[Chapter 971](#)

971 Nian lie, do you like children?

He pulled the woman over and made her fall on his chest. He looked at her with his narrow eyes. you're interested in that man? "

Something flashed in Lou qingyue's eyes. She slapped his hand away angrily. ha, I'm interested in many men. What do you think? "

The man's face darkened at her ambiguous answer.

Lou qingyue suppressed her anger. Forget it. She still needed him. She couldn't offend him too much.

She changed her expression and leaned against his chest. we were just putting on an act. Besides, he has already rejected me. I, Lou qingyue, will not look for him a second time.

Lou Chi was expressionless. She smiled and said, " they bullied me like this. Don't you feel bad for me? "

The man was silent for a long time and hugged her with his unbroken hand. my heart hurts. Why wouldn't I? " I'm the only one who loves you."

Lou qingyue wrapped her arms around his neck. since you feel heartache, then help me take revenge.

"....."

The woman's eyes were vicious. this time, ah Chi, you can do whatever you want. You can do whatever you want, as long as you kill her.

The man understood and smiled coldly, planting a kiss on her red lips.

"Then I'll satisfy you."

After saying that, regardless of the occasion and the driver in front of him, he unzipped the zipper and pressed the woman down.

"....."

Disgust flashed across Lou qingyue's face. However, she remembered that he had promised her, so she could only let him suffer for the last time.

The charming scenery bloomed in this small space.

Conspiracy and death were triggered at the first touch.

*

In the hospital, Nian lie's footsteps were hurried. He was on the phone as he searched for someone.

Sir, Madam is in the ward. You should go and take a look yourself.

Nian lie's heart sank when he heard the servant's tone.

He walked to the front of the ward. He was very nervous, but he had to sort out his mood and push the door open.

“.....”

Ning Qing stood by the window, her body thin and slender, as if a gust of wind could blow her away.

Nian lie’s heart ached for her. He went over to hug her. ah ning, it’s alright now.

He consoled her. She pursed her lips and said in a soft voice, “ you’re here.

“Yes.”

Her voice was too soft, and Nian lie’s heart tightened. He didn’t even dare to ask her what was wrong.

He hugged her and rubbed her hair.

There was a long silence.

He noticed that her gaze was looking into the distance, at the garden downstairs where people were playing.

That area was specially set up for children. It was filled with entertainment facilities, so that sick and hospitalized children could play with other children.

“Nian lie, do you like children?” ning Qing suddenly asked as she looked at the children.

Her words made Nian lie feel as if he had been placed in an ice cellar.

Why would she mention the child?

Could it be that the physical examination just now had touched on her sad matter again?

Nian Ying was extremely afraid, his heart was filled with bitterness.

He hugged her tightly and said with certainty, “I don’t need a child.” &Nbsp;

Ning Qing was stunned. She didn’t expect him to give her such an answer. She turned around in his arms. why? ”

Nian Xi’s eyes darkened. I only need you. I don’t need children. Children are very annoying and need someone to look after them all the time. Parents have to put in a lot of effort to raise and teach them. I don’t like to do all this, so you don’t have to worry about children.

He had said it so seriously and with such certainty that ning Qing could not tell what he was thinking.

Unwilling to give up, she pointed at the children playing downstairs and said in an unusually anxious tone, “ don’t you think the children are very cute? Look, they’re so young, they’re the fruit of their parents “love. Every couple would want to have their own children!”

[Chapter 972](#)

972 I’m actually pregnant

Nian lie’s expression darkened and his heart ached.

Coincidentally, he saw her slightly red eyes.

She had cried.

Nian lie felt even more upset. He didn't dare to show it. I don't like children," he said firmly.

"....."

"I don't like anyone's child, and I don't want to waste my time and energy on teaching the child!" He added, afraid that she would overthink it.

Ning Qing was not touched by his words. Instead, she glared at him angrily, her eyes red.

Nian lie could sense that something was wrong with her. ning, what's wrong? "

Why did she keep talking to him about the child?

Ning Qing was depressed. The more she looked at him, the more she felt aggrieved as he swore that he didn't want the child even though he didn't know anything!

"Nothing much! You're so stupid!"

shut up! she shouted and pushed him away. She turned around and left, leaving Nian lie with a dazed look on his face.

When he finally reacted, he hurriedly chased after her.

