Chapter 421: Confession in Public

“You have already stamped it,” Ji Yan lifted Shen Hanxing’s chin and kissed her passionately. “from now on, I am yours. Promise me not to lose me.”

“Mine?” Shen Hanxing had to admit that when she heard Ji Yan’s words, her heartbeat sped up, and her ears flushed red. She smiled and stretched out her slender, fair arm. “This is a return favor. I’ll sign for Mr. Ji as well.”

Ji Yan looked deeply at Shen Hanxing. His thin lips lifted slightly. Without waiting for Shen Hanxing to say anything, he picked up the pen and wrote the word “Ji” on her arm. After he finished writing the last stroke, he threw away the marker pen and walked up to Shen Hanxing. He hugged Shen Hanxing in his arms and kissed her deeply.

Amid her confusion, Shen Hanxing heard Ji Yan’s deep voice ring in her ear. “Since I’ve already signed it, there’s no way you can escape.” His voice was filled with intense possessiveness. Like a gust of wind quickly dissipated, it was so fast that Shen Hanxing wondered if it was an illusion.

During this time, the filming of “Missing Girl” had already ended. The crew had returned to S City and started shooting content that did not require an exterior location. Han Yin was a clingy girl. She could not come out from the set, so she called Shen Hanxing twice a day. In the end, Shen Hanxing invited Xiao Yu and Chu Feng to visit Han Yin at the set. The three of them did not inform Han Yin in advance. They wanted to give Han Yin a surprise. Before they could surprise Han Yin, Han Yin gave them a surprise first.

At the entrance of the film crew, a red sports car was parked there. The trunk and the back seat were filled with red roses. It was an ostentatious scene! In front of the sports car, candles were placed in a heart shape, surrounded by a large group of people. In the middle of the heart shape stood a man dressed in branded clothes. He was wearing sunglasses, so his face could not be seen clearly. He sprayed his hair with an unknown amount of hairspray, making it hard and stiff. He was holding a large bouquet of fiery red roses in his hands. In the middle of the bouquet hung an exquisite and luxurious necklace. The diamonds on the pendant were sparkling under the sunlight.

“This proposal is generous,” Chu Feng scratched his head and said with a smile, “It’s just that lighting candles in the middle of the day is a bit stupid.” He reckoned that this man had learned this confession method and used it directly. It could be seen that his confession wasn’t that sincere.

Chu Feng’s ridiculed when the man took out a microphone and placed it by his mouth. It left them speechless when they heard the name. They shouted, “Han Yin, I love you!”

Chu Feng thought, “Did I hear wrongly? This man is calling Han Yin?”

Xiao Yu’s expression was gloomy. He clenched his fist tightly as he stepped forward and was about to beat him up. Shen Hanxing’s expression was gloomy, but her rationality was still there. She grabbed Xiao Yu and said, “Don’t be rash.”

“This brat wants to win Han Yin’s heart?” Xiao Yu was about to go insane. “I’ll break his legs!”

"After beating him up, what about you? Are you going to jail? Calm down!" Shen Hanxing frowned and glared at Xiao Yu. "Han Yin hasn't come out yet. What are you so anxious for?"

"I'll beat this man up sooner or later!" Chu Feng was also furious. He gritted his teeth and said fiercely, "One look, and you can tell that he's not serious about dating Han Yin. Who is he putting up such a big show for? This man didn't have the sincerity to chase after someone. It was just a game.

The man wearing sunglasses on the other side had no idea someone wanted to beat him up. He was even holding the microphone and shouting in a self-confident and handsome manner, "Han Yin, I love you! Accept me. I want to be your boyfriend!" His voice was getting louder and louder. It seemed that he wouldn't stop until Han Yin came out. That was a film studio. Other than the people from the various major film crews, many reporters and paparazzi squatting for breaking news. Seeing this scene, many reporters lifted their cameras and began to take pictures randomly.

The flashes blinded everyone. The man in sunglasses didn't back down. Instead, he smiled and lifted his chin. He even posed in a flirtatious manner. His appearance made Shen Hanxing and the other two furrow their brows even more. That man was so noisy that the entire film studio could not film properly.

After a while, Han Yin rushed out aggressively. "What are you doing? It's embarrassing to cause such a scene!"

"I'm confessing my love to you," The man in sunglasses smiled and handed the red rose to Han Yin. He said affectionately, "Han Yin, I'm not afraid of losing my reputation. As long as I can win your heart, I'm willing to do anything. With so many people witnessing, I would like to ask you, are you willing to be my girlfriend?"

