Married at First Sight Chapter 2333-Ten minutes later.

After Serenity changed her clothes, her man led her out of the room and went downstairs.

Evan and Grandma May had their breakfast in the dining hall.

Seeing the young couple coming in, Evan immediately stopped eating breakfast, and stood up, said, "Sister-in-law."

"Um."

Serenity was used to the respect her brother-in-laws have for her, and she also knew that everyone respected her because of Zachary.

She motioned Evan to sit down.

"grandma."

Serenity called Grandma May.

Grandma May asked lovingly: "Is it better today?"

"As usual, I don't know if it will be better in a month."

"It will be fine." Grandma May said and looked at Zachary twice.

Serenity kept vomiting like this, her eldest grandson would feel badly.

"Seren, Zack got up early and prepared breakfast for you." Grandma May smiled, "I'm blessed by you."

"Grandma, don't call me so unfilial. As long as grandma wants to eat, which one of us dare not cook?"

Zachary refuted grandma.

Evan complained to Serenity, "Sister-in-law, my elder brother is too stingy, he didn't cook me breakfast, I came here as a guest, and my elder brother

actually asked me to cook by myself, you have to talk about my elder brother, he is too stingy.”

Serenity smiled and looked at her husband: “Zachary, you are also a little stingy; Evan rarely comes here and you don’t treat him well, and ask him to cook for himself.”

Zachary: “We are a family.”

Serenity felt that what Zachary said made sense, so she said to Evan: “Evan, your brother said that we are a family, so don’t be so polite. When you come over in the future, you can cook whatever you want.”

Evan: “...”

After breakfast, after a short rest, Zachary took Serenity to try on the wedding dress.

Evan stayed and pestered grandma for a long time, but couldn’t make grandma change her mind, so he had to leave angrily.

As soon as Evan left, Grandma May immediately yelled: “Sam, Sam.”

Sam walked in while answering.

“Madam, what’s the matter?”

Grandma May: “Quick, prepare the car for me, I’m going back to the Wildridge Manor.”

Sam asked with concern: “Old Madam York, you’re in such a hurry to go back to the villa, is there something wrong with the Wildridge Manor?”

“Wildridge Manor is fine. That br*t Julian took his woman to visit Wildridge Manor. How can I, the owner of the Manor, not entertain some distinguished guests?”

In fact, she just wanted to meet Kiera herself.

Sam didn’t realize it for a while. He didn’t know who Julian was. It took him a while to realize that Julian was probably the young master of the Bucham family.

Their old lady liked to watch good plays the most.

Julian had never been in love or married, and Patriarch Bucham was so anxious that he went around to help Julian choose, and then arranged for him to go on a blind date.

Sam was very surprised to hear that Julian took a woman to Wildridge Manor suddenly.

Wildridge Manor was the big residence of the York family.

It was not open to the outside world.

Even those with contacts with the York family were only allowed to enter and leave Wildridge Manor if they had a very good relationship with them. When they were in regular relationships, the majority of them met at the Wiltspoon Hotel.

The Bucham family had close contacts with the York family and had a deep relationship.

It's normal for Julian to freely come and go in and out of Wildridge Manor.

What was unusual was that Julian had brought a woman with him.

Patriarch Bucham arranged countless blind dates for his son, but to no avail.

When did he have a successful blind date?

He had to take his blind date to Wildridge Manor. Was this the identification of the other party?

Grandma May: "Sam, what are you still doing in a daze, hurry up and help me prepare the car, I'll go back now."

Seeing that Sam was still in a daze, Grandma May urged him again.
