[Chapter 901](#)

901 A home should look like a home (1:

He let go of her hand and she could see him clearly.

His eyes were cold, and there was panic and fear in them.

Her heart suddenly ached."Nian lie Xuxu."

He suppressed his excessive nervousness for fear of scaring her. He softened his voice and asked, " why did you think of cooking? "

Ning Qing's eyes curved into crescents. a home has to look like a home. How can it be like a home without cooking? "

Nian lie was shocked by her words. He looked at the servant who was guarding the kitchen door. The servant hurriedly lowered her head and said, " Sir, Madam wanted to cook for you. She has been busy in the kitchen since she came back. She has not rested at all.

In other words, ning Qing really wasn't acting abnormally.

"If you're tired, take a break. You'll be able to eat soon," ning Qing said with a smile.

Nian lie rolled up his sleeves. I'll help you.

When had he ever done such a thing?

Ning Qing looked at the surprised servant and smiled. no need. It'll be quick.

He walked towards the kitchen without any room for objection. if you can do it, why can't I? "

"....."

She couldn't change his mind, so she could only let him interfere.

Very quickly, the dishes were served. They were all home-cooked dishes that tasted delicious and added a touch of warmth to the atmosphere.

After the meal, Nian lie rejected all of his work and carried ning Qing upstairs.

"So many people are watching."

She mumbled in his arms and leaned her head on his chest, feeling very safe.

"So what if I see it? It's only right and proper for us to be husband and wife."

He kicked the door open and said this more seriously than he did at the conference table.

As soon as ning Qing was put down, he pressed her against the door, his impatient look especially funny.

Why did he suddenly become so excited just because she made him a meal?

Ning Qing dodged, avoiding his kiss. I haven't taken a shower yet, Hanhan.

"We'll shower together later."

After Nian lie finished speaking in a hoarse voice, he bit her red lips.

She couldn't resist it, and because of what Yu Shu had said to her today, the feeling in her heart was even stronger.

In the end, the man actually stopped.

"Can I?" she was a little confused and surprised when she heard him ask patiently.

Ning Qing sobered up instantly. Thinking of what he had said yesterday, her heart suddenly ached.

Who said he didn't care about her?

He took it to heart just because she showed a little resistance. At this point, he was already so uncomfortable that the veins on his arms were bulging, but he still did not forget to ask for her opinion.

"....."

Tears welled up in ning Qing's eyes. She wrapped her arms around his neck and silently pulled him towards her.

After receiving permission, Nian lie no longer held back.

The temperature in the room gradually rose, and the light was warm and soft, embedded in every corner of the room.

Gentle and ambiguous.

"....."

Time passed quickly, and two hours had passed.

Ning Qing didn't have much energy and was really a little tired. Nian Jin carried her in a good-tempered manner and walked into the bathroom.

By the time the two of them came out of the shower, it was almost midnight.

When Nian lie carried her back to the bed, she could barely keep her eyes open.

He covered her with the blanket and wrapped his arms around her waist. He was very satisfied when he saw the mark on her neck.

He couldn't help but kiss her red lips. She frowned and said, "enough, stop fooling around."

Nian lie couldn't help but laugh. He knew that she was already very cooperative with him and he couldn't push his luck.

His face was full of tenderness. go to sleep. Good night.

He coaxed her for a while and thought she had fallen asleep. He got up quietly and wanted to get out of bed.

A hand reached out and held his hand.

“Where are you going?” ning Qing asked, her eyes narrowed.

[Chapter 902](#)

902 Still not tired?

His heart softened and he turned back to sit by the bed. I’m sorry for waking you up. I have some work to deal with. You should sleep first.

Ning Qing had wanted to sleep earlier, but now that she had gotten through that stage, she was not sleepy at all.

She shook her head and tried to prop her upper body up.

“Aren’t you tired?” Nian lie asked as he helped her up.

Ning Qing blushed and glared at him.

Her legs were numb and she couldn’t feel anything, but he was still thinking about doing that!

Nian lie was only teasing her, but when she looked at him, he stopped teasing her.

“I’ll accompany you,” she said:

Nian lie’s heart ached for her, so how could he allow her to accompany him?

it’s too late. Have a good rest. I’ll be back soon.

Ning Qing shook her head and insisted on getting out of bed. He had no choice but to help her put on her clothes and help her to the study.

He was busy at his desk, and Lu Zhui was still there even though it was already so late.

