

Crippled 301

Chapter 301: What Do You Have In Mind?

Cheng Songyang was handsome and had been keeping fit. He was slender, polite, and charming. He fit the image of prince charming.

Seeing Cheng Songyang's attitude, Bai Youyou was shocked. She subconsciously raised her hand to rub her chin and said in a hoarse voice, "What... What do you want?"

"Nothing." Cheng Songyang smiled. "Miss Bai is right. I do have a favor to ask from the Bai family. But Miss Bai doesn't want to marry me. I have no choice. I can't really take the risk to commit crimes. I can only think of a way to please Miss Bai. I hope Miss Bai can help me put in a good word in front of your father." Cheng Songyang shrugged and said with a smile, "It's okay if Miss Bai doesn't agree to my proposal. Maybe you don't like Ji Yan that much, or maybe Miss Bai doesn't like me and doesn't want to cooperate with me."

"You... What can you do?" Bai You was skeptical. She couldn't forget Cheng Songyang's crazy look, but the temptation of getting Ji Yan was too great, so great that she was willing to throw away everything to believe that Cheng Songyang could do it. She pursed her lips and pressed on, "Tell me, what can I do to win back Ji Yan? As long as your method is effective, I will definitely convince Daddy to cooperate with you."

Bai Youyou knew that Cheng Songyang had a proposal that he hoped her daddy could invest in during this period of time, but her Daddy had been hesitating and felt that the risk was too great. Bai Youyou ignored her father's anger because of the incident today. For the sake of the desire in her heart, she couldn't help but say again, "Hurry up and say it!" Her expression was filled with urgency.

Cheng Songyang smirked mockingly. This woman was really pitifully stupid. He lowered his eyes to cover the contempt in his eyes. He smiled and lowered his voice, "Actually, this matter is very simple. It depends on how far Miss Bai can go for Ji Yan."

"As long as I can get him, I'm willing to risk my life!" Bai Youyou said without hesitation. "I don't want to lose him again!" Previously, she had been locked up at home by her father. She had not been able to appear in time to comfort Ji Yan and accompany him when he was injured. This was her greatest regret. If not for this, she would be the one married to Ji Yan now. It was all Shen Hanxing's fault. She was the one who stole everything! She was the one who knew Ji Yan first. She had liked Ji Yan for thirteen years. Why should Shen Hanxing snatch him away? She was unwilling to accept it!

"If that's the case, I have an idea." Cheng Songyang smiled slightly and whispered a few words into Bai Youyou's ear. Bai Youyou's expression changed from anticipation to shock, and finally to nervousness. She unconsciously clenched her fingers, and her red and swollen eyes were filled with unease. "Is this really okay?"

"If Miss Bai is afraid, then forget it." Cheng Songyang shrugged nonchalantly, he said casually, "After all, I'm only making a suggestion. Men understand men the best. Miss Bai is beautiful and comes from a noble background. You have sincere feelings for Ji Yan. No man can resist such strong love, not to mention the pressure of public opinion..." He smiled and added, "Of course, there is a certain risk

involved. If Miss Bai doesn't dare, then just pretend I didn't say anything. Perhaps one day, Miss Bai's sincerity will really be able to move Ji Yan?"

No, Bai Youyou knew this very well. This time, after returning to the country, she had already understood how cold and detached Ji Yan, whom she had deeply loved for many years, was. When he had decided on Shen Hanxing, his gaze fell on Shen Hanxing alone, and no one could take a single bit of his attention away from her. No matter how unwilling she was to admit it, Bai Youyou had no choice but to admit that perhaps in Ji Yan's eyes, it was a waste to even give her a single glance. Perhaps, only by giving Ji Yan a heavy blow would he be able to see her and understand how much she loved him.

Bai Youyou's eyes lit up bit by bit. She seemed a little crazy and a little infatuated. She seemed to have fallen into some sort of fantasy. "No, I can't wait any longer. I can do it. For Ji Yan, I'm not afraid of anything." After saying that, she stared straight at Cheng Songyang. With a determined expression, she said, "I agree to your plan."

The corners of Cheng Songyang's mouth curled slightly, and a trace of mockery flashed in his bespectacled eyes. See? This was a woman who was in love. She was very gullible.

.....

Chapter 302: Thank You

After Bai Youyou finished speaking, she pushed Cheng Songyang away and left. Cheng Songyang stood in the shadow in the corner of the tall building and watched her walk away. There was a gentle smile at the corner of his mouth, as if he was a knight who had seen a princess leave.

"Mr. ... Mr. Cheng?" Shen Sisi, who was wearing Si Cheng High School's uniform, stood not far away. She looked at Cheng Songyang in disbelief. Upon closer inspection, there was an undisguised surprise in her eyes. She took a step forward and shouted, "Is it really you?" Although the mask covered half of her face and her expression couldn't be seen clearly, Shen Sisi's pair of beautiful eyes that were exposed outside curved up, showing her good mood.

When Cheng Songyang saw this, the smile on the corner of his mouth deepened. He had just sent away a prey when a new one came to his doorstep. He adjusted his glasses and walked to Shen Sisi with a smile. He said gently, "What a coincidence. I didn't expect to meet Miss Shen here. Where are you going? Shall I send you?"