The servant looked at him, a little speechless. Sir, please.

Nian lie didn't even look at her. what are you standing here for? " Still not going after Madam?"

What if there was an accident?

The servant boldly put her arms around him and revealed an expression that was difficult to explain.

Nian lie's sharp eyes shot over. tell me the truth!

The servant sighed. Sir, Madam has already made it so obvious. Why can't you tell? "

What did he see?

"Madam is pregnant."

Boom—

A bolt of lightning struck the man's head.

Nian lie's Black eyes widened, and his expression was dull, as if he had been frozen.

The servant continued.

Madam is already nine weeks pregnant, and the fetus is in good condition. It's just that Madam's pregnancy reactions are a little serious, so the doctor said that she needs to take good care of herself.

“During this period of time, Furen’s appetite has not been good and she is also sleepy. I do not know if you have noticed Zhenzhen.”

after the checkup, Madam couldn’t even believe it herself. It was the doctor Who told her so many times that she was so happy that she cried. Then, she asked us to call you and tell you to come to the hospital. I think she wanted to tell you the good news immediately.

Who knew that this man, who was usually good at strategizing and reading people’s minds, actually didn’t understand Madam’s explicit and suggestive hints at all and angered her away.

It could only be explained as being overly concerned. Well, that was the only explanation.

The maid was still talking. you usually sleep with Madam. Why didn’t you notice anything unusual about her? Hey, hey, where are you going? ”

“I’ll go find her!”

For the first time, the man was so happy that he panicked in front of the servant.

The speed of his running was so fast that the people in the corridor were amazed.

“.....”

She was pregnant!

She was actually pregnant!

He thought about it and thought that there was something wrong with her hand or body, but he didn’t expect it to be her pregnancy!

Nian lie was so overjoyed that he couldn’t hold back the smile on his lips.

How could he have expected that she, who was determined to be infertile, would actually be pregnant again!

Was this because the heavens pitied him and wanted to give him a wife and child in the future?

He was really stupid. She had just mentioned the child, and he actually thought that she was sad!

When he couldn’t find ning Qing anywhere, Nian lie’s joy turned into worry. He called her one after another, but she didn’t answer any of his calls.

He was extremely afraid that something would happen to her as soon as she got pregnant. He immediately called Lu Zhui and sent a group of people to look for her around the hospital.

In the end, he found her at the children’s playground at the bottom of the hospital.

The woman was squatting on the ground with a small ball in her hand. In front of her was a child of one or two years old, smiling sweetly at her.

“Little friend, here’s your ball.”

“Thank you, aunty ~”

[Chapter 973](#)

973 You are going to be: father (1:

Ning Qing's heart melted. She touched his head. go and play.

She glanced to her side and saw that the man was already approaching.

She couldn't run away, so she didn't run. She sat down on the low chair beside her and ignored him.

"You're pregnant, how can you run around?"

Ning Qing held her chin and pretended not to see him.

Nian lie sighed softly and sat down beside her, watching the children play with her.

I used to think that if I had a child with you, he would be very happy because he has a mother like you. It's just a pity.

"....."

because of my mistakes, you've lost your confidence in me and your body has become like this. I often think that I've made too many mistakes and sinned. It's already God's pity to have you now. I can't ask for more.

He looked at ning Qing, his eyes gentle and deep. It made her feel at ease, but at the same time, she could feel his seemingly calm but turbulent heart.

it's just that, ah ning, the truth has proven that God isn't too bad to me. He probably just pitied me. But it's good that he pitied me. At least I still have you.

Tears welled up in ning Tingting's eyes. She thought of what he had said in the ward. She pretended to be angry. you said that you don't like children. You don't want him at all!

After she finished speaking, she felt so aggrieved that tears fell.

Nian lie had no choice but to reach out to hold her hand, but she dodged him.

His dark eyes were deep. do you really think I don't want children? "

Ning Qing turned her head away and did not answer.

"Ah ning, you know," he said with a sigh.

Ning Qing said angrily, " I don't know, and I don't want to know!

"But you clearly know why I said I don't want children."

Because of her health, and because of her past, she had been hurt too much. Even though he knew that she would occasionally look envious when she saw other people with her child, and his heart ached, he could only pretend not to see it.

There were many things that could be changed in this world.

