651 Gu Nanyu VS Shen Yao_1

Ning Qing was at a loss for words.

The atmosphere between the two became very subtle.

It was Gu nanzhi who laughed first. She patted her shoulder. that's enough. It's not like you've never rejected me before. Why are you giving me such an expression? "

The woman was a little helpless. She didn't know how he could maintain his usual gentleness.

In her opinion, it was too difficult.

The man explained to her, " because I'm a gentleman. I can't force a woman to make a choice. That would only tarnish my reputation.

"You can choose a better one," ning Qing said:

"In my eyes, you are the best."

"....."

Ning Qing was speechless.

Sometimes, when faced with Gu nanzhi's stubbornness, she really didn't know what to do to reject his feelings.

The man reached out and poked her head. don't think about it if you can't figure it out. You look very ugly when you're conflicted.

Ning Qing pushed his hand away and was about to climb back into bed.

alright, you can sleep for a while more. You can get up later for breakfast.

"Yes."

He closed the door, and ning Qing snuggled back into the blanket. It was soft, and her eyelids drooped quickly.

At half past eight, mother ning knocked on her door to wake her up for dinner.

Ning Qing had taken a nap for an hour, and her body had relaxed a lot.

After breakfast, she changed her clothes and wanted to go to the hotel to see Shen Yao. This time, Gu nanzhi wanted to go with her no matter what.

She couldn't change his mind, so she could only let him go with her.

When they arrived at the hotel, she brought breakfast from the restaurant, took the elevator, and went to the floor she had been on the night before.

Her state of mind was a little different, especially when she arrived at Tina's room and found that the janitors were cleaning it.

Ning Qing stopped one of the room staff. where are the guests in this suite? "

"This customer has checked out and just left." The woman looked at ning Qing. are you her friend? would you like me to get someone to contact her for you? "

"Thank you, but it's fine." Ning Qing let go.

Gu nanzhi leaned over. what's the matter? "

"I'm fine."

She adjusted her breathing, came to a room, and knocked on the door.

There was a soft sound inside that could not be heard clearly.

Soon after, a low and cold voice was heard from inside.

"It's me."

The door opened a crack, and Shen Yao glanced at the two of them. He didn't say anything and turned to let them in.

"Let's go in."

Ning Qing walked in and went straight to the living room. She placed the takeaway breakfast on the table. your breakfast. Here you go.

Shen Yao half-leaned against the wall and didn't take it.

He quietly glanced at Gu nanzhi, who had just entered the room, and his cold lips moved. I'm not hungry.

"You're a patient. How can you not eat?"

"....."

Ning Qing took out the food and placed it on the table. I've contacted a doctor for you, but I'm not too familiar with him. If you have any questions, you have to tell him yourself. I have work to do later and may not be able to take care of you. You should cooperate with the doctor and recuperate. I'll come to see you when I'm free.

There was no response from behind. Ning Qing turned around. Mr. Shen, did you hear what I said? "

Shen Yao narrowed his long and narrow eyes and said, " mm.

She straightened her body and looked at Gu nanzhi's gaze that was sizing up others. She then remembered that she had forgotten to introduce the two of them.

She coughed twice. let me introduce you, " she said solemnly. this is Gu nanzhi. She's my friend.

"Nan Yan, he is Shen Yao."

Gu nanzhi smiled and reached out her hand first. Mr. Shen, Hello.

Shen Yao looked at his unfriendly smile and looked away.

The situation was a little strange.

Gu nanzhi's smile widened. Mr. Shen, you're not giving me any face. Is it because I came at the wrong time?"

[Chapter 652](#)

652 Don't mind us, we're all men (1:

Ning Qing knew that nothing good would come out of bringing him here. Tiny, that's enough.

However, what she did not expect was that Shen Yao actually agreed!

"It's good that you know."

Ning Qing's pupils contracted.

Gu nanzhi secretly gritted her teeth, but her expression did not change. Mr. Shen, do you have something important to do? tell me, Ning's friend is my friend, I might be able to help."

He looked at ning Qing at the right time.

It was originally an ordinary glance, but with this sentence, it had a somewhat ambiguous meaning.

Shen Yao's face was frosty. no need.

Gu nanzhi smiled brightly. you don't have to be so polite with me. We're all men.

"....."

Shen Yao didn't say anything. He covered his abdomen and walked to the dining table with difficulty.

Ning Qing pushed the sandwich to him and he reached out to take it. Gu nanzhi suddenly rushed over and snatched the food away.

