[Chapter 481](#)

481 The flower language of the thorned flower (1:

The rain didn't stop.

The atmosphere in the car was so strange that it was suffocating.

Lu Zhui couldn't bear the man's silence. He turned around and asked, " young master, are you sure you want to go back to yunhuang No. 1 now? "

In the back seat, Nian Xi, who was lost in her thoughts, turned her head and coughed a few times, then said, "okay."

Lu Zhui said, "what about the detention center?"

"Let her be,"

"Don't let Bai Qingqing hurt her: " Nian Xi added after: pause:

"....."

Lu Zhui couldn't understand why his young master suddenly gave up on such a good opportunity.

Half an hour ago, they had rushed to the airport and there was no one there.

They turned around and went to the guard post, but Nian lie refused to go in.

After waiting outside for a few minutes, he ordered his men to turn back to Yunyan No. 1.

Lu Zhui couldn't understand what he was thinking!

Nian lie looked out of the window quietly. The raindrops fell, forming clear lines on the window. They gathered at the edge, forming drops of water that fell and then disappeared.

He suddenly thought of her from a few years ago.

Clean, lively, cute, and quick-witted.

Not a speck of dust.

He was the one who had once dirtied her.

And now, it was him again, disturbing her peace.

Nian lie picked up his phone and pulled out a photo from a secret photo album.

The young girl was wearing a white dress and had long hair. Her smile was sweet and pure, so pure that no one could bear to profane her.

"....."

His fingertips gently touched her face, and tenderness seeped out from his dark eyes.

After a long while, he was interrupted by the honking of a car horn outside the window.

In a daze, Nian lie recalled her appearance in the changing room that day. Her eyes were delicate but cold, unlike the girl in the photo.

His heart ached a little.

“Do you know what the thorned flower represents?” he asked Lu Zhui.

Lu Zhui was stunned by the question and shook his head in a daze.

Nian lie didn't say anything. He immediately took out his phone. I'll check it out right away!

He didn't know what was going on, but he still opened the browser and searched for the flower language of thorned flower.

Then, Lu Zhui was stunned.

Nian lie's dark eyes were indifferent. what is it? ”

Lu Zhui read it out loud. it says that the thorned flower is a flower with a backbone. It is charming and has thorns. It represents an unruly and strong soul. It is often used to express restraint, poignant beauty, and the torture of fate.

That last sentence pierced Nian lie's heart.

Lu Zhui looked at his pale face worriedly. young master, are you alright? ”

Nian lie's eyes flickered, and he tightened his grip on his thigh.

“I'm fine.”

Lu Zhui was confused. He didn't know why he was so concerned about this.

Only Nian lie himself knew that while the beautiful flower was imprinted on that woman's body, it was carved into his bones.

Mocking the torture of fate

Bitterness and heartache accumulated in his eyes, and he closed his eyes in exhaustion.

Not long after, the car stopped outside yunhuang Building No. 1.

The retro-carved gate opened, and the car drove in.

Lu Zhui got out of the car first and walked over to Nian lie. He held an umbrella over his head.

He tried to persuade him. young master, we won't go to the hospital, but you have to listen to the doctor. You really have to take good care of your body these days. Don't worry about the company. Second young master and I will take good care of it.

Looking at Nian lie's current state, he felt that he would disappear into thin air at any moment.

Nian lie's head was slightly lowered, and the gloomy sky reflected his pale face.

"I know," he said casually.

When she looked up, she accidentally saw a figure squatting at the door.

Lu Zhui also saw the drenched person hugging her legs. When he heard the sound, he slowly raised his eyes without any anxiety ...

Nian lie's Black eyes suddenly changed. Lu Zhui was so surprised that even his voice changed.

Young Madam?!

"....."

Ning Qing's entire body was cold. Seeing the man rush over anxiously, the corners of her lips pulled up into a pale smile.

[Chapter 482](#)

482 : 'm sorry, I was thinking too much (1:

The lights in the master bedroom were on and were shining brightly.

The man who had just entered the door was in a daze.

With a clean shirt on his arm, Nian lie listened to the sound of running water in the bathroom and felt that everything that was happening now wasn't real.

He paused and walked to the bed. He placed the clothes on the bed and looked around.

Nothing had changed.

After she left, other than the servants who came to disturb her on a regular basis, no one else entered the house.

Even he himself rarely came.

But today, she had returned.

Nian Jin didn't know what he was feeling. He only felt that his chest was full, as if it had been filled up again, and as if he had been revived.

The bathroom door opened with a bang.

