

Mr Nian 831

[Chapter 831](#)

831 Her hand is seriously injured (1:

He's still alive, so why hasn't he appeared after so long?

What was he planning? what was the truth behind the car accident?

Mrs. Ning held back her temper while Mr. Ning walked over and said, "Qingqing, there's no hurry for these things. You're so seriously injured. You have to get well first.

"No!"

Ning Qing had been tormented for the past two months, and she was in a daze. She desperately wanted to see that living man standing in front of her!

"I want to see him, just once! Dad, I beg you!"

Father Ning saw that mother Ning was about to fly into a rage, so he hurriedly let go of Ning Qing's hand that was holding her and gently squeezed it.

"Qing Qing, do you know how serious your injuries are? When they sent you to the hospital, they said that you lost too much blood and almost lost your life. Your hand was seriously injured and if you don't receive proper treatment, you won't even be able to pick up a pen in the future."

This topic successfully pulled Ning Qing's thoughts away.

There was still excitement and impulse in her eyes, which were half-stuck on her face. She was stunned and didn't know what to say.

After a while, she looked at her hands. my hands.

Did that mean that she could no longer draw design drafts?

Gu nanzhi was busy trying to smooth things over. that's not what I meant. I just want you to cooperate with the treatment. You just experienced such a terrible thing and survived with great difficulty. Don't torture yourself first. We'll talk about it again after you recover from your injury. Yingluo can also solve the problem with her hand in the future.

"....."

Ning Qing lowered her eyes, and her low spirits were revealed from the side of her face.

Gu nanzhi's tone softened. well, I know a very good orthopedic doctor in America. If there's really something wrong with your hand, I'll take you to him. Don't worry.

Ning Qing lowered her hand. The tearing pain had clearly passed, but her heart felt like it had been torn open, and a cold wind was pouring in.

Mr. Ning realized that he had said too much. Qingqing, I was just saying.

She pursed her pale lips. There was not much blood in them. She looked up and smiled. yes, I know.

Ever since that man had laid his hands on her, she knew that her hands would be greatly affected.

It was just that she was on the verge of death and even suspected that she would really die there, so she didn't have time to think about her hand.

Now that she was lucky enough to survive, her hand naturally became the biggest problem.

Ning Qing looked at her father, who was feeling guilty. She did not want him to blame himself. father, don't worry. I'm fine.

She leaned back against the headboard and said, "I will cooperate with the doctor and recuperate. Don't worry.

The atmosphere was not very good.

Mrs. Ning covered her with the blanket. it's still early. If you're tired, you can rest. I'll go get you something to eat.

Ning Qing nodded.

Ning Qing's mother pulled her father away and asked Gu Nanzheng to take care of ning Qing.

As soon as the two of them left, the smile on ning Qing's face collapsed.

Gu nanzhi walked to the bed and sat down.

He glanced at her again and again.

tsk, that's enough. It's just a hand. It's not a big deal. It's not like it can't be healed. It's good enough that it's still alive.

Ning Qing blinked. I think so too. It's good to be alive.

"Don't pull a long face," Gu nanzhi said.

"It hurts,"

Gu nanzhi gasped. your wound hurts? I'll get the doctor for you?"

Ning Qing shook her head. He was starting to get impatient.

It would be fine if she cried and made a scene, but it was so quiet that it really made people feel scared.

"What happened last night?" ning Qing ignored him and asked calmly.

what do you mean by what happened? you were tortured and sent to the operating room. Your parents and I rushed back from the capital city and happened to see you in trouble.

[Chapter 832](#)

832 It's been: long time since: last saw Yan Sichen (1:

"I'm not asking about that."

"....."

Ning Qing's eyelashes fluttered, and a small shadow fell under her eyes, looking lonely and weak.

Gu nanzhi's heart skipped a beat. the murderer hasn't been caught yet, and it's said that the scene was cleaned up very well. There's no evidence. It'll be difficult for you to identify Lou qingyue.

Ning Qing's head drooped, and she didn't have much strength. I'm asking how he is.

Gu nanzhi lowered her voice. when we came to the hospital, we only saw him covered in blood. Later, we found out that it was your aunt Yingluo who scolded him and didn't allow him to come to see you.

It was within his expectations.

But from what he said, Nian lie should be fine.

It's fine as long as you're okay.

Ning Qing leaned against the pillow and closed her eyes, looking exhausted.

Gu nanzhi hated topics related to Nian lie the most.

