

## Mr Nian 851

### [Chapter 851](#)

851 It's all your fault (1:

One sentence of acknowledgment, three names, all the deep feelings were strung onto one person.

What about ning Qing?

Confusion, shock, joy, and tears.

So, does he mean that I've liked her from the beginning? Wasn't she her sister?

Had she misunderstood him all these years?

The complicated emotions were like the tide of the sea, instantly drowning her eyes and the lake of her heart.

Nian lie carefully traced her face. Every inch of her face was filled with love and affection that was etched in her bones and engraved in her heart.

"Kiss me."

It was a small order, but it was extremely firm.

In the next moment, an overwhelming joy filled the air.

He held her face tightly and kissed her reverently and with restraint.

In the beginning, he was only dabbling in it.

Later, he saw the love and hate in the woman's eyes. The hatred was swallowed by love, and only his shadow was left in her heart and eyes.

His heart ached.

A storm of kisses came. Ning Qing hugged his waist tightly, accepting his love and pain.

"....."

After a long time, her lips were torn and the corners of his lips were stained with her blood, looking extremely seductive.

The two of them were reluctant to part, their panting filling the entire corridor.

As Nian lie held the woman whose legs had gone soft, blue veins popped out on his forehead due to restraint.

"You love me," he said.

Ning Qing looked at him, the corners of her mouth slowly lifted, and she looked at him silently.

Unknowingly, the distance between the two of them had closed again.

Just as he was about to kiss her, the sound of someone approaching startled Ning Qing.

Nian Lie bent down and hugged her tightly.

The safety door was pushed open, and a half-hidden figure said to the back, "I'll go down the passage to take a look. I'll tell you the situation later."

Then, he turned around and closed the door.

In the dark, he squinted his eyes and turned on the flashlight on his phone, shining it down the stairs.

On this side of the wall, a petite woman was lying in the man's arms. The man's strong arms held her tightly, afraid that she would be seen.

Until the man walked down, there was no sound.

Ning Qing withdrew from Nian Lie's arms. It's all your fault!

Nian Lie raised his eyebrows. He looked like a ruffian. However, he was in a good mood. Okay, let's go to another place next time," he replied.

Ning Qing's face burned red.

When did he become so bad?!

Nian Lie didn't care what she thought. He only felt that the current atmosphere was too good. He didn't want to ruin it. He wrapped his arms around her waist and said, "let's kiss a little more."

Ning Qing's face was red, and the heat reached her neck.

"Can you not be so indecent! My parents will be back in a while. They'll be worried when they find out that I'm missing."

"I won't," Nian Lie said.

Taking advantage of her talking, he seized the opportunity to lean over and bite her lips.

"....."

The wind in the corridor was still cold and refreshing, but it could not affect the flowers in the corner.

"....."

Ning Qing covered her mouth and returned to the ward after she had finished talking to Nian Lie.

Her parents were not back yet, but Gu Nanzhi was.

The man was very angry at her sneaky look. Where have you been? Do you know how long I've been looking for you? I almost fucking called the police!"

Ning Qing felt guilty. I went out for a while.

"Why didn't you tell me you were going out? I've been looking for you for so long!"

Gu Nanzhi rushed over in anger and did not notice her strange behavior.

“You’re going to send that Yan guy off, right? Didn’t he know to tell the nurse on duty? Do you really think you’re a three-year-old child? you’re cowardly!”

He suddenly stopped.

Ning Qing kept blinking her eyes, her eyes darting around. Zhenzhen, What are you looking at? ”

### [Chapter 852](#)

852 As promised, we’ll talk after the game

Gu nanzhi’s eyes narrowed and she reached out her hand.

Ning Qing closed her eyes and felt the weight on her shoulders lighten.

“Whose is it?” Gu nanzhi asked coldly, holding the black windbreaker in her hand.

Ning Qing looked at him and panicked, not knowing how to answer.

“I’m Yingying!”

“That guy with the surname Yan?”

Ning Qing was about to say no when Gu nanzhi weighed the clothes in her hands. at least he still knows how to care for you. she said.

“.....”

He threw the clothes on the seat and dusted his hands, looking very disdainful.

Seeing that ning Qing was still standing there, he rolled his eyes at her. What are you looking at? get back to your bed.

