

A WARRIOR UNDEFEATABLE/

A Man Like None Other Chapter 4082

A Man Like None Other Chapter 4082-Harlan looked pale and helplessly at Jared. The power of the Divine Flame Seal was too immense for Harlan to withstand. Fortunately, he still retained his cultivation and had just left the Violet Flame Sect.

“Winston, are you willing to leave the Violet Flame Sect with me? I promise to treat you well.”

“You have followed me for years and offended Dario and others. If I leave, will you be able to have a good life?”

Harlan wanted to take his men with him.

At this moment, Winston and the others were a little scared. They didn't want to leave the Violet Flame Sect because they would have no place to live and resources would be hard to obtain. But if they stayed, Dario and others would retaliate, and that would be troublesome.

Just as Winston and the others were hesitating, Gael said, “Let bygones be bygones. If anyone wants to leave, I won't stop them.”

“Don't listen to him. If you stay now, you will definitely face retaliation in the future!” Harlan shouted.

“If you trust me, you can stay. If you don't, then go!” Gael waved his hand, and Dario and the others made way.

Seeing this, Winston and the others looked at each other and then knelt on the ground. “We trust Gael and are willing to die for the Violet Flame Sect.”

Harlan saw this and realized he was doomed. No one was willing to follow him.

As the saying goes, when the tree falls, the monkeys scatter. Now that he was nothing, how could anyone follow him?

“Good, good, good...”

Harlan said “good” three times in a row and then quickly left the Violet Flame Sect. He feared that if he stayed, Gael would change his mind and deal with him, which would be troublesome.

After Harlan left, Jared looked at Gael and said, "Mr. Ortiz, this Divine Flame Seal is the treasure of your Violet Flame Sect. I will use it to refine the ultimate fire fusion technique and then return it to you."

The Divine Flame Seal originally belonged to the Violet Flame Sect. If Jared took it away, the future development of the Violet Flame Sect would be hindered.

Jared only came to learn the fusion of the ultimate fire. Although the Divine Flame Seal was a very powerful treasure, Jared couldn't be greedy.

He had already learned the two ultimate fires of the Violet Flame Sect and the True Fire Dharma Body. More importantly, he had inherited the skills of Drei, the first master of the Violet Flame Sect.

If he took the Divine Flame Seal away, it would be too unfair.

In that case, how could the Violet Flame Sect develop in the future?

"Since the Divine Flame Seal has recognized its master, then you are the master of our Violet Flame Sect. How can the master hand over the Divine Flame Seal?" Gael smiled faintly.

"No, no, no, I can't be the master of the Violet Flame Sect. Besides, I am being hunted by the Demon Sealing League, which would bring trouble to the Violet Flame Sect. And I have no fixed place to live. I won't stay in one place for long, so it's not suitable at all!" Jared shook his head repeatedly.

But Gael smiled slightly and then bowed to Jared. "Greetings to the new sect master."

Seeing this, Dario and the others also knelt on the ground. "Greetings to the new sect master."

Judd, Carla, and others looked at Jared excitedly.

They were happy for Jared becoming the new sect master.

Jared looked at the disciples of the Violet Flame Sect who were kneeling and smiled bitterly.

He seemed to understand Gael's intention, so he said, "Okay, since you all nominated me, I will reluctantly accept. Everyone, get up!"

"Mr. Ortiz, what should we do with this guy?" Judd pointed at Carlo, who was so scared he couldn't walk.

Jared looked at Carlo, who was kowtowing repeatedly in fear.

“Lock him up first. He is good at formation techniques, so keep him for now.”

Jared wanted to use Carlo to explore the details of the Duad Formation Sect, but not now. Now Jared had to hurry up and practice the art of fire fusion.

After briefly explaining a few things to Gael, Jared said, “I am going to the Divine Flame Mountain now to practice the technique of ultimate fire fusion. All matters within the sect should be managed by Gael.”

After Jared finished speaking, he jumped and headed straight for the Divine Flame Mountain.

A Man Like None Other Chapter 4083-Imperial Fox City!

Catina (Fox Queen) was sitting on the throne of her palace with an extremely solemn expression. Feenix and Cloud stood beside her, and everyone looked unhappy.

“Fox Queen, the spirit boat is ready. Let’s leave quickly. Once the city is broken, we can’t escape.”

“Don’t worry. As long as Mr. Chance comes back, I believe he will help you take back Imperial Fox City!”

