

## Mr Nian 991

### [Chapter 991](#)

991 He's with me now (1:

Lou qingyue thought of Nian lie and felt a little smug. Her temper wasn't as bad as before.

She said, " ning Qing, I'm not going to argue with you. It's useless and meaningful. I just want to remind you that if you know what's good for you, you should leave him and give up your position. Otherwise, Huanhuan ...

"Otherwise what?"

Lou qingyue sneered. otherwise, when he forces you to leave, you will end up in a very miserable state.

Ning Qing didn't know where the confidence and courage in her words came from. She wasn't angry at first, but now she was a little annoyed.

Lou qingyue, if you're sick, get someone to treat you.

"....."

"I'm not in the mood to argue with you,"

"The person he wants is me," the woman said before ning Qing could hang up.

Ning Qing's face turned cold. are you delusional? "

"The only woman who can stand shoulder to shoulder with him can only be me."

"....."

"Ning Qing, why don't you look at yourself in the mirror and see what kind of person you are? do you think that you can get rid of him once and for all just because you're pregnant with his child? Ha, stop dreaming. He can't love you forever."

It would have been fine if the child was not mentioned. At the mention of the child, ning Qing thought that she had suffered a lot and learned a lot because of the child.

And one of the risks she had to face outside was given to her by the woman opposite her.

Last time, she had almost gotten someone to kill her. Now, she was even trying to get her hands on Nian lie!

Her long silence made Lou qingyue's aura even stronger.

look at yourself. Your family background is ordinary, and you're so weak. It's not easy for you to have a little success in your career, but your hand is crippled.

When she spoke, there seemed to be a bit of pity, but ning Qing could hear her malice.

"Didn't anyone tell you that my hand has recovered?" she replied coldly.

Lou qingyue's eyes twitched. what? "

Ning Qing took a deep breath and could no longer hold it in.

Lou qingyue, I won't talk to you about the past grudges for the time being. I think you should be clear about the first come, first served. The person he loves is me. It has always been me. The only person he has married is me. Even if the future is unknown, at least for now, I am his recognized, legally recognized, and publicly acknowledged wife. If you want to be his mistress, you have to see if I agree.

to be honest, you're the most shameless woman I've ever met. If you really like him, it's not impossible for the two of you to compete fairly, but allow me to remind you that he's already married, and the person on the marriage certificate is me.

of course, if you're really that capable, please make him divorce me. After all, divorce can't be my one-sided decision. You like him, and if he likes you, please let him come and explain the situation to me. However, so far, I don't think you have the charm.

based on all of this, there is no practical use in you provoking me.

"He's with me now."

"....."

The servant stood aside and listened to ning Qing's rambling. She had already figured out everything from her words.

To put it simply, a mistress called to provoke the owner, and she had just personally handed the phone to the female owner, Yingluo.

The maid was scared out of her wits. She hurriedly and secretly beckoned to the people around her to inform Nian lie.

As soon as he turned around, he found that the woman who had been talking non-stop just now had shut up. Her dull expression was filled with complicated emotions.

## [Chapter 992](#)

992 I'll slowly calculate with you \_1

Ning Qing's emotions were very agitated because she really couldn't find an outlet to vent her anger. She was the one who had run into it.

However, she didn't expect that one sentence from her would make her lose all her confidence.

"Why aren't you talking?" Lou qingyue deliberately asked.

Ning Qing's face was tense. that's impossible.

Nian Xi had just talked to her on the phone. He was obviously busy at work. Why was he with her?

Moreover, why was Lou qingyue in Ying city?

How could Nian lie not tell her that she had come to Ji city?

"You can take a look at your phone. I've sent you the photos."

Ning Qing lowered her eyes and took out her phone to take a look. Indeed, there was a message.

When she opened it, she saw that in the elegant restaurant, the man's back and side profile were blurred.

Lou qingyue smiled. you know him so well. You should be able to tell if the person in the photo is him.

"....."

Of course she understood.

Therefore, with just one look, she could tell that the person in the photo was Nian lie.

Ning Qing shifted her gaze and looked at the tassels on the sofa cushion in front of her. what did you use to threaten him? "

Lou qingyue acted as if she had just heard a big joke. you said you know him well. Don't you know if he will compromise because of threats? "

"....."