Ning Qingzhen was really helpless and wanted to talk to him, but seeing that he was in a fit of anger and seemed to be ignoring her, she temporarily gave up.

Ning Qing’s parents had rushed back and were relieved to see ning Qing there, but she had been lectured again.

Taking the opportunity, she kept Nian lie’s clothes and folded them neatly. Her careful posture made Gu nanzhi curse under her breath. She said that she was staying in a hospital and that she was inexplicably in love.

Ning Qing ignored him and lived in peace for two days.

Nian lie, on the other hand, would look for opportunities to visit her every day. Every time she fumbled her way to see him, she would come back with a flushed face and shyness.

She had never felt this way before.

After a week, Gu nanzhi caught a cold. She only came to the hospital to visit her after resting for a few days.

Ning Qing thought about what Yan Sichen had said, about Nian lie, and about herself, and her emotions were complicated.

“Have you recovered from your cold?” she asked, staring at the man who was sitting on the sofa in an untidy manner.

Gu nanzhi didn’t even turn her head. She just snorted, as if she was unhappy with her nonchalance these few days.

Ning Qing took a deep breath. I have something to tell you.

It was this tone again.

Gu nanzhi glanced at her impatiently. you’re trying to make me unhappy, right? ”

Ever since she had been hospitalized, she had never had him in her eyes. What was she trying to do now?

Ning Qing felt that some things could not be delayed any longer.

Yesterday, Nian lie had been pestering her, refusing to let her return to America.

In fact, she had given it some thought. The current situation was no longer simple. With her hand in this state, there was not much use in returning HE.

: I told you during the competition that we’ll talk about it after I’m done,”she said:

He knew what it was the moment she said that.

Gu nanzhi lowered her head and took an orange from the small table.

I should have talked to you a long time ago, ” ning Qing said. but because I’ve returned to Ying city, I’ve spent so much time. I haven’t had the time.

“.....”

“Now, I think I’ve thought it through.”

Ning Qing made up her mind to speak her mind.

She actually felt that she was very cruel and that she was not worthy of his sincere love. She even felt that he could find a better woman.

It was just that he had given her too much these days. She couldn’t even reject him as casually as she used to.

The man didn’t seem to know what she was thinking. He slowly peeled the orange, and his hair fluttered with his movements.

After peeling an orange, he walked over and handed it to her.

“Here, Auntie and I picked it out. It’s very sweet. Try it.”

Ning Qing’s eyes were obscure. Tiny baby.

tangerines are rich in vitamins and are suitable for patients like you, especially when your body is not in good condition. It's a good thing to eat more fruits.

### [Chapter 853](#)

853 Have you ever been moved?

“.....”

“Hurry up and eat.”

Ning Qing looked at his nonchalant face and had no choice but to reach out to take it.

She held the orange in her hand. I want to be serious with you. Can you let me finish? ”

He was silent for a long time before he suddenly let out a cold laugh.

Gu nanzhi raised her head and looked at her. do you think I'm stupid? ”

Ning Qing was stunned and shook her head. of course not.

He lifted his eyelids, his blue eyes pure and clean, rippling with helplessness. since you're not, you don't have to keep repeating the same words.

“.....”

He threw the orange peel into the trash can and lowered his head. I've heard enough. Haven't you said enough? ”

This unclear attitude made ning Qing scratch her head in confusion.

Gu nanzhi looked at her as if she was looking at a fool. I don't think you were kidnapped. Your brain was taken away.

“.....”

you've always rejected me, ” he complained in disdain. you always say that a dog's mouth can't spit out ivory. You've never said anything I like to hear.

Her lines were suddenly snatched away by him, and she was stunned for a long time, unable to say a word.

Gu nanzhi pulled a chair over and sat down. She said unhappily, ” that's enough. I knew it when you insisted on going back to Lin city. Now, you still have to put on a look as if you can't bear to part with me. What do you mean? ” You want me and that bastard to have two male attendants and one female attendant?”

Ning Qing's face turned red. what nonsense are you talking about? ”

He sneered disdainfully. pretentious woman, you still refuse to admit it.

Ning Qing gritted her teeth. I didn't reject you because of anyone else! I'm the one who feels that a person like me isn't worthy of Yingluo.”

“Shut up,” he said.

He interrupted her with a gloomy face.

