

A WARRIOR UNDEFEATABLE/

A Man Like None Other Chapter 4224

A Man Like None Other Chapter 4224-“Ouyang Island Master, I’ll leave this guy to you.” David handed Wang Qingshi to Ouyang Xing!

After all, the Zhantian Sect has killed many disciples of Yaoshen Island, and Ouyang Xing just took out his anger on Wang Qingshi! “Fellow Daoist Chen, thank you very much.

My Yaoshen Island is in this state now, and I really can’t repay you!” Ouyang Xing said with some shame!

“Ouyang Island Master, you are thinking about all the pharmacists in the Tianren Realm and you are willing to resist the Zhantian Sect alone.

What I have done is nothing.” David comforted Ouyang Xing, and then glanced at the sea and found that the spirit boat of Su Tianshuo and others had disappeared.

He was shocked and said, “Where are Su Tianshuo and others?” “It’s bad, let them run away, no one noticed it just now!” Chen Wenliang saw this and said anxiously! “They can’t run far, let’s chase them quickly!” Zhen Yuandao said!

“Yes, hurry up and chase...” Zhou Qian also asked them to hurry up and chase!

“Ouyang Island Master, let’s say goodbye now.

We will meet again at the Pharmacist Conference next year!” David bowed to Ouyang Xing!

“Then I will wait for you, Fellow Daoist Chen!” Ouyang Xing also bowed!

Just when David and the others were about to leave, Wang Qingshi said, “David, can you tell me what you drew on my giant sword at that time that suppressed my blood rune?” “If you tell me, I will die with my eyes closed!” “Okay, then I’ll tell you, what I drew at that time was the divine rune...” David said slowly!

“Divine rune?” Wang Qingshi was shocked, his eyes widened, his face full of disbelief, and he muttered to himself after a long time: “Divine rune, it turned out to be a divine rune, it seems that I didn’t lose unfairly at all...” Ouyang Xing and the others didn’t know what the divine rune was, but looking at Wang Qingshi’s appearance, the divine rune must be very powerful!

David and his team drove the spirit boat to chase Su Tianshuo and others, while Ouyang Xing took Wang Qingshi and the remaining disciples of Yaoshen Island back to Yaoshen Island!

“President Su, they are catching up.

We have to speed up.

If we escape to the Western Region, these guys probably won't let us go.” Bao Longxing was so scared that he trembled all over when he saw David and his team driving the spirit boat to catch up!

Su Tianshuo certainly knew that even if they arrived in the Western Region, Chen Wenliang and David would never let them go!

The best way now is to destroy David and his team on the vast ocean!

It's just that they can't be David and his team's opponents at all!

Even the Zhantian Fazong was destroyed, and Wang Qingshi was captured.

How could they be opponents!

“Okay, stop talking, I know, you are chattering in my ear, are you annoying...” Su Tianshuo glared at Bao Longxing!

He knows everything, but what can he do? “President Su, if we don't go to the Western Region Continent now, maybe there is still a way to destroy those people behind us. this time, an old man in white walked up to Su Tianshuo and Bao Longxing!

Su Tianshuo and Bao Longxing both looked at the old pharmacist, and all frowned slightly!

Because none of them knew this person!

Although the Western Region Pharmacist Association, the Bao family, and the Diao family were the leaders this time, there were other pharmacists joining them!

It's just that the power of these pharmacists is relatively weak, so they don't have much say!

This old pharmacist is just a casual cultivator, and he also joined Su Tianshuo and wanted to get some benefits, but he didn't expect this result!

“Who are you?” Su Tianshuo frowned slightly!

“President Su, my name is Feng Xing, and I am from the Feng family in the Central Region.

I learned to be a pharmacist just because I have to refine pills since I was a child.” “I have always been on this sea in the Western Region, so I am more familiar with this sea.” Feng Xing said!

A Man Like None Other Chapter 4225

A Man Like None Other Chapter 4225-“You are from the Central Region, why did you come to the Western Region to mess around?” Bao Longxing asked!

“For the entire Tianren World, the Western Region has the most pharmacists and the most pharmacist families.” “And the Western Region Yongle City is the location of the Western Region Pharmacist Association, and it will also hold a pharmacist conference, so I don’t have a master, I can only learn here secretly.” “Yongle City is close to the sea, so I am very familiar with this sea, and I have been to Yaoshen Island many times!” Feng Xing explained! Su Tianshuo nodded when he heard it.

For someone like Feng Xing, whose family is not a pharmacist family, it is really difficult for him to become a pharmacist and learn alchemy alone!

He can only rely on self-study and stealing skills, and in Yongle City, he can communicate with many pharmacists and grow the fastest!

“Just now you said that you can destroy those people behind, what’s the matter?” Su Tianshuo asked!

“President Su doesn’t know that we should not go back to the Western Continent now, but turn south.

In about an hour, we will enter a storm sea area, where storms will blow regularly!” “I heard that the storm comes from the giant beast deep in the seabed.

There will be a fixed date every year.

As long as we lead the people behind us to the storm area, we can use the storm to destroy them and let them go to the bottom of the sea to feed the monsters.” Feng Xing said! “Then won’t we also encounter storms and feed monsters?” Bao Longxing asked puzzled!

“Master Bao can rest assured.

I am familiar with the path of the storm.

I will avoid the storm before the storm comes.” “Now we only have this way to go.

If we continue to go to the Western Continent, we probably won't see the continent and will be caught up by them." Feng Xing explained!

Bao Longxing was silent because he didn't know whether to believe this Feng Xing!

After thinking for a moment, Su Tianshuo immediately said loudly: "Turn the rudder and head south..." Su Tianshuo decided to believe this Feng Xing once, after all, what he said was true! In addition to this method, Su Tianshuo couldn't think of a better way to save his life!

The spiritual boat changed its course, and under the urging of the spiritual power of many pharmacists, it sailed rapidly towards the distance!

In this way, they will be farther and farther away from the land!

Seeing that Su Tianshuo and others suddenly changed their course, David and the others were all a little confused!

"What's the situation? Why did Su Tianshuo and his people change their course? Don't they want to go back to the Western Region?" Chen Wenliang said very puzzled!

"Did this guy see that we are about to catch up, and know that even if he escapes to the Western Region, we will not let him go, so he plans to escape to another place?" Zhen Yuandao said!

"Where is he escaping? This direction seems to be heading south, where there is a vast sea and no land.

"I'm afraid there is not even an island?" Zhou Qian said very puzzled!

David frowned and kept looking, because he didn't know what Su Tianshuo and these guys were going to do. "Maybe, I know what they want to do!" At this time, Zhong Qing spoke!

"Senior Zhong, do you know?" David looked at Zhong Qing!

"They should be heading for the Storm Sea.

On their spirit boat, there must be someone who has been here for many years." Zhong Qing said!

"Storm Sea?" Everyone was stunned!

"Why haven't heard of such a sea in all these years?" Zhen Yuandao asked!

"This Storm Sea is not a place where the wind blows every day, but there is a time.

I don't know the specific time." "But I heard from others that this storm is too scary, and there are very scary monsters in that area." "I think Su Tianshuo must have led us to the Storm Sea, and then let us

encounter the storm and all perish." "This guy is too vicious..." Zhong Qing explained!