"I... I just happened to be here for dinner." Cheng Songyang looked handsome and gentle, while his eyes were filled with deep affection. Shen Sisi couldn't help but blush. She looked up at him shyly. "Where's Mr. Cheng? What were you looking at just now?" She looked in the direction Cheng Songyang had looked, but she didn't see anything.

"I... Miss Shen should know about my fiancée, Miss Bai Youyou, right?" The corners of Cheng Songyang's mouth showed some bitterness. He lowered his head and said indifferently, "Because of this, I am now a joke in the upper-class circle."

"Mr. Cheng, please don't say that." Shen Sisi couldn't help but frown. She felt sorry for Cheng Songyang. At the same time, she blamed Bai Youyou. How could she bear to hurt such a gentle man? Thinking of Bai Youyou going crazy for Ji Yan, and even daring to express her love for Ji Yan after the live broadcast

was exposed, Shen Sisi hated Bai Youyou even more. Idiot. She couldn't even do a good job of framing Shen Hanxing. In the end, she even caused Cheng Songyang to lose face.

Thinking of this, Shen Sisi couldn't help but take a step forward to comfort him. "Mr. Cheng, this isn't your fault. No one will laugh at you. It's Miss Bai..." She tucked her long hair behind her ears, and her thick eyelashes trembled. She said softly, "I know that it's not appropriate for me to say these words, but I still think that Miss Bai Youyou is too impulsive. She doesn't care about your status at all. Even with a gentle boyfriend like Mr. Cheng, Miss Bai still doesn't know how to cherish him. She's too willful."

When Cheng Songyang heard Shen Sisi's words, the smile in his eyes deepened. He sighed. "Thank you..." He raised his hand as if he wanted to touch Shen Sisi's hair, but he restrained his hand as he thought of something. He lowered his eyes and said, "Thank you, Miss Shen, for comforting me. My mood is much better."

"I... I'm not comforting you. I'm sincere." Shen Sisi was anxious, she couldn't help but blurt out, "It wasn't your fault to begin with. Don't be sad because of Miss Bai's actions. You're so nice. She's not worth it."

Cheng Songyang looked at Shen Sisi's eyes that were wide open because of her anxiety. There was a slight smile in his eyes. Under his gaze, Shen Sisi's face suddenly flushed. This man was really handsome and gentle. He was a completely different type from Zhuang Li. Unfortunately, after the Cheng family left the Ji Corporation, their power wasn't as great as before. They couldn't even compare to the Shen family. In this regard, Cheng Songyang wasn't worthy of her.

Shen Sisi was a little disappointed, but her heart was beating faster and faster. Under Cheng Songyang's gaze, she lowered her head shyly. "I... Did I say too much?" She tapped the ground with her toes in embarrassment. She said softly, "I'm sorry, I was too angry. What I said was a little rude..."

"No, you're very cute like this." Cheng Songyang smiled slightly. He looked at Shen Sisi's hair and said softly, "I'm really happy that you think that way. I know that you don't think I'm a joke, like the others. I also feel relieved. I don't care what others think of me, but I really don't want you to think that I'm useless." His voice sounded a little low, but he was still gentle. "It's great to know that you don't think that way now."

Shen Sisi's face turned even redder. Cheng Songyang... why did he care so much about her opinion? Why could he not care about other people's opinions, but was only happy because of her opinion? Did he say that she was cute because she spoke up for him, or was she cute in other ways?

.....

Chapter 303: Someone Is Going to Jump off the Building

All kinds of thoughts were entangled in her mind. Shen Sisi pursed her lips tightly, but a sweet feeling rose from the bottom of her heart. The temperature on her face increased, and even her heartbeat quickened. It had been a long, long time since she had felt this way. This feeling was like the feeling she had when she was with Zhuang Li. It was sweet, but also filled with anxiety and anticipation.

Shen Sisi blushed. "I know that Mr. Cheng is a very, very good person. I will never laugh at you." As she said that, she suddenly looked up, but she didn't expect Cheng Songyang to be looking at her as well.

Their gazes met and quickly separated. Shen Sisi knew that Cheng Songyang liked her, but she didn't expose this. She enjoyed this ambiguity. For some reason, Cheng Songyang didn't directly express his love. Instead, he politely asked, "As a thank you, can I invite you to lunch?"

As he spoke, Cheng Songyang moved his body and politely extended his arm. As he spoke, there was a hint of disappointment in his eyes. "I rushed over because of today's news. I didn't have time to have lunch."

Shen Sisi subconsciously wanted to agree, but when her mouth moved and she felt the mask on her face, she couldn't help but hesitate for a moment. She raised her hand to touch the mask and said softly, "It might not be too convenient." She forced a smile. "I'll treat Mr. Cheng to a meal next time."

"Why?" This time, Cheng Songyang wasn't considerate and didn't ask. Instead, he looked at Shen Sisi with concern and asked gently, "I didn't ask you why you were wearing the mask just now. Is your face injured?"

"I... I'm fine." Shen Sisi's eyes reddened. She quickly lowered her head to prevent Cheng Songyang from seeing her reddened eyes.

"You can't even tell me?" Cheng Songyang lowered his eyes in disappointment. "I thought we were good friends and could share some secrets."