Chapter 422: Shen Hanxing Was Furious

"I am afraid of losing my reputation!" Han Yin was angry. The cameras around her never stopped flashing. After Han Yin came out, the group of reporters became even more excited. That made Han Yin even more upset. "Are you crazy? I said I don't like you. I won't like you no matter what you do. Don't you understand?"

"Han Yin, I'll change whatever you don't like about me," The man in sunglasses was full of confidence. He handed the rose he was holding. He said seriously, "Han Yin, I like you. I also believe that my sincerity will move you."

"Mo Kaicheng, how many times do I have to tell you to make you understand I have no interest in you? Can you stop bothering me?" Han Yin was full of frustration. She snarled, "I want to work hard and study hard. I'm busy and don't have time to waste dating you!"

"Hehe, look, Han Yin is still very obedient. She didn't let this man in sunglasses get to her head. Now I'm relieved. Sister Hanxing..." Xiao Yu said and was about to talk to Shen Hanxing. Unexpectedly, the place where Shen Hanxing was standing was already empty. He couldn't help but ask, "Where's Sister Hanxing?"

Chu Feng pointed ahead expressionlessly. Xiao Yu followed the direction of his finger and saw Shen Hanxing, who had just persuaded him to calm down, taking giant strides. She walked in the direction of the man in sunglasses with a cold aura all over her body.

Chu Feng rubbed his arms and muttered in a low voice, "Sister Hanxing must be angry, right? I haven't seen Sister Hanxing angry in a long time." Those kids were children who had grown up in the slums. They weren't afraid of anything. What they were most afraid of was Shen Hanxing being angry. Every time she was angry, the children in the slums had to behave themselves for a few days. They were afraid that they would accidentally provoke Shen Hanxing.

"Han Yin, I'm sincerely asking you to date me. I admit that I've led a somewhat unhealthy life. But after seeing you, I finally understand what love is. If I have to choose someone to spend the rest of my life with, I can't think of anyone other than you. You..." Mo Kaicheng was still full of sweet words. He had already done his research. Han Yin was born in a slum, and her family background was very poor. She had not come into contact with a man in his class. He knew such a girl well. She would take the bait if he used a little trick. This kind of poor little girl always had the dream of being loved by a perfect man. She hoped that she was Cinderella in a fairy tale. He had used this method to sleep with quite a several beautiful girls from low-income families.

Mo Kaicheng knew well how to trick girls. The media had long spread his romance history widely in the gossip papers. He did not deny it and admitted that he had lived a promiscuous life. The highest level of lying was telling half-truths and half-lies. If he confessed his romance history, it would only make the young girl feel that he was honest. It would even give the young girl the illusion that he could change. That was a sense of accomplishment that a girl could not resist. Mo Kaicheng used this method to be successful in the field of love.

Just as Mo Kaicheng felt he was about to succeed and say the following line, his hand suddenly felt light, and someone took the rose. Mo Kaicheng thought things had gone as he had expected. But he put on a surprised and happy expression on his face. He said happily, "Han Yin, you're willing to accept me? I knew it. You have feelings for me. Don't worry. I'll definitely..." He didn't finish his sentence because someone took the bouquet of roses he carried with two hands and directly smashed it into his face.

Seeing the roses magnifying before him, Mo Kaicheng screamed in horror, "Stop!"

"Heh!" Shen Hanxing's cold snort answered Mo Kaicheng's scream. Anger burned in her as she smashed the roses toward Mo Kaicheng's face, "Trying to win Han Yin's heart? Who do you think you are? Look at yourself in the mirror!"

"Sister Hanxing!" Han Yin was shocked. She didn't expect Shen Hanxing to appear suddenly. It surprised her. But she quickly stopped Shen Hanxing. "Don't hit him..." When Mo Kaicheng pestered her, the people around her had already told her about Mo Kaicheng's background. He was the heir of Bingxin Entertainment and had a background in the entertainment industry. He would ban whoever he wanted. Many female celebrities could only swallow their anger when he harassed them. Han Yin did not want Shen Hanxing to provoke such a person because of her.

Chapter 423: Useless

However, Shen Hanxing lifted her head and glanced coldly at Han Yin. Her tone was stern. "Stand aside. Don't meddle in this matter."

"Sister Hanxing is angry?" Han Yin's heart skipped a beat as she thought, and she immediately didn't dare speak. She obediently let go of her hand and took a few steps back. Although Mo Kaicheng wasn't to be trifled with, the angry Sister Hanxing was more terrifying!

Xiao Yu and Chu Feng also rushed over. The three of them looked at each other in dismay and obediently stood within a safe area to avoid being scolded.