"I'm also hungry." He took the sandwich and gestured to ning Qing. give me one.

Ning Qing glanced at Shen Yao and suppressed her temper. I bought that for him.

"Isn't food for the hungry? don't be so stingy."

Ning Qing gritted her teeth.

Was this a question of being petty or not?

He was clearly looking for trouble on purpose!

Gu nanzhi did not care so much. She peeled off the outer layer of the packaging and took a bite, exclaiming in surprise how delicious it was!

Ning Qing felt a little embarrassed, but she could not argue with him. She forced a smile and said to Shen Yao, " I'm sorry. He's just playing around. You can eat these.

She gave the rest to the man and Gu nanzhi was unhappy again.

"Gu Nanzheng, stop fooling around!" Ning Qing scolded.

He retracted his hand resentfully and glared at the back of Shen Yao's head. He was no longer rash.

Breakfast was safely finished. The doctor arrived not long after, and he brought a female nurse with him.

No. Shen Yao looked at the strange woman and rejected her without hesitation. I don't need anyone to take care of me.

you're too seriously injured, " ning Qing said. it's fine if you don't go to the hospital. The caretaker can take care of your daily needs.

"No need," He rejected her directly.

Gu nanzhi popped out. hey, everyone's very busy. She has to participate in a competition later and won't have time to take care of you. It's a good idea to find you a nurse. Don't reject it.

Shen Yao propped up his body. The doctor's hand that was treating the wound on his abdomen trembled, and he couldn't control his strength.

I can do it myself.: don't need anyone to take care of me. he refused stubbornly:

Another brain dead person!

Gu nanzhi was angry. hey, what are you doing? "

Ning Qing stopped him, lowered her body, and said in a gentle voice, " Shen Yao, I don't mean anything else. Nan Yan is right. I have something important to do in the future. It's related to my future career. I've told you before that I can't look after you all the time. The caretaker Yingluo is actually nothing. She has taken care of many patients and is very careful. You don't have to care too much.

The man's skin was slightly tanned, and his face was slightly flushed due to the pain. Blue veins were visible on his neck, so one could imagine how painful it was.

Ning Qing hesitated for a moment. or rather, you care about gender. If you don't like to be close to girls, I can find you a girl of the same sex, Qianqian.

Before she could finish her sentence, the man beside her burst into laughter.

Because of this, Shen Yao's face darkened.

Ning Qing glared at the instigator, and Gu nanzhi forced herself to hold back her laughter. well, it's not that ran ran can't do it. It's good to be a man. It's the same gender, so it's not easy to feel uncomfortable.

[Chapter 653](#)

653 What are you doing at the hotel with her?

In fact, he was being sarcastic.

If he was seriously injured and couldn't move, it would be awkward and strange to let a man take care of him.

But who knows, maybe this brother likes this kind of heavy taste?

“.....”

Shen Yao seemed to have heard his inner voice, and his expression became uglier and uglier.

Ning Qing also felt that it was not very appropriate. hold on for a while. When your injuries are better and you can walk freely, you won't need a nurse anymore. How about it? ”

“.....”

Shen Yao glanced at the woman. Her eyes were clear, without a trace of impurity, and they were full of hope.

Her pale lips were tightly pursed, and she turned her head to the side.

“As you wish.”

Ning Qing smiled, as if a heavy burden had been lifted off her shoulders.

After the doctor dealt with the man's wounds, he gave him an anti-inflammatory injection, prescribed some medicine, and left after a few reminders.

With the help of the caretaker, ning Qing no longer needed to stay by his side.

After all, there were still two days until the competition, and she had not done enough homework.

Ning Qing was ready to go home after giving the caretaker all the instructions.

Gu nanzhi's scheme did not succeed and she was unhappy.

As he approached the door, he was unhappy. why do you keep helping him? ”

“He's a patient,” ning Qing said matter-of-factly.

“His background is unknown.”

“His origins have nothing to do with me. Once my injuries are healed, I have nothing to do with him.”

Ning Qing placed her hand on the doorknob and smiled at the caretaker. She only closed the door after the caretaker bowed to her.

Inside the door, on the other side of the wall, Shen Yao heard that sentence, and his cold eyes were filled with a deep luster.

Gu Nanxi was rendered speechless and said angrily, “Tina is right!” You should have let him run his own course. Only you would be so kind, just like your Kasaya or Guanyin Bodhisattva!”

Ning Qing was blocked by him. She looked up helplessly. what are you fussing about? ”

Gu Nanxi bared her fangs and brandished her claws like an angry little lion. he's a man!