Ning Qing did not disturb the two of them. She walked to the side, sat on the sofa, and started to flip through the magazine on the table.

Half an hour passed by quickly.

“Alright, that’s all.”

After Nian lie finished speaking, he looked at the sofa.

The woman leaned back on the sofa with her legs bent. The magazine was placed on her lap, and her fingers flipped through it from time to time.

Under the light of the table lamp, her side profile was coated with a faint layer of Velvet Light. Her face was clear and beautiful, and she looked peaceful.

He waved his hand at Lu Zhui. The other party understood and left the study.

Ning Qing was actually a little lost in thought. Nian lie’s footsteps startled her. When she looked up, he was already approaching.

She smiled. you're done? "

"Yes."

He held her shoulders, his eyes unable to hide his fatigue. let's go back and rest.

She put down the magazine and stood up. He held her back to the bedroom and lay down on the bed.

He left again, and not long after, he came back with a glass of milk.

Ning Qing's heart was filled with warmth. Nian lie walked in front of her, held the cup, and pressed it against her lips. drink some. It'll help you sleep.

She raised her head in cooperation and finished the milk as he did so.

After they were done, he laid on the bed and hugged her, wanting to lie down, but ning Qing refused.

"What's the matter?" Nian lie asked.

Under the night sky, perhaps he was too tired, or perhaps he had said too much, his voice was slightly hoarse, but it was inexplicably rich and sexy.

"I'm not too tired," ning Qing said.

She laid on his waist and smiled. can you talk to me for a while? "

He knew that ning Qing was not an insensible person.

Now that she suddenly made such a request, he thought that she must have something to do, so of course he would not refuse.

He leaned against the head of the bed and looked down at her face. okay, what do you want to say? "

Ning Qing's smile slowly calmed down, and her expression was indifferent. I met Yu Shu today and we talked about a lot of things.

"Yes."

Ning Qing looked up. aren't you curious about what we were talking about? "

Nian lie's fingers ran across the side of her face, tucking her hair behind her ear. weren't you about to tell me? "

Ning Qing glared at him. how do you know I'll tell you? "

How could he not know that she was acting so strangely when she came back today?

He was afraid that she was hiding something in her heart. Now that she was willing to say it, he was willing to listen.

Nian lie's expression was very calm, without a trace of his usual fierceness and coldness. His thin lips opened and closed, and he spoke in a caring tone.

I believe that you know your limits and can handle anything. As for me, you can say whatever you want. If you don't want to, I won't force you. It's up to you.

[Chapter 903](#)

903 You shouldn't have hidden it from me (1)

Ning Qing's heart was filled with warmth when she heard him say this.

In the past, he had always thought that she was fragile and would not tell her anything, but she was stubborn and always wanted to know those things.

In the end, one tried her best to hide it for so-called protection; One was desperately digging for the truth just to prove himself, but it just so happened that he overreached himself, and it was tragic.

Now that she was by his side, she finally heard him admit it.

He believed in her ability and believed that she would handle her own matters well. He also gave her the comfort and freedom she wanted.

This was his respect for her.

This happened to be the love she wanted.

Ning Qing didn't want to keep her in suspense any longer. She coughed. she told me about what happened three years ago.

"....."

"Something I don't know: : she added when he didn't respond:

His black eyes were like ink, containing the extreme darkness and light of the world, mysterious and dangerous, but also irresistible.

"What is it?"

Ning Qing looked up and stared at him. a video of her appeared at your wedding with Bai Qingqing.

She did not want to miss the slightest change in his expression. However, there was no surprise or panic that she had expected.

yeah," Nian lie replied. that's true.

Ning Qing took a deep breath. did you ask someone to do it? "

"Yes." Nian lie's gaze was fixed on her face as he admitted indifferently.

why didn't you tell me that you were going to expose her at the wedding? " she asked.

Two days ago, under her interrogation, he had mentioned Bai Qingqing's matter. He didn't tell her the truth about what had happened at the wedding and only used a simple sentence: " the wedding hasn't started yet. I left after I found out about your news.

And after that incident, for three whole years, in order to block out everything about him, she had never cared about what had happened in Ying city, nor did she know about the humiliation Bai Qingqing had suffered at the wedding, Qingqing.

If Yu Shu hadn't mentioned it, she probably wouldn't have taken the initiative to find out what Nian lie had done three years ago.

Nian lie's reaction was as calm as ever.