Nian Jin looked over subconsciously. The woman was bare-footed and only the bath towel covered her exposed body.

Ning Qing did not expect him to be there, and she was at a loss for a moment.

Nian lie looked away nervously. I'm here to bring you some clothes.

Ning Qing saw the clothes on the bed and hummed in acknowledgment. She walked past him barefooted.

Nian lie lowered his head. He could feel a gust of cold air passing by him.

Her smooth and fair instep swept past his eyes, leaving a water-stained footprint on the floor.

He did not know where to look. the ginger tea is ready. Put on your clothes and go downstairs.

With that, he turned around and left.

Watching the man's back as he fled, ning Qing did not say a word. She untied the bath towel and changed into the clothes.

It was slightly loose, but very suitable.

Ning Qing's heart ached. She wiped her hair and went downstairs.

Seeing her come down, Nian Xi didn't know what to do.

Ning Qing glanced at the table and walked over.

Nian Yu picked up the cup of ginger tea. drink this first.

When ning Qing looked over, he didn't show any toughness at all.

"Drink this and you'll feel warmer, you can eat it."

Before he could finish, the cup was snatched away.

Ning Qing raised her head and finished the drink. She wiped the corners of her lips and looked at the dishes on the table. did you get someone to prepare this? "

Nian lie returned to his senses. yeah, it's mealtime now.

Ning Qing nodded and sat down without any restraint.

"You're not eating?" she asked with a frown.

Nian lie was a little overwhelmed by the unexpected favor, but he didn't have time to think about it.

Thus, the two of them had a quiet time together.

Ning Qing didn't say much throughout the whole process, so Nian lie didn't dare to take the initiative to say anything.

"I'm a little dizzy," ning Qing said to him after they had finished their meal in silence.

Nian Xi panicked. I'll get Lu Zhui to find a doctor!

"No need," Ning Qing grabbed his hand, and the man's body suddenly froze.

"I want to sleep for a while. I'll be fine in a while."

Nian Yu moved his lips. sure.

She got up and walked up the stairs.

Nian lie still felt like he was in a dream.

She had taken the initiative to touch him just now.

Ning Qing did not know what he was laughing about. She turned around and said, " do you want to rest for a while? "

Nian lie was even more surprised. He could not help but ask, " Qingqing, are you trying to show your concern for me? "

A long silence came.

The man's joy slowly faded into disappointment. I'm sorry. I was thinking too much.

"....."

His dejected tone pierced ning Qing.

Bai Qingqing's many words rang in her ears, and she shifted her gaze away.

"It doesn't matter if I care about you or not. If your body hasn't recovered, you should go to the hospital and find a doctor."

Nian lie didn't react.

Ning Qing pursed her lips. She couldn't say anything good for a while, so she turned around and walked up.

As Nian lie listened to her footsteps, he slowly lowered his eyes to hide the turbulent emotions in them.

[Chapter 483](#)

483 The ring was on her ring finger (1)

Ning Qing did not wake up until it was dark.

Nian lie was worried and went upstairs to check on her. Only then did he realize that she had a high fever.

He panicked and called Lu Zhui to get a doctor over. It took him two hours.

Ning Qing only showed signs of waking up at nine O'clock in the evening.

She had a headache and her throat was smoking. She couldn't see who was beside her. what's wrong with me? " she asked.

Nian lie let go of her hand, his brows furrowed with anxiety and worry. Qingqing, you had a high fever just now.

Ning Qing closed her eyes and did not speak.

No wonder she felt cold and hot at the same time. She had a fever.

It seemed that she had not been sick for a long time.

Nian lie touched her forehead. It was still burning.

He tried to communicate with ning Qing. I've asked the doctor to come and take a look at you just now, but your fever has not gone down. Qingqing, let's go to the hospital to have a look, okay? "

Ning Qing shook her head and refused.

“I don’t feel like going. I’ll just lie down for a while.”

Such words of bravado, in Nian lie’s ears, all turned into heartache.

“Being sick is not a small matter. Besides, your body is already in poor condition.”

He could not relax in front of her.

“I’ll get you some clothes. Let’s go to the hospital.”

“.....”

Ning Qing raised her weak hand and grabbed one of his fingers.

The man stopped.

Her voice was weak, and she was panting. Nian lie, I don’t want to go.

He clenched his jaw and struggled a few times. no!

Her fever was too serious.

The lights were off in the room, leaving only a table lamp on, emitting a faint yellow light.

“I don’t want to go to the hospital.” Ning Qing lowered her eyes and said.