"What's wrong with being a man?"

he's a strange man who suddenly appeared beside you. What do you think happened? "

He didn't believe that they didn't have other motives!

"Gu nanzhi," ning Qing said seriously as she looked at his face.

"Why?"

"Don't tell me you're jealous."

The man's Blue eyes dodged, and a suspicious blush appeared on his fair and smooth face. His perfect lips moved a few times, but he did not say a word.

Ning Qing was surprised and found it funny.

He decided to give up. that's right! I'm jealous! You're so nice to every man who appears by your side, so how can I not mind?"

Ning Qing couldn't leave. She leaned back and said, " I think I've made it clear just now. I'll let him go after he's better.

"After that, you're not allowed to see him alone!"

Ning Qing suddenly felt that once a man got serious, he would be more difficult to deal with than a woman.

"Alright," he said.

Gu nanzhi snorted. that's more like it.

Ning Qing smiled and pushed him away. Her eyes fell on a certain spot, and the corners of her lips froze.

"....."

Nian lie stood in front of a door, with four bodyguards behind him. His cold aura hit her face, and his gaze was extremely dark. She had no idea how long he had been standing there.

Gu nanzhi also felt that something was wrong. She turned around and saw Nian lie, her smile hanging.

"Didn't you check the Chinese calendar before you left?"

Ning Qing returned to her senses. what? "

"To be able to bump into someone, it really proves the saying" lingering spirits.""

Gu nanzhi's eyes blurred when she heard the last word.

At the same time, someone grabbed his collar and he lost control of his body. His back slammed into the wall, and his head was in so much pain that it shook.

Nian lie's hostility was intense, and his gaze could kill. why did you come to the hotel with her? "

[Chapter 654](#)

654 You're:: cking apologizing to me for him?

Ning Qing didn't dare to lay a hand on him. After hearing his words, she immediately denied it, "no, I'm not."

Gu nanzhi endured the pain and stared at the Furious man. so what if I did? "

Nian lie's dark eyes suddenly sank, as if something had cracked open and burned his heart.

Gu nanzhi did not seem to know how dangerous he was. She flashed a cheeky smile and said provocatively, " she's nobody to you. General manager Nian, you can't touch her, can you? "

Nian lie's eyes quickly turned red. He gritted his teeth. I'm going to kill you!

A fist was aimed at Gu nanzhi's chin.

With a crack, a sharp pain hit him.

The tearing roar spread through the corridor.

"Gu nanzhi, who allowed you to touch her!"

"I'm going to kill you!"

"....."

Ning Qing was so scared that she couldn't move.

It was the bodyguards who were afraid that something would happen and went forward to hold Nian lie.

However, at this moment, Nian lie's eyes were already red. Like a severely injured beast, he wanted to break free no matter what. He wanted to tear the man to death and drag him to hell.

Gu nanzhi took the opportunity to break free. She turned around and punched the man's left face.

Ning Qing was shocked. Gu Nanzheng!

Nian lie staggered for a moment before he quickly steadied himself. He glared at him as if he was his enemy. How dare you!?

How dare he touch his woman?

Ning Qing was afraid that he would hit her again. She rushed forward and held Gu nanzhi's arm. stop fooling around, " she warned:

She turned to Nian lie, her gaze dark and complicated. In the end, she apologized, " Nan Yan was too impulsive. I'm sorry.

Nian lie's gaze moved down and landed on her fair, Jade-like face. His eyes were filled with obvious hurt.

"You're apologizing to me?"

His voice kept trembling, and even Gu nanzhi could tell that there was something wrong.

Ning Qing lowered her eyes and looked at the woman who refused to look at him. you're:: cking apologizing to me for him?: she roared in grief and anger.

“.....”

Ning Qing's hand trembled violently, and she found it hard to breathe.

Nian lie fixed his gaze on her, his eyes glistening with tears.

“So, ning Qing, you've admitted it?” he asked in despair.

The ending note was so soft that it was almost inaudible.

“.....”

Gu nanzhi lowered her head and couldn't see ning Qing's expression. She could only see ning Qing's hand clutching her tightly.

Ignoring the pain in his jaw, he glared coldly at the raging Nian lie. what right do you have to control her? ”

Nian lie did not look at him. His eyes were fixed on ning Qing. I'm asking you a question. Answer me!

“.....”

The woman remained silent.

Nian lie suddenly felt that there was no moment in the world that was more deadly than this.