Even though he was shocked by Nian lie's kneeling last night, it didn't stop him from feeling hostile toward him.

It was not only because ning Qing was special to him, but also because she had never had a good ending when she was by his side.

Gu nanzhi felt frustrated for no reason. don't let your thoughts run wild. The most important thing now is your health. Don't worry about the rest. Someone will help you deal with it.

This sentence revealed too much.

It was already too late when he wanted to take it back.

Fortunately, ning Qing had her eyes closed quietly and did not notice his abnormality.

The man quietly heaved a sigh of relief and said, " go to sleep. he did not say anything else.

*

On the third day of ning Qing's hospitalization, a person she had not seen for a long time came.

In fact, it had only been since she had left for the capital.

In the small Ward, there were all kinds of fruits on the table. There were a few fresh lilies in a glass vase on the side, giving off a refreshing fragrance.

There was something flowing in the air. If one did not taste it carefully, one would not be able to figure it out.

In front of the bed, a man as gentle as Jade sat there. His eyes were filled with the gentleness and elegance of the past years. The corners of his lips were slightly raised, and he had a polite and gentle appearance when he saw everyone.

To be honest, both of them felt a little uncomfortable.

Especially mother ning.

Previously, because ning Qing had not married Yan Sichen, the two families had a very ugly fight.

It was said that when Yan Sichen heard that ning Qing was going to marry Nian lie, he threatened his parents with a hunger strike to stop them. However, his parents refused to let go no matter what. His mother even threatened to commit suicide, and those things were left unsettled.

After that, ning Qing ran away from the marriage, and the whole family went to the capital.

He didn't intend to get it back.

Who would have known that they would meet again one day?

Mother ning cut an Apple and handed it to Yan Sichen, Breaking the Silence.

"Come, Si Chen, have some fruit."

Yan Sichen took it and smiled calmly. thank you, aunt ning.

"How are your parents doing?" mother ning asked casually.

he's doing pretty well. My mother, Wanwan, hasn't been in good spirits recently, so she's been sent abroad to recuperate. Dad is still in Ye City, managing the company with me.

Mother ning nodded thoughtfully. oh, oh. Good. It's a good thing.

Yan Sichen responded with a smile, as if there was no gap or estrangement between the two families.

The room suddenly quieted down, and it was a little awkward.

Father ning could tell that Yan Sichen had something to say. He took the initiative to talk to mother ning and Gu Nanxi. Qingqing and Sichen haven't seen each other for a long time. Let's go out first. You two can have a chat.

Gu nanzhi did not say a word. She stood up straight from the window and walked out of the ward.

Mother ning was taken away by father ning.

The ward, which was originally a little crowded, instantly became much quieter and more spacious.

Yan Sichen looked back at the pale woman and smiled. I haven't seen you in a while. Every time I see you, you seem to be in the hospital.

[Chapter 833](#)

833 The cycle of cause and effect, retribution (1)

Facing Yan Sichen, ning Qing couldn't tell what she was feeling.

The things that had happened before felt as distant as her past life.

But it was so close.

He was so close to her that she couldn't detect any change in him even when he sat in front of her.

“Brother Si Chen,” ning Qing called him.

These three words were like floating duckweeds, stirring up ripples in the man’s heart.

His expression did not change. He looked at her injured head and hand with pity in his eyes. it must have been hard on you to have suffered such a heavy injury.

“.....”

“I always remember that you were afraid of pain when you were young and couldn’t bear to be injured at all.”

As if he wanted to chat, he picked up a piece of Apple, cut it into smaller pieces, and sent it to her mouth.

Ning Qing’s hand was not convenient, so she could only say thank you. She bit the Apple and rolled it into her mouth.

Yan Sichen’s eyes softened. every time you do something wrong, your sister and I have to take the blame for you. If you don’t want to, you’ll just act coquettishly and cry. You’ll always have a way to convince me.

Ning Qing felt a little embarrassed at the mention of the past. that was so long ago.

Yan Sichen laughed. yeah, you’ve grown up.

As he spoke, his gaze fell on her wound again. you’re so badly injured now, ” he said tenderly but with restraint. you won’t even cry out in pain.

“.....”

Ning Qing was stunned. She understood what he meant, and her eyes were bitter.

Yan Sichen stuffed another piece of Apple into his mouth. I’ve heard about what happened that day. There was a fire in an abandoned warehouse in the east of the city and there was a pool of blood in the fire. It was enough to kill a person.

He stared at her. it’s you, right? ”

Ning Qing was silent.