On the other side, the rose that smashed Mo Kaicheng's face made tiny scratch wounds on it. His sunglasses fell off his face, and he clutched his head in a pathetic state. He was furious. "Who is that? How dare you hit me! Do you know who I am?" He lifted his head and glared at Shen Hanxing. Amidst the flying rose petals, a face that was as colorful and beautiful as a painting appeared before him. She was a beauty that was hard to come by. Whether it was her skin or her figure, she was gorgeous. Her eyes were burning with anger, making her look feisty and cold. Even when she was angry, she was so beautiful.

Mo Kaicheng heard the sound of his heart pumping. However, he did not understand why such beauty would rush up and hit him without saying anything. Could it be that he had abandoned her before? But he felt he couldn't forget such a beauty.

"Who, who are you?" Mo Kaicheng tidied his sleeves and revealed a smile that he thought was elegant and carefree. "Why are you here? Do you know who I am?" He repeated what he had just said, but his tone was gentler. He guessed that this beauty was interested in him. Seeing him confessing to Han Yin, she was so angry that she directly came over to interrupt his confession.

Shen Hanxing did not know what Mo Kaicheng was thinking. She said coldly, "Of course, I know who you are."

Mo Kaicheng's eyes lit up. As expected, this beauty was attracted by the fame and wanted to give herself to him! He smirked. Just as he was about to say something, he heard Shen Hanxing say, "The famous playboy in S City, the heir of Bingxin Entertainment, and a useless person who only knows how to squander and cause trouble every day. The trash who only flirts with girls, Mo Kaicheng!"

Anyone would be angry being pointed at and called a useless person. The smile on Mo Kai Cheng's face froze. He looked at Shen Hanxing gloomily and said, "Don't think that just because you're good-looking, you can talk nonsense." Even if he was useless, it was not something that this woman in front of him could say.

"Did I say something wrong?" Shen Hanxing sneered and said coldly, "when you're out there with other women, you can do whatever you want. I don't care how you deceive them. But if you dare to set your eyes on Han Yin, you're looking for trouble!" She smashed the messy bouquet of roses on Mo Kaicheng's head as she spoke.

Shen Hanxing had heard a lot about Mo Kaicheng. He first went after women with great fanfare, making them believe he had met true love. Little did the girls know that Mo Kaicheng was playing with them. He was good at keeping women as toys. He abandoned many women after they got pregnant. Many women jumped off buildings to commit suicide because of this.

Whenever Shen Hanxing thought that such a man would also deceive Han Yin, her anger would soar to the sky, and she could not control herself!

“Stop hitting me!” Mo Kaicheng was furious. He took a deep breath and growled, “don’t take advantage of my patience!”

“What can you do about it?” Shen Hanxing sneered and kicked Mo Kaicheng’s abdomen. She said coldly, “get lost! Get as far away as you can! Don’t let me see you again!”

“Okay, you wait. I’ll remember you!” Mo Kai Cheng was so angry that his whole body was trembling. He glared at Shen Hanxing fiercely, climbed into the sports car in a pathetic state, and ran away dejectedly. He didn’t know Shen Hanxing, but it didn’t mean those gossipy reporters didn’t know her either. Each of them had a keen sense of breaking news and took pictures of Shen Hanxing.

Han Yin looked around and quickly pulled Shen Hanxing into the set. “Sister Hanxing, let’s talk inside.”

When they arrived at the set, Zheng Youcai was speaking to the group of actors. When he saw Shen Hanxing, he beamed. “Mrs. Ji, why are you here?”

There was still a trace of hostility between Shen Hanxing’s brows. She nodded at Zheng Youcai and said, “I happen to have time to come over. I want to treat everyone with some drinks.”

The crew immediately cheered. The crew was poor. From the director to the actors, none of them had money. They spent all of their investment on filming. Aside from the necessary expenses, all of their budgets were for the movie.

Chapter 424: Coaxing Her

To repay Shen Hanxing’s kindness, Zheng Youcai did his best to strive for excellence in filming the movie. He wanted to reduce the cost to get a better effect. Under such circumstances, not to mention treating the actors and crew drinks, there wasn’t even a formal gathering. Occasionally, the film crew would have a meal together. Taking advantage of the fact that they weren’t famous, they would randomly find a roadside stall and have a meal there. Ordering a few dishes of meat would be considered a good meal.

“Mrs. Ji, thank you for the treat,” Zheng Youcai grinned and thanked Shen Hanxing. He announced to the film crew, “Consider yourselves lucky. You’ve run into Mrs. Ji visiting you at work. Take a break and go enjoy your drinks!”

Chu Feng and Xiao Yu held a whole bag of drinks and handed it to the film crew with a smile. They had been in the slums for so long and were both good at socializing. Even the honest Chu Feng would try to praise others. Soon, they blended in with the crew, and the atmosphere was pleasant.

