

Mr Nian 841

[Chapter 841](#)

841 I can die, but you can't (1:

Ning Qing's heart skipped a beat. It was sour, swollen, and bitter, faintly exuding a different kind of sweetness, which came inexplicably.

She couldn't control the sweetness.

From her heart to her limbs, it even affected her facial features and expression.

She hurriedly broke free from his grip and took two steps back, maintaining a cold face. I've already told you that you and I have nothing to do with each other. From now on, you will be the president of the Nian Corporation, and I will be my designer. We will go our separate ways and never have any contact again.

Nian lie's eyes darkened. are you serious? "

Ning Qing's face was tense. yes.

She saw the man's handsome face darken and heard him ask, "did you think I was joking with you in the past?"

Ning Qing was stunned. Nian lie stared at her back and said, " I've said it before. You're my only wife in this life.

"....."

"You can die, but you can't get rid of me."

"You can only be my wife as long as I'm alive."

Ning Qing didn't know what was wrong with her. It had sounded so scary in the past, but she didn't feel disgusted by it now. She even felt that ran ran was a little touching.

"What if you die?" she asked, trying to get rid of this mentality.

Nian lie's expression was still the same. When he wasn't smiling, he was always cold and distant, making people feel afraid at first glance.

"I can die," he said, "but after I die, I won't have any restrictions on you."

Ning Qing had thought about what he would say. She had even thought that he would say something extremely terrifying like " you must die with me. We will die together. but she had not expected him to give such an answer.

If she died, she would be his wife forever.

If he died, she could live the rest of her life without restraint?

Suddenly, ning Qing understood something.

Her eyes started to heat up. Even though she tried her best to suppress it, that bit of sadness was still like a rubber ball, growing bigger and bigger in her chest.

Nian lie still thought that she was angry. He thought about what she had just said and realized that he had come up with this idea a long time ago.

He had always thought that he would not live longer than her.

Because as long as he was alive, he would do everything he could to protect her.

He, on the other hand, had a lot of enemies in business and other fields.

Perhaps one day, he would really lose his life after being calculated, just like the car accident two months ago.

At that time, should she be happy or sad?

Nian lie couldn't tell.

He only said, "as long as you're alive, I'll protect you. If I die, you'll have to live on as you wish. A peaceful life is the best."

When she heard this, Ning Qing's heart suddenly ached, as if someone had stabbed her in the heart.

She bit her lip, and tears welled up in her eyes again.

This lunatic!

What kind of bullshit is that!

She was angry and retorted, "I don't need your protection!" Without you, I'll live a better life!"

Nian lie's long eyelashes fluttered, and a small shadow fell on his face, highlighting his dark circles and fatigue.

He curled his lips. that's true.

These two words made Ning Qing's body stiffen.

He looked at her slender figure. It was so close, yet it seemed so far away.

He smiled bitterly. I'm the one who brought you all this pain.

After saying this, he turned around and was about to leave the room.

Ning Qing's ears focused, but before she could ask anything, a familiar conversation came from the corridor outside the door.

"I should stay away from you."

After saying this, Nian lie's hand was already on the doorknob, about to press it down.

Ning Qing's eyes widened in shock. don't go out!

[Chapter 842](#)

842 Hide away (1:

She rushed forward and grabbed his hand, " my parents are back!

Nian lie's movements stopped. He glanced over and asked her what she wanted.

She gritted her teeth and was extremely flustered. you can't let them know that you're here.

However, the sound was getting closer and closer.

Ning Qing grabbed his wrist. hide!

I didn't do anything wrong: " Nian lie said: why are you hiding? "

Ning Qing felt helpless.

Her parents had never liked him. If he appeared in the ward so openly, she might be implicated.

She didn't even know where her worries about leaving came from. She just didn't want her parents to hate him even more!

"It's a mistake for you to appear here! You shouldn't have come to Xuanji. Hurry up and hide."

Nian Yu was stunned for a second. He scanned the entire room. where are you hiding? "

She did not know either!

Ning Qing anxiously dragged him in and glanced at the bathroom. This was the only way.

Nian lie could tell what she wanted. His face darkened. I refuse.

"Your rejection is invalid."

Ning Qing pushed him in, not giving him a chance to speak. don't say anything. Don't make any noise. I'll find a way to send them away.

After she finished speaking, she closed the door in front of him.

