her head out of the kitchen, her eyes asking who it was.

Ning Qing pursed her lips and remained silent.

It was so quiet that it was a little strange.

“Shua shua-”

Two more sounds were clearly heard by everyone.

This time, he thought it was an illusion.

Everyone’s expression turned serious.

“I’ll get it, ning Qing said as father ning stood up.

Under everyone’s gaze, she walked to the door, but her hands became heavy.

After hesitating for a while, she made up her mind and opened the door.

Under the cold white light, the man’s figure was not as straight as before, and he had even lost a lot of weight. There was a little panic on his stunningly handsome face.

After seeing her, Nian lie forced a smile.

“Qing Qing, it’s me.”

Ning Qing’s body stiffened.

“Why are you so cowardly?”

Nian Xi moved his pale lips. I came from the hospital. I just wanted to wish you a Happy Birthday.

His attitude was so humble that ning Qing even suspected that the man in front of her was not him.

“.....”

He took out a black velvet box from his pocket. this is your birthday present.

His bandaged hand was still wrapped in a thin layer.

Ning Qing looked down and did not take it.

The corners of Nian lie's lips fell a little, but he tried his best to maintain it. He spoke a little anxiously, "Qingqing, I don't mean anything else, Zhenzhen.

He had heard everything she had said when she had come to see him.

It was the first time she had been exposed to such heart-wrenching pain in front of him.

If he had hoped that she would forgive him before, after that day, he no longer dared to ask for her forgiveness.

The man's eyes were too pitiful. His low begging made ning Qing's nose sour.

"Qingqing, who's that?" ning Qing's father asked.

Ning Qing collected her thoughts. no one.

Nian lie smiled bitterly. I'm sorry. I've disturbed you.

His hand drooped and he turned to leave.

Someone walked over from behind ning Qing. When father ning saw that it was Nian lie, his expression froze.

Nian lie nodded to him. uncle.

Father ning could tell at a glance that he was weak. His staggering steps made him look like an old man.

He bit his cheek and thought for a while. are you here to celebrate Qingqing's birthday? "

Nian lie looked at ning Qing, then back at him. He was a little overwhelmed by the unexpected favor. yes.

there are many people in the house today, " father ning said. you're not the only one. Come in.

Ning Qing's pupils shrank. dad? "

Mr. Ning had already turned his head away from them.

No matter how unwilling ning Qing was, she had no choice but to let Nian lie in after hearing his words.

Nian lie was genuinely happy. He entered the room after some hesitation. When he saw Gu nanzhi, his smile froze.

At the entrance of the kitchen, Yan Sichen was holding a spatula in his hand and his eyes met the man who had just entered.

One second, he moved away.

Then, as mother ning called out to her, she turned and went into the kitchen.

Nian lie felt like he couldn't walk anymore. He had never felt so uneasy before.

Mr. Ning sat in the middle of the sofa, watching TV. He motioned for him to sit down.

“Yes.” Nian Xi did as he was told.

“When did he wake up?” Gu nanzhi pulled the cold-faced ning Qing to her side and asked in surprise.

Ning Qing’s eyes did not leave the two people on the sofa.

“I don’t know,”

Gu nanzhi clearly realized that she had let the cat out of the bag, but she realized that ning Qing’s reaction was even stranger.

Why was she not surprised at all?

“Yingluo, you know?” he asked carefully.

It was fine if he didn’t mention it, but once he did, ning Qing’s expression changed.

Gu nanzhi did not know where the problem was. that’s not right. I acted quite well. Could it be that the one in the kitchen was exposed? ”

Ning Qing couldn’t be bothered with his suspicions. After a moment of silence, she said, ” Nian che came to see me two days ago.

[Chapter 465](#)

465 What is your relationship with Tina (1:

he said that his brother can’t make it and asked me to go to the hospital to have a look.

Gu nanzhi was surprised. you went? ”

“Yes.”

Ning Qing recalled the scene at that time, but she could not figure out how he had woken up.

Perhaps, it was because her words had triggered him?

Gu nanzhi did not know what she was thinking. She said apologetically, ” I didn’t expect you to find out so soon. I didn’t mean to lie to you. Don’t be angry with me.

Ning Qing glanced at him and suddenly remembered something.

She reached out and grabbed his collar. Gu nanzhi was so shocked that she screamed.