The woman laughed triumphantly. ning Qing, just wait and see who will lose in the end.

"Lou qingyue."

She raised her eyebrows. what's the matter? do you have anything to say? "

Ning Qing's eyes were cold and stern. Her usual warmth had completely disappeared, and even the motherly glow on her body had disappeared.

to be honest, my life now is so wonderful that I've temporarily forgotten all the people and things that have hurt me, but your call today reminded me.

"....."

"There are some people who will not let you be quiet just because you want to be quiet."

Ning Qing's gaze was frighteningly cold. The servants at the side were so frightened that they trembled. They could see Nian lie's shadow in her!

Sharp, ruthless, and indifferent.

In comparison, ning Qing was even colder.

It was the kind of coldness that seeped into his bones and blood.

Lou qingyue, if you want to challenge my current bottom line, then go ahead and challenge it. When I can't stand it anymore and have no more ties to you, I will slowly settle all the scores with you.

Even Lou qingyue could feel the chill through the phone.

Her smile disappeared. do you think you can beat me? "

Ning Qing laughed casually. you won't know if you don't try.

After that, ning Qing hung up the phone without waiting for her reaction.

“.....”

The heater was turned on in the living room, but it made people feel cold.

At the side, the maid was trembling in fear. Madam, I'm sorry, Wanwan. I didn't ask clearly and made you angry. Please punish me.

The woman bowed at a 90-degree angle. She was so frightened that she couldn't even stand properly.

Ning Qing sobered up from the conversation just now. In an instant, the coldness around her disappeared.

“I'm fine. You don't have to do this.”

When the maid heard this, she raised her head carefully. is your ran ran really fine? ”

“Yes.”

“Then please go to the restaurant to eat. Don't go hungry.”

Ning Qing nodded and walked straight to the dining room.

However, she had only taken two steps when she stopped. The two maids behind her also quickly braked, not daring to make her even angrier.

She glanced sideways at him. ask the doctor to come over later.

The maid suddenly looked up. are you not feeling well? Stomach pain? I'll call the doctor now!”

### [Chapter 993](#)

993 Your methods aren't smart (1:

Ning Qing frowned. no, it's time for the prenatal examination. I just remembered it, so just ask her out for me.

The servants heaved a sigh of relief.

“I know.”

After two more steps, ning Qing stopped again, and everyone's hearts were in their throats.

Ning Qing didn't want to ask, but for the sake of her own health, she didn't want to make herself angry because of him.

“Did you inform him just now?” she asked.

The two maids looked at each other. uh, Mr. Wanwan said that you have to inform him if you have any problems, ” the maid said.

After she finished speaking, she raised her eyes and glanced at ning Qing.

Ning Qing had thought that the woman who had been provoked by her love rival would fly into a rage or cry. However, ning Qing nodded and calmly said, " I understand. then, she walked toward the dining room.

No one could believe it. They felt that any woman who encountered such a thing would inevitably be angry or aggrieved. But why was their Madam so abnormally calm?

It must be an illusion.

Everyone thought so, so they were even more careful when serving ning Qing, for fear of triggering the woman's suppressed anger.

\*

On the other end, Lou qingyue was so angry that she couldn't say anything when she saw the phone being hung up.

Fortunately, someone beside her reminded her. miss, Mr. Nian looked at his phone just now. He's urging you to go over. It seems that ran ran is a little impatient.

Lou qingyue's smile was unbridled. That ning Qing said she didn't care, but in fact, she did care.

As he spoke to her on the phone, he got someone to inform Nian lie.

"I thought it was some new trick, but it's nothing much."

Her red lips made such an evaluation as she walked toward the table.

"I'm sorry, I just received a call."

She smiled beautifully, her eyes sparkling when she looked at the man. Her fingers crossed the table and seemed to inadvertently slide over the back of his hand.

"You don't mind, do you?"

Nian lie had run out of patience and didn't want to deal with her. His handsome face was cold and indifferent.

"Your methods aren't very brilliant."

Lou qingyue sat opposite him with her hands folded under her chin.

She didn't want to hide what happened just now.

"I'm just giving her a reminder."

Nian lie didn't say anything, but the coldness in his eyes grew.