When Yan Sichen got his answer, he could not help but smile bitterly. why do you always suffer so much pain and torture no matter where you go? ”

Ning Qing didn’t know either. maybe Zhenzhen is destined.

“Are you and him also destined to be together?” Yan Sichen asked.

Ning Qing was obviously stunned, and her eyes slowly lowered.

Yan Sichen was not like before. He could not help but feel jealous and angry at the mention of Nian lie.

In these few months, he had experienced too much and also understood too much.

There were some things that he couldn't interfere with, let alone force.

He said, " he's the one who hurt you every time. He's also the one who saves you every time. This is probably a cycle of karma. It's karma.

"....."

that's why I'm always too late. Perhaps it's fate.

Looking at the man's slightly bitter tone, ning Qing said hoarsely,"brother Sichen, please ..."

The man raised his head and smiled again. I'm just feeling emotional. I'm very happy that you're still alive, Qingqing.

Ning Qing was also very touched. She felt that the old Yan Sichen seemed to have returned.

She smiled. I'm happy to see you too.

The man's smile was gentle, making people feel as free and comfortable as a spring breeze.

The two of them tacitly quieted down and looked up at each other.

"You first."

"You first."

The corners of Yan Sichen's lips curled up. he's already back. Have you met him? "

Ning Qing pursed her dry lips and replied, " No.

"Auntie won't let me?"

Ning Qing nodded, then shook her head.

Actually, she wasn't prepared to see him. What kind of reaction would be better?

Yan Sichen saw through her thoughts and was also disappointed.

He said, " I know that he has returned to the Nian Corporation. Previously, because of his accident, the Nian Corporation was greatly affected. Now that he's back, he has a lot of things to deal with.

Ning Qing was helpless. I know.

[Chapter 834](#)

834 Hurt and love are the same (1:

Of course she knew.

However, it had been three days since she woke up, and that person had not taken the initiative to come and see her.

From the initial excitement and joy to the current calmness, it was really a little difficult to bear.

"If you want to see him, just call him over," Yan Sichen suggested.

Ning Qing smiled bitterly. it's no use even if I come. My mother won't let me meet him.

These words seemed to be forcefully broken up.

Yan Sichen's heart felt a little sour. you just had: narrow escape from death. Aunt ning is just worried about your health. he continued:

"I know,"

She was just disappointed.

She wanted to see that person safe, but knowing that he was safe, she should be at ease.

She couldn't explain the pain and discomfort in her heart.

Yan Sichen observed her reaction and his thoughts ran wild. He couldn't help but say, " you're still the same as before. You're always involved in his matters. You can't keep calm at all.

Ning Qing didn't feel that anything was wrong. It was only when she saw Yan Sichen's dazed expression that she noticed a slight difference.

"Brother Si Chen, you mean a long time ago?" she asked.

Yan Sichen came back to his senses and knew that he had said too much. He tried to cover it up with a smile. you've always been impulsive when it comes to things related to him. Otherwise, those things wouldn't have happened three years ago.

Ning Qing suppressed her doubts. I wasn't mature enough at that time. I didn't think enough about some things.

yes, I think he wanted to fight with his parents in order to be with you. I didn't know how difficult it was at that time. After all, I didn't have the courage to do it. It was only after I tried that I realized that it was harder than ascending to heaven to win against my parents.

"....."

He thought of his confrontation with his parents and his defeat in the end. He couldn't help but sigh. I have to say, " he said seriously, " I admire Nian lie from this point.

Although he had won against his parents, he had lost ning Qing.

However, he asked himself if he had been in her shoes back then, he would have been forced to give up on her.

The man's smile was somewhat desolate and bitter, as if he had recalled many things.

Ning Qing was very surprised. It seemed almost impossible to hear him agree with Nian lie.

Yan Sichen took in all of her expressions and did not feel embarrassed at all. why? are you surprised to hear me praise him? "

Ning Qing suddenly understood, and her eyes wavered. a little.

"....."

“So, in your opinion, his choice back then was right?”

Even today, ning Qing still had her doubts.

His parents didn't allow him to be with her and used a woman to separate them. He knew it, but he deliberately fell into their trap. On one hand, he pretended to obey his parents, but on the other hand, he didn't tell her, letting her imagination run wild and eventually leading to a tragedy.

Ning Qing's heart ached at the thought of this.

Yan Sichen didn't know what she was thinking about. After some consideration, he said solemnly, “ I don't know. But if I were him, I think I'd probably choose to give up. Yingluo's parents 'kindness is greater than the heavens.

