

Mr Nian 941

[Chapter 941](#)

941 Gu nanzhi and Li Miao (1:

Ning Qing pursed her lips and walked over.

Nian lie followed closely behind.

The two of them sat down half a person's distance away from each other, not looking at each other.

"What's going on with your family?" ning Qing broke the silence.

Gu nanzhi crossed her legs and was not serious. it's what you see.

"Your grandfather, Yingluo"

I'm sick. Those two annoying people are so energetic, but the old man gave me the right of inheritance.

He explained his recent situation.

"Are you alright?" ning Qing asked out of concern as she looked at the man who seemed to be at ease.

Gu nanzhi paused and spread her hands. do you think I'm not good enough? "

"....."

we eat and drink well every day. Other than some people who don't know what's good for them, there's nothing special about it. Other than that, we just have to face those documents and make decisions every day. It's annoying.

His nonchalant tone made ning Qing at a loss for words.

Gu nanzhi held the crystal glass and shook it slightly. The water inside shook.

He glanced at the two of them, who had not spoken to each other from the beginning to the end, and his eyebrows twitched. tell me, what are you here for this time? "

I'm just settling my contract with HE, " ning Qing said honestly. I'm also visiting the child.

Gu nanzhi had already thought of the contract when she contacted her.

As for the child, Yingluo

He furrowed his brows. what child? "

Ning Qing pursed her lips. the child from three years ago. Ran ran, I brought him with me when I came to America.

Gu nanzhi was confused for a moment before she understood what she was talking about.

I'll get someone to look for he headquarters for you, " he said after a moment.

"....."

“What kind of result do you want?”

What was the result?

I don't have any requests, ” ning Qing said. I just want to terminate the contract.

The focus of her life was in the country, so she couldn't keep using HE's name.

Gu Nanxi put away her foppish attitude and said seriously, ” the company's director knew about your hand's accident previously. The time stated in the contract isn't up yet. If you want to terminate the contract, Yingluo will have to pay certain conditions.

Ning Qing was anxious. it doesn't matter. As long as it can be solved properly, I'm fine with it!

Even if she had to pay a sky-high penalty, she would not hesitate!

Gu nanzhi looked at Nian lie silently again and shifted her crossed legs. you don't have to think too badly about your hand. They probably don't want you to stay either. They probably want to take advantage of this opportunity to make a profit.

“.....”

“As for the specific terms, we'll talk about it when we have time.”

“Thank you, Nan Yan: : ning Qing nodded and said sincerely.

The man snorted and did not reply.

The huge living room fell silent.

The atmosphere was a little subtle and indescribable.

Gu nanzhi was wondering what had happened between the two of them. Why didn't they say a word?

Even when he mentioned that she was going to be embarrassed, Nian lie didn't react at all. What did she mean by that?

While he was deep in thought, he heard light footsteps.

“Big brother Rong! Where's brother Yi?”

Gu nanzhi frowned. Ning Qing was stunned and looked in the direction of the voice.

The woman was wearing a pink puffy dress, and her curly hair was tied behind her head. Her steps were light as she looked around for her target.

It was Li Miao who he had not seen for a long time.

When he saw Gu nanzhi, he pounced on her without a second word. brother Zheng!

She pounced on Gu nanzhi. Surprisingly, Gu nanzhi didn't push her away immediately. She only frowned and chided her. why are you so reckless? I'm not dead.

[Chapter 942](#)

942 Are you guys really married?

“Pfft, pfft.” Li Miao grabbed his collar and pouted her pink lips angrily, “I heard that your two brothers made things difficult for you again?” Miao ‘er will teach them a lesson on your behalf!”

Gu nanzhi held the cup in one hand and held it a little far away, as if to avoid her approach, but also as if she was afraid that the water would get on the woman.

He was neither cold nor warm, nor did he reject her. do you think I’m someone who will be at a disadvantage? ”

Li Miao chuckled, “ of course not! But I won’t allow them to bully you.”

“.....”

After she finished speaking, the woman felt that something was wrong.

She turned around and saw Nian lie, who was exuding a cold aura. Then, she saw ning Qing’s face and her smile froze.

“What are you doing here?”

Her extreme reaction made Gu nanzhi frown.

Ning Qing looked at the interaction between the two of them and was a little surprised and confused. my ran ran.

Nian lie’s dark eyes were deep as he spoke first, “ what does my wife’s presence have to do with you? ”

Ning Qing was stunned. This was the first time he had spoken up for her today.