“If you don’t like me, then don’t. Don’t say things like you’re not good enough for me. Ning Qing, you know I hate it when you say that.”

What else could be the reason that two people could not be together?

There was only one person who didn’t love her.

What was so important about how good and suitable the other party was? the word “ don’t love ” was not something that even the heavens could force.

Ning Qing was not feeling good. It would be fine if he made a big fuss, but she really understood him.

He had never been a person who would show his true emotions, and he would never vent his anger on others.

Even when her love was rejected time and time again, he was always gentle and kind, not willing to give her any pressure.

Sometimes, she would ask herself why she had not fallen in love with him.

But no one gave her an answer.

There was no time.

Gu nanzhi saw that her eyes had turned red. She said helplessly, “ why do you look like your husband has died? I’m the one who’s been rejected. What are you crying for!”

Ning Qing didn’t know why she wanted to cry. Seeing him act as if nothing had happened, her eyes ached.

He pulled the tissue over in a hurry and sat on the edge of her bed. don’t cry. I’m not even crying. What are you crying for? ”

She pursed her lips tightly and felt extremely sad, as if someone was squeezing her heart.

Gu nanzhi looked at her, who was crying with her head lowered, and a touch of red flashed past her eyes.

After a long time, he sighed helplessly. He reached out and lifted her chin. He stopped being sloppy and asked seriously, “ do you feel sorry for me? ”

Ning Qing shook her head, nodded, and shook her head again.

His blue eyes flickered with light. then let me ask you, after so long, Have you ever had any feelings for me? ”

“.....”

She looked at him, her face deep and gentle like water.

It was still the same as when she first met him.

The long period of silence had destroyed the last bit of hope in the man's heart.

Gu nanzhi felt a little bitter. However, she heard her say in a trembling voice, " yes.

#### [Chapter 854](#)

854 What about Gu Nanxi in the future (1:

Perhaps it was because he had stayed by her side for so long;

Perhaps it was when she found out that he had used his position in the Gu family to vouch for her;

Perhaps he had appeared in the capital when she was at her most helpless.

Or perhaps, it was because of his love and protection every time, his unconditional trust in her, the first time he had chased her from America to Ying city, or perhaps, it was because he had jumped into the river after her.

There were too many memories and too much love.

She had no way to repay him for everything he had done for her.

She didn't know if her heart was moved or if she really liked him. At this point, there was no need to investigate further.

Some people just couldn't be lovers.

Some feelings were more precious than love.

She had to admit that apart from her parents, Gu nanzhi was the only person she was most willing to treat with all her heart.

Perhaps she would have to part with Nian lie in the future, but she would definitely be stronger than before.

However, if she had to part with Gu nanzhi, she didn't know how sad she would be.

"....."

Gu nanzhi's eyes slowly turned red.

Ning Qing wanted to say something, but he smiled and said,"enough." &Nbsp;

How could there be so much family joy in life?

Most of them loved him but couldn't get him.

However, if he could hear her say " I liked her before, " then his deep feelings for her were not in vain.

He wiped her tears away, and the guilt and pain in her eyes could not escape his eyes.

"You don't have to feel sorry for me," he said.

ning Qing, there are always people in this world who have to run bravely to another person. Only then can two people's lives have an intersection and outcome. If everyone is a coward, then there will be no love or hate in this world.

“.....”

I've never regretted anything I've done, even now. Everything I've done for you was of my own free will. although I failed and I feel sorry for it, this is a part of my life and the path I should take. I don't think it's a big deal, so you don't have to feel burdened.

“What are you going to do in the future?” ning Qing's face was wrinkled. After taking a deep breath, she asked.

What should he do?

To be honest, he didn't know either.

He pulled the corners of his mouth and joked half-jokingly.

who knows? maybe I still like you now, but I'll forget about you later. Maybe I'll pretend not to care, but I'm actually so sad in my heart that I'll let myself go and hang around with women, or maybe I'll be sad. I need some comfort. I need to find a fair-skinned, beautiful, and long-legged woman to divert my attention.

He stared at ning Qing, his peach blossom eyes overflowing with ridicule and teasing. anyway, you can't care about what happens after this.

Ning Qing's face fell, and she could not smile at all.

