

Mr Nian 881

[Chapter 881](#)

881 Little crybaby ning Qing (1:

He frowned and rushed to hold her hand. It was so cold that it pierced his heart.

“Qing Qing?”

She didn’t stop. He took her hand and stopped her from moving forward.

Then, her shoulders started to shake slightly.

In the end, it turned into crying.

Nian lie hugged her and coaxed her gently. why are you crying again? did I scare you? ”

Ning Qing raised her head, her expression a little fragile. it’s not easy to live. Don’t keep talking about whether you’re dead or not.

“Alright, it’s my fault. I won’t say anymore, okay?”

Ning Qing’s heart was still in pain, and she did not want to recall the scene just now.

remember, you’re not alone now. Since you’ve remarried, your future will be related to me.

“.....”

She looked up with her watery eyes. The stars in her eyes were shining, and she was full of thoughts.

“Nian lie, I won’t allow you to look down on your life like this.”

“I’m sorry, I didn’t think it through.”

Looking at the tears on her face, he was both happy and remorseful when she said such words to him so coldly.

“I’ve made you sad again.”

Ning Qing shook her head and sniffled. I don’t want to see you do such a thing again.

Seeing her like this, how could he still dare to do such a thing?

He was just acting on impulse just now. He couldn’t go back to the past and explain everything clearly. Besides, she didn’t want to believe it.

In a moment of desperation, she did what she did just now.

He did not expect to make her cry again.

“Alright, I won’t do it again.”

“.....”

He put his arm around her waist and followed her back. His voice was soft and gentle.

my ning is a crybaby. If it wasn't for me, your tears would have flowed like a river.

Ning Qing glared at him and did not say anything.

He continued to coax her, using all his patience.

"It's my fault for making you cry."

"I can't bear to let you cry. If you cry, my heart will ache."

"Good ning, don't cry, okay?"

His voice was soft, far from his usual tone.

No matter how hard ning Qing's heart was, all her anger disappeared after he coaxed her like this.

However, she was not so easily fooled. She pointed at him and said, "when we go back later, tell me the truth about what happened in the past.

alright," Nian Jue said with tenderness in his black eyes.

The two of them finally made up and walked into the building called 'Qing Yuan'.

The design of the villa was warm and simple. The curtains were pink and white, the decorations on the table were made of rattan, and the rattan chair and cushion were wood. The whole villa had a refreshing idyllic style, which was what ning Qing liked.

There was a clear difference between the black, white, and grey colors of the cloud flame No. 1.

No wonder he had asked her about her favorite decoration style. So it was because of this.

"Do you like it?"

The corners of ning Qing's lips lifted slightly. yes.

Nian Xi ran his fingers through her hair. I'm glad you like it.

He took her around and went up to the second floor. Coincidentally, Lu Sui had come up to him and said that there was something important. Ning Qing did not care and asked him to deal with it.

Nian lie asked the servant to bring her a mousse cake and milk. He told her that she could rest for a while and that he would come back once he was done with his work. She obediently responded, "okay.

After entering the master bedroom, she found that it was completely unobstructed. The main color was beige, and there were cute dolls on the sofa. She really liked the wide balcony.

There was a subtle sense of satisfaction and happiness in her heart. Her head swelled as she thought about her hatred for him, as if it was only yesterday.

Now, she had returned to his side and was living in Qing Yuan, which he had specially built for her.

It was unbelievable.

Ning Qing looked at the spacious bed, hesitated for a moment, and then turned to sit on the hanging chair on the side.

Beside her was a small rice-colored wooden table with her favorite mousse cake and milk.

She picked up the glass of milk and took a sip. It was warm and just nice to drink.

[Chapter 882](#)

882 A sudden phone call (1)

She pursed her lips and slowly revealed a smile.

After waiting for about half an hour, the man did not return. She started to play with her phone.

He first received a message from Gu nanzhi.

She hesitated for half a second before clicking it open.

A phone call suddenly came in, and she was shocked. When she saw who it was, she picked it up.

“Hey-”

“Sister Qingqing, it’s me, Yu Shu!”

It had been a long time since she had heard this voice, and it made ning Qing very happy.