Li Miao was afraid of Nian lie before and now she was afraid too.

She shrunk her neck and blinked, her eyes darting back and forth between the two of them. are you two really married? ”

Nian lie disdained to answer her question.

Ning Qing sat up straight and looked into her eyes. yes, we’re married.

Li Miao’s little brain was not twisted and when she heard that her crisis was resolved, she instantly smiled.

“It’s good to get married! It’s good that you’re getting married. I’m so happy that the lovers are finally together!”

She turned around and twisted Gu nanzhi’s arm. brother Rong, ” she said coquettishly, ” Miao ‘er is so envious.

Gu nanzhi lowered her gaze and looked at her twinkling eyes. They were full of hints, but she did not say anything.

Li Miao was even more straightforward, “then when are we getting married? Miao ‘er really wants to marry you!” I want to hold a grand wedding and then marry you!”

Ning Qing thought that with Gu Nanyan's personality, she would have said, "I won't marry you, give up. However, the man's expression was indifferent, as if he was not in the mood to entangle himself with her. He threw out a few ambiguous words. soon.

"Waa! You're not allowed to lie to me!"

"Yes."

Ning Qing was confused.

What had happened to him in the past few months?

"....."

She stared at the two of them in a daze, and Nian lie saw that.

The ruthlessness that had been appeased for a long time emerged from the depths of his heart, tugging at the strings in his body.

He was afraid that he couldn't control himself, so he turned his head away from the woman beside him, but his hand subconsciously rubbed his forehead to ease the sadness.

Ning Qing did not notice him, but it did not mean that others did not.

Someone walked forward and whispered something into Gu nanzhi's ear.

Gu nanzhi looked at ning Qing and Nian lie. go upstairs and rest for a while. I still have something to deal with.

With that, he stood up.

"Where are you going? I want to go too." Li Miao was still hanging on him and said with a smile.

Gu nanzhi replied, 'you won't like it when I handle work.'

"Then I want to go too. I want to accompany you."

Gu nanzhi did not object. She lowered her head and looked at her feet. go and change into a pair of shoes.

"Alright!" Li Miao replied sweetly.

Then, he ran upstairs happily.

Then, Gu nanzhi looked down at ning Qing and her voice softened.

let the servants take you to rest. I'll be back later. Do you want to go to the company or the cemetery tomorrow? "

Ning Qing's hands tightened slightly. let's go to the cemetery first.

Gu nanzhi nodded and tidied up her clothes. I'll get the Butler to arrange for someone to send you there.

[Chapter 943](#)

943 Sleeping in separate rooms (1:

The meaning of these words was already very clear.

Naturally, he would not send her there personally, nor would he accompany her.

He was about to leave, and ning Qing blurted out without thinking, "you and Li Miao have an affair."

The moment he asked this, the people around him felt a chill.

Ning Qing's limbs were a little stiff.

Gu nanzhi saw that the two of them were secretly getting intimate, but she said, "it's just like what you saw."

What was it?

Ning Qing was a little confused, but Gu nanzhi had already left.

"....."

At this moment, the Butler walked over and said, " my two distinguished guests, the guest rooms are ready. Please follow me.

"Alright," he said.

Nian lie got up first, not even looking at her.

Ning Qing looked at his back and followed him silently.

When they arrived at the two rooms that had been prepared, the Butler smiled politely. the two of you, according to the Gu family's tradition, outsiders need to live separately to avoid clashing with the evil spirit. I hope the two of you can cooperate.

Ning Qing was a little confused.

The Butler added, " it's a superstition, but everyone in the Gu family believes in it. If miss Ning and Mr. Nian mind, it's not like we can't change it.

"No need,"

Before ning Qing could say anything, Nian lie spoke.

"Since it's a rule, then we'll follow it," he coldly said.

With that, he walked to another door.

The Butler bowed slightly and said, " thank you for your understanding, Mr. Nian.

He looked at ning Qing. Her face was dark, and her gaze followed Nian lie. After the door closed, the light in her eyes had also faded.

Realizing that someone was looking at her, ning Qing forced a smile. thank you. Sorry for the trouble.

“It’s what I should do. Please rest well.”

Ning Qing nodded and walked into the room.

Looking at the elegant and luxurious decoration of the room, ning Qing was not happy at all. Instead, she felt a little cold.

She walked to the window and pulled open the curtains.

Downstairs, the man stood tall and straight while the woman held his arm as if they were very intimate.

