

Mr Nian 931

[Chapter 931](#)

931 Quietly _1

Ning Qing's anger lasted three days.

Living under the same roof for three whole days, Nian Xi didn't even see her in person, let alone enter the house.

To be honest, ning Qing was no longer angry.

Knowing that he was busy these three days, not only was she not angry, but she even missed him a little.

She missed his embrace, missed him by her side, missed his voice.

However, she couldn't bring herself to do that. After all, she had already given the order that no one was allowed to speak up for him.

"....."

That night, Nian lie didn't return.

"What has he been busy with these past two days?: ning Qing asked the servant: feeling upset:

The maid was surprised. Sir has been going out early and coming back late recently. He should have something to do at the company.

So it was like this.

Ning Qing's heart ached. He was in charge of the company, so he did not care about her.

"Alright, you may leave," she said calmly after drinking the milk that the servant handed her.

The servant left.

She stood by the door for a while and watched it. Then, she went forward to lock it, took a shower, and went to sleep.

Before she fell asleep, she didn't hear the car coming back downstairs.

"....."

Four in the morning.

There was a figure outside the master bedroom. The door lock rang softly, and it was particularly clear in the quiet space.

The woman on the bed didn't sleep well. She frowned and turned around, but her eyes didn't open.

The door was slightly ajar. Nian lie stepped on the carpet carefully and entered the room before closing the door gently behind him.

Looking at the woman on the bed, he first kissed her on the forehead, then took off his clothes, wiped away his fatigue, and went into the bathroom.

The pitter-pattering sound of water disturbed ning Qing, but she only muttered something and fell asleep again.

Nian lie came out and washed away his fatigue. He took out a shirt and long pants from the closet and put them on.

When he came to the bed, his black eyes were so gentle that water was about to seep out.

In the end, Nian lie couldn't bear to wake her up. He picked ning Qing up with the blanket and walked out of the bedroom.

The world outside was brightly lit, and the servants and bodyguards were waiting outside.

When Nian lie carried ning Qing out, everyone lowered their heads.

When Lu Zhui saw this, he rushed forward anxiously. young master, why don't you let me run away? "

Nian lie's eyes turned cold, and he immediately shut up.

The man lowered his voice and said, " you should be clear about the company's matters. Don't look for me if there's nothing important.

Lu Zhui nodded his head repeatedly. yes.

Nian lie carried ning Qing out. The wind was strong in the early morning and it was a little chilly.

He moved his hands against the wind so that she could snuggle better in his arms.

Before getting into the car, Nian Xi turned around and looked at the brightly lit Qing Yuan.

"Sir, you and Madam can rest in peace," the Butler whispered.

"....."

"On behalf of the entire Qing Yuan, I wish you a pleasant trip."

Everyone's face was full of smiles, warm and kind.

Nian Ying pursed his lips and replied with an " mm ", then carried ning Qing into the car.

In the dark night, the car slowly left and disappeared at the end of the road.

"....."

Ning Qing felt a little uncomfortable and her neck was stiff.

She moved a little and startled Nian lie.

"What's wrong?" he asked gently.

She stopped moving when she heard his voice.

Nian lie thought that she would always be angry even when she was sleeping. However, he saw that she was pressing her face against his chest. The tip of her nose twitched, as if she was trying to tell if it was his scent.

She was satisfied when she smelled the refreshing scent. She rubbed against him like a puppy and found a suitable place to sleep in his arms.

“.....”

Nian Yu didn't know whether to laugh or cry at her reaction.

Forget it, who asked him to pamper her?

“Go to sleep, be good.”

He gave her a light kiss on the corner of her lips, allowing her to sleep more peacefully.

[Chapter 932](#)

932 Take her on: trip (1:

Ning Qing was awakened by the light.

She opened her eyes in a daze and looked at the ceiling, which was completely unfamiliar to her. She was in a daze for a long time before she reacted.

The decoration style of the room was in the Greek-style Aegean style, with the main colors being blue and white. The blue tablecloth and wall cabinets, white hanging ornaments, shell curtains, and light blue curtains allowed one to see the blue sea not far away.

The blue and white in the room intertwined, and ning Qing was stunned for a long time.

The door opened, and Nian Jing walked in. Seeing that she was awake, he hurriedly walked over and hugged her. you're awake? ”

Feeling the chill on his body, ning Qing noticed that his upper body was naked, and there were still droplets of water on his chest. Aren't we at home?”