All the strength in his body had been unloaded, and the cold bitterness and pain filled his body, but he was isolated from the outside world, and no one could sense it.

He tugged at the corner of his lips. He was smiling, but he seemed to be crying.

“Ning Qing, you're so dirty.”

Beside Gu nanzhi, the woman's body was as stiff as wood.

“Pa da-”

The door behind Nian Xi opened.

In this extremely strange situation, Ruan Yi stuck her head out and looked around. Finally, her gaze returned to Nian lie.

Sensing the unusual atmosphere, she walked up to Nian lie in her pink slippers and nightdress. what's going on now? ” she asked, looking at the man who seemed to have given up on her.

She reached out to touch his face, but the man pushed her away.

Before Ruan Yi could get angry, she heard the man's cruel words.

“Ning Qing, you really don't have a heart.”

“No matter how cheap I am, I won't go after a second-hand woman!”

“.....”

In Nian lie’s eyes, there was only decay and exhaustion after death. Even though the pain had already broken through his heart, he was still unwilling to throw away his last shred of dignity.

“If I f * cking love you even a little more, I’ll deserve to be in pain and despair for the rest of my life!”

[Chapter 655](#)

655 He would never love her again (1:

As he shouted, his voice echoed in the corridor.

Ruan Yi was pushed away and the man rushed into the room.

She stood there, at a loss.

She wanted to comfort ning Qing, but then she saw someone beside her.

This time, she didn’t dare to slack off, mainly because Nian lie seemed to have gone mad with anger.

She gave Gu nanzhi a fake smile, turned around, and walked into the room with a serious expression.

The door closed, and the corridor fell into darkness.

Gu nanzhi’s tense nerves relaxed a little and she looked at the woman worriedly.

“Ning, are you okay?”

The question stopped abruptly.

The woman’s eyes were dull and emotionless, as if her soul had been sucked out of her body.

She was in a daze, and her eyes gradually gathered light. She smiled, and tears fell.

“I’m fine,” she said, trying to be brave.

Gu nanzhi suddenly felt pain in a certain part of her body.

It hurt more than his chin.

“Yingluo is really fine?”

The woman smiled. really.

“But you cried.”

Ning Qing’s face stiffened, and she raised her hand to touch her face.

After feeling the warmth, she realized something and mumbled to herself. why am I crying? Yingluo, it’s so strange. What’s going on? ”

She cried and laughed at the same time, and it hurt him deeply.

“Ning.....”

“Tiny, I’m probably sick, right? My eyes are so uncomfortable, I don’t want to cry, but Yingluo ”

Gu nanzhi endured the pain. why didn’t you tell him? ” she asked in a hoarse voice.

It was just a small misunderstanding.

If she wanted to, she could easily explain it.

Ning Qing bit her lip and shook her head while crying.

“I can’t run away”

Just let him continue to misunderstand.

Their shared life would end here.

He would hate her, just like how she hated him.

Just as he had said, he would never love her again.

Wasn’t that good?

She didn’t have to worry about him pestering her anymore.

Moreover, he already had a new fiancée, Yingluo.

“.....”

Gu nanzhi did not understand what was going on. She hugged her tightly, her heart aching.

He was furious, but he was helpless.

Now, he had to admit that the man had won.

Regardless of whether it was good or bad, the scar he had left in her heart would probably never heal in this lifetime.

The corners of his eyes were also wet, and his voice was choked with sobs. cry. It’s okay. I’m here.

“.....”

Ning Qing clutched his collar tightly. She couldn’t care less about the environment and her surroundings as she suppressed her tears.

The hotel’s security guards heard the noise and rushed over to see this scene.

Gu nanzhi warned the man not to get close. The two men looked around and left quietly.

His heart ached and he felt weak. He rubbed the top of her head gently.

“Cry. I’ll take you home when you’re done.”

All the storms seemed to be coming to an end.

Gu nanzhi glanced at the door and closed her eyes tiredly.

In the room.

Ruan Yi stood in the living room, her heart thumping in fear when she heard the loud noise in the study.

The fourth bodyguard was chased out and she rushed forward. how is it? Is he alright?"

The bodyguard's face was bitter. Sir smashed everything that could be smashed in the study room. There's a cut on his arm and it's bleeding a lot.

Ruan Yi was stunned. what a lunatic," she cursed.

The bodyguards couldn't do anything about it. Nian lie had instructed Lu Zhui and Nian che to do other things, as if he didn't want them to follow him on purpose. Now that something like this had happened, they were almost scared to death.

miss ruan, you should go in and take a look. If this continues, I'm afraid Sir will hurt himself even more.