But there were still many things that could not be changed.

For example, she didn't love him.

For example, life, old age, illness, and death.

Her body had already reached such a state, how could he force her to do more?

He looked at her affectionately and patiently.

of course, it'd be best if we could have another child. I also hope that our family can be more perfect and blissful now, but ah ning, to me, you're my family. It's not necessary to have a child, and it's not that I don't want it. The one I care about has always been you.

Ning Wenqing couldn't stop crying.

It seemed that she had become more sentimental with the arrival of the child.

She was happy, sad, happy, and sad.

After a long while, she raised her head and looked at him with tears in her eyes. Nian lie, " she said weakly, " we have a child.

The man's eyes were hot and he curved his lips.

"You're going to be a father."

Ning Qing threw herself into his arms and sobbed.

don't cry, " he consoled her while patting her back. this is a good thing. The best thing.

"En!"

in the future, you have to be responsible for the child and even more so for yourself. You can't be willful anymore. You'll make all of us worry if you run around like you did today, understand? "

Ning Qing kept nodding her head. She stopped crying and withdrew from his arms. have you told mom and dad? "

Nian Yu laughed. you're angry at me and ran away. Of course, I'd think that you went home to complain to our parents.

[Chapter 974](#)

974 It's time for you to look for her (1:

Ning Qing bit her lip. I'm not that childish!

Nian lie indulged her and wiped her tears away with his fingers. yes, you're not childish. After all, you're already the mother of my child.

At the mention of children, ning Qing placed her hand on her flat stomach. Her expression was one of surprise and disbelief. Nian lie, I'm so happy. all her words were condensed into one sentence.

She did not expect that after all that she had gone through, her weak body could still give birth to a new life.

"I thought there was no hope, but he still came." She looked at Nian lie sentimentally. do you think he came back to us because he knows that we're sad and doesn't want us to have any more regrets? "

Nian lie caressed her long hair. whether or not she is, I will definitely cherish this child.

Ning Qing smiled and leaned into his arms.

They cuddled together for a long time. let's go home, " Nian Jing said. mom and dad are worried.

It was only then that ning Qing remembered that she had been throwing a tantrum and that she had not informed them that he was here. alright.

Nian lie carried her in his arms. She was shy and buried her head in his chest.

When she returned to Qing Yuan, father ning and mother ning were already there. When they saw ning Qing, they rushed up to her. where did you go? " How's your body? What did the doctor say? You're really pregnant?"

The series of questions overwhelmed ning Qing.

Nian Ying explained everything to her calmly. After knowing that she was indeed pregnant, both her parents were shocked.

Ning Qing thought they were overjoyed. She held their hands and said, " father, mother, don't worry. I'll take good care of him this time.

The past would not repeat itself, and it could not.

Mother ning came back to her senses and looked at ning Qing, her eyes filled with warmth. as long as you're fine, your father and I will be at ease. You just have to protect our child, ran ran.

"I will," Ning Qing replied with a smile.

Mr. Ning also secretly reminded Nian lie, " you must be careful this time. Qingqing's health is like this. You have to take good care of her and don't let anything happen to her.

"Dad, don't worry. I'll take good care of her and the child." Nian lie promised.

After the incident, Nian lie specially found a doctor for ning Qing to re-examine her body. He found out that her current physical condition was stable, but her body was slightly weak and needed to be supplemented with sufficient nutrition. Otherwise, it could easily cause insufficient nutrition for the fetus, which could very likely lead to a miscarriage.

So, even though two months had passed since the first three months, Nian lie and the ning family's parents were extremely worried. They had ordered the entire Qing Yuan to keep an eye on ning Qing's condition at all times.

As for ning Qing, she accepted the fact that they valued the child and cooperated with Nian lie, spending the first three months at home.

Other than feeling a little bored and bored, she felt that everything was going well.

However, some people were happy, while others were sad.

Ning Qing's pregnancy was not deliberately hidden from the public. So, whether it was Lou si or Lou qingyue, everyone knew that ning Qing was pregnant with Nian lie's child.

In a certain five-star hotel.

The woman was so angry that she pushed the things on the table away. she's pregnant!

The subordinate stood at the side, not daring to say anything.

On the sofa opposite her was a tall man.

The man had no reaction to her anger.

Lou qingyue glared at him, feeling uneasy.

