

Mr Nian 551

[Chapter 551](#)

551 She chose to stay by his side (1:

Ning Qing's heart ached. I'm sorry.

She couldn't say anything other than an apology.

Yan Sichen's eyes were filled with tears. I don't need your apology. I want you to go back with me and prepare for the wedding again!

As his roar fell, the entire space reverberated with his voice.

Yan Sichen was afraid of scaring her again, so he restrained his gentleness, but his expression became very strange.

Qingqing, you were the one who said that you were willing to marry me. You're not lying to me, are you?"

"....."

Ning Qing's heart ached.

Yes.

At that time, she had truly wanted to end everything and marry him. However, everything that Nian lie had done told her that it was just an illusion.

It was his gift to give her time to breathe.

Yet, she thought that she could escape from his control.

She was being whimsical.

Ning Qing's tears fell. just think of it as a dream.

Yan Sichen's body trembled and he almost fell down, but his parents caught him in time.

"Are you really going to do this to me?" he asked, his face pale and bloodless.

Ning Qing turned around with her back to them. I've made my decision, " she said ruthlessly. father, mother, you can go back with brother Sichen.

Mother ning was shocked. Qingqing, why are you in a daze? "

Father ning stopped her.

Mother ning looked at her daughter's back and her heart ached so much that she started to cry. since it's your decision, I won't ask for a reason. Take good care of yourself. We'll wait for you to come home.

"....."

Father ning helped mother ning out of the room.

Slowly, Yan Sichen also understood her determination.

He could no longer feel his heartache, and there was no light in his eyes. Without saying a word, he turned and left.

“Take care of yourself.”

“.....”

The people in the living room left one after another, and the sound of footsteps faded until it could no longer be heard.

Ning Qing bit her lip and clenched her fists so hard that her palms started bleeding. Only then did she suppress the urge to leave with them.

Nian lie and her were the only ones left in the huge living room.

After a long time, her hands and feet turned cold as she stood there. She collected all her emotions and slowly walked toward the sofa.

She didn't know when, but Nian Jue had a cigarette in his hand, and the smell of smoke filled the air.

“There's still time for you to catch up to her now,” he said nonchalantly as he glanced at her.

Ning Qing clenched her fists again. The pain was excruciating, but she did not even frown.

“I'm not leaving.”

Nian Jin took a puff of his cigarette and pointed at the sofa with the hand holding the cigarette. Ning Qing sat down as he instructed.

Before her butt could touch the sofa, she was pulled over.

Nian lie held her in his arms. When he lowered his head, his jaw was so sexy that it made people drool.

He blew a puff of white smoke on her face. Qingqing, do you know what you've chosen? ”

Ning Qing held her breath and said, ” I know.

“Will you regret it?”

“I won't,”

His entire body pressed down on her.

The tobacco taste in her mouth was strong, and ning Qing did not like it.

She first pushed against his chest with some resistance, but because of the awkward position, she had to reach out and hold his neck to prevent herself from falling to the ground.

It was obvious that the man had used too much strength.

The kiss deepened.

“.....”

Ning Qing could feel his emotions fluctuating wildly, as if she could sense his fear and the joy of surviving the disaster.

Her eyes were cold as she closed them.

The kiss ended.

Nian lie gently used his thumb to wipe away the tears on her face that had yet to dry, as if he was treating a lost treasure that he had just found.

“Don’t cry, I’ll be good to you.”

The woman nestled in his arms. The last bit of stubbornness she usually had disappeared, leaving only silence and silence.

He was in a good mood. pack up tonight. We’re going back to Lin city tomorrow.

[Chapter 552](#)

552 What are you hiding behind you?

Ning Qing didn’t smile and just nodded to show that she had heard him.

Nian lie hugged her and explained to her, “ after we go back, I’ll be busy with the company’s matters for a while. Be good and stay here. Don’t run around.

“Where could I have run to?” ning Qing asked.

Nian lie’s smile spread, and his long and narrow eyes seemed to be full of life. It was as if he had finally come to life. you can go wherever you want.

“But remember to get home before I do, or I’ll be worried,” he added.

Ning Qing finally realized what he meant and was a little surprised. can my ran ran go out? ”

Seeing how careful she was, Nian lie’s heart melted into a ball.

“You chose to be with me. I believe you.”

Ning Qing thought, ‘what kind of choice is that?’

She looked away and the man pinched her chin. you said you won’t leave me.

Ning Qing’s heart was even colder than the sky outside the window.

“I won’t:” she said firmly:

Nian lie smiled in relief. He kissed her on the lips again and patted her butt to get her up.