The person on the sofa looked over. She pushed the man into a blind spot. Then, she asked fiercely, ” Gu nanzhi, what’s your purpose in getting close to me? ”

The man was pressed against the wall. He was scared out of his wits. what Qianqian? what’s her purpose? ” he asked, trembling.

Ning Qing narrowed her eyes. when we were in America, I felt that it was abnormal for you to suddenly appear by my side. After that, you approached me so many times and followed me back to China. What do you want? ”

Gu nanzhi felt that she was crazy and was role-playing. He cooperated and said, "that's right. I have other motives for you. Otherwise, do you think that your dry figure and looks can attract me?"

"Gu nanzhi, don't try to fool me!"

She clutched his neck tightly, and the man only became serious when she really put pressure on him.

"I saw you talking to a woman on the cruise ship that day. What's your relationship with her?" ning Qing asked.

Gu nanzhi's Blue eyes were filled with confusion. who are you talking about? "

Ning Qing gritted her teeth. Tina!

"....."

"She was my Savior three years ago!"

He was the person who had changed her life!

"What's your relationship with her?"

Gu nanzhi was forced to shrink into a corner. She was in a daze. I really don't know what Tina you're talking about. That day, Yingluo, I did talk to a girl in the corridor, but she only asked me how to get off the boat.

Ning Qing observed his expression and asked, "really? "

"I'll be a dog if I lie to you!" Gu Nanxi shouted.

Ning Qing slowly let go of her hand.

He adjusted his collar unhappily. I don't know why I lied to you. Yingluo is not cute at all. I don't know what those two men like about you!

Ning Qing calmed down. I'm sorry.

Gu nanzhi was not that easy to coax. She adjusted her collar and walked to the living room without paying her any attention.

In the kitchen.

Yan Sichen was staring at the fish in the pot in a daze. Mother ning saw this and nudged him. Sichen, what are you thinking about? "

Yan Sichen suddenly came back to his senses. Auntie, I'm fine.

"Who was that just now?" mother ning asked as she tidied up the table.

Yan Sichen was wiping his hands on his apron. The light fell on his head, casting a large shadow on his forehead.

"It's Nian lie," he said.

Ning Qing's mother was shocked. The knife in her hand cut her hand. who did you say it was? "

Yan Sichen frowned and quickly took a tissue to wipe her hand. "Your hand is injured, ran ran."

"Did you just say Qianqian and nianlie?" mother ning grabbed his arm and asked.

Yan Sichen's silence confirmed the answer.

Mother ning clenched her fists, her face dark. this family can accommodate anyone but him! Who let him in?"

Yan Sichen quickly stopped the agitated woman. don't get so worked up yet. Ran ran is uncle ning!

Mother ning stopped in her tracks. Her eyes were filled with tears, and she couldn't believe what she was seeing.

Yan Sichen quickly consoled her. today is Qingqing's birthday. He's here to celebrate. Uncle ning might think that it's not a good sign to drive him away, so he asked him to stay.

Mother ning was silent for a while, then said " good " repeatedly, suppressing the hatred in her eyes. it was ning chengfeng who did it. I'll take a good look! What kind of mess is he going to make tonight?"

[Chapter 466](#)

466 The dismemberment of Nian lie (1)_1

Nian lie sat on the single-seater sofa, feeling as if he was sitting on pins and needles. He didn't know where to put his hands and feet.

When he heard ning Qing and Gu Nanzheng's movements, his heart ached, but he didn't dare to move.

The phone in his pocket vibrated. He carefully took it out and looked down.

It was Lu Zhui.

He was in a trance.

An hour ago, he had told Lu Zhui that he would return to the hospital after delivering the gift.

They returned to yunhuang No. 1, took their things, and rushed over without stopping.

Mr. Ning noticed that he was distracted. someone's looking for you? "

Nian Junting shook his head in shock. No.

After that, he hung up the phone, turned off the volume, and put it back in his pocket.

Mr. Ning picked up a cut apple from the plate and took a bite. you look much thinner than last time. Are you sick? "

Nian lie's dark eyes darted around. I'm just busy with work these days.

Father ning nodded, not sure if he believed her or not.

no matter how busy you are, you still have to eat well and take care of yourself. If you're sick, go to the hospital. Your health is your capital.

Nian lie nodded, enlightened.

The conversation ended there.

It was endless silence again.

Fortunately, not long after, the sound of “food” came from the kitchen.

