[Chapter 531](#)

531 If you beg me, I'll give _1

He stared at her figure. She was so small, but he could not get rid of it.

“You want to keep your chastity for him?”

Ning Qing tilted her head and looked at him. It has nothing to do with you who I do it for. In short, it's definitely not for you.

Nian lie's grief transformed into anger.

There was an unfathomable coldness at the corner of his mouth. It's not for me, but you're by my side now, and I'll still win.

Ning Qing didn't want to argue with him. She was scared, but she couldn't show it.

She was afraid that she would really lose everything in front of him.

She stood up angrily and walked towards the door.

Nian lie's eyes were deep and dark. He didn't stop her. He only said, “today is a special day for you and him.

“.....”

He lit a cigarette and watched her stop through the mist. His lips twitched.

It was a bone-chilling sorrow.

“Don't you want to see your wedding?” he asked.

Ning Qing knew that he was doing it on purpose, and she knew that it would not be a good thing. However, she could not help but want to see her parents and Yan Sichen.

If she wasn't by his side, why did he still want to hold a wedding?

As he was thinking, he heard light music from behind him, and it was a little noisy.

Ning Qing's body froze.

Nian Xi was holding a tablet in her hand, displaying the wedding scene. The style was romantic, the sky was white, and the suit and luxurious clothes were a mix.

His eyes couldn't be any colder.

Ning Qing suddenly turned around and rushed over, reaching out to grab it.

Nian lie turned his back and raised his arms so that she couldn't reach him.

Ning Qing was embarrassed and anxious.

“You give it to me.”

“You’re begging me,” Nian lie mumbled with a cigarette between his lips.

Ning Qing’s hand stopped in mid-air.

Nian lie wanted to know if she was really willing to give up her pride just to see that man. So, his expression became even more frivolous. ah ning, beg me.

“.....”

“I’ll give it to you if you beg me.”

“I’m begging you,”

Nian lie’s eyes froze.

Ning Qing reached out her hand with a pleading look. Nian lie, I’m begging you. Let me take a look!

She wanted to see if her parents were still around and if they were angry with her and thought that she had really left without saying goodbye.

Nian lie didn’t know what she was thinking, and his anger rushed to the top of his head.

His eyes were sharp, as if he wanted to Pierce her with a sword.

Ning Qing’s heart trembled under his gaze. He smirked and threw the computer on the table.

“Look, take a good look!”

Ning Qing didn’t listen to his deliberate words. She picked up the computer and looked around.

The wedding venue was bustling with people.

Yan Sichen was dressed in a white tuxedo, which made him look gentle and elegant, bringing out his temperament.

There was an endless stream of guests coming and going. He stood there with a bright smile.

Yan’s mother was welcoming the guests with him, Yan’s father was in the hall, and the ning family’s parents were not far away. However, on this day when everyone was present, the bride was not present.

The banquet mother walked to her son’s side with: smile. She tried her best to maintain her composure. Si Chen, why isn’t Qingqing here yet? ” she asked.

Yan Sichen looked calm. she’ll be here soon.

Yan Qingqing’s mother glanced at the ning family’s parents who were not far away and felt that it was strange. why didn’t Qingqing’s parents come with her? ”

Yan Sichen pursed his lips and looked outside. she will come.

“.....”

Mother Yan nodded suspiciously, still feeling that something was wrong.

A few days ago, her son had tried his best to persuade her, saying that he would not marry anyone but ning Qing. She and her father had not wanted to back down on the dowry, but their son had not been able to let it go.

It was not that she had not tried to persuade Yan Sichen to give up, saying that there were many innocent women out there. But every time she mentioned this, Yan Sichen's face would turn black and he would refuse to talk to her.

[Chapter 532](#)

532 My son has liked ning Qing for so many years!

Forget it.

She would not make things difficult for her son.

She thought that everything was going well, but the wedding ceremony was about to start, and the bride was still not here.

What was the meaning of this?

Stood their entire family up?

Mother Yan's favorable impression of ning Qing suddenly dropped a lot.

After waiting for a while, the banquet father couldn't sit still anymore and left the guests to look for Yan Sichen.

Si Chen, everyone's here. Where's the bride? why isn't she here yet? "

Yan Sichen's eyes flew out. Although there was still a smile on his face, the color of blood gradually faded.

something must have happened on the way, " he repeated. she'll come.

Mother Yan was extremely anxious. I'll call and ask.

Yan Sichen reached out and took it from her. He looked calm. mom, I told you that Qingqing will be here. Don't rush her. She'll be unhappy.