Ning Qing's whole body went numb. She nodded absentmindedly. that's right.

However, Yan Sichen said, “ but I often think that a man is willing to fight for a woman from his parents. He's even willing to go against them. How much love does he have to give him the confidence to do so? ”

After all, they were his parents who had given birth to him and raised him.

However, ning Qing knew what her parents in the Nian family were like. She also knew that Nian lie and Nian che were merely pawns in her parents 'hands.

Even if there was a little bit of affection, it was so weak that it was not worth mentioning.

Yan Sichen looked at ning Qing, who had been lost in her thoughts several times, and made up his mind. Qingqing, ” he said. even if I don't want to admit it, I still want to say that I've seen how the two of you have been entangled in these years.

I have to say that in this world, no one can hurt and love Nian lie like all the things he has done for you.”

[Chapter 835](#)

835 No one will love you more than he does (1:

“Probably no one loves you more than he does.”

“And you, no one is more qualified than you to hate him.”

The man smiled gently, but there was not much of a smile.

“So many years have passed, and you two are still entangled. Even I, your love rival, can't stand it anymore.”

“.....”

He raised his head and looked straight at ning Qing.

hatred will make a person's life unfortunate. Only love can make a person happy.

“.....”

Qingqing, I love you. Until now, I want to say that I love you very much, but my love is not enough. It's not enough to save you, and it's not enough to make me give up everything. So, my love can't give you happiness.

Tears welled up in Ning Qing's eyes, and the pain in her chest was more obvious than the pain in her whole body.

Her lips trembled. I'm sorry, brother Sichen.

Yan Sichen shook his head and looked at her with pure, warm, and loving eyes.

"Qingqing, I hope you can be happy," he said:

"....."

after experiencing so much, don't hate yourself anymore. Don't hate anyone else. Look at your heart honestly.

Ning Qing blinked her misty eyes. what do you mean? "

"You can't let him go," Yan Sichen said with certainty.

He didn't mean that she still loved him, but that she couldn't let him go.

What kind of worry?

She couldn't care less about his life and death.

She kept all the news about him in her diary.

She could clearly see his love for her. When did he stop rejecting her?

Ning Qing did not know.

"If you still have feelings for him, just admit it to yourself and love him openly." Yan Sichen looked at her confused eyes and finally said.

"....."

Qing Qing, you're the one who's most qualified to be happy among us.

Ning Qing's heart ached, and tears welled up in her eyes. She looked at the man pitifully. but what about you, Zhenzhen? "

"That's enough." Yan Sichen was stunned for a moment. He suppressed his heartache and said gently as usual.

It was enough to have her on his mind.

Ning Qing suddenly felt so powerless and her tears fell.

Tears welled up in Yan Sichen's eyes as well. He raised his hand and wiped the tears off her face as if it was the last time.

"Don't cry, let me see you happy."

Ning Qing cried uncontrollably. She couldn't stop crying, not sure if it was out of guilt or something else.

Yan Sichen coaxed her gently for a while before she finally stopped crying.

He wanted to soften the atmosphere, so he deliberately laughed. you're already so old. You still love to cry.

Ning Qing had obviously not recovered from the excitement just now. She sobbed. I'm afraid that you won't be happy in the future.

Yan Sichen's eyes were extremely gentle. how can that be? when you have a result with him, I'll find you a sister-in-law very soon.

In other words, he wanted to protect her and wait for her to be happy before he would continue down this path?

Ning Qing's heart ached again. brother Sichen, don't be like this.

How could she be worthy of him?

The man smiled and was about to say something when his phone rang.

"Wait a minute, I need to take this call."

He didn't avoid it, but turned to the side, picked up the phone, and hung up after a few words.

"If you have something to do, you can go back first." Ning Qing saw his dilemma and said.

Yan Sichen had received a call from his company and was a little anxious.

He thought for a moment and nodded. yes, there's something urgent. I'll go back first and come to see you when I'm free.

"Alright, be careful on the road," ning Qing said.

"Take care of your body and recover as soon as possible."

He stood up and buttoned his suit. Just as he was about to leave, he turned around and said, " think about what I said. Be good to yourself.

Ning Qing pursed her lips and nodded. I will.

He turned around in relief, pulled the door open, and went out.

Who knew that he would bump into someone the moment he opened the door?

"I'm sorry."

...

He apologized subconsciously, but he paused for a moment when he saw the woman's stunning face.