Ever since Yu Shu left, the two of them rarely contacted each other, but she would look at her WeChat moments. The little girl was still a little girl. Sometimes she complained about life, sometimes she was positive and cheerful, warm-hearted and generous. Every post contained her feelings at that time.

There was no one like her around ning Qing, who was enthusiastic to everyone and did not guard against anyone. Her optimistic, cheerful, and innocent character was rare and valuable.

She smiled and said, “I know.

“Sister Qingqing, I heard that you and Mr. Nian have remarried. Is that true? You’re really with him?”

The girl’s voice was raised, and it was clear that she was very concerned about her.

Only ning Qing was a little surprised.

They had just gotten their marriage certificate, so how did Yu Shu know about it?

If she knew, did it mean that the whole world knew?

Ning Qing was stunned. how did you know? ”

“It’s about you and Mr. Nian, and it’s a hot topic on the internet! They said it was a reunion of the century! I didn’t believe it at first, but Mr. Nian admitted it in the press conference just now!”

Ning Qing was stunned. So he was busy with this matter?

Busy announcing her to the world?

She couldn’t help but smile. Yu Shu was so excited. sister Qingqing, congratulations. You and Mr. Nian are finally together!

Ning Qing's smile widened. thank you.

"I knew it! Even though you guys were in such a mess, I can tell that Mr. Nian still has feelings for you! Now, you've finally made up, which means I'm not wrong!"

Ning Qing was touched by her voice and her mood improved.

"You're smart, how did you know?"

"I can tell from his eyes! You don't know this, but every time Mr. Nian shows up, wherever you are, his eyes are always on you. The affection in his eyes is so strong that it almost dazzles my eyes!"

Yu Shu explained clearly and logically, without stopping.

"Logically speaking, if he didn't love you, why would he have looked for you for so many years? And he's never pursued Yingluo for what we did to him."

At this point, Yu Shu suddenly cut off, as if she had said something wrong.

Ning ting's eyelids twitched. ran ran, what do you mean? "

"Uh, Yingluo is not interesting."

Ning Qing's voice turned cold. are you hiding something from me? "

"There's no Qianqian, I'm just saying."

"Yu Shu,"

Yu Shu knew that she could no longer hide it.

She felt a little defeated. Then, she said seriously, " it's just a few words. I can't explain it clearly, Qianqian. I'm going back to Yingcheng with the group tomorrow afternoon. Sister Qingqing, let's meet up. I miss you so much.

Ning Qing pursed her lips. alright.

The two of them exchanged a few more words and confirmed the time and place of the meeting before hanging up.

Ning Qing's temples were throbbing. She felt that she had been too full of hatred and resentment when she had just returned to Ying city, and she had overlooked something.

She picked up the Silver Fork and put the cake and cream into her mouth. The sweet taste dissolved the anxiety in her heart.

Then, she unlocked her phone and saw the text message that Gu nanzhi had sent-

[Chapter 883](#)

883 Gu nanzhi leaves (1:

"It seems that no matter how hard I work, I can't compare to his place in your heart. Ning, although I said I wouldn't be sad, seeing the news of you and him getting married again still makes my heart ache.

Before this, I stayed by your side because I kept finding reasons and excuses for myself. Maybe I can really move you? But there are no miracles. This woman's heart is made of stone. I can't warm it, and it even made my heart cold.

I must admit that you no longer need me.

Thinking about this, I'm starting to hate you. I don't want to wish you happiness, but I really do.

There's no point for me to stay here, so I'm going back to the country that belongs to me.

I hope you're safe."

After reading this long message, Ning Qing felt as if a piece of her heart had been dug out.

There was only one thought in his mind, Gu Nanyu was leaving?

She immediately exited the page and found Gu Nanzhi's number.

The phone rang a few times, but no one picked up.

She called again, but no one picked up.

Had he already left?

Ning Qing was in a hurry. She jumped off the hanging chair and rushed out with her phone without even wearing her shoes.

She had only run two steps when she received a call back.

She quickly answered the call.

"Hey, Tiny, where are you?"

"....."

It was silent on the other side, but she did not stop and continued walking.

are you at the hotel? wait for me, I'll be right there.

"Ning?"

The man's voice was a little hoarse and abnormally calm.

Ning Qing's heart skipped a beat. what's wrong? "

"You don't need to come."

Her feet stopped moving, and she was about to take the next step, but she couldn't move.