Mother Yan's eyelids twitched and she exchanged a glance with father Yan. She finally saw that something was wrong with her son.

Si Chen, " she probed carefully, " did you have a fight with Qingqing? is she doing this on purpose because she's angry? "

The banquet father snorted coldly. He was already very unhappy.

no matter how unhappy she is, she should look at the occasion. Everyone is waiting. Does she not want to get married? "

“Mom, dad, stop talking.” Yan Sichen’s expression did not look good and his eyes were filled with seriousness.

“I don’t like you guys talking about her like that. Please don’t say such things again.”

“If you don’t want us to say it, tell her to come quickly.” After saying this, the banquet father turned around and entered the banquet hall.

Not long after, the wedding emcee also came out.

He also felt strange when he saw the few of them looking around at the door.

The guests in the hall were already discussing the matter. The groom’s family was still waiting for the bride. They didn’t know what they were doing.

He smiled and went forward. master Yan, the ceremony is about to start.

Yan Sichen was stunned. why is it so fast? ”

“I’ve set the time with you in advance. It’s not good to miss the time.”

Yan Sichen pursed his lips. wait a little longer.

The host thought that this person was still not in a hurry even at such a critical moment.

He was about to say something when mother Yan pulled Yan Sichen to the side.

This time, she could not hold it in any longer. With a straight face, she asked, ” explain to mom properly. What happened? where’s ning Qing? ” Is she not going to come at all?”

“She’ll come!” Yan Sichen immediately retorted:

Mother Yan was even more certain of her own conclusion. She felt that either ning Qing had gone crazy or her son had gone crazy.

“Since she’s not coming, why did you still request for this wedding?” she said angrily. If she didn’t come, it would have been canceled long ago!”

Now that so many people were laughing at the Yan family, where would she put her face in the future?

The more Yan mu thought about it, the angrier she got. When she turned around and saw the ning family’s parents, the anger in her heart suddenly rushed up.

She quickly stepped forward and gave mother ning a hard push.

your ning family is really good at returning kindness with ingratitude. I don’t know what kind of bewitching medicine my son has taken. He knows that your daughter won’t be coming, but he still wants to hold a wedding. Isn’t this letting everyone come and laugh at us? ”

Mother ning stumbled, but father ning caught her in time. He turned around and glared at her coldly. why did you hit me? ”

your family played us like a fool. Shouldn’t I have done it? ”

The banquet mother had long lost her noble lady's demeanor and was so angry that her heart trembled. my son has liked your ning Qing for so many years, and he has come all the way from abroad to get her back here. He is sincere to your ning Qing. If she doesn't like him, don't accept him. After she accepted him, she played us like this and trampled on my son's true heart. Is this the inexplicable sense of superiority that you poor people have? "

[Chapter 533](#)

533 Then you should ask her to appear (1:

Father ning clenched his fists tightly, but mother ning held him down and shook her head with tears in her eyes.

He suppressed his anger and looked elsewhere.

I thought we were old acquaintances, and I've stepped back time and time again, not disdaining that ning Qing is a second-hand good. But I didn't expect that I'd really misjudge you!

"Mom!"

Yan Sichen hurriedly interrupted.

"What nonsense are you talking about?"

The banquet mother pushed Yan Sichen away, her face contorted in anger. did I say something wrong? Her daughter doesn't know how to respect herself and doesn't even look at herself properly. She followed the wrong person and now she's here to harm you, Huahua. I used to think that she was pitiful and couldn't see through people, but now I can see that she deserves it!"

"Shut up!"

Father ning finally couldn't take it anymore and looked at mother Yan with anger in his eyes.

as her parents, no one knows better than us what kind of person Qingqing is. She's not that kind of person!

Mother Yan sneered, " then call her here. If she appears now, I'll take back everything I said and apologize to you!

"I'm sorry. Qingqing ..." Mother ning held father ning back with tears in her eyes and said apologetically, "I'm sorry."

She couldn't give a reason, so she could only lower her posture to Yan mu.

Qingqing is my daughter. It's our parents 'responsibility to blame her for her mistakes. Please don't hate her.

Yan's mother was already unhappy that she was being suppressed by ning's mother, and now that she saw ning's mother lowering her voice, she became even more arrogant.

"Blame you? What's the use of blaming you? do you think your daughter will come?"

“.....”

Father ning held mother ning in his arms, speechless.

On this matter, it was the ning family who had let the Yan family down.

The more she looked at him, the angrier mother Yan got. even a biological child might not be a good person, let alone an illegitimate one!

The faces of the ning family's parents changed.