Damn Lou Chi, I don't know what he's been doing these days. He clearly told me to do things without restraint. It's already been a month and there's no movement at all!

Now, when she thought of the time ning Qing spent with Nian lie, as well as the unborn child, the anger in her heart spread layer by layer!

She would never let them be so happy!

The woman's cold eyes fell on the man, and she softened her tone. it's time for you to go find her.

[Chapter 975](#)

975 I only care about the child (1)

The man's face was expressionless. There was no expression on his cold face.

He didn't answer or reject her.

Lou qingyue walked around the desk and came in front of him. you've already gained her trust. It's easy to get close to her. So, I need you to help me.

Her following words disappeared from the man's ears.

However, those vicious words did not stir up any ripples in his eyes, as if he had only heard " the weather is not bad today.

He didn't speak for a long time. Lou qingyue looked down and was a little annoyed. did you hear me? "

The man was disdainful of her.

Lou qingyue couldn't control herself. She crossed her arms. don't forget who saved your life back then. Even if I ask you to return your life to me, you should do so without any hesitation!

Just like that, the iceberg-like man finally made a move and turned to look at her.

Lou qingyue knew that he had agreed. She raised her chin like a proud peacock.

someone will tell you about her travel arrangements. Hurry up and go. Don't waste time.

"....."

“I’ll be waiting for your good news.”

“.....”

The man got up, put on his sweater hat, put his hands in his pockets, and walked out.

Lou qingyue looked at his back, and her expression became more and more sinister.

*

Garden of elegance.

Nian lie held ning Qing in his arms and patiently coaxed her to eat some nutritional supplements.

Ning Qing had been bored these days and had forced herself to eat these every day, so her appetite was still not good.

She rejected him. I’m not eating.

“Eat more. You’re too skinny. It’s not good for the child and yourself.” Nian lie coaxed her patiently.

Ning Qing took another sip and frowned.

Her stomach felt sour. She jumped out of his arms and rushed to the bathroom.

Nian Jue was so scared that he put his arms around her, afraid that she would bump into something, and followed her to the toilet.

Seeing that she had vomited, he immediately asked for water.

“Are you feeling very uncomfortable?”

He patted ning Qing’s back and she shook her head. It took her a while to recover and lean into his arms. I said I’m not eating.

Nian lie’s heart ached when he saw her pale face. you’re in such poor health. The doctor said that you need to take good care of yourself, or else the child will be in danger.

These days, he had her soft spot in his grasp.

She was not afraid of anything except for her child.

Once she didn’t want to eat, he could only force her.

“.....”

Ning Qing felt wronged. you only care about the child.

Nian lie didn’t know whether to laugh or cry. she’s our child.

Ning Qing snorted, pushed him away, and walked out angrily.

She sat on the sofa and ignored him.

Nian lie sighed and held her shoulders. are you too bored at home? ”

It would have been better if he hadn't said it. Now that he had said it, Ning Qing felt even more wronged.

"I've been at home for the past month and haven't gone out at all. I've been walking around this place all day. How can I not be bored?"

"But wasn't I at home with you?"

Occasionally, he would ask his in-laws to accompany her, but she didn't seem unhappy.

Ning Qing glared at him. "Who needs your company?"

Nian Lie looked serious. "If you don't want me to keep you company, who do you want to keep you company?"

His tone became a little more serious, and her tears started to fall.

Nian Xi coaxed her gently, "I'm sorry, I shouldn't have said that. Our ah Ning is pregnant, so she gets frustrated easily. It's my fault. Don't cry. It's not good for the baby."

Ning Qing sniffled and tried to stop her tears from falling. She looked at him pitifully. "I want to go out."

"....."

Other couples would have bought toys and new clothes for their children by now. We didn't prepare anything.

[Chapter 976](#)

976 Can't bear to reject _1

Nian Lie's dark eyes were deep. "It's still early. Wait until you're better, Hanhan."

Ning Qing interrupted him before he could finish.

"Still early, you only know how to say it's still early! You said that you'd set me free after the first three months, but it's almost four months now, and you still have people watching me!"

Seeing that her eyes had turned red again, Nian Yu felt helpless.

"I know you're doing this for me and the child, but which woman would treat her like a treasure once she's pregnant? She'll treasure her and hide her away, not letting her go out. The child might be fine, but I'm going to have a problem!"