Ning Qing squinted slightly and saw the innocent smile on Li Miao’s face. Gu nanzhi didn’t have much of an expression, but the corners of her lips were also slightly curved.

It turned out that everyone was getting better and better without her knowing.

But how did she become like this?

A honeymoon trip ended in silence?

Ning Qing couldn’t read Nian lie’s mind, and she was also tired.

When the car drove off, she did not look at it anymore. She closed the curtains, threw herself onto the bed, and closed her eyes tiredly.

“.....”

Next door, a figure was leaning against the closed curtains.

The man’s dark eyes were deep, cold, and filled with countless emotions.

Hearing the faint sound from next door, Nian Yu put out the cigarette in his hand, the gloominess in his eyes lingering for a long time.

*

At night, Gu nanzhi really did not come back.

Under the Butler’s guidance, ning Qing and Nian lie had dinner.

At the dining table, ning Qing could not stand the suffocation. No matter how delicious the food was, it tasted like wax when it entered her mouth.

She had no choice but to try her best to ignore the pain in her heart and start the conversation.

She asked the housekeeper about the Gu family’s origin, origins, and how old master Gu had helped the Gu family through difficult times. She also heard about how Gu nanzhi’s dissolute father had insulted the old man, ignored the teachings of the old man, and spent all his time drinking and playing outside. In the end, he had been removed from the Gu family.

Ning Qing couldn’t help but sigh. The trifles in a big family would only be magnified infinitely. If she wanted to survive in such an environment, she had to do everything perfectly and not let anyone find any evidence. Otherwise, she had to compete with who had more means and was more ruthless.

The Butler also opened his mouth and talked about how difficult it had been for Gu nanzhi these past few months.

what's going on between him and Li Miao? " ning Tingting suddenly asked while holding the fork and knife.

[Chapter 944](#)

944 Mutual probing (1:

After she said this, she felt the gaze of the person opposite her fall on her.

But it was not gentle.

Instead, it was cold.

"....."

Her concern for Gu nanzhi was not out of any other groundless feelings. There was no need to feel guilty.

"I see that he's getting along quite well with Miss Li Miao now. Compared to before, he seems to be a lot more patient." Ning Qing said as naturally as she could.

The Butler hesitated for a moment but continued to smile. yes, young master Nan Zhi's relationship with Miss Li Miao is indeed not bad.

"....."

"Young master went to the capital before and after he came back, his entire person changed a lot. After he accepted the inheritance, he promised the old master that he would treat Miss Li Miao and her family well. The two of them were also engaged in front of the elders on both sides."

Ning Qing was shocked. engaged? "

His cold eyes shot over.

Ning Qing looked over, but Nian lie was expressionless. He was eating his steak in an orderly manner and did not look at her.

She didn't care about him and anxiously said,"if I didn't remember wrongly, didn't he break off his engagement with Li Miao?"

"Yes, it's been removed."

"....."

but this time, it was young master who took the initiative to suggest it. He also said that he will be responsible for Miss Li Miao and treat her sincerely.

Ning Qing was stunned. Why?

"If there are no accidents, young master and Miss Li Miao will hold their wedding in the second half of the year. Miss Ning must come to watch the ceremony."

Ning Qing forced a smile and did not say anything else.

Her heart was filled with doubts. She wished that Gu nanzhi would appear in front of her immediately so that she would know the reason behind the incident.

He couldn't possibly have agreed to the Gu family's grandfather's request in a fit of anger because Qianqian had remarried Nian lie and her.

It couldn't be said that ning Qing was overthinking things, but with Gu Nanzheng's personality, it was very likely that she would do such a thing.

But ning Qing didn't want him to do that.

Marriage is a lifetime thing.

It was equally important to both men and women.

Moreover, Li Miao had always had feelings for Gu nanzhi. If Gu nanzhi didn't love her, it wouldn't be any better after they got married.

She was a little flustered. Nian lie noticed her absent-mindedness and lost the mood to eat.

She put down the knife and fork and took away the napkin on her lap, looking like she couldn't bear it.

The Butler stepped forward and asked, " Mr. Nian, are you done eating? "

Nian lie grunted in acknowledgment, stood up, and left without looking back.

"....."

At the dining table, ning Qing completely lost her appetite in the face of the exquisite and delicious food.

She ate a little perfunctorily and could no longer force herself. She thanked the Butler and went upstairs.

Standing at the door of her room, ning Qing looked at the door next door.