Just as she turned around to draw the curtains, the door of the ward opened.

Father ning and mother ning came in one after another, with Gu nanzhi at the back. She was a little surprised when she came in.

"Qing Qing, why are you up?"

Ning Qing waved her hands uncomfortably. I'm so bored that I'm getting up to do some rehabilitation.

Mother ning put down the things in her hands and walked over. it's so cold, " she chided: why are you getting out of bed? it's so warm.

"Mom, it's my hand that's injured, not my leg."

"I don't care if it's a hand or a leg. You're a patient, and a patient should act like a patient."

Mother ning held her hand and helped her to the bed.

Ning Qing glanced at the bathroom door worriedly and sat on the bed unwillingly.

Gu nanzhi walked over. it's already boring: " she muttered: why did you draw the curtains? "

He pulled the curtains open, and the windows were tightly shut.

The bright light entered the room in an instant, and ning Qing squinted her eyes.

close it, " Mrs. Ning said. it's windy outside. She'll get cold soon. Just close it.

Gu nanzhi nodded.

After they were done, mother ning insisted that ning Qing lay back on the bed and asked father ning to serve her a bowl of chicken soup.

"It's just cooked and it's still hot. Try it."

After ning Qing agreed, father ning pressed the small table down for her and put a small spoon into the bowl.

These days, she had been trying to do some things by herself.

For example, what to eat and wash up.

But so far, the situation was not ideal.

Ning Qing looked at the bowl, took a deep breath, and tried to hold the spoon. She scooped a spoonful and brought it to her mouth extremely slowly.

However, her hands were shaking uncontrollably, and the soup was shaking in the spoon. She was even more anxious.

All of a sudden, the spoon fell back into the bowl, making a crisp sound.

A few people looked over.

Ning Qing forced a smile. I didn't hold it properly. I was thinking about something.

Her reason was not excellent.

Mr. Ning's heart ached for her. your hand hasn't fully recovered yet. Don't worry, let your mother feed you.

Mother ning was about to take the bowl, but ning Qing reached out to stop her.

She insisted, " no, I can do it.

"....."

Father ning and mother ning looked at each other with worry in their eyes.

She adjusted her breathing, picked up the spoon again, and slowly and carefully put it to her mouth while lowering her head.

[Chapter 843](#)

843 Cover for him (1:

Her hands were still shaking, and her body was covered in sweat. Her arms were spasming, and she couldn't control them at all.

Finally, the spoon entered her mouth.

"I can afford it!" She shouted happily and showed off her actions to the others.

Mother ning smiled, but her eyes were secretly wet.

"Qingqing, you're the best."

Mr. Ning looked at the sweat on his daughter's forehead. It was just a simple action and she was already having a hard time doing it. How was she going to continue her job in the future?

That was a hundred times more meticulous than eating!

Gu nanzhi could see her disappointment and joy, but she could not feel happy at all.

Father ning took a step back and gave Gu nanzhi a look.

I'm going out with Xiao Gu for a while. You stay with Qingqing.

Mother ning looked at ning Qing with relief. I know. You can go now.

The two of them walked out of the ward. Father ning paused and searched his body, only to find a pack of cigarettes!

Gu nanzhi wanted to stop him. uncle, if there's anything, you can just say it. You don't have to be like this.

Father ning thought for a moment, then put the cigarette back and pointed to the other end of the corridor.

Gu nanzhi understood and the two of them walked away solemnly.

In the ward, ning Qing finished the chicken soup with great difficulty and thought about how to get mother ning away.

At this moment, mother ning cleared the bowls. do you still want to eat some fruit? "

"No need, mother," ning Qing refused.

Mrs ning nodded. you should rest for a while.

She stood up and walked towards the bathroom with the bowl of soup.

Ning Qing propped her upper body up and lifted the blanket to get out of bed. mother, don't go in!

Mother ning stopped in her tracks. what's wrong? "

Ning Qing's heart was beating so fast that it was already in her throat.

She hurriedly got out of bed and walked over to mother ning. She was speechless when she saw the strange look in her mother's eyes.

why are you so surprised? " mother ning asked. I just want to do the dishes.

"It's so cold, why are you washing the dishes? just leave it there." She tried to snatch the bowl and chopsticks from mother ning's hands, but she dodged them.