Ning Qing did not like such frivolous actions. aunt Lin has left, ” Nian lie said. if you want to eat, you’ll have to do it yourself.

She thought that he wanted her to cook, so she silently walked past him.

Nian Xi held her wrist. what are you going to do? ”

Ning Qing blinked. don't you need to cook? ”

Nian lie didn't mean it that way. He was planning to do it himself.

He had wanted to tell her to rest, but the words changed when they reached his mouth.

“You want to do it?”

“Yingluo, yes.”

“Alright,” he said.

He pulled her towards the kitchen.

“I can do it alone.” Ning Qing understood his intentions and pursed her lips.

“No,”

Nian lie rejected her without hesitation.

“If you don't want to do it, then don't. If you want to do it, then we'll do it together.”

Ning Qing knew that she couldn't argue with him, so she lowered her head in silence.

Ning Qing had been a little absent-minded, but the two of them always cooked faster than one.

She hadn't cooked for a long time and thought that she would be rusty, but she was unexpectedly familiar with it.

When the dishes were served, Nian Yu tasted them and was full of praise.

Ning Qing quietly accepted his praise.

At night, the two of them made dinner and Nian Yu washed the dishes after dinner.

Ning Qing went back to her room to take a shower, and when she came out, the man had just returned to his room.

He came over to hug her without saying a word. Ning Qing did not refuse because she knew that it was useless to refuse.

Her expression was calm. go and take a shower.

Nian Xi sniffed his body. There was a slight smell of oil and smoke. She probably didn't like it.

“Alright, wait for me,” he said.

The man took off his clothes and threw them on the sofa, revealing his strong chest and well-defined abdominal muscles until he took off the last piece of undergarments.

Ning Qing avoided his gaze.

The bathroom door closed.

She hesitated for a moment and sat on the sofa.

She could not sleep. Once he came out, she would be woken up even if she was asleep.

Ning Qing recalled everything that had happened today and felt like she was in a dream.

“.....”

There was a fruit plate and an ashtray on the coffee table. There was fruit on the plate and a small fruit knife next to it.

She reached out to take it and began to peel the Apple.

The Apple’s skin grew longer and longer, and it drooped on the ground.

Ning Qing stared at the luster reflected on the surface of the knife, as if she was possessed.

“Pa da-”

The bathroom door opened, and a man with only a towel around his lower body came out.

Ning Qing stood by the bed, her figure soft and cold.

“I peeled an Apple for you,” she said.

Nian lie rubbed his short hair and looked at the coffee table.

An Apple was evenly divided into six pieces and placed neatly on the fruit plate.

His lips curved into a happy arc as he picked up a piece and bit into it. It was sweet and sour.

“It’s delicious, very sweet.”

Ning Qing put her hands behind her back and smirked.

After Nian lie finished eating all the pieces of apple, he glanced at the coffee table. There was nothing but a fruit plate and an ashtray.

“Come here,” he said to ning Qing, his eyes darkening.

Ning Qing’s body tensed up and she walked over in small steps.

Nian lie noticed her unnatural expression and looked behind her. what are you hiding behind you? ”

[Chapter 553](#)

553 Go to bed (1:

“No: : ning Qing denied: her eyes wavering:

: Don’t tell me you’re hiding a knife to kill me?”Nian lie joked:

Ning Qing couldn’t control her body, and it trembled slightly.

Her eyelashes trembled slightly and she forced a smile. why would I? you’re overthinking it.

“That’s good.”

He then kissed her on the lips.

Ning Qing was at a loss. Before he could press her down, she hurriedly stuffed the things in her hands into the gap of the sofa.

Ning Qing was absent-minded because she was afraid that he would find out.

Nian lie bit her. you can't even be distracted by such things. It seems like I'm not working hard enough.

Ning Qing's cheeks were slightly red, and she was speechless.

He moved closer to her ear and kissed her cheek.

Ning Qing wrapped her arms around his shoulders and was extremely afraid. ran ran, go to bed.

Nian lie smiled alluringly. sure.

Then, he picked her up and walked towards the bed.

The room was filled with amorous feelings.

.....

Two in the morning.

Twilight.

The woman on the bed was sleeping beautifully. Her brows were tightly furrowed, as if someone was not letting her go even in her dreams.

There was a certain smell floating in the room, which made people's imagination run wild.

The door to the balcony was slightly ajar.

On the balcony, the man's tall figure could be seen at a glance.

Nian lie was only wearing a bathrobe as he stood in the biting cold wind. His short hair fluttered, occasionally covering his gloomy eyes.

He was on the phone.

young Madam's parents and master Yan went back to their own homes and didn't contact each other again.

"Yes."