She smiled brightly. have you considered what I said last time? "

Nian lie replied coldly, " I'm not considering.

"....."

"It's not worth it, and you're not worthy."

Lou qingyue's face froze. Then, she smiled. aren't you afraid that you'll break my heart by saying such things? "

Nian lie was very frustrated. From the moment he saw the message, he had been worried about the woman at home. He didn't even have the mood to waste his time with her.

He crossed his arms and placed them on the table. His eyes were dark. Lou qingyue, I don't have time to play with you.

The woman moved forward a little more and said in a gentle tone, " you're really heartless.

Nian Jin stood up. I'm not here to listen to your nonsense.

"Then what do you want me to say? She said that I arranged for ran ran to poison her last time?"

The woman's casual words stopped Nian lie in his tracks.

At that moment, a cold touch spread out.

Lou qingyue's vision blurred and the man was already in front of her. A big hand grabbed her neck.

"Miss!"

The ambushing bodyguards were about to rush up, but Lou qingyue raised her hand to signal them to calm down.

Nian lie looked at her face. Not only was he not afraid, but he also revealed a smile of genuine enjoyment, as if she really liked to touch his skin.

Nian Xi's eyes flashed with obvious disgust, and her tone was extremely cold. you did it!

#### [Chapter 994](#)

994 You should be glad that I never lay my hands on women (1:

Lou qingyue raised her head. This was the first time she had faced someone in such a weak position.

Yingying was indeed a little different.

In the past, she had always been the high and mighty Miss Lou. People would rush to get close to her wherever she went just to take advantage of her to gain some benefits from the Lou family.

The man she admired was different.

Even though the man had really used force, her lips still curved into a charming smile.

"So what if I did it? Are you going to kill me?"

"....."

Nian lie's strength increased, restrained, and unrestrained.

He restrained himself because he was still rational. In the current situation, even if she had attacked ning Qing, he could not kill her.

As for being reckless, he had investigated the café where Ning Qing and Shen Yao had met and found some clues that proved that it was related to Lou Qingyue. He had just gotten her to admit that he really wanted to kill her in his anger!

Lou Qingyue saw his struggle clearly. After knowing that he had scruples and couldn't do anything, her smile became even more brilliant.

"Since you don't dare to make a move, why do you have to make it so ugly?"

Nian Ying gritted his teeth, furious that she had seen through him.

However, everyone was a thousand-year-old fox, and it was not so easy to break through their mental defenses.

He had no intention of letting her go.

"Just because I can't kill you doesn't mean I can't do anything to you,"

"....."

He lowered his head, his voice was so low that it was hoarse, but it was wrapped in a deep coldness.

I heard that you've crippled one of your hands. What do you think about crippling another one, Miss Lou?"

A cold shiver ran down Lou Qingyue's spine. Her pupils shrank as she thought of Ning Qing's mockery of her just now. Now that the man had mentioned it, it was as if she had been hit on her vital spot!

She couldn't hold back the smile on her face. Nian Lie, even though I've never given you any substantial benefits, I've always been nice to you. What right do you have to treat me like this?"

"Just because you injured her."

Ning Qing again!

do you love her that much?" she asked with a fake smile.

Nian Lie got up and clasped her neck tightly. He did not use any strength, nor did he release her.

"You're not qualified to know."

Lou Qingyue sneered, "it doesn't matter if I know or not. What's important is that you don't dare to do anything to me."

The look in Nian Lie's eyes changed, and the aura around him became dark and terrifying.

She wasn't afraid at all, because she knew that she had hit his soft spot.

Lou Qingyue laughed, feeling proud of herself.

"You know that I was the one who laid a hand on her. From the competition to her hand injury, to her and her child's accident, it was all part of my plan, Yingluo. Are you getting angrier the more you listen?"

She stared at the Furious man, the air in her mouth became thin, and even her vision became blurry.

But she was sure that he wouldn't dare to kill her. but it's useless even if you're angry: " she continued: " because you can't kill me.

With her current status, no matter how big the Nian family's business was, it couldn't surpass the Lou family's power.

If anything were to happen to her here, she would ensure that his entire Nian family, including his so-called beloved woman, would die without a burial place!