[Chapter 836](#)

836 It's not the first time we've met (1:

The woman's facial features were deep and three-dimensional. She had the exquisiteness and beauty of a foreign woman. Her eyes were gentle and beautiful, but at this moment, crystal clear tears were flowing in them.

Yan Sichen was suddenly at a loss.

"I'm sorry, did I hurt you?"

He reached out to examine the woman, but she suddenly stepped back and looked at him with great sadness.

Then, he turned around and ran away.

"....."

Yan Sichen's hand stopped in the air.

"What's wrong, brother Sichen?"

Ning Qing's voice came from the ward.

He turned around. nothing much, just a small accident.

He patted his sleeve and found that there was a spot on it that was slightly darker than the rest.

It was the tears of the girl just now.

Yan Sichen had a strange feeling in his heart. She was clearly a woman he didn't know, so why did he feel a little familiar with her?

Had he not seen other women for too long?

"You've asked other friends to visit you today?" he turned around and asked:

The woman on the bed shook her head in confusion. No.

What kind of friend did she have?

Yan Sichen nodded thoughtfully. alright, " he said. you should rest soon. I'll go get aunt ning.

The man walked away.

Ning Qing thought about his inexplicable question. Friend?

No matter how much she thought about it, she couldn't think of many people, so she simply indulged herself back into the conversation with Yan Sichen.

*

Under the night sky, the lights were dim and the high-rise buildings stood in great numbers.

In a dilapidated underground warehouse, a man's hands and feet were tied. He was pushed by the person behind him. be good.

The man's face was blue and purple, and the blood at the corner of his mouth was almost dried up. His long hair was wet and covered his scalp. His cold eyes did not change, staring at the noble man in the front seat and revealing a shameless smile.

"May I ask what crime I've committed to be brought here?"

Nian lie's cold face was expressionless as he looked at the man who was acting dumb.

Lu Zhui stood behind Nian lie. Seeing that his young master wasn't perverted, his slender fingers rapped on the armrest of his seat, as if he was counting down to death.

His expression became even colder. Lou Chi, the adopted son of the second wife of the Lou family, Lou si. He's 24 years old. When he was 6 years old, his parents were hacked to death because they offended the triads. He was adopted by the second wife of the Lou family and lived in the old house all year round. He never left the house. However, it's rumored that he's in charge of the second wife's shady business, including buying, selling, assassinating, kidnapping, and blackmailing.

"Enough!"

Lou Chi suddenly said. His face was so cold that it turned white. His wriggling skin looked extremely strange.

He opened his mouth and stared at the silent man. you've intercepted me all the way from the capital city. I don't think Mr. Nian wants me to hear this.

Lou Chi didn't expect that ning Qing wasn't dead.

Not only did he not die, but he was also scolded by Lou qingyue. He was so angry that he went to a bar to get drunk. When he woke up, he was beaten up like this. Then, he found out that he had returned to Ying city from the capital.

His dark eyes were unmoved, and his thin lips were pursed.

Lou Chi continued to smile evilly. it's not the first time we've met. If you have something to say, just say it.

As soon as she said this, the temperature around Nian lie dropped significantly.

It was not the first time he had seen it.

The first time they met, he had ordered someone to create a car accident and stab him.

The man had been standing by the cliff at the time, watching the car fall.

"Why did you kill her?" Nian lie asked coldly, trying his best to suppress his anger and violence.

[Chapter 837](#)

837 Lou Chi is punished (1)

"Kill who?"

Lou Chi deliberately played dumb.

The person behind him stepped forward and punched him in the stomach.

He grimaced in pain and bent down, but quickly straightened up. I've killed a lot of people, but I don't know which one you're talking about.

Bang-

Another punch.

Lu Zhui hated this kind of person the most. He had a glib tongue and pretended to be stupid.

"Be honest and answer my young master's questions. Don't suffer so much."

Lou Chi was still smiling.

Nian lie's expression darkened. Lu Zhui gestured to him.

Two of his men stepped forward and gave the man a good beating.

He finally couldn't straighten his back and lay on the ground. Two of his teeth had fallen out, and his mouth was full of blood.

Nian lie looked down at her from above. There was not a trace of emotion in his eyes. He was extremely cold.

"Why did you kill her?"

Lou Chi spat out a mouthful of blood. He raised his head without any fear.

"It's fun."

"....."

Mr. Nian, I'm a law-abiding citizen. You've brought me here and asked me some weird questions. I don't know anything.