On the other end of the line, Lu Zhui didn't quite understand Nian lie's actions today. He took the initiative to ask, " young master, why did you ask master Yan and Madam's parents to come here? "

The young master had long known that the young Madam had contacted her father privately.

With his personality, he would either move to another location or lie to Mr. Ning again and cut off any possibility of finding the young Madam.

Wouldn't this save him a lot of trouble?

However, his young master didn't play by the rules this time. Not only did he not expose young Madam, but he also took the initiative to pass a message to Yan Sichen.

Nian lie didn't answer his question. the reason isn't important, " he replied in a low voice. what's important is whether she's gone now.

Lu Zhui thought about it for a while before he realized that she was referring to ning Qing.

But he still didn't understand.

young Madam must be very sad this time. Her parents 'misunderstanding of you has deepened.

"It's not important,"

The most important thing was that she was still by his side.

After saying, " make arrangements for tomorrow, " Nian Jin hung up the call.

The cold wind was blowing, and the coldness seeped into his bones.

He recalled Lu Zhui's question.

The reason he had done so was because he knew ning Qing too well.

The more he suppressed her, the more she resisted.

The more she was forbidden from doing something, the more she wanted to do it.

If Yan Sichen and the ning family's parents didn't come to her, she would always miss them.

Instead of letting her keep thinking about it, it was better to hold it in front of her and let her see clearly if she should follow them.

Once she saw the situation clearly and chose not to leave, from now on, no matter where she went, he would no longer have to worry about her leaving him.

"....."

And this time, it was also because he knew her too well.

Nian lie lowered his head and looked at the shiny knife in his hand, which was emitting a cold light.

He reached out his hand and let go.

The object fell straight down and disappeared into the grass.

He turned around and went into the room. The warmth made his heart skip a beat for a moment, but when he saw the woman sleeping soundly, his uneasiness immediately disappeared.

Nothing was more important than her.

Nian lie stood in the dark for a long time. When his body was warm again, he gently lifted the blanket and went to bed. He pulled the woman into his arms.

The woman moaned. She was so tired that she couldn't even open her eyes. She only said, " I don't want to.

He looked at her small face and let out a satisfied sigh.

Then, he closed his eyes.

.....

[Chapter 554](#)

554 Tina, help me (1:

The journey back to Ying city was very smooth.

It was so smooth that ning Qing's mind went blank.

When she stood in the familiar Hall of Yunyan No. 1, she felt as if she was in a dream.

Nian lie went up to the second floor to change his clothes. When he came down, Lu Zhui followed closely behind him and said something.

He walked quickly and his face was cold. When he saw ning Qing, his face melted.

He walked up to her and said, " there's an emergency at the company. I'll go deal with it and come back to have dinner with you tonight.

"Alright," he said.

He leaned forward and planted a kiss on the side of her face.

"Be good. If you're tired, go upstairs and rest."

Ning Qing nodded. After showing a satisfied expression, he hurried past her.

Ning Qing watched him leave, and the sound of the car engine starting was heard.

After she was sure that he had left, she rushed upstairs and rummaged through the study. She found her long-lost cell phone in the drawer.

After turning on the phone, ning Qing did not call her parents. Instead, she dialed a number.

The phone rang for a long time and was only picked up at the last moment.

"What's the matter?"

The female voice was still cold, as if it was separated by a thick layer of ice.

Ning Qing swallowed. Tina, it's me.

"I know it's you. What's the matter? speak."

Ning Qing thought of what she had said to her before. Her throat was dry, and she could not say a word.

Someone called out to Tina. if there's nothing else, I'm hanging up, " the person beside her seemed to be very busy.

"Don't!" "I want to ask you for a favor," ning Qing said with some difficulty.

The woman did not say anything.

you came to Ji city last month, didn't you? " ning Tingting quickly said, afraid that she would hang up. I saw you on the cruise at the annual banquet!

"....."

"You know Tiny? did you come here just to see him? Or do you have something else to do?"

"Ning Qing,"

The woman spoke emotionlessly, even with a hint of mockery.

"Do you think I have the time for that?"

Ning Qing was speechless.

Tina was standing in front of a huge floor-to-ceiling window. The interior behind her was luxuriously decorated, and the view outside the window was a tall building.

"Don't forget, I was the one who sent you to HE."

"....."

"So what's wrong with me knowing Gu nanzhi?"

Ning Qing's mind turned, and she finally thought of the relationship between the two.

Back then, she was the one who asked someone to bring her to HE. Gu nanzhi was also his superior, so all of this was not a coincidence?

Tina's voice was cold and deep, knowing that she had already thought of something.

you can doubt my actions. Just take it that I had ulterior motives when I helped you before. Let's not contact each other in the future.