"If I don't do it, who will? you can't count on your dad. Why don't you think about whether your dad is the one who does this kind of work?"

Ning Qing did not let go. She looked guiltily at the bathroom door, so scared that her bones were trembling.

Mrs ning caught her gaze and said, " Qingqing, you're acting weird. Why? is there someone hiding inside? "

Ning Qing shouted as if she had hit him in the head.

She squeezed out a smile. how could that be, ran ran? what are you saying? "

"Then why are you stopping me?"

Mother ning was just making a casual remark. She didn't believe that there would be someone hiding in the toilet at all.

"I want to go to the toilet!" Ning Qing held her hand and said loudly.

"....."

She looked at mother ning and almost broke down. yes, Zhenzhen, I want to go to the toilet. My stomach is a little uncomfortable.

Mother ning looked her up and down, and her gaze made ning Qing feel uncomfortable.

"If you want to go to the toilet, then go to the toilet. Don't treat your mother like an outsider."

Ning Qing gave a fake smile. I didn't.

I've raised you and your sister through my own hard work. What haven't I seen before? " Mrs. Ning rebuked.

These words were nothing, but as soon as ning Qing thought of the man who was listening to her through the door, she felt uncomfortable all over!

"Mom ..."

Ning Xi's mother patted her hand lightly. that's enough. You can go first.

She took the bowl and went back to the bed.

Ning Qing took the opportunity to open the door, squeeze in, and lock the door without a word.

She heaved a sigh of relief. The shadow behind her covered her, and goosebumps rose on her back.

“.....”

[Chapter 844](#)

844 Doesn't it look like an affair?

The ward wasn't big, and the bathroom was also small. It was fine for one person to squeeze in, but with a tall man, the whole space became cramped.

Ning Qing was barely able to turn around, but she did not expect to see his magnified handsome face.

His features were well-defined, and even his ink-black eyes and sharp, sexy thin lips were right in front of him.

Her eyelashes trembled as she focused on the second button on his chest. She gestured for him to move back.

“I can't,” Nian lie lowered his voice and said.

Ning Qing quivered and covered his lips with her hand.

“Don't say anything!”

: Qingqing, what are you talking about?: the person outside the door heard the noise and stuck her head in:

Ning Qing blinked. no, it's nothing. I just have a stomachache.

Mother ning said something in a low voice, but she didn't hear it. She glared at Nian lie fiercely and placed her index finger on her lips, signaling him not to make a sound.

“.....”

Nian lie's line of sight followed her fair and delicate fingers and landed on her pink lips.

Because of her strength, the middle of her lips were pressed, and the edges were slightly white.

Ning Qing felt that there was something wrong with his gaze and retracted her hand as if she had been electrocuted.

His lips were free, and his hands immediately tightened around her waist.

Ning Qing's eyes widened. He smiled slightly and moved to her ear. don't you think we look like we're having an affair? ”

His voice was usually deep and pleasant, but now he deliberately suppressed it, making his voice even more mellow and sexy, stirring people's hearts.

His warm breath blew on her ear, numbing it. Ning Qing's ears turned red. stay away from me!

He raised a hand and pressed his index finger on her lips. you said it, ” he said in a hoarse voice. lower your voice.

Ning Qing didn't understand what whispering had to do with an affair!

What kind of rubbish is his brain filled with!

“Don’t mess with me!” She said exaggeratedly, controlling her voice.

She was like an angry cat, but she could only stay in his arms, so cute and pretty.

“You were the one who wanted to come in,” he continued.

“I’m just afraid that my mother will find out about you!” Ning Qing said hatefully.

Nian lie’s cold brows raised, looking a little different from his usual unruly self.

“The current situation is caused by you.”

“.....”

“You asked me to leave just now. It won’t be like this now.”

Ning Qing exploded with anger.

If she had known this would happen, she would not have hidden him!

He deserved to be scolded to death by his mother!

The woman’s small face was puffed up with anger. He couldn’t help but laugh and reached out to pinch the soft flesh on her face.

Ning Qing’s eyes widened instantly, and her resistance was too obvious!

Nian lie lowered his head and inched closer to her with a hint of ambiguity and malice.

“You like this kind of excitement?”

Ning Qing’s body stiffened, and her eyes were filled with question marks.

His large palm was on her waist. He didn’t move, but it seemed like he was deliberately teasing her through the patient’s gown.

