### Chapter 6 - Can You Stop Staring At Me Like That

Liang Zixuan was stunned.

This man's smile was way too charming!

In the past, he always had a cold expression on his face when he was seen on TV or in magazines. It was as if he never knew how to laugh.

That smile was like the first melting of snow and the first blooming of spring flowers. It was truly pleasing to the eyes!

Liang Zixuan almost lost her composure as she quickly shifted her gaze away.

She felt around her body and found nothing but the cell phone and an extremely flat purse.

And Han Yuanjun was short on money?

He earned billions of dollars for his project. No matter how much money he spent, he wouldn't bat his eyelids.

She smiled embarrassedly, "Young Master Han, there shouldn't be anything on me that you can take a fancy to. Other than thank you, I'm really powerless."

Han Yuanjun suddenly stood up. Stood tall and straight beside her.

Liang Zixuan instantly felt an intense pressure envelop her. She looked flustered for a moment before raising her head to meet Han Yuanjun's deep eyes. "Young Master Han?"

Han Yuanjun narrowed his eyes and looked at her chest.

If this were another man, he would be extremely wretched. However, this was Han Yuanjun. Even though he was staring at her chest, people still felt that he was looking at something elegantly.

Liang Zixuan naturally didn't think that Han Yuanjun was interested in her. But as she was being stared at like that by a man, she still felt awkward. Her body quietly moved to the side, trying to avoid his gaze.

Who knew that when she moved, his gaze would follow her too!

Liang Zixuan felt a headache coming on. "Young Master Han, if you have something to say, then say it directly. Can you stop staring at me like that?"

Han Yuanjun didn't say anything for a long time, and his gaze never moved away.

Liang Zixuan suddenly felt goosebumps all over her body. She said helplessly, "Just tell me what do you want?"

Unexpectedly, Han Yuanjun suddenly bent down and pressed his handsome face closer to hers. Liang Zixuan could even feel his hot breath on her face, causing her face to turn red instantly.

Her back stiffened, and she gritted her teeth, not dare to move.

Although he was already so close to her, she was still sure that he knew his limits. Han Yuanjun would definitely not touch her!

Han Yuanjun had a whole new level of respect for her. Unlike any other woman, Liang Zixuan didn't take the initiative to throw herself at him.

If he did that, those women would have already shyly closed their eyes and taken the initiative to pucker their mouths to him.

But Liang Zixuan was different.

Even though she was scared to death, she was still able to hold on with her body.

Han Yuanjun curled his sexy lips and chuckled softly.

Suddenly, he raised his hand and stretched it towards her chest.

This time, Liang Zixuan couldn't remain calm anymore. "Y-Young Master Han! I-I don't have much meat in me. Y-You can't bite me."

When Han Yuanjun heard this, he glanced at her chest and chuckled. "It seems that you have a deep misunderstanding about yourself."

Although he hadn't touched it, Liang Zixuan seemed to have an outstanding figure from the man's eyes. It was enough to make any man think about her.

Han Yuanjun had seen many women before, and those women were boring at first glance, unlike Liang Zixuan, who was naturally attractive as well. This made him have a different feeling towards women for the first time, personally towards her.

Liang Zixuan followed his gaze and saw that his hand was about to touch her. She took a deep breath, "Young Master Han, what kind of woman do you want? You can have them anytime you want.. You shouldn't lower your standard to me."