Nian Xi had a gray bath towel on her shoulders, revealing her broad shoulders and strong waist. She was very attractive.

“I was at home before,” he said.

To be exact, he was still on the plane an hour ago.

Ning Qing was uncomfortable with the unfamiliar environment. She reached out and grabbed his bath towel, a little flustered. where is this? ”

“It's a place we should be,” Nian lie comforted her.

Ning Qing did not understand. He explained patiently, ” this is Southeast Europe. I brought you here to fulfill our common wish.

Ning Qing was still confused. what wish? ”

There was an obvious smile on his lips. ah ning, I know you want to come for a vacation. You're thinking that I don't have time, so you're rejecting it, right? "

Ning Qing straightened out her current situation and did not let go of the towel in her hand.

She didn't deny it and only said, "but aren't you very busy recently, Yingluo?"

Nian lie knew that she was admitting to it in disguise.

He should have known that she wanted to leave that oppressive city and relax.

"I'm very busy, but I just wanted to make time to accompany you."

He spoke bluntly, and ning Qing immediately sobered up.

Her heart softened.

"Nian lie, you don't have to do this."

He was deliberately making time for her. A few days ago, he was so tired that he didn't even return to the bedroom at night. Although she was touched when she found out the reason, she didn't want him to torture his body like this.

actually, I'm already very satisfied now. I have father and mother, and you to accompany me. I've also found my sister. Although Hanhan is still unwilling to return to our side, at least she's alive.

Ning Qing's eyes were slightly red, and she had completely let go of the pain and torture of the past.

"After all these years, I finally understand that nothing is more important than being alive and standing by the side of the person I love."

She held Nian lie's hand and said, " I'm serious. You don't have to do all these things for me. I'm already content.

Nian lie's expression was soft and relaxed, without a hint of sharpness or coldness.

He hugged her tightly. this isn't your wish alone. It's mine too.

"....."

ah ning, for the past twenty-eight years, I was born into the Nian family. When I was young, I never experienced the warmth of a family, nor did I know what relaxation was. I only knew that everything I did was to inherit the Nian family.

His voice was very calm. After peeling off the ice Mountain that had covered his face over the years, his heart was also soft. He could sense pain, sadness, happiness, and happiness.

At this moment, he was recounting the sad past of the Nian family, but he was so calm.

There was no more resentment or hatred.

Ning Qing was surprised. Wasn't Nian lie the same?

His resentment towards his parents had not been short-lived. Ever since they had started to interfere in his relationship with ning Qing, his heart that had longed for twenty years of family love had finally been shattered.

[Chapter 933](#)

933 You like to play: right?(1:

He hated them when he was in extreme pain.

But now, because she was by his side, everything had vanished into thin air and disappeared.

He caressed her hair. when I grew up, I tried to resist, but to them, I was overestimating myself. After that, I took over the Nian family and walked step by step until now. I've actually been overwhelmed by those things for a long time.

He laughed bitterly, making one's heart ache.

"I understand. You don't have to say anything more," ning Qing said.

He looked at the woman in front of him seriously. no matter how hard and tired I was in the past, I treated myself like a machine. It was because of you that I wanted to let myself go.

To him, she had always been the light;

It was redemption.

"So, I don't just want to keep you company. I'm really tired."

Ning Qing cupped his face in her hands and pressed her forehead against his. I know, " she sobbed, " I know everything.

He smiled emotionally. He was so grateful to the heavens for letting him have her again.

so, ning, don't say that it's all for your sake. I'm the one who wanted to be selfish this once.

Forget those missions, forget the past and the future, forget his responsibilities.

He just wanted to spend a perfect honeymoon with her.

Ning Qing smiled through her tears. alright, I'll allow you to be selfish.

He took her into his arms, and she hugged his neck tightly, her chin resting on his shoulder.

"Promise me, Nian lie. Don't push yourself too hard."

What responded to her was an increasingly tight embrace.

"....."

The morning was over, and Nian lie helped ning Qing get dressed.

Needless to say, she really liked this dress. It was a white spaghetti strap dress. When she wore it, she felt much lighter.

“Can I go to the beach to take a look?”

“Of course you can, but you have to have breakfast first.”

She was very obedient and jumped out of the room.

Nian lie followed behind her. Seeing how excited she was, he was glad that he had made the right choice.

He brought her to the dining room for breakfast. At the dining table, Nian lie was in a daze.