These days, she had put on some weight, and her complexion was much better.

Now that she said this, her face was red and her eyes were red. She looked very pitiful and made people's hearts ache.

Nian Xi's heart softened. "Do you really want to go out?"

"What do you think?" Ning Qing asked.

Nian Lie pondered for a moment. "It's not impossible."

Ning Qing's eyes lit up.

"When do you want to go out?"

"Now!"

Nian lie shook his head. I have an urgent meeting to attend to. I don't have time to go out with you. How about tomorrow? "

When ning Qing heard this, her temper rose again.

"I'm an adult, not a child. Who said you have to go with me?"

Nian lie looked at her helplessly. She straightened her neck and didn't hesitate at all.

if you're busy, go do your own thing. I just want to go out for some fresh air and buy some small gifts for our unborn child. You can get the servants and subordinates to follow me.

"No, it's not safe enough," Nian lie rejected her directly.

Ning Qing was furious. what's so unsafe about it? I'm just a pregnant woman. People have to give me priority when I go out!

Nian Yu pursed his lips, clearly still disagreeing.

Ning Qing stood up. fine, it's fine if you don't agree. It's best if you lock me up here for the rest of my life, until I die.

She was so angry that she turned around to leave, but Nian lie grabbed her wrist.

"You're not allowed to say such things!" Nian lie's expression was stern and reprimanding.

Ning Qing was desperate. you won't let me go out anyway. You won't let me go no matter what you say! Then I have nothing to say to you, let me go!"

The man did not move, and ning Qing was even angrier.

"You're making me unhappy on purpose, aren't you?"

Nian lie's furrowed brows relaxed. He had no choice but to compromise. I can let you go.

Ning Qing was about to shake his hand off when she stopped. really? "

How could Nian lie bear to reject her when she looked at him with such longing and surprise in her eyes?

"It's true," he confirmed.

Ning Qing smiled and wrapped her arms around his neck. I knew you were good to me.

Nian lie lowered his eyes. that's not what you said just now.

I was angry just now. You know that pregnant women are sensitive and can speak without thinking. Don't be angry with me.

Nian lie was speechless. Ning Qing kissed him on the cheek and promised, " don't worry, I won't run around. You can go and do what you need to do. Let them follow me. I'll be fine.

"One hour: : Nian lie promised: still worried.

Ning Qing was stunned.

"You can only go for an hour. If I don't see you after an hour, you're not allowed to go out alone until you give birth to the baby."

Ning Qing had wanted to bargain, but now that he had made it clear, there was no room for negotiation.

She felt regretful in her heart, but her words were sweet.

"Alright, I'll be back soon. You can go and do your work."

Nian lie pointed at the unfinished bowl of bird's nest and said, " get me another bowl of hot soup. Finish it before you leave.

"Alright," he said.

After finishing the bird's nest, ning Qing was as happy as a butterfly. She went upstairs to change into a loose chiffon dress, then came back down after a little tidying up.

[Chapter 977](#)

977 Give birth to: few more babies (1:

Nian lie was saying something to Lu Zhui, asking him to go with ning Qing.

Ning Qing stood at the top of the stairs. I'm done.

Nian lie turned around and was stunned for a moment. He then walked up to her and carefully put his arm around her waist. Ning Qing cooperated and leaned into his arms.

As he walked, he instructed, " don't jump up and down. Don't run too fast. Don't let the bodyguards leave your side. I've asked the servant to bring some sour plums. Don't eat those messy things.

Ning Qing's heart was filled with the outside world. She didn't want to hear him say more. I know, I know, " she said perfunctorily.

Nian lie was helpless. She turned around and said sweetly, " I'm not a child. I won't run around or eat anything. Don't worry. Just focus on your work.

She kissed him on the cheek and ran toward Lu Zhui and the others who were waiting for her.

Nian Xi held her waist, lowered his head, and kissed her in front of everyone.

"Oh!"

Ning Qing was shocked and started to struggle.

"Alright, alright, there are so many people watching!"

Nian lie's eyes were filled with deep affection, and his breathing was not smooth. go on, don't take too long.

Ning Qing nodded, broke free from his arms, and walked to the door.

A servant opened an umbrella to shield her from the sun.