Cloud persuaded Catina.

“Catina, don’t be stubborn. If the master comes back and finds that you died in battle, he will be sad. Don’t you see that the master likes you very much? When he is with us, he always spends more time with you!”

Feenix also persuaded Catina.

But Catina had tears in her eyes, biting her lips tightly, and her face was full of fear.

This was the kingdom she had worked so hard to build, but now it was going to be taken away by others.

Just as Catina was hesitating, Winona rushed in with scars all over her body.

“Fox Queen, the people of the Ferguson family are about to break in. Let’s go quickly! As long as we survive, we can come back one day!”

Winona persuaded Catina.

Catina looked at Winona, who was covered in scars, and finally nodded. She didn’t want to see Winona, who had taken care of her all her life, die here.

After Knox's death, the Ferguson family knew that their hope of cooperating with Imperial Fox City was shattered, so they gathered many people to attack Imperial Fox City.

The Ferguson family was backed by the Whalreth League, and there were rumors that Jared was in Imperial Fox City, so many people had their eyes on it.

Now Imperial Fox City was about to be broken, and by that time, Catina couldn't escape even if she wanted to.

Catina followed Feenix and the others to board the airship, which quickly flew away from Imperial Fox City.

Because no one expected an airship in Imperial Fox City, no one stopped it for a while.

Catina looked at the ruins of Imperial Fox City and the bodies of those people, and her heart ached.

"Where are we going now?" Cloud asked.

Cloud wasn't very familiar with the Central Region. He had only been to the Seizon family in the Central Region.

"Go to the Western Region. I lived in the Western Region before coming to Imperial Fox City. Let's hide in my house for a while!" said Winona.

"Winona, you're from the Western Region? I never heard you mention it!" Catina was surprised.

"I've been away from home for decades and didn't want to mention it." Winona smiled bitterly.

There was obviously a reason why Winona left, so she hadn't mentioned it for so long.

If it weren't for this situation, Winona probably wouldn't have said anything.

Winona had super high medical skills, which is why she was left in Imperial Fox City.

Human cultivators and pharmacists are rare, especially among the beast race, so Winona was taken in by Imperial Fox City for this reason.

"How do we notify the master? He is still in the Violet Flame Sect. If he goes to Imperial Fox City to find us, wouldn't he be walking into a trap?" Feenix asked.

"I can't contact Mr. Chance with the sound transmission jade slip. He is probably practicing now. I will contact him when I get the chance!" Cloud said.

The airship flew towards the Western Region. Fortunately, the people of the Ferguson family did not chase them.

At this time, Jared was sitting on the Divine Flame Mountain, with his eyes slightly closed, exhaling turbid air, holding the Divine Flame Seal close to his chest.

Buzz!

Waves of flames continued to spread, and in this flame, a magnificent and pure breath flowed.

The six fires constantly rotated around Jared.

Boom!

Suddenly, the sky and earth changed color, and the wind and clouds rolled back.

This sudden change made many people in the Violet Flame Sect look towards the Divine Flame Mountain.

“Dad, it’s been three days. Will Jared be okay?”

Juliet looked at the sudden change in the Divine Flame Mountain and asked with concern.

A Man Like None Other Chapter 4084-Gael said, “I don’t know either, but when I merged the Ultimate Fire, there wasn’t such a big commotion. It might be because Jared has too much Ultimate Fire! Let’s go and see what’s happening.”

Gael led Juliet and the others straight to Divine Flame Mountain.

When they arrived at the foot of the mountain, they looked up and were surprised to see six different colors of auspicious clouds in the sky. These clouds condensed above Divine Flame Mountain and began to merge.

The Ultimate Fire around Jared’s body was also merging and protecting him. Above his head, the origin star of fire flashed, emitting constant light. Soon, countless lights filled the air, forming a bright and gorgeous galaxy. Thousands of starlights gathered and poured into Jared’s origin star. Everyone who saw this scene was stunned, their breaths rapid.

They felt the breath of the origin of fire, but how could Jared have so many origins of fire at once? The six ultimate fires merged, turning into the power of origin and pouring into the origin star. Jared’s breath rapidly increased. The colorful auspicious clouds slowly disappeared, leaving behind the pure essence of the ultimate fire, which entered Jared’s body.

Boom!

Jared's body roared, sending a visible wave of air around him. The auspicious clouds that had just dispersed above his head condensed again, but this time into a dark thundercloud.