Gu nanzhi forced a smile. what's with that expression? you're really weird sometimes. You're the one who wanted me to return to being a friend. Why do you look even sadder than me after I told you the truth? ”

Ning Qing sniffled and glanced up at him. I feel bad for you, ” she said in a muffled voice.

The smile on his face froze, and he slapped her on the head. why should I be sad? I'm already numb to it.

“.....”

He was silent for half a second and revealed a bit of bitterness.

you were the one who kept rejecting me. I was the one who shamelessly insisted on following you.

Ning Qing's heart ached again. I'm sorry, Nan Yan.

Gu nanzhi took the orange from her hand and broke it in half. She took another piece and was about to put it in her mouth when she saw her red eyes from the corner of her eye. He turned his wrist.

## [Chapter 855](#)

855 : late night try.1

Ning Qing's mouth was blocked, and a sweet taste was stuffed in.

"Very sweet," he said.

She chewed it carefully, but still couldn't stop the spread of the sourness.

"Don't cry."

Gu nanzhi added. The emotions in her eyes had already calmed down and she was as calm as usual.

He sighed heavily. sigh, I've been hurt by you again. Ran ran, you really have bad taste.

"....."

He jumped off the edge of the bed and patted the wrinkles on his body. so, I won't come to see you for the next few days. I have to recuperate from my emotional hurt.

Ning Qing was both sad and amused. With his personality, he really did not need her to say much.

Besides, he would probably fall out with her.

"I'll go back first. You stay here."

After Gu nanzhi finished speaking, she opened the door and went out.

Ning Qing watched as the door closed and did not even have the time to say goodbye.

He didn't leave immediately.

His beautiful hand was holding the door handle. Without looking at the pale palm lines, it was impossible to tell how much strength he had used.

"Ha."

A bitter laugh filled his chest and echoed in the empty corridor.

He stood there for almost ten minutes before he took a deep breath, puffed out his chest, pushed back the moisture in his eyes, and walked away.

After father ning and mother ning came back, they felt a little strange.

When she asked ning Qing if she had quarreled with Gu nanzhi, she could only give an ambiguous answer and find an excuse to avoid it.

At night, there was no one in the silent corridor.

Under ning Qing's persuasion, father ning and mother ning accompanied her until nine O'clock before they returned to their own neighborhood.

Ning Qing also lay on the bed obediently, preparing to sleep.

In her daze, the door to the ward opened.

She opened her eyes in a daze, and a cold breath entered her nose. She woke up with a quiver.

His cold eyes looked at her. The ice and snow melted, revealing a gentle sincerity.

“You’re awake.”

It looked like he had no intention of not waking her up.

Ning Qing wanted to get up, but he leaned over and adjusted the pillow for her. She rubbed her eyes and asked, “ why are you here? ”

Nian lie sat on the edge of the bed, his expression gentle. I miss you.

Ning Qing felt as if she had just eaten honey, but she knew that he had been very busy recently, and there were still many things to do for the Nian family. you don’t have to come to see me every day. Take a good rest when you have time.

He hummed in acknowledgment and didn’t take it seriously.

“I’ll go turn on the lights.”

He turned it on. The warm light was not glaring, but ning Qing, who was used to the darkness, closed her eyes.

Before she could say anything, a hand came over and blocked her forehead.

She was stunned and opened her eyes in the shadow. He had reached out his hand, afraid that the light would hurt her.

The small movements were so familiar and natural, as if he had done it thousands of times.

Nian lie turned around and saw her looking at him with sparkling eyes. what’s wrong? ”

Ning Qing shook her head. She was touched and happy.

He looked at her relaxed expression and slightly curved the corners of his lips. His cheeks were slightly red and he thought of a word-human-faced peach blossom.

He could also sense that she was in a good mood and must have liked him coming to see her.

Nian lie sat on the edge of the bed, his voice growing gentler. I brought you some food. Eat a little.

It was only then that ning Qing noticed the thermal container he had placed on the table. I’m full tonight.

“Eat a little more.”

She poured out the hot porridge, buns, and cakes from the thermos. They were steaming hot, and it was obvious that they had just been prepared.

Ning Qing was not hungry, but she was a little smacked up by the smell.

Nian Xi blew on the porridge and brought it to her mouth.

She was still not used to such intimacy. I’ll do it myself.

[Chapter 856](#)

856 Tell me when you want to take: shower (1:

Nian Yu pulled his hand back. It was obvious that he was rejecting her. His tone became cold and hard. be good. Don't hurt your hand.