Nian lie looked at her eager figure and felt a slight headache.

Why did he feel like she was despising him?

The man laughed and gave Lu Zhui a look. The other party understood and chased after ning Qing.

*

At a large shopping mall.

Because of Lu Zhui's arrangements, the mall had been cleared in advance, and there were not many people in sight.

Ning Qing's arrival was smooth. Although there were not many people around, she knew that Nian lie was doing this for her safety, so she did not mind.

Madam, the maternal and infant lifestyle Hall is on the fourth floor. Would you like to go and take a look first? "

Ning Qing thought for a moment. okay.

The servants on her left and right followed her and took the elevator to the fourth floor.

The staff stood at the entrance of the store. Upon seeing her, they smiled brightly and said, " welcome to our store, Mrs. Nian.

Ning Qing smiled as she listened to the shop assistant's explanation and entered the shop.

"I want to see children's clothes."

"Then, does the madam know the gender of the child?" the store manager asked carefully.

Ning Qing was stunned. She remembered that Nian lie had said that she could find out the baby's gender, but she felt that it was God's will and there was no need to know in advance, so she had not done a checkup.

Now, she was a little regretful.

She turned around. I don't know yet.

it's okay if you don't know. If you don't know, you can buy some baby clothes for both the boy and the girl. After all, you and Mr. Nian are so loving. You can have a few more babies in the future.

Ning Qing nodded. take me to her.

"Alright, this way please."

When they reached the clothing area, Ning Qing looked at all kinds of baby clothes and her heart softened.

The servant beside her couldn't help but exclaim, "wow, the clothes are so cute!" Madam, look at this dress, it's so cute!"

Ning Qing looked back and reached out to touch the fabric of the clothes. It was soft and comfortable. She also smiled. it's very cute.

The maid smiled. if you're pregnant with a baby girl, she'll definitely be as beautiful as you. She'll look good in anything.

that's right: " the store manager replied flatteringly: Madam: you're: natural beauty. The baby must be a Dragon among men,: proud Son of Heaven.

Ning Qing looked at the blue and pink clothes with a tender expression. She couldn't help but have a motherly glow on her.

"I don't want him to be some God's favored son. I just want him to be happy for the rest of his life."

[Chapter 978](#)

978 Both mom and dad love you (1:

The servant and the store manager responded.

Ning Qing didn't let anyone follow her and pushed her shopping cart to buy.

She touched her slightly bulging belly, and when she lowered her head, her face was full of a gentle smile.

baby, mommy hopes that you'll be a good boy and grow up well. Daddy and Mommy have been waiting for you for a long time.

mommy will treat you well, very well, so you have to stay in mommy's womb until you are born. In the future, you have to be with Daddy and Mommy.

"Mom and dad love you very much."

Ning Qing said, tears in her eyes.

Ever since she was pregnant, she had become more emotional.

However, she was indeed very emotional.

That child had left a deep shadow in her heart. She did not expect that the child would come so soon and had never thought of coming back.

Perhaps it was because she went to America to see the child that he felt she was too lonely, so he protected her and let the child come to her side to accompany her.

No matter what, she would do everything she could to protect this child and not let her get hurt.

Ning Qing's heart was even more certain and filled with happiness.

She strolled around the baby's clothing area for about half an hour and picked out dozens of clothes. She wanted to empty the entire clothing area.

She strolled around the toy area for a while and even bought a baby stroller and a bunch of other things. Lu Zhui's subordinates couldn't keep up with her shopping speed, and they had to move everything down one by one.

When it was almost time, Lu Zhui stepped forward to remind her. Madam, it's time. We should go back.

Ning Qing looked at the clocks and watches in the shop and felt a little regretful. I want to look at them for a while longer.

Lu Zhui nodded. young master said that you can't stay outside for too long.

"After all, you're pregnant. It's not good for you to exercise too much," he quickly added, afraid that ning Qing would overthink.

"Alright then,,: ning Qing replied unwillingly.

She walked downstairs, only two servants and Lu Zhui followed behind her. The rest of them were moving the things she had bought.

Ning Qing walked out of the mall unhurriedly. The sun was a little strong.

She squinted her eyes and saw a vendor buying ice cream by the roadside.

Suddenly, he felt a wonderful feeling.

She stared in that direction without blinking and stopped moving.