This was one of the properties he had bought here in the early years. At that time, he had thought that she would definitely like it and thought that one day, he would bring her here.

He didn't expect that this wish would come true.

After dinner, ning Qing couldn't wait to go to the beach.

Nian Xi patiently applied sunblock on her entire body and gave her a straw hat. When she put it on her head, it would cover her entire body.

Ning Qing liked him so much that she held his hand and ran to the beach.

Walking out of the villa, the buildings outside were completely different from the ones in Ying city. It was as if they had entered another world.

Ning Qing looked around, but still pulled him to the beach.

The vast ocean had no end. The ocean blue water was so clear that one could see the bottom, and one could even see the fish and shells at the bottom.

There were people passing by the beach from time to time, leaving a series of footprints. Some loose shells were buried under the waves.

Ning Qing was facing the sea. Seagulls flew by and made melodious sounds.

“You have good taste,” she said.

She turned to Nian lie and couldn't hold back her smile. I like this place very much.

It was very quiet and peaceful. He didn't feel any pressure from the secular world at all.

as long As You Like It. Nian Xi's eyes were filled with gentleness.

“Do you want to play with me?” she asked with: smile.

He stood at the side and crossed his arms. what do you want to play? ”

She pretended to be mysterious and went forward to hold his hand.

The waves rolled over her feet, making her feel itchy and cold.

Ming Qing's eyes flashed, and he squatted down. When he wasn't paying attention, he scooped up a handful of water and splashed it on his face.

“Pfft, haha!”

To her surprise, the man was splashed by the water. She pointed at him and laughed without any defense.

Nian Yu’s eyes twitched. is Yingluo fun? ”

haha, you’re in such a sorry state. It’s so funny!

As she spoke, she scooped up another handful of water and splashed it on him.

This time, Nian lie dodged. His eyes were a little dark. you want to play, right? ”

[Chapter 934](#)

934 Hug me, don’t be afraid (1:

“.....”

“Don’t cry Later.”

Ning Qing’s heart skipped a beat. Without hesitation, she turned around and ran on the waves on the beach like a seventeen or eighteen-year-old girl who had yet to understand human affairs.

The gentleness in his eyes fluctuated wantonly, and his usual calmness disappeared. He only wanted to accompany her in this world.

“Ning, you better not let me catch you.”

Ning Qing had already run away with a smile.

He moved his neck a few times, not to be outdone, and quickly chased after her.

The sun was shining brightly, and the waves on the sea were sparkling.

The two figures were chasing and playing on the beach, and their shadows were entangled.

Not long after, ning Qing was caught by a group of reefs. At this moment, her whole body was already half wet, but because of the weather, she did not feel cold at all.

Nian lie hugged her from behind and held her waist tightly. His warm breath fell behind her ear. are you still running? ”

Ning Qing panted and shook her head repeatedly. no, I won’t run.

“How are you going to compensate me?”

Ning Qing blinked and pretended to be innocent. what’s wrong with that? I’m just playing Yingluo.

“And you still dare to splash water on me?”

She chuckled and wanted to explain, but her words were swallowed by him.

She only felt relieved after kissing him for a long time.

Nian lie's eyes had darkened, and ning Qing did not dare to look at him.

"Do you want to swim?" he whispered in her ear.

Ning Qing's heart skipped a beat, and she subconsciously refused, "I don't know how to play."

"It's okay. I'm here. I'll teach you."

But ning Qing was really afraid.

She had fallen into the river twice, and the fear was deep in her heart each time.

Once, she almost lost her life.

Once, he had almost lost his life to save her.

She didn't dare to make a fuss.

Nian lie saw through her fear and held her hand tightly.

"Fear is because you know you can't win, but ah ning, there's nothing in this world that can't be won."

Her eyes flickered rapidly, and her chest heaved.

Nian Ying stared at her, his Obsidian-like eyes giving her trust and strength.

She moved her lips. I can try, Hanhan.

He smiled, feeling moved. okay, I'll hold you. Don't be afraid.

Thus, he held her hand and stepped on the reef to face her. are you ready? "

Ning Qing glanced at the clear bottom of the sea. It was shallow and not deep, but she was still afraid from the bottom of her heart.

Fear had to be overcome.

She said to herself as she clenched her fists tightly. Then, she looked at Nian lie with determination. I'm ready.

"....."

He broke into a faint smile, hugged her tightly, and jumped into the sea.

The moment she was surrounded by the water, ning Qing began to struggle violently. no, don't, don't, don't.