"....."

Nian lie's nerves were stretched to the limit when he saw how certain she was.

For a moment, he really wanted to break her neck!

But he couldn't.

With great self-control, Nian lie flung the woman's hand away. The momentum caused him to take two steps back.

Lou qingyue covered her neck and coughed non-stop. She stared at him with red eyes and still had a look that said, " I saw through you.

"You should be glad that I never lay a hand on women."

Nian lie's Black eyes turned red. His throat moved as he warned, "

Lou qingyue, I'll say this one last time. Don't provoke her and my child.

### [Chapter 995](#)

995 Go home and face ning Qing (1:

Lou qingyue clutched her neck and panted. so what if I provoked ran ran? "

"Then I'm willing to make an exception."

"....."

After saying that, he grabbed the wet tissue on the table and wiped his hands clean.

Only Lou qingyue's expression changed when she saw his actions.

Did he really look down on her that much? He found her hands dirty even after touching them?

The man saw through her. that's right. I don't want you to dirty my hands. So: you'd better stop testing my bottom line.

After saying that, he turned around and left without any hesitation.

Lou qingyue stared at his back. Her neck was in so much pain that it was about to break. The resentment and unwillingness in her eyes grew deeper and deeper.

"Miss, are you alright? Should we stop him?"

Lou qingyue raised her hand and gave them two tight slaps. you're only saying this now? what use do I have for you? "

Immediately, all his subordinates lowered their heads.

Lou qingyue's anger had nowhere to go. She pinched her own palm, which hurt badly.

"Go and find Lou Chi immediately! If you can't find it, don't come back to see me!"

"Yes!"

\*

Nian lie didn't dare to stop and headed straight for Qing Yuan.

: Where's Madam: : he asked as he entered the living room.

"I'm here,"

A calm female voice was heard. Nian Yu was stunned for a moment, then turned around.

Ning Qing was sitting on the sofa with one hand on the armrest. She was holding a pillow in her arms, but it could not hide her bulging pregnant belly.

Her expression was also calm, and it was hard to tell if she was happy or unhappy.

Nian Xi was at a loss. She walked toward her. did you listen to me and eat your food? "

He walked in front of her and reached out to hug her.

Ning Qing opened her eyes. wait.

Nian lie awkwardly retracted his hand. unhappy? Is the food not to your liking?"

"....."

Ning Qing looked at him, who was pretending to be fine, and was surprised at her own calmness.

Oh? " she tapped her fingers lightly again and again. did today's work go smoothly? "

Nian lie replied without even thinking, " it doesn't matter if work is going well or not. What's important is that my ah ning doesn't look too good.

"....."

He couldn't care less. He sat beside her and reached out to hug her.

She did not reject him, which made him feel more at ease.

He thought for a while and said tentatively, "I heard from the maid that you just received a call." &Nbsp;

Ning Qing did not look at him. Her eyes were light. yes.

Nian lie felt that she had flown into a rage and wanted an explanation from him. However, her calm demeanor made his heart palpitate.

He hugged her waist and moved closer. what are you thinking about? can you tell me? ”

Ning Qing squinted her eyes. Her beautiful face looked a little fierce, which scared the people around her.

“Did you go to work today?” she asked.

“Of course.”

Nian lie replied quickly.

Ning Qing sneered in her heart and looked at him with emotionless eyes. you’re busy with work, but you still have time to see other women. Should I call you a time manager Master? ”

Nian lie’s heart thumped, as though it was about to shatter.

He explained in a panic, “ah ning, it’s not what you think. I went to see her for another reason, Zhenzhen.”

“What’s the reason for you to hide it from me?”

Ning Qing’s face was expressionless. There was no gentleness at all.

Lou qingyue has already arrived in Ye City. It seems like she has been here for more than a day or two. From the way she speaks, it doesn’t sound like she has only seen you once. Why haven’t I heard you mention her even once? ”

“.....”

He knew it was that woman who was spouting nonsense!

### [Chapter 996](#)

996 Ning Qing is very unhappy (1:

Nian lie’s head started to hurt. she came to Ying city a few days ago and looked for me once. However, in order to work with me, I didn’t agree to it. I also felt that such a small matter shouldn’t disturb you. You have to take good care of your baby.