“Mom, that's enough!” Yan Sichen suddenly shouted.

“.....”

I'm the one who wanted to hold the wedding. I forced aunt ning and uncle ning to come!

He clenched his fists and looked at his incredulous mother. He opened his mouth with difficulty. Qingqing has said long ago that she doesn't want to marry me. It's me, Zhenzhen, who wants to try.

He was the one who wanted to take a gamble.

He was betting on whether she had any feelings for him.

The facts proved that everything was just his wishful thinking.

Mother Yan's expression suddenly became indescribable.

Yan Sichen walked up to his parents. uncle ning, aunt ning, I'm sorry. Please don't take my mother's words to heart.

Mother ning held his hand with tears in her eyes. we've let you down, Si Chen.

Yan Sichen's eyes turned red.

“Si Chen, there's still time. Stop in time.”

Mr. Ning frowned. I'm afraid she won't come back, ” he said. Si Chen, don't disappoint your parents again.

“.....”

Yan Sichen remained silent as a myriad of emotions flashed past his eyes.

He took another look at the intersection. It was empty, and no one had passed by.

She would not come.

Seeing how hesitant he was, mother Yan felt resentful.

She couldn't care less about her son and pulled the dumbstruck emcee over. you, go back to the hall now and think of a way to send the guests away.

The host was shocked. teasing me? ”

Mother Yan's face turned cold. He had to do it even if he didn't want to.

"Alright, I'll do my best. I'll go now."

"Do you want to explain the bride's condition?" he asked insensibly.

Mother Yan's face turned green and white. no need, you can just send her away.

"....."

The footsteps behind her went far away.

Yan Sichen's heart felt like it was being weighed down by a heavy stone. After enduring it several times, he finally restrained the earth-shattering pain and did not stop his mother from doing this.

He let go of his hands that were hanging by his sides.

He let the disappointment and sorrow drown him.

[Chapter 534](#)

534 Nian lie, just kill me (1:

Ning Qing stared at the screen without blinking.

The person's shooting technique was obviously not a live wedding broadcast, but a sneaky angle.

She saw that the wedding hall was full of guests, her parents were in a corner, the host was standing on the stage, and her parents were obviously in a bad mood.

They all knew that she would not go.

"Father, mother, I'm sorry." Tears welled up in ning Qing's eyes as she subconsciously called out.

She looked at Yan Sichen, whose face was still the same, and felt guilty, like a tidal wave, drowning ning Qing.

"I'm sorry, I'm sorry."

Other than sorry, she could not say anything else.

Nian lie watched as she cried and blamed herself. He clenched his fists harder and harder.

Suddenly, ning Qing's eyes widened.

Her eyes were still wet, but they were shining with horror. Even her mouth was wide open.

On the screen, there was a loud noise in the clearly harmonious banquet hall, followed by screams from all around.

The camera swayed a few times.

Then, it became more and more shaky.

Screams and explosions came one after another, like a movie. The scene became chaotic, and people couldn't be seen.

Ning Qing held the tablet, her eyes full of doubt and disbelief. what's going on with ran ran? "

Was it an earthquake?

"....."

Nian lie pinched the cigarette butt with one hand, and it burned his fingers.

He got up and stubbed it out in the ashtray, his eyes cold and serious.

Ning Qing's mind went blank. She looked at him and then at the screen.

Her entire body trembled as if she had seen something terrifying!

The people filming had already run far away. When they looked back, they saw smoke and dust flying everywhere, and people howling all around.

A corner of the banquet hall had collapsed, revealing the reinforced concrete beneath. The entire building was in danger, but the other buildings around it were intact!

Ning Qing realized that what she had seen was not an accident, but man-made.

Her eyes couldn't be any wider as she looked at the cold and indifferent Nian lie, as if she would die if she said anything.

"What did you do to them?"

Nian lie still didn't respond, his eyes alternating between light and dark.

"....."

Under the gray camera, in the hall where people had not dispersed, a couple was supporting each other. The woman seemed to be injured and had difficulty moving.

The wall next to them loosened, shook, and fell toward the two of them ...

"No!"

Ning Qing let out a scream, her eyes red to the point of tears.

The man and woman in the picture were none other than her parents!

"No, don't! Dad, mom, you guys should leave quickly!"

However, the person in the picture could not hear her voice.

The wall crashed down heavily, burying the two of them in the broken walls.

Screams rose and fell.

"....."

Ning Qing's heart was completely empty.

He couldn't see anything in front of him, only the scene from before kept replaying.

She couldn't stop her tears from falling, and they left marks on the table.