“.....”

“Nian lie, I hate hospitals.”

He hated the coldness and paleness there.

He hated the smell of medicine and disinfectant.

Her fragile appearance made a certain someone’s heart soften instantly.

She clenched his little finger tightly. Nian lie had no choice but to compromise and sit back down.

The two of them looked at each other in silence.

“I made you some porridge. Do you want to eat something?” Nian lie asked her.

Ning Qing had wanted to refuse, but when she heard that he was the one who had made it, she changed her attitude.

“Alright,” he said.

Nian lie was overjoyed by her open attitude.

“Lie down for a while, I’ll be right back.”

He carefully placed her hand under the blanket and walked out.

Ning Qing's fingers, which were resting on both sides, were slightly bent. Her expression was tired and complicated.

Nian lie returned not long after.

He was afraid that she would dislike him, so he wanted her to do it herself, but he found that it was inconvenient for her to do it with an IV.

Thus, for the first time in a long time, he personally fed someone.

And that person was the woman in his heart.

Nian lie suppressed his excitement and nervousness. He blew on the porridge in the spoon and brought it to her mouth.

"It's a little hot, be careful."

His voice was so gentle that he was afraid of scaring her.

Ning Qing's eyelashes trembled slightly. She lowered her head silently and drank the soft and sweet porridge.

His entire stomach felt warm.

Nian lie smiled in relief and fed her half a bowl.

He only stopped after she shook her head.

After a while, the medicine ran out. Nian lie called the doctor who was waiting downstairs to remove the IV drip for her. He only allowed him to leave after telling her the things to take note of.

Ning Qing saw this and did not show any other expression.

It was almost ten o'clock.

Nian lie let her take the medicine and gently reminded her, "rest early. We'll see her tomorrow morning. If it doesn't work, we'll go to the hospital again, okay?"

This was already a very gentle discussion with her.

Ning Qing could not refuse.

"Go to sleep."

He patted her hand and sat on the side. He didn't leave or make any other sound.

Until his gaze fell on her hand.

The ring was firmly on her ring finger.

[Chapter 484](#)

484 What does it have to do with you that I'm good to Gu nanzhi (1:

Nian lie was in disbelief.

When he was busy today, he didn't notice it. Now that he saw it, he only felt that it was unbelievable!

She actually took the initiative to wear it to see him!

Ning Qing could not fall asleep under his burning gaze. She opened her eyes and saw his excited face.

"Why didn't you ask me what happened today?" she asked in a hoarse voice.

Nian lie snapped back to his senses and looked up at her.

His dark eyes were filled with ecstasy and emotion that had yet to fade.

"Do you want to tell me?"

your men follow me all day long, " ning Qing said. if anything happens, wouldn't you know at the first moment? "

Nian lie's joy was gone.

He thought that she was blaming her. Although he knew that it was useless to explain, he had to say it.

Qingqing, I'm just trying to ensure your safety.

Ning Qing suddenly felt like laughing.

"For her safety" was something she had heard too many times today.

She was very tired, so she hummed in agreement.

Nian lie thought that she was angry. He looked flustered and said, " I'm sorry, Qingqing. I know you won't believe me, but I don't want to stop you from freedom. You can do whatever you want to do and see the people you want to see. I won't be as hesitant as I was three years ago.

He couldn't even forgive himself for what happened three years ago.

I'm really, really sorry, " Nian lie said helplessly.

Ning Tingting had enough of his apology and slowly opened her eyes. since you said you wouldn't stop me from seeing the person I want to see, why did you do that? "

Nian Xi was dumbfounded. He didn't know what he was talking about.

Ning Qing blinked, and her indifference instantly dissipated.

"It's about Li Miao knowing of my existence."

Nian lie's face turned pale. what are you doing? "

"I didn't expect that you would use such a low-level method now."

She had been in HE for three years and had never seen Li Miao. How did a person she had never met know of her existence?

Moreover, on the day Li Miao came to find her, she was able to find the restaurant they were at.

It was reasonable to say that his whereabouts were secretive and never exposed, so how could Li Miao find them so easily?

She had a rough idea of what was going on.

She didn't mean to mock him, but in Nian lie's ears, she sounded like she was mocking him.

His face was frighteningly stiff, and his thin lips moved slightly. my Huahua.

Nan Yan is not only my boss, but also my friend. He has helped me many times when I was at my lowest, " ning Qing said bluntly.

She lifted her eyelids lazily and stared at the speechless Nian lie. no matter how you look at it, I don't want anyone to target him.