Ning Qing pushed his hand away, showing signs of anger in the afternoon.

a woman who once tried every means to harm me is just a small matter in your eyes.

“No, ning, I just think that she shouldn’t bother you.” Nian lie was extremely helpless. In his heart, he had already torn Lou qingyue into pieces several times.

Ning Qing didn’t fall for his tricks, but she also wanted him to suffer.

She put on a fake smile. sure, since you said it’s a small matter, then you should tell me about such a small matter so that I can be mentally prepared. But you just had to hide it from me.

“.....”

The woman’s words were like pearls, jabbing into people’s hearts.

I really can't think of a reason why you, as my husband, are unwilling to tell me that you're meeting a woman.

Nian lie's brows were tightly knitted together. His head hurt so much that he wanted to hold his forehead.

She was now by his side, but she did not seem to be used to it. She was not even willing to let him touch her, which really made him uncomfortable.

He cleared his throat. ah ning, to put it simply, she came to me because she wanted to work with me. I didn't accept it, and I can't accept it. As for the other things, Hanhan really has nothing.

Ning Qing was very upset. Even now, he was still holding back.

She looked at him coldly, her eyes emitting a cold light. How to cooperate? Tell me about it. "

The corners of Nian lie's eyes twitched slightly. He was in a difficult position. ah ning, sorry.

She sneered, her eyes sharp. if you don't want to tell me, let me help you.

She flung the pillow in her arms away and stood up. Because she was pregnant, her body swayed.

Nian lie was so anxious that he reached out to protect her, but she dodged him in disgust. Her whole body was filled with rejection towards him.

Lou qingyue, the young lady of the capital's Lou family. She's Always a Woman of her word. She's extremely powerful and can control the life and death of others with just a word. Such a woman has a special love for my husband. She pursued him from the capital to Ying city and even gave you the Lou family's connections and resources unconditionally. She wants to push you and the Nian family to the next level.

"....."

Ning Qing glared at the stiff man coldly. don't you think I'm right, Mr. Nian? "

As soon as he finished speaking, the entire living room-no, the entire Qing Yuan fell into a dead silence.

No one answered, and no one dared to answer.

They had really never seen such an Asura arena before.

The surroundings were so quiet that one could even hear the breathing of others.

Nian lie was frightened by her appearance and panicked. He couldn't find a word to reply to her.

Ning Qing gave a strange smile. if you don't say anything, you admit it.

Nian lie wasn't good with words, and he was even more anxious now. He had no choice but to reach out and pull her. ah ning, calm down. Listen to me first.

She took a step back, as if she was looking for trouble.

by asking me to calm down, do you mean that I'm so angry that I've lost my mind and am like a madman? "

Nian Yu furrowed his brows, his chest aching. I didn't mean that, Zhenzhen.

"Ha."

She laughed and said sarcastically, "you've indeed met a more powerful woman. Now that I'm pregnant and not as young and beautiful as before, you're starting to dislike me. It seems that Miss Lou is right.

The servants: "Yingluo."

Nian lie,"Huanhuan."

### [Chapter 997](#)

997 Do I look angry to you?

"I don't think you have anything to explain, so let's leave it at that."

Ning Qing's smile faded, and she turned to leave with a solemn expression.

Nian lie stood up and caught up to her. He grabbed her wrist and said, "it's really not what you think. I know you're angry, ning, but even criminals on death row have the chance to explain themselves. You can't just sentence me to death without letting me say a word!

Ning Qing couldn't get away. His strength was just right, so she couldn't break free and wouldn't get hurt.

She took a deep breath, turned to look at him, and smiled. do I look angry to you? "

"....."

His smile was really scary.

A chill rose from the back of his feet and climbed up the man's back.

Nian lie straightened his back unconsciously. you're not angry, " he coaxed her. I spoke too quickly.

The servant,"Yingluo."

Master, is it really good to lie through your teeth like this?

Ning Qing continued to smile. did I not give you a chance to explain? "

"Yingluo gave it to me."

"Have you been honest with me?"

"No, I didn't,"

"So, it's not that I didn't give you a chance, but you didn't grasp it."

After saying that, ning Qing twisted her wrist hard. Nian Jin was afraid that she would hurt herself, so he could only let go.