She was about to hang up the phone heartlessly.

Ning Qing panicked. Tina, I'm not suspecting you!

She just felt that her help had come too suddenly, and everything after that seemed to have been arranged by her.

Tina's reaction had been especially strange after she had decided to let go of her hatred and marry Yan Sichen.

Ning Qing calmed her emotions. I know you're doing this for my own good. You're afraid that I'll be deceived again.

A cold chuckle escaped Tina's lips. you're overthinking things.

“Tina, don’t be like this!”

The woman’s expression became serious, and something was surging in her eyes.

“You don’t trust me anymore, so there’s no point in saying anything,” she said.

“.....”

“Rather than worrying about what I might do to you at some point, it’s better to cut off contact with me earlier. It’s better for everyone.”

Ning Qing could sense the disappointment and anger in her words. She lowered her eyes and said softly, “ I’m sorry.

She was the one who didn’t believe her.

As expected, Nian lie still wouldn’t let her off, even if she was going to marry someone else.

Ning Qing suppressed the desolation and bitterness in her heart. Tina, I only have you now. Please help me.

[Chapter 555](#)

555 He wants to terminate ning Qing’s contract (1:

“.....”

The woman’s face was like an icy beauty, her facial features moving and deep.

She pursed her red lips as she listened to the pleas of the other party. She felt a little frustrated.

He finally couldn’t bear it.

“Speak,” she said.

“.....”

In just a few short sentences, ning Qing had finished what she wanted to say. She said, “ I understand. her expression did not change much.

After hanging up the phone, she looked out the window and took a deep breath to suppress the depression in her heart.

“It’s just a phone call and you’re already so emotional.”

On the retro Leather sofa behind her, the man’s posture was languid. He held a glass of wine in his hand and took a sip from time to time. The Blue Diamond beside his ear was really eye-catching.

“Who is it?” he asked, seemingly unintentionally.

Tina focused her gaze on the figure reflected in the French window. The man’s golden hair seemed to glow under the light.

Gu nanzhi thought that her reaction was very funny.

After all, not everyone could make this woman's emotions fluctuate.

In his eyes, she was a person who had no feelings.

He was even more inhumane than his dissolute father.

"Young master Gu, it's very rude to eavesdrop on other people's phone calls," Tina said coldly.

Gu nanzhi spread out her hand. She said nonchalantly, " I knocked on the door. You ignored me.

Tina didn't know how much he had heard, but she didn't want to argue with him, so she turned around to leave.

Hey! Gu nanzhi said, " I'm here to look for you!

Tina came to a stop. She felt like her patience was running out. tell me, what's the matter? "

Gu nanzhi looked at her back view calmly. She continued to tease her. shouldn't we sit down and talk about things? "

Tina gritted her teeth. She felt like he was intentionally torturing her.

However, she had a favor to ask of him now, so she could only turn her heels and sit in front of the man.

Gu Nan laughed, still looking harmless. that's more like it. You can't forget how to treat your guests.

Tina was a little angry, and she couldn't help but sneer. young master Gu, I'm not like those people out there. You don't have to treat me like that.

She knew him well enough.

On the surface, he looked harmless, but in reality, he was a prostrating wild wolf. He didn't move, but once he attacked, he would kill the other party.

Gu nanzhi was not angry at her words. Her eyes were gentle, but there was no trace of true emotion.

"Miss Lou, you're still so direct."

Tina paused with a cold expression.

"Young master Gu, you still like to put on a pretense."

The man's fingers gently tapped on the fragile glass wall with a smile in his blue eyes, but Tina thought that there was a knife hidden in his smile.

"I did it to protect myself," he said.

This was the first time Tina had heard such shameless words.

She sneered in her heart and exposed him mercilessly.

protect yourself. As long as you stay out of this, why do you need to work with me? "

"....."

young master Gu, " Tina continued, " why don't you be more direct? you can just say that you want to push your father down and take over the Gu family business.

Gu nanzhi did not mind. my father is a Casanova and has too many sons and daughters. I had no choice but to do this.

"....."

"Besides, I'm not afraid of others finding out that I'm unhappy with him." "It's not like you, Miss Lou," Gu nanzhi said with narrowed eyes.

"You!"

Tina knew that she couldn't win an argument against him, but she didn't think that she would lose so completely.

Forget it.

She had never won against a man in terms of eloquence.

Gu nanzhi stopped when she was ahead and her tone became normal.

"Let's get down to business."

Tina stared at him, and his expression gradually became serious.

"There's news from China just now."

"What news?"

He leaned over and placed the empty glass on the table.

the Nian family has contacted HE's higher-ups to terminate ning Qing's contract.