It was quiet inside, not a single sound could be heard.

He didn't know what she was thinking. She carefully moved to the door and put her ear to it.

There was no sound.

Or was the soundproofing too good?

As she pondered, the door suddenly opened from the inside.

She was shocked, and her body fell forward uncontrollably, straight into the man's chest.

Nian lie's dark eyes flickered, and he subconsciously raised his hand to support her.

But the next second, the woman backed away. I'm sorry, I'm sorry.

Nian lie placed his empty hands behind his back, his face turning cold. what are you doing? "

Ning Qing was very embarrassed. Her neck and ears were red. She pretended to be calm and said, " I wanted to see if you were asleep. We're going to the cemetery tomorrow morning. Don't be unable to get up.

[Chapter 945](#)

945 Wife-chasing crematorium (1:

"....."

Nian lie looked at her with a disdainful gaze, not showing any intention of speaking.

Ning Qing wanted to slap herself in the face. What kind of lame reason was this?

A silent silence spread out, forming an invisible barrier between the two.

"My memory has always been good. You don't need to remind me," the man said coldly.

A bucket of cold water was poured on her boiling heart.

Ning Qing's uneasiness disappeared, and her expression was a little stiff. Hello, ran ran.

"....."

She clenched her fists and did not look at him.

it's been a long day and I'm tired. You should go to bed early. I'm going back to my room. Good night.

She walked to her door and pushed it open.

"Pa da."

The lock was locked, separating the two.

Nian lie's cold eyes were fixed on the door. He clenched his jaw tightly, and his side profile was exaggeratedly cold.

In the end, he returned to his room in anger and slammed the door shut.

"....."

Ning Qing leaned against the door and smiled bitterly when she heard the noise from the next room.

She had already lowered her head to look for him. As smart as Nian lie was, how could he not know that she was trying to get along with him in a roundabout way?

But he was still so cold and disdainful of her showing weakness.

What did he want from her?

Ning Qing did not know that the numbness in her heart was gradually spreading.

It was destined to be a sleepless night.

The next morning.

It drizzled lightly in the night and didn't stop until dawn.

The entire Manor of the Gu family was shrouded in a thin layer of mist, as if it was a Fairyland.

Ning Qing took out a small black dress from her luggage. White flowers were embroidered on the chest. It was elegant and plain, very suitable for going to the cemetery.

She sat in front of the mirror and looked at her own listless self, feeling a little sad.

She took out the cosmetics that she had not used for a long time and put on some light and elegant makeup to cover up her fatigue before leaving the room.

Coincidentally, the door next door opened as well.

Nian lie and she stepped out of the room at the same time. Hearing the noise, the two of them looked at each other.

“.....”

“.....”

He was speechless.

It wasn't hard for Nian lie to tell that she had put on makeup. Thinking of her actions last night, he pursed his thin lips slightly, as if he wanted to say something.

Unexpectedly, ning Qing turned around and walked towards the stairs, as if she was deliberately avoiding the opportunity to speak to him.

Nian Yu frowned and didn't say anything. He thought she was just angry at him for showing weakness last night.

He was angry.

He was angry that she was so sure that he was unwilling to come to America to see the child. He was also angry that she took the initiative to contact GU nanzhi and cared so much about that man in front of him. She was even so concerned about whether he was married or not.

He had been suppressing his anger and did not want to be angry at her, in case she said that he was petty. He avoided her several times to digest his anger alone.

But last night, he had seen her approach through the crack of the door. After opening the door, he couldn't help but say something cold to her.

Seeing her hurt expression, his heart ached and he was angry, so he didn't say any words of comfort.

Forget it.

Facing her, he was wrong no matter what he did.

She had already suffered for a day and a night, and he could not go any further.

Nian lie couldn't hide his guilt at the thought of this and made up his mind to coax ning Qing.

"....."

The breakfast was unusually peaceful. Nian lie was looking for an opportunity to speak, but ning Qing did not even look at him the entire time.

it's getting late. Let's go, " she finally turned around and said to him when they were about to leave for the cemetery.

Nian Jin's eyes brightened, and his steps became hurried and attentive. He came to her side and held her hand. ah ning, Hello.

Ning Qing frowned slightly. the rain is a little heavy. You'd better leave me alone.

Nian lie froze, and the little hand in his palm slipped away.

She watched as the people holding the umbrella for her gradually went further and further away.

...

"Mr. Nian, it's time to go." Nian lie only retracted his complicated gaze when the person beside him reminded him.

