

Mr Nian 471

[Chapter 471](#)

471 Ring (1:

In front of the window, ning Qing watched as Lu Zhui frantically caught Nian lie and stuffed him into the carriage.

The car drove away quickly.

She held the black box in her hand, and the bracelet on her wrist gave off a cold luster.

Ning Qing touched the smooth texture, and her grandfather's words in the valley and her father's words flashed through her mind.

She suddenly felt a little cold.

He reached out to close the window and draw the curtains.

He lowered his gaze to the black velvet box.

Then, he opened it.

Inside, a silver ring came into view.

Ning Qing laughed.

She couldn't be more familiar with this ring.

She picked up the ring and threw the box on the ground. She turned the inner circle and saw the letter "N" clearly.

The complicated patterns on the surface of the ring were stunning and beautiful. It was a kind of beauty that was so mysterious that it was unforgettable!

Tears welled up in ning Qing's eyes. She stared at the ring and put it on her ring finger as if she was possessed by a ghost or God ...

She snorted and laughed even more happily.

Her tears didn't stop either.

It was just right.

It turned out that there were so many coincidences in this world.

She looked exactly the same as ning su, and even the ring could be worn on their ring fingers.

Was it funny?

This was too laughable!

"....."

Ning Qing pulled off the ring with all her might and clenched it tightly in her palm until it bled.

The pain in her palm was nothing compared to the hatred and sorrow in her heart.

So, she threw the thing in her hand to the ground.

The hard object hit the floor, bounced a few times, and then rolled to a corner.

“Nian lie, Nian lie.”

She gritted her teeth and mumbled, as if she was mumbling about an enemy who had a deep-sea feud with her!

“Why did you still humiliate me like this? why did you still hurt me like this?”

She had heard her father’s words and knew what he and her mother hoped for.

She didn’t have the heart to destroy it, and she had already given up on the idea of revenge.

However, he refused to let her go!

Ning Qing laughed without restraint, her hatred burning.

Since you’re not willing to let me go, then let’s continue to torture each other!

The night that was supposed to be peaceful became the place where hatred reignited.

After a moment of silence.

The woman walked to a corner and picked up the ring.

He put on his ring finger.

There was no moonlight outside the window, and it was pitch black.

Ning Qing’s eyes were determined and expressionless.

.....

The next day, nine O’clock.

Ning Qing walked out of the room slowly. She had not slept well the night before, so her head hurt a little.

Mother ning had just returned from grocery shopping. Seeing that she had woken up, she reminded her. I’ve left some breakfast for you in the kitchen. There’s also milk. Hurry up and go.

She was no longer as hysterical as she was last night.

Ning Qing nodded and went into the kitchen to bring out breakfast.

“Qingqing, it was my fault last night,” mother ning said as she was tidying up the groceries.

Ning Qing was stunned. She didn’t really care about what had happened at the dinner table last night.

Mrs ning felt guilty. I was too emotional last night. It was your birthday, but I made you so unhappy, Hanhan.

Ning Qing put down her chopsticks and walked behind her to hug her. no, mother. I don't mind.

Mother ning's eyes were wet.

"In my opinion, as long as our family is together, I'm happy every day."

Mother ning was touched and nodded. okay, go and eat. Don't go hungry.

Ning Qing returned to the table and quickly finished her breakfast.

She sat on the sofa and touched her slightly bulging belly. Mother ning came out with a gift bag. Oh, this is Si Chen's gift to you. I forgot to tell you yesterday.

Ning Qing took it, and her mother smiled as she told her to open it. She did as she was told.

He removed the packaging and opened the box. There was a light blue crystal bracelet inside.

The crystals were diamond-shaped, crystal clear, and eye-catching.

Oh, you're so beautiful. Si Chen, you've really put in a lot of effort. Mother ning said as she looked into the bag. there's still a card. Quick, take a look!

[Chapter 472](#)

472 I'm willing to be your Knight, take the lead and cut through thistles and thorns (1:

Ning Qing sighed and opened the card.

"Qing Qing, I'm very happy to be able to witness another year of your growth. It's my fortune to know you.

Perhaps you weren't born for me, but I'm fortunate enough to be by your side.

Qingqing, Happy Birthday."

Ning Qing's mother felt goosebumps all over her body.

"Tsk tsk, look, if this isn't a confession, what is it?"

Ning Qing had gotten used to her mother's nagging these past two days. She quickly packed up her things, got up, and went into her room.

She remembered something. Gu nanzhi had told her that the gift he had given her was in her room.