She was a little embarrassed, but she didn't dare to say anything. She obediently took a bite from his hand.

Nian lie's expression softened. is it hot? "

Ning Qing shook her head.

After a few bites, she thought that he must be very tired since he was so tired all day long.

She blocked his hand and looked at his cold face. you eat a little too," she said.

It had been a long time since he had received her concern. At that moment, Nian lie felt that everything was surreal!

His Adam's apple rolled a few times, and his eyes became serious. okay!

The two of them took mouthfuls and quickly finished a bowl and then filled another.

The atmosphere was extremely warm and sweet.

After he finished eating, it was already past 10 O'clock.

Ning Qing looked at the man who was packing his things and felt a little distressed. it's late. You should go back and rest.

: When did the doctor say you could be discharged?: Nian lie asked her instead of responding:

The day before yesterday, he had found an expert to check on her body. She had a lot of problems, and the problems with her hands were also very complicated. She might need to undergo surgery and get a specialist to take care of her.

He thought about it. Father ning and mother ning didn't know about their current situation, and with mother ning's resistance to him, he was afraid that she wouldn't accept the idea of treating her hand.

So, he planned to wait for her to be discharged from the hospital before bringing her to his side to take care of her.

Ning Qing didn't know what he was thinking. She made a rough estimate and said, " it should be soon. The scar on my hand has fallen off, but the one here is still a little off. The doctor said that the healing is not very good.

Nian lie froze. He shifted his gaze over and saw the piece she was pointing at.

"Not done yet?"

it's not easy to recover here. I usually wear clothes and it's not breathable. Compared to the one on my hand, the recovery is not very smooth.

Nian lie put down the things in his hands and wiped his hands with a tissue. His eagle eyes were filled with worry. let me see.

Seeing that he was about to hit her, ning Qing hurriedly pressed her collar and stepped back. no need to look! I'll be fine in two days!"

Nian lie's face was dark. ning, " he ordered, " be good. Let me see.

If it was somewhere else, he would have just looked.

However, the position of the scar beside her collarbone was indeed a little awkward. Furthermore, she wore the patient's garb every day and took off her bra when she went to bed. If he were to look at her, he would probably see everything.

Seeing that she was resisting, Nian Yu's face darkened immediately. A storm was brewing.

Ning Qing tried to explain awkwardly. it's not as serious as you think. I'm actually getting better soon. It's just that I got some water in the shower yesterday, so it's a little inflamed, Hanhan.

"....."

Ning Qing's heart skipped a beat when she saw Nian lie's sullen expression.

He was finished.

The more he said, the more it didn't seem like it.

He came up and held her hand in a domineering yet skillful manner. you know that your wound needs time to recover, " he reprimanded. why do you still want to take a shower? " If the wound is inflamed and swollen, you'll be the one suffering!"

Ning Qing blushed. I can't not shower either!

Ever since she was hospitalized, she had not taken a bath even once during the week her wound was stitched due to her parents 'objection. When she really couldn't take it anymore, she would only ask her mother to help her wipe her body.

Now that another half a month had passed, she couldn't possibly not wash up. It was so smelly!

Nian lie understood what she meant and stopped tugging at her clothes.

"Tell me when you want to take a shower."

## [Chapter 857](#)

857 He was willing to give her time\_1

: What's the point of telling you?: ning Qing asked: covering her chest.

After she finished speaking, she seemed to have understood something and her face instantly turned red.

However, this good-looking man was meticulous. His handsome face was full of seriousness. let me help you.

A man who could strategize in the business world and at the negotiation table, a man who was successful in every endeavor, and a pair of hands that were only used to sign contracts worth tens of millions, was going to help her shower?

Thinking of that scene, Ning Qing's back felt itchy.

She didn't think of herself as a woman who indulged in lust, and she wouldn't be driven by desire.

But now, as she listened to his unconcealed words, she had a kind of sinful and dirty thought!

Ning Qing, you're really crazy!

She lowered her head and her face was burning. I can take care of myself. You don't have to worry about me.

As soon as she finished speaking, her hand was restrained.

Seeing her blushing and her heart beating fast, Nian Ying's anger subsided a lot. However, he didn't like hearing her say things like that to draw a clear line between them.