Ruan Yi's almond-shaped eyes narrowed. She pointed at herself. me? "

[Chapter 656](#)

656 Isn't it the same to love someone?

yes, you're master's fiancée. Your words will have some effect.

Ruan Yi chuckled. what? " she mumbled, " which eye of yours saw that my advice was effective? "

okay," the bodyguard replied. Ruan Yi turned around and said, " I understand. Bring the first aid kit over. I'll go in and take a look.

"Yes!"

Soon, the first aid kit was delivered to his hands.

Ruan Yi's heart was pounding, but she was his 'fiancée'.

Gritting her teeth, she put on a brave face and walked into the study with the suitcase.

There was no more sound in the room.

But this was the silence after the storm, and she was even more afraid.

The trembling woman carefully pushed the door open. The lights were off in the room, and it was pitch black, which was particularly horrifying.

She mustered her courage and took a step forward. However, she stepped on something uneven and lost her balance. An extremely vicious word came from the corner. get lost!

Ruan Yi trembled and looked at the dark corner. There was a vague figure.

: It's me: "she said with: chuckle:

Nian lie was half-leaning in the corner. His chest was heaving up and down heavily. His eyes were bloodshot. get out! he roared angrily.

“Why are you so angry? I’m not the one who made you angry. If you have the ability, you can vent your anger on me.”

Ruan Yi wasn’t going to take this lying down. She had never been bullied like this since she was young.

For this man, she really had nothing better to do!

Nian lie didn’t want to talk nonsense with her. He grabbed something beside his hand and threw it at the figure. I told you to get lost-”

“Ah!”

After a weak cry of pain, the woman covered her head and slowly squatted down.

“My eyes are blurry, you bastard!” Her voice trembled as if she was in so much pain that she couldn’t bear it.

The man in the corner froze. He stood up slowly and walked towards her. what’s the matter? ”

Ruan Yi turned on the light, a smile covering her entire face.

Nian lie knew that he had been deceived. His expression darkened. are you looking for death? ”

“If you have the ability to kill me, let’s see if my parents will let you off.”

Nian lie’s anger was stuck in his chest, making him look especially cold and terrifying.

Ruan Yi finally saw his face clearly. His short hair was messy, and there were blood stains on his forehead and the side of his face. His thin lips were trembling, and his dark eyes were particularly terrifying.

She clicked her tongue twice and looked at the study room that was in a mess. Other than the desk, there was no other good place.

“Why did you make yourself look like a ghost?” she asked.

Nian Xi turned his face away. if you don’t want to die, you’d better stay out of my business.

Heh, she was even being arrogant with her.

Ruan Yi was not going to fall for that. She pushed the man away, walked to the desk, and placed the first aid kit on it.

“If I had known that you were so impatient before I came, I wouldn’t have wanted to come either.”

“.....”

what a pity. I signed up for the competition. I can’t go back on my word now.

Nian lie clenched his fists tightly, and a self-deprecating look flashed past his face.

&Nbsp; yeah.

If he had known this would happen, he would not have come.

Her intention of running away from the marriage was so obvious, it was nothing more than to make him completely give up.

He had given up, but he couldn't help but feel his heart rise again.

He went to find his aunt's family, whom he hadn't seen for many years, and brought his cousin, who was a little famous in the jewelry industry, to the capital city to participate in this national competition.

His heart did not give up because of his past obsession.

Even if she hurt him again and again, he would still chase after her with determination.

What he was waiting for was "what if she turned back?"

However, it had been five years.

This 'what if' still didn't come true.

A heavy sense of sorrow enveloped Nian lie. He felt as if he was about to suffocate to death in that space without air.

Ruan Yi didn't know what he was thinking. She continued, "you're a weird person. Before I came here, I heard from my mom that your bride ran away at the wedding. I thought you'd be very sad, but who knew you'd ask me to participate in this competition as your fiancée, aww."

[Chapter 657](#)

657 Because you've pushed her too far (1:

The more Ruan Yi thought about it, the more confused she became. we're blood-related, okay? it's not like we're in ancient times now. How could I possibly marry you? "

"....."

"And ..." She looked Nian lie up and down and saw that his arm was bleeding non-stop. I don't like a man who's married to God knows how many people.

"You're not worthy of me marrying you," Nian lie said with disdain.

"You!"

Nian lie, you're bullying me just because you're older than me!

Ruan Yi scolded him in her heart. Suddenly, she thought of what had happened just now and had some bad thoughts.

