

Mr Nian 601

[Chapter 601](#)

601 Mom, I love her (1:

“Don’t be so unreasonable, I’m doing this for our family!”

The man was completely enraged and thought that she was being unreasonable.

“Si Chen said he wanted to marry her, but you told me that she didn’t really love our son, so when we were talking about marriage, I did as you said! It was you who said that ning Qing doesn’t respect her elders and doesn’t deserve to be the daughter-in-law of my family. That’s why I didn’t agree to our son looking for her!”

He did everything according to her wishes, for fear that she would be unhappy at all.

However, once something happened to her son, it would be his fault in her eyes!

The banquet mother’s emotions got the better of her and she couldn’t control the sadness in her expression.

“Good, Yingluo, good. You’ve endured me for so many years. It’s been hard on you!: She said:

“.....”

“When our son wakes up, we’ll get a divorce, so we don’t have to torture each other!”

The banquet father was shocked. you’re so silly!

“Mother, mother, mother, mother!”

A weak shout interrupted the two’s argument.

Mrs. Yan wiped her tears and immediately went to the bed. Si Chen, mom is here. Where do you feel uncomfortable? ”

The man opened his misty eyes and raised his hand to touch his chest. mom, ” he said hoarsely, ” my heart hurts. My heart hurts.

Mother Yan’s heart ached as she cried, ” I’ll go get the doctor for you.

The man pulled her back and shook his head. His eyes quickly turned red.

He had a splitting headache, but there was only one voice in his head.

she can’t marry him. She can’t, Qianqian. Please help me. Tell Qingqing quickly. She can’t marry him, Qianqian!

Yan Sichen coughed from the intense pain in his chest.

The sounds were ear-piercing.

Mr. Yan didn’t expect him to still be thinking about that matter. stop thinking about it. That’s her decision. No one can stop her.

Yan Sichen was so enchanted that he didn't listen at all.

He forcefully pulled on his mother's hand, trying to get up, but he had no strength and could only look at his mother in such a sorry posture.

He kept begging, "mom, I can't live without her. You know Hanhan, I love her. For many years, I've liked her since I was young. It wasn't easy for her to agree to marry me. I'll be able to marry the girl I've loved since I was young, Hanhan mom, help me.

It was rare to see tears in the eyes of the woman who had been heartbroken over the child, but her face was expressionless.

Her face was numb. Si Chen, do you still want to marry her? "

Yan Sichen nodded and his eyes were filled with a sickly glow. mom, I love her!

what's the use of loving her? " Yan rusheng's father asked. She didn't even care about you when you were half dead!"

Yan Sichen shook his head and no longer looked like a gentleman.

she didn't do it on purpose. Nian lie forced her to do it. She doesn't love him. She doesn't want to marry him!

When she heard this, the banquet mother trembled all over. There was no longer any emotion in her eyes.

are you sure she doesn't want to marry Nian lie? "

"She's not a coward."

"If she didn't want to, would she have to cut off all ties with the ning family?"

Her question hit the man's head like a heavy hammer.

He stopped moving.

His eyes became dull.

The banquet mother held back her breakdown and was determined to wake her son up.

if it's an act, what kind of matter is worth her making fun of her parents? "

"....."

"Si Chen, wake up! In order to be with that man, she abandoned her parents. Do you think you can make her change her mind?"

She held his hand, squatted down, and looked at him.

"Don't make any more mistakes, she's not worth your love!"

Yan Sichen suddenly went crazy and flung her hand away.

"No! I don't believe it!"

[Chapter 602](#)

602 The banquet mother committed suicide (1)

When the mother of the banquet saw her son's Red eyes, she suddenly felt bad.

At this moment, Yan Sichen was like an injured beast, the obsession in his eyes was crazy and conspicuous.

"She can't marry anyone else. She's mine!" He said.

As he mumbled this, the man also pulled off the needle on the back of his hand while the banquet mother screamed.

"What are you doing?" the banquet father roared.

Yan Sichen lifted the blanket and got out of bed. The moment he fainted, he fell to the ground.

Before the banquet mother could reach out to help him, he stood up and stumbled out.

Blood flowed from the back of his hand and dripped onto the bright ground.

The guards at the door saw his defeated face and did not dare to stop him.

Yan Sichen only had one thought in his mind-find her and stop her.

"Yan Sichen, stop!"