Nian lie controlled her body with all his might. hug me. Don't be afraid.

She touched his arm as if she was holding onto a life-saving straw. She leaned towards him and wrapped her legs around him.

how are you going to learn how to swim like this?" Nian lie said helplessly.

Ning Qing was still afraid. Her face turned pale and she shook her head. I don't want to learn anymore. It's scary.

He sighed helplessly and hugged her waist tightly. okay, then I won't learn.

Ning Qing took a deep breath and urged, "let's go up. I'm afraid of Yingluo."

Before he could finish his sentence, a pair of cold lips pressed against his.

Nian lie didn't go any deeper. Instead, he licked her lips gently as if he was comforting her, soothing her shuddering and fear.

Not long after, she stopped trembling.

"Are you still that scared?" Nian lie asked in a hoarse voice.

Ning Qing's face had already regained its color. Because of the kiss, her lips were red, and her face looked particularly stunning and beautiful under the light.

She shook her head. no, I'm not afraid anymore.

Nian Yu smiled. then continue learning.

"Hello, Yueyue."

...

[Chapter 935](#)

935 Take: look at that child (1:

The result of learning to swim was that ning Qing was forced to drink a lot of water.

At least she was slowly overcoming her fear of water, which was good.

In the evening, the two of them strolled to the market, bought some ingredients, and went back to cook.

Ning Qing had never been so relaxed, and Nian lie had never been so carefree.

Such days were truly unheard of in heaven and earth.

Although it was peaceful, she was extremely happy.

*

The two of them did not stay for long. On the third day, Nian lie left with ning Qing.

He had set up a tour route. Although it was not a global tour, it was fine to visit the whole of Europe.

They went to see the sea of lavender, took a boat on the Aegean Sea, saw the shooting stars in the sky, and made a sweet wish.

The two of them had completely let go of their grudges and past. Holding hands, they traveled through the corners of countless unfamiliar cities.

The two hearts had unknowingly gotten closer.

That night, the two of them had just finished their exercise.

Nian lie carried ning Qing to the bathroom to take a shower. After the shower, he carried her back to the bed and kissed her forehead from time to time.

His computer was still on the bed, and there was an email on the screen.

Nian lie had instructed them to inform him if there was an emergency in the Nian Corporation and if Lu Zhui and Nian che were unsure.

Ning Qing watched as his fingers typed on the keyboard. Her voice was a little hoarse. are you getting ready to go back? ”

Nian lie’s fingers paused, and he looked over. ah ning wants to go back? ”

Ning Qing was silent.

She had been very obedient and considerate these past ten days. In front of him, she would never hide her thoughts.

Therefore, Nian lie knew that she had something to say the moment he saw her expression.

After quickly replying to the email, Nian lie closed his laptop and put it aside.

“Something in your heart?”

Ning Qing looked at the man who was supporting himself with one hand on the pillow, and her slightly swollen lips moved.

Nian lie reached out to her forehead. don’t frown.

As long as she had something on her mind, her face would be full of worry.

He didn’t like it when she was like this.

Ning Qing reached out from under the blanket and held his hand. I want to know what your next plan is.

Nian lie held her small hand in his palm, his eyes wavering slightly.

“Ah ning, what are your plans?” he asked.

“I didn’t, Zhenzhen: : ning Qing said:

A cold hand pinched her chin.

Nian Xi lifted her face. It was still red and beautiful, and it was not suitable for her to be worried.

He looked at her intently. I’ve told you before that you’re not suited to lie.

Ning Qing shrank back and did not retract her chin.

“I’m not lying,” she compromised.

She wanted to know if he had arranged for her to go back. The work at the company had been piling up for so long.

She was already very happy that he could accompany her for so many days.

Nian lie didn't allow her to overthink, and he was also afraid that she would overthink. His face was a little overbearing. since you're not trying to hide it from me, then say what's on your mind.

"....."

ning," Nian Yu reminded her, " you're my top priority. Do you understand? "

In other words, no matter what she wanted to do, he would always put her matters and thoughts first.

Ning Qing was so touched that her smile fell quickly.

"I told you before that I took him to America: : she said:

Nian lie's eyes narrowed.

"He's a knot in my heart, and I haven't seen him in a long time. He should be feeling better."

Ning Qing was stunned for a moment. I want to see him.

That's right, the last time in the capital, she had told him that she wanted him to visit that child with her.

Because he was his father.