He held her hand, and his eyes were filled with sadness and sorrow.

the wedding with her was just a temporary measure from the start. There will be a lot of exposure at the wedding, and everyone will be watching. Once the news gets out, Bai Qingqing's reputation will be ruined, and my parents will no longer have a reason to continue using her to force me.

He looked at her deeply. I thought I had everything planned out, so I didn't have to tell you. Besides, Zhenzhen, ah ning, you were pregnant at that time and your emotions were very unstable.

Ning Qing was angry. She felt as if her heart was being cut by a knife when she thought of the despair she had felt back then. but you shouldn't have kept it from me. Have you never thought about what I would do if I found out about your marriage from someone else? "

Nian lie's face was stern, and only his clenched jaw revealed his feelings at the time.

"That's not possible."

At that time, he had raised her somewhere else. Other than him and Lu Zhui, no one else knew.

He did not even know how su Yinuo had found out.

Thinking of this, Nian lie's heart ached.

: You're too conceited!"Ning Qing could not help but scold:

Nian lie laughed bitterly. yes, I should have been more careful about things related to you. But in the end, it was probably karma. I never respected your thoughts, so I let someone else bring the news to you, Wanwan.

He had caused her to despair, jump off the bridge to commit suicide, and lose her child's life. They had been separated for three years and entangled for so long. It was all because of his conceit and arrogance back then.

[Chapter 904](#)

904 Otherwise: I will leave you forever (1:

Ning Qing was overcome with sorrow. She wanted to scold him to vent her anger, but when she saw the deep pain and guilt on his face, she remembered that he had not been better off than she had been in the past few years.

The dissatisfaction and resentment in her heart disappeared. alright, it's all in the past. There's no point in regretting it.

"....."

The atmosphere was so heavy that the two of them couldn't breathe.

Ning Qing quickly changed the topic. I also heard Yu Shu say that you came after I jumped off the bridge?”

Nian lie laughed bitterly and stared at her with a profound look.

after you called me, I called you back, but you didn't pick up. I was so confused that I couldn't wait for the ceremony to start, so I ran out of the wedding venue. Because I saw the live broadcast of the media, I was so flustered that I even got into a car accident on the way, Hanhan.

Of course, ning Qing knew what he was talking about. He was talking about the people who had surrounded the bridge and were broadcasting the whole process of her jumping off the bridge.

However, she did not expect that he would get into a car accident on the road.

Looking at her shocked expression, Nian lie's eyes were filled with pain. It was a pain that could not be eliminated even after years. Even if she was right in front of him, beside him, every time he thought of her jumping off the bridge, his heart would ache uncontrollably.

“The car broke down and the municipal Bridge is blocked. When I get to the bridge, I can only watch you fall into the river from afar.”

“So, you also jumped down at that time, right?” ning Qing's eyes were dull as she muttered.

Nian lie pulled himself out of his grief, his thin lips tightly pursed.

The moment she nodded, ning Qing's heart broke.

“I really wanted to save you, and you've always been in poor health and afraid of the cold. I can't bear to let you stay in the water for too long, Yingluo.”

She didn't say a word and turned around to crash into his arms.

Nian lie's voice stopped abruptly.

“.....”

He raised his slightly trembling hands and hugged her back.

The pain buried in his bones slowly faded, and reality returned.

“You fool.”

Ning Qing's voice was choked with sobs. Nian Xi hugged her back and said gently, “ you're not silly.

“.....”

“Compared to my ning, I'm not stupid at all.”

Ning Qing did not know what to say.

Perhaps, in the past, she was too proud while he was too tolerant. They both thought that the other party didn't love her, or that they didn't love her enough. They never believed that the other party would stand by their side, which led to so much trouble.

Nian lie patted her back. There were still tears in the corners of ning Qing's eyes. She said weakly, " you can't do this again. You have to tell me everything.

He was still doting on her, but there was an imperceptible red at the end of his eyes.

"Alright," he said.

Ning Qing pushed him away and said in a formal and serious tone, " Nian lie, you have to believe that I really love you, and I trust you. In the future, don't exclude me from everything. No matter what you do, don't hide it from me, and don't distrust me. Our relationship can't afford to be tested again and again.

It wasn't easy for them to get to where they were today, and they couldn't lie to each other anymore.

Nian lie's heart ached. He pinched her nose and asked, " what if I'm still lying to you? "

She sniffled and said sternly, " if you lie to me again, I promise I'll never forgive you.