Seeing Cheng Songyang like this, Shen Sisi subconsciously shook her head. "Of course not... I just don't know how to say it." She touched her face. She had carefully looked in the mirror before going out today. Although there were still some bruises on her face, the redness and swelling had already subsided. After her careful care, it would only make her look more pitiful and not particularly ugly. This was also the reason why she went to see Zhuang Li with such a face today. Just as her mother had said, the advantage of a woman wasn't only in her beauty, but also in showing weakness appropriately.

Thinking of her appearance in the mirror, Shen Sisi felt a little relieved. She mustered up her courage and took off her mask. "I hope... I hope I won't scare you." She observed Cheng Songyang's expression with a perturbed face. After seeing the marks on her face, Cheng Songyang was slightly stunned. He subconsciously raised his hand to touch her cheek. "How could this be? Who dared to treat you like this... It seems that every time I see you, you are covered in bruises." Cheng Songyang's eyes were full of heartache. His warm fingertips landed on Shen Sisi's face and he asked in a low voice, "Are you still in pain?"

Shen Sisi was stunned. It seemed that ever since she was injured, no one had asked her if she was in pain. Shen Yong didn't need to be mentioned. Even her mother, Qiao Wei, only wanted to not leave any scars on her face so as not to ruin her beautiful looks. She even wanted to let her use the scars on her face to win pity. As for Zhuang Li, he didn't even ask a single question. He didn't even say a single word of concern.

Now that Cheng Songyang had asked, Shen Sisi suddenly felt touched. Her eyes were red. "No, it doesn't hurt anymore." She hurriedly put on her mask, she smiled and shook her head. "I'm fine now. I'm all better."

Cheng Songyang sighed with heartache. "Let's go and eat." He looked at Shen Sisi with gentle eyes. "It's okay if you don't want to say it. As long as you want to say it, I'll be the first to listen. If there's anything you need help with, you can come and find me anytime."

Shen Sisi's heart beat faster. She lowered her head and nodded vigorously. The two of them went to eat. On the other side, Shen Hanxing and Ji Yan had just finished their meal and had just walked out of the private room. They heard a flurry of screams, and then the entire restaurant became chaotic. Someone shouted, "Call the police. Someone is going to jump off the building!"

.....

Shen Hanxing and Ji Yan looked at each other. A bad feeling welled up in their hearts at the same time. Shen Hanxing grabbed the waiter who was in a hurry. She asked in a deep voice, "What's going on? Who is going to jump off the building?" Who would jump off the top floor of a restaurant?

Chapter 304: Let Ji Yan Come to See Me

"I'm not too sure either." The waiter was sweating profusely. "I heard that it was a young lady. I don't know when she climbed up to the rooftop of the top floor. She even shouted that she wanted to see someone, saying that if that person didn't come, she would jump off the building. "I still have to evacuate the other guests and comfort that lady. I'm sorry to ruin your dining experience today. Please leave first."

After saying that, the waiter was about to leave. Shen Hanxing knew that they were very busy in such a sudden situation, so she naturally didn't stop him. She let go of the waiter and left, but her expression was somewhat solemn.

"Madam." Ji Yan grabbed Shen Hanxing's hand and gave her a comforting look. "Madam, don't be anxious."

"I have a bad feeling." Shen Hanxing lowered her eyes and said softly, "Mr. Ji, shall we go up and take a look?" She used an inquiring tone, and Ji Yan looked as usual. The corner of his lips curled up. "Since Madam is interested, let's go up and take a look."

Ji Yan took the first step into the elevator. His thick long eyelashes drooped down, hiding the coldness and coldness in his dark eyes. It wasn't that he didn't know what Shen Hanxing was worried about, but he didn't care. No matter who that person was, or who she jumped off the building for, he didn't care, but Shen Hanxing seemed to care very much, so he was willing to care with her.

There were many people watching the commotion on the rooftop. They surrounded the rooftop, and amidst the noise, there was a woman's scream. "Don't come over! If you come any closer, I'll jump!"

Shen Hanxing's expression suddenly darkened. Just by hearing the voice, she recognized the woman who was about to jump. It was Bai Youyou. Was she crazy? Shen Hanxing would never be able to understand what a person like Bai Youyou was thinking. Her family was well-off and she didn't need to worry about food and clothing. She had a decent education and a bright future. It was just that she couldn't get who she loved. Why was she so crazy? It was one thing for her to chase after Ji Yan without caring about anything else, but now, she was actually willing to give up her life for so-called love?

Shen Hanxing's expression was slightly cold as she walked past the crowd. She seemed intimidating. The people in front of her who were watching the show subconsciously made way for her. Ji Yan's hands were empty. As he looked at Shen Hanxing's back, his pitch-black eyes instantly filled with ruthlessness. He couldn't help but feel annoyed. Why were there so many people in this world who didn't know their place and always came to disturb his and his wife's private time?

Ji Yan licked his thin lips and retracted the dark look in his eyes. He quickly walked a few steps behind Shen Hanxing.

There was a hint of madness in Bai Youyou's eyes. She looked at the person in charge of the restaurant and shouted, "I said, if you want me to go down, you have to ask Ji Yan to come and see me! If he doesn't come, I won't go down!"

...

"Bai Youyou." At this moment, a clear female voice sounded.