Lu Zhui couldn't help but kick him in the chest. stop playing riddles and speak! Why do you want to harm my young Madam?"

Lou Chi coughed a few times, his face unsightly.

"Who's trying to harm who? Where's the evidence?"

"You!"

As Nian lie listened to their conversation, he closed his eyes. After a while, he opened them again and said in a low voice, " Lu Zhui.

Lu Zhui stopped and walked to his side. He lowered his head and said, " young master.

Nian lie's Black eyes were frozen, dark and cold. it doesn't matter whether you admit it or not. The matter has already been confirmed.

"....."

His terrifying gaze fell on Lou Chi, as if he was looking at a dead person.

Lou Chi didn't believe that he would kill him. At most, he would beat him up to vent his anger.

However, after seeing the look in Nian lie's eyes, he suddenly felt an inexplicable chill in his heart.

He held his head high and puffed out his chest as if he felt the pain. There was even a clear contempt in his eyes. even you can catch me. Don't you know why I killed her? "

Nian lie's cold eyes flickered. His gaze was as sharp as a knife, piercing through people's hearts. if you can't say it, then you don't have to say it.

"....."

He stood up and looked at Lou Chi, who was half lying on the ground. the dead don't need to talk.

After saying that, he picked up a coat from one of his men and put it on his elbow.

He looked like he was about to leave.

Lou Chi straightened his body and half-knelt on the ground. He was so agitated that he raised his head and questioned. you dare to kill me? "

Nian lie's facial features were cold, exuding a coldness that kept people a thousand miles away.

"Why wouldn't I?"

Lou Chi sneered, " I'm from the Lou family. You can't prove that I wanted to kill that woman. What right do you have to punish me? "

He had made up his mind that Nian lie wouldn't dare to do anything to him just because he was a member of the Lou family.

Nian Yu half-closed his eyes, looking at the man with a bloody nose and a swollen face, a cold aura exuding from him.

"Just because you injured her."

"....."

Lou Chi couldn't bring himself to ask for evidence.

Lou qingyue had told him that if this man didn't die, he would definitely be a problem in the future.

He had scoffed at her words then, but now he felt that she was right.

Nian lie didn't give him a chance to think. He glanced at him coldly, then turned to leave.

Lou Chi gritted his teeth and rushed forward angrily. stop right there!

The bodyguards around him immediately stepped forward and formed a human wall around him, blocking him from leaving.

He was furious. get lost!

Lu Zhui stood at the side and indifferently gestured for a few people to surround him. They quickly caught him, untied the rope around his hands, and held his hands, one on each side.

Seeing the man holding the axe, Lou Chi was frightened and shouted, " what are you doing?! Don't you know who I am?"

"It doesn't matter who you are. You have to pay the price for touching my Madam." After Lu Zhui finished speaking, he shook his head and the man with the axe walked towards Lou Chi.

...

Not long after.

"Ah!"

Screams pierced the sky, and a group of night birds were startled, flapping their wings and flying away.

Under the city lights, sin and evil appeared.

[Chapter 838](#)

838 A family with different blood types _1

*

In the next half a month, ning Qing was extremely obedient to the doctor.

His injuries also recovered very quickly. The wound on his forehead was almost completely healed, leaving a light pink mark. The stitches on his collarbones and hands had been removed, and they healed at lightning speed.

Ning Qing wanted to leave the hospital, but she was rejected by the others.

Fortunately, they didn't restrict her from walking. When she was free, she would go out for a walk.

On this day, ning Qing had just come out of the ward and was about to go to the end of the corridor to get some hot water.

There weren't many people coming and going on this floor, and there wasn't a single person today.

She didn't pay much attention to it and slowly turned into the water room.

Then, a child appeared out of nowhere and bumped into her.

The thermos cup fell to the ground. Ning Qing's hand was inconvenient, so she went to help the child up with difficulty. are you okay? "

The child got up from the ground and ran out without even looking at her.

"....."

Ning Qing helplessly sighed, picked up the cup on the ground, and took it to the bathroom to wash it.

Who knew that as soon as she walked in, she would meet the nurse who usually took care of her.

The nurse smiled brightly when she saw her. I'm out for a walk.

"Yes."

"It seems like you've recovered quite well, much better than the day you first came."

The nurse turned on the tap and washed her hands.

Hearing this, ning Qing's interest was piqued. was the day I first arrived very scary? "

"Isn't it? You're covered in blood, and the clothes of the man who carried you here were all dyed red. That man is also scary. He rushed in and shouted loudly, scaring the few new interns."