Gu Nanzhi's expression was also very calm. Her blue eyes did not have much life in them. On the contrary, they looked tired. Her golden hair seemed to have lost its original luster.

"I'm at the airport, I'll board the plane immediately," he said.

Ning Qing's lips opened, and a sad emotion spread from her heart to her mind.

The two of them remained silent over the phone.

“.....”

After a long time, the boarding prompt came.

“It’s time,” Gu nanzhi said softly, just like how she usually did.

Ning Qing’s throat hurt a little. She heard him say, “ if there’s nothing else, I’m hanging up.

“Gu nanzhi!”

She suddenly called out to him, but she didn’t know what to say. In a moment of desperation, she blurted out, “ don’t you have anything to say to me? ”

In the airport Hall, there was a black suitcase beside the man. He stood straight, his figure and appearance were perfect, and everyone who passed by looked at him.

However, he didn’t have the mood to pay attention to it. He pretended to be calm while talking to the phone.

“What do you want me to say?”

Ning Qing tightened her grip on her phone. my Hanhan.

“You want me to wish you a happy wedding?”

“.....”

Gu nanzhi frowned. Her curled eyelashes drooped, but they could not hide the waves in her eyes.

“Ning, I’m not that generous.”

Ning Qing’s heart was burning with anxiety. you’ve misunderstood. That’s not what I meant!

He suddenly laughed, but there was no real smile in his eyes. it’s not important. Since you called, I can’t let you call for nothing.

“Tiny.....”

“When are you planning to hold the wedding?”

He was calm and she could not figure out what he was thinking.

Without waiting for her reply, he smiled and said, “ forget it. It’s useless even if you tell me. I won’t be coming anyway.

Ning Qing’s heart turned cold, and her face turned pale.

Gu nanzhi stopped smiling and said with a serious expression, “ don’t inform me of your wedding. Don’t send me an invitation either. I’m not in the mood to attend the wedding of a woman who has rejected me countless times.

Ning Qing’s throat suddenly stung, and her eyes were wet.

“I’m sorry. Nanzhi Yingluo also thanks you.”

He laughed silently and moved his hand away from his ear. His dull eyes looked down and he ended the call.

...

[Chapter 884](#)

884 Throwing: tantrum (1:

Ning Qing suddenly fell into a trance.

It was as if the past of her and Gu nanzhi’s acquaintance was being dug up one by one.

He was afraid of ghosts. When they first met, he had held her waist and refused to let go. He had stayed in the same room with his dead mother for a few days, and he had a psychological shadow.

The second time they had met was during a company meeting. He had seen her familiar face and could not help but be surprised. He had been staring at her throughout the entire meeting, making her want to hide in a crack in the ground.

After that, he shamelessly approached her and helped her with her work. He also played pranks when she was bullied and helped her vent her anger.

This “childish” but kind man, who kept saying that he hated the Gu family, chose to help them when they were in trouble.

But he was leaving this time.

It wasn’t like the last time, when the plane was about to take off, he was still willing to wait for her to send him off.

In the end, she had broken his heart.

“Pata!”

The door opened.

Ning Qing’s eyes looked over listlessly, and Nian lie immediately noticed that she was not wearing shoes.

He strode forward, his brows furrowed with worry. why are you running around without wearing shoes? you’re so disobedient.

“.....”

He bent down to pick her up and walked towards the big bed.

After he let go of her, he noticed her abnormality.

Nian Jing was worried. what’s wrong? why are you so unhappy? who made you angry? ”

She didn’t respond and just stared at his face blankly.

Nian lie's eyes swept across the small table at the side. He had drunk more than half of the milk, only a corner of the cake had moved, and the fork was casually placed at the side, as if it had been abandoned in a panic.

His brows furrowed and he sighed gently with endless pampering and helplessness. you really make me worry. I only left for a while and you're throwing a tantrum again.

"....."

"I'm sorry. I shouldn't have left you alone on the first day of our wedding."

He put his arm around her shoulders and let her lean into his arms.

Tears welled up in ning Qing's eyes. Gu nanzhi has left.

Nian lie's dark eyes narrowed slightly. He lowered his head and said, "because you're sad that he left?"

Ning Qing did not answer. His reaction told her that he knew about it.

