

## When His Eyes Opened Read Novel Chapter 3157

**Novel Chapter 3157** -Hazel and Niko came to the largest shopping mall in this city.

Niko followed behind Hazel: "Miss, my primary duty today is to carry your bag. I shouldn't be able to afford the things in this mall. As a result, when you pay the bill later, I will not rush to pay with you."

Hazel laughed loudly: "Don't you and Lucas usually come here to buy things?"

Niko shook his head: "Our things are basically bought in supermarkets. The slightly larger supermarkets sell clothes. And the clothes inside are not too expensive; of course, there is no brand."

Hazel: "I don't care about the brand when I buy clothes myself. But I want to buy better ones for my aunt."

"You are so kind, it's a pity that Auntie is not blessed. Even if Lucas doesn't rely on you, he can make Auntie happy in the future." Niko sighed.

"Yes. So we should cherish the people around us." Hazel said, and saw Paulina Hogan and Mrs. Hogan shopping together not far away.

Hazel immediately dragged Niko into a nearby bakery.

Niko: "Miss, do you want to buy a bag for Auntie? I don't think Auntie should need a bag."

Hazel: "Even if you don't need it, Auntie will be happy when she receives a bag, right? Women like bags. My mother, my sister, and I have a lot of bags. Of course, I also have a lot, and most of my bags are bought by them."

Niko: "Okay! Then you buy it!"

"Brother Niko, you should call me Hazel ! Even our servants call me Hazel." Hazel said, picked up a bag and showed it to Niko.

Unexpectedly, Paulina and Mrs. Hogan also walked in.

Niko took the bag, and first glanced at the tag: "Oh, I'm going! Such an ordinary bag costs \$80,000. Isn't this stealing money?"

Niko's voice reached Mrs. Hogan and Paulina.

The mother and daughter walked towards them both.

Seeing Hazel's eyes looking to the side, Niko also looked to the side.

Mrs. Hogan knew Niko.

Because when Lucas founded Night Technology, Mr. Hogan invited Niko to his home to inquire about some situations.

"Niko?" Mrs. Hogan asked in surprise, "Is this your girlfriend? Is the company you and Lucas profitable? Can you even afford such an expensive bag?"

Niko quickly handed the bag to Hazel. He explained to Mrs. Hogan: "No, it's so easy to start a company! Besides, she's not my girlfriend."

"She's not your girlfriend? Then who is she?" Mrs. Hogan saw that Hazel was well-dressed, so she was very curious.

Niko smiled proudly: "She is Lucas's girlfriend."

Mrs. Hogan was taken aback: "Lucas's girlfriend? Why didn't I know he had a girlfriend! Didn't his father know too?"

Niko : "Then I don't know!"

Mrs. Hogan: "Do you know how expensive the bags in this store are? Since the company hasn't made much money, you dare to come to this store to spend? What a prodigal!"

Mrs. Hogan stated this before glaring at Hazel.

Hazel's expression was calm: "Madam, I didn't spend Lucas's money."

Mrs. Hogan said frivolously, "You didn't spend his money, but you spent your own money? Are you rich?"

"It's okay!" Hazel said, and handed the bag to the store assistance, "Help me wrap this bag."

After finishing speaking, she walked towards the cashier.

Mrs. Hogan looked at Hazel with a look of envy.

When Niko was about to walk towards Hazel, he was caught by Mrs. Hogan:  
“Niko, what is the background of that woman? Is her family rich?”