Ning Qing looked around and found a box and a letter in the drawer of the desk.

She didn't think much of it and opened the envelope first.

On the White letter, the man's handwriting was just like him, scribbled and flamboyant, not too good-looking.

"Ning, Happy Birthday.

I don't know if you're still angry with me when you read this letter. Perhaps you're so angry that you don't even want to see the gift I've prepared for you. But it's okay, it's your loss that you didn't see it in advance."

He still had that arrogant look on his face. Ning Qing was in a good mood, but the next sentence made her expression change immediately.

I'm leaving. You're right. When I said leave, I meant to go back to America.

"....."

"When you see this, did you suddenly realize that you can't bear to part with me, and then you became sad? Haha, but I'm not joking with you this time. I'm really preparing to go back.

To be honest, I've been very happy since I came to Ying city. Although you always despise me, I know that it's all because of your love for me, haha.

During this time, I've been thinking about a lot of things about the people around me. I think that in some matters, I'm not as good as you, Yingluo. I think I should learn from you and be more responsible. I should face things bravely and not just avoid them.

So, I've decided to go back and settle everything.

Perhaps not everything would go as he wished, but at least he was brave once, and it was not a loss.

As for you, just stay with mom and dad. When I have the chance, I'll come to see you again.

I hope that the next time I come to see you, I'll be clean. I also hope that you'll just forget about it. There's no good Hope. I hope that you get what you want.

If there's still time, you don't have to send me off. I don't like to part, you know that."

Only the writer would know what was omitted after the ellipsis.

The signature "Tiny" was written smoothly and beautifully.

Ning Qing's mind was filled with the news that he was leaving, and she was so touched that she didn't even have time to spread it.

Caught off guard, the box in her hand fell to the ground.

A crystal fell out.

Ning Qing squatted down to pick it up.

It was a keychain, and the pendant was rose gold in color. It was four to five centimeters long, like a cross used to ward off evil, but also like a sword worn by European Knights in the early days. The body of the sword was inlaid with shiny diamonds, reflecting a dazzling brilliance.

She suddenly remembered that the design of this finished product had once appeared on Gu nanzhi's computer desktop.

He once said, "my designs symbolize men. No matter what, they must be brave and hit the target in one strike!"

At that time, she had even asked her jokingly, "what if you don't succeed?"

"Then I can only take a step back and be someone else's defeated opponent." He pursed his lips.

Ning Qing clutched the pendant tightly, her heart stifled and uncomfortable.

What did he mean by that?

Ning Qing turned around and saw a note in the box.

She hurriedly opened it-

I'm willing to be your Knight, to protect you, to cut through all obstacles for you, to lead the soldiers, and to seek a lifetime of happiness for you.

[Chapter 473](#)

473 You wait for me: 1:

Ning Qing covered her mouth, tears welling up in her eyes.

Gu nanzhi had read this poem to her before.

The poem's name was "the Knight", and it was about a man who silently protected his beloved woman and found her true love.

The second half of the poem was:

"If you're happy, I'm willing to stay behind the scenes and leave the battlefield.

If one day, you fall into a difficult situation again, I'm still willing to pick up my sword, ride a horse, and fight for you again."

Tears gushed out of her eyes.

Ning Qing gripped the pendant tightly. Gu nanzhi, you fool!

How could he be so stupid?

He clearly knew that no one else could live in her heart, yet he was still willing to give her this love?

She didn't know what kind of feeling it was that broke through her tear glands.

Ning Qing suddenly stood up and rushed out. She found her phone and rushed out of the house, not even caring about mother ning's cries.

She dialed Gu nanzhi's phone as she ran. The phone rang twice, and the man's melodious voice came through.

"Where are you?" ning Qing asked, her breathing uneven.

Gu nanzhi said leisurely, " what's wrong, baby? we haven't seen each other for only one day and you're already missing me? "

"Where are you!"

This time, he could tell that there was something wrong with her. He stopped teasing her and asked, " what's wrong with you? what happened? "

I'm asking you a question! ning Qing shouted for the third time. answer me!

Before he could respond, a female voice came through the phone.

passengers heading to the United States, Please note that the flight mg2639 you are on will take off in 15 minutes, "

Ning Qing's eyes widened. you're at the airport now? "

After a moment of silence, Gu nanzhi finally hummed in agreement.

He looked at the people around him and pretended to be relaxed. I didn't expect you to see my letter so soon. Why don't you play your cards according to common sense? "

Ning Qing gritted her teeth and looked at the passing cars on both sides without saying a word.