Nian Xi glanced over, only to receive a slap.

"You're crazy! You're crazy, you did it, didn't you! I'm going to kill you!"

The woman suddenly burst out screaming, heartbroken and desperate.

Nian Yu deftly dodged her action of throwing the laptop away, then grabbed her hand that was holding the decorations and turned around to stop her.

At this moment, ning Qing was like a lunatic. Her long hair was messy and her expression was ferocious. what did my parents do wrong? what did Zhenzhen and the others do wrong? why do you have to treat them like this? "

"....."

"Is it a mistake for me to be alive? If I'm alive, will I let you kill them one by one?"

"....."

"Nian lie, just kill me. You'd better kill my entire family! Hahaha!"

She laughed and her tears flowed down like crazy.

[Chapter 535](#)

535 It's all fake _1

Nian lie used a lot of strength. He wanted to stop her from fighting back, but at the same time, he was afraid that she would hurt herself.

Ning Qing clutched her collar, her body exuding an aura of pain and despair.

She laughed so hard that her tears kept falling, and she mumbled to herself, " why did I get to know you? why did I come back? why did I get entangled with you? Yingluo, you're a complete lunatic. I killed everyone in Yingluo. I killed Yingluo.

Her voice sounded like she was crying and laughing at the same time.

"I actually thought of taking revenge on you. Haha, how can I take revenge on you? you're not human. You don't know pain. You don't have a heart!"

"....."

"It's all my fault, it's all my fault! I shouldn't have provoked you, it's my fault!"

As ning Qing read, she slapped herself again and again with all her strength.

Nian lie pressed her down on the table and pinned both her hands behind her back. He extended his other hand to stop her from hurting herself.

“Ning Qing, stop fighting.”

He was a little flustered.

The woman couldn't hear him, and she was immersed in her own world.

“I should die. I should be the one to die, not them.”

“Why should I live? why should I live?”

“Ning Qing, that's enough!” Nian lie's jaw tightened as he warned her again.

She couldn't see anything in front of her eyes, only the scene of the wall collapsing. Her heartache repeated over and over again.

Without any strength left in her body, she slid down limply.

Nian Xi hugged her tightly and followed her movements.

After a while, ning Qing recognized the man in front of her.

Her fear, despair, grief, and resentment finally turned into a pitiful plea.

“I beg you, please don't hurt my parents!”

Ning Qing didn't dare to hold his hand. She half-knelt down and pulled at the bottom of his pants, looking extremely humble.

Nian lie, no, Mr. Nian, Mr. Nian, it's all my fault. It has nothing to do with my family. Please don't touch them.

Nian Che's hand that was about to help her up stiffened, and his handsome face gradually cracked.

Ning Qing didn't care about anything else, and she didn't care about her self-esteem anymore. She kept begging, ”

“I'll do anything you want, please, please don't hurt them!”

I only have them. They are the only ones who love me.

Nian lie, I'm begging you. I can do anything for you.

She was already kneeling on the ground, as if she was possessed.

“If you don't like me getting married, then I won't get married in the future. I won't be with any man. I can!”

She looked left and right, then reached out to take off her clothes.

Nian lie's eyes darkened and he grabbed her hand tightly.

“I said, enough!”

Every word and sentence he said was shockingly strong.

Ning Qing didn't dare to cry out in pain. She only looked at him like a puppy.

Nian lie's heart broke.

That was even more painful than her rejection of him.

It was so painful that his forehead throbbed and he couldn't even stand up.

"Enough, ning Qing," he said.

Ning Qing was stunned. why? "

Nian lie's expression was as dark as water. His eyes were bright, and the surging emotions were enough to drown her.

"It's fake, he said hoarsely.

Ning Qing's clear eyes moved, as if she didn't understand.

"Everything you saw just now was fake." Nian lie took a deep breath and suppressed the surging heartache.

Ning Qing's eyes narrowed.

"What did you say Yingluo?"

Fake?

The pain that spread from her heart was extremely clear, sometimes numbing and piercing.

Ning Qing didn't move. She couldn't accept the news for a while.

"The wedding didn't succeed, but it's over," Nian lie said in a low voice.

[Chapter 536](#)

536 Ning Qing, do you want to marry me?

So, there was no explosion, no injuries, and her parents were still alive?

Ning Qing's mind was in a mess. Nian lie reached out and pinched her chin.

"Was that pain real?" he asked.

"....."

Ning Qing's body trembled, and her eyes became misty again.

Nian lie knew the answer, so he forced her to look him in the eye. He hardened his heart and said, "ning Qing, remember what you've just experienced and engrave it in your mind. If Zhenzhen doesn't listen to me, I'll make it real.