Nian lie's mental state collapsed when he saw how protective she was of Gu nanzhi.

"But you know that his feelings for you are not pure!"

"What do you mean by not pure?" ning Qing asked.

Nian lie gritted his teeth. he likes you!

Ning Qing fell silent.

She was certain that the man in front of her was jealous.

Nian lie didn't notice her expression. He continued, " if he was just your friend, I wouldn't have done anything. But Qingqing, his feelings for you are not simple. And you're so shy with him.

At this point, he coughed a few times in anxiousness.

His pale face turned red from coughing.

"You're too good to Yingluo!" He said with difficulty.

She was so good that he was jealous.

It was so good that he went crazy.

It was so good that he felt a sense of danger that he had never felt before.

The woman replied indifferently, " what does it have to do with you that I'm good to him? "

I don't like it. Nian Yu's eyes were filled with desolation. I don't like it when you treat him well.

[Chapter 485](#)

485 My young master is dying, are you satisfied?

He didn't like it when she was nice to any man other than him.

Nian lie thought that she would spare no effort to mock his wishful thinking.

However, he did not.

Ning Qing was quiet, and there was not much change in her expression.

It was as if he had fallen asleep.

However, she still said, "it's my right to be good to whoever I want to be. Nian lie, this has nothing to do with you.

"....."

Her voice was warm and faint, mixed with the hoarseness of her illness, and not strong.

we've been divorced for three years and we've been through life and death. These things will leave scars in a person's heart that will take time to heal.

Ning Qing watched him closely and for the first time, did not argue with him.

I won't say I forgive you, because that would only be letting down the past me and all the people who are sad for me. Do you understand?"

Nian lie's eyes were glazed over. She was already so gentle, but he was still not satisfied.

Instead, he felt even more pain.

He stood up with great difficulty. I know.

He walked out.

Behind him, the woman's eyes were fixed on him.

He didn't have the strength to turn around, and he didn't have the right to interfere in her life.

Once again, she rejected his approach.

Tears welled up in her eyes and spread to the bottom of her heart.

"Also, Nian lie."

Ning Qing paused. I'll make my own decisions in my relationship. I don't need anyone to interfere.

"Alright: : Nian lie's throat rolled as he forced out a word:

Then, he pulled the doorknob open and dashed out, as if he didn't want to hear any hurtful words from her mouth.

"....."

Ning Qing looked at the door, and her surging mind calmed down.

He was dizzy.

She was right.

Some things would leave a scar on one's heart after they passed.

No matter how hard you or others try, you can't wash away the pain and despair you've experienced.

It could still make you experience the same situation when you think of it, and then you would be in so much pain that you would rather die.

And that pain was wrapped in hatred.

As long as the scar was not removed, the hatred would never disappear.

The room was quiet, and the raindrops fell on the window, drip, drip ...

Ning Qing reached out to turn off the bedside lamp and buried her head in the quilt.

.....

The next morning, ning Qing was awoken by the touch on her forehead.

The unfamiliar doctor looked at her carefully. Madam, you're awake. Fortunately, your fever has subsided. All that's left is to rest well and recuperate for a few days.

"Thank you," ning Qing said.

The doctor left, and there was a light porridge and side dishes on the bed.

Ning Qing propped her upper body up and reached out to feel her temperature. It was warm.

It should have been there for a while.

She didn't think much about it. After dinner, no one came.

She took the initiative to get off the bed and opened the door to see an anxious Lu Zhui.

She blocked his way. what's the matter? "

Seeing that she was able to get out of bed, Lu Zhui's expression did not look good. it seems that you have recovered.

Ning Qing stared at him.

Lu Zhui was expressionless. young master said that if you want to go back, I will get someone to send you back.

Ning Qing glanced downstairs and did not see anyone else.

"What's wrong with him?" she asked, sensing that something was wrong.

Lu Zhui couldn't help but sneer. miss ning has always been self-centered. She doesn't want to care about my young master. Now, you don't have to put on an act.

Ning Qing now knew the severity of the matter. She did not argue with Lu Zhui. is he sick? " she continued to ask.

Lu Zhui gave a fake smile. He deliberately mocked her. my young master isn't sick. He's dying.

"....."

Seeing how indifferent she was, Lu Zhui couldn't hold back his anger.

“It seems that my young master’s efforts for so long have been for nothing! Even after hearing that he was going to die, miss ning was not moved at all. As expected, her heart was made of stone! To think that he still thought of moving you!”

[Chapter 486](#)

486 Is it a cycle of cause and effect (1:

Ning Qing lowered her eyes and remained silent.