"If I'm not worthy, who is? Ning qingbei?"

The man's back was tense.

Ruan Yi knew that her guess was right. She walked to Nian lie and smiled. Oh, I know. It can't be such a coincidence that she's the bride who ran away from your wedding, right? "

Nian lie's eyebrows twitched, and the yin Qi around him grew heavier.

“Ruan Yi, you better shut up!” He warned.

The young girl was lawless at home. She was not threatened by anyone and did not know the consequences of a man’s anger.

She jumped two steps forward and her smile became even more radiant. Oh ... I can understand that you’re the man who was dumped, so you never contacted my family, but suddenly came to find me, just to have a legitimate reason to come to the capital to find her? ”

His layers of thoughts were peeled away, and Nian lie’s face was no longer dark.

since you’re here to look for her, you can’t let go of your pride. Can’t you just coax her? why are you so angry? ”

“I can’t.”

Nian lie didn’t know if he was in deep despair, but he actually answered her question!

Ruan Yi glanced at him. what woman can’t be coaxed? ” It’s because you didn’t put in enough effort that you can’t coax her. ”

Nian Xi loosened his fist, closing his eyes and smiling.

“She has someone by her side.”

Oh, because she has someone by her side, you think she doesn’t love you anymore. That’s why you’re so angry that you’re beating people up in the corridor? ”

Her words were very rude. Nian Jin opened his eyes and gritted his teeth. she can only love me!

“But if she’s with another man, that means she doesn’t love you anymore.”

The woman used the purest tone to say the most hurtful words.

Nian lie realized that his heart was no longer in pain.

Perhaps he was already numb to it.

Hearing this, he seemed to have accepted it.

He was already tired of retorting.

tsk, tsk. Ruan Yi sighed with pity. you’re so pitiful.

Nian Junting shot a murderous look at him. shut up!

“Can’t you say anything else other than making me shut up?”

“.....”

Ruan Yi looked him up and down a few times. look at yourself. You’ve turned yourself into this for a woman who doesn’t love you. I really don’t know what you’re thinking.

In fact, Nian lie wanted to ask himself how much dignity and character he had lost for ning Qing.

In order to keep her by his side, he did not hesitate to kidnap and threaten her.

In order to make her devoted to him, he forced her again, hoping that she would get pregnant with his child again.

He had used so many despicable and disgusting methods, but he still watched her slip away from his fingers like sand.

Moreover, it was getting faster and faster.

How could Yingluo be like this?

The man couldn't hold on, as if his whole world had collapsed. His feet swayed, and he fell to the ground.

Ruan Yi was shocked. what are you doing? ”

Nian lie stuck his hands into his hair and blocked his forehead. The wound on his arm tore open, and the blood flowed even faster.

His eyes were as red as blood, and he was filled with confusion. why did she escape? ” Why?”

He loved her so much that he didn't want to live.

Why did she still try to escape?

A calm female voice came from above her head.

“Because you've pushed her too far,”

[Chapter 658](#)

658 There's no shortcut to loving someone (1:

Nian lie's vision blurred.

Ruan Yi crossed her arms and leaned against the wall.

most women are willing to be loved. If she doesn't want to be loved one day, it means that your love for her has become a burden. To put it simply, the love you give her is not love at all in her eyes.

Not love?

Nian Yu's voice trembled. what's that? ”

Ruan Yi tapped her chin with her index finger. maybe ran ran has turned into something else. That'll depend on her.

“.....”

“However, you really should change your attitude towards people.” I don't want to criticize you, but you've been too bossy these past few days,” Ruan Yi said with a hint of personal emotion. you may be my cousin, but I don't like being ordered around by others.

She stared at the stunned man on the ground. don't tell me you treat her the same way? ”

“.....”

Silence was better than words.

Ruan Yi shrugged. no wonder. Women hate to be arranged by others. She'll only think that you're selfish and force everything you think on her.

Nian lie reflected on everything that had happened in the past, and every time he had arranged something, ning Qing would smile, but her expression was forced.

Ruan Yi sighed. She was right again.

“If you still want to love her, then change yourself. Love is not a restraint. You should make her feel relaxed.”

“.....”

“If you insist on ignoring her, Yingluo, I can also withdraw from the competition. Let's go back to Ying city early and you won't see her for the rest of your life.”

The man looked up with his dark eyes, and Ruan Yi's heart skipped a beat.

“What are you looking at me for? weren't you the one who refused to talk to her just now?”