Gu nanzhi rushed into the kitchen first and helped to carry the dishes and bowls. Yan Sichen cleaned up the mess. Father ning took the broom from mother ning and put it aside. Ning Qing wiped the table clean.

Everyone was busy with their work, and only Nian lie stood by the side.

It was especially lonely and awkward.

He wanted to help, but he was pushed away by mother ning, who had a stern face.

“Our ning family’s place is small, I’m sorry.”

Nian lie’s face turned pale, but he forced a smile.

They didn’t dare to go forward.

All the dishes were served, and the bowls and chopsticks were all set up. The whole family took their seats.

Mother ning called out to Yan Sichen, who was in the kitchen. Sichen, come out quickly. Don’t be busy. I’ll clean up later.

Yan Sichen walked out, took off his apron, and adjusted his clothes before sitting down.

He took a look at the arrangement of the seats today. Father ning was at the head of the table, while mother ning and ning Qing sat on both sides. He and Gu nanzhi sat side by side with ning Qing, while mother ning and Nian lie sat next to each other.

He glanced at mother ning, who didn’t look depressed, and didn’t say anything.

it’s Qingqing’s birthday today. I’m very happy that you’re here. It means that you’re all very concerned about her,” said Mr. Ning.

“Today is a day worth being happy about, so whatever unhappy things you have to put aside first and take this opportunity to relax.”

“Come, let’s have a toast!”

Everyone smiled and clinked their glasses, drinking the first glass of wine of the night.

Mr. Ning smiled. don’t worry about it. Let’s eat.

“Hold on,” Mother ning suddenly said.

The few of them looked over.

The woman forced a smile and said, " Qingqing's father said something. As Qingqing's mother, I should say something too.

Ning Qing smiled. please go ahead.

Mrs. Ning stood up and said in an unexpectedly serious tone, " today is my precious daughter's birthday. I'm here to wish my Qingqing a Happy 25th birthday. I hope that in the new year, you can overcome all obstacles and walk towards a better tomorrow.

Ning Qing was a little confused. She had rarely seen her mother like this.

She exchanged a look with father ning and stood up. thank you, mother. she smiled sweetly.

The two of them clinked their glasses and drank.

Ning Qing sat down, thinking that it was over.

However, mother ning's gaze fell on Yan Sichen and she called him affectionately.

Yan Sichen understood and stood up.

Mother ning smiled gently and kindly. thank you, Sichen, for taking care of Qingqing and the ning family all these years. If it weren't for you, the ning family might have collapsed a long time ago.

Yan Sichen blushed with shame. aunt ning, you're being too serious.

anyway, you're a good child. Today, on behalf of the ning family, I thank you for everything you've done for us all these years.

The wine glasses clinked together, making a crisp sound.

Gu nanzhi was a little confused by this sudden change in table manners.

Mother ning's gentle gaze turned to him. Xiao Gu.

[Chapter 467](#)

467 The dismemberment of Nian lie (2)_1

Gu nanzhi could only follow suit and stand up. She held the cup with both hands and said heroically, " Auntie!

Mrs. Ning smiled. this is the first time I've seen you, but I heard that you're Qingqing's superior and that you're on such good terms with her. I'm sure you've taken good care of her in the past three years.

Gu nanzhi was so nervous that her hands and feet were trembling. no, no! Ning has always been outstanding and strong. I'm very happy to see her grow up and transform into the dazzling person she is now."

Ning Qing's heart stirred as she looked at the man.

Mrs ning was also a little emotional. yes, it's really not easy for Qingqing to get to where she is today.

She looked at Ning Qing tenderly. If it weren't for your help, I don't know if my daughter would be so outstanding. Thank you.

Her eyes were red as she looked at Gu Nanzhi. Thank you.

Then, the two of them drank the wine.

Mother Ning poured herself another glass. Father Ning frowned at her exaggerated reaction and stopped her. You can't hold your liquor well. Why did you drink so much? "

"I'm happy." My daughter is finally sitting in front of me in one piece, " Mrs. Ning said matter-of-factly, " and we can even have a meal together. How can I not be happy? "

These words already had a different meaning.

She looked at Mr. Ning tipsy and said, " finally, I would like to thank you for teaching Qingqing so well. I won't say more. Cheers!

After another glass, Mother Ning's body was shaking.

She sat down and smiled at her father. Come, everyone, let's start eating.

"....."