The man didn't stop, and the banquet master hurriedly chased after him.

When she passed by Yan mu, she accidentally bumped into her.

He did not notice the woman's numb and despairing expression.

It was so strange that it was terrifying.

Her gaze stopped on the pillow that the man had pulled down.

"....."

Yan Sichen's father chased after him, but Yan Sichen couldn't tell the direction and asked others around like crazy.

"Do you know where ning Qing is? can you take me to her? I have something important to tell her!"

The distinguished young master of the Yan family had become so lowly because of a woman.

The banquet's father was completely embarrassed. He pointed at him and said, " stop him!

The man's subordinate rushed up and held the man's hands.

"Let go of me, it'll be too late if you don't go!"

However, Yan Sichen was seriously ill and didn't have much strength in his body, so he couldn't break free.

The banquet's father quickly stepped forward. Seeing that he had gone crazy, he raised his hand and slapped him.

"Pa-"

Yan Sichen's head was completely heavy.

"Just how long are you going to keep going crazy!"

From time to time, people in the corridor looked over, but they didn't dare to look closely, for fear that they would be involved in the grudges of this wealthy family and unable to get out.

Yan's father didn't care about his face and grabbed him by the collar, his tone full of anger and disappointment.

"Did I raise you up to let you destroy yourself for a woman?"

"....."

"If you don't know what's important, I'll treat it as if I don't have a son like you!"

The man's face drooped, his chin sharp and tight, and his face was so pale that he didn't look alive.

"But Yueyue, I love her," he mumbled to himself, his eyes red.

A teardrop fell and wet a certain spot on the ground.

The banquet father heard this and became even angrier.

Just as she was about to raise her hand to give him another slap, a loud shout came from the door of the ward,

"Not good! Someone here has committed suicide by cutting his wrist!"

Yan Sichen's whole body seemed to be frozen and he couldn't move. After a long while, he said, " what? "

The banquet master felt something and turned to run to the ward.

Yan Sichen felt as if his senses had all disappeared and he was the only one left.

In a daze, he remembered what ning Qing's mother had said to him when he was locked up at home.

Si Chen, if you want her, it means that you don't want me as your mother. That's the same as asking me to die.

"If you want to find her, I'll die in front of you."

Therefore-

A terrifying chill rose from the soles of his feet to the top of his head.

That was until he saw the nurse's grave expression, his father's panicked expression, and the woman's pale face.

The blood on her wrist continued to ooze out, and it was impossible to stop, as if the tap was turned on. The blood dripped onto the ground like a blood flower.

He finally couldn't hold it in any longer. He knelt on the ground and let out a heart-wrenching roar-
"Mom!"

[Chapter 603](#)

603 Don't you think that Madam is acting very strange?

No one knew about the storm that was brewing in the Yan family.

Until a week later.

In the living room of Yunyan No. 1.

"Wow, this wedding dress is so beautiful!"

A young maid couldn't help but exclaim.

All the servants around her were stunned and looked at ning Qing with envy.

The woman looked at the wedding dress in front of her with a calm expression.

It was a silk veil with bare shoulders and a waist-length design that exposed one of her legs. Although it looked simple, the huge pigeon-egg brooch on her chest showed that it was worth a lot.

The other was a wine-red toasting suit. The velvet fabric made it look high-class and elegant, and it glowed a little under the light.

The main wedding gown was even more stunning.

It was pure white, and the design of the bubble sleeves was retro and formal. There were large and small crystal diamonds embedded at the waist, which were dazzling, exquisite, and eye-catching. The skirt had a total of three layers, and the top layer of the White chiffon hem was embroidered with complicated patterns with pale silk thread. The long tail made it look Holy and solemn.

"Only our Madam is worthy of such an exquisite wedding gown."

All the servants in the villa knew about the dispute between ning Qing and Nian lie. They had heard about it in the past and thought that the two of them were not on good terms. However, it seemed that Nian lie was really good to ning Qing!

Just this wedding dress alone was designed by the world's top designers. The embroidery process even took eighteen embroiderers five days and five nights just to make it in time for the wedding!

As for ning Qing, they were all glad that she was a good-tempered mistress and treated everyone with gentleness. They were not as reserved as they had been at first.

There was a slight emotion in the corner of ning Qing's eyes as she reached out to the wedding dress.

yeah, such a beautiful wedding dress. Anyone would be stunned in it.