“Lu Zhui,” A shout came from the stairs.

The two of them looked over, and Nian Yu walked over.

Naturally, he had heard the conversation between the two of them. With a glance, he sent Lu Zhui away.

“Sister-in-law, he’s just anxious. Don’t listen to his nonsense.” She turned to face ning Qing and smiled.

“Why are you here?” ning Qing saw through his act of being relaxed and asked despite knowing the answer.

“That brother of mine is always busy, you know that.”

He changed his mind and sized her up.

“I heard you were sick yesterday. Are you feeling better now?”

Ning Qing looked at him. I’m much better.

go back to bed if you’re not feeling well, ” Nian che said. don’t come out to get some fresh air.

Ning Qing’s heart was in a mess, and she simply responded and went back to her room.

“.....”

Outside the door, Nian che stared at the air for a long time.

He lifted his legs and walked to the other end of the corridor. Lu Zhui was standing at the door waiting for him.

“Second young master, young master’s condition isn’t too good. It’s best to go to the hospital. Please try to persuade him.”

Anyone could tell that he was truly worried about Nian lie.

Nian Yu pursed his lips. His handsome face was expressionless. Lu Zhui, ” he asked, ” do you know what a cycle of cause and effect is? ”

Lu Zhui didn’t understand what she was saying.

Nian che stood at the door, his back straight and his gaze seemed to have flown back to the distant past.

my brother once made ning Qing suffer so much that she even tried to kill herself in order to free herself. Now, my brother is so exhausted and exhausted for her that he can’t eat or drink.

“Do you think this is a cycle of cause and effect?” he asked.

Lu Zhui lowered his head and instantly understood.

He endured it. Lu Zhui doesn't know what a cycle of karma is. I only know that young master is the head of the entire Nian family. Thousands of people rely on his glory. Young master should put himself first in everything. He shouldn't hurt himself for the sake of others.

“But have you ever thought that if he had not hurt Ning Qing three years ago, what happened today would not have happened?”

Lu Zhui was rendered speechless by this mild-mannered question.

He could only say, “no one is a Bodhisattva who can make everyone around her happy. Young master has already done so much for her. Why can't she turn around and understand young master's situation?” She's Yingluo.”

“Lu Zhui,”

Nian Che's face was covered in a thin layer of frost.

“When you put it that way, have you ever thought that no one would be able to empathize with her when she jumped off the bridge to commit suicide?”

“.....”

that was two lives. She lost her child because of that, and you guys forced her to do so.

He had even gone to her for help to save Nian lie.

But who had ever thought about her feelings?

Who cared about how she was going to vent the hatred in her heart?

Nian Yun's eyes were filled with passion.

However, Lu Zhui said, “I'm not a God. I can't take care of so many people. I only hope that young master will be safe and lead the Nian family to a stable future.

In the end, she couldn't let him ruin himself for a woman who didn't know what was good for her.

Nian Che's eyes turned cold. He knew that his brother was a stubborn man, but he didn't expect him to be this stubborn.

“Does my brother know what you're thinking?”

Lu Zhui was speechless.

you've stayed with the Nian family for a long time, but you've been with my brother for a longer time than I have. Perhaps he loves you more than he loves me, his younger brother.

Lu Zhui was terrified. I don't dare to.

Nian che sneered, " but it's no use even if he loves you. If he finds out what you did to my sister-in-law today, guess what will happen.

Lu Zhui's palm turned cold.

Lu Zhui, be clear about your identity. I don't want to see what happened today a second time.

[Chapter 487](#)

487 You seem to be paying too much attention to ning Qing (1:

He didn't look at Lu Zhui's stiff expression and stepped into the room.

There was no one on the bed.

Nian che furrowed his brows and realized that the man on an IV drip was in the middle of a video conference.

He held his breath and walked lightly.

Nian lie barely spoke. When he did, he would cough a few times.

"....."

His heart ached, and he looked at his brother with helplessness and heartache.

Nian lie didn't say much. He hung up after a few minutes and picked up the documents on the table to go through them.

Nian che wanted to wait for him to notice, but the man's attention was not on his surroundings.

He stepped forward and snatched the document from his hand. brother, you should rest well when you're sick. Why are you tormenting yourself like this? " It's not like the company is going to close down."

Seeing that it was him, Nian Jing's eyes were warm and weak. why are you here? "

"If I didn't come, I'm afraid you'd torture yourself to death."