Nian lie's heart trembled. He hugged her with an impassive expression. you won't be so cruel to me.

She said firmly, " I will!

"....."

Ning Qing's tone changed, and she sounded a little delicate.

"If you're still hiding something from me and I find out, I'll leave you forever and never appear in front of you again."

[Chapter 905](#)

905 : personally designed ring (1:

Worry flashed across Nian lie's dark eyes, but because he was hugging her, he didn't see the woman in his arms.

There was a smile on his lips, but no one knew if it was real or fake. how cruel.

Ning Qing snorted and stopped talking.

After a while, ning Qing lay on his lap in a more comfortable position.

She rubbed her head against his leg. then what's going on between you and my sister? "

Under the dim yellow light, Nian lie's expression was dark. nothing happened.

Ning Qing frowned. but I've seen her picture in your study.

And that ring.

"How can you be so sure that the photo is your sister?"

Ning Qing was stunned, and her sleepiness faded.

She said,"I know the difference between me and my sister, and you've never denied Yingluo."

He pinched her chin and straightened her face. but, ah ning, " he said, enunciating each word, " I've never acknowledged her as your sister.

"....."

Ning Qing was stunned and speechless.

Nian lie caressed the side of her face gently and lowered his head.

"The photo isn't of her."

"....."

"It's you."

As if she had been struck by lightning, ning Qing struggled out of his arms. impossible! I don't remember taking that kind of photo!

"....."

Nian lie gazed at her deeply. She suddenly caught a few words in her own words.

He couldn't remember.

There were many things that she could not remember. After the car accident, she had forgotten everything.

Although she had been in a car accident and knew that her coma had something to do with Yan Sichen, she had indeed forgotten a lot of things after the accident.

She mumbled,"my lost memories ..."

Nian lie's heart ached, but his face showed no signs of abnormality.

"Yes, you and I are still in your lost memories."

Ning Qing's mouth was wide open. This sudden change made her mind blank.

After a long time, she said,"that ring, Yingluo, is also mine?"

Nian Xi held her hand. yes.

"....."

He brought her hand to his lips and planted a kiss on it. you designed it for us, " he added.

Ning Qing's brain exploded.

It was a dull pain.

No wonder he had asked her why she had chosen to go down the path of design.

No wonder he cared so much about that ring.

The truth was actually like this!

She was willing to design rings for them. Did that mean that she loved him very much at that time?

They were in love six years ago?

So even when she was in a vegetative state, he still didn't leave her and stayed by her side?

His parents hated her and resented her family background. They wanted to deal with him, and he had silently shouldered all of it. In the end, she was the one who backed off.

Ning Qing's eyes were dazed and sore, but she could not shed a single tear.

Nian lie's heart ached for her. He held her hand, which was a little cold.

His brows furrowed, but he said, " don't be surprised. Don't think too much about it. These few years, I've let you down in some ways. I've hurt you. It's only right that you do whatever you want to me.

Ning Qing was anxious, and her heart ached. but, Zhenzhen.

He pressed his index finger on her lips.

Nian lie looked at her in the eye. He didn't blame her at all. I didn't tell you the truth in advance, which caused you to misunderstand me. It's my fault. You didn't do anything wrong.

"....."

Ning Qingxin's face was pale with pain, and the tears in her eyes were on the verge of falling.

Nian lie's face darkened. ah ning, did you hear what I said? "

She was not wrong.

From the beginning to the end, it was not her fault.

Ning Qing's lips trembled, and her expression was fragile. I heard you.

...

"Ah ning." He held her in his arms again.

The familiar warmth came close. She could smell his breath and could not hold it in anymore. Tears streamed down her face.

"I'm sorry, Nian lie."

Nian Xi frowned. you didn't do anything wrong.

"I'm sorry, Yingluo."

"....."

She kept repeating herself, but he stopped consoling her and only hugged her tightly.

After crying for about half an hour, the woman was so tired that she fell asleep.

Listening to her sobbing in her sleep, Nian Yu's face sank and he sighed deeply.

[Chapter 906](#)

906 Sweet daily (1:

*

Ning Qing had cried enough last night and had fallen asleep.

When she woke up, Nian lie was no longer there.

She was a little disappointed and had mixed feelings.

There was a knock on the door and the maid entered.

Madam, Sir said that he has something to do at the company. He'll be back soon.

