

When His Eyes Opened Read Novel Chapter 3141

Novel Chapter 3141 -Hazel wanted to cry but had no tears: “Mom, you don’t know, elder brother found a very beautiful woman to seduce Lucas, but Lucas didn’t take the bait.”

Avery smiled faintly: “I picked that woman.”

Hazel was shocked.

“Your brother gave me some pictures of women and asked me to help me choose, so I chose Greta.” Avery explained her reasons, “Greta is really good-looking! Obviously, her facial features look a bit pure, But her eyes are very enchanting...”

Hazel: “Mom, Lucas may like girls who are more simple. Girls who are too beautiful may be too aggressive to him.”

Avery: “But mom thinks you are prettier than Greta! I suspect that he may have seen you, so he can’t see other women.”

Hazel: “...Mom, you look down on me too much. Although I am a bit pretty, Greta is still prettier than me.”

Avery: “Both of you are not of the same type. You are not only beautiful and intellectual, but also youthful and energetic. Greta doesn’t have your vigor.”

Hazel: “Okay! What is the second test that elder brother gave Lucas?”

Avery: “Your elder brother didn’t tell me about it. If you ask your elder brother, he won’t tell you. What if you inform Lucas?”

Hazel: “I wouldn’t tell him! Before Greta went there, I knew she was sent by my elder brother, so I didn’t tell Lucas.”

Avery: “How do you know that Greta was sent by your elder brother?”

Hazel pursed her lips, not wanting to betray her sister.

Avery saw through her daughter’s thoughts at a glance: “Did your sister tell you?”

Hazel: "I begged my sister to tell me. But I really didn't tell Lucas. If I told Lucas, it would be equivalent to revealing my own identity. In fact, I really want to know if he can resist the temptations of the outside world."

The three came to the venue for the wedding ceremony.

It was decorated with a lot of green trees and flowers, just like coming to a beautiful forest and garden.

Hazel liked it very much, and asked her mother: "Whose idea is this arranged?"

Avery: "Of course it is arranged according to Joanna's preferences. Your elder brother is not interested in such things."

Hazel: "Hahaha! When will elder brother start taking vacation?"

Avery: "I guess it's the day before the wedding. Because he has already agreed to take Joanna abroad for the honeymoon."

"That's great!" Hazel took out her mobile phone and handed it to her mother, "Mom, take a picture for me."

Hazel walked onto the stage and made a cute pose.

Avery immediately took a few photos of her.

Hazel walked to her mother, took the phone, and saw how her mother took the picture.

"Don't worry, it's okay for me to take pictures of you with my eyes closed. Because you are beautiful, you can look good no matter what you take." Avery boasted.

Hazel: "That's not because my parents are good-looking."

Avery: "I've prepared some dresses for you on the wedding day, let's go and have a look now."

Hazel: "Okay!"

When Hazel was in Thopiavelle before, Avery ordered dresses for her family to wear on the wedding day. Because Hazel was not there, Avery sent pictures to Hazel for Hazel to choose.

Now all the staff on the wedding day had settled down on the island.

And everything needed for the wedding had now been shipped to the island.