"He's a very good friend of mine. He's always treated me with sincerity and has done many things for me."

With just a few words, he understood Gu nanzhi's position in her heart.

Nian lie hesitated for half a second. His thin lips moved. Qingqing, all good things must come to an end. He has important things to do. He is not on the same path as you.

Of course she knew.

He was the young master of the Gu family in the United States. He would never have any interaction with an intern like her.

However, when they parted ways, she was still so upset that she couldn't speak.

"....."

She was silent for a long time, and Nian Jin's heart was in turmoil.

He already knew that her feelings for Gu nanzhi were different from the others, but he still couldn't control his jealousy and jealousy.

"There's news that the old master of the Gu family is dying," he said.

Ning Qing was stunned and withdrew from his arms. really? "

"Yes."

The man's facial features were clear and exquisite, and there was a faint sharpness and Majesty between his brows. When he faced her, he melted very quickly.

old master Gu is the core of the Gu family. If anything happens to him, the entire Gu family will be implicated. The Gu family probably isn't peaceful internally.

Furthermore, as far as he knew, the Gu family had already spread the news half a month ago.

Gu nanzhi had not gone back yet, probably because ning Qing's body had not fully recovered.

Now that they had made up, Gu nanzhi had no reason to stay.

[Chapter 885](#)

885 I will be jealous (1:

Ning Qing didn't expect the truth to be like this. Thinking of the man's fake heartless words just now, she felt like her heart was being pricked by needles.

he must be very sad. When he returns to the Gu family, he must be in a difficult situation. Why did he have to say such things on purpose? "

Did he not want her to worry about him after knowing all this?

Nian Jing looked at her. the Gu family has been in conflict for a long time, and the other forces have their support. Although Gu nanzhi has been pretending to be a rich and useless person, he has been winning over people in private. Now, he has many supporters, and with the Lou family's admiration, nothing will happen.

Ning Qing's heart sank a little when she heard him say this.

Nian Xi held her hand and said, " don't worry. He's capable enough to handle those things.

: But there's no one else around him: : Ning Qing's eyes were burning. She bit her lip:

He had always been so lonely, and now that she was gone, who could accompany him in the future?

Nian lie was helpless. ning, aren't you afraid that I'll be unhappy if you do this? "

Ning Qing was stunned as she looked at his face.

His emotions turned back and forth, and all of them turned into a sigh.

"Today is our first day as newlyweds," she said with a little grievance.

Yes, it was.

She felt wronged.

This kind of gentle and fragile emotion should not appear on this person's face.

That was what ning Qing thought, but she could see his dissatisfaction more clearly.

Her heart softened like a ball of cotton and she said guiltily, "I'm sorry, I'm just ... Just ..."

But what? she couldn't say it for a long time.

Nian lie wasn't angry. He cupped her face with his warm hands and said, " I know.

"....."

I can understand that you're worried about your friend, and I also understand how important he is to you.

The man's expression turned serious. however, I understand. It doesn't mean that I can accept you always thinking about other men when you're by my side.

Ning Qing's face turned red. I'm not Yingluo.

He moved closer to her, breathing in sync with her.

"I'll get jealous."

These words pierced through ning Qing's heart.

She widened her eyes in shock and disbelief. Yingluo is jealous? "

Nian lie wasn't used to this kind of attitude either, so he felt a little strange.

He was already a man who was about to enter his thirties.

It was reasonable to say that with age and time, men should become more mature and sophisticated, and not easily reveal their emotions. The so-called jealousy was something that only an eighteen or nineteen-year-old boy would do.

He should not have done it.

However, when she was thinking about another man, even if it was only out of concern for her good friend, he still could not bear it.

Not to mention ning Qing. She had never thought that Nian lie would be such a man.

He used to be like a banished immortal in the sky, aloof, indifferent, and had few emotions other than coldness.

But at this moment, because of her, he had the emotions that normal people should have.

Nian lie looked into her eyes and felt helpless. ah ning, I'm a normal person.

He had the emotions that others had.

Ning Qing caught a glimpse of his red ears and smiled. yeah, I'm just surprised.

it's nothing to be surprised about. No one would like their wife to keep calling out another person's name in front of them.