Ning Qing nodded. The servant continued, " Sir asked us to help you eat your breakfast.

Ning Qing asked them to put it down and motioned for them to leave.

"....."

After they left, she rubbed her temples.

She had slept late last night, so she had a headache.

Thinking of Nian lie's instructions, she couldn't help but feel even more bitter.

She reached out to take the breakfast beside her, and a bright light in her hand immediately attracted her attention.

Ning Qing retracted her hand and widened her eyes in surprise.

This Yingluo, isn't this the ring we were talking about last night!

How did it return to her?

She touched the surface of the ring happily. After knowing that she had designed it, her mood changed a lot when she saw it again.

After calming down, ning Qing knew that Nian lie must have put it on her wrist while she was asleep to give her a surprise!

Coincidentally, the sound of a car engine turning off came from downstairs.

Ning Qing's eyes brightened. She jumped out of bed, pulled the silk scarf from the side, wrapped it around her body, and went straight down the stairs!

Downstairs, Nian lie ignored the people behind him and strode into the living room.

"Has Madam woken up yet?" he asked with a frown when he did not see the woman he had been missing.

The maid bent down. Sir, Madam is already awake. She just got someone to send breakfast up.

Nian Xi paused, then turned to the stairs to see her.

Before he could step on the stairs, he heard hurried footsteps around the corner.

He subconsciously frowned and stopped in his tracks.

In the next second, the petite woman in spaghetti strap pajamas rushed out. When she saw him, her bright eyes lit up and she rushed toward him!

“Nian lie ...”

be careful! he was extremely worried.

Ning Qing couldn't care about anything else and jumped directly from four or five steps away.

Nian lie's dark eyes froze. He raised his arms to catch her body, but the force was too great, and he was knocked back a few steps.

He was about to blame her for being rash, but when he saw her smiling face, he stopped.

Ning Qing's legs were wrapped around his waist, and the silk scarf on her shawl was exposed. She put one hand around his neck and opened her other hand to show him the ring on her hand.

“You put it on for me, right?” he asked.

Nian lie looked at her smiling face. He knew that she was happy, so he was in a good mood too. you like it? ”

Ning Qing was different from her past self. She was smiling sweetly like a happy little woman. I like it!

“It's good that you like it,”

“Why didn't you return it to me earlier? you did it on purpose, didn't you?”

Nian lie's dark eyes flickered. Just as he was about to answer, a low cough came from behind him.

Ning Qing's smile stiffened. She slowly looked over Nian lie's shoulder and looked at the source of the voice. Her brows relaxed. Nian che Xuxu.

Nian che stood there with one hand in his pocket and the other covering his mouth. He was obviously embarrassed and uncomfortable.

He glanced at ning Qing and Nian lie. brother, sister-in-law, I know you two are newlyweds and have a good relationship, but Qianqian, you should restrain yourself a little. There are so many people watching.

Behind him, Lu Zhui nodded in agreement.

The degree of his nod was too exaggerated. It seemed that he also had a lot of complaints about the frequent dog abuse of the two recently.

Ning Qing realized what was going on, and her eyes swept over the other people in the living room.

All the servants had their heads lowered, occasionally sneaking a glance at the two of them, their faces all filled with mischievous smiles.

She seemed to have realized something. Her face slowly turned red, and her body stiffened.

“.....”

Nian lie could feel it. She tried to get down from him. put me down! she whispered, her face red.

[Chapter 907](#)

907 A lifetime stumbling block (1:

Nian lie didn't move an inch. He was very pleased with her appearance.

“Why are you going down? you're not wearing shoes,” he said.

Ning Qing glanced at her feet. She had been so excited just now that she had completely forgotten about this.

Now, everyone saw her running into his arms barefooted. Those who didn't know would think that she was very clingy to him.

“Shut up!” Ning Qing could not lift her head. She was shy and angry.

Nian lie didn't allow her to get off his body. His large hands clutched her thighs tightly. His face wasn't red, and his heart wasn't beating fast. what's there to be shy about? we're husband and wife.

Lu Zhui couldn't hold it in anymore. young master, young Madam, everyone knows that you two are husband and wife, but you have to consider the feelings of us single people. I've been looking at you all day long, and I can't stand Qianqian.

Nian lie looked sideways, his eyes cold. you have to endure it even if you can't.

Lu Zhui nearly spat out a mouthful of blood.