He reached out and took the umbrella handle from someone else's hand. He opened it himself and quickly ran in her direction.

[Chapter 946](#)

946 You're my wife, if I don't care about you, who should I care about?

After getting into the car, Nian lie was also thinking about how to start the conversation.

Ning Qing looked straight ahead, as if he didn't exist.

"....."

On the way, something suddenly appeared in front of the car, and the brakes were slammed.

Ning Qing lost control and fell forward.

An arm stretched out and blocked her.

Ning Qing also stabilized her body and pressed one hand on the back of the front seat. what's wrong? "

The driver was very sorry. I'm sorry. A puppy suddenly appeared in front and I didn't notice it.

Ning Qing pursed her lips. it's alright. It's raining. Be careful.

"Yes."

She leaned back quietly and steadied herself, pretending that the hand that was protecting her didn't exist.

"....."

Nian lie endured the spasms in his arm and slowly retracted it.

During the process, ning Qing got out of the car once, and when she returned, she was holding a bouquet of daisies in her hand.

Nian lie knew who she was giving it to, and his eyes darkened.

When they arrived at the cemetery, Nian lie got out of the car first and walked to ning Qing's car door with an umbrella.

Ning Qing did not get out of the car immediately when she saw him.

He knew this time that she was avoiding him.

The man's expression seemed to be even colder than the weather.

Ning Qing thought about the child and didn't want to argue with him, so she got out of the car.

"You don't have to worry about me," she said to him.

Nian lie's fire rose, but he endured it.

you're my wife. I don't care about you, I don't care about you.

Ning Qing did not want to argue with him, so she turned around and lowered her head. After exchanging a few words with the driver, she walked away with the bouquet.

Nian lie followed suit and placed the umbrella over her head.

The cemetery was very quiet. It was located halfway up the mountain and could not be driven up by car. One had to walk up by themselves.

The rain stopped and the cold wind blew, blowing the rain and blowing people's hearts.

The man was very close, so close that his clear breath kept entering her nose.

Ning Qing's eyes ached at the thought of the past two days.

She held back and held the bouquet tightly in one hand. you don't have to hold an umbrella for me," she said to him. the rain isn't heavy.

She did not want him to get close to her.

That would make her sad.

Nian lie's face did not move at all, and he looked very indifferent.

She walked to the side, trying to stay away from him.

Nian lie suddenly grabbed her arm and exerted a little force.

Ning Qing turned around. Her eyes were like the weather, a little moist.

Perhaps it was because of the cemetery's environment, but the air above and around them was filled with the sadness and coldness of death.

She bit her lip. let go of Yingluo.

Nian lie squeezed her arm tightly. are you really going to throw a tantrum with me here? ”

Ning Qing looked up at him, her eyes slightly red.

So, in his eyes, she was the one being unreasonable and throwing a tantrum!

Her heart sank to the bottom of the water, and she was so suffocated that she could not breathe smoothly.

“.....”

Looking at the woman’s pale face, Nian Ying pursed his thin lips. America is a very humid place. You’ve just recovered. You can’t get wet or catch a cold.

“.....”

“What if something happens? how am I going to explain this to my parents when I go back?”

Ning Qing looked at this face, bitterness overflowing from the corners of her mouth.

Forget it.

She was here to see the child, why was she fighting with him?

“For the sake of the child, don’t reject me,” Nian lie continued, seeing that she had taken a step back.

“.....”

She didn’t say anything, but she didn’t walk away.

The two of them walked side by side. After a few steps, his hand holding the umbrella went around her back and held it above her shoulder.

...

Not a single drop of rain could enter her world.

However, Yingluo

Being half-hugged by him, ning Qing looked at his other shoulder and silently lowered her head.

[Chapter 947](#)

947 Mom is here to see you (1:

After walking for about five minutes, the two of them arrived at a place full of tombstones.

Ning Qing had not been here for a long time, but her memory was still clear. She walked straight to the rows of tombstones and found her destination accurately.

At that moment, Nian lie’s heart sank as well. A slight, dull pain struck his body and soul.

“.....”

Ning Qing left his protection, walked forward, and placed the bouquet on the tombstone.

The rain fell on her head, but she didn't care. She reached out and touched the nameless tombstone gently, as if she was touching a child's face. A sad and sorrowful smile appeared on her face.

"Baby, mommy's here to see you."

"....."

There was no name on the tombstone, only a few words on the bottom right side-'always love your mother.'