Ning Qing's eyes turned. She raised her arms and wrapped them around his neck with interest. She said in a soft tone, " I'm sorry to have made you unhappy. I apologize to you, okay? "

Her eyes were watery and bright, her cheeks were slightly red, and her tender lips were right in front of him. She was coaxing him in such a gentle tone.

How could he still have a temper?

He watched as the pair of black eyes sank and became darker.

"Say it again."

[Chapter 886](#)

886 Continue to coax me (1:

“I’m sorry, don’t be angry. I’ll be careful in the future and not mention other people in front of you.”

She even leaned forward on purpose and blew her warm breath on his neck.

Sensing that his back had stiffened, Ning Qing was finally satisfied and wanted to retreat.

Who knew that in the next second, her waist would be grabbed.

Her whole body trembled, and her heart skipped a beat when she suddenly met his dark eyes.

“Did you do it on purpose?” Nian Xi asked in a hoarse voice.

Ning Qing was a little flustered. I just want to apologize to you.

Nian lie raised his eyes cautiously. The waves in his eyes were turbulent, overshadowing everything.

“I’m very angry right now.”

“.....”

Instead, he wrapped his arms around her waist and brought her into his control. He lowered his head and his sexy lips lingered on her shoulders and neck. continue to coax me, hmm? ”

Ning Qing’s breathing became heavier, and his lips fell on her neck from time to time, kissing her gently.

It was wet.

It was covered in heat.

It made her weak all over.

She wanted to hide, but she couldn’t.

He was already her husband, how could she reject him?

Ning Qing restrained her trembling, and her hands were pressed against his chest. She blushed and said, “I won’t whine.”

Nian lie was busy, and his words were a blur. you did very well just now, Huahua.

Her face became even hotter.

She was just teasing him on a whim just now.

He continued to kiss her, and a series of tenderness seeped into her neck and spread to her whole body.

She didn’t move and tried to change the topic, “I’m a little hungry, I want to eat that cake, Yingluo.”

Nian lie’s kiss stopped, and when he looked up, the charming thoughts in his eyes were about to come out.

Ning Qing didn’t dare to look him in the eye. She reached out her index finger and pointed at the cake over there. I want to eat Yingluo.

The rest of the words were swallowed by him.

The man was born with a face that was blessed by the heavens. At this moment, his lips were sucking on her fingertips, and the warm taste tugged at her heartstrings.

“Nian lie, don’t be like this.”

She squeezed this out of her throat, trying to pull him back to his senses.

However, the current Nian lie was like a fire that was about to be ignited. Just a little movement and sound from her was enough to set his heart on fire.

Before she could react, he had already kissed her.

“Wuwuwuwu”

He grabbed her neck from behind, not allowing her to step back at all. His actions were overbearing, domineering, and filled with endless love.

She had no choice but to accept him.

Soon, his hand went under his clothes and gently rubbed the skin on his waist.

Ning Qing was almost out of breath and had no strength to struggle at all. She still symbolically stopped him. not now, Yingluo.

His hand didn’t move, and his lips were still on hers.

His voice was so hoarse that it could take one’s life.

“Ning, breathe.”

Taking advantage of the gap, she took a deep breath and finally didn’t let herself faint.

Nian lie laughed in a low voice, his chest shaking.

Ning Qing’s face was red and her heart was beating fast. don’t laugh!

Nian lie’s Black eyes still had a desire that had yet to fade. If one looked closely, it was easy to be afraid and lost.

He tried his best to suppress it, afraid of scaring her, and held her body tightly.

“After kissing so many times, my skills are getting worse. I can’t even breathe.”

“You!”

He pinched her small face, not allowing her to avoid him. it’s okay, I’ll teach you again.

Her lips were still warm from his touch. She was both embarrassed and angry at his words. Nian lie, shut up!

She looked up at him. No matter how she looked at him, he was not pleasing to the eye.

“You’ve kissed a lot of people, so your technique is so good. How can I compare to you?”

[Chapter 887](#)

887 You're my wife_1

Nian Xi was stunned. She pushed him away and wanted to leave, but he stopped her again. He explained, " I only have you. I've only kissed you.

Ning Qing did not look at him. I don't believe it.

He was helpless and wanted to say something, but she immediately turned back. don't threaten me with death!

Nian lie prolonged his tone. alright ...

"....."

He stood up and said, " I'll stop. Let's go down and eat something.