He was indeed his young master.

How ruthless!

Ning Qing exploded at the teasing.

“Hurry up and let me down!”

Nian lie didn't think much of it. It was just that her strap was a little revealing. A large area of her fair skin was exposed, and her shoulders were round and smooth. He wanted to bite her.

He said, “ stay here for a while. then, he carried her upstairs without even looking back.

MMH, ” Nian che replied. He waited until the sound of their footsteps disappeared before looking at the stairs.

Without Nian lie around, Lu Zhui felt much more relaxed. He sighed and placed one hand on Nian Che's shoulder. hey, see, I was right. Young master and young Madam are very close.

So good that he almost couldn't stand it.

Nian Che's eyes were clear and bright. it's a good thing to have a good relationship.

Lu Zhui almost choked. it's a good thing, but young master has been working from nine to five recently. He can't even stay in the company for a second longer. He's so afraid that young Madam will be bored at home. Tsk tsk tsk. Indeed, women are all obstacles to men's success.

Nian che retracted his gaze and glanced at him. be careful not to let my brother find out about what you've just said.

"I'm just expressing my opinion, I'm not blaming young master."

He didn't understand how women were such a hindrance.

He and Nian che worked at the company every day, and they didn't sleep more than five hours a day this week. He felt a little upset when he saw his young master, Qianqian, looking so refreshed every day.

you'll find out when you have a girlfriend," Nian che said with: side glance:

Lu Zhui was serious. I don't want a girlfriend!

Falling in love was so troublesome!

Nian che smiled profoundly. it seems like you're going to be single for the rest of your life for my brother and the Nian family.

"Yingluo." Lu Zhui was speechless.

Lu Zhui, it's been so many years, but I don't think I've ever seen a woman by your side.

Lu Zhui proudly raised his head. isn't that so? I've been busy helping young master. I don't have the time to get a girlfriend.

Nian che nodded and looked him up and down. you're going to spend the rest of your life with my brother.

Looking at his scrutinizing expression, Lu Zhui was puzzled.

As he read on, Nian che looked down at a certain spot. He shook his head and clicked his tongue twice, then sighed, " it's useless.

Lu Zhui: "???" "

Where was he looking at?

Nian che didn't care about his expression. He pushed his hand away and walked straight to the kitchen.

Lu Zhui stumbled and touched the back of his head for some reason. A thought flashed through his mind.

Was second young master insinuating that his sexual orientation was wrong?

[Chapter 908](#)

908 Jealous (1:

F * ck!

Lu Zhui's face reddened as he cursed. He walked toward Nian che and denied loudly, "second young master, I'm straight! I'm straight! He's a straight man!"

"Oh ..."

Nian che dragged out his words, obviously in disbelief. Lu Zhui was left to stomp his feet in anger.

Upstairs, in the master bedroom.

Nian lie carried the petite woman into the house. Without waiting for her to complain, he lowered his head and kissed her on the lips.

"Nian lie"

Ning Qing resisted and pushed him away with both hands.

He lowered his eyes and saw her red cheeks, which darkened even more.

Sitting on the edge of the bed, he freed his hand and pinched one side of her cheek. She cried out in surprise. He had succeeded.

They attacked the city without any hesitation.

"....."

Ning Qing was almost suffocating. He stepped back slightly, his eyes dark.

Her whole body went soft. what are you doing, Yingluo? "

She was originally furious, but her words were soft and tender.

Seeing that Nian lie's eyes were getting darker and darker, her heart beat faster and faster. She was eager to divert his attention. why didn't you tell me that Nian che was here too? "

She had embarrassed herself in public.

"You didn't give me a chance," he said in a hoarse voice as he pressed his large palm against her slender waist and massaged it with a force that was neither too strong nor too light.

It was indeed true.

Before he could say anything, she jumped down the stairs.

At the thought of this, he couldn't help but frown. you didn't put on your slippers and clothes, and you even jumped down the stairs. You're really something.

Ning Qing was embarrassed. I was in a hurry!

"What's the hurry?" Nian lie raised his brows slightly, his eyes filled with Twilight. are you afraid that you won't be able to see me? "

“.....”

“You miss me?”

In the face of his smiling inquiry, ning Qing pretended not to hear him.

He deliberately pinched her exposed thigh, and the smooth and tender feeling made him unable to let go.

“Don’t move!” Ning Qing retracted her legs and said angrily.