All of a sudden, Mrs. Ning turned around to look at the man beside her. Oh, right! she exclaimed in surprise. I almost forgot about Mr. Nian.

"....."

The word 'Sir' drew the distance between Nian Lie and everyone else present.

Mother Ning didn't seem to realize how embarrassing her words were. She poured herself another glass and stood up shakily. Come, Mr. Nian, my Zhenzhen's ex-son-in-law. Welcome to my house!

Those few words pierced Nian Lie's heart.

He pursed his pale white lips and his expression was extremely obscure. Auntie, Yingluo.

Mother Ning lowered her head to look at him, confused. Mr. Nian, you're from a prestigious family. Why don't you have any manners? " After all, I'm your elder. You should stand up and talk to me now."

The color of blood drained from the man's face, and his eyes seemed to have lost everything.

Father Ning was upset. He reached out to grab Mother Ning's hand. Eat your food. What are you doing? "

"Why do you care about me? I'm not talking to you!" She rebuked him sternly. This was the first time she had ever refuted Father Ning in front of an outsider.

Father Ning's face was pale. Yan Sichen hurriedly tried to stop her. Aunt Ning, today is a good day. Don't be angry with Uncle Ning.

Gu nanzhi didn't know how to read people's minds. She knew that mother ning wasn't an ordinary person. She chimed in, "that's right, Auntie. We're celebrating our birthday happily. It's not good for you to be angry.

"I'm not angry."

Mother ning raised her chin, the smile on her face gone.

"I'm just teaching the younger generation how to behave."

"....."

Ning Qing saw this, but she pursed her lips and did not interrupt.

Gu nanzhi still wanted to say something, but the silent man suddenly said-

"I'm sorry."

Nian Yu stood up very slowly, one hand holding the corner of the table steadily. His expression was calm. Auntie, I was slow. Please don't be angry.

alright, " Mrs ning said with a satisfied smile.

She stared at Nian lie and thought for a while. what a pity, Mr. Nian. What should I thank you for? "

Nian lie's expression changed.

The heart-wrenching words did not let him off.

should I thank you for abandoning Qingqing three years ago, or should I thank you for forcing her into a dead end and almost losing her life? or should I thank you for not knowing your place and clinging to her? "

[Chapter 468](#)

468 The dismemberment of Nian lie (3)_1

Everyone's expression changed.

Nian lie was the most terrifying.

There was no expression on his well-defined face, but it seemed to contain all emotions. The light shone on his face, and his face was so pale that it was almost transparent, and the blue blood vessels under his skin were visible to the naked eye.

His dark eyes swept over everyone and the surrounding scene.

The dishes on the table were fragrant and exquisite.

Everyone's expression contained a strong sense of ridicule, pity, or disgust.

His vision turned black and he could no longer see clearly.

Mother ning raised her voice, not hiding her disgust for him at all.

"In the name of the crown, you almost destroyed our ning family, and my eldest daughter's photo is still in the living room! I would like to ask you, what face do you have to stand here?"

"....."

Nian lie's heart had been pierced through, and the feeling of emptiness was numbing and terrifying.

He had never thought that this feast, which was full of joy and touching moments for everyone, would be an execution ground for him to list all his past crimes.

At a certain moment, he didn't even have the strength to say sorry.

"Mother," ning Qing called out in a suppressed voice.

"Enough!"

Father ning slammed the table and glared at mother ning. all the children are watching. What are you trying to do? "

"....."

Father ning seemed to be worried about something and his face was very serious.

it's not easy for Qingqing to come back and celebrate her birthday with us. Do you have to make everyone unhappy? "

Mother ning's eyes were glistening with tears. She stubbornly turned her face to the side and wiped her tears away.

When he turned around, he was already smiling.

"You're right, I shouldn't be angry."

She said to Yan Sichen and Gu nanzhi,"I'm sorry for making a fool out of myself." &Nbsp;

"....."

The two of them could not make any expressions and just mechanically replied with a smile.

Mrs ning raised her wine glass and smiled with tears in her eyes. come, let's continue to celebrate!

It was the same as when she started the public execution.

It started suddenly and ended suddenly.

The atmosphere at the dinner table dropped to a freezing point.

Ning Qing ignored the person in her peripheral vision and raised her glass.

Then, Yan Sichen and Gu nanzhi also raised their hands.

Father ning couldn't bring himself to do it. It was only after ning Qing gave him a few looks that he managed to clink his glass.