The wind on the rooftop was very strong. It blew Shen Hanxing's seaweed-like long hair, revealing her beautiful and perfect face. Unfortunately, there was a boundless coldness on her face, making her look very stunning. The uniform of Si Cheng High School showed Shen Hanxing's superior body curves very well. She walked over with graceful, calm, and gorgeous posture. Her leather shoes made crisp sounds. Shen Hanxing walked towards Bai Youyou step by step. Her eyes were filled with coldness. "Is it worth giving up your life for so-called love?" Although she asked this, her eyes and tone showed her disapproval.

Shen Hanxing's attitude provoked Bai Youyou, who shouted, "What do you know? You don't know anything! You shameless thief! You took advantage of the situation to marry Ji Yan. You are a thief! You stole my love!" Her eyes were red as she glared at Shen Hanxing and shouted, "You have no idea how much I like Ji Yan! "Ever since I was eight years old, my dream has been to marry Ji Yan! I've liked Ji Yan for a whole thirteen years! I was the one who got to know Ji Yan first. It was all you. You were the one who snatched Ji Yan away!"

Bai Youyou hated Shen Hanxing to death! She was the one who took advantage of the situation and became Ji Yan's wife, snatching away the love that originally belonged to her! Shen Hanxing, this thief, still had to act high and mighty. She acted like she didn't care about love. She even looked down on her feelings for Ji Yan. She was too despicable!

"No matter what, Mr. Ji and I are already married." Shen Hanxing calmly told the truth. "No matter how much you like Ji Yan, it's not a reason for you to destroy someone else's marriage. There are so many men in this world, so why must you be so stubborn?"

Chapter 305: I Don't Care If You Come or Not

"I don't care. I just want Ji Yan!" Bai Youyou couldn't listen to Shen Hanxing at all. She covered her ears and shouted, "Get lost! I don't want to talk to you! You're very proud of stealing Ji Yan, aren't you? Do you think you have the right to criticize me and look down on me just because you're like this?!" She leaned against the edge of the rooftop. She covered her ears with both hands and leaned against the railing. The winter wind was very strong. It blew past her thin body, as if it could blow her off the roof at any time.

Bai Youyou didn't seem to notice the danger. She roared to vent the dissatisfaction and jealousy in her heart. "Let me tell you, Shen Hanxing, you're dreaming! Even if you marry Ji Yan, you're still trash from the slums. You're not worthy of Ji Yan. You're using Ji Yan's sense of responsibility to forcefully tie him to your side!"

"Bai Youyou." At this moment, Ji Yan's cold and distant voice rang out. He slowly approached with his long legs, his handsome and cold face filled with alienation.

"Ji Yan!" Bai Youyou was extremely agitated. She wiped her tears with grievance and cried out, "Ji Yan, you're finally here. Do you know that I've been waiting for you for a long time?" She stood at the edge of the rooftop, the spacious road below had become narrow, and the cars looked as small as ants. She was also very afraid. If she fell from such a height, she would be smashed to pieces, and there was no chance of survival. However, as long as Bai Youyou thought that she could meet Ji Yan by doing this, she wouldn't be afraid.

"You shouldn't do this." Ji Yan's tone was very cold. He calmly said, "You aren't being responsible for your own life, and you are also not being responsible towards the people who love you. If you jump down from here today, you won't be able to change anything. You will only make the people who love you sad."

"Then, Ji Yan, will you be sad for me?" Bai Youyou looked at Ji Yan with anticipation. "If something happens to me, will you miss me?" Her expression seemed to be saying, as long as Ji Yan nodded his head affirmatively, she would be satisfied.

No matter what, Bai Youyou was a socialite. Growing up under the pampering of thousands of people, she was beautiful, especially when she was gazing at a person lovingly. She could satisfy a man's vanity. However, under such a gaze and deep affection, Ji Yan wasn't moved at all, as if he didn't care whether Bai Youyou liked him or not.

"I'm sorry, I'm not familiar with Miss Bai." Ji Yan was rational and cold. His lips spat out coldly, "No matter what Miss Bai does today and what kind of ending it is, to me, it's just an insignificant piece of information on the news." He wouldn't even stop for a second because of such a piece of information.

Bai Youyou couldn't believe what she had heard. Her heart seemed to have split into two as tears fell from her eyes. "Ji Yan, you are so ruthless..."

When the onlookers heard Ji Yan's words, their eyes were filled with disapproval, but Ji Yan was unmoved. He slowly said, "Miss Bai, your pursuit has become a problem for me. I already have a wife, so it's impossible for me to respond to any of your feelings."

...

"Just because I was a step late? But... I was the one who got to know you first!" Bai Youyou was extremely indignant. She couldn't help but roar back, "Ji Yan, I was the one who got to know you first! Before I went abroad, you promised to wait for me to come back and marry me! You must be blaming me, right? Blaming me for not going to see you when your legs were broken, right?" She sobbed, "It was my daddy, who didn't let me go back. During that period of time, I was with my Daddy's people. Ji Yan, you have to believe me. If I could escape, I would definitely have disregarded everything and returned to your side at that time! Don't blame me anymore, okay?" She had no choice. She was the eldest

daughter of the Bai family. She had enjoyed so much of the Bai family's wealth, so she had to think about the Bai family. She couldn't be willful, and there were too many things that she couldn't control. Why couldn't Ji Yan understand her?