When he heard this, he kissed the side of her face, his voice containing a close smile.

“Ah ning, just say it if you miss me. There’s no need to hide it.”

Ning Qing’s face was burning. when did I say I missed you? ”

She showed him the ring on her finger again. I’m surprised because of the ring.

Nian lie’s lips curled up. He didn’t hide the light in his eyes and the love he had for her. yes, yes, yes. I misunderstood you.

Ning Qing snorted. He kissed her gently on the lips and reminded her, ” next time, no matter what you do, remember to wear shoes and clothes. The weather is still cold. You’re not in good health, so don’t catch a cold.

Ning Qing snuggled in his arms and smelled his fresh scent. There was a hint of childishness and pampering in his words that he had never spoken before.

“It’s already spring, what’s there to be cold about? Besides, I’m not a glass doll that will break with a touch.”

“The floor is cold, you’re wearing too little.”

“This is my own home, what’s wrong with me wearing a nightdress?”

Nian lie caressed her smooth shoulders. Her skin was slightly chilly, but she wasn’t too cold.

However, this nightdress was really revealing.

The silk scarf fell to the ground, and the black silk nightdress made her skin look even whiter and tender. Her exposed collarbones, neck, and arms were so lovely that one could not help but want to reach out and touch them.

He didn’t like her beauty to be seen by others.

“I just don’t allow it,” Nian Yu said domineeringly, not caring about the jealousy and rudeness in his heart.

Ning Qing thought about his reaction downstairs and paused, feeling a little amused.

She got up slightly and wrapped her arms around his neck. are you jealous? ” she asked with a smile.

“What do you think?” Nian lie’s face was dark, his thin lips moving slightly.

She laughed out loud. that's your younger brother. Also, Lu Zhui is someone you treat like a brother. As for the other servants, they often see me like this.

909 Urging Nian che to get married (1:

“.....”

Ning Qing looked at his slightly sullen face. She had not expected him to be jealous over such a small matter. Moreover, it had been a coincidence, and she had not done it on purpose.

She couldn't help but tease him. I didn't expect our President Nian to be jealous over such a small matter.

Nian lie looked at her in a low voice, his tone flat. do you remember what I said? ”

“Puchi ...”

She laughed out loud, and the man's face darkened.

“Sorry, sorry, I shouldn't have laughed.”

Nian Yu put on a fake smile and looked at her, who had no regrets. ah ning, are you sincerely apologizing? ”

“Of course.”

“I don't accept this.” Nian lie's hand that was holding her became restless. I want to accept your apology in a different way that I like.

Then, he lifted her skirt.

Before ning Qing could react, she was pressed down on the big bed.

“No, you were up so late last night.”

“.....”

“I'm tired, Nian lie.”

“.....”

“Alright, I'll agree to it! I won't dress like this in the future.”

“.....”

“They're still downstairs!”

let him wait. a man's voice that was suppressed to the point of being cold was heard.

Then, no matter how many words she wanted to say, they were all swallowed back.

Half an hour later.

The neatly dressed ning Qing was led downstairs by Nian lie, not even showing her neck and ankles.

Don't ask why it wasn't revealed.

She didn't dare to, and she didn't want to miss it.

Just now, the two of them had not reached the end, but the man seemed to have bitten her whole body on purpose. He did not even let go of her ankle.

Ning Qing did not believe it in the past. Nian lie looked cold and emotionless. When they had done it in the past, he would not have been like this no matter how much they had been moved.

But now, he knew how to use any method!

In order for her to put on her clothes properly, he had left marks all over her body, so she had no choice but to wear them!

Nian lie didn't know that she was so conflicted. He helped her sit down on the sofa and ordered the servant to bring her some tonics.

Nian che was sitting on a single-seater sofa. He had just received a call and had seen the two of them come down. He had seen their entire interaction.

The two of them were really sweet, and it was a sweet harmony that was different from the past.

It was probably because they were sincere, so they looked particularly harmonious.

The bird's nest was served. Nian lie wanted to feed ning Qing, but she refused, so he coaxed her in a low voice.

Ning Qing felt that the "influence" was not good. She turned to look at Nian che and saw that he was staring at her. She felt even more uncomfortable.

Nian che caught her gaze as well. He did not avoid it. brother, sister-in-law, " he said, " are you ignoring me because I'm single? "

Ning Qing remembered the awkwardness from earlier and felt even more embarrassed now. Nian che, don't make fun of me.