They were clearly sitting at the same table, but everyone had forgotten about Nian lie.

His hand that was holding the wine glass stiffened, and he slowly put it down.

After that, mother ning didn't make things difficult for him. She treated Nian lie like he was invisible.

After dinner, it was time to make a wish to eat cake.

Under Gu nanzhi's efforts, the atmosphere improved a little.

Si Chen specially prepared this for you. See if you like it. Ning Qing's mother said this without her previous aggression.

Ning Qing smiled and thanked Yan Sichen. Gu nanzhi enthusiastically lit up the candles and put on the birthday crown for her. make a wish, little birthday girl.

Ning Qing was surrounded by them, listening to them sing the birthday song. She clasped her hands together, closed her eyes, and made a wish.

Gu nanzhi applauded. Happy Birthday, you'll always be beautiful!

"Qingqing, Happy Birthday."

"Happy Birthday."

Nian lie was standing quite a distance away from them, so the light from the candles couldn't reach him.

In the darkness, he said in his heart, "ah ning, Happy Birthday."

Ning Qing cut the cake and distributed it to everyone. In the end, only she and Nian lie were left.

She hesitated for a moment, but still cut a piece and gave it to him personally.

He looked up and met her eyes.

Ning Qing pursed her lips. here you go.

"Thank you," he said. Nian lie laughed, and the lifeless man came back to life.

She didn't say anything more and returned to the center of the crowd.

469 Who would want you in the future if you look like that:

When it was almost ten o'clock, they were almost done packing and were ready to leave.

Qingqing! Mrs. Ning called out from the kitchen, " go and see Si Chen and Xiao Gu off.

Ning Qing had no choice but to change her shoes. Yan Sichen refused. no need. It's cold outside. You should stay at home.

Ning Qing glanced at the kitchen. if I don't do what she wants, she'll be unhappy later. Just take it as going out for some fresh air.

Thus, the group of them went downstairs.

The neighborhood was dark and there were not many people.

Gu nanzhi sighed, then sighed again.

Ning Qing looked at him. what are you doing? ”

Gu nanzhi glanced sideways. I’m leaving now. Of course, I can’t bear to leave you.

Ning Qing didn’t believe him.

Gu nanzhi walked around Yan Sichen and glanced at Nian lie, who was behind him. She put one hand on ning Qing’s shoulder and pushed her to the side. come here for a moment. I have something to tell you.

Ning Qing was forced to walk to the garden. Seeing that Yan Sichen and Nian lie were both waiting for them, she didn’t know what he was up to.

“What are you doing now?”

Gu nanzhi pinched the tip of her nose. you’re so fierce and not cute at all.

Ning Qing put on a fake smile, and Gu nanzhi had goosebumps all over her body. don’t look at me like that. You’re just like your mother. It’s scary.

so, young master Gu is a two-faced person. I thought you liked my mother. Ning Qing said resentfully.

Gu nanzhi felt a little awkward. I didn’t mean it that way, Yingluo.

Anyone would be afraid of her mother’s behavior at the dinner table today.

Ning Qing had also thought of it. I’m sorry, my mother is not usually like this. She just loses control of her emotions when she sees Hanhan.

The two of them knew who this person was.

“Jie, your mother hates him so much, but I don’t see you staying away from him.” Gu nanzhi mumbled softly.

“What did you just say?”

“It’s nothing,”

Gu nanzhi smiled cheekily and remembered something.

by the way, I went into your room just now. I put your birthday present inside.

Ning Qing was surprised. She looked at his smiling face, his golden hair fluttering in the wind, and his gentle eyes. She couldn’t tell what he was feeling.

Gu nanzhi, thank you. she said.

The man’s eyes flickered and he patted her shoulder. don’t be too touched. I’ll give gifts to every single person on my family’s birthday. It’s not like I’m only giving them to you.

Ning Qing, ”Zhenzhen.”

She should not have been touched.

Gu nanzhi continued. look at how skinny you are. You have to take good care of yourself in the future. Who would want you if you were ugly? ”

If she were to ignore the last sentence, ning Qing would really think that he was saying his last words.

She slapped his hand away. it's up to you to decide how to take care of yourself. If you didn't cause trouble by my side, I could have lived for a few more decades.

“.....”

Strangely, the man did not reply.