Ning Qing's lips trembled, and her face was so pale that there was no trace of color.

What Nian lie didn't know was that in just a few days, her face had slimmed down. His slaps were bigger than her face.

His heart ached for her, but he could not indulge her anymore.

"Are you still going to run?" he asked coldly, his heart emptied and his feelings for her blocked.

The woman trembled, and the fear in her eyes pierced through his chest.

After a long time, he heard her say, "I'm not running anymore."

He would never think of escaping again.

"Will you still marry someone else?" Nian lie continued to ask, hiding his pain.

"No, never again!"

After the pain of losing a loved one slowly disappeared, what remained in ning Qing's heart was only endless fear and horror for the man in front of her.

"Then what if you marry me?"

The panic in ning Qing's eyes was magnified ten thousand times. I'm Yingluo.

"Ning Qing, do you want to marry me?"

He didn't ask if she was willing.

Do you want it or not?

However, how could she reject him now?

Nian lie watched as the light in her eyes dissipated, leaving behind a boundless darkness.

"Alright," she said.

The ice between his brows melted, and he revealed a rare smile.

"Good girl."

His doting tone made ning Qing's hair stand on end.

Nian lie didn't care. Instead of pinching her chin, he held her hand.

"Qingqing's hands are so beautiful," he complimented as he caressed her hands.

"....."

"You'll look even better with the ring on."

So, he reached into his pocket and took out a ring.

It was the one she had donated to the auction.

Ning Qing's facial features seemed to be frozen, and only her eyes followed his movements.

“I’ll put it on for you, okay?”

Ning Qing subconsciously wanted to refuse, but the scene on the computer reappeared in front of her eyes.

She closed her eyes in resignation and agreed in a trembling voice.

Nian lie was elated. He slipped the ring onto her ring finger.

“From now on, you’re only my wife.”

Ning Qing’s smile was uglier than her crying, and the hole in her heart was getting bigger and bigger.

He picked her up tenderly and sent her back to her room. you must wear shoes when you go out of your room in the future,” he said as he walked. otherwise, I’ll be angry.

Her anger would hurt her parents.

Ning Qing thought about it and quickly nodded.

Nian lie’s smile deepened as he placed her on the bed.

Ning Qing watched as he bent over and picked up the chain from the ground. She thought that he was going to continue to chain her, and a touch of resistance flashed in her eyes.

When Nian lie saw this, his heart ached. I’ll put it away: ” he said: I won’t use it to lock you up again.

Ning Qing did not speak.

At first, he was the one who had chained her up. Now that he was no longer doing so, she would not be grateful.

Nian lie took out the keys and removed the chains one by one. He returned to her side and pulled her into his arms.

now, we’re a real couple. As long as you’re obedient, I won’t do anything that will make you unhappy,” Nian lie promised as he stroked the woman’s stiff back.

A touch of deep sarcasm flashed across ning Qing’s eyes, but she agreed.

“Have a good rest. I’ll take you out for a walk after lunch.”

He touched the side of her face, covered her with the blanket, and turned to leave.

Ning Qing stared at his back. Her eyes were empty, but her hatred was so strong that it had never been before.

Then, it slowly disappeared.

Her hell might have arrived.

But would she quietly accept it?

The answer had taken root in ning Qing’s heart.

She was the only one who knew.

[Chapter 537](#)

537 Plant a patch of bellflowers for her (1:

After lunch, as ning Qing's injuries had yet to fully recover, Nian lie asked the helper to bring her a recliner and let her lie there.

There were some flowers and two big banyan trees in the courtyard. Outside the courtyard, there were mountains and plains. There was only one road leading to both ends, and no one knew where it led to.

Nian lie covered her with a blanket. Ning Qing stared blankly at the huge courtyard, as if she was dreaming.

"What are you looking at?" he asked.

"Where is this place?" ning Qing muttered.

Nian lie's dark eyes deepened for a moment. it's a place that no one can find.

Ning Qing was in a daze.

She felt that she was very pathetic.

Now that she had done so many 'wrong things', she didn't even know if she was still in Lin city.

Nian lie knew that she wouldn't like the feeling of being confined. He wanted to divert her attention, so he handed her the bag in his hand.

Ning Qing looked at the black bag and took it out from under the blanket. what is it? "

She took it and Nian Jing smiled. open it and take a look.

Ning Qing opened it obediently. Inside were small brown things, like the seeds of some kind of plant.

"Chinese bellflowers 'seeds,'" Nian lie said:

Ning Qing blinked. Oh.