The maid thought that she was sighing with emotion. She could not help but say, "Madam, you can't say that. This wedding dress was specially ordered by Sir for you. No one else has the Fortune to wear this wedding dress.

"....."

"You're such a good person, only this is worthy of you."

In the face of the almost flattering praise, Ning Qing did not show much emotion.

Her fingertips slid across the tulle, as light as milk.

The person who had specially brought the wedding gown over stepped forward and said respectfully, "Madam, the design of this main wedding gown is very special. It's a little troublesome to wear. Let my colleague and I help you try it on.

Ning Qing's eyes were indifferent. alright.

The woman put on the gloves grandly and carefully pushed the wedding dress into the fitting room.

Ning Qing followed him in, and the door closed quickly.

The group of servants scattered like birds, leaving only a few in the hall.

Maid A's eyes lit up. I'm so envious. A lady from a rich family is so good. There are so many diamonds on her wedding dress.

Maid B glanced at her. what's a diamond? why would she want such a tacky thing? "What's valuable about this wedding gown is its design. Think about it, when have we ever seen a wedding gown like this?"

"Isn't it? If I had a Kasaya and could wear it for a while, I would be willing to die!" Maid A was so envious that she was almost drooling.

Maid C looked down on her infatuated look. why don't you see if you're worthy of her? "

"What do you mean by that?"

"With your body, I won't even look at you in front of me, let alone our Sir."

Maid A was furious. do you want to die?!

"Alright, alright!" Maid B tried to smooth things over. stop quarreling. If the manager hears us, all three of us will have to get lost.

The two of them then glared at each other and stopped talking.

Maid B's eyes darted around and she stared at the fitting room. hey, do you two see anything? "

"What?"

"Don't you think that Madam didn't seem to be that happy just now?"

[Chapter 604](#)

604 There's no need to try anymore (1:

The two of them were stunned and gradually recalled ning Qing's expression just now.

Maid A was brainless. no, he's a rich man. He's not like us who haven't seen the world. He can't be jumping up and down in front of us, can he? "

Maid B patted her hand. I don't mean it that way. Why don't you understand? "

"....."

She looked around and lowered her voice. don't you think that this Madam has not been very happy all this time? "

"That's how she is," maid C said indifferently.

what kind of temper is that? why don't you guys think about who she's married to? "

"....."

The woman's expression became even more exaggerated. She's from a family of giant businessmen in China, and they dote on her so much. Logically speaking, if the two of them were truly in love, she should be happy every day."

On the contrary, she would occasionally see her staring out the window in a daze.

Last night, she had even seen ning Qing go to the study alone and only come out after a long time.

Nian lie wasn't around at the time. Although she was puzzled, she didn't dare to say anything and could only pretend that she didn't see anything.

Maid C crossed her arms and said, " Jie, she's not an ordinary person. Don't think of her like an ordinary person.

Maid B was anxious. I'm really not lying to you. I think ran ran doesn't care about her marriage with Sir at all!

"....."

However, the other two people didn't believe her at all. After giving her a cold look, they turned around and went to do their own things.

No matter how aggrieved she felt in her heart, she had no way to express it.

In the fitting room, the two women were about to tear the wedding dress apart.

"Hold on,"

The lady in charge stopped and looked at ning Qing in confusion.

Ning Qing was very calm. there's no need to try.

The woman was stunned for a moment, and then she panicked a little.

"What's wrong with your Yueyue? Don't you like this one?"

“.....”

Ning Qing was silent.

The woman was even more panicked.

This wedding dress had taken them a lot of effort to rush it out yesterday, and then they had sent a professional to air it back just so she could try it on.

In the end, Yingluo didn't like it?

The woman's expression became strange. Ning Qing knew that she was in a difficult position. She found an excuse for herself. I'm not feeling well.

“.....”

“You guys go back first. I'll try it out when I have time.”

The woman was even more terrified, and her forehead was covered in sweat.

Madam, if you don't like it, you can still make changes to the details. You don't have to force yourself. We wanted you and Mr. Nian to have a perfect wedding. You're making things difficult for us.

A perfect wedding?

I'm really sorry.

This wedding was destined to be imperfect.

Ning Qing hid the mockery in her eyes. you don't have to be nervous. I'm not dissatisfied.

The woman was even more confused. then why? ”

Ning Qing did not answer her question directly. the wedding dress is beautiful. Any woman will like it. I also believe that the person who wears it will be happy.

