Married at First Sight Chapter 2408-When they did something to hurt her, did they ever think that they were still related by blood?

Serenity was like this, with a clear distinction between grievances and grudges, kindness for kindness, and grievances for grievances. It was impossible for her to repay grievances with kindness.

She's not that great, she's not a saint, she's bullied, and she could smile and tell people it's okay.

Sitting in front of the dressing table, letting the makeup artist do her makeup, Serenity was sleepy.

"Auntie."

Sonny stood aside and watched the makeup artist help Serenity make up, and when he saw that she was sleepy, he yelled.

This is what Liberty asked Sonny to look at Serenity.

Serenity opened her eyes.

Sonny said: "Auntie, uncle is on his way here, you can't fall asleep."

The makeup artist smiled and said: "I have put on makeup for many brides, and your aunt is the first one I have ever seen wearing makeup on Dozing off bride."

Serenity said embarrassedly: "I get sleepy easily, and Ms. Goulet laughed at me."

Ms. Goulet: "Understood. You didn't sleep well, and Mr. York probably didn't sleep well either."

Serenity: "He didn't sleep well, but he will be in good spirits."

Usually, when pestering her for half the night, she would be terribly sleepy, and Zachary would still be in high spirits. If it weren't for her body that couldn't bear it, Zachary would still want to try if he could be a man seven times a night.

Ms. Goulet: "Every happy event is refreshing. Miss, You're just pregnant, so you're prone to sleepiness."

Under normal rest conditions, Serenity was lethargic, not to mention that she didn't get enough sleep last night.

Serenity: "I don't know how long it will take before I don't feel drowsy."

Ms. Goulet said: "When I was pregnant, in the first trimester, I also wanted to sleep every day. I always felt that I didn't get enough sleep. I wanted to sleep until the sky was dark, and I would be fine later."

"I also want to sleep." Serenity yawned again.

Sonny asked Serenity: "Auntie, do you want chili?"

He took out a small handful of chili from his trouser pocket and pointed to Serenity.

Serenity: "..."

Sonny also said: "Auntie, this chili is so spicy that it makes me cry, and then I won't be able to sleep again."

Several bridesmaids and Ms. Goulet all laughed.

Elisa picked up Sonny and asked him, "Where did you get it?"

Sonny: "I went to the kitchen to get them, and there were a lot of them, so I just grabbed a handful."

Elisa: "Who told you to eat chili to energize yourself when you're tired?"

Sonny said honestly: "No one told me, I just went into the kitchen and saw a lot of chili, took a bite of one, and cried, and then found that I was no longer sleepy, so I grabbed it. I took a handful and took it with me, thinking about getting sleepy again, just take a bite."

"Auntie, would you like to try it? It's so spicy."

Elisa smiled and said, "Auntie doesn't like spicy food, Auntie doesn't like spicy food. Not sleepy either."

Serenity laughed and said, “I saw a handful of chili that Sonny took out, which has already scared away the sleepy people, so I don’t dare to get sleepy anymore.”