"If I don't have to do anything, who do?" he asked coldly.

Ning Qing did not dare to look at him. She lowered her head even more and mumbled, "it's my own business. I can handle it myself."

Besides, it was just a shower.

Nian lie pinched her chin and forced her to look at him.

He pursed his lips, and there was something raging in his eyes. He slowly suppressed it for fear of scaring her.

Ning Qing, don't reject me every time. You're a woman, and I understand that you want to be independent. I also understand that you're wary of me, and you don't want to give yourself to me with all your heart. But I want to tell you that I cherish you more than ever.

Ning Qing's watery eyes flickered, and her peaceful emotions quietly moved.

He touched the skin on her chin, his eyes sincere and a little domineering.

"I want you to rely on me more. I'm willing to give you time, but not too long."

She had already taken a step towards him, and he was extremely pleased and glad, but he didn't want her to distance herself from him like this.

Even if it was only the beginning.

Ning Qing actually did not want to stay away from him. After all, she had already taken this step and had long abandoned many old thoughts.

However, some things still needed to be taken slowly.

Although she was conflicted, her eyes were still brave and clear enough.

I've gotten used to being alone for the past few years, and I'm also used to doing everything by myself. I don't mean to reject you, Yingluo. I Won't Back Down so easily, so don't think too much about it. I was just a little unaccustomed just now.

"Why not?" Nian lie asked.

Ning Qing's face heated up even more. it's just Hanhan taking a bath or something. I can do it myself. I don't need anyone to help me.

As she spoke, her voice became softer and softer.

"You're shy?" Nian lie asked, suddenly understanding.

"....."

He immediately felt relaxed and pulled her into his arms.

He couldn't stop smiling.

"There's nothing to be embarrassed about."

"....."

"We're so familiar with each other, which part of your body haven't I seen before?"

He took a punch on the chest, not too light or too heavy.

He touched the back of her head, knowing that she wanted to bury herself in the ground, so he stopped teasing her.

After that, he coaxed her left and right, but he still looked at the wound on her chest. The edge of the wound was slightly red and swollen, showing symptoms of inflammation.

He frowned. you've already caught them? "

"When it itches, I can't help it, so I scratch it," ning Qing said softly.

Nian Yu grabbed her hand and reminded her in a low voice, " the wound will itch when new flesh grows. You have to bear with it. Don't touch it.

## [Chapter 858](#)

858 Men don't like to be rejected (1:

Ning Qing nodded and did not say anything.

He went to the doctor and opened a box of ointment. After he applied it to her, ning Qing thought he was leaving and stared at him without blinking.

Nian lie cleaned up the dishes unhurriedly. He couldn't leave any evidence for tomorrow.

Without him around, her parents would definitely interrogate her if they found out anything.

Although he really wanted to tell the ning family's parents about the two of them, with ning Qing's current situation, it would still take a while.

Thinking of this, Nian lie's heart felt bitter.

When he turned around and glanced at the bed, the woman's gentle and beautiful face was facing him. Her eyes did not blink, and she was well-behaved and cute.

The resentment in his heart disappeared, and he said, "I'm leaving." &Nbsp;

Ning Qing hesitated for a moment before nodding.

He took the thermal container and turned to kiss her on the forehead. I really want to take you with me.

Ning Qing was surrounded by his breath and felt a little breathless. then, " she said casually, " take him away.

Nian lie's eyes darkened. what did you say? "

Ning Qing was a little embarrassed. it's nothing, Zhenzhen.

"....."

There was no sound from above.

She wanted to raise her head, but the cold breath suddenly left her.

Before she could react, Nian lie had already turned around. His face was so dark that she didn't dare to look at him directly.

"Why are you so cowardly?"

He hugged her tightly and lifted his legs, pressing her body onto the bed.

Ning Qing's heart was beating extremely fast, and she subconsciously resisted. what are you doing? My parents will see it tomorrow!"

"I won't:" he said firmly:

"....."

"I'll leave before they come."

Ning Qing was still worried. that won't do. The nurses will check the rooms! And you're so tired, how can you sleep well here?"

"With you around, I can sleep well anywhere," Nian lie said.

Ning Qing's heart softened and she turned her face away. no, you must go back.

"Why?" Nian lie asked in confusion as he hugged her and sniffed the fragrance of her hair.