After she regained her freedom, her little face was cold. I think I won't be in a good mood during this period of time. In order to prevent you from agitating me and the child and hurting you, I'll have to trouble you to move out for a few days.

She didn't care about his reaction, turned around, and ran upstairs.

"....."

The living room was dead silent.

Nian Jin looked at the disappearing figure, the frustration and anger in his heart growing.

It's all that damned woman's fault!

He angrily pulled open his collar and paced back and forth. He looked up inadvertently and saw the frightened eyes of a few servants.

Nian lie was even more annoyed. He roared at the crowd, " you can't even tell a good phone from a bad one. What's the point of having you all?!"

"....."

No one dared to stand up and speak, for fear of being pointed at. Unfortunately, no one could escape the blame.

Upstairs.

Ning Qing ran back to her bedroom, locked the door, and sat on her bed.

Don't be angry, don't be angry, leave some room for the devil.

You can anger others, but don't anger yourself. You still have a baby in your stomach.

At the thought of her baby, ning Qing's anger finally subsided a little.

She lowered her head and looked at her bulging stomach. She complained, feeling wronged. baby, even at this point, your father is still dishonest to me. There's a woman in front of me, but he still pretends to know nothing.

"....."

Ning Qing stroked her stomach, and the more she thought about it, the angrier she became.

"No matter if you're a boy or a girl, you can't learn from him when you grow up!"

The child in her stomach seemed to have heard her words and moved slightly.

Ning Qing was suddenly surprised and touched her stomach through her clothes.

"My baby must be an honest baby."

Probably because she was pregnant, her emotions came and went quickly. It took her a few minutes to calm down, and she slowly became sleepy.

According to her usual habit, she would take an afternoon nap after lunch, so Ning Qing did not intend to care about the man outside. She yawned, lifted the quilt, lay down, and went to sleep with her clothes on.

“.....”

An hour later.

Ning Qing was sleeping soundly. When the door was unlocked, she did not wake up.

Nian lie crept closer to the head of the bed. The woman’s back was facing him, so he was even more careful.

When he realized that she was asleep, and sleeping soundly, the man didn’t know whether to laugh or cry.

### [Chapter 998](#)

998 Since you’re already married, you should have some self-awareness (1:

He had suffered so much in the past hour, but she was so generous that she could still fall asleep without him!

“You heartless little thing.”

In the end, he couldn’t bear to blame her, especially when he saw her hand still protecting her stomach even after she had fallen asleep. The helplessness in his eyes turned into deep gentleness and love.

He carefully turned over to the other side and gently pulled her into his arms.

The woman in her sleep frowned uncomfortably, but after smelling the familiar smell, she shrank into his arms without resistance and found a more comfortable position to sleep.

Amused, Nian lie planted a kiss on her cheek. Then, he hugged the most important person in his life tightly and fell into a deep sleep.

\*

He slept until five in the afternoon.

Ning Qing had been sleeping very comfortably, but when she opened her eyes and saw the man’s face, she was still confused for a long time.

Didn’t she ask him to leave?

Why was he in bed?

Ning Qing woke up and propped herself up. She was a little grumpy after waking up and wanted to kick him off the bed.

However, when her gaze fell on the dark circles under the man’s eyes, she couldn’t bring herself to do it.

She knew that he had a lot of things to do recently. He had to play and protect her while he was busy with work. It was almost impossible for him to rest well.

“Forget it, I’ll let you lie down for a while.”

She left this sentence behind mercifully, slowly got off the bed, and carefully closed the door.

On the bed, the man’s handsome face was buried in the pillow. His drooping eyelashes were long and thick, which could not hide his exhaustion and loneliness.

\*

As the night fell, Nian Yu jolted awake from his bed.

Ning Qing was sitting on the sofa with a tablet in her hand. She was watching a show. When she heard the commotion, she asked, “you’re awake?”

“.....”

There was no sound.

She held the grape in one hand and stuffed it into her mouth. She did not look up at him, but she could hear his rapid breathing.

After a while, the man still did not move.

Ning Qing frowned. why are you in a daze? ”

Messy footsteps were heard, and then she was hugged tightly from behind.