[Chapter 936](#)

936 Back to America (1:

Nian lie's thin lips were tightly pursed, his expression unclear.

Ning Qing was a little flustered. I've checked. This place is already at the border of the United States. It won't be long if I go there, Zhenzhen. If you have something to do, you can go back to Ye City first. I'll be back after I see him.

"Ning Qing,"

He had suddenly called her by her full name, catching her off guard.

It had been a long time since he had called her that.

Unless he was angry.

Ning Qing panicked even more. I'm not forcing you to go with me, nor am I trying to remember the past. It's just that the feelings I have for that child are different. I love him, and I'm Hanhan.

Nian lie sensed that she was overly flustered and grabbed her helpless hand.

Her explanation stopped abruptly.

The lights were faint and the shadows were beautiful.

Ning Qing's chest was filled with anger, and she couldn't speak for a long time.

Nian lie's expression did not change, but his eyes darkened.

"I'll take care of the domestic affairs."

She naturally understood what he meant.

Ning Qing's face turned pale. Nian lie Xuanji.

"As a father, I should also go and see him."

"....."

Ning Qing's mouth was filled with bitterness, and her eyes were dry.

Nian Yu let go of her hand. go to sleep.

When he turned around, he was subconsciously afraid that she would be sad, so he said, " don't think too much. then he stopped moving.

Ning Qing looked at his broad back, and a little mist accumulated in her eyes.

His throat was a little painful.

"....."

In the end, she didn't say anything.

She moved her body closer to him, held onto a corner of the blanket, and closed her eyes.

It was a sleepless night.

Ning Qing and Nian lie had a Cold War.

This was the first Cold War between the two of them since they were married half a year ago.

All because ning Qing thought that he was unwilling to accompany her to see the child who had passed away.

Nian lie rarely spoke as well. He didn't explain anything, allowing her to think more and more, and the more confused she became.

The two of them remained silent as they went to the airport.

He checked in his luggage while she stood by the side and waited.

On the plane, there were a few times when ning Qing wanted to talk to him, but when she looked at his cold side profile, she was so sad that she couldn't speak.

The two of them sat in a stalemate for two hours before they arrived at the capital of the United States.

As they walked out of the airport, Nian lie glanced sideways at her blushing face. He was about to say something when he saw her eyes light up and she rushed to the side of the road.

“.....”

He pursed his lips and followed her.

A man in his fifties, who was wearing a suit and tie, recognized ning Qing and bowed to her and Nian lie.

“Miss Ning, Sir, how are you? I’ve been entrusted by my master to come and welcome you. Welcome to America.”

Ning Qing smiled. thank you. Sorry for the trouble.

The Butler glanced at Nian lie. this is Wanwan.

Ning Qing was stunned, and her smile faded a little. he’s my husband, Nian lie.

Hello, Mr. Nian.

Facing the man’s respect, Nian Xi was expressionless.

The situation was a little awkward.

Ning Qing had no choice but to pull on Nian lie’s sleeve. this is someone from the Gu family. I spoke to Gu nanzhi this morning. He was stunned.

She did not continue.

The man’s expression was extremely ugly.

“You’re so thoughtful. Contact him before he arrives.”

Ning Qing’s fingers suddenly stiffened, and she slowly retracted them.

Nian lie regretted it the moment he spoke. He wanted to say something to redeem himself, but seeing her cold expression, he didn’t want to say anything.

The Butler could feel the tension between the two of them, but he did not point it out. He only bowed politely and invited them. my master has been waiting for you for a long time. Please get in the car first.

...

The car door was opened by the attendant and the two of them were invited.

Ning Qing’s face was tense. She had been hurt by his words and didn’t want to talk to him anymore.

“Alright,” he said.

She got into the car first, leaving Nian lie and his luggage behind.

The Butler was sensible. He gestured for the attendant to take the luggage and invited Nian Xiaomu once again. Mr. Nian, the weather is hot. Please get in the car.

“.....”

Nian lie's face was cold. He paused for a long time before he walked towards the car.

[Chapter 937](#)

937 Thank you for liking my wife (1:

On the way, the carriage was as quiet as ever.

The Butler looked at the two people behind him. He was obviously angry and took the initiative to find a topic to talk about.

"It's been so long, miss Ning still hasn't changed."

Ning Qing turned back from her daze. you know me? "

The Butler smiled lovingly. how can I not know you? Not to mention how famous you are in the design industry, I've seen you at my master's place many times."