"You don't have to send me off," Gu nanzhi said.

Ning Qing was annoyed. when did I say I was going to send you off? "

Gu nanzhi's lips twitched. it's best that you don't come. I don't want you to watch me leave, in case you can't bear to part with Hanhan.

"Gu nanzhi."

He pursed his lips, his expression a little complicated. what? "

"Wait for me,"

"....."

I'll be right there. Give me a few minutes, I have something to tell you!

A car stopped in front of her. She didn't have time to talk. She hung up the phone and opened the door.

"Please go to the airport." She raised her head and saw Lu Zhui's face.

The other party was expressionless. young Madam, I have something to discuss with you.

"What's the matter?: ning Qing asked impatiently.

young master is in the hospital. He's not in good condition. Please go and have a look.

When he said this, he was obviously much colder than usual.

However, ning Qing was too busy thinking about the time and did not notice his abnormality.

"I'm in a hurry, I'm not free!" She said.

After she finished speaking, she pushed the door open and got out of the car. She happened to hail a taxi and soon disappeared without a trace.

Lu Zhui was both angry and helpless. He returned the call. I'm sorry, young master. I didn't manage to stop you.

There was silence on the other end of the line for a while before she said, "come back." She hung up.

In the airport, Gu nanzhi was dressed in casual clothes and stared at her phone for a long time.

Someone beside him stepped forward. young master, we should leave.

Gu nanzhi glanced at him, not knowing if she should be happy or angry. wait a little longer.

"But master instructed Zhenzhen."

Gu nanzhi glanced at him from the corner of her eyes and said coldly, "I've already promised to go back. I will definitely go back. If you can't wait these few minutes, you can leave first. I'm not forcing you.

After saying that, he walked to the rest seat at the side and crossed his legs. No one could do anything to him with that unruly posture.

[Chapter 474](#)

474 I am such a good man (1:

Ning Qing hurried to the airport and arrived 20 minutes later.

The weather was bad today, and it started drizzling on the road.

She ran into the hall against the rain and called Gu nanzhi while looking for her.

No one picked up.

She rushed to the service desk, panting. Hello, I want to ask Yingluo.

He was patted on the shoulder.

Ning Qing turned around and saw a man with blonde hair and blue eyes. There was a suitcase by his feet.

Gu nanzhi looked at her outfit and noticed the moisture on her head. She teased her. it seems like you're really afraid that I'll leave. You came in such a hurry.

He didn't even change his clothes.

Ning Qing was initially full of words, but when she saw him in person, she suddenly became speechless.

The man pulled her to the rest area to sit down and took off his coat for her. when did you become so rash? why don't you take a look at your body? what if you catch a cold later, Wanwan? "

He had just put the clothes on her shoulders when ning Qing grabbed his arm.

“Why didn’t you tell me you were leaving?” she asked.

Gu nanzhi lowered her head and looked at her face. Didn’t I tell you? ”

“Are you saying?”

Ning Qing was a little angry.

If she had not seen the letter in time, she would not have been able to send it to him in time!

Gu nanzhi saw her reaction. “I’ve made it clear in the letter that I’m afraid you won’t be able to bear to part with me,” she said half-jokingly after a pause.

“Why are you leaving so suddenly?” ning Qing asked.

His smiling eyes wavered.

Ning Qing looked around, observing everyone’s movements.

“Did the Gu family send someone to look for you?”

With him running away from the wedding as an example, she did not think that Gu nanzhi would take the initiative to go back.

Moreover, she also felt that Gu nanzhi did not seem to like the Gu family and was unwilling to go back.

“I wanted to go back on my own.”

That one sentence put an end to all of ning Qing’s conjectures.

Gu nanzhi propped her upper body up and took a step back, putting some distance between them.

Ning Qing pursed her lips. Gu nanzhi, if you’re forced to, just blink.

The man was amused by her. what are you thinking about? if I don’t want to be caught by them, no one will be able to find me.

“.....”

“I just realized that my existence is not a good thing for you,” he said.

Ning Qing did not expect such an answer, and she was stunned.

Gu nanzhi stared at him. Her blue eyes were gentle, and she looked at everyone with tenderness.

“Qiao ‘er’s attack on you, whether or not Li Miao was incited by Li Miao, is related to me.”

When he thought of this, he felt a little upset.

if I didn’t appear by your side, you wouldn’t have suffered such inexplicable slander and harm, Yingluo.

it’s not your fault, tiny, ” ning Tingting interrupted, frowning.

The man shook his head repeatedly. NO, Ning, don’t you try to get me off the hook.