The man’s strength was very strong. He wrapped his arms around her neck, making it difficult for her to breathe.

He was trembling.

Ning Qing had no choice but to put down the tablet. She grabbed his arm and asked gently, “ what’s wrong? did you have a nightmare? ”

“Yingluo, yes.”

Nian lie’s voice was hoarse, and his breathing grew heavier with each breath.

Knowing that she was still around, his heartache and despair receded like the tide.

Ning Qing twisted her neck, but she couldn’t move it. She said helplessly, “ I can’t breathe.

Nian lie woke up with a start and released her.

Ning Qing touched her neck and turned to look at him. He was dejected, panicked, and a little at a loss, as if he was wondering if she was still angry.

She sighed and patted the seat beside her. come and sit.

Nian lie hesitated but obediently walked over and sat down.

She leaned on his shoulder and showed him the tablet. what do you think of this? ”

Nian Xi’s eyes were not clear. He followed her fingers and looked at the screen in a daze.

There was a drawing of a ring on the surface. It looked like it was half-drawn and unfinished, but the whole thing was simple and elegant. The body of the ring was engraved with complicated patterns. Upon closer inspection, it was almost the same as the one on ning Qing's hand.

Nian lie's entire body trembled, his dark eyes deep.

Ning Qing laughed. we're getting married. I can't be the only one wearing a ring. Otherwise, if you go out naked, people will think that you're single and give others the right to seduce you.

"....."

"Since you're already married, you should be more self-conscious."

He was stunned. Ning Qing grabbed his hand and turned it over and over, looking at it carefully.

### [Chapter 999](#)

999 I'm not so fragile that: can't even deal with a love rival \_1

Needless to say, Nian lie's hands had always been pretty.

The knuckles were long, thin, and clean, with distinct joints. They were much more attractive than ordinary hand models.

She changed her hand gesture and interlocked her fingers with his. although I don't remember why I only designed my own ring in the past, it's not impossible to redesign it since Yingluo can't remember it anyway. Besides, I should have tied you up a long time ago.

Nian lie's heart trembled to its limit. His dry lips trembled, and he couldn't say a word.

Ning Qing did not hear his reply for a long time and looked up in confusion. it looks like you don't like it or don't like it? "

Nian lie shook his head. No.

Ning Qing's eyes turned. then what's with your expression? " Oh, I know, you're the one who's complaining that my hands aren't as good as before, and that the things I design aren't as good as before, right?"

As she spoke, she tried to let go of his hand.

Nian lie was anxious and tightened his grip on hers again.

"No! Ah ning, you know that's not what I meant!"

She raised her eyes. then what are you doing? "

"I thought you were still angry at me," he said in a raspy voice.

Ning Qing thought for a moment and snorted pretentiously. I'm still angry.

Nian lie's gaze was deep and misty, filled with many hazy emotions. It was even more intense than the pampering and affection he had shown her before, and she almost couldn't bear it.

She was a little confused and avoided his gaze. Alright, alright. I'm being unreasonable today, but what you're hiding from me is true. Don't try to quibble!

Nian lie's mind was still in a state of chaos, and there was a vague pain in his heart.

"I'm not quibbling," he said.

Ning Qing snorted.

Nian lie calmed the uneasiness and hesitation in his heart. He squeezed her hand and said in a low and hoarse voice, "

ning, I've told you that I didn't agree to any of her suggestions or requests, and I don't have any intention of getting involved with her. I didn't tell you because I know you mind her.

He was very gentle, as if he was sighing. He even seemed weak, giving ning Qing the illusion that he was weak for no reason.

but for now, you and our child are the most important to me. I don't want anyone or anything to disturb you and make you unhappy. I naturally don't want to tell you about her.

Ning Qing pulled a long face. but she called to provoke me.

Nian lie nodded and pulled her into his arms. I'm sorry. I didn't do enough.

If he had been more careful, today's incident would not have happened.

Ning Qing could tell that he was very tired. In fact, she did not want him to be like this. It was as if everything fell on him.

"Nian lie, I don't need you to do this: " she said seriously:

The man was a little absent-minded. what? "

Ning Qing frowned. I said, I don't need you to bear everything for me. There are some things that I have the right to know and the right to deal with. Although I know you're doing this for me and our child, there are some things that you might not be able to do better than me even if you face them on my behalf."