He slammed the document on the table and sat on the sofa. do you know that your body is in a terrible condition? ever since you came back from luoxia Valley, the doctor has told you to rest more. Why do you have to do all this useless stuff? "

Nian lie raised his eyes. then should I give you full authority over the company? "

Nian che was put in a difficult spot. However, he still said, " it's not like I can't handle this. My subordinates will help me sort things out.

"You also know that it's the people under you who helped you."

"....."

with a suitable excuse, you can help me for a while. But as time goes on, the people below will suspect that something is wrong with me.

This had a great impact on the Nian family.

Nian che couldn't be bothered to argue with him on these issues. He had never been able to win an argument against him.

"He's almost gone, and you're still thinking so much useless stuff. I don't know what you're earning so much money for."

Nian lie's dark eyes darkened. you don't understand.

Nian che was unconvinced. What do you mean I don't know? I really don't know! If you lose your body, you'll lose everything. What are you going to use to get my sister-in-law back?"

Nian lie's gaze lowered and landed on the computer screen.

Just as Nian che was wondering why he didn't say anything, the other party said, "I'm busy. You can go back.

Nian Xi was stunned.

What kind of reaction was that?

In the past, whenever he mentioned sister-in-law, no matter what his brother wanted to do, he would think more about it. Why didn't it work this time?

He lowered his head carefully to observe Nian lie's expression. brother, did you quarrel with my sister-in-law again? "

Nian lie was startled. He recalled ning Qing's calm and unruffled appearance last night and shook his head.

"No, I didn't,"

"Then what's your reaction?" Nian che could not understand.

His sister-in-law had a great influence on his brother.

Why is it useless this time?

"Nian che," Nian lie said suddenly, looking at his confused younger brother.

The man who didn't know what was going on,"huh?"

"You seem to be paying too much attention to ning Qing."

As soon as he said this, Nian Yun regretted it.

Looking at his brother's speechless expression, his heart clenched.

The room was eerily quiet.

The words had already been said up to this point and could not be taken back.

Nian lie's Phoenix eyes narrowed, and a sense of oppression welled up in him.

Even though he was sick, it didn't affect the aura of a superior that was emitted from the inside.

"I realized a long time ago that ever since she came back, you've been paying more attention to her than before," he said.

Nian Che's face turned pale.

"Why?"

Nian che couldn't make any other expression in the face of the question. what Wanwan? why? "

Nian lie's penetrating gaze swept across every inch of his face.

He had doted on his younger brother since he was young, and he could not hide anything on his face. Although he had improved in the past few years, it still could not escape his eyes.

Nian lie's aura was cold as he tried his best to hide the sharpness around him.

He said in a low voice, "you like it?"

[Chapter 488](#)

488 His self-righteous kindness to her was all wrong in her eyes (1:

brother! Nian che panicked.

He stood up abruptly and stopped Nian lie from continuing.

Nian lie put down everything in his hands and looked up slightly at his panicking younger brother.

I started to pay attention to her because of you. If you weren't my brother, I wouldn't have known her at all.

"....."

Nian che calmed his heart and said with a pained expression, " my parents always told me that you're the older brother and I'm the younger brother. I should respect you and support you in whatever you do. That's what I've been doing all these years.

Nian lie's heart was touched. 'Nian che Xuanji.'

in the Nian family, under the tutelage of my parents, I know that you've had a tougher life than anyone else since you were young. After I grew up, I realized that what my parents did was different from what I knew. I felt that I was different from the rest of the Nian family.

He looked at Nian lie with reddened eyes. brother, you told me that I'm fine with anything as long as I'm happy.

Hence, he had the opportunity to leave the country and stay away from the Nian family.

Therefore, he didn't have to accept his parents 'oppression and cruel competition.

Nian che looked at his older brother. He had changed too much in the past few years. He was no longer the man who did whatever he wanted.

He had silently taken on everything for him.

It was said that a mother's love was like water, and a father's love was like a mountain.

However, in the Nian family, their parents only cared about power and kindness. They never cared about whether they were happy or not.

His brother's love for him was to carry the heavy burden of the Nian family and give him a peaceful and happy life.

brother, I understand that I don't have the right to fight with you. I've never thought of fighting with you, whether it's the Nian family or anyone else.

"Because in my heart, my brother is the one who deserves the most happiness," he said, his eyes filled with tears.

"....."

Nian lie's eyes were wet.

He slowly stood up and walked to Nian che, who had his head lowered. He raised his hand and reached out for his shoulder.

At that moment, tears rolled down Nian Che's face.

"No matter what happens, you will always be my brother!"