“.....”

“It’s because of my irresponsibility and escapism that such a thing happened to you.”

His facial features were deep and three-dimensional, and his brows were full of seriousness and self-blame, which could make people fall for him at first sight.

He looked at her firmly. I don’t want my feelings for you to become a burden and burden to you in the end.

Ning Qing’s brows were tightly knitted together. She had not expected that what had happened to her during this period of time would have such a great impact on Gu nanzhi.

Thinking of the words she had said to him and her usual attitude, ning Qing suddenly felt a little unbearable.

“Gu nanzhi, I’m sorry.”

She apologized for her ignorance.

The man smiled and touched her head. it’s not too late to apologize now. How about it? do you want to leave with me? ” Otherwise, if you miss out on such a good man like me, you won’t be able to find another one in the future!”

[Chapter 475](#)

475 Do you know why I like you (1)

This time, ning Qing could no longer smile at his teasing.

Gu nanzhi’s eyes softened and she smiled. Ning.

She raised her head. huh? ”

He was no longer frivolous, and his eyes were full of gentleness and affection. in the future, you have to treat yourself better.

“.....”

sometimes, girls don’t have to be so strong, especially in front of men. You should be gentle when you need to be. This will make people’s hearts ache.

Although, his heart ached more for the moment when she worked hard without saying a word.

Tears welled up in ning Qing’s eyes, and she nodded heavily. okay.

“When I’m not around, don’t let anyone bully you.”

“Alright,” he said.

if you’re too tired, you can stop and rest. You can come to America to find me. I’ll be waiting for you.

“.....”

Ning Qing looked at him.

“What’s with that look?” Gu nanzhi said in disdain.

Ning Qing shook her head and remained silent.

you're still working for HE. Don't tell me that you're going to resign and stay in the country after you've made it big and won't return? "

Ning Qing moved her lips. of course not. I'll be back.

Originally, she had planned to not stay in Ying city after she was done with her business.

"Then that's right."

Gu Nan sat down beside her in shock. She leaned closer to her face and narrowed her eyes. why, did you think I was talking about waiting? "

Ning Qing's heart skipped a beat, and her expression looked unnatural.

Gu nanzhi laughed. when I returned to America, there were only beautiful women with long legs. Look at your flat figure. Tsk tsk tsk tsk, I'll forget about you in less than two days. Who would remember you!

Seeing him like this, ning Qing did not feel relaxed. Instead, she felt even more depressed.

"It's good to forget," she said.

Very quickly, a trace of disappointment and gloominess flashed across the man's face before it disappeared.

"Of course, I won't like you forever."

Ning Qing did not reply.

The two of them fell silent.

The airport's broadcast was repeated over and over again.

Ning Qing said,"your plane is not creaky."

At the same time, Gu nanzhi said,"do you want to know about Yingluo?"

The two of them stopped at the same time.

Ning Qing gestured. you go first.

"Do you want to know why I like you?" Gu Nan asked with a smile.

The sudden confession of love made ning Qing's mind go blank.

"Why?" she asked.

Gu nanzhi did not answer. do you still remember the first time we met? " she asked.

Of course, ning Qing remembered.

She would never forget such a shocking scene.

Gu nanzhi recalled. at that time, I had just arrived at the underground parking lot. I was about to drive home. In the end, I kept feeling like something was following me.

Ning Qing looked at him in surprise.

but when I turned around, she was gone. I repeated it a few times. I was so scared that I rushed into the elevator. He shrugged his shoulders at ning Qing. then I met you.

what do you mean? is there really someone following you? ” ning Tingyi asked, sounding uncertain.

“I don’t know,”

This answer was a little scary.

“I’m afraid it’s not human,” Gu nanzhi said bluntly:

In other words, he thought the other party was a ghost.

Ning Qing felt that this was too unbelievable. She didn’t know whether to laugh or cry. Gu nanzhi, there are no ghosts in this world. she said.

She didn’t believe that a man like Gu nanzhi would be afraid of ghosts. Who knew that he would say to her in a serious tone?

“.....”

“I believe there is, because I’ve seen it when I was young.”

Ning Qing’s eyes widened.

He slowly retracted his teasing smile, and his entire face was no longer ostentatious. Instead, it gave people the illusion that it was unreal.

“She’s my mother.”

[Chapter 476](#)

476 You’ve gone through everything: but you’re still trying to live

Ning Qing was stunned.

A smile formed on his lips as his thoughts drifted back to a long time ago.

the rumors that I’m an illegitimate child of the Gu family are actually true.