Ning Qing didn’t know if it was him or herself who had a problem, but the heat in her body was rising to her head!

He was too close, so close that she could kiss his Adam’s apple or chin when she looked up.

“Try coming any closer!” She warned through gritted teeth: not daring to move:

Afraid that he might overdo it, Nian lie held on to the idea that “ nothing should be rushed ” and took a few steps back.

Ning Qing,”Zhenzhen.”

The two of them stood facing each other, the atmosphere sweet but also a little strange.

She suppressed her wildly beating heart and pointed outside the door, her clear black and white eyes spinning.

Nian Xi looked at her, his eyes emotionless.

After a few silent exchanges, ning Qing took a deep breath and said, "mother.

[Chapter 845](#)

845 Hurry up and get lost: 1:

Mother ning heard her and walked over. what's wrong, baby? "

Ning Qing's heart was in her mouth when she heard the voice coming closer.

"I think I'm about to do that," she lied without blushing.

Since they were both women, mother ning immediately understood.

"Okay, I'll go to the supermarket to buy some for you."

"Okay, Thank you, Mom."

He walked away until the door closed.

The next second, ning Qing unlocked the door and pulled it open, distancing herself from him.

"You can leave now."

She lowered her head. She didn't want to look at him, or perhaps she didn't dare to look at him. Only her red ears were burning.

"....."

Nian lie looked at the woman, who was obviously shy and flustered. why are you so nervous? are you that afraid that your parents will see me? "

"They don't like you, and they'll only hate you even more when they see you again!" Ning Qing blurted out.

"....."

The amorous atmosphere between the two of them had changed.

Ning Qing felt the temperature around him drop a little. He had lost his gentleness and kindness and became cold.

She bit her lip and heard him say,"you're afraid they'll hate me more." &Nbsp;

"....."

"Is this what you mean?"

Ning Qing's heart trembled, and she was so flustered that she did not dare to look at him.

"No matter what, you saved me this time. I'm not an ungrateful person, but I can't stop my parents. It's best if you don't see each other."

The man didn't say anything and only looked at her with a pair of deep eyes.

Ning Qing straightened her back. I don't know what you're thinking.

His sudden approach scared her so much that she stepped back.

Ning Qing panicked. what are you doing?!

Nian lie's eyes were filled with the initial gentleness. He smiled slightly. I want to see if you're afraid of being exposed when you don't mean what you say.

So, she was the one who was afraid just now.

Ning Qing was disturbed by him. stop talking nonsense. Get out of here!

She pretended to push him away. Nian Jing stared at her. are you angry from embarrassment? "

"....."

Ning Qing had had enough. She hated being led around by him!

She pointed at the door. get lost, or I'll call for help!

Nian lie knew that she had already reached her limit. If he continued to provoke her, she would probably really get angry.

Hence, he nodded. sure.

"....."

He couldn't hide the smile on his face. I'll come to see you tomorrow.

"I don't need it! Don't come again."

The man did not listen. His gaze swept across her entire body, from the top of her head to her face, to her trembling hands hanging by her sides, and then to her feet.

When ning Qing couldn't stand it anymore, he looked away and turned to leave.

He had left, but his scent lingered in the ward, making her cheeks heat up.

"Damn scoundrel!"

Ning Qing was so angry that she cursed.

The door of the ward suddenly opened again.

She was shocked. Gu nanzhi walked in and looked at her strange expression. what's wrong? "

Ning Qing was stunned. She didn't know if she was disappointed or glad, but she shook her head casually.

Gu nanzhi walked over and poured a glass of water.

She was still in a daze.

He felt a deep strangeness. He looked at the room and then at the bathroom with the door wide open.

He slowly raised the cup, brought it to his mouth, and stopped.

“Someone came just now?”

“No.” Ning Qing’s eyes twitched, and she denied without hesitation.

“Really?”

“Yes.”

...

He put down the glass of water before he could even put it into his mouth.

He took two steps in front of her and looked her up and down seriously.

Ning Qing felt guilty for some reason. What are you looking at? ”

“Why is your face so red? Are you feeling uncomfortable?”

[Chapter 846](#)

846 You want to chase me away?

He reached out his hand, but she dodged it.