Seeing that Nian lie was a little unhappy, she added,"it's the flowers you sent to the company earlier."
&Nbsp;

She remembered.

Nian lie took it from her, stood up, and went inside to get a small shovel.

Ning Qing saw him half-squatting in front of the empty space and her heart tightened. what are you going to do? "

Nian lie turned around, his eyes shockingly bright.

"Ning Qing, I want to plant a field of Chinese bellflowers."

"For you,"

“This way, when you think of flowers in the future, you’ll think of me.”

Ning Qing’s heart moved, and the sarcastic words that were on the tip of her tongue took a turn.

Her expression was calm. you can buy flowers everywhere. You don’t have to do this.

The vibrant colors of her youth slowly receded. He could see that she did not like it.

“.....”

He didn’t say anything. With a shovel in his hand, he dug one hole after another.

Ning Qing was also silent.

This process lasted for more than half an hour, and the man did not say a word, as if he was deliberately angry with someone.

By the time he added the last hole, his back was already drenched.

After wiping the sweat off his forehead, Nian lie walked to her side and said, “ let’s go in.

Ning Qing nodded numbly. Her legs were trembling when she got up, and she had no strength at all.

She fell uncontrollably into his arms. Nian lie reached out to touch her and realized that her hands were cold.

He frowned. why didn’t you say that you were cold? ”

Ning Qing trembled, her lips turning blue. I’m afraid you’ll be angry.

With that said, what temper could a man have?

He couldn’t care less about his dirty clothes. He bent down and picked her up, then quickly walked inside.

“Aunt Lin, make some ginger soup.”

“Yes.”

He carried her and walked past aunt Lin. He hurried upstairs and went straight to the bathroom.

He carefully placed her on a chair at the side and personally prepared the bath for her.

Ning Qing hugged the blanket, and it took a long time for her body to warm up.

The water was ready, and Nian Xi’s clothes were warm.

“Come here.”

He waved at her, but ning Qing did not move.

It wasn’t that she wanted to go against his wishes, but her mind was filled with the pain of him forcing himself on her that night.

She even told herself that if she didn’t listen to him, he would do something even more extreme.

She couldn't move her legs at all.

Nian lie also seemed to have waited for a long time. He was getting impatient. I asked you to come over. If you get sick from the cold, you'll be the one who's feeling uncomfortable!

[Chapter 538](#)

538 She would think of: way to make him die first (1:

Ning Qing finally walked towards him with great difficulty.

He took her hand and removed the blanket. He then took off her sweater and jacket, followed by her undershirt.

Ning Qing lost control of the floor and straightened her body. Nian lie noticed that and her movements became slower.

"You're afraid of me?" he asked hesitantly.

Ning Qing shook her head, the fear in her eyes clear.

Nian lie's fingertips seemed to be frozen, and his eyes stung. do it yourself.

"....."

His footsteps were messy. Before he walked out, he said to her, " wash up quickly. Don't let your wound come into contact with water.

Ning Qing's throat hurt. Hello, Zhenzhen.

The door closed.

She was no longer as alert as before and her entire body went limp.

His back and palms were cold and covered in cold sweat.

It turned out that it was so difficult for her to hold back her hatred and fear when she faced him like this.

Ning Qing waited for a long time. When the water had turned cold, she took off her clothes and went into the water.

The cold water reached her knees, and her mind suddenly became clear!

She couldn't just sit and wait for death.

Even if she had to endure great torture, she had to leave this place and return to her parents 'side!

Thinking of this, ning Qing had another reason to continue.

After taking a quick shower, she wrapped herself in a bathrobe and went out.

Nian lie had been waiting for her on the sofa. The moment she came out, he pointed at the porcelain bowl on the table and asked her to go over.

"It's to ward off the cold, drink it."

Ning Qing did not hesitate. She blew on it twice and swallowed it down her throat.

Nian lie reached out and pulled her into his arms.

Ning Qing reflexively tried to resist, but something was stuffed into her mouth.

"It's candy," Nian lie said.

She couldn't vomit anymore, and the sweetness of the peach gradually spread.

Nian lie stared at her small, plain face, and his heart melted into a ball.

Even now, he still felt that it was unreal.

"Qingqing," he called her.

Ning Qing met his eyes. yes.

His heart was in turmoil, and his throat rolled. sweet? "

Ning Qing vaguely felt that something around her had changed, but she also felt that nothing had.

She said,"sweet."

"I'll try it."

The shadow came over.

He took away all the sweetness in her mouth.