Those few words were like the sharpest sword, easily piercing through Nian lie's chest. He was in unbearable pain.

Ning Qing was not in the mood to care about him. She only stroked the tombstone gently, like the best mother in the world.

"Mom hasn't come for a long time. Is baby angry? Don't be angry, mom told you that I have something very important to do, and I won't be back for a long time."

As she spoke, she choked on her tears and forced herself to smile.

"But you came back earlier than I expected. In fact, I missed you a lot."

She spoke to the gravestone as if there was no one else around.

If an ordinary person were to pass by, they might think that she was a lunatic who was actually talking big to a dead person!

However, in Nian lie's eyes, it was so painful that his head was turned upside down, and his vision was turning black.

This child ...

"I know, you miss Mom too, don't you? I know that you're the most obedient baby in the world. You've always been very obedient when you were in my stomach and never made trouble for me."

"....."

When Nian lie heard these words, he felt as if ten thousand arrows had pierced through his heart.

His eyes were red, and the umbrella above ning Qing's head kept shaking. ning Qing, sigh.

Raindrops fell from the black umbrella and onto the woman's fair neck.

Ning Qing's skin was shivering from the cold, but she didn't notice. Tears flowed out of her eyes, and her heart ached.

Fortunately, his voice still woke her up.

Ning Qing wiped her tears, still smiling.

“Baby, you saw the person behind mommy, right? I should tell you that Yingluo is your father, your father.”

“.....”

Nian lie’s lips trembled and turned green. He wanted to say something, but he couldn’t.

Ning Qing clenched her fists and forced a smile.

don’t be angry. Your father isn’t good with words. You know that although Hanhan hasn’t come to see you in a long time, he still has you in his heart.

“.....”

mommy also wants to tell you that mommy and daddy are back together again, Hanhan. Daddy didn’t treat mommy well in the past because he had his own difficulties. Mommy didn’t communicate with him either, so she made a mistake and made you disappear just like that, Hanhan.

She gradually tightened her hand and finally pressed it on the cold tombstone.

Her heart ached so much that she couldn’t breathe, and she was already sobbing.

No matter how much time had passed, ning Qing could not look at the past and this child directly.

She would never be able to forgive herself and Nian lie for causing this child to suffer unprecedented harm because of their mistake.

Clearly, he could have survived.

If nothing had happened back then, he would have been three years old.

“.....”

In the cold rain, the woman couldn’t hold on any longer and knelt on the ground.

Her body convulsed and twitched non-stop.

Nian lie reached out his other hand to help her up. ning Qing, don’t be like this. The child wouldn’t want you to be like this.

However, just as his fingertips touched the corner of his clothes, he was ruthlessly flung away.

[Chapter 948](#)

948 Nian lie’s suffering (1:

“You’re not qualified to say such things!”

With the woman’s roar, a bolt of lightning struck down from the sky.

It was deafening.

Nian Xi looked into her eyes. The bone-chilling hatred entangled him, as if it was going to devour him.

She still hated him because of the child.

Nian lie suddenly lost his strength and fell back two steps, the umbrella in his hand falling to the side.

Ning Qing's breathing became uneven. She retracted her resentful gaze and returned to the gravestone as warm as ever.

: 'm sorry, baby, " she said: mommy isn't fighting with daddy. It's just that Yingluo's mommy is very angry when she thinks about how it was me and Daddy who hurt you.

"....."

There was no light in ning Qing's eyes. They were so dim that it hurt.

"But don't worry about me, and don't blame me, okay? Mommy loves you very much. I love you very much."

The Thunder rumbled from time to time, accompanied by the low sobs of a woman.

Nian lie's entire body was ice cold. He couldn't feel any warmth at all, and his vision was blurry.

Ning Qing shivered from the cold and used the last bit of her rationality to control herself.

She said, " baby, mommy is doing very well now. Daddy is also very good to mommy. Grandpa and Grandma are living very well. Everything is going well. Yingluo just doesn't have you.

"....."

thank you for coming. I love you and will always remember you.

The faint sound of the wind was a response.

"Stay here and be good. Mommy will come back to see you."

After a long time, ning Qing finished her sentence and stood up unsteadily.

Nian lie didn't reach out to help her up again, and she didn't look at him either. Her face was as pale as a ghost's, without a trace of blood.

"....."

She staggered and staggered out.

Until it disappeared.

The man's figure stood for a long time in the gloomy Cemetery.