Gu nanzhi was still very concerned. your lips are so red too. Do you have a fever? ”

Ning Qing’s heart was pierced by his words again and again. She was both embarrassed and angry. I’m fine. Don’t talk nonsense.

“Your face is too red, Yingluo.”

“Shut up!”

After she finished shouting, she looked at Gu nanzhi’s stunned expression and went back to the bed. After getting on the bed, she covered her face with the blanket, looking like she didn’t want to talk to anyone.

“.....”

Gu nanzhi’s expression darkened. She thought of the figure she had seen in the corridor from afar and fell silent.

When mother ning came back, Gu nanzhi was sitting on the small sofa, while ning Qing was wrapped in the blanket, as if she didn’t want to see anyone.

She whispered a few words to ning Qing, but the other party only said, ” mother, I was wrong. then, they left it at that.

Mother ning was very confused, but she didn’t say anything. She put the things she had bought into the drawer.

*

The next day, ning Qing looked at people going in and out of her Ward, seemingly a little distracted.

Gu nanzhi also felt that it was strange. Why did he tease her as if he was waiting for someone?

The woman, who had fallen into her emotions, had no idea how abnormal her current behavior was.

After the doctor finished his examination, the ning family's parents pulled the doctor out of the door, leaving Gu nanzhi and her alone.

who are you waiting for? " Gu nanzhi touched her long golden hair and asked directly.

Ning Qing was shocked. No.

Gu nanzhi picked up an orange and weighed it in her hands. She then sat down in the chair in front of her.

"You keep looking out the door, do you think I'm blind?"

"There's really no one," ning Qing said in a low voice, her expression unnatural.

Facing Gu nanzhi, she actually felt a little guilty.

He didn't know why.

She composed herself and said formally, "Gu nanzhi, I have something to tell you." &Nbsp;

He was not used to her sudden seriousness. what are you doing? do you want me to help you get discharged? "

"No."

His slender and fair fingers peeled the orange, and the fragrance drifted with the wind.

"Are you chasing me away?"

Ning Qing's mouth moved. neither is ran ran.

"Then what do you want to do?"

Ning Qing put on a serious expression before she thought about it.

Gu nanzhi was also stunned and prepared for her next words.

"Shua shua-"

There was a knock on the door.

Gu nanzhi rolled her eyes in annoyance. who is it? "

There was a moment of silence outside. Hello, I'm Yan Sichen. I'm here to visit ning Qing.

Gu nanzhi looked at ning Qing. I said you were waiting for someone. You lied to me.

Ning Qing moved her lips and wanted to explain, but he had already gone to open the door.

Yan Sichen met Gu nanzhi face to face. Yan Sichen nodded slightly, but Gu nanzhi stepped aside indifferently.

He entered and put the flowers and fruits aside. He looked at ning Qing. you look much better. It seems that you've recovered well.

Ning Qing nodded. brother Si Chen, please take a seat.

She turned around and ordered Gu nanzhi. nanzhi, " she said. get brother Sichen a glass of water.

"No need, I'll leave after a while. I still have something to do."

"Is it about the company?" ning Qing asked, concerned. You go do your thing, you don't have to come all the way here to see me. "

it's nothing. I was just about to meet a business partner, so I decided to drop by to see how you're recovering.

"....."

The two of them exchanged words and had a good chat.

Gu nanzhi walked to the side and threw the orange peel into the rubbish bin.

He broke off a piece of the fruit and threw it into his mouth. He looked at the two people with a resentful gaze and took a bite.

Bah!

What the hell!

[Chapter 847](#)

847 You just have to get used to this kind of thing (1:

"It's so bad!"

The two of them weren't affected at all by his comment.

He gritted his teeth in anger and glared at Yan Sichen. it's too stuffy in here. I'm going out for some fresh air, " he said before slamming the door and leaving.

"What's wrong with Mr. Gu?" Yan Sichen asked hesitantly as he could feel his displeasure.

"....."

"You quarreled with him?"

How could she be blamed for this?

No. ning Qing shook her head and sneered. maybe he's out of his mind. He's mentally unstable.

It was rare to hear her belittle others. Yan Sichen was a little surprised, but he also understood in his heart. you have a good relationship with him.

there's nothing good about him. He's annoying, " ning Qing said stubbornly.

The door was pushed open, and a golden head popped in. who did you say was annoying? " the head said darkly.