Ning Qing's eyebrows twitched. what? "

my master Yingluo, who was young master Gu nanzhi in the past, has photos of you on his phone, including a single photo of you in his bedroom in the main residence.

As soon as he said this, the temperature in the entire carriage dropped.

Ning Qing knew that the cold aura came from the man beside her.

She was a little nervous. I'm afraid you're mistaken. Why would he hang my photo in the bedroom? "

The Butler turned around, his eyes still smiling.

"I'm a bit old, but I'm not blind. I can still recognize your appearance."

"....."

Ning Qing did not expect him to say such a definite thing, but he seemed to be doing it on purpose.

Beside him, Nian lie's cold gaze was fixed on the old man's face. you're not blind because of your old age, but your master is overthinking things.

He had actually hung ning Qing's photo in his bedroom?

Did he have to look at the photos and think of her from time to time?

Nian lie's blood boiled at the thought of that scene.

it's not the first day that my master has fallen for miss Ning: " the Butler said: Mr. Nian, as miss Ning's husband, you should be proud of your wife's infinite charm.

"Ha."

Nian Xi laughed coldly.

The words that came out of his mouth carried an infinite amount of danger.

“In that case, I should be thanking him for liking my wife!”

uh, hehe. the Butler didn't know how to continue.

Just as he was feeling helpless, a cold female voice came from the side.

“Nan Yue and I are good friends. We don't care about these things. He has helped me a lot in my life. I am very grateful to him.”

These words were directed at the Butler, and the rest of the words were directed at Nian lie.

as for the friendship between me and him, it's never just a friendship. He's my confidant and also my family. Our relationship is pure and doesn't need to be proven by other standards or explained to anyone.

“.....”

When Nian lie heard this, he glared at ning Qing coldly.

The Butler chuckled. miss Ning is right. My young master said the same thing. You are more important than any woman in his life.

The woman pursed her lips and her eyes were bright. he put me in such a high position. I will definitely thank him in person this time.

“You're too kind. My young master is very happy that you can come.”

The Butler nodded in satisfaction. As he turned around, he did not forget to observe Nian lie's reaction.

Reaction?

It was as if his heart had been blown up by a bomb. The blood in his body was flowing rapidly, the veins on his neck were bulging, and his fists were clenched so tightly that his palms turned white.

She was really good!

She was telling him about her extraordinary feelings for Gu nanzhi in front of him!

He had misunderstood her. He shouldn't have come this time, so as not to disturb the two of them expressing their feelings to each other!

Nian Jue was so angry that he unbuttoned two buttons in frustration and looked out of the window.

“.....”

Ning Qing looked at his tense body, and her eyes dimmed.

The car returned to its usual calm.

[Chapter 938](#)

938 The turbulent Gu family (1:

Soon, the car drove into a Manor.

After driving for about ten minutes, the car stopped.

The Butler led ning Qing and Nian lie to the living room of the main residence. the master is in the middle of an important discussion. Please take a rest here, ” he said respectfully.

“Alright,” he said.

Ning Qing sat on the sofa. The servant brought her milk, coffee, and red wine, asking for her opinion.

She said, ” milk, ” and then looked around.

Nian lie unhurriedly sat down opposite her and stared at her with a pair of dark eyes.

“No matter how I look at it, it won’t be yours.”

The sudden sentence interrupted ning Qing’s exclamation.

She looked at Nian lie, her eyes rippling. what do you mean? ”

Nian lie laughed coldly. old master Gu pushed him to take over the Gu family. Do you think there are no conditions? ”

Ning Qing frowned. Nian lie gritted his teeth as he watched her worry about Gu nanzhi.

Just as he was about to say something, a voice came from the living room.

“Someone came to our house? Who’s the guest?”

His voice was neither too loud nor too soft, but it was loud enough for everyone to hear.

Ning Qing looked over and saw a tall man slowly walking over.

They both had blonde hair and blue eyes. Gu nanzhi made people feel comfortable looking at her, but this person looked strict, mean, and serious.

The man glanced at her and Nian lie, frowning. The servant answered his question, and he nodded. He smiled faintly and walked over with a glass of red wine.

Ning Qing stood up politely, but when she saw that Nian Jin was not moving, she was momentarily unsure.

The man had already walked over with a smile on his face. are the two of you Nanyan’s guests? It’s rare that he would bring guests to his house.”

Nian lie lowered his head and took a sip of red wine, completely ignoring her.