“.....”

my mother was an ordinary person. She met my father by accident, fell in love with him, and got pregnant with me. At that time, she thought that she and my father would be together forever. But you should know that as a member of the Gu family, how could he abandon everything to stay by my mother’s side? ”

Gu nanzhi thought that she would calm down when she brought up the past.

However, every time he thought about it, the emotions in his heart would still be like a violent wave, surging and rolling.

He smiled bitterly. so he left, leaving my mother behind to return to the Gu family with me. He married a woman of equal social status.

Ning Qing had never thought that his past would be like this. She was so shocked that she could not control her expression. Zhenzhen, then the current Mrs. Gu, Zhenzhen.

Gu nanzhi's eyes turned cold and she hummed in agreement.

until I was five years old, that man never came to see us. We lived in a cheap rental house, and she did the toughest work to support me. What I saw the most were her smiling face in the day and her tears in the bed at night.

until one day, someone suddenly came to our house and beat me and my mother up.

after they left, my mother hugged me and broke down in tears. In the end, she couldn't bear all this and committed suicide by taking poison.

Ning Qing's heart suddenly fell into the sea, so deep that she couldn't breathe. Gu Nan, sob, sob.

The man lowered his head and suddenly smiled, sadness overflowing from the corners of his eyes.

I spent three days with my mother in that house. Later, the Gu family came and took me away. I saw that man again, and he was rumored to be a match for the woman of equal social status.

Ning Qing couldn't care about anything else. She reached out to hold the back of his hand, only to find that his hand was trembling slightly.

He continued to speak, as if he was mumbling to himself.

I've never understood what could force a person to die in order to escape. There was a time when I hated everyone, including my mother. I lived with the Gu family at that time, but I could see her everywhere in the Gu family!

Only then did ning Qing understand that it was not a ghost, but a shadow in the young man's heart.

she couldn't get rid of it. Wherever I went, she would follow. I was very scared at first, but she only disappeared after I grew up.

Ning Qing said,"that's why you're so afraid of ran ran."

She couldn't say the word.

It was too hurtful for him now.

Gu nanzhi smiled sadly. yes, I'm afraid of her and I hate her. But God likes to tease me so much.

Ning Qing was puzzled. He tilted his head and looked at her. you let me meet you.

She met you, who was so similar to her in her previous life.

The difference is that she gave birth to me, but your child died.

The difference was that you tried your best to live after everything, but she died.

“.....”

“So, Ning.”

He had regained his gentleness, even though his eyes were full of love and reluctance to part with her.

“Just continue living bravely like this.”

No matter how difficult the future was.

It didn't matter if he could go with her or not.

At the very least, she was doing well enough to comfort his dead mother.

The tears in ning Qing's eyes finally fell.

At this moment, the man stood up and adjusted his mood. alright, I should go.

His eyes turned red when he saw how sad she was.

He laughed and pulled her messy hair. alright, I'm going home. I'm not going to die. Don't cry.

Ning Qing quickly wiped her face clean and stood up.

The two of them looked at each other speechlessly.

Gu nanzhi smiled gently. go back.

After saying that, he turned around and walked inside.

“Gu nanzhi!” Ning Qing suddenly called out to him.

[Chapter 477](#)

477 Going to pick her up in the rain (1:

The man stopped in his tracks and did not turn back.

Her heart ached as she stared at his clean face. The sapphire by his ear was still shining.

It was just like him.

Her heart ached for everything he had. Her voice trembled, but she was extremely determined.

“She won't blame you. As long as you're living well, she'll love you forever!”

The man trembled.

“Gu nanzhi, don't blame yourself.”

Don't blame your mother's death on yourself. Your future should be glorious and surging.

“Gu nanzhi, you have to live better than anyone else!”

His nose was filled with sourness, but his heart felt warm.

He didn't say that when his mother took the poison, she had also poisoned him, but he didn't die.

He didn't say that his love for her wasn't that pure or deep.

He just wanted her to live well.

This love was only for her to be happy.

Even if this happiness did not belong to him.

Gu Nan laughed, tears falling.

He threw the suitcase aside, rushed back to her, and hugged her.

Warmth seeped into his chest.

"I know," he said.

Ning Qing was stunned. Before she could hug him back, he had already let go of her. He turned around, picked up the suitcase on the ground, and walked towards the boarding gate.

This time, he did not turn around.

There were a lot of people waiting for him there, and he was soon completely blocked.

Ning Qing stood there for a long time, until all of them had disappeared.