That scene appeared in ning Qing's mind.

The man, who had always been cold and self-restrained, held her, who was covered in blood, and roared at the others uncontrollably.

The nurse squeezed some hand wash and continued to talk about what happened that day.

you were in a really critical condition at that time. You lost too much blood and almost had a lack of oxygen in your brain. Unfortunately, we didn't have many people of the same blood type as you in our blood bank. Aiyo, we almost couldn't save you.

Ning Qing furrowed her brows. what blood type? "

"You have Panda blood, don't you know?"

Ning Qing was surprised. She did not know what blood type she had.

In the past, her parents were the ones who kept the reports of her physical examinations, and she had never cared about them.

However, she did remember her father saying that he had blood type B and her mother had blood type O.

The nurse was also a little surprised, but she didn't care.

you're too much. You should make a note if you have Panda blood. Your blood type is special. You might encounter such a situation in the future.

"....."

you're lucky. One of your relatives came. It seems like Yingluo is your sister. She came here to donate blood to you and saved you.

Ning Qing felt a stab in her heart. sister? What sister?"

The nurse waved her hand in confusion. Yingluo, I remember this young woman. She's very pretty and likes to pull a long face. I was the one who drew her blood.

This description only made ning Qing think of one person.

Tina, or rather, Lou si.

But wasn't she in the capital? How did he suddenly appear in Ying city, and how did he happen to be Rh negative, the same blood type as her?

For a moment, ning Qing's thoughts were in a mess.

The nurse looked at her expression and asked, " what's wrong? "

Ning Qing grabbed her. weren't my parents there at the time? "

yes, but they didn't donate blood to you, probably because of physical reasons. I'm not sure about the details.

"....."

All of ning Qing's thoughts were twisted into a mess, and she couldn't understand it at all.

She thought of something and hurriedly thanked the nurse before turning back to the ward.

From afar, she saw that the door to her Ward was open.

They must have returned.

Ning Qing's face tensed up. She was determined to get to the bottom of the matter.

She pushed the door open and blurted out,"Gu Nan ..."

839 Nian lie, you're a bastard!_1

When her eyes met the person in the room, her voice stopped abruptly.

The windows of the ward were closed, and the curtains were drawn. The room was dark.

Nian Xi stood tall and straight, his back wide and broad. He stood in the middle of the room, unbridled. When he heard her voice, he turned around, his dark eyes still filled with panic.

And that panic turned into nothingness in an instant after it touched her.

"....."

The room was quiet.

Her hand was still on the doorknob, and her palm was cold.

The next second, she subconsciously turned around to run.

Nian lie's dark eyes darkened. He caught up to her in a few steps and wrapped his iron-like arms around her slender waist. He pulled her back, and she fell into his arms before she could even scream.

The door closed in front of her.

In the quiet room, she could only hear her own breathing and her intense heartbeat.

"What are you doing here?"

The words that came out of her mouth contained a slight tremble that she didn't even notice herself.

Nian Yu pursed his thin lips, his arms exerting strength.

"I'm here to see you,"

"....."

It had been half a month, and he had so casually said, "I'm here to see you," and he wanted her to calm down the dissatisfaction and anger that she had felt for so many days.

No, she could not do it!

Ning Qing's face was cold, and her whole body expressed resistance.

"You've seen it. You can go now."

She started to struggle and used her hands to push his arms away.

Nian lie couldn't see her face. He was afraid that she would hurt herself. don't move, " he said in a heavy tone.

She didn't care. I don't need you to care about me!

As he said that, he struggled even harder.

Nian lie had no choice but to grab her wrists with both hands and wrap his body around her, allowing her to vent her anger.

"I'm sorry, ning Qing. I'm sorry."

With tears in her eyes, she said stubbornly, " you didn't do anything wrong to me. Whether you want to disappear or pretend to be dead, it's all up to you, Mr. Nian. Who am I? "

"....."

"I'm an idiot through and through! I believed that something had really happened to you, so I rushed back from the capital city to look for you for two months!"

She didn't feel aggrieved at first, but when she said it in front of him, her tears couldn't stop flowing.

"Two months! Even if you had informed me or Nian che, we wouldn't have been so desperate to find you!"

She screamed at the top of her lungs, wanting to spit out all the emotions she had been feeling all this time.

"Why are you so selfish? Why are you only thinking about yourself! Why did you disappear just because you wanted to?"

"....."