Ning Qing secretly scolded him and nodded in greeting without being submissive or overbearing. Hello, may I know if you are Zhenzhen? ”

The man did not get angry. I’m Nan Yan’s older brother. Miss, you can call me Milecl or Gu Dongcheng.

“Hello, Mr. Gu,” ning Qing replied.

“Miss, what’s your name?”

“Ning.”

“Miss ning,”

The man mulled over the way she addressed him. He glanced at Nian lie. From the aura he exuded, he knew that he was no ordinary person.

He stopped drinking and looked at Nian lie. this is Zhenzhen.

“My husband.”

The man nodded thoughtfully.

Ning Qing didn't like this kind of scene and was a little at a loss.

At this time, a slightly sharp voice was heard.

what's this for? who are they waiting for? ”

The man saw his brother standing in the reception area. He laughed and walked over with a glass of red wine. brother, what are you doing here? ”

When he got closer, he saw two strangers and frowned. who are they? ”

His tone was rather impatient.

Gu Dongcheng raised his hand, which was holding a glass of red wine. these two are Nan Yan's friends, ” he introduced. this is miss ning, and this is her husband.

Gu xici glanced at the two of them with obvious contempt in her eyes.

“Oh, that little bastard has friends? He even knew to bring her home. What did that mean? You've attained Dao and you think you can bring anyone home?”

Ning Qing's expression turned cold. Why was this person's mouth so foul? Didn't they say that the children of great clans were very cultured? what was this?

“Xi Ci, mind your words!” Gu Dongcheng immediately chided his younger brother when he saw ning Qing's dark expression.

Gu xici rolled her eyes in an ugly manner.

“That guy is a lowly person, how can his friends be good people? Big brother, how can you treat such a lowly group of people with propriety?”

939 Take: look at your own worth (1:

“Xi Ci, don't say anymore!”

Gu Dongcheng looked at ning Qing and Nian lie apologetically. I'm sorry, this is my second brother. He's used to speaking without thinking, so his words are not pleasant to hear. However, he has no ill intentions. Please don't take offense.

“.....”

Ning Qing looked at the man who had spoken arrogantly. He looked ordinary and had no special features. His facial features were much flatter than those of a normal European. He was not outstanding.

Gu xici, Gu Dongsheng.

This Gu xici was obviously an open, eccentric, and offensive person.

As for Gu Dongsheng, it seemed that he was the elder brother and was restraining his younger brother's behavior, but in fact, he was waiting for him to finish ridiculing him before he spoke.

He was not a good person either.

It turned out that Gu nanzhi usually faced such a difficult person.

Ning Qing did not know what to feel. She did not respond or speak.

Gu xici sized up ning Qing and said in disgust, "why does this woman look so familiar, Yingluo?"

"But those who are with that little bastard aren't good people," he said.

"Xi CI!" Gu Dongsheng warned again.

"Big brother, don't speak up for her. She's very noble and doesn't even care about you."

Ning Qing clenched her fists as she listened to these harsh words.

She looked at Nian lie. He had his eyes lowered and his face was filled with an expression that kept people away.

“.....”

She didn't know when Gu xici got close to her, but she leaned her hands on the sofa and leaned towards ning Qing.

"Only this face looks okay."

Ning Qing raised her eyes, and the coldness in her eyes hurt the man.

Gu xici trembled. what's with that look? " You even have dealings with Gu nanzhi. Ha ... You really have bad eyesight."

"Otherwise, what kind of people do you think I should deal with?" ning Qing could not bear it and replied coldly.

Gu xici looked down at ning Qing with a high and mighty attitude. it doesn't matter who you're with, but not him.

“.....”

He smiled maliciously, ignoring the resistance in ning Qing's eyes. don't you know that this so-called friend of yours is a shameless illegitimate child who breaks up other people's families? "

Ning Qing's hands clenched tightly.

Nian lie was sitting opposite her, watching her every move.

Just as she was about to make a move for Gu nanzhi, his expression became even more severe.

Just then, a high-pitched male voice was heard.

"It's been so long, where are the dogs barking again?"

The few of them looked in the direction of the voice and saw Gu nanzhi coming out of the meeting room.

After a few months, the man's body had changed a lot.

His golden hair was combed back neatly, and he was dressed in the typical British Royal outfit. His charming face was still the same, and his peach-shaped eyes were still bright, but they were full of coldness at the moment.

Gu xici gritted her teeth. you little bastard, who are you calling a dog?!