Ning Qing did not move. He lowered his head and threatened her gently. or do you want to repeat what happened just now? "

The little woman glared at him, scolded him with a red face, and walked away.

He looked at his empty arms and laughed.

He was a normal man, both mentally and physically.

He hadn't had her for too long, and he couldn't help but feel a little emotional when he met her.

"Ahem."

He covered his mouth and coughed. After standing still for a few seconds, he buried his embarrassment and walked out.

Downstairs, ning Qing had instructed the servants to serve her some pastries. She was sitting on the real leather sofa in the living room and chewing on them.

Nian lie saw her and walked towards her.

When ning Qing saw him, she deliberately turned her body to face him, obviously not very fond of him.

Nian lie wasn't angry. He sat down beside her and put his arm around her waist. is it good? "

Ning Qing didn't look at him, and she couldn't break free either. There was a servant watching her from the side, so she was a little embarrassed. it's alright.

He glanced at the pastry and saw the foam on the corner of her lips. the corner of your lips is dirty, " he reminded her with a chuckle.

Without waiting for her reaction, he reached out and wiped her hand. It couldn't be any more natural.

Ning Qing was not used to being intimate with him in front of others. She looked around uneasily, but fortunately, no one looked up at them.

"Get me a thin blanket," Nian lie instructed the maid beside him.

“Yes,” the maid replied respectfully.

When the servant came down, he took it and put it on her shoulders, holding her in his arms.

“Do you want to watch some TV?”

“Yes.”

The servant took the initiative to turn on the TV, asked for Ning Qing’s opinion, and set it on an entertainment program.

Nian lie’s gaze was fixed on the screen. He hugged her with one hand and picked up the pastry from the plate with the other, bringing it to her lips.

Ning Qing moved a little, not in the mood to watch the show.

Nian lie lowered his eyes. what do you want to do? ”

“Can you let go of me?” ning Qing’s hands struggled to free herself from his grip.

“I can’t,”

“Why?”

He sighed again. He couldn’t tell how many times he had sighed today. you’re my wife. Naturally, I should hug you.

When she heard the word ” wife, ” ning Qing’s heart went numb, and she couldn’t describe the feeling.

It was sweet and bitter, and it made her feel like she was dreaming.

He lowered his hand and put the pastry back on the plate. With a serious expression, he said, ” even if you’re not used to it, you have to learn to get used to it. Because you’ll always be like this when you’re with me.

“.....”

There was a floating light in Nian lie’s eyes, warm and bright as he asked her, ”why do you have such an expression?” Are you unhappy?”

Ning Qing shook her head and smiled bitterly. I just remembered that you’ve never treated me like this in front of others before.

Nian lie’s face darkened. He knew that he had brought her too much harm, so it was only natural for her to have lingering fears.

He held back his guilt and caressed her hair. the past is the past. You have to remember it in your heart. I don’t object, but it will affect our future.

Ning Qing’s eyes wavered, and her throat was dry. I don’t mean to remember. I know you’re very good to me now, but Zhenzhen just can’t forget it for a while.

“It’s fine if you can’t forget.”

[Chapter 888](#)

888 I like ning (1)

He had forced her too much in the past, and now he didn't want to force her anymore.

In short, he still had a long life ahead of him. He would always do his best and use the rest of his life to offset those sins.

Ning Qing didn't want to talk about those unhappy things again. the past is the past. I won't entangle those things with the present. As long as you treat me well in the future, I'll forget those things.

Nian lie pinched her hand and brought it to his lips for a kiss. He said tenderly, " I will be good to you.

Ning Qing smiled. yes, I believe you.

She leaned on his shoulder and looked at the TV screen.

He lowered his head slightly and rubbed the side of his face against the top of her head, his expression calm and gentle.

*

At night, the kitchen prepared a candlelight dinner.

Nian lie dismissed the others, leaving only the two of them.

Ning Qing was very surprised and cooperated with his every move.

He personally served her dishes, poured wine, and fed her. The entire process was peaceful and sweet.

She didn't want to drink at first, because her hand surgery was scheduled for next week.

However, she couldn't resist Nian lie's dazzling black eyes and his teasing tone.

"It's our wedding day, so we should drink. It's okay."

"Have a drink with me, okay?"