“.....”

“However, it is too perfect.”

Ning Qing's tone did not fluctuate much.

“I'm a little suspicious if someone like me is worthy of it.”

The woman was even more afraid, and her heart was about to jump out of her throat.

It would have been fine if she had said that she didn't like any part of the design, but now that she was saying it in such a vague way, it made people panic.

The woman tried her best to maintain a professional smile. what are you saying? You and Mr. Nian are a match made in heaven, a perfect match for each other. Everything he has done for you, you deserve it. You don't have to belittle yourself.”

“Perhaps: : ning Qing blinked and said vaguely:

“.....”

In the end, ning Qing still refused to try it on.

The two of them had no choice but to leave in embarrassment.

[Chapter 605](#)

605 What are you so nervous about?

That night, Nian lie returned home early.

He saw the stunning wedding dress in the fitting room, but he did not see ning Qing.

He went up to the master bedroom on the second floor, but there was still no one there.

Finally, he found her in the study with the door half-closed.

The woman was sitting in front of the desk. The light from the computer screen shone on her fair face, giving people the illusion that she was cold.

Nian lie pushed the door open, his dark eyes dark. what are you doing? ”

The woman raised her head, her eyes filled with surprise. why are you back so early? ”

Nian lie’s eyes narrowed and his thin lips moved. you’re very nervous.

He used an affirmative sentence.

Ning Qing’s lips twitched. She moved her hand away from the mouse and hid it under the desk.

She looked a little confused and found it funny. what are you talking about? I heard from the servant that you’re going to discuss a big project and will be back later.

“.....”

Nian lie strode forward and stopped a few steps away from the table.

He pressed his hands on the table and leaned his upper body forward slightly. A cold sense of oppression suddenly surged up.

Ning Qing smiled. what’s wrong? ”

“What are you so nervous about?”

Her smile was still there, but it didn’t seem real enough under the light.

His expression was frozen, and his handsome face was covered with a layer of shadow, making it difficult to see clearly.

“Ning Qing, answer me.”

“.....”

The woman’s smile faded, and her face slowly became expressionless.

The dead silence spread.

Nian lie's nerves were so tensed that he could not control them. It was so intense that his scalp was tingling.

The woman lowered her eyes to hide her expression.

After a while, she helplessly turned the computer screen around. alright, " she said at the same time, " I'll tell you the truth. I'm not very satisfied with the wedding dress that was delivered today.

Nian lie's breathing stagnated for a moment, and the emotions in his chest almost exploded.

Ning Qing pointed at some parts of the wedding dress on the screen. After finding it difficult to speak, she looked a little angry.

"I know you've put in a lot of effort for our wedding, and I don't want to burden you with such a small issue. I wanted to talk to the designer myself, but Hanhan ..."

She glanced at him, who still had not relaxed. forget it, Yueyue. If you're not happy, I won't say much.

She stood up as soon as she finished speaking.

Across the desk, Nian lie grabbed her wrist. His deep eyes were like the night sky in the middle of winter, dark and cold.

A chill slowly came from the place where ning Qing was being held. She tried her best to maintain her smile. if you have something to do, go do it. Let go of me.

The man did not move and only looked at her deeply.

Ning Qing tried to break free, but she couldn't. Anger and grievances rushed to her head.

if you don't believe me, I won't come to the study room anymore. You don't have to look like that. Or you can ask the servant to follow me. You'll know clearly if I've done anything else!

Hearing her sobbing voice, Nian Yu snapped back to his senses and looked into her watery eyes.

His heart ached, and the inexplicable fear faded quickly. I'm sorry, " he said with difficulty.

Ning Qing looked up and tried to stop her tears from falling. you don't have to apologize. I haven't done enough, so you don't believe me.

"It's not that I don't believe you," Nian Yu said in a hoarse voice.

you ... ning Qing bit her lip, her eyes red. She could not stop complaining. you just didn't believe me.

Nian lie's dark eyes flickered. He gritted his teeth and said, " I'm sorry.

She pulled a long face, but he didn't say anything.

The two of them remained in that awkward position for a long time across the desk.

"Forget it, I don't want to be angry with you," ning Qing finally said.

[Chapter 606](#)

606 What I want is for you to let me down _1

She broke free of his hand and drooped to the sides of her body, trying to leave.