Ning Qing and Yan Sichen both looked over. She was really speechless. Gu nanzhi, are you polite to eavesdrop on others? "

The man didn't care about this. He narrowed his eyes and said sarcastically, " you're talking bad about others behind their backs. Are you polite? "

"....."

The two of them glared at each other, not giving in to the other.

Yan Sichen laughed. Gu nanzhi rolled her eyes at him and snorted. since you're a patient, I won't argue with you.

Ning Qing put on a fake smile. you'd better not continue eavesdropping.

Gu Nanxi snorted and rolled her eyes in disdain. who cares? "

Then, he closed the door and left.

Ning Qing relaxed her body and looked back at the smile on Yan Sichen's face. She was a little embarrassed. I'm sorry, brother Sichen. I've made a fool of myself.

Yan Sichen didn't mind at all. it's good to see you so happy.

"....."

it's a good thing to be happy all the time. Mr. Gu is very capable.

Ning Qing thought of Gu nanzhi and smiled. yes, he's usually very lively and has a good personality. When I'm with him, I can't remember those unhappy things.

Gu nanzhi just had this kind of magic.

Yan Sichen looked at her smile. The joy and happiness between her eyebrows were very real, which he had not seen in a long time.

"Have you thought about the thing I talked to you about last time?" he asked.

Ning Qing was stunned by the sudden change of topic.

Yan Sichen sat upright with a casual expression on his face, but he could still see something from her subtle expression.

"He came to see you," he said lightly.

"....."

"How did the discussion go?"

How was it?

She recalled the series of events that had happened yesterday. At the beginning, she had been hysterical and grumbling, but later, the sudden accident had happened. It seemed that things were not going well for her.

Yan Sichen pursed his lips and smiled. why? did I make things difficult for you? ”

“No.” No. ning Qing shook her head and could not help but sigh. I just feel that it’s very difficult to take that step.

She really wanted to, but it actually meant that she already had an idea.

Yan Sichen’s heart ached a little, but he felt more relieved.

it’s hard to take that step, but Qingqing, have you ever thought about what will happen after you take that step? ”

Her eyes were as clear as water, like the waves of a Clear Lake, so clear that one could see through it with a glance.

“You should have more confidence in yourself and in Him,” Yan Sichen said helplessly.

“.....”

“I just think it’s strange,” ning Qing said in a low voice, feeling awkward.

She found it strange that she was so close to Nian lie.

She also found it strange that she was a little gentler to him.

Yan Sichen understood that she had never been in love before, so naturally, she would not understand the heart-throbbing and uneasiness of a young girl.

He didn’t know what to say, so he just said, “you just need to get used to it.” &Nbsp;

[Chapter 848](#)

848 Don’t you like this kind of excitement?

Ning Qing was silent.

After that, Yan Sichen thought of the man just now. Although he felt that it was impolite, he felt that as her brother, he should give her a warning.

“Qing Qing.”

Ning Qing was a little lost in thought. huh? ”

Yan Sichen coughed lightly. what do you think about Mr. Gu? ”

Ning Qing’s eyelashes fluttered, but they suddenly got stuck.

“I know who you love, but you still have to deal with other people: ” Yan Sichen said:

“.....”

“There are some feelings that you need to respond to directly.”

Ning Qing looked up, her eyes clear.

I don't need it,” he joked gently. I know my own limits.

Naturally, he was no match for Nian lie.

It was in the past, now, and in the future.

Even though he was still a little unwilling, he had to admit it.

Ning Qing couldn't smile. She knew that he was talking about Gu nanzhi.

However, it was not easy to clear things up between her and Gu nanzhi.

Seeing that she was vexed, Yan Sichen decided to give her some time to think about it.

“Alright, it's getting late. I'll be leaving first.”

Ning Qing raised her head and lifted the blanket. I'll send you.

“No need. You should lie down and recover soon.”

Yan Sichen stood up and greeted her.

“I'll send you out.”

Ning Qing got out of bed, and he no longer refused. He ran to the door and opened it. He turned around and said with a smile, “take care of yourself. You should think about the things I've mentioned. Don't be too tired.

“Alright,” he said.

Yan Sichen strode away.

Ning Qing watched him leave and disappear at the elevator.

Just as she was about to return to her room, she suddenly caught a glimpse of a familiar figure from the corner of her eye.

Tina?!