He placed the glass in front of her and even touched her lips with the glass.

She couldn't refuse him when he was like this.

He swallowed the wine.

Under the candlelight, her side profile was as beautiful as a painting.

His eyes were deep and dark, and his hand trembled accidentally. A drop of red liquid spilled from the corner of her lips, down to her chin, and then to her slender white neck.

Ning Qing did not notice his dark eyes. She brushed her hand across her neck and was a little annoyed. you're too hasty!

The man's voice was slightly hoarse. sorry.

His long fingers picked up the tissue on the table and carefully wiped away the traces left by the wine.

Ning Qing did not blame her. be careful.

“Alright,” he said.

After that, he sat beside her and fed her.

Later on, she started to feel dizzy, her face was ruddy, and the lights flickered.

She held her forehead and said drunkenly, “ Nian lie, I think I’m drunk.

“Is that so?”

He said with a smile on his lips.

“Ning’s alcohol tolerance is really low.”

Her body swayed, and his face came closer to her.

She reached out and poked his chin. well, I’ve always said that I can’t hold my liquor well.

Nian Xi lowered his face slightly. His handsome face, dark eyes, and straight nose made him look like a bewitching and soul-stirring demon.

Unknowingly, she was dazzled by the sight. She heard him say, “ it’s okay. I’m here.

It didn’t matter if she was drunk, what did he mean by that?

She was still thinking a second ago, but her expression changed in the next second.

He was full of smiles.

She had an innocence and foolishness that she didn’t usually have.

“You’re really pretty.”

Nian lie narrowed his eyes. ah ning, are you talking about me? ”

She was still smiling and nodding her head. yes!

He was touched by her smile and smiled. then, does ning like it? ”

“I like it!”

“.....”

“I’ve always liked it!”

She touched his Adam’s apple with her fingertips, not knowing if she did it on purpose.

Nian lie looked at the woman in his arms. She didn’t seem to be in any danger, and his eyes darkened.

“I like ning too,”

As he spoke, he raised his hand and poured the remaining wine in the bottle into the Goblet.

“You like me too? It was really good! Then let’s always be together, okay?”

Her smile was too bright, and she looked so innocent.

...

Nian lie looked at the glass of wine and hesitated for a second. In the end, he brought the glass to her lips and coaxed her. drink a little more.

[Chapter 889](#)

889 The memory in: short time (1:

No. ning Qing shook her head and refused with a frown. don’t make me dizzy.

He chuckled. He was clearly drunk, but he still knew how to reject him.

“It’s not wine,” he said seriously, “I won’t feel dizzy after drinking it.”

“Really?”

She raised her eyes doubtfully. The light in her eyes was as bright as that night many years ago, and it pierced straight into his heart.

Since then, he had never come out.

His heart was full and sore.

When he nodded, ning Qing smiled. alright, it’s your fault for being so good-looking.

These words were exactly the same as when she had bumped into him back then.

The streets weren’t too wide, and there were only a few people.

He ran out of the dark alley, stumbling all the way, and ran into a young girl in a white dress at the end of the street.

The young girl fell to the ground, her knees scraped, but she was still trying to protect the box in her hands. When she looked up, her eyes were sparkling.

He was so stunned that he forgot that he was being chased.

The young girl was frustrated. She checked the contents of the box, and when she looked over, her pretty face was filled with anger.

“How can you be like this? I won’t apologize even if you hit me!”

Only then did he come back to his senses and hurriedly reached out to help her. However, considering the difference between men and women, his hands stopped in mid-air.

The young girl did not accept her help. She stood up and patted the dust off her white dress.

“Si si si ...”

The skin on her knee was broken.

He saw that she was holding a separate cake box. He immediately apologized. I'm sorry. I didn't mean to.

The young girl wanted to get angry, but she suddenly focused her attention on his face.

At first, he was expressionless, but then he became angry, and then he looked away unnaturally.

He suddenly heard her laugh.

"Forget it, I'm not angry anymore."

"....."

"It's your fault for being so good looking."

He started to panic and was at a loss for what to do. He didn't know where to look.

In front of him, a handkerchief appeared.

It was pure white, without a single flaw.

He looked up along the handkerchief, past her slender white arms, beautiful shoulders, delicate neck, and then to her flower-like smile.