Ning Qing stared at him strangely. His lowered eyes were flowing with blue waves, as tender as water. If one looked closely, there was a trace of sadness in them.

Her heart tightened for some reason.

if you hate me so much, ” Gu nanzhi suddenly said, ” throw away the gift I gave you when you get back.

Ning Qing sharply sensed that something was wrong with him. The next second, the man smiled. I'm giving you a rare treasure. It'll be your loss if you lose it!

“Who wants it?”

Gu nanzhi paused. that's true. You're so heartless. I shouldn't be worried about you.

Ning Qing rolled her eyes at him. She didn't want to continue such a meaningless conversation with him.

He watched her leave and walk towards the two men, and then he smiled.

It was a worried and sad smile.

If she could continue to be so 'heartless', he would not have come here in vain.

470 He could throw away his life, but he couldn't abandon her (1:

“Brother Sichen, please send him back to the hotel.” Ning Qing asked Yan Sichen, who nodded.

Gu nanzhi had no objections. She only said, ” you don't have to worry about me, ” before getting into the car.

Nian lie was the only one left.

Ning Qing didn't say much. you can go.

She wanted to enter, but Nian lie leaned forward to block her.

“Qing Qing!”

: The person who came to pick you up has been waiting for a long time: “Ning Qing had no choice but to face him:

She had already noticed the car around the corner.

It was the car that his men often drove.

Nian lie was hurt by her rejection. He smiled bitterly. you don't want to see me that much? "

"You messed up my birthday like this. Should I want to see you?"

Nian lie felt a sharp pain in his heart. I'm sorry.

Ning Qing shook her head, her bright eyes half-closed.

I've told you before, I don't need your apology, because it's meaningless.

The man's smile became even more bitter. I know you hate me.

"....."

Ning Qing's silence was the best confirmation.

Nian lie said, "I just want you to be happy, Yingluo."

"I can't be happy with you around."

The shadows of the street lamps were dim yellow. Some flying insects circled the lights, while others pounced on them like moths to a flame, all in pursuit of the light and heat.

At that moment, Nian lie felt as if he was a flying moth.

He could give up his life.

But he could not abandon her.

After suppressing the pain with all his might, Nian lie said in a hoarse voice, " I didn't mean to disturb your family. Please go back and comfort your mother. Tell her that I didn't do it on purpose. I hope she won't be angry.

The man's words were an unprecedented humble plea.

Ning Qing did not know why, but her chest felt tight.

she's my mother, " she said coldly. I naturally know how to comfort her. It's none of your business.

"Hello, Yueyue."

Nian lie's heart ached so much that he couldn't stand still. He felt dizzy for a few seconds before he managed to steady himself.

Slowly, she took out the black velvet box from her pocket.

"You must accept this gift, or I won't leave tonight!": He said hurriedly when he saw that ning Qing was about to refuse:

Ning Qing raised her eyes and looked at him coldly.

After a while, she laughed sarcastically, as if to say, "you really only know how to threaten people."

Nian lie's face was frighteningly pale, and his eyes were empty.

"Alright," he said.

"You can go now: : Ning Qing took it and held it in her hand:

After saying that, she turned around and entered the neighborhood without waiting for him to leave.

The man stood by the street lamp for a long time.

Lu Zhui drove his car over. He was so anxious that he had lost his temper. young master, it's time to go back to the hospital.

For a long time, Nian lie only stared at the empty neighborhood without moving.

Lu Zhui couldn't help but raise his voice, "young master, when are you going to stop being such a b * stard!" Do you still not understand? No matter what you do, she won't turn back to look at you!"

After shouting these words, Lu Zhui's eyes became wet.

He had never thought that this man in front of him, who was so capable, decisive, and heartless, would one day be so pitiful and lowly!

The road at night was so quiet that it was as if no one was there.

"Lu Zhui, you're not being cheap," Nian lie said in a hoarse voice.

Lu Zhui raised his head and looked at him.

"I deserve it." His weak body shook and his bloodless lips moved.

Lu Zhui clenched his fists and shouted, "even if you let her down in the past, aren't these few times enough?" How many times have you died for her!"

Under the shadow of the lamp, his expression was pale and weak.

He was not afraid of losing his life.

He was afraid that even if he used his life to exchange for it, he would not be able to get back even a little bit of her love.

The man's Black eyes were half-closed, and his heart ached. He could not hold on any longer and fell down.

"Young master!" Lu Zhui shouted.