He recalled what the nurse had said, and the questions that had been ignored for the past two days popped up one after another.

She did not hesitate and headed straight in that direction.

In the end, the woman with the good figure turned directly into the elevator.

Was she Yingluo following Yan Sichen?

With this thought in mind, ning Qing's footsteps quickened.

As they passed by the doors of the wards, they were about to pass through the emergency exit.

Suddenly, something flashed in the dark safety passage, and the heavy door opened. Before ning Qing could scream, a Black Hand reached out, grabbed her arm, and pulled her into the darkness.

“Oh ...”

Her body was hugged from behind and her mouth was covered by a hand. She could only make muffled sounds.

The dark corridor was filled with chilly wind. The fear of being kidnapped by Lou Chi swept over.

“It’s me.” Just as she was about to struggle with all her might, she heard a familiar low and hoarse voice.

Nian lie!

Her body stiffened, and he felt it too. He whispered, “ don’t scream, ” and let go of her mouth.

Ning Qing’s eyelids trembled, and she looked up in shock.

He had always been tall, and at this moment, he was dressed in black, with the dust and cold air of early spring, and his aura was piercingly cold.

She could only reach his shoulder. After finally adapting to the darkness, she raised her hand and punched him. are you sick?!

Nian lie clasped her wrist and pinched it carefully, afraid that she would pull on her wound.

“Aren’t you the one who likes this kind of excitement?” he asked in a low and hoarse voice.

Ning Qing took a deep breath and suppressed her fear. She didn’t want to talk to him.

Nian Jin caressed her fair wrist. Her skin had always been soft and smooth, as silky as milk. He couldn’t bear to let go.

Such a small movement, coupled with his dazed gaze, was enough to tell how much he missed her.

Ning Qing’s anger inexplicably dissipated.

However, he deliberately pressed his forehead against hers. did you miss me? ” he asked her in a domineering and overbearing manner.

She turned her head away.

He deliberately chased after her. huh? ”

His gentle voice, along with the warmth of his breath, tickled her heart.

It was a little numb and a little itchy.

Ning Qing’s face was tense. No.

“I miss you.”

“.....”

He held her waist tightly and pulled the two closer. I miss you very much, ning Qing.

She used to hate it when he spoke to her in this tone.

It was too frivolous and flirtatious, with a bit of deliberate teasing.

He didn't seem like a good man.

“If you have something to say, just say it quickly. Don't be so sneaky,” she said coldly, trying to restrain her rippling emotions.

Nian lie didn't mind that she was being stubborn. He curled his lips into a smile and said, “ I don't like to be sneaky. You're the one who doesn't want anyone to see me.

“It's not that I don't want people to see Yingluo.”

When she said this, ning Qing knew that she had been tricked by him. She looked up and was about to scold him, but she fell into his gentle black eyes.

“Don't be like this,” she said after a long time.

“What?”

Like a Rascal.

Ning Qing was speechless. The changes in him during this period from the capital to now had made her unable to withstand it.

In the past, a single word from her would make him angry and change his expression.

But now, no matter how much she scolded him, he would not be sad at all.

Only now did Nian lie realize that she couldn't stand this kind of interaction.

In the past, he also knew that she didn't like to be overbearing and unreasonable, but he didn't expect that he could only deal with her in such a hoodlum way.

“.....”

For a long time, the two of them did not speak.

The corridor was extremely quiet.

He took off his windbreaker and put it on her shoulders.

The heat came up. His trench coat was too long for her, and it had already reached her calves.

“I'm not cold,” ning Qing said.

He held her shoulders and looked at her face carefully. When she was so embarrassed, he said, “ how's your hand? ”

Ning Qing's heart was in a mess. When she heard this, she quickly regained her senses. I'm alright.

Her answer was ambiguous because she didn't know how much he had heard of her conversation with her parents yesterday and whether he cared.

Nian lie's gaze deepened. that's good.

"....."

He gathered the collar of his trench coat and said nonchalantly, " you should rest well during this period. Don't think about working. I've found a few experts for consultation. I'll take this opportunity to recuperate your body.

Ning Qing frowned. I'm in good health.

Nian Yu's hand, which was tidying her neckline, paused. He freed one hand and pinched her shoulder. She hissed in pain. He slowly said, " this is what you meant by 'good'.

Ning Qing,"Zhenzhen."