"I came back to tell you something," Nian lie suddenly said.

Ning Qing stopped in her tracks. She did not respond, as if she had not recovered from her shock.

I've invited two people to our wedding, " Nian lie said with his thin lips. they'll be our witnesses.

Ning Qing was stunned. it's ran ran.

In fact, she had a vague answer in her heart.

When she saw the certainty in his eyes, ning Qing's heart skipped a beat, and she almost lost control of her expression.

Fortunately, she moved her eyes away in time and did not reveal her panic.

"Did you go to luoxia Valley to invite your grandfather and mother-in-law?" she asked, holding back her trembling.

Nian lie's expression was dark, and his eyes were misty.

it's not appropriate for my parents to be at the wedding, and your parents won't be there either. The only people who can officiate our wedding are Grandpa and mother-in-law.

"....."

He looked at the woman's relaxed expression. Qingqing, don't you want the two elders to witness our happiness? "

Under his penetrating gaze, ning Qing felt goosebumps on her back.

She wanted to laugh to ease the pain, but she couldn't force herself to laugh.

Thus, she pursed her lips and said with a little temper, " but the terrain of luoxia Valley is so bad, and grandfather and mother-in-law are not in good health. I'm afraid they can't take it if we keep going back and forth like this.

Nian lie said, " the two elders haven't come out to see the outside world for a long time. It's time to take this opportunity to take a good look. Besides, I've asked Lu Zhui to send a helicopter over. Don't worry. They'll definitely come. They'll definitely want to come.

"....."

Ning Qing was speechless.

Nian lie stared at her for a while, then slowly walked around the desk to stand in front of her and pulled her into his arms.

you don't have to worry about anything at the wedding. If you don't like the wedding dress, don't force yourself. Leave everything to me. You just have to be a good bride, understand? "

A chill ran through ning Qing's body, and she forced a smile.

"Alright," he said.

She had suddenly become obedient, but he did not seem to notice anything. His voice was deep and mellow, as beautiful as a violin, bewitching people.

ning Qing, I love you. I hope you can be my most beautiful bride.

Ning Qing's mind was in a mess, and she didn't have time to understand what he meant. She just nodded her head randomly in response.

The man closed his eyes, and his face was covered with a layer of coldness.

He let go of her, and the ice in his expression melted. remember, no matter what, I will never doubt you.

Ning Qing blinked. I'm sorry. I was too anxious just now.

He held her face. ning Qing, don't say sorry.

He didn't like to hear it.

It was as if she would only ever let him down.

"I want you to be sorry."

Ning Qing's heart trembled, and her fingers trembled.

She tried her best to smile at him. I won't let you down, I swear.

Nian lie's furrowed eyebrows finally relaxed.

He passionately kissed the side of her face and said,"okay."

Ning Qing lowered her head. if you're busy, then hurry up. Go back to the room and take a shower first. I'll wait for you.

"Yes."

Her hands trembled as she pulled something out from a certain place. She looked up and smiled at him, then put both hands into the pockets of her home clothes.

Nian Xi watched her hurried steps. It was not until the door was closed that his serene gaze fell on the computer screen, which had already been turned off.

He didn't move away for a long time.

[Chapter 607](#)

607 The two elders come out of the mountains (1:

Ning Qing had been on tenterhooks for a few days, and she finally saw the two elders the night before the wedding.

It was a bone-chilling winter, and the cold wind was chilling.

Ning Qing was in no mood to dress up, and the servants' persuasion was to no avail. They could only go back to their room to get a thick coat and umbrella and stay by her side.

As the sky darkened, the helicopter quickly landed in the wide backyard.

Two slightly hunched figures stepped on the grass under the instructions of the people around them.

With tears in her eyes, Ning Qing stared at the two people against the light. "Grandfather! Granny!"

Before she could see clearly, she rushed towards the man and hugged him.

"Aiyo!"

The old man stumbled back two steps from the impact. Nian Lie, who was beside him, hurriedly supported him.

He smiled. His face was old, but he was in good spirits.

"Girl, you're going to break your grandpa's old bones!"

Ning Qing had just been overjoyed, but now that she had come back to her senses, she immediately withdrew from his arms. "I'm sorry. I was too happy to see you and mother-in-law."

The old woman walked over and reached out to wipe the tears from the corners of her eyes. She was gentle and indulgent.