The sound of the rain gradually grew louder, and when it hit people, it was like a knife cutting them.

After a while, the man bent his back and squatted down in slow motion.

Low and sad.

He did not have the decisiveness and shrewdness that he had in the past.

Nian lie's voice was hoarse to the extreme. His pale and distinct fingers reached for the tombstone.

“I’m sorry, daddy ran ran is late.”

Finally, it did not fall.

The Lonely Mountain was hidden under the hazy sky.

The dead soul lived in the human heart.

“.....”

With a numb face, ning Qing opened the car door and sat inside.

The driver looked at her pale face and wet clothes. miss Ning, what are you doing? ”

Ning Qing’s voice was too cold. drive.

“But your husband ...”

“I said drive.”

Her voice was calm, but it was extremely terrifying.

The chauffeur did not dare to disobey and drove back to the Gu residence.

Ning Qing leaned against the car door. She was in a daze, and her body was cold.

She didn’t know how she got back.

She fainted the moment she returned to the Gu Manor.

The Butler called for a group of servants and hurriedly brought ning Qing into the bedroom.

Seeing that Nian lie had not returned with them, the Butler had no choice but to call Gu nanzhi.

After hearing the news, Gu nanzhi finally couldn’t hold it in anymore and rushed back.

Looking at the pale woman on the bed, he frowned in worry and even lost his temper.

“Didn’t you go to the cemetery? how did you end up like this?”

The Butler expressed that he did not understand and called the chauffeur over. After some questioning, Gu nanzhi had an idea.

After the doctor came to check, he said that the woman had been agitated and caught a cold, which was why she had fainted.

Gu nanzhi got someone to keep a close eye on him and also sent someone to look for Nian lie.

...

Not long after, Nian lie returned, drenched.

“If you can’t take good care of her, then don’t chase her. Let her be with you!” He shouted angrily. Are you satisfied now that you’ve made her half dead?”

949 : won't be soft-hearted to you

The Butler and the others had never seen him so angry before. They all stepped back and didn't dare to go forward to persuade him.

Nian lie didn't make a sound after being punched. His dejection and sorrow affected everyone present.

“.....”

Gu nanzhi's chest heaved up and down. She looked at the lifeless man and clenched her fists so tightly that they made creaking sounds.

He rushed forward, and the Butler thought he was going to hit him again, so he reached out to stop him.

However, Gu nanzhi simply grabbed Nian lie's collar and forced him to the corner.

“Since you're already together, why are you acting like this? No matter what she did or what attitude she had towards you, shouldn't you be so thick-skinned and pester her to forgive you like you did in the past?”

Why was this man still like this?

Gu nanzhi's heart was burning with anger. She gritted her teeth. don't act like this. I'm not her. I won't be soft-hearted towards you!

He flung him away with all his might. Nian lie's body swayed and he almost fell to the ground.

Anyone with eyes could see that he had also suffered an inhuman blow.

For some reason, Gu nanzhi's resentment lessened when she saw Nian lie in this state.

“Nian lie, if you can't take good care of her, I don't mind snatching her away and taking care of her myself!” He said hatefully.

These words shocked everyone so much that they could not close their mouths.

However, he didn't care about these people's gazes and turned around to go upstairs in anger.

“.....”

Nian Xi leaned against the wall, panting heavily. There was no light in her eyes, as if someone had broken her back. She was so dispirited that it made one's heart ache.

As a bystander, the Butler couldn't mistreat Nian lie, as he was their guest.

Thus, he took a step forward and was about to speak.

Suddenly, a surprised voice came from the side.

“Miss Li Qianqian!”

The Butler bowed slightly and turned around when he heard the voice.

A small figure stood at the door.

Even though she tried her best to hold it in, her eyes still turned red.

The Butler was also somewhat helpless, "Miss Li Miao, why are you here?" Was she here to look for young master? Young master is upstairs."

Li Miao clenched her fists and her lovely face flashed with sadness.

She didn't answer. Instead, she glared at Nian lie, who was in the corner, before turning and running away.

"Hurry up and chase! Chase! Don't let miss get wet in the rain!"

Someone chased after him.

There was another flurry of movement.

The person in the corner was forgotten, and no one cared about him.

*

Gu nanzhi went to ning Qing's room.

She had not woken up yet. Her brows were tightly furrowed, and her dry lips were overflowing with murmurs.

Gu nanzhi looked at her for a long time. There was an IV drip on the back of her hand. Her fingers were slender and clean. Most importantly, she wore a bright ring on her ring finger.