"How is that a joke? I'm just envious."

"If you're envious, then hurry up and find a girlfriend," Nian lie interjected indifferently.

Nian Yu choked. He glanced at ning Qing and smiled gently at his brother. you can't rush this kind of thing.

Ning Qing didn't want to eat it. She said it was too hot, so Nian lie put the bowl aside.

He looked at Nian che and said, " there's only you and me in the Nian family. I already have your sister-in-law. You're not young either. It's been so many years, yet you don't have a single member of the opposite sex by your side. What are you trying to do? "

Nian Che's heart skipped a beat. Looking into his brother's dark eyes, he felt that he had said that on purpose.

He was silent for a moment. Just as he was about to say something, Ning Qing interrupted him. He's still young. What's the rush?"

Nian lie looked back at Ning Qing and his eyes softened. He's not young anymore. He's only one year younger than you.

910 When do you plan to have: child (1:

Because of Nian lie, Ning Qing had never paid much attention to Nian Che's age. She did not expect him to be twenty-four years old this year.

She nodded. That's still alright.

Nian Xi glanced at Nian che and said in a serious tone, " when I was his age, I was already married to you.

How could they use this as an example given their special situation?

Ning Qing was speechless. She pondered over what he had just said. It's been so long since Nian che last saw a girl?"

She looked at Nian Junting. Nian Junting was stunned for a moment, then explained, " I did like to have fun when I was abroad, but I didn't like to hang out with the opposite sex. I've been busy since I came back, so I didn't have much time.

That was true.

It was not easy to manage a company.

Nian lie was so powerful, but he used to be so busy that he didn't sleep at all, let alone Nian che.

Ning Qing seemed to be deep in thought. That's true, but you're not young anymore. It's time for you to have a girlfriend."

Nian che didn't say anything. Nian lie continued, " the company is stable now. There's Lu Zhui and me. You don't need to do too much.

He took the bird's nest again and tested the temperature. It was just right.

"If you have time, go out and walk around. It's not a bad thing to make connections."

Ning Qing agreed. The world is at peace now. Nian che, you have to hurry up. I'm still waiting for you to bring your girlfriend back.

The corners of Nian Che's lips twitched. His eyes were clear as he said calmly, " brother, sister-in-law, don't worry. I'll do my best.

this is the most important thing in your life. You can't be careless. You have to take it seriously. Ning Qing took a sip of the bird's nest that Nian lie had fed her. don't make it sound like a mission. Your brother and I both hope that you can have your own family as soon as possible, so that we won't worry.

She had automatically assumed the identity of " Nian lie's wife " and adapted very quickly and well. She did not look like she was forced to do so.

Nian che felt relieved. He had an indescribable feeling towards her supportive attitude towards Nian lie.

His lips were still curled up, and his eyes darted back and forth between the two of them. I don't know when my marriage will be settled. When are you two going to give me the good news? "

Ning Qing thought he was talking about the wedding. my family has already discussed it. I'll have to undergo surgery soon, and it will take some time for my hand to recover. So, we've set the wedding date for the summer vacation.

"I'm not talking about the wedding."

Ning Qing was stunned. what's that? "

Nian che chuckled, his gaze gentle. I'm talking about the child. You two have been through so much for the past few years. It's not easy for you two to be together. Aren't you going to treasure your time and have a child soon? "

"....."

Ning Qing's lips moved. Nian Yu looked up and stopped what he was doing.

The living room suddenly quieted down, and it was strangely quiet.

Nian che noticed their unusual behavior and asked cautiously, " why? you don't have any plans yet? "

Nian lie's face darkened for a moment, but it soon returned to normal. He fed ning Qing the bird's nest and looked at her with a slightly worried look.

Fortunately, he didn't have much emotion.

"I don't have any plans for now," he said simply.

He couldn't say too much, for fear that ning Qing would remember the past and be sad.

Nian che had felt it as well, but he did not know about ning Qing's condition. He thought that she was still bothered by the child from before.

He pursed his lips and said in a serious tone, " sister-in-law, brother, we have plenty of time now, but it also depends on fate if I want to make friends. It doesn't mean that we'll definitely be together once we get to know each other, and it doesn't mean that I'll definitely get married once I have a girlfriend. In comparison, you two are in a better relationship now, and it's better to take the opportunity to have a child. It'll be the icing on the cake, Yingluo.

"Nian Che!"