"....."

"You hate me?"

The woman still did not respond.

Nian lie's face tensed up. He forcefully turned her face towards him, his breath warm.

"You hate me that much?"

His breath blew on her face, and ning Qing's eyelashes fluttered. She slowed down her breathing, but she still couldn't bear it. No.

Nian lie looked down at her clean and fair little face, and his heart stirred.

"If you're not, then don't refuse."

Her lips moved and she wanted to say something, but he lowered his head and gave her a Peck on the lips.

Ning Qing's mind went blank.

He laughed. He wanted to tease her. His voice was low and hoarse. His breathing was ambiguous. men don't like to be rejected by women, especially in bed.

"....."

"The more you refuse, the more he will want to conquer you."

As he spoke, he moved his legs and pressed them down on her, not allowing her to move.

By the time she came back to her senses, she had no room for negotiation.

Nian lie lowered his head. His eyes were filled with aggression and danger. are you still chasing me away? "

Ning Qing,"Zhenzhen."

He had already said this, how would she still dare?

In the end, she sighed helplessly and nodded, tacitly agreeing.

Nian lie's Black eyes were smiling. good girl.

He got down from her and hugged her from the side.

Ning Qing's back was pressed against his chest. Even though there were a few layers of fabric between them, she could still vaguely feel his muscles and lines, as well as the heat from his skin.

I want to ask you something: " she said in a trembling voice to divert her attention: when you sent me to the hospital that day, did I lose too much blood and need: blood transfusion? "

## [Chapter 859](#)

859 Check on Tina (1:

The person behind the scenes didn't seem to be very friendly when she mentioned what had happened that day.

mm, " Nian lie replied. She then asked, " I heard from a nurse that I have rare blood type. My blood type is very special. At that time, the hospital didn't have enough blood.

In the brightly lit Ward, the cold white light shone on the two of them, plating them with a layer of hard Halo.

Nian lie's throat felt a little dry. When the woman asked again, he hummed in agreement.

"Who saved me?" ning Qing asked.

"....."

"It's Tina, right? She's in Ying city."

Nian lie remained silent.

From the moment he heard her mention the nurse, he knew that she had already confirmed the truth. The reason she asked this question was to get the final confirmation from him.

He didn't respond for a long time. Ning Qing couldn't wait and changed direction in his arms, face to face with him.

"Nian lie, tell me the truth," she said seriously. "The person who saved me was Tina, right?"

Nian lie's expression remained unchanged. His tone was gentle as he asked, " why do you suddenly want to know about this? "

"Tell me if it was her!" Ning Qing grabbed his collar and asked anxiously.

"Yes," Nian lie admitted helplessly.

Ning Qing's hand relaxed. how could that be? " she muttered. why is she doing this? "

Why was it so coincidental?

Why did she also have Panda blood?

Why did she give her such a familiar feeling?

Why did she have to hide something from her? why did she have to push her away while protecting her?

Nian lie noticed that she did not look too well. He tightened his grip on her. ning Qing, Zhenzhen.

"Can you help me check on her?"

Her sudden words made his heart waver for a moment.

Ning Qing looked up, and her bright eyes were covered with a layer of frost. help me find out where she was six years ago and what she did.

: Qingqing, she's from the Lou family: : Nian lie said softly: holding his breath:

In other words, some of the past was not that easy to investigate.

Her eyes immediately lost their light and became dull. you can't find out? "

Nian lie couldn't bear to see her disappointed. I can check, but I need some time.

“.....”

I'll get Lu Zhui to investigate it tomorrow. You have to wait patiently. Don't be anxious.

Ning Qing nodded and said, " thank you.

Nian lie knew that she had so many questions in her heart that she was almost out of breath.

When he thought of everything the ning parents had said, he didn't know how to be honest with her.

The parents who had accompanied her as she grew up were not her biological parents.

The strange woman who saved her three years ago was also not a coincidence. It was only because she was her biological sister.

Why did her biological sister lose her original appearance? why did she refuse to acknowledge her?

Nian lie felt a suffocating pain in his chest.

Ning Qing had once felt remorseful and guilty for " causing " ning SU's death, and he was also concerned about the " past " he had with ning su. If he told her the truth, she, who had finally walked out of the shadow, might fall into the dark abyss again!