He was shocked by her bright eyes. Something grew in his heart, but he didn't have time to grasp it.

The young girl had already stepped forward. here, take it. Use it to wipe your face.

He didn't move, so she forcefully stuffed the handkerchief into his palm with one hand.

"Don't waste your face."

After she finished speaking, she glanced at him again.

He still didn't move. The young girl frowned and mumbled, " he can't be an idiot, right? "

He looked at her, as if he had heard her.

She was a little embarrassed, and her little face was a little red.

"Ahem, I still have something to do, so I'll be leaving first. Goodbye."

When she passed by him, the wind also smelled good.

After a long time, the man who was standing in the same place moved.

The handkerchief in her hand was clean and tidy, without a speck of dust.

But there was a stain on his palm, and the places he had touched were already dirty.

"....."

He turned around, but that figure was no longer on the street.

She pursed her lips, clenched her handkerchief, and disappeared from the street.

“.....”

“You don’t seem to have eaten anything.”

The woman’s gentle voice rang out, and the ball of light in front of Nian lie’s eyes instantly became clear.

He lowered his head and saw her face clearly.

It was her.

She had always been there.

She didn’t know if he was trying to feel at ease or to seek comfort, but he put his forehead against hers.

...

“I’m not hungry.”

“But you were feeding me Yingluo just now.”

“Yes.”

He closed his eyes, and her scent filled his nostrils. It made him feel at ease, made him yearn for her, and made him even crazier.

His lips moved slightly. ah ning, hug me.

890 Like wolves and tigers, can’t provoke _1

She didn’t hesitate at all. She raised her hands and wrapped them around his neck. She even patted his back carefully, as if she was coaxing a child.

“Don’t be sad, I will always be by your side. Be good.”

She was especially cute when she was drunk, and she could inadvertently poke the softest part of his heart.

He buried his head in her hair and took a deep breath.

When his sharp eyes opened, he picked her up and kissed her lips as she cried out in surprise.

“Ah ning, I love you,” he whispered affectionately in her ear.

*

Ning Qing had almost sobered up.

She tried her best to raise her hand back, wanting to hit him as a warning, but her hand was soft and she had no strength at all.

He only held her wrist.

*

He slept until 11 in the morning.

Ning Qing was in a daze and had no intention of waking up.

Occasionally, she would squint her eyes sleepily and see people walking in front of her.

Without any other sound, she fell asleep again.

She had completely forgotten about her appointment with Yu Shu.

When it was almost midnight, the phone on the table vibrated.

She subconsciously raised her hand, which was extremely sore.

An arm reached over and took the phone away, then stuffed her hand back under the blanket.

Not long after, she heard the person beside her get out of bed and walk to the balcony.

“Hey-”

“.....”

Ning Qing had a high chance of guessing who it was, but she was very tired and felt a little pain there. She had no strength in her whole body, as if her mind had been drawn away.

Half a minute later, the man returned.

She snorted and asked hoarsely, “is it Yu Shu Shu Shu?”

Seeing that she had woken up, Nian Xi patted her head. yes.

“.....”

She didn’t move. He knew that she wouldn’t be able to make it today. I’ve explained it to her, ” he said in a low voice. you can continue to sleep.

She moaned and his kiss landed on her forehead.

Ning Qing opened her eyes with difficulty, and what she saw was his refreshed smile.

She didn’t understand why she was so tired when they were doing the same thing and he was the one who put in the effort.

The more he looked, the angrier he got, and the more he couldn’t understand.

She pushed his face and said, ” don’t disturb my sleep.

Then, she pulled the corner of the blanket, turned around, and buried herself in it.

The man who had made her angry for some reason was a little dumbfounded, but thinking about last night, he had indeed used some tricks and tormented her like this. It was only right for her to complain.

Nian lie held back his satisfied laughter and gently patted the blanket. go to sleep. I won’t disturb you.

“.....”

When it was almost time, he slowly and carefully lifted the corner of the blanket and revealed her face.

Her cheeks were red, her brows were furrowed, and her lips were red and swollen. It reminded him of everything that had happened last night.

The man's eyes were a little dark, but he could only suppress his thoughts for her sake.

He carefully planted a kiss on her cheek. He took a deep breath, grabbed his laptop, and focused on it.