"No, I don't care whether Miss Bai comes back or not, and I won't blame Miss Bai either." Ji Yan directly denied Bai Youyou's guess. He even felt that Bai Youyou wouldn't believe what he said, so he directly held Shen Hanxing's hand. His black eyes, which had always been cold, revealed tenderness. "If it weren't for her, I wouldn't be the person I am now. Only when the person who married into the family is her can I be considered to be truly alive."

Chapter 306: A Match Made In Heaven

At that time, Ji Yan's legs had been broken and he was standing upright. In addition. He had been drugged with a drug that affected his spirit. If Shen Hanxing hadn't saved him. He would have really been ruined. And the only person who could do all this was Shen Hanxing. If it had been anyone else, they wouldn't have been able to do it.

Seeing Ji Yan's performance, Shen Hanxing's heart warmed slightly, but she still shook her head at Ji Yan. This was not the time to continue to agitate Bai Youyou. This was the city center, and the traffic was congested. It would still take some time for the police to come over. Even if the police came over and put up protective measures below, it was still very easy for something to happen if she jumped down from such a height.

If Bai Youyou really jumped from such a height, it would be troublesome.

Ji Yan looked at Shen Hanxing, his palm holding her hand gently and firmly, not letting her escape. "No matter what," he lowered his voice slightly. He said firmly, "In the face of anyone, in any state, I won't allow my wife to suffer the slightest bit of injustice."

Human life? So what? Even if Bai Youyou really jumped down from here, it didn't matter. She didn't cherish her own life, so how could she ask others to cherish her life? He wouldn't let Shen Hanxing be wronged for such a crazy woman who didn't cherish herself. Ji Yan couldn't do that. His wife, whom he doted on, was the most important no matter what.

Shen Hanxing paused for a moment. Her heart was filled with warmth. Facing Ji Yan's care and love, what could she say? She could only firmly hold his hand.

"No, it's not like that!" Seeing this scene, Bai Youyou was in extreme pain. She crazily shouted, "It shouldn't be like this. Ji Yan, don't tell me you really don't love me at all? Don't tell me that I love you so much, but I can't even get a look from you. Ji Yan, I really love you so much. I really love you so much..." She burst into tears. Her body also swayed, and she looked at Ji Yan with a sad look. "Ji Yan, is it wrong for me to love you?"

"It's not wrong to love someone." Shen Hanxing's eyes were cold. "But it's wrong to love a married man. Bai Youyou, you should wake up. Come down when you've had enough."

"No, I won't! I won't go down unless you leave Ji Yan!" Bai Youyou screamed. "Divorce Ji Yan immediately! Return Ji Yan to me, or I'll jump down from here right now!"

Shen Hanxing paused. Ji Yan held her hand tightly. He knew that Shen Hanxing was soft-hearted, but divorce... was absolutely impossible! Not to mention a mere human life, even if the world was destroyed, no one could make his wife leave him.

...

Dark emotions surged out of Ji Yan's eyes. He looked coldly at Bai Youyou and was about to speak when Shen Hanxing spoke first, "I'm sorry, I can't promise you."

Shen Hanxing's voice was clear and sweet. When she spoke slowly, she had a very special tone. Shen Hanxing's voice was gentle and calm, elegant and soothing. It was like a gentle piano melody. "Ji Yan is a human, not an object. It is impossible," she said firmly, word by word. "There is one thing that I hope Miss Bai can understand. The reason I am standing here to persuade you isn't that I am begging you to live and not to jump off a building, but that I respect life. I am trying my best to save a living life, not begging you not to die."

After a pause, Shen Hanxing raised her eyes. There was a faint coldness in her eyes. "I think you haven't figured out something. Don't you think it's ridiculous that you're using your own life to threaten me? If I hadn't been standing here today, your life or death wouldn't have had any effect on me."

"You! Why are you so cold-blooded?!" Bai Youyou widened her eyes in disbelief. She pointed at Shen Hanxing and said angrily, "Ji Yan, did you see that? This woman is cold-blooded and selfish. You must have been deceived by her before! She isn't worthy of your liking at all!"

Shen Hanxing was such a vicious woman. What right did she have to be loved by Ji Yan?!

Continue reading on MYBOXNOVEL.COM

"No, on the contrary, I think my wife is even more charming like this." A gentle smile appeared in Ji Yan's eyes. He turned to look at Shen Hanxing. "My wife is cold-blooded and selfish, and I am cold-blooded and heartless. Isn't this a match made in heaven?"

Chapter 307: I Promise You Everything

Ji Yan couldn't wait for Shen Hanxing to be a little more cold-blooded. He didn't care about irrelevant people. Those people shouldn't appear in their lives and disturb their interactions. He wished that he was the only person in his wife's world. Unfortunately..

Ji Yan slowly lowered his long eyelashes, hiding the deep regret in his eyes. His wife was too kind.

Shen Hanxing looked at Ji Yan in amusement.

"No! My Ji Yan isn't like that! It's Shen Hanxing. What sorcery did you use on my Ji Yan!" Bai Youyou couldn't accept Ji Yan's explanation. Her heart hurt so much that she couldn't breathe. Tears streamed down her face as she shouted in disbelief, "B*tch, give my Ji Yan back to me!"