"You really know how to torture yourself."

He smiled at her with a self-deprecating tone.

He thought that she would have a good life after he let go.

He also thought that by leaving her side, he could shut himself in and lie to himself. However, it was only when she was in front of him that he knew that everything he had done was just self-deception.

Gu nanzhi couldn't help but complain, 'you came to me on purpose, right? you want me to see how happy you are? Did you make a mistake? how can the Yingluo I saw be your misfortune?"

The surroundings were quiet, and the woman could not answer.

Gu nanzhi sat there for a long time before she took some water and cotton swabs from the side and dabbed them on her lips.

"Ning Qing, you're really a little selfish."

you didn't even tell me when you made up with him. I only found out about your re-marriage from the news.

He laughed bitterly and reproached, but there was no reproaching in his words.

"When you need me, you allow me to be good to you. When you don't need me, you push me far away."

950 Taking out your anger on your body, isn't that childish?: 1:

He looked at her meaningfully, a familiar smile on his lips.

but if you don't want me, you should live a good life and live happily. If I see you living like this, are you deliberately making me feel uneasy? "

He mumbled to himself. It was unknown if he was really resentful or just wanted to talk.

Gu nanzhi straightened her hand and said earnestly, " get well quickly. There's no use trying to escape. You're not someone who likes to escape.

"....."

He stood up and was about to leave when the woman responded in an extremely low voice.

"You're so noisy."

Gu Nanxi was stunned. She turned around and saw that the woman had already opened her eyes with difficulty.

He could not hide his joy. you're awake? Where are you feeling uncomfortable? Are you dizzy? Does your throat hurt? Forget it, I'll get the doctor to take a look."

"Wait, Yingluo." Ning Qing reached out to stop him from coughing.

Gu nanzhi turned back and sat on the edge of the bed. why are you so anxious? don't you know that you're sick? " she chided. You really can't let me rest easy."

Ning Qing wanted to sit up, but he held her hand and carefully put a pillow behind her back.

She looked at him with a calm gaze. there's no need to call the doctor. I'm fine.

"Really?"

She nodded.

Gu nanzhi observed him for a while. Other than his pale complexion, he still seemed to be in good spirits.

He hesitated and sat back on the chair at the side. He crossed his legs and looked at her quietly.

Ning Qing knew that he was waiting for her explanation, but she did not want to mention what had happened these past few days. After all, it was not something to be happy about.

Her throat hurt a little. you're not angry with me anymore? "

Gu nanzhi's gaze froze and she did not say anything.

I know: " ning Qing said weakly: you returned to America because you were angry with me. You ignored me.

"What's the point of me paying attention to you?"

The words that came out of the man's mouth were not friendly, and were mixed with sarcasm and jealousy that could not be ignored.

you've already made up with someone and your life is happy. Why do you care if I'm angry or not? "

Ning Qing knew that he was angry at her for getting married to Nian lie. She felt a little helpless.

Nan Yan, our relationship is different. I've always said that you're very important to me. Without you, I wouldn't be where I am today. You've given me too much, and I can repay you very much. I can give my heart to you and I'm willing to do anything for you. I can even exchange my life for yours. But, Qianqian, Qianqian ...

"But it has nothing to do with love, right?"

Gu nanzhi finished her sentence. Her tone was calm, as if nothing could stir up his emotions after he had seen through everything.

Ning Qing shook her head, her sickly face serious and solemn.

"It's not unrelated, Nan Yan. I don't know how to explain love. It can make people happy but it can also make people feel pain. You're different. To me, it's not as simple as love."

He was too pure.

He was purely good to her.

He would give up everything for her.

She had suffered enough in love, but he had never given her anything.

He was more important than the so-called love.

"....."

For ning Qing's sake, the light in the room was dimmed, a light color that could make people fall asleep.

Gu nanzhi rubbed her temples, her heart in turmoil.

He was silent for a long time, so long that ning Qing was flustered. Gu Nan, stop.

"What's going on today?" the man suddenly asked.

Ning Qing's eyes trembled slightly, and her pale lips moved a few times. nothing much.

Sensing his unfriendly gaze, she explained, " it's just because I went to see that child. My Wanwan's emotions fluctuated a little too much. In addition, I had an argument with him two days ago. So, I couldn't control myself.

Gu nanzhi was speechless. She was so angry that her face tensed up. do you think you're a three-year-old child? Using your own body to vent your anger, isn't that childish?"