"With this body of yours, you'll be blown away by the wind if you go out, and you still dare to say it's good."

Ning Qing was not convinced. I've always been in good health.

Nian Yu's tone was heavy. be good.

"....."

"Now that your physical fitness has improved, you'll suffer less in the future."

Ning Qing could not refute.

Nian Xi's heart softened when she saw how obedient she was. He held her hands and realized that they were frighteningly cold.

The man's brows furrowed, and his Phoenix eyes glanced up. The pressure came quickly.

"Why are your hands so cold?"

Ning Qing wanted to say that she wasn't cold, but her hands didn't have much strength.

"We're in the corridor, the wind is cold,"

She wanted to break free, because she really couldn't stand it anymore.

However, in the next second, the man held both of her hands with one hand and grabbed the corner of his shirt with the other. He lifted it up and grabbed both of her hands to explore inside!

"Nian lie, what are you doing?!" Ning Qing shrieked, as if she had been electrocuted.

She tried her best to retract her hand, but he just wouldn't let her.

...

She even forcefully opened her palm and pressed it against his strong waist!

850 Ning Qing, Qingqing, ah ning, it's all your fault (1:

A burning heat came from his palm.

“.....”

Now, because of this action, she had no choice but to bury her head in his chest and wrap her arms around his waist, hugging him like a koala!

Nian lie was delighted. is it warm? ”

Ning Qing bit her lip and held on to her last bit of stubbornness. Nian lie, don't be a hooligan.

It was supposed to be a warning, but the voice that came out of it was so soft that it trembled.

She cursed herself in her heart and didn't even dare to raise her head.

Nian lie hugged her and switched their positions.

His back was against the cold wall, and she was lying firmly in his arms.

“Don't let go.” Nian lie couldn't help but curl his lips into a smile.

Then, he let go of her hands and hugged her back.

This time, she couldn't escape at all.

Ning Qing didn't dare to move. She quietly nestled in his arms, afraid that he would do something.

Perhaps she was too nervous, she even forgot to breathe when she buried her head in his chest for a minute.

After holding it in for a long time, her face turned red, but she didn't seem to have any intention of letting her go.

She had no choice but to raise her head and pant.

Nian lie lowered his gaze and teased her. we're not kissing. Why are you holding your breath? ”

Ning Qing glared at him fiercely, but it was not as fierce as she had thought. There was only charm and beauty.

“Don't take this opportunity to be a hooligan.”

Nian lie was amused by her. He lowered his gaze and froze.

The woman's lips trembled. They were Scarlet, and her every breath was like a flower trembling in the wind, attracting people to hang around and pluck her.

Ning Qing was about to say something when she suddenly noticed his deep gaze. Her eyes flashed and she looked down unnaturally.

All of a sudden, she did not dare to look into his eyes.

However, when she shifted her gaze, her eyes fell on his Adam's apple.

A man's neck was different from a woman's after all. His Adam's apple bobbed up and down, and he was so sexy that he was seductive.

Ning Qing swallowed her saliva inexplicably. She was probably too nervous and felt that she had seen something she did not dare to see.

A force pressed down on his waist.

She looked at him without any preparation and met his dark eyes.

"I want to kiss you," he said.

Nian lie's voice was even hoarser than before.

It tugged at a string in ning Qing's mind.

Her heart skipped a beat, and she quickly avoided his eyes. f * ck me, f * ck me.

Nian lie's eyes were filled with a misty color, causing one to be unable to extricate themselves from it. Even she had forgotten to look away.

He restrained himself several times, and finally, those two words still came out of his mouth.

"Ah ning," he called her.

Ning Qing's body turned cold.

He was still treating her as his sister at this time?

I'm not her! ning Qing's heart turned cold for no reason. She denied it in an aggrieved and urgent manner. I'm not her!

How could he still use her as a substitute at a time like this?

Ning Qing was so resentful that she wanted to push him away.

Nian lie hugged her tightly. it's you!

She was stunned.

He was serious and solemn, like an oath, but more like proof.

"The person I want is you. From the beginning to the end, it has only been you."

Ning Qing was confused.

What did he mean?

Nian lie reached out and cupped her face carefully. The emotions in his eyes turned the world upside down. It was a sincere and deep love that she had seen before.

"Ning Qing, Qingqing, ah ning, it's all your fault!"