Even if he did not know when ning Qing had left a mark in his heart.

Perhaps it was her determination when she jumped off the bridge.

Perhaps it was her sad face in her dreams at night.

Or perhaps, it was because she was alive and standing in front of him that his heart suddenly surged with joy and relief.

However, that was no longer important.

Nian lie patted his shoulder. you've grown up. I'm very happy.

Nian Xi wiped her face clean and smiled. yeah, so you can leave the company to me. I can help. Brother, you don't have to work so hard anymore.

Nian lie couldn't refuse his brother's kind intentions.

He nodded, and Nian che was overjoyed.

it's a deal then. You'll stay at home and recuperate during this period of time. I'll make the decisions for the small matters in the company. If it's a big matter, I'll let you know, Yingluo. You can rest well.

"Alright," Nian lie said helplessly.

Only then did Nian che sit back down. He looked at the person who had also sat back down on the sofa. can you tell me now? what happened between you and sis-in-law? " he asked.

Nian lie paused for a moment. nothing.

Nian che was not happy. He glared at him.

“She said that she doesn’t need me anymore,” he said helplessly after a few struggles.

Nian che didn’t expect such an answer and was at a loss for words.

Perhaps influenced by the atmosphere just now, Nian lie finally had the urge to pour out his heart.

sometimes, I think that maybe she really doesn’t want to see me. I keep appearing by her side, but I don’t seem to have brought her anything other than hurt.

“I thought I was good to her, but in her eyes, I was wrong.”

489 Think of a way to make her stay (1:

Nian lie smiled bitterly. I don’t know if there’s any point in continuing.

without me, she’d have a better life. My existence is just a disturbance to her.

Nian che, ” he looked at his brother, who was hesitating to speak, and said in a sad and confused tone, ” she’s already rejected me. If I get any closer, wouldn’t I be too ungrateful? ”

Nian che had never seen him in such a dejected and submissive state.

While his heart ached for her, he also felt very complicated.

His heart ached for that woman, but he couldn’t bear to see his brother in such a daze.

“Brother, are you giving up?” he asked:

Nian Yu’s eyes were filled with confusion. I don’t know.

He didn’t want to see that woman in pain anymore.

“Are you willing to do that?” Nian Yu asked in a panic.

The woman he had loved and searched for for three years was right in front of him, but he had to give up on Yingluo.

He didn’t know how painful and difficult it was, but he didn’t want Nian lie to try.

“.....”

Nian lie fell silent.

Obviously, he couldn’t bear to.

since you can’t bear to, ” Nian che said, ” why force yourself to make such a choice? ”

Nian lie glanced at him. I can’t let her be in so much pain again. When she sees me, she sees herself from three years ago.

you can't change her," Nian che said. but can't you change yourself? "

This time, Nian lie didn't understand.

what happened three years ago is a foregone conclusion. But from now on, everything is in our hands. Nian Che's spirits were lifted as he waved his arms and legs excitedly.

"....."

He looked at the dazed Nian lie and suddenly felt that his brother wasn't a God.

Wasn't this?

He didn't understand what he meant.

Nian che pressed down on the table and leaned forward, his gaze determined.

"If we can't stop the pain, we'll start over."

"What I mean is, if you can't change her mind, then you should change yours."

Nian lie was shocked by his words. how did Qianqian change? "

Nian che looked at his body, then carefully observed his face.

"First of all, you must cooperate with the treatment and recover as soon as possible to ensure that you have more energy to put into practice.

Second, you have to change your face. You have a bitter face all day long, and it's hard for people not to think of sad things.

Third, brother, you have to change your attitude. It's not like she has to forgive you just because you asked for it. It's just like how she has the right to say no when you're pursuing her, right?"

Nian lie listened attentively. He actually felt that his younger brother, who was an idiot when it came to love, made a lot of sense!

Nian Che's smile was magnanimous. to sum up the three points, you have to change your ways first. That way, the rest will be easier.

Nian lie kind of understood what he meant, but he still found it unbelievable.

His words were unclear. you mean that ran ran wants me to pursue her? "

that's right! Nian che snapped his fingers.

"....."

since we're going to make a change, let's start everything over. We'll be on the same starting line as the others and move sis-in-law with our hearts!

The more Nian lie heard, the more he felt that something was off. Especially when she mentioned other people, his face darkened. No.

‘No: no, no! You can’t take shortcuts with the title of ex-husband anymore, it’ll make her remember the unhappy things in the past.’

Nian lie was rendered speechless. He glanced at Nian che with an unhappy expression.