Gu nanzhi took off her gloves and slowly washed her hands in the basin that the servant was holding.

"I'll talk to whoever answers."

Gu xici was furious. 'Gu nanfei! You lowly illegitimate child, how dare you speak to me like that!"

Gu Dongsheng stopped him in time.

After she wiped her hands clean, Gu nanzhi slowly walked over. Seeing the Furious Gu xici, she suddenly realized something. Oh, it's big brother and second brother. I was wondering who it was. Sorry.

This was an apology for what he had just said.

However, there was no sincerity in the apology between the lines.

Gu xici was furious. 'You're f * cking scolding me and my brother! What's the matter? you've bewitched Grandpa and made him give you the right of inheritance. Do you not know your place?"

940 The illegitimate child that can't be exposed (1:

"....."

let me tell you, Gu nanzhi. Even if you have the right of inheritance, you're still an illegitimate child that can't be seen in public!

Such harsh words did not anger Gu nanzhi.

His light blue eyes looked at the angry man and laughed instead of being angry.

"So what if he's an illegitimate child? The illegitimate child inherited the Gu family, but you didn't. Are you very angry?"

“.....”

Gu xici was so angry that her chest was heaving up and down, her nostrils were smoking, and her eyes were burning.

Gu nanzhi walked forward and smiled innocently. I wonder why you can't get the right of inheritance? ”

Gu xici's anger subsided and she had doubts.

It was clear that he was indeed very curious about this.

Gu nanzhi smiled, revealing her white teeth. The next second, she retracted her smile, her face cold.

“Because you're not worthy.”

“.....”

He said in a carefree manner, ” I can inherit the Gu family as an illegitimate child, but you can't. This means that you're not even as good as me, an illegitimate child.

Gu xici was finally so angry that she was about to explode. She shouted angrily and was about to pounce on him.

“You little bastard! I'm going to kill you!”

For some reason, Gu Dongsheng's grip loosened.

Gu xici went straight to Gu Nanyan.

Ning Qing was nervous. She stood up suddenly. Gu nanzhi!

The man wasn't afraid at all. Just as Gu xici's fist was about to hit the side of his face, his lips twitched coldly and he lifted his leg to kick her.

In the blink of an eye, Gu xici had already flown out and was wailing on the ground.

Gu Dongsheng's expression also turned ugly. He hurriedly went to help Gu xici up. Nan Yan, xici is your elder brother. How could you hit him? ”

“I didn't do anything.” Gu nanzhi was very innocent. She stretched out her foot to show him. I moved my foot.

Gu Dongsheng's face darkened. He was obviously not happy with his explanation.

Gu nanzhi tidied her clothes. brother, it's not that I want to beat him up. He just kept calling me an illegitimate child. What does that mean? He doesn't see me as a little brother.”

“.....”

besides, the old man clearly said that no one is allowed to say that I'm an illegitimate child. He made a mistake and should be taught a lesson. I can't let him climb over my head again and think that I'm easy to bully.

“No matter what, you shouldn’t have laid your hands on Xi Ci.” Gu Dongcheng didn’t know what to say and could only put on a straight face.

some people like to overestimate their abilities. They know they can’t win, but they still want to fight. Aren’t they just asking for trouble? don’t you think so, big brother? ”

“.....”

Gu Dongsheng gritted his teeth and remained silent after hearing his hidden meaning.

Gu nanzhi snorted and looked at ning Qing.

“Let’s go. How much longer do we have to watch the show?”

Ning Qing returned to her senses and looked at Nian lie.

The other party was still expressionless. He got up first and followed her out.

She was also at the back.

When she passed by Gu xici and Gu Dongsheng, Gu nanzhi deliberately stopped and arrogantly spat out two words, ”

“Trash.”

Gu xici was so angry that she pointed at him and stammered for a long time before she fainted.

“Call the doctor, call the doctor!”

It was a mess behind her, but Gu Nanyan didn’t even turn her head.

When they arrived at the side house, Gu nanzhi could finally relax. She laid on the sofa. As she undid her collar, she instructed the Butler. send their luggage to the guest room upstairs.

The Butler nodded.

He didn’t let the servant do it. He poured some water for himself and poured it into his mouth, looking very thirsty.

Ning Qing’s eyes were complicated.

When she had time, Gu nanzhi panted. this is my own house. Those annoying people won’t come over.

“.....”

what? ” he snorted when he saw that the two of them were not moving. do you need me to invite you to sit? ”