[Chapter 556](#)

556 He felt that she was pitiful (1)

Tina's expression faltered.

So, ning Qing's prediction was so accurate?

Gu nanzhi held the bottle of red wine at the side and leaned the mouth of the bottle against the mouth of the red wine glass, pouring the wine into it.

The dark red liquid slid to the bottom of the cup.

he said that Nian Xi said that the Nian family will pay the termination fee as long as we let them go.

Tina's brows furrowed after recovering from her shock.

Gu nanzhi's slender fingers held the glass. The liquid swayed in the glass with his movements.

"What do you think?"

"I can't."

Gu nanzhi raised her eyebrows. why? The price offered by the Nian family is three times the price stated in the contract."

Logically speaking, if it was really for money, he would have earned enough.

Although HE was a business under the Gu family's name, offending Nian lie for ning Qing's sake was equivalent to giving up the domestic market.

Anyone who wasn't stupid would know what to do.

The woman's face was beautiful and alluring, exuding an indescribable coldness and oppression.

"You can't terminate the contract," she repeated in a heavy tone.

Gu nanzhi looked at the woman through the glass.

That face could be said to be a work of art, but no one could see what was hidden under the delicate skin.

He curled his lips and smiled. you make me very curious.

Tina looked at him, and he got up and knelt on one leg beside her. His entire upper body was from top to bottom, and she was completely covered.

The clearly ambiguous action did not move her at all.

Tina didn't even raise her head. young master Gu, there's no need to be curious about me. Just do as I say.

Gu nanzhi held the wine glass in one hand and leaned against the back of her chair. She used the other hand to hold her chin, forcing her to look into his eyes.

His words were warm and affectionate, like an intimate whisper to a lover.

I've been with her for a long time. Her family background is ordinary, her personality is ordinary, and her life experience is also ordinary. Other than her work, she is an ordinary woman.

The man got closer and closer, his breath blowing on her face.

"Someone who has nothing to do with you, Lou si, why are you putting in so much effort to help her?"

Tina, the woman he called Lou si, didn't have a single fluctuation in her expression.

"I think she's pitiful," she said.

"Pity can be a reason?"

Tina raised her eyes, but her expression was still calm. when she fell into the river on the cruise ship, you jumped in after her without a second thought. Wasn't it because you pitied her like I did? "

"....."

or, young master Gu, do you really have feelings for a chess piece on the chessboard? "

This rhetorical question hit Gu Nanxi's weak spot.

Tina knew that she had won this time as she looked at his expression.

Her red lips curved up a little, and it was not obvious if one did not look carefully.

Gu Nanxi's eyes darkened. of course not.

"Since you're not, then you don't need to know so much."

Tina raised her head, and her upper body was a centimeter away from the man's lips.

if you work for me, I'll Push You into the Gu family. You and I can both get what we want. As for why I'm doing this, you don't need to know.

Gu nanzhi's nerves were tense, and her hand that was holding the wine glass tightened.

Just as he was about to split his face open, a scream came from the door.

"What are you guys doing!"

Gu nanzhi's gaze shifted over. Li Miao had a look of disbelief on her face. She trembled as she pointed at the two of them. brother Yi, what's wrong with you? "

Gu nanzhi suddenly had a headache. Tina looked at Li Miao and recognized her.

The smile on her face disappeared, and she returned to her cold expression.

if you want to rise to the top, you'd better comfort your fiancée first, " she reminded him. you'll still need her family's support for the rest of your journey.

[Chapter 557](#)

557 If you can't resolve it, then directly breach the contract (1:

Gu nanzhi's body froze.

"Take your time, I'll be leaving first."

Tina pushed the man away and walked out with an expressionless face.

When she passed by Li Miao, the other party stared at her face as if he wanted to see a hole through her.

After Tina left, Gu Nanxi didn't want to stay here any longer, but Li Miao didn't let her go.

"Who is she? Why are you here with her?"

"Because of work: " Gu nanzhi said simply:

Li Miao didn't believe her at all. isn't it enough that you like ning Qing? now you still like a woman like her? " What's so good about her?"

Gu nanzhi could not take it anymore. can you stop fooling around? "

“We can’t!”

Li Miao thought of Tina’s curvaceous figure and her delicate face and felt even more wronged.

“Gu nanzhi, don’t you just like her long legs and big breasts? How can you be so shallow!”

Gu nanzhi felt wronged. who said that I like her? ”

“You were staring at her so intently just now, and you’re still flirting?”

After a long time, Li Miao’s face was red and her heart was beating fast. She couldn’t say a word.

“You still say you don’t like her!”