Her mind was empty as she slowly walked out of the hall.

The sky outside was frighteningly gloomy. The rain was pouring, and pedestrians were scurrying around.

"....."

Ning Qing's heart was filled with bitterness. She stared at the rain in a daze and reached out her hand.

With a loud boom, the plane took to the sky.

Her palm was cold as she smiled sensively.

If he was so brave, what did she have to escape from?

Thus, ning Qing took advantage of the rain and rushed to the side of the road to hail a taxi.

"Where are you going, miss?"

Ning Qing no longer hesitated, and her face was filled with determination.

"Master, let's go to the guard post."

.....

In the hospital, the man on the bed stared at the heavy rain outside the window.

The rain was too heavy, and the difference in temperature between indoors and outdoors was too great. A thin layer of mist appeared on the glass windows.

Half of Lu Zhui's body was wet as he entered the room and crashed into Nian Junting's dark eyes.

He moved his thin lips. where is she? "

Lu Zhui felt a little guilty. young Madam went to the airport to send young master Gu off.

Nian lie was so disappointed that he was numb to it. He couldn't show any other expression.

"Lu Zhui, bring me some clothes."

Lu Zhui was puzzled.

Nian lie looked out of the window again, his face sickly pale.

"She went out in such a hurry, and the rain was so heavy. She probably won't be able to get a taxi back."

Lu Zhui was shocked. young master, Qianqian.

When did his young master become so lowly?

However, he had forgotten that Nian lie had never stood a chance of winning against ning Qing.

He didn't care about Lu Zhui's shock, lifted the blanket, and got out of bed.

Lu Zhui quickly stopped him. young master, you haven't recovered yet. The doctor said that you need to rest in bed!

Nian lie ignored her. the rain is heavy, " he said: I'm going to pick her up.

"Young master!"

"Bring me some clothes."

Lu Zhui had no choice but to compromise,"alright, I'll go pick him up!" Don't move, I'll go get her!"

Nian Xi paused for a moment, then shook her head and let go of his hand.

Lu Zhui was defeated by his stubbornness.

She hurriedly called for someone to bring her clothes in and followed her out of the hospital.

A huge black umbrella covered his head, and the rumbling Thunder was sometimes heard.

The raindrops fell to the ground along the umbrella, splashing water and wetting his leather shoes and trousers.

And the rain fell on his face.

It was so cold.

As Nian lie walked in the rain, his heart was also raining.

She must be very sad that the man had left, right?

He was probably the only one who could feel the difference between her and that man.

“.....”

He stepped into the carriage and closed the door, blocking the wind and rain outside.

Nian lie let out a bitter laugh and touched his chest.

The coldness pierced his heart.

[Chapter 478](#)

478 Ghost Yingluo, you're: ghost!

Halfway through, Lu Zhui received a call.

Then, she hung up and looked at the man in the back seat with a complicated expression.

“What’s the matter?” Nian Yu asked with his eyes closed.

“Young Madam went somewhere!” Lu Zhui hesitated for a few seconds before saying.

“Let’s just go there directly.”

No matter where she was.

“Young Madam went to the guardhouse!”

“.....”

Nian lie slowly opened his eyes, his emotions in turmoil.

.....

Ying city’s Detention Center.

In the conference room, ning Qing sat there, her thoughts flying.

Not long after, a sound came from the door.

The prison guard brought in a person. Her hands and feet were shackled, her hair was cut short, and she looked withered. She was placed on a chair on the other side of the table.

Ning Qing stared at the person who had his head lowered, shocked beyond words.

Other than the size of the skeleton, how could one tell that it was a woman?

She tried to cross these three years. Bai Qingqing? ”

The woman slowly raised her head. Her lifeless eyes were embedded in her face, which was so thin that it was only skin and bones. It was especially terrifying.

Her voice sounded like it had been burned by fire. are you calling me? ”

Ning Qing trembled. She could not recognize her at all.

my name isn’t bai Qingqing: ” the woman suddenly said: I’m Bai ting.

Ning Qing really couldn't believe that this woman who didn't look normal was the Bai Qingqing from three years ago.

the criminal has tried to feign illness to escape many times since she was imprisoned. After we saw through her, she started to act crazy again. She tortured herself and broke her own leg. Half a year ago, she really started to lose her mind and has the intention to attack people. Visitors must be careful not to anger her.

The words he heard before he came in lingered in his ears.

"Why were you locked up here?" ning Qing asked her calmly.

The woman couldn't understand what he was saying and shook her head. I'm Bai ting. Who's Bai Qingqing? I don't know."