Lu Zhui and the servant felt it. They looked over and were somewhat speechless.

Lu Zhui reminded her,"young Madam, the weather is hot." Let's get in the car."

However, ning Qing did not go along with his wishes. She pointed at the stall over there, her eyes shining. Lu Zhui, I want to eat that.

Lu Zhui's body trembled. young master said that these things are unhygienic.

Ning Qing was very greedy and pitiful. but I want to eat.

"....."

"Just one. There's very little smoothie."

"The young master said that you can't eat outside."

Ning Qing frowned. it's just an ice-cream. It's not like it's poisonous. It can't be that eating an ice-cream will cause an accident, right? "

The servant was also a little shaken. She looked at ning Qing, feeling a little wronged and pitiful.

"Assistant Lu, it's true that Madam rarely eats these things at home."

yeah. Besides, it's normal for pregnant women to have cravings. Maybe one bite will satisfy her. If we don't give her any, she'll miss it for the whole day.

"....."

Lu Zhui didn't show any expression, but he was obviously in a difficult position.

Ning Qing pulled a long face. can't I just have one bite? "

"Young Madam, I can't make the decision."

Ning Qing stopped begging him. if you can't make the decision, then let me do it myself.

She turned around and ran towards the stall.

Lu Zhui and the servant were stunned for a moment before they quickly chased after him.

"Young Madam, please listen to my advice."

979 Shen Yao reappears (1:

"What's the use of listening to you? I've been locked up for more than a month. Do you know how sad I was?"

"Young master is doing this for your own good."

Ning Qing didn't care. She walked to the stall owner and said, " I'd like an ice cream, thank you.

Then, she turned around and faced Lu Zhui with a serious expression.

I know he's doing this for my own good. Everyone knows that. But for my own good, he didn't lock me up at home, forbid me from going out, and even forbid me from eating ice cream.

"....."

Lu Zhui fell silent.

It was said that pregnancy made one stupid for three years, but ning Qing's eloquence had become better after she got pregnant. Her brain was also much better than before. Once she took the lead, she would not leave you any face or opportunity.

He wasn't good at acting with women either, so he lowered his head and said, " I'll ask the young master.

Ning Qing ignored him. He took his phone and walked to the side to call Nian lie.

Ning Qing snorted proudly and turned to look at the peddler.

The peddler made one and handed it to the person beside ning Qing. here, this is yours.

A large hand with distinct joints reached over and caught the ice cream.

"Wow, he's so handsome," one of the servants beside her exclaimed.

Ning Qing had just followed his hand up when that hand turned and reached over.

Ning Qing and the servant were both stunned.

The man was wearing a black t-shirt, and his exposed arms were thin and strong. Above him was a face and eyes that were cold to the extreme.

Ning Qing blinked. She was extremely surprised. After a long while, she finally said, "Zhenzhen, Shen Yao!"

The man looked at her and did not answer.

"What are you doing here?" ning Qing asked.

The man glanced at the stall next to him. I'm buying ice cream.

Of course, ning Qing was not asking him why he had bought ice cream here.

She remembered that he had disappeared after sending her a message in the capital city. Why had he suddenly appeared here now? Was it a coincidence or a plot?

Her sudden silence made the man's gaze linger on her for a long time.

"It's about to melt," Shen Yao said.

Ning Qing looked at the ice cream he handed over. uh, Yingluo.

The peddler had just finished making one and handed it to ning Qing. miss, this is yours!

"Thank you," he said.

She carefully took it and asked the servant to give her the money.

Looking at her deliberately distancing herself from him, Shen Yao did not say anything. He silently took back the ice cream in his hand and turned to leave.

On the other side, Lu Zhui heard Nian lie's words and said, 'I told her not to eat it! Tell her that if she wants to eat, she can come back and ask the kitchen to make it for her. Don't let her eat anything outside.'

"Yes."

Lu Zhui hung up the phone in a hurry and walked towards ning Qing.

Before he could call out "young Madam," he saw ning Qing looking at the back of the man who had just walked away and shouting, "wait."

He was puzzled and subconsciously thought that the man was not a good person, so he wanted to stop ning Qing.

However, ning Qing was already staring at Shen Yao. She repeated. wait a minute. Let's talk.

The man froze.