Seeing how stubborn Bai Youyou was, Shen Hanxing also felt a little impatient. "Miss Bai, a person only has one life. This is a very precious thing. Since you don't care, I have nothing more to say." Her expression turned cold, she nodded slightly and said, "I just hope that before you do such a stupid thing, you think of your parents, think of your friends. Don't you think that hurting the people who really care about you for a relationship that shouldn't exist is too ridiculous?"

From Shen Hanxing's point of view, she had never put love first. In this world, there were too many things that needed to be cherished besides love. Parents, family, classmates, friends... there was nothing that wasn't worthy of love and respect. A person like Bai Youyou who was willing to sacrifice her life for the person she liked was too stupid.

"Don't pretend, you hypocrite!" Bai Youyou roared angrily. "What do you know?! You don't know anything at all! Don't you put on an act here!" If Shen Hanxing was really as kind as she said, then why didn't she give Ji Yan to her? This woman was being pretentious!

"Youyou!" At this moment, a heart-wrenching cry was suddenly heard from outside the crowd. Mr. Bai and Mrs. Bai rushed over when they heard the news. They saw their daughter standing on the edge of the rooftop. Mrs. Bai felt as if she had been struck by lightning. She cried, "Silly girl, what are you doing?!" Her face was pale and full of tears. "Why are you so stubborn? Why did you do such a silly thing?! If something happens to you, how am I supposed to live..."

"Hurry up and come down!" President Bai's face was also pale. Although his tone was stern, his eyes were full of panic. "If there's anything you can't say properly, hurry up and come down!"

"Don't come over!" When Bai Youyou saw them, not only did her heart not soften, but she also took a step back toward the outside of the rooftop. Half of her foot had already landed outside the rooftop. Her whole body was shaking more and more. "If you come over, I'll jump down from here!"

"Youyou, don't move!" Mrs. Bai was so scared that her face was pale and she could hardly breathe. She stood on the spot in a hurry as she screamed desperately, "No, no! We won't go. Youyou, listen to me. Be careful. Don't fall!" She sobbed, "Why are you so stubborn... come down. As long as you come down, no matter what you want to do, Mommy will support you, okay? If you don't want to marry Cheng Songyang, don't marry him. If you don't want to live with Daddy and Mommy, then Daddy and Mommy will buy you another house, and you can move out and live by yourself... Youyou, you can have anything you want. As long as you don't do something extreme..."

...

Bai Youyou looked at her mother, who was crying bitterly. Her eyes wavered for a moment, but she couldn't. Things had already come to this point. She couldn't continue like this.

Bai Youyou's gaze swept across the people on the rooftop. They were holding their phones and taking pictures of her ugly state. If she continued like this, then she would become the laughingstock of S City. Not only would she not get anything, but she would also lose face. Only now could she seize this opportunity and risk everything to get Ji Yan! Her father and mother would force Ji Yan to agree. That way, she would be able to spend the rest of her life with Ji Yan. They would be in love for the rest of their lives. They would even have a baby that belonged to them..

Such a future was too beautiful. Bai Youyou's eyes were gradually filled with madness. "As long as I go down, you will agree to anything?" There was a strange look in her eyes. She looked at her mother and said softly, "Mom, is what you said true? Can I really have anything?"

Chapter 308: Her Alone

"It's true! Of course it's true!" Mrs. Bai's eyes lit up and she nodded desperately. "Mommy has never lied to you, right? Youyou, come down quickly."

"Daddy too?" Bai Youyou turned to look at her father and said firmly, "I want Daddy to promise me as well."

President Bai looked at his daughter, who had a crazed look on her face, and nodded with pain in his eyes. "Okay, Daddy promises you. Come down quickly." This man who had been in high spirits all his life seemed to have aged ten years in an instant. He was very regretful. He even doubted his own actions. He shouldn't have been so angry, and he shouldn't have forced his daughter. Otherwise, his daughter wouldn't have done this.

"That's good!" After getting an affirmative answer from her parents, Bai Youyou didn't even look at the pained faces of the two elders. She pointed excitedly at Ji Yan and said, "I want to be with Ji Yan. I want Ji Yan to divorce that b*tch Shen Hanxing! Ji Yan is mine. He can only be mine for the rest of his life!"

"In your dreams!" Ji Yan's expression instantly turned cold. "I will only have one wife in this life. I definitely won't be with you."

"Youyou, Mr. Ji is already married." Mrs. Bai was also stunned. She couldn't help but say, "Can you change your request?"

The Bai family had just returned to S City. Under the suppression of the three big shots in S City, they were struggling to develop. Not to mention that the Bai family's influence was inferior to when they were overseas, but even if their influence was very strong, they had no right to force others to divorce and marry someone else.

"Didn't you say that I can have anything I want?" Bai Youyou went crazy again when she heard this. She looked at her parents with red eyes as she said with resentment, "You lied to me! Even you lied to me! Then why am I still alive? I might as well jump down and die!" As she said that, she suddenly took a step back and half of her leg hung outside the rooftop.

"No!" Mr. Bai and Mrs. Bai screamed in fear, their faces pale.

"I'm not lying to you. How could daddy and Mommy lie to you?" Mrs. Bai's face was full of tears as she sobbed, "Youyou, don't be rash. Mommy will promise you."

Mr. Bai clenched his fists at the side. Mrs. Bai pulled him back and roared, "What are you doing? Are you really going to force our daughter to death?"