Gu nanzhi finished the wine in her glass in one gulp, placed the glass on the table, and pushed her away impatiently.

“I said I don’t like it, so I don’t like it.”

“.....”

“Can you stop bothering me? I said I don’t want to see you.”

Li Miao’s heart was hurt by him and she cried, “I’ll go!” You Dog Man, I don’t want to like you anymore!”

After she finished speaking, she covered her mouth and ran out.

Gu nanzhi’s head hurt and she messed up her long hair.

A hint of struggle flashed through his blue eyes as he recalled Tina’s words. He cursed under his breath before chasing after her.

.....

On the other side, cloud flame No. 1.

That night, Nian lie really came back.

At the dinner table, ning Qing’s heart was on tenterhooks. Her phone was lying in her pocket, and it was burning her like a fire.

Nian lie didn’t seem to notice anything. He calmly picked up the food, ate, and even personally served her food.

Ning Qing waited for a long time before he spoke.

“You entered my study today.”

She almost got a mouthful of rice stuck.

Ning Qing swallowed her words and nodded.

“I’m looking for my phone.”

“You found it?”

Ning Qing stole a glance at him. I found it.

“Who did you contact?”

“Yingluo’s friend.”

she’s asking you to find: phone to contact her: ” Nian lie said: it seems like she’s someone very important.

Ning Qing carefully observed his every move, not letting go of any detail.

It was still alright.

He didn’t seem angry.

Ning Qing hummed in agreement. it’s been a long time since we’ve contacted each other. I want to ask her something.

Nian lie didn’t ask any more questions and only served her food.

“Eat more and recover. I’ll accompany you to see her in the future.”

Ning Qing almost choked again, but he didn’t notice anything strange, and the stone hanging in her heart was lifted.

After dinner, Lu Zhui arrived and Nian Xi went straight to the study room.

Ning Qing did not stay in the living room for long and returned to the master bed.

He didn’t object to her using the phone, which meant that he allowed her to use it.

Only then did ning Qing call her parents. When she spoke, she could not suppress her emotions.

“Mother!”

In the study, Nian lie stood in front of the window, looking out at the pitch-black night sky and listening to Lu Zhui’s report.

young master, our people have contacted HE, but they said that young Madam Xuxu’s contract can’t be terminated.

Nian lie’s brows furrowed. What do you mean you can’t cure it? ”

when young Madam first joined HE, she signed a ten-year contract. This year, it’s only the fourth year.

Nian Junfeng’s tone turned cold.

if you can’t, then go ahead and breach the contract. Didn’t I tell you to pay three times the penalty? ”

[Chapter 558](#)

558 Are you really going to leave him?

Lu Zhui was so scared that he shivered. However, he still braced himself and said, ” it’s not a matter of the penalty for breaching the contract. It’s just that the laws in America are different from ours. If you

breach the contract, it's not enough to just pay the penalty. Young Madam still needs to clear the contract.

"What else do you want?"

she still needs to undergo labor reform and ideological reform. To put it simply, Zhenzhen is going to send the young Madam to prison for a few months.

The temperature around Nian lie's body plummeted.

jail? " he repeated, grinding his teeth. jail?!

Lu Zhui felt it. He said awkwardly, " young master, this is indeed a little difficult to handle. The law can't pass it. Also, the higher-ups in HE are reluctant to give up on young Madam.

Lu Zhui was being very tactful.

In fact, Gu nanzhi's original words were,"even if you pay twenty times the penalty, you won't be able to terminate the contract."

But he didn't dare to say it.

He was afraid that young master would strangle him to death.

Nian lie's jaw was clenched tightly, and his eyes were even colder than the ones outside the window.

Lu Zhui didn't dare to breathe loudly as he racked his brains to think of a solution.

young master, it's not impossible to let young Madam use HE's name. She's by your side now and can accompany you for the next six years. She only needs to return to America before the contract expires and confirm if she doesn't want to renew it.

"No way!" Nian Xi objected angrily.

How could he tolerate her being a member of another family for the next six years?

Moreover, HE was from the Gu family.

Only then did he know that the boy from the Gu family was trying to break off the engagement with the Li family. He had to think that he was doing it for ning Qing.

He didn't want to give any hope to the man who was after ning Qing!

A strong possessiveness invaded his mind, surpassing everything in front of him.

Nian lie's Black eyes were cold and penetrating.

think of everything you can. No matter what price you have to pay, she must terminate her contract with HE!

Lu Zhui felt as if there was a huge rock on his head, making it hard for him to breathe.

He knew it would be difficult, but he couldn't disobey Nian lie's determination.

"Yes."