Nian lie was rendered speechless. Ruan Yi liked to see him suffer. She said with great interest, “ you're the one who made this mistake. You should take care of it yourself.

Nian lie lowered his head. The confusion and struggle in his eyes were real.

He found it hard to say, and he didn't really believe her words.

cousin, ” Ruan Yi said, ” I'm not going to hurt you at this point, am I? ”

The heavy words dispelled Nian lie's concerns.

She had seen all of his defeated look just now.

He's just a little brat, what's there to care about?

Nian lie's mood inexplicably eased up a lot, and there was only a hint of sadness in his dark and bright eyes.

He said in a low voice, “she has another man, Yingluo.”

so what if she has other men? she's single now and has the right to choose who she wants to be with. If you really love her, then stand at the same starting line as the others and use your actions to move her. Don't always talk about the past and try to find a shortcut.

Ruan Yi looked at him seriously. my dad always told me to study hard because there's no shortcut to studying. I can only rely on myself. Isn't it the same if I love someone? ”

He always held the hope of being one step ahead of others and always felt that he was the special one to the other party. He would neglect to give more of his true heart and thus miss the other party.

Wasn't that a pity?

The man looked at a certain place in a daze, and it was impossible to tell what he was thinking.

Ruan Yi let go of her hand. think about it carefully. You'll only hurt yourself and others if you do this.

After she finished speaking, she turned around and was about to leave when she suddenly thought of something. by the way, the first aid kit is on the table. If you've thought it through, you can deal with your hand yourself, in case your subordinates come to me again.

“.....”

The chattering female voice disappeared, and the dilapidated study sank into a deadly silence.

Ruan Yi strode out of the room and patted her chest. I was so scared. I thought he was going to beat me up.

659 Miss ruan is really amazing (1:

As soon as she finished speaking, a few bodyguards rushed forward. miss ruan, how's Sir? ”

I'm fine! Ruan Yi quickly put on a look as if she had already solved the problem. is there anything I can't do? ”

The bodyguard's opinion of her suddenly changed and he gave her a thumbs up. miss ruan is so amazing. As expected of Sir's fiancée! Mister has good eyes!”

“Hehe.” Ruan Yi forced a smile. if there's nothing else, I'm going to bed. I'm a little sleepy.

yes, yes, yes. You can go and rest. We'll handle the rest.

“Oh, don't go in yet. It's not too late to clean up after he comes out.”

The bodyguard didn't know why, but he felt that she was right, so he quickly nodded.

Ruan Yi laughed, turned around, and slipped into her room. She picked up the jewelry manual and began to read up on it.

She had gone too far these past two days. She had better not embarrass herself in the competition!

—

After ning Qing and Gu nanzhi went back, she went into her room without a word and never came out again.

what's wrong with this child? he's fine all of a sudden. Why did he come back so suddenly? ” Mrs. Ning asked worriedly.

Father ning was also confused. He looked at Gu nanzhi slowly. Xiao Gu, did you have a fight with her? ”

“You bullied Qingqing?”

“How is that possible? Auntie, uncle, I can’t bear to bully her. She’s always the one who bullies me. I don’t dare to.”

Gu nanzhi laughed it off. Father ning and mother ning felt that he was right and didn’t ask further.

As for him, he naturally did not want to disturb her. He only hoped that she would be able to recover before the competition.

On the morning when the second round of matches began, the referee of each match would call out names to confirm that all the contestants were present.

Gu nanzhi and the ning family’s parents were waiting anxiously in the living room. When the hour hand pointed to eight o’clock, the door finally opened.

“Qing Qing!”

Ning Qing had already washed up and dressed up. When she saw the family waiting outside, she was stunned for a moment. what are you doing? ”

“Aren’t you going to the competition today? we’ll send you off,” father ning said.

Mrs. Ning walked up to her daughter and said, ” you haven’t spoken for the past two days and you didn’t leave the house either. We were all so worried and thought that you didn’t want to compete anymore.

Ning Qing felt a little guilty. I’m sorry, I’m not in a good mood.

“What about now?” Gu nanzhi asked anxiously.

Ning Qing’s clear eyes flew over. Her eyes were full of gentleness, and there was a firm belief in her heart.

“Don’t worry, I won’t give up.”

Everyone heaved a sigh of relief and accompanied ning Qing for breakfast. A few of them insisted on sending her to the competition venue, but ning Qing’s refusal was fruitless, so she could only let them follow.

8:50 am.