The old master patted her hand. "Why are you crying?" "You're not a child, crying when you're happy."

Ning Qing smiled. Her heart ached and was filled with all kinds of emotions.

The cold wind blew, and the few of them shivered.

Nian Lie turned around and inadvertently stood in front of Ning Qing. He held her hand, which was a little cold.

"It's cold outside, please let Grandpa and Grandma in first," he said with a frown and his head lowered.

"Alright," he said.

Ning Qing let go of his hand, took her mother-in-law's arm, and pulled her in as she spoke.

Nian Lie stood beside old master Nian. Old master Nian looked at the complicated and luxurious building and couldn't help but sigh. "I told you two that you don't look like ordinary people. I was right."

Nian Xi lowered his head, his attitude respectful. In the eyes of others, it was somewhat frightening.

After all, he had never been so humble in front of his parents.

"Grandpa, you're right," he said. "I still have to thank you for saving me and her back then. Only now do I have the chance to let you two witness our wedding."

The old man waved his hand. "This isn't your fate, but it's worth it to see you two."

"....."

As he said this, he turned his head to look at her.

Facing the old man's scrutiny, Nian lie felt a little awkward. Grandpa, what's wrong? " he asked.

Although the old man was old, his eyes were extremely clear and bright.

He was silent for a while, a smile on his lips.

"Child, have you been happy for the past half year?"

Nian lie's expression froze for a moment. For a moment, he didn't know how to answer.

The old man seemed to understand, but he didn't want to ask anymore. He patted his back and looked at the dim light.

"It's really cold outside, even colder than the mountains. Let's go in."

The old man walked away with small steps.

Nian Ying stood there and suddenly forgot to follow.

Lu Zhui held his umbrella and stepped forward to remind him, "young master?" The old man has gone in."

"....."

Nian Yu pursed his lower lip. It was icy cold, stimulating his nerves.

He moved his long legs and followed.

The lights in the living room were bright, and the dining table was filled with all kinds of exquisite dishes that dazzled the eyes.

Ning Qing personally helped the two old men sit down and waited for Nian lie to come in to eat.

"Grandpa, grandma, you must be tired from the journey. Come, eat more."

She picked up food for the old man and scooped soup for the mother-in-law. Nian Jin had not seen her so enthusiastic in a long time.

He knew that she was truly happy, and a rare smile appeared on his face.

The old man was not reserved. He even helped his wife pick up some food. the wedding is tomorrow. Why is your place still so quiet? " he asked in between.

[Chapter 608](#)

608 Some knots can't be unraveled _1

the wedding will be held in a hotel: " ning Qing said: we're here today to welcome you and mother-in-law. We also want you to see where we live.

The old man nodded, his expression a little serious. your weddings now are more complicated than before. You have to tell me what the marriage officiant has to do.

there's not much for you to do," Nian lie said in a low voice. I invited you and granny here to bear witness.

Ning Qing's eyes froze for a moment, then dispersed.

The old man looked at the two of them. There were some words stuck in his throat, and he did not say them out.

After dinner, the guest room was ready.

Ning Qing knew that the two old men's daily routine was different from theirs, so she sent them back to their rooms early to rest.

Grandpa, grandma, have a good rest. If you need anything, just let the servants know.

The old woman nodded and prepared to take a bath before resting.

Ning Qing personally explained to her how to use the things in the bathroom. When she came out, she saw the old man standing in front of the window.

She hesitated for a moment, but still walked over. grandfather, why aren't you sleeping? Are you not used to it?"

The old man turned back to look at her and gestured for her to walk over.

She went to the old man's side, and the two of them were silent for a while.

The old man said, "time really flies. Now that I think about it, the last time I saw you two was more than half a year ago! The next time I see you, it's the two of you together."

"That's right, it's been so long." Ning Qingxin agreed.

"Little girl, how are you doing after leaving the mountain?"

Ning Qing stared at the long night sky outside the window, her eyes sparkling. it's pretty good.

The old man glanced at her but didn't say anything.

He lowered his voice and said, "thinking back, I didn't think that you two would make up when I saw the way you two acted. Sometimes, I think that there's a knot in your hearts that hasn't been resolved.

Ning Qing's heart suddenly ached, and she forced a smile and said,"it's nothing."

"It's solved now?"

"....."

Ning Qing could not answer.

The old man looked at her for a while. Seeing that she couldn't even force it, he nodded with a serious expression.