"Why did you become like this?"

Bai Qingqing is Bai Qingqing, and I'm me. We're two people.

"What happened three years ago?"

Lulalala, lulalala ~"

The woman talked to herself and even started singing.

Ning Qing took a deep breath. She was afraid that she had made a wasted trip.

She was not in her right mind, what could she ask?

Even if she said it, her words might not be trusted.

Ning Qing felt defeated and gave up the idea of trying.

She got up and walked to the door. The woman suddenly screamed, which gave her a shock.

Ning Qing turned around and saw Bai Qingqing looking at her in horror. ghost Qingqing, you're a ghost! You've come to find me again! Ah-"

An idea flashed in ning Qing's mind and she turned back. you remember me.

"....."

Bai Qingqing, you remember who I am, right? "

The woman kept shaking her head. She wanted to avoid him, but she couldn't. go away, don't touch me!

Ning Qing raised her hands. okay, I won't touch you.

She slowly walked back to her seat and looked at the woman who was no longer screaming. She restrained her emotions and said, " don't be agitated. I just want to talk to you.

Bai Qingqing avoided her gaze and only turned around after a long time, her eyes filled with fear towards her. you're not a ghost? "

Ning Qing heaved a sigh of relief when she saw her like this. no, I'm still alive.

“Zhenzhen, are you ning su or ning Qing?”

“It’s ning Qing,” ning Qing replied, not knowing what she meant.

Bai Qingqing slowly put down her hands and sized her up, still in a state of shock, as if she was trying to confirm something.

“Do you think I’m ning su?” ning Qing suddenly asked, recalling the past.

Bai Qingqing was shocked, and her frightening eyes widened. how is that possible? She’s long dead!”

Ning Qing frowned.

she told me that the woman died two years ago. You can’t be her, Yingluo. It’s impossible!

[Chapter 479](#)

479 Ning Qing, you’re not worthy

Two years ago?

Ning Qing suddenly realized that her thoughts were still stuck in three years ago.

The woman suddenly went crazy again. You should be dead too. Why are you still alive?”

Ning Qing was stunned and could not react.

Bai Qingqing pointed at her, her expression gradually contorting. didn’t you jump off the bridge? Haha, you should have died long ago. If you were dead, I would be Mrs. Nian, and I would be able to do whatever I want, no longer being threatened by anyone!”

Ning Qing caught her last sentence. who’s threatening you? ”

“It’s her, it’s her!”

As she said this, Bai Qingqing laughed and cried at the same time, covering her face.

“She said she would save me, so why am I still here?”

She looked at her own hand and everything around her. Her cloudy eyes fell on ning Qing’s face, and she became crazy and fierce.

“It’s all your fault, it’s all your fault!”

“.....”

“Why are you still alive? Everything I’ve done is for you to die and for you to leave him! Why?”

The woman shouted fiercely, her nails scratching her face.

Ning Qing did not show any fear at the way she looked. When she recalled the past, the pain and despair were still vivid in her mind.

She gritted her teeth and questioned the crazy woman, “blame me?” What right do you have to blame me? I don’t know anything, and I became his wife for no reason, and I’m also hated and humiliated by all

of you. You've forced me to breathless step by step, wondering what I've done, wondering what I've done to make you all try so hard to kill me!"

you must die! Bai Qingqing shouted. you must die!

Ning Qing laughed sarcastically, tears welling up in her eyes.

What a pity, Bai Qingqing. I didn't die.

She stood up, put her hands on the table, and lowered her upper body. Her expression was so cold that it made people shiver.

not only did I not die, I'm still alive and standing by his side again.

Bai Qingqing's pupils constricted, and her entire body trembled. b * tch, you lied to me!

you've already become like this. Why Would I Lie to You? " ning Qing straightened up. Her eyes were filled with pity. She spoke as if she was doing charity.

Bai Qingqing trembled violently, her features turning increasingly ferocious.

Ning Qing paced back and forth. you probably don't know what's going on outside. Let me tell you.

"....."

it's true that I've disappeared for three years, but I've returned with my new identity. Ning Qing paused slowly. when the man you've been thinking about saw me come back, he immediately rushed to my side. He couldn't wait to leave me for a moment so that I could have sex with him.

Upon hearing such words, Bai Qingqing felt her blood boil, and the pain was overwhelming.

"You shut up!"

Ning Qing ignored him. my parents are good. I'm working at Nian Corporation now. I'm very happy.

She looked at Bai Qingqing, who looked like a female ghost, and said the most heart-wrenching words with a Twitch of her lips.