Ning Qing and the rest of them arrived at the Yongye building in the middle of the capital city on time.

don’t be nervous and don’t be afraid. Your father and I will be waiting for you. Even if you don’t win the award, we will support you for the rest of your life. Qingqing, don’t feel guilty. Mother ning held ning Qing’s hand and reminded her again and again.

Mr. Ning frowned. what are you saying? our Qingqing is so outstanding. She will definitely succeed.

“I just don’t want her to feel pressured.”

Ning Qing held the two elders’ hands and said, ” father, mother, don’t worry. I won’t let you down. I won’t let myself down either.

Gu nanzhi stood at the side. Although she didn't want to ruin the warm atmosphere, it was still a little awkward.

He coughed and said, " well, uncle, Auntie, the second round of the competition today is very simple. She's just here to pick up a competition topic and take it back. The design manuscript and the submission of the real object will be one week later.

660 The daughter of the Lou family's second Madam, Lou qingyue (1:

In other words, the score would only be known next week.

is that so? " father ning was stunned.

Ning Qing was helpless. that's right. That's why I asked you and mom to wait for us at home.

Father ning and mother ning looked at each other. Mother ning said, " it doesn't matter. We have nothing to do anyway. It's good to come and accompany you.

Ning Qing and Gu nanzhi both laughed.

"All participants: please bring your identification and go to the examination room on the second floor to receive your team number so that you can get your next question."

The people in the lobby slowly walked towards the elevator and the stairs. There were about two to three hundred people, and they instantly blocked the two passages.

Some staff members came out to maintain order, and it didn't take long for them to form a few long lines.

Mother ning took ning Qing's hand. let's go.

Ning Qing randomly chose a team and lined up at the end of the line.

Father ning looked at the long line. why are there so many people here for a competition? "

Gu nanzhi took the initiative to explain, " uncle, this is a national competition. It's held once every three years and there are no restrictions on foreign contestants. It can be said to be a regional global competition. It's very well-known and valuable. Most of the people who come to participate are famous and have good works.

"....."

He used his chin to point at a tall foreign woman. there, her name is Selena. She has won two gold and one silver design Awards at the age of 20. She has designed bestsellers for many high-end jewelry brands.

Then, he turned around and pointed at a slightly plump lady in the front row.

this is an expert in classic design. Many domestic gold and silver brands have invited her.

and the long-haired man, his design style is also unique. One of the necklaces he designed was once sold out online.

“.....”

Hearing Gu nanzhi's introduction, father ning and mother ning didn't fully understand what she meant, but they still felt a great deal of pressure.

Ning Qing's mother looked at ning Qing worriedly. the opponent is so powerful. Won't it be difficult to win the championship? ”

Gu nanzhi did not laugh this time. She nodded solemnly. it's very difficult.

“.....”

that's why we have to put in thousands of times more effort and dig out all the hidden talents of our Qingqing. Only then can we have a chance of winning against these strong opponents.

Ning Qing's mother became more and more frightened as she listened. Qingqing, why don't you just forget about it, Zhenzhen? ”

“What are you saying? you've just arrived and you're already leaving?” father ning scolded. Aren't you embarrassed?”

Mother ning was in a difficult position. Ning Qing comforted her gently, ” mother, don't be nervous. Just trust me. Although they are powerful, your daughter is not bad either.

“Yes, aunty. All we can do now is to trust her.” Gu nanzhi patted ning Qing's shoulder and said.

Mother ning didn't say anything, but slowly pulled a smile.

As the group fell silent, a commotion broke out outside the door.

The people in the hall who hadn't gone upstairs all looked over, as if some Big Shot had come.

The woman's figure was graceful. Her short skirt reached her thighs, revealing her perfect legs that were comparable to a supermodel's. Her black stiletto high heels made a crisp sound as they stepped on the marble floor.

Looking up, the strapless dress revealed the woman's voluptuous figure. Her chest was about to burst out, and there was an emerald gem on her Jade-like neck, which was strange and mysterious.

Walking into the hall, the woman's short hair was elegant and cool. She threw the only plush coat on her shoulder to the bodyguard, her posture arrogant, and her eyes under the huge sunglasses scanned the hall.

The crowd could not see her eyes, but they could feel her arrogance and contempt.

Then, a staff member wearing an employee's pass ran up to her, said something respectfully, and led her upstairs.

Someone muttered, ”who is this woman?” We've been waiting in line for so long, why can she just go up directly?”

Father ning and mother ning were also surprised. Then, they heard the people around them say, " she is Lou qingyue. She is the eldest daughter of the second Madam of the Lou family.