“Don’t tell me that you’re saying all this just so that I can stand on the same starting line as you.”

Nian Che’s heart skipped a beat as he retorted, ‘how is that possible? I’m not the kind of person who would snatch someone’s love away!’

: That’s not what you said when you stole my Car model when you were young: “Nian lie said darkly:

Nian Xi didn’t know whether to laugh or cry. She spread her hands and said, “ if you don’t believe me, just pretend I didn’t say anything.

“Think of a way to make her stay,” Nian Yu said after a while.

Nian che was stunned.

Nian lie’s Black eyes flickered, emitting the luster of a leopard hunting!

Nian Yu gulped. a ruse of self-injury, alright.

He gave him a thumbs up.

Nian lie was no longer lifeless. Instead, he was full of fighting spirit.

Nian che nodded in agreement and heaved a sigh of relief.

Then, he revealed a self-deprecating expression.

Oh, Nian che, I hope you won’t regret your actions.

After all, these two people were very important to him.

490 The ruse of self-injury succeeded (1:

During lunch, Lu Zhui delivered some food to ning Qing.

She made an excuse to go downstairs for a walk, but she didn’t see anyone.

That included Nian che.

She thought that perhaps that person was really seriously ill.

“.....”

Ning Qing called out to Lu Zhui when he passed by her.

He had been rude to her before. Now, he couldn’t call her “ young Madam ” or “ miss ning “. He could only say, “ why are you looking for me? ”

‘I’ve been here for a day: ” ning Qing said: my parents will be worried. Please send me home.

Lu Zhui was stunned. He recalled Nian Che's warning and didn't know what to do.

Ning Qing thought that he was unwilling, so she changed her words. if you can't, please help me call a taxi. I'll pay for it at home.

Lu Zhui panicked. young Madam, you can't leave!

Ning Qing didn't care if he changed his mind. I didn't tell my parents when I left. They'll be worried about me.

I've already sent someone to inform your parents: " Lu Zhui hurriedly explained. you don't have to be in: hurry to leave!

Ning Qing was particularly stubborn. no, it's my fault for disturbing you for too long.

Lu Zhui was about to kneel down in front of her. young Madam, you really can't leave!

"What are you doing?"

Nian che arrived just in time. Lu zuhui tried to help him. second young master, the young Madam said she's going back.

Nian che looked at the silent ning Qing and asked, " what's wrong, sister-in-law? "

He pointed at Lu Zhui. did he make you unhappy again? I'll help you teach him a lesson!

As he spoke, Nian che was about to make a move.

Ning Qing reached out to stop him. She shook her head. no, I think Lu Zhui is right.

She looked at the two men in front of her calmly. when I'm with him, either he gets hurt or I get hurt, so I think it's better to break up.

He had said those words on impulse in the morning. Now that Lu Zhui thought about it, he just wanted to break his own neck!

He was scared and panicked. young Madam, I'm just talking nonsense. Don't believe me! My young master can't live without you!"

Ning Qing did not say anything in the face of his change in attitude.

Lu Zhui continued to beg her.

young Madam, it's all my fault. Young master is so sick, but he's still concerned about your condition. It's clear that he really cares about you. I've violated the rules and offended my superior. You can blame me, but can you stay for two more days? "

"....."

Ning Qing was speechless.

Nian che sighed and chimed in, " that's right, sister-in-law. You should know that too many things have happened recently. Ever since my brother returned from luoxia Valley, he's been poisoned by the snake

and fell into the water. He hasn't had a good rest either. The doctor said that if this goes on, it'll damage his Foundation.

Ning Qing looked at him inexplicably. don't I have you? ”

“What's the use of me if he doesn't listen to me?”

He looked at ning Qing and sighed heavily. if you're not willing to help me persuade him, then forget it. I'll get someone to send you back.

Lu Zhui was confused.

Nian Che's face was filled with worry. Lu Zhui, send my sister-in-law home.

Lu Zhui didn't know whether to continue or not to go.

“Wait,” ning Qing said.

She looked at the two men who had hope in their eyes and could no longer refuse.

“I'll go see him before I leave.”

Yes!

Nian Che's scheme had succeeded, and he led ning Qing upstairs.

When he reached the door, he turned the doorknob. sister-in-law, I won't be going in.

Ning Qing nodded and pushed the door open.

The windows of the room were wide open, and the cold air rushed in.

The blanket on the bed was lifted, but the man was no longer there.

When ning Qing walked closer, she saw that he was lying on the sofa, wearing only a thin nightgown. He did not look too good.