Nian lie wasn't in the mood to listen to the rest of the story. After chasing Lu Zhui away, he stood in front of the window for a long time.

The scenery outside was drowned in the darkness. Nothing could be seen except for the surroundings of the street lamps.

He looked at the dark sky and pushed the window open.

The cold wind seeped into his bones and instantly froze his fingers.

Winter had really come.

But he was not afraid.

It was because he had to protect the people he loved.

For the next week, Nian lie was so busy that he left early and returned late.

Ning Qing didn't know what he was busy with. She only knew that, as she had expected, he had asked Lu Zhui to terminate her contract.

She could also tell from Lu Zhui's expression every time he came out of the study room that the termination of the contract wasn't going smoothly.

She heaved a sigh of relief.

The conversation he had with Tina that day rang in his ears.

“Speak.”

“You should know that I was caught by him and didn't attend brother Sichen's wedding. My freedom has been restricted by him until now.

I think, with his possessiveness, he probably doesn't want me to have anything to do with Nanyan, so I think his next move will be to have me terminate my contract with him.

I would like you to tell the higher-ups in the company that I don't want to terminate my contract. I also want them to refuse to terminate my contract. After that, I'll find a way to leave Nian lie and return to HE.”

“Are you really going to leave him?” Tina asked.

There was no doubt.

“Yes!” Ning Qing was extremely determined.

“What can we do?”

I will find a way to gain his full trust, and then find a chance to leave, never to appear in front of him again.

do you really think that you can escape his surveillance with your parents 'help? "

Ning Qing was stunned.

Tina seemed to have realized that her words had woken her up. After a long silence, she said, " I understand.

Her words had been light, but they had pierced into ning Qing's heart like a thorn.

So what if she had prepared a backup plan? she had nowhere to run.

Perhaps, she should change her way of doing things.

She wanted him to completely give up on her.

559 Ning Qing's intelligence (1:

Ning Qing had thought it through. She went into the kitchen, made two cups of coffee, and brought them to the study.

"Shua shua-

"Come in."

Ning Qing glanced at the sofa, and the two people on the sofa who looked similar looked over at the same time.

Lu Zhui stood aside and took the coffee from ning Qing's hand. young Madam, just let the servants do these things.

"It's fine."

Nian Xun stood up and walked towards her.

"What's the matter?"

He helped her to the sofa.

Ning Qing raised her eyes and looked at the man opposite her. I saw that Nian che is here. I thought you guys would be tired from talking about business, so I made you a cup of coffee to wake you up.

sister-in-law. Nian Che's expression was slightly strange.

Ning Qing nodded in agreement. Nian Yu put his arm around her waist, and the coldness in her body dissipated, leaving only a warm gentleness.

"What did you do at home today?" he asked.

Ning Qing lowered her eyes. nothing much. I just ate, went to bed, walked around the backyard, and watched TV for a while.

Nian lie's heart ached a little when he saw how bored she was. I'm sorry. I've been too busy recently and neglected you.

Ning Qing did not speak.

Nian che watched from the side. Her expression wasn't good, and she looked much thinner.

"Since you have sister-in-law to accompany you, I won't be here to join in the fun," he said with a forced smile:

He stood up, but Ning Qing called out to him.

"I'll go back to Yingluo first."

No need, Nian che.

He looked at her. Her eyes were still clean and clear, and he could not bear to profane her.

I'm just here to deliver a cup of coffee. I won't disturb you guys since you're busy.

She pushed Nian lie's hand away, but he caught it. Where are you going?"

"I'm going back to my room," Ning Qing said quietly.

Nian Xi raised his head slightly and looked at her clean face. Sit down.

Ning Qing glanced at Lu Zhui and Nian che. The two of them were looking at her, embarrassment welling up in their hearts.

"No, I'll wait for you in the room," she said.

The words that she blurted out deeply pleased Nian lie.

His attitude was even more determined, and his grip on her hand tightened.

"....."

In silence.

Ning Qing compromised.

She sat back down and watched as he revealed a satisfied smile.

Nian lie leaned back and placed an arm on the back of the chair, as if he was trying to keep her within his embrace.

Have a seat," he said to the dazed Nian che. Your sister-in-law is not an outsider.

Nian Ying felt a lump in his throat. He had no reason to disobey, so he sat down slowly and continued the conversation,"

Last month, there was news from the capital city saying that the Lou family is looking for strong partners in the country. They want to connect the domestic and international lines to open up the markets on both sides.

Nian Xi picked up the coffee and took a sip. It was a little bitter.

the Lou family has been rooted abroad for too long. Although they are returning to China, I'm afraid that it won't be easy to open up channels in all aspects. That's why we need to find a suitable partner.