For a long time, she was out of oxygen and fell into his arms.

Nian lie's eyes swept past her neck and suddenly became dark. very sweet.

"....."

This was how a man who had never been close to a woman in the past six years was like.

One look from her was enough to stir up his heart.

Even though he knew that she did not mean it that way.

"....."

Ning Qing did not understand why he suddenly had this idea.

When his arms tightened around her, she knew that it was coming again.

She was extremely repulsed, and her face turned pale. Nian lie, I'm not flirting today.

Before she could say "I'm willing," he had already pushed her onto the sofa.

"Don't be afraid, Qingqing."

Her long hair as thick as seaweed was spread out, and the black leather sofa below made her skin look as white as snow, and her cheeks were as bright as peach blossoms.

“I will be gentle.”

Then, he lowered his head, not caring if she was afraid or not.

This time, as he said, he tried his best to be gentle.

But in ning Qing’s eyes, she was still in pain.

The pain seeped into her bones.

The closer he got, the more the nerves in her mind rotted.

Her body was burning hot, but her heart was completely dead.

“Can you remove this tattoo?” he asked her as he hugged her waist.

“It’ll hurt a lot,” ning Qing said.

His sweat dripped on her back, as if it had burned a hole in it.

“Compared to death, which is more painful?”

Ning Qing gritted her teeth and did not say anything.

“Ning Qing, we must be together even if we die,” he said as he pressed down on her shoulders.

She maintained her humiliated posture, but the coldness in her eyes penetrated deep into her bones.

“I don’t want to die,”

The man’s head was buried in her shoulders and neck, his voice unclear.

“Alright, we’ll always be together.”

Ning Qing could not answer.

Of course, she didn’t want to die.

Because even if she died, she would try her best to make him die first.

539 Wash off her tattoo (1:

A man’s words in bed could never be taken seriously.

Ning Qing did not take Nian lie’s words to heart. However, she was still surprised when Lu Zhui brought a strange woman over and said that he wanted to remove her tattoo.

Ning Qing’s mind went blank as she watched the woman skillfully operate the equipment.

She turned to Nian lie and moved her lips. why do you want to wash it off? ”

How could a tattoo on a wound be an eyesore?

“I don’t like it,” Nian lie said with a gentle smile.

Ning Qing was speechless.

The woman was ready. She said expressionlessly, "Madam, it's ready.

Ning Qing's teeth chattered in fear when she saw the man holding a pen to wash his tattoo. Nian lie, can I not wash my tattoo?"

Nian lie's expression darkened. Although his tone was gentle, his words were filled with endless coldness.

"I can't,"

Ning Qing's face turned pale.

don't be afraid. It won't hurt:" Nian lie comforted her softly: He came behind her and hugged her.

The woman chimed in. don't worry, Madam. I'm very skilled. I'll also be injected with anesthetic when I get a tattoo. I won't feel any pain during the process.

"....."

Ning Qing's heart sank as she looked at the man who was not to be questioned.

Nian lie kissed the side of her face. lie down and sleep for a while. It'll be over soon.

Ning Qing was half-forced to lie on the bed.

The woman approached. Her eyes wavered, and she had the illusion that sadness was covering her head.

Not a single part of his body was not cold.

The area of her tattoo wasn't large, so the washing process was very fast. She was only in a daze for a moment.

The woman packed up her things and left. Ning Qing stared at the ceiling blankly. Her hand moved towards her tattoo, but Nian lie grabbed it.

"You can't touch it. There's bacteria on your hands, and it'll make the wound inflamed."

Ning Qing's tears suddenly fell.

Nian lie was stunned. He caressed her face in a panic. what's wrong? "Does it hurt?"

Ning Qing raised her hand in front of her eyes, bit her lip, and shook her head.

It hurt.

It was too painful.

She had originally covered it with a tattoo because the C-section wound kept reminding her of the child she had lost.

But just because he said he didn't like her, he had exposed her lie.

The fear and pain of her flesh being torn apart layer by layer and her child escaping from her stomach was like a stick hitting her nerves!

Nian lie didn't know what was wrong with her. He thought that she was feeling aggrieved and hurriedly hugged her to comfort her.

"I know you think the scar isn't pretty, and I also know that Yingluo you don't like this scar. I'll get someone to help you recover and make you look as good as before."

"....."

"Don't cry, I won't despise you, okay?"

His comforting words were of no use.

Ning Qing cried until all her tears had flowed out. She lost her vitality and became sickly.

After dinner, she lay on the bed and allowed the man's hand to move around her waist.