...

Mr. Bai struggled for a moment before he finally sighed helplessly. "Alright, Daddy will also promise you what you want... Daddy will do whatever it takes to do it for you."

Ji Yan frowned slightly. Shen Hanxing had a bad feeling in her heart.

"Mr. Ji." Mr. Bai's eyes were slightly red. He looked at this young man who was much younger than him and pleaded, "I beg you to save Youyou..." his voice was hoarse. He was almost unable to speak.

"Youyou is infatuated with you. It's my fault... It's all my fault..." his resolute face revealed a hint of old age. He beat his chest with regret and sadness. "It's my fault. After I saw that Mr. Ji's legs were crippled,

I stopped Youyou from seeing you. If Mr. Ji wants to blame someone, then blame me. It's my fault for being harsh and heartless. I'm the villain. Youyou has always been deeply in love with you, Mr. Ji. Please don't hold a grudge against her."

"Ji Yan, marrying you has been Youyou's dream since young," Mrs. Bai said from the side, she sobbed as tears fell from her eyes. "I know that our request is too much, but this is a human life! I only hope that you can give Youyou a chance and not be so cold to her."

Shen Hanxing bit her lip. Indeed, this was a human life. At a time like this, it seemed inappropriate for her to say anything.

"Don't say anymore." Ji Yan frowned, and his side profile looked cold. "Mr. Bai, Miss Bai's life is her own. There's no reason for me to pay for Miss Bai's impulsiveness and irrationality, don't you think so?"

"But, Youyou has never been..." Mr. Bai opened his mouth.

"I think there's something Mr. Bai hasn't figured out. I don't care what Miss Bai's attitude was like when I broke my legs." Ji Yan's eyes were cold, and his tone was indifferent. "I don't care what kind of feelings she has for me. Time won't go back. I won't imagine what would have happened if the person who married me that day wasn't her. There are no ifs in this world."

Ji Yan held Shen Hanxing's hand and said word by word, "I only know that the person I married is called Shen Hanxing. I've only acknowledged her as my wife in my life, and I won't change it no matter what."

Chapter 309: Lie

??

Mr. Bai's pupils dilated and his face was filled with pain. Mrs. Bai's face was filled with despair. Suddenly, she took a step forward and knelt on the ground. "Ji Yan, just take pity on us. Take pity on the hearts of all parents in the world. You can't let her die in vain!"

When the onlookers saw this scene, they all raised their phones. They whispered to the people around them, "In any case, it's still a human life. This young lady is still so young! Her parents don't look young anymore. How can they bear to reject her like this?!"

"Sigh, if there's such an infatuated young lady who likes me, I definitely can't bear to treat her like this!"

Everyone pointed, dissatisfied with Ji Yan's rejection. However, Ji Yan's back was straight and he didn't care about these rumors at all. With a calm and composed expression, he said, "Mrs. Bai, in terms of age, I'm a junior and I'm not worthy of your kneeling." He moved to the side to avoid her, his large hand firmly holding onto Mrs. Bai's hand. Mrs. Bai wanted to kneel again, but she was firmly held back by Ji Yan. No matter how hard she tried, she couldn't kneel.

Ji Yan smiled and said again, "I hope Mrs. Bai won't force me."

"Mr. Ji, why are you so heartless?" Mr. Bai still didn't want to give up. He couldn't help but lower his voice, "Even if, even if you're just lying to Youyou? As long as you agree first, our family is willing to give you some benefits on the project or give you some shares. Mr. Ji... Youyou's life is on the line. You..."

“Mr. Bai, if it were a few years ago, I would have agreed to your conditions.” Ji Yan curled his lips. His cold voice carried a hint of mirth. “But now that I’ve met my wife, I’ll tell you the truth. Even if it’s a lie, I’m not willing to.” No matter how great the benefits, no matter how much wealth, if he didn’t have Shen Hanxing to share it with him, what was the point? Even if it was just a tiny bit, he didn’t want to mistreat Shen Hanxing and make her unhappy.

The two of them continued to hold hands. Shen Hanxing could feel the warmth of Ji Yan’s palm. The scorching heat of his palm made her heart heat up as well. It was as if she had fallen into boiling lava. This was a very novel experience for Shen Hanxing. She was chosen by someone, and she was firmly protected. At this moment. She didn’t need to do anything. He was already standing in front of her, blocking all the wind and rain outside.

Shen Hanxing blinked her eyes. Even though she knew that the situation wasn’t appropriate. She couldn’t help but smile.

“Ji Yan, do you really care so much about Shen Hanxing?” Bai Youyou’s eyes were red as she had been paying attention to the development of the matter. She couldn’t help but cry out, “Could it be that my life isn’t enough for you to lie for me?”

“I’ve said before, life or death is your own choice.” Ji Yan’s attitude became even colder and harder when he faced Bai Youyou. He said bluntly, “I’m standing here today because my wife is trying to save you. Otherwise, I wouldn’t even have come up to take a look at you.”

...

“No, it shouldn’t be like this. Ji Yan, how could you treat me like this?” Bai Youyou couldn’t believe it as she cried until her snot and tears flowed down her face. She cried and complained, “I’ve loved you for thirteen years. Just because I was absent for a short while, you treat me like this. It’s not fair! It’s not fair!”