Lu Zhui quickly rushed over and looked at the man's back cautiously. He said to Ning Qing, " young Madam, young master has already told you to come back with me immediately. He has something to tell you.

Ning Qing was no longer pampered and overbearing, but serious.

"Wait, I have something to deal with."

Lu Zhui frowned. if there's anything, we can go back and tell young master. You don't have to deal with the problem yourself.

it's between me and my friend. I don't need him to deal with it. I can do it myself.

Seeing that her attitude was a little firm, Ning Qing was afraid that Lu Zhui would tell Nian lie, so she immediately softened her face. he's a friend I used to know. We haven't seen each other for a long time, so I want to catch up.

"But Yingluo"

"I'll be quick, don't worry."

She stuffed the ice cream into Lu Zhui's hands and walked straight to Shen Yao. She stopped beside him and said, " let's go.

980 The conversation between the two (1:

In the cafe.

On the second floor.

Ning Qing ordered a glass of water and looked at the man opposite her.

Shen Yao lowered his head slightly, and he could see the scene below from the corner of his eyes.

The two of them chose to sit by the window. Through the transparent glass, they could see the empty square below. The servants, Lu Zhui, and the group of bodyguards who had finished their work were waiting downstairs.

Lu Zhui looked at his watch from time to time. When he was more annoyed, he would look up at the two people through the glass window, afraid that something would happen.

Ning Qing was very calm. long time no see.

Shen Yao stared at her and said, " yeah.

Ning Qing placed her hands on the table, and the cool touch made her more awake.

the last time we met was half a year ago, " she said in a casual tone. is it convenient for you to tell me what you did after that? "

Shen Yao only looked at her. His long and narrow eyes were full of indifference, and she could not see anything else.

I remember that you were seriously injured at that time. I'm also quite curious. What was it that made you so anxious that you had to do it without caring about your health?"

Shen Yao paused, and his tone was as emotionless as his entire person. You wouldn't want to know.

Ning Qing smiled and did not ask further.

The two of them fell into a brief silence.

Shen Yao's gaze was fixed on her face. That face was no different from before. Her eyes were clear and bright, shining brightly, her cheeks were red, and she looked very good.

He didn't know if it was an illusion, but he saw that she had a different kind of Halo.

He was gentler and more peaceful than before.

However, he was also more confident and full of energy.

Ning Qing didn't want to beat around the bush with him anymore. As his eyes slid to her lower abdomen, she spoke again.

"Shen Yao, I don't want to beat around the bush with you."

"....."

"What are you doing here?"

Shen Yao lifted his eyelids. She said again, "You know what I mean. I'm asking why you came to Ying city."

Her fingertips gently slid across the table, and some of her long hair fell from her shoulders, covering her delicate collarbones and half-hiding her mysterious sexiness.

"From the first time you appeared in front of me, to when I was going to the capital, and then you happened to appear on the path I had to take and had me save you, I can tell myself that all of this was a coincidence, a coincidence."

Ning Qing looked up, and the curve of her lips dropped a little. Her eyes changed from the initial gentleness to a little cold and sharp.

"But today, you appeared in Ying city three times. I don't believe that there are so many coincidences in this world. If there is, it must be man-made."

Shen Yao's expression was still indifferent, and no flaws could be seen.

"What do you want to say?"

"I should be the one asking you what you're trying to do," Ning Qing said:

"....."

"Do you want my life or are you plotting something else?"

His sharp, cold lips were slightly pursed, revealing a hint of other emotion.

After ning Qing caught it, she revealed a relaxed smile.

with my current status, I don't understand what you're after about me. Do you think that the title of Mrs. Nian is an eyesore? ”

She was just guessing and testing the waters.

Because ning Qing did not know which side he was on.

The only people who had a grudge against her were Lou qingyue and Nian lie's parents.

Lou qingyue was busy with the Lou family's Affairs and probably didn't have time to deal with her. On the other hand, Nian lie's parents were locked up in the Nian family's old mansion. It wasn't impossible for them to make a move on her.

Shen Yao turned his face away. Facing her questioning, he felt a little annoyed.

Ning Qing continued, ” I don't care which side you're on. To be honest, I don't have the time to care about anyone right now, and I don't want anyone to provoke me. I want to live my life in peace.

Shen Yao clenched his hands. you think it's that easy? ”