It was cool to the touch, with a hint of an unknown medicinal smell.

this medicine can remove scars. You'll be fine after applying it for a while. Nian lie said.

Ning Qing looked down and did not respond.

After he was done, he went into the bathroom to take a shower.

Ning Qing looked at the medicine he had put aside, not even feeling happy.

Not long after, aunt Lin knocked on the door and came in with a glass of water.

"Madam, your medicine."

Ning Qing looked at the pill. what kind of medicine is this? "

Aunt Lin hesitated for a moment. Sir told you to eat. He said it's for your health.

Ning Qing had just taken anti-inflammatory medicine and had never taken this white pill before.

She looked at aunt Lin, who smiled awkwardly.

She suddenly thought of something and her lips curled up.

"It's for contraception, right?"

540 I can't get pregnant with: child in this body (1:

"....."

Aunt Lin was about to answer when the man in the bathroom came out.

Ning Qing glanced at the man from the corner of her eye and slowly turned around to face him.

I'm afraid you've forgotten, " she said sarcastically. with my broken body, I don't need medicine. It's impossible for me to get pregnant.

"....."

Nian Jin frowned and looked at the flustered aunt Lin. He knew that she had misunderstood.

However, he didn't explain immediately. He gave aunt Lin a look, asking her to leave.

Ning Qing took advantage of the time when the two of them were exchanging glances to take the pill and put it in her mouth without even drinking water.

She endured her nausea and smiled brightly, looking aggressive.

"Are you satisfied now?"

Nian Xi's hand that was drying his hair drooped down. He felt a deep sense of powerlessness.

He knew that ning Qing was very sensitive now, but he had not expected her to be so sensitive.

It was just a pill, and she had to raise all the thorns on her body to fight against him.

The Auntie left.

The room fell into a brief silence.

Ning Qing didn't have anything else to say. She lay down straight, her back facing the man.

Nian Xi sighed helplessly.

He walked to the bed and sat down. Looking at her beautiful side profile, he asked, " are you angry? "

Ning Qing did not answer.

"I asked you to get rid of the tattoo because I was afraid that you'd be sad and remember the unhappy things in the past."

She almost sneered.

that's not just my past. I'm the one who decides if you want to forget.

"....."

"If you want to be despicable, then be despicable. Don't find excuses for your selfishness."

Nian lie's head was lowered. The shadow of the lamp reflected the hard outline of his face, giving off a fragile feeling.

"Ning Qing, am I such a person in your heart?"

"Are you not?"

Nian lie's face was covered with frost, and his eyes turned cold.

Ning Qing couldn't see it. of course you can let me wash off my tattoo: " she said: minding her own business: you can also erase my past at will, because it's not worth mentioning to you, but not to me.

She could feel the man's gaze on her, but she refused to turn around to face him.

but I agree with you on the point that you don't want children.

Nian lie's eyes darkened.

"There's something between us, so don't let the child interfere," she continued.

Nian lie suddenly stood up, his jaw clenched. what did you say? "

Ning Qing turned around, her eyes drooped, and she could not see through her thoughts.

"My relationship with you."

Nian lie's chest heaved up and down as a ball of fire burned in his heart.

He wanted to loudly question her where she was not clean, but looking at her calm face, he knew what kind of hurtful words she would say.

Ning Qing knew that he was angry, and she felt an unspeakable cold in her heart.

She deliberately curved her lips into a faint smile. taking medicine is the right choice. Although with my body, the probability of me getting pregnant is almost zero, it's not 100%. Who can say for sure? "

"....."

"Indeed, it's better to be careful."

Ning Qing successfully watched as Nian lie's face turned from red to green to white.

She had to admit that words were a double-edged sword.

When she hurt others, she would also hurt herself.

The wound in her heart had never healed when it came to the child.

"That's enough," Nian lie finally spoke.

He took a deep breath and his teeth were trembling.

ning Qing, you don't have to provoke me on purpose. If I'm really angry, you won't want to bear the consequences.

Only then did she come back to her senses. She pursed her lips tightly as she recalled the scene of her parents 'tragic death that day.

Nian lie didn't want to talk to her anymore.

"I'm going to the study to deal with some things. You go to sleep first."

He turned to leave, but stopped before he opened the door.

He knew that her eyes were following him, and she did not turn back.

I asked someone to specially develop the medicine. It has a strong recovery effect on injuries that have been damaged for many years.

Ning Qing suddenly grabbed the bed, unable to hide her shock.

“If you don’t want to eat it, then you won’t eat it in the future.”

After saying that, he pressed the doorknob and stepped out.

This time, he didn’t even look back.