“Miss Bai, love is never fair.” Shen Hanxing’s eyes were cold. The weather was too cold. When she opened her mouth to speak, the hot air that she exhaled turned into white mist. Behind the white mist... Shen Hanxing’s eyes were cold. “Not everything is about first come, first served. Love isn’t the only thing in a person’s life. It’s time for you to stop. Look at your parents. They have been living in luxury all their lives. No matter where they go, they are respected entrepreneurs. But now, for you, they have to kneel and beg others. How can you bear to do that?!”

Shen Hanxing couldn’t help but raise her voice. “Seeing your parents bow and scrape for you and beg people your age, do you really feel good? Do you think that you can get the love you want in exchange for this?”

This was ridiculous! How could someone wantonly hurt their parents who loved them so much? Shen Hanxing had never had a father’s love. Her father only cared about benefits and it was disgusting. Her mother had died too early and she could only feel her mother’s love from the things that her mother had left behind. Bai Youyou clearly already had the love of such precious parents, yet she wanted to die for someone who didn’t like her.

Chapter 310: Working Together to Save People

If it wasn't for the bad timing, Shen Hanxing really wanted to suggest that Bai Youyou go get a brain scan.

"Don't you pretend to be reasonable with me here. If you're really so kind, why don't you give Ji Yan to me?!" Bai Youyou had already gone crazy, and she kept repeating this sentence.

When many news media heard the news, they all carried their cameras up to capture the first-hand news. Seeing so many cameras, Bai Youyou lost it. She was already so embarrassed today, but Ji Yan wouldn't even lie to her. Then, wouldn't her actions today become a complete joke?

How could it be like this... she had lost all her face, but she didn't get anything.

"Shen Hanxing, let me tell you, if I die today, it's all because of you!" Bai Youyou's eyes were full of hatred as she stared at Shen Hanxing with wide eyes. Her eyes were red as she shouted, "It will all be because of you! Because you snatched Ji Yan away and refused to give him to me, that's why I will die! Aren't you afraid of having nightmares when you dream in the middle of the night? The rich life that you want, the marriage that you stole from others, caused me to lose my life! Shen Hanxing, even if I die, I will not let you off!" Her expression was crazed. She really looked crazy.

Bai Youyou's hands left the railing and she laughed maniacally. "Shen Hanxing, just you wait! I want to see how you're going to live happily after you've caused me to lose my life! I won't let you off!"

"Youyou!" Mrs. Bai had a bad feeling. Her eyes were red as she shouted, "Youyou, don't do anything extreme! Mommy is begging you. Please come down, okay? Didn't you want Ji Yan? Mommy is going to beg him. Don't do anything extreme..."

"Come down quickly!" Mr. Bai was so scared that his whole body was trembling. He wanted to run forward to stop Bai Youyou, but because he was too nervous, his leg muscles stiffened and he fell to the ground. This man who had been famous in the business world for decades had tears streaming down his face and his face was full of pain.

Looking at her parents' sorrowful looks, Bai Youyou felt a sense of inexplicable joy and a sense of pain. Was this what she wanted? She couldn't help but start to doubt herself. Was what she was doing really right? But whether it was right or not, she had no way out now. Without Ji Yan's love, what meaning was there in living? Her life couldn't be exchanged for anything!

Thinking of this, Bai Youyou suddenly raised her head and looked straight at the media cameras. Her eyes were filled with deep hatred. "I want everyone to remember that the reason why I am going to die today is all because of Shen Hanxing! She is a thief who stole Ji Yan!"

Now!

Seeing that Bai Youyou was completely focused on venting her hatred, Shen Hanxing turned her head and gestured slightly at Ji Yan. She knew that Ji Yan's skills were much stronger than hers, and she also believed in his reaction and the tacit understanding between the two of them.

.....

Ji Yan's eyes were cold. If he had a choice, he really didn't want to save Bai Youyou, but if this was what Shen Hanxing wanted to do, then he was willing to cooperate.

Thus, Shen Hanxing let go of Ji Yan's hand. While everyone's attention was on Bai Youyou, she circled to the other side and gradually approached her from an angle that Bai Youyou couldn't see. Ji Yan walked in the opposite direction and didn't hide too much. Step by step, he walked towards Bai Youyou.

Bai Youyou was still roaring with a heart-wrenching anger. When Ji Yan was about to approach her, she suddenly realized, "Ji Yan!" Her eyes instantly lit up, she looked at him expectantly. "Ji Yan, have you changed your mind? Do you believe my love for you? Ji Yan, i..."

Now!

Shen Hanxing's eyes narrowed. She exerted force with her feet and flipped over the railing between the two of them, shortening the distance between her and Bai Youyou in an instant. With lightning speed, she rushed over and grabbed Bai Youyou's arm.

"Ah! Let go of me!" Bai Youyou jumped in fright. She screamed subconsciously, her sharp nails tightly clutching Shen Hanxing's arm. Shen Hanxing's expression didn't change. She placed one hand on her back and pulled her forward with force. In the blink of an eye, the two of them left the edge of the rooftop.

Everyone was stunned by the sudden change in situation. For a moment, they stood on the spot, unable to react.

"What are you all standing there for instead of saving people?!" Ji Yan quickly stepped forward.