Bai Qingqing, you're the only one who's forgotten by everyone. No one will care about your life or death.

"Ah ... Shut up!"

The woman's head hurt, and she cursed and swore.

Ning Qing stared at her and coldly gave her the final blow.

"Back then, you looked down on me and used his love for you to frame me and humiliate me. Now, the tables have turned. I'm the only one who has come to see you today."

Back then, her attitude as a Victor was as high as the burning of her heart at this moment!

Bai Qingqing's defenses were completely broken, and she was so crazy that she twisted into a ball, struggling and fiddling with her non-stop, wishing she could rush over and strangle her!

you don't deserve it, ning Qing. His love only belongs to me!

he locked me up and tortured me for you. He snatched his parents' rights for you. But all of this is against human ethics. He will get his retribution!

“.....”

[Chapter 480](#)

480 But he just loves you so much _1

Ning Qing narrowed her eyes slightly. what did you say? ”

Bai Qingqing laughed maniacally, without a trace of rationality to speak of.

“You don't know, right? the wedding wasn't even completed that day! He lied to me and his parents and exposed everything about me at the wedding, including my child. Hahaha!”

Ning Qing looked at her in disbelief.

I've been spurned by tens of thousands of people and insulted by all the guests. Even my child was not spared!

“.....”

“He knows everything. Yingluo knows that I approached him with a purpose. He accepted me and used me as a shield to protect you!”

“Impossible!” Ning Qing denied it through gritted teeth.

I also think it's impossible. Such a heartless man should be a Playboy. Why would he stick to his feelings for a woman who's nothing? ”

Sadness and despair appeared in Bai Qingqing's eyes, but in the next second, they turned into overwhelming jealousy and hatred.

“But he loves you so much! Even the divorce was because his father wanted to lay a hand on you. In order to ensure your safety, he had no choice but to do that, Yingluo.”

Ning Qing's hands, which were by her sides, were trembling. This had overturned everything she had imagined!

“You're lying to me. This is impossible!” She said.

Ning Qing tried to calm herself down and find a fulcrum from the clues in the past.

She suddenly thought of something and said, “he gave you the heart of eternity back then. That was clearly because he really wanted to marry you. He fought with me for you. He didn't even believe me, Zhenzhen.”

“A ring?”

Bai Qingqing laughed, thinking that ning Qing was extremely preposterous.

“That ring was given to me by someone else,”

The light in Ning Qing’s eyes dispersed.

The corners of Bai Qingqing’s lips curled up. I already knew that you were with him that day, and he knew about it too. He was afraid that I would expose his true feelings, so he pretended to be cold to you. As for me, Qingqing ...

Her smile became even more strange, and the light in her eyes flickered.

“Of course it’s to stop you two from being together,”

Ning Qing didn’t understand. She looked at her fixedly. why? ”

She definitely didn’t love Nian lie, so why was she doing this?

Bai Qingqing lowered her head and looked at her hands, which were covered in scars.

“Yeah, why, Yingluo?”

Why did she have to do this for the woman who had abandoned her?

It was probably for the last bit of peace of mind.

Bai Qingqing raised her eyes. because you’re not worthy.

“.....”

“You’re a selfish woman who only cares about yourself. You don’t deserve his love at all!”

Ning Qing could not accept such a ridiculous reason and looked at her with red eyes.

“I didn’t want him to love me.”

“What about three years ago? Don’t you want him to love you?”

The conference room fell silent.

The suffocation spread endlessly.

The only window allowed them to hear the sounds outside. The rain was so heavy that it covered everything.

“He put in all his effort for you, endured humiliation for you, went against his parents” wishes for you, and even locked them up in the old estate, afraid that they would attack you again!”

“He’s done so much for you, but you can’t even wait for a day. You just have to die, Wuwu”

Bai Qingqing’s voice was hoarse and sounded particularly horrifying.

“Why didn’t you die? If you die, everyone will be free.”

Ning Qing was cold from head to toe, numb and unable to speak.

Bai Qingqing gazed at her with those lifeless eyes, a mysterious smile hanging on her lips.

“From the looks of it, you haven’t reconciled with him, have you?”

“.....”

“After hearing this, do you really want to rush into his arms, apologize to him, and make up again?”

Ning Qing’s pale lips were open, and her throat seemed to be hoarse.

Bai Qingqing’s expression changed. let me tell you, don’t even think about it!

“.....”

“I curse you. Unless you die, the two of you will never be together! In this life, I want one of you to live in guilt and pain forever!”