How could he do this?

He could not personally push her to hell again!

“.....”

Ning Qing thought that her guess was just a guess. She should not have brought this negative emotion to the person in front of her.

It was not easy for them to reconcile.

She heaved a sigh of relief and smiled. it's okay. Take your time to investigate. I'm not in a hurry, so you don't have to be in a hurry either.

Nian lie returned to his senses and his eyes lit up. yeah.

The ward fell silent.

There seemed to be something between the two of them that he could not figure out or see.

Nian lie didn't like her silence. what did you say to that kid today? " he asked.

Ning Qing changed her position. who is it? "

Nian Xi stared at her. Gu nanzhi.

She looked at the ceiling and said, " yeah.

She didn't answer the question, but he understood.

Nian lie didn't ask any more questions. it's late, " he said. let's sleep.

She hummed in acknowledgment and heard him get up and turn off the lights.

The room fell into darkness.

The two of them had their own thoughts. Ning Qing stared at the ceiling in a daze, and Nian lie's heart ached when he saw that.

He leaned forward and gave her a heavy kiss.

After the kiss, his dark eyes were filled with emotions that he had not seen in a long time.

At this moment, ning Qing's heart was in a mess, and she didn't dare to think about Tina anymore. She shook her head and closed her eyes.

A sexy laugh escaped from his thin lips, and his chest shook.

After a while, he buried his head in the back of her neck, hugged her tightly, and closed his eyes.

It was a good night's sleep.

The next morning, ning Qing was woken up by a soft sound.

She tried to open her dazed eyes, but the blinding light made her close them again.

The person beside him said something and the curtains were drawn.

Slowly, ning Qing saw that the people who had come were her parents.

His parents.

As she thought about this, she closed her eyes again.

She was panicking and scared, not knowing when she fell asleep.

It was all that damned Nian lie's fault.

Wait a minute.

Nian lie?

Ning Qing suddenly opened her eyes, propped up her upper body, and looked around.

His gesture gave mother ning a shock.

"Qing Qing, what are you doing?"

Ning Qing was still in shock. Fortunately, she didn't see anyone and there was no thermos on the table.

She reached under the blanket and found that the left side of her body was cold.

She couldn't remember when he had left, so she heaved a sigh of relief.

why do you look like you've done something wrong? where did you go last night? " Mrs. Ning asked curiously.

Ning Qing's eyebrows twitched. nothing much.

nothing much. Why are the dark circles under your eyes so heavy? "

Ning Qing scratched her head. well, ran ran hasn't been feeling well these two nights. She has a little insomnia.

Mr. Ning frowned. how can you have insomnia? should we call the doctor? "

it's okay. I just slept too much during the day and couldn't sleep at night. It's a natural situation. Don't worry, mom and dad.

Mr. Ning nodded, as if he had managed to fool her.

Ning Qing was secretly glad, but her mother suddenly called out, and her heart was in her mouth again.

Mrs. Ning picked up a tube of ointment from the table. where did you get this ointment? I don't remember it being here before.

Ning Qing got out of bed in a hurry and snatched it from him. I asked the doctor to prescribe it last night.

Mother ning looked suspicious, feeling that there was something wrong with her attitude.

the scar on my collarbone is a little inflamed, " ning Qing explained. it's itchy and painful at night, so I asked the doctor to prescribe me this medicine.

Mother ning's attention was successfully diverted when she heard this.

"Your wound hurts? Why didn't you say so earlier? let's go and ask the doctor."

"It's just a small matter. You'll be fine after applying the medicine."

With her repeated guarantees, the morning was finally over.

In the following week, because she said that she didn't sleep well at night, Mother ning refused to go home. She accompanied her until she was discharged from the hospital, but Nian lie didn't have the chance to visit her.

On the day she was discharged, Yan Sichen came to pick her up personally.

Gu nanzhi did not come this time because she had rejected him. It seemed like she had really hurt him.

Ning Qing didn't force her. She listened to her parents, packed her things, and followed her parents to Yan Sichen's car.

it's inconvenient without a car. Sorry to trouble you again, Si Chen. Mother ning was just being polite, but her attitude towards him was different from before.

Yan Sichen could hear what she said but did not expose her. it's not troublesome. It's because Qingqing's hand is not convenient that I have the opportunity to be her driver.