"Damn, is Jared going to break through again?" Judd exclaimed.

Dario glared at Judd. "This is the master, not Jared."

"Yes, the master is amazing. How could he break through so quickly?" Judd corrected himself repeatedly.

Gael, Juliet, and the others were also shocked. Lightning flashed in the thundercloud, and soon thunderbolts fell from the sky, hitting Jared continuously. Jared, excited, didn't feel the pain.

After the thunder, Jared's body rose into the air, his sixth-level Crossing Tribulation Realm aura filling Divine Flame Mountain. Holding the Divine Flame Seal, Jared felt elated. He didn't expect such a large amount of energy in the seal to help him reach a higher realm.

After Jared's improvement, the Divine Flame Seal's aura weakened. His consciousness sank into his body, seeing the origin star of fire shining brightly in his origin space. This star was much brighter than the others. Jared descended, his restrained breath still exuding pressure. A mere sixth-grade Crossing Tribulation Realm radiated natural pressure, chilling everyone.

"Jared, you're amazing. I didn't expect you to merge the ultimate fire and improve your realm," Juliet said happily.

"Congratulations, Jared. You've improved your realm in just three days, which is unheard of!" Gael added.

"Thanks to Mr. Ortiz's guidance and this Divine Flame Seal. Without them, I wouldn't have improved so quickly," Jared said with a smile. He knew his rapid improvement was also due to inheriting Drei's skills.

A Man Like None Other Chapter 4085- "You are too modest. This is all because of your extraordinary talent. Now that you are the leader of the Violet Flame Sect, its future development depends on you!" Gael said, laughing.

"No, no, no, my position as leader is only temporary. I will leave after I finish dealing with things. At that time, I will pass the leadership to Juliet," Jared said hurriedly.

He thought Gael wanted him to be the leader to eventually pass the position to Juliet. If Gael passed the position directly to Juliet, some elders might not accept it. The Violet Flame Sect leadership wasn't hereditary, so Gael passing it to his daughter seemed inappropriate. By having Jared pass it to Juliet, it could silence any opposition.

Jared misunderstood Gael's intention. Gael genuinely wanted Jared to be the leader.

"Juliet is a woman. She will get married sooner or later and isn't suitable to be the sect leader. Unless you marry Juliet, she can share the responsibility with you," Gael said.

"That's not possible," Jared waved his hand. He couldn't marry Juliet.

Jared had promised himself that his first wedding would be with Josephine. Despite Josephine's unknown whereabouts, Jared firmly believed she was waiting for him. Though Jared had many women and had physical intimacy with several, he wouldn't give his first wedding to anyone else.

"Why, do you think I'm not worthy of you?" Juliet asked, a little aggrieved.

"No, Juliet, you have a great figure, good skin, and you're stunningly beautiful. Any man would like you. It's just that I already have a girlfriend, and many confidantes. I've already had physical intimacy, so... I'm not worthy of you," Jared explained hurriedly.

When Juliet heard this, she laughed. She thought Jared looked down on her!

Gael laughed too. "What does it matter? Since you can't marry, let Juliet be your confidante. In this world, it's normal for a man to have three wives and four concubines. Cultivating together if you have feelings for each other helps to improve strength."

"Yes, you don't have to marry me or give me any status. The world doesn't care about these things. As long as you have me in your heart, it's fine," Juliet said, approaching Jared and taking his hand.

Judd and others drooled. The woman they could only dream of was now approaching Jared and even offering herself. This was the gap between people!

Seeing this, Jared didn't say anything more. Juliet had taken the initiative to such an extent that refusing her would seem shameless. Besides, Juliet was truly tempting. When he thought of that night, when he accidentally saw Juliet's body, he still felt a rush.

When everyone returned to the Violet Flame Sect, Jared immediately went to find the imprisoned Carlo.

Carlo was in the dungeon of the Violet Flame Sect, with magic arrays set up by Rohan around him. He looked disheveled, having lost his earlier high spirits.

Hearing the voice, Carlo slowly said, "You are finally here..."

"Have you been waiting for me?" Jared was a little surprised.

"Of course, do you think the magic arrays around can trap me?" Carlo raised his head and smiled.

Jared glanced and laughed. These arrays couldn't really trap Carlo. Carlo's array technique was superb. But Jared didn't understand why Carlo didn't escape but waited for him.

"What are you waiting for me for? Do you want to beg me?" Jared asked.
