The Ex-Husband's Revenge By Dragonsky Chapter 285

“He is my secretary and he is living here for now,” Iris explained.

“He lives here? Is he your boyfriend? Are you two officially moving **in** together?” Louisa was shocked and scanned Leon up and down, unable to find anything special about him that might be able to impress a beauty

like Iris.

“**What** are you talking about?? We are just friends. Shut it!” Iris flushed.

“Really? I don't believe a word of that!” Louisa said suspiciously.

“Leon saved my life once and since he didn't have a place to stay, I told him that he can stay here for now...” Iris said.

“I see. Lewd, why haven't you left up until now? Are you going after my cousin?” Louisa stared at Leon warily.

Leon's heart sank, but he was not going to admit that he liked Iris, so he smiled and said, “my name is Leon, not Lewd...”

“Hmph! Whatever! I am calling you Lewd anyway! A lewd man who is after my cousin!” Louisa snorted.

She knew that her cousin was breath-takingly beautiful and any man would fall for her, so Leon would not be the exception unless he was not a man.

Embarrassed, Iris flushed and said, “alright. Stop it!”

“I'm being serious! Don't worry, though, I am here now. If this man tries anything, I'm going to beat him up!” Louisa said while waving her fist in the air.

“I can't take this anymore. I'm heading back upstairs to rest now.” Iris said, before leaving.

Leon knew better than to argue with Louisa and slipped back into his room as well.

The next morning after breakfast, Iris said, “Leon, Louisa needs to go to campus for admission, but there's something that I need to do, so can you send her to school for me?”

“Sure.” Leon nodded.

“Iris, I can go on my own. I don't need him to come along!” Louisa protested.

“No. This is your first day at school and there are going to be a lot of students there. I don't want you to go alone! Leon will go with you!” Iris said decisively.

Feeling defeated, Louisa reluctantly accepted it.

After Iris left, Leon took Louisa to the garage when it was time to go. “Get on, Louisa. I **will** send you to school on a motorbike.” He got onto his motorbike.

Louisa immediately recognized the motorbike he was riding. It was the birthday gift from her mother to Iris and she could not believe that Iris would give it to Leon.

“You are a guy. Aren't you ashamed that you are riding a motorbike made for women, instead of driving a car? What, are you trying to **use** this as an excuse to get close to me?”

She crossed her arms in front of her chest and watched Leon warily as though she was looking at a perverted

man. The backseat of the motorbike was narrow and if she sat on it, she would have to press her body against Leon and the thought alone disgusted her.

“But I don't have a license...” Leon muttered.