Ning Qing noticed his expression. She took a bag of sugar from the tray she had brought over, tore it open, and put it in the coffee cup he was holding.

Nian Che's eyes flickered. This is a rare opportunity. Most of the directors support our collaboration with them. Brother, should we take the initiative and send someone to contact the Lou family? "

Nian lie looked at Ning Qing, who was stirring her coffee with a small spoon, making a clatter from time to time.

He was happy that she was so attentive, and he even talked about work.

"No," she said.

Nian che and Lu Zhui were both surprised.

"Why?"

This was a good opportunity for the Nian family. With the Lou family's support, it would be easier for them to develop their business in the foreign market.

Nian lie's Black eyes were cold and sharp.

He said calmly, " the Lou family has opened their mouth to look for partners. There are countless restless merchants in the country, and most of them will take the initiative to visit. The Lou family has their eyes on the top of their heads. The current head of the Lou family, Madam Loulan, is also ruthless, shrewd, and courageous. Do you think she will take a fancy to those who take the initiative to visit? "

560 Not even as good as your sister-in-law (1:

Listening to his words, Ning Qing could not help but be in a daze.

She remembered the woman she had seen on the cruise ship. She had a kind and gentle glow all over her body, and her eyes were even more gentle.

She couldn't associate her with the " Iron Fist " that Nian lie had mentioned.

Lu Zhui and Nian che felt that their analysis was very logical. Nian che was a little troubled. What should we do? "

Nian lie lowered his head and took another sip of the coffee. It was slightly sweet now, but he was in a good mood.

"Wait and see," he said.

Nian Xi was stunned.

Ning Qing took the cup from Nian Jin's hands and tasted it. She did not like it.

She placed the cup back on the table and looked at the confused Nian che. let's wait and see, " she said. we'll wait for them to come.

The three men in the room didn't expect her to speak, and their eyes gathered on her.

Ning Qing was not in a hurry, her eyes open.

taking the initiative to visit will give people the feeling that the other party is nobler than you. The Lou family has developed in Jingdu for so many years and is used to seeing such people. Naturally, they won't like them. Most people do this, and the remaining few are special.

"....."

the Nian Corporation is one of the most famous companies in China. They're undoubtedly the best choice among those who are special. After weighing the pros and cons, they'll send someone to contact us. In that case, we'll have the upper hand.

After she finished speaking, she looked at Nian lie. am I right? "

Nian Yu smiled without saying a word, but his eyes were full of admiration and amazement for her.

Nian che and Lu Zhui gasped in amazement when they heard this.

"Sister-in-law, your logic is really strong!"

Why didn't he think of his brother's intention?

Lu Zhui had not expected ning Qing to answer Nian lie's question without missing a single word. She knew Nian lie better than he did!

sister-in-law, " Nian che said, " why don't you stop learning design and come to manage the company? I'm sure you'll do better than me!

Nian Ying put an arm around ning Qing's shoulder, as if he was not going to let anyone touch her.

"Don't even think about it. She would never do those things."

why?! Nian che was flustered.

She was more talented than him, so it would be a pity if she didn't study management!

"My woman only needs to do what she likes: : Nian lie said in: gentle yet domineering voice as he looked at ning Qing:

Nian Che's jubilant mood faded.

why don't you study hard? you're not even as good as your sister-in-law, " Nian Yu said ruthlessly.

Nian Ying was furious. what can I do if I don't have the talent? "

He had already tried his best.

Facing reports and documents every day, he was almost blind!

we have the same genes: " Nian Xi said coldly: don't make excuses. My younger brother isn't that bad.

“.....”

“Unless you’re adopted.”

Nian Yu stood up abruptly. brother, don’t go too far. I’ll be angry!

Nian lie smiled, but he didn’t sound too stern.

if you know that you’re not as good as others, then work hard to catch up. There’s no use complaining.

Nian Ying’s anger slowly faded like a balloon.

Ning Qing looked at his dejected face and consoled him. you have to learn slowly. Nian che, you can learn well. Don’t be disheartened.

Nian Che’s dark eyes brightened, then he nodded at her.

Nian lie looked at the time and said, “ it’s getting late. We’ll call it a day. You can go back first.

okay, ” Nian che agreed and looked at ning Qing.

“I’m going out,,: ning Qing said to Nian lie:

Lu Zhui was holding a tablet and talking to Nian lie about some data.

Hearing ning Qing’s words, he subconsciously frowned. He was about to say something, but when he looked up, he found that the two of them had already left.

“Young master?”

Nian lie’s eyes changed several times and he pursed his thin lips.

“Continue.”

“Alright, let’s do it here.”