To Han Yin, Shen Hanxing, Xiao Yu, and Chu Feng were like her biological sisters and brothers. She was happy to have her family visit her at work, and she helped them distribute the drinks. After giving out the drinks, she carefully approached Shen Hanxing and asked, “Sister Hanxing, are you still angry?”

Seeing this scene, Xiao Yu patted Chu Feng’s arm, and the two approached the girls together.

“Sister Hanxing, don’t be angry,” Chu Feng scratched his head. He said in a low voice, “it’s not worth it to be angry with that kind of person. If you don’t like him, I’ll put a sack on that man with Xiao Yu and beat him up to help you vent your anger.”

“Who did you learn this from? Is this how I taught you?” Shen Hanxing glanced at Chu Feng indifferently. “Don’t do that. It’s none of your business.”

“Please don’t be angry, Sister Hanxing,” Han Yin was the best at acting coquettishly. She grabbed Shen Hanxing’s sleeve and shook it. Her voice was soft. “It’s not worth being angry with that kind of person. You’ll get wrinkles from anger.” She took a cup of milk tea and offered it to Shen Hanxing. “Come on, Sister Hanxing, drink a cup of milk tea to ease your anger.”

The sweet smell of milk tea permeated the air. Perhaps desserts could make people feel better. Shen Hanxing suppressed the irritation in her. “You always do this.” She pushed Han Yin’s forehead lightly. Then, she drank a mouthful of milk tea through a straw. The round pearl mixed with the sweet taste of milk tea ran into her mouth, and Shen Hanxing’s expression relaxed.

When Shen Hanxing’s expression had eased up, Han Yin smiled flatteringly. She pressed her cheek against Shen Hanxing’s arm and rubbed on it like a kitten. “Sister Hanxing, you’re not angry anymore, right?”

“I wasn’t angry with you guys in the first place,” Shen Hanxing stroke Han Yin’s hair and asked in a low voice, “what do you think of Mo Kaicheng? Do you like him? You won’t blame me for disrupting his confession plan, right?”

“I don’t like him! He doesn’t like me either!” Han Yin frowned. Her voice was filled with disgust. “He’s annoying. He doesn’t listen at all. I’ve already rejected him a few times, but he keeps coming. It’s so annoying.” That man was like a fly that she couldn’t chase away. However, she couldn’t offend him. If it weren’t for Mo Kaicheng’s identity and background, Han Yin would have hit him before Shen Hanxing did!

Hearing this, Shen Hanxing heaved a sigh of relief and confirmed again, “Are you sure you don’t like him? You can tell me the truth.”

“Sister Hanxing, what are you saying?” Han Yin pouted. “I’m busy studying and acting. How can I have time to fall in love? Moreover, I wouldn’t fall in love with someone like Mo Kaicheng...”

“Sister Hanxing, don’t worry,” Chu Feng couldn’t help but laugh. “Han Yin’s taste isn’t that bad.”

“That’s right. I can still tell if Mo Kaicheng is sincere. I’m not a naive little girl,” Han Yin nodded thoughtfully. “That Mo Kaicheng guy is perfunctory when it comes to chasing people. He seems to be putting on a big show. But, in reality, he used this method to force me to agree with him. My skin isn’t as thin as he thinks. I won’t agree to be with Mo Kaicheng just because someone says something.”

Seeing how determined Han Yin was, Shen Hanxing was finally relieved. Han Yin was still a child to her, and Mo Kaicheng was good at deceiving such a little girl. She was afraid that Han Yin would be tempted and not realize it.

“Okay, I’m relieved to hear that. Mo Kaicheng is not a good person. Han Yin, wait for a while longer. You will get someone who loves you sincerely and will spend the rest of your life with you. As for trash like Mo Kaicheng, ignore him,” Shen Hanxing patted Han Yin’s head again.

Chapter 425: Won’t Interfere With Their Choices

Han Yin chuckled. She could see Sister Hanxing hated Mo Kaicheng. Usually, Sister Hanxing would never belittle others behind their backs. Now she used the word ‘trash’ instead of Mo Kaicheng’s name. She secretly made up her mind not to have any contact with Mo Kaicheng in the future.

“Sister Hanxing, I’m not in a hurry to fall in love. I’m still young,” Han Yin’s face flushed red. She buried her head into Shen Hanxing’s arms and acted coquettishly. “I don’t want to fall in love. I want to cling to you for the rest of my life.”

“You little clingy,” Xiao Yu leaned against the wall and mocked Han Yin. “Do you still think you’re a three-year-old child?”