"You haven't unraveled the knot in your heart, so why are you getting married?"

Ning Qing could not bear to lie to the old man in front of her, but she could not say anything more.

“There are some knots that can’t be unraveled,” she mumbled as she closed her eyes.

The old man looked at her helpless expression, as if it was difficult to face her.

He couldn’t think about what she had experienced during this period of time, nor could he think about the ridiculous things she had experienced. He could only sigh deeply.

I don’t have any other requests. I just want to see you guys happy. If you’re not happy, then life and life have no meaning.

Tears welled up in ning Qing’s eyes and she said, “ I know.

The two old men whom she had met by chance had saved her life and treated her sincerely after that. She could not help but be moved and grateful.

The old man patted her shoulder. go and rest if you’re tired. You’re the bride tomorrow and there are still many things to do.

“Alright,” he said.

She agreed, her tears dried up. “You and granny should have an early rest,” he said after he walked out of the room.

The old man agreed with a smile.

After she left, her mother-in-law came out of the bathroom.

She looked around but could not find ning Qing. She only saw her husband’s heavy expression.

“What’s wrong?” she asked, puzzled.

The old master glanced at her and did not say anything.

She hurried over and said worriedly, “ don’t scare me. This child is getting married tomorrow. How can you keep such a long face? ”

The old man snorted and ignored her.

His mother-in-law was angry and ignored him. She lifted the corner of the quilt and got on the bed.

The old man sat on the sofa and looked at the gloomy sky outside. There was no light at all.

“Who knows if it can’t be undone or if it doesn’t want to be undone?” he suddenly said.

The room was silent, and no one responded.

After a long time, he got up shakily and walked to the bed.

[Chapter 609](#)

609 No one wants to give you a perfect wedding more than I do (1:

Ning Qing left the guest bedroom and returned to the master bedroom. To her surprise, Nian lie was still there.

why didn't you leave?" she asked in surprise.

Nian lie had just come out of the bathroom covered in water vapor. His short hair was wet, and he looked much softer and more amiable than usual.

He rubbed his wet hair. I'm not leaving.

Ning Qing could not help but find it funny. although I've never had a wedding before, I know the customs.

Nian lie stopped what he was doing.

"You shouldn't be here tonight," she said:

Nian lie put down the towel, his dark eyes indifferent. if I refuse to leave, what are you going to do? "

Ning Qing's expression didn't change. She shrugged and said, " there's nothing I can do. You're the one who organized the wedding, so you have the final say.

"....."

She walked past him and was about to take a shower.

Nian Xi held her hand and pulled her into his arms. As he lowered his eyes, stars twinkled in his eyes.

"Are you mocking me?"

Ning Qing was puzzled. what's there to be sarcastic about? "

"You said you've never held a wedding before."

Ning Qing paused.

It was funny.

She had already married him once, but they had never held a wedding. It was only because she was not worthy of his wedding at that time.

: It's not what you think: : Nian lie said: suddenly interrupting her thoughts as he gazed into her eyes.

She looked at him steadily. He lowered his voice, and his low voice made it hard for her to not believe him.

we didn't hold a wedding at that time because you weren't in the right condition. It wasn't that I didn't want to.

He held her forehead and looked at her slightly lost face. It was the face he had loved from the beginning to the end.

"Ning Qing, no one would want to give you a perfect wedding more than I do," he said emotionally.

"....."

Ning Qing's back trembled, and she subconsciously wanted to retreat from him.

His big palm held her tightly, and she could not move back an inch.

It was as if no matter what she did, he would always be within his control.

Ning Qing was shocked and looked up at him.

Her eyes met his deep, dark eyes.

Panic and agitation welled up in her heart, and even she didn't know why.

Seeing that she was about to be exposed, Nian lie hugged her tightly. you can question everything, but don't question my feelings for you, ning Qing.

She buried her head in his arms, and his scent filled her nose.

It was overbearing and extremely invasive.

Her throat felt like it was being choked by someone. She couldn't speak and could only nod in response.

"....."

Nian Jin held her in his arms, his gaze falling to the ground.

Profound.

He did not say a word.

When his legs were numb, he slowly sent her away. I know that according to etiquette, I shouldn't have come to see you tonight, but since Grandpa and mother-in-law are here, you'll definitely be happy. Maybe you can't care about other things.