For example, today.

A woman like Lou qingyue had always been at the peak of her career. No one had ever disobeyed her.

Even if Nian lie rejected her, she would only think that he was playing hard to get, or that he had developed a different kind of desire to conquer her.

If it was her, it might not be the case.

She would make her words clear and would not leave her any face or leeway.

Her heart ached for Nian lie. She wrapped her arms around his waist and said, " I don't want to see you so tired every day. I can handle the matters between women.

"....."

"I'm not so weak that I can't even deal with a love rival," she mumbled.

## [Chapter 1000](#)

1000 A men's ring (1:

Nian lie was amused by her. I just don't want you to be troubled.

Ning Qing looked at him with resentment in her eyes. it turns out that I'm even more annoyed after you did this.

Nian Xi was speechless.

what happened today is because I trust you. Even if you meet her behind my back and she throws the photo at my face, I won't believe it. But I can't say for sure what will happen in the future. If something else happens one day and I don't have time to investigate, our relationship might be destroyed.

Nian lie felt that what she said made sense. At the same time, he felt apologetic, but at the same time, he felt somewhat proud of her.

After all, she was no longer who she used to be.

She still relied on him now, but she believed in her judgment and ability to distinguish right from wrong.

She would not suspect him just because of someone else's provocation. Even if she was angry, she knew to give him a chance to explain.

This was a good thing.

However, for some reason, Nian lie felt an unprecedented sense of unease and fear.

Nian lie, I trust you, and you trust me. We love each other more than before, but that doesn't mean that our feelings are indestructible.

Hearing this, Nian lie's entire body turned cold. what did you say? "

Ning Qing also felt that her meaning was ambiguous, so she quickly held his hand to comfort him.

what I mean is that the current environment and matters are very complicated. Danger is everywhere. No matter how well I'm protected by you, I'll have to show up one day. When I'm exposed in front of people, can you still protect me? "

Nian Yu exerted more force, his face solemn. of course I can!

Ning Qing smiled. I know you'll try your best, but there are some things that I might not need you to protect me with all your heart. I think you should be more honest with me.

"....."

"Rather than letting others protect me, why don't you let me understand the situation and believe that I can protect myself better?"

Nian lie's dark eyes were deep, and the emotions in his eyes were turbulent.

“Ning, you don’t believe me?”

Ning Qing shook her head helplessly. It turned out that he did not understand her at all.

“I just feel that I should have the ability to protect myself.”

The man pursed his lips tightly, as if a storm was coming.

Ning Qing was a little disappointed. forget it, it’s nothing. You’ve been under a lot of pressure recently. I’ve asked the kitchen to make some tonic. Let’s go down and eat earlier, okay? ”

“Alright: : Nian lie replied after: long while:

She held his hand and got up, wanting to walk out.

Nian lie pulled her back and looked at the screen. have you finished drawing this? ”

Ning Qing was stunned for a moment before she realized what he was talking about.

She smiled. not yet. I’ve been free recently and my hand has recovered quite well, so I tried to draw. I think ran ran’s okay for now.

“.....”

“What about you? do you like it?”

“Give it to me,”

This sentence was a little abrupt, and ning Qing almost couldn’t catch up with his train of thought.

“But I haven’t finished the drawing,” she said.

Nian lie stared at her. His eyes were as deep as the bottom of the sea, making it impossible to see clearly.

“I want it.”

Ning Qing was puzzled by his inexplicable stubbornness. He turned his head, and the strange emotion had disappeared. What was left was his usual gentleness and elegance.

“Didn’t you say you wanted to trap me earlier? This ring is seven years late, and you’re still not willing to give me a title?”

Ning Qing found it funny. I was thinking of designing it before the wedding and using it as a wedding ring. If you don’t mind that it’s not perfect enough, you can take it.

Nian lie hugged her again. This time, with her pregnant belly between them, his movements were a little awkward.

He leaned close to her ear and said in a gentle voice,“why would I dislike it?” You’re giving me the best.”

Ning Qing was filled with happiness, and even the doubts she had just had disappeared.

“I’ll send you the picture later.”

“Alright,” he said.