"Am I not worthy of your trust, or was the peace we had in those days fake? Or do you want to use this method to make us all worry about you?"

“.....”

“Nian lie, you’re a bastard! I shouldn’t have believed you!”

She sobbed and trembled.

Nian lie hugged her tightly, boundless emotions flashing past his dark eyes.

He just kept saying sorry without any reason.

Ning Qing cried and cried until she had no more strength to push him away.

“I’m like a fool, leaving early in the morning and returning late at night, afraid that I’ll miss the chance to find you, but you? You’re hiding in some corner, laughing at me for being kept in the dark, right?”

“Ning Qing, I’ve always been by your side,” Nian lie said hoarsely, his eyes reddened.

Ning Qing was shocked and turned around in disbelief. so, the person in my room last night was really you?!

He didn’t say anything, which meant that he agreed tacitly.

Ning Qing gritted her teeth, her expression so fragile that it would break with a touch.

it’s really you. I told you, I wouldn’t be wrong.

840 You’re going to die immediately _1

: So, Lu Zhui also knows that you’re fine?: she suddenly thought of something and opened her eyes:

Nian lie’s eyelids twitched. hmm, ” he replied.

A black shadow came toward him.

Ning Qing’s hand was injured, and even if she used force, she did not have much strength in her palm.

Her eyes were red, as if she had been completely hurt. you made him put on an act in front of me and lie to me. Is there any meaning to that? ”

Nian lie’s expression was in a mess, and his words carried a hint of undetectable panic. I didn’t lie to you! he said.

“But you really lied to me!”

Ning Qing roared, her tone changing due to her sadness.

Her eyes were full of desolation and resentment. three years ago, it was like this. Three years later, you are still like this. What are you planning? you never tell me. You let me guess, let me let my imagination run wild, let me be in pain and despair. Is this what you want? ”

Her question had crossed three years of time and finally arrived.

Nian Ying's heart ached. He had never been good at explaining, so he opened his mouth slightly, not knowing where to start.

Streams of tears flowed down, and the pain seeped into his heart.

Ning Qing quieted down, and her heart seemed to have died again.

"You can go," she said in a hoarse voice.

Nian lie was shocked.

Her eyes were dull, and her expression was numb. I promised you that I would take care of you for two months.

She glanced down at his legs, her eyes filled with a strange irony.

now, your leg has recovered. You and I have nothing to do with each other.

She turned around and straightened her back stubbornly.

"My parents will be back soon. Please leave."

As soon as he finished speaking, a strong force came from the side.

She widened her eyes in fear, and her waist was held tightly.

His lips pressed against hers.

It covered the light and shadow in front of her eyes.

She was caught off guard and her entire body was extremely stiff, so he took the opportunity to enter.

The moment their lips met, ning Qing's heart ached for no reason.

The kind that could kill.

She didn't resist and cried silently.

Finally, Nian lie realized something. He slowly backed away and saw her aggrieved and despairing face clearly.

"Why?" she asked.

Nian lie's eyes flickered as he gazed at her with deep regret.

Ning Qing's tears fell like rain again. why are you doing this to me? Why, Nian lie? Why?"

The man's sexy lips were right in front of her eyes. She shivered a few times, as if she was so flustered that she didn't know what to say.

She snuggled up in his arms, her hands unable to exert any strength. She could only grab his collar and cry like a child.

Nian lie looked at her red eyes and nose, and his heart ached so much that he wanted to kill himself.

“Don’t cry, I was wrong.”

I shouldn’t have hidden the car accident from you. I was the one who wanted to find out about Lou qingyue’s background. I didn’t expect you to come back and look for me.

“I thought you didn’t care if I was dead or Alive.”

As soon as he said this, he was punched in the chest.

Ning Qing raised her head and said angrily, “yes!” I don’t care. Even if you die now, I won’t shed a single tear for you! Go to hell, go to hell immediately!”

The woman was obviously throwing a tantrum. How could he not see it?

Although the word ‘dead’ was not pleasant to hear, he had seen how much she cared about him through this incident.

alright, ” Nian Xi held her hand and said indulgently, ” when you’re better, I’ll go if you want me to die.

Ning Qing’s lips trembled, and her hands moved faster than her brain to cover his mouth.

“Can you not say such unlucky words! It wasn’t easy for me to survive, but you’re still alive. Or do you want one of us to die?”

Nian lie lowered his eyes, his eyes full of emotions.

“If one of us is destined to die, it won’t be you,” he said in a low voice after a while.