": 'm not that kind of person,: ning Qing said softly:

Nian Xi smiled. I don't need to remind you how happy you are, but tomorrow is our wedding. Someone will come to take care of it for you very early. I don't want you to be in a bad mood, okay? "

Ning Qing rubbed her eyes and nodded obediently.

He touched her long hair gently and dotingly.

"I want you to be the most beautiful bride in the world."

The woman's eyes finally revealed a little shyness and sweetness. in your eyes, I'm not the most beautiful if I don't become a bride? "

He caressed her face and said tenderly, " in my heart, you will always be the most beautiful.

"....."

At that moment, ning Qing was almost touched by the deep love in his eyes.

She was dazed, and her smile was so deep that it was a little deliberate. I know.

: I'm leaving: : Nian lie pressed his forehead against hers, his fingers reluctant to part with her.

[Chapter 610](#)

610 When the wedding is in progress (1)_1

Ning Qing's eyes widened. He said, "I didn't give you a wedding the last time. This time, we'll do it according to our Chinese tradition. We'll have a good wedding.

Even though he didn't want to follow the damn rules and etiquette.

Ning Qing seemed to be touched, and tears welled up in her eyes.

He kissed the tears in her eyes dry. see you tomorrow, my bride.

She smiled through her tears, and he dressed up under her tender gaze. He resisted the urge to kiss her and left the room.

The door closed, and the woman's smile faded.

The roar of a car came from downstairs. Ning Qing ran over and watched the car drive away. Her heart was so heavy that it could not beat.

She quickly rolled over to the bed and pulled open the sheets. After seeing the silver USB, her heart slowly calmed down.

Not long after, she made a call.

"Hello, I have some information for you. I don't know if you can report for Yingluo."

—

It was six o'clock in the morning, and there was no light in the sky.

Ning Qing did not sleep for the entire night. When the makeup artist and photographer arrived, she sat on the bed in a daze.

The wedding team was a professional. They didn't ask anything and just helped ning Qing with the packing.

At seven o'clock in the morning, her makeup was done. After a little more time, she had also put on her veil.

When it was almost eight o'clock, the old man and the old woman came over.

When they opened the door, the two of them were so stunned that they could not open their eyes.

The White silk fabric was elegant and high-class, and the tube top and shoulder-less design complemented her perfect shoulders and collarbones. Her chest was about to burst out, and her waist was slender. The huge diamond on the brooch was dazzling.

The woman was a natural beauty. She only had a light layer of makeup on and a few teardrop-shaped diamonds at the end of her eyes. When her eyes moved, she was gentle and moving, as beautiful as a fairy.

Her mother-in-law was grinning from ear to ear, and her grandfather also nodded in satisfaction. hey, you don't say. You look really good in this dress.

"....."

"What's the saying? Clothes make the man, there's no mistake."

Ning Qing smiled. grandfather, why are you making fun of me? "

The old man was grinning from ear to ear. I'm not making fun of you. I'm complimenting you.

Ning Qing smiled and sent away the servant and makeup artist, leaving only the two old men.

"Grandfather and mother-in-law, thank you for making this trip. I've disturbed your peace for my sake."

She lifted her skirt and helped her mother-in-law to sit down with one hand. The old man also sat beside her.

"You little girl, what are you saying? We won't leave our house. It's my and my wife's honor to be able to witness your happiness."

Ning Qing looked at his smiling eyes and felt her heart ache. She felt an inexplicable sense of guilt.

"Why didn't your parents come to see you?" the old man asked as he thought of something.

By right, her parents should be by her daughter's side.

Ning Qing's eyes flickered, and the curve of her lips fell a little. they won't come.

The old man was shocked and looked at his mother-in-law. Both of them were puzzled.

"Why? your parents don't want you to get married?"

Or did he not want her to marry Nian lie?

Ning Qing forced a smile.

There were some things that she couldn't hide from the two elders, but now was not the time to be honest.

She reached out and pulled their hands. grandfather, mother-in-law, my parents can't come because of some matters. Today, you are my closest elders. I'm already very satisfied to have you bear witness to this moment.

The old master seemed to have heard something, and his joy faded, replaced by a grave expression.

Her mother-in-law patted her hand and said something, and ning Qing smiled in return.

The old man nodded, but his expression did not relax.

Just as he was about to say something, there was movement downstairs.

After a while, someone knocked on the door. Madam, Sir is here to pick you up.