“I’m your little sister even if I’m thirty years old,” Han Yin stuck out her tongue and leaned against Shen Hanxing with a smile. She was happy.

“No one could hurt such a lively and cute Han Yin,” Determination flashed in Shen Hanxing’s eyes as she thought, and she reached out to hold Han Yin. She gently coaxed, “Yes, if our Han Yin doesn’t want to fall in love, then you don’t have to. I will be with you for the rest of your life.”

“Sister Hanxing is the best!” Han Yin cheered, mustering the courage to kiss Shen Hanxing on the cheek.

Shen Hanxing was stunned at first, then she shook her head and smiled. “Oh right, next time that trash man pesters you, beat him up.” She frowned. There was disgust in her eyes when she mentioned Mo Kaicheng. “Don’t be afraid of him. I have your back. Don’t cause trouble, but don’t let others bully you either.”

Bingxin Entertainment. Shen Hanxing swore she would make the trash company disappear sooner or later! Shen Hanxing’s eyes were filled with murderous intent. She smirked as she planned.

Han Yin’s eyes lit up. She had found someone to back her up. She quickly nodded and said, “Okay!”

Chu Feng and Xiao Yu looked at each other helplessly.

“For the next few days, let Chu Feng follow Han Yin,” Xiao Yu suddenly suggested. “Don’t all actors have assistants? Our Han Yin will become famous sooner or later. It’s a good opportunity for Chu Feng to follow and protect her. It was still not safe for a young girl to be alone on set.”

Han Yin hesitated and looked at Chu Feng eagerly. “Really?”

“Yes!” Chu Feng nodded and said firmly, “I can go and take the manager’s certificate test. I can learn about this area and help you deal with more things.”

Chu Feng’s character was straightforward and honest. Shen Hanxing had also thought about which path he should take before. Now that she thought about it, the celebrity manager was also quite suitable. She

pondered for a while, nodded, and said, "Okay, the two of you can be together and take care of each other. You have to support and take good care of each other."

Han Yin immediately cheered when she heard this.

The crew needed money to rent the place to film. So, they had a short resting time. After everyone finished drinking the drinks, Zheng Youcai raised the loudspeaker and shouted for everyone to start filming.

"Sister Hanxing, you haven't seen me acting, right?" Han Yin smiled. She said energetically, "The next scene will be my scene. I'll let you see the results of my studies during this period!" She went to touch up her makeup confidently. Since Chu Feng had decided to accompany Han Yin to explore the entertainment industry, he also followed. He was prepared to start learning.

Xiao Yu's phone had been ringing since he entered the room. He took this opportunity to say to Shen Hanxing, "Sister Hanxing, I'm going out to take a call."

"So busy?" Shen Hanxing looked at Xiao Yu as she wondered. In the end, she did not ask further. She nodded and said, "Okay, go ahead." Everyone had their own choices. She would not interfere with their preferences if they did not go astray.

Not long after, the production team entered the filming state orderly. Han Yin was energetic. She was laughing and scolding during filming, yet she had immersed herself in the role when they started shooting. It seemed that Han Yin had not suffered for nothing recently. Even when she was acting with the older actors on the production team, she was not at a disadvantage. Seeing her working the role confidently in front of the camera, Shen Hanxing smiled.

Perhaps the smile on Shen Hanxing's face had melted some of the cold temperament she had when she entered the room. A tall and thin boy with a fair face among the crowd of actors hesitated for a moment. Finally, he mustered up his courage and approached Shen Hanxing. "Mrs... Mrs. Ji..." His voice was a little dry and trembling as he spoke, "I, I'm the cast member of the set today. My surname is Xiang. My name is Xiang Yi. You can call me Xiao Xiang."

"What do you want?" Shen Hanxing was puzzled.

Chapter 426: He Wouldn't Stand a Chance

"Erm..." Xiang Yi licked his dry lips and said, "Mrs. Ji, I, I've always dreamed of acting. I've always hoped to stand under the spotlight and perform different roles, but..." He smiled bitterly. His speech finally became smoother. "But as you can see, there's a gap between dreams and reality. I can only take on some small group roles now. Sometimes, I envy Han Yin..."

Xiang Yi looked sad when he said that. He looked at Han Yin, who was filming, as he said softly, "She got the role of the second female lead in her first movie. That is something that many people don't even dare to dream about. I hope that one day I can also play the lead role and not be a small supporting role that doesn't even have many lines."

Shen Hanxing was confused as she wondered, "Could it be that I looked like a bosom friend? Why does a stranger come to me and talk about his dream? How should I answer this?"

"Then..." Shen Hanxing, who had never encountered such a thing, hesitated and said, "Work hard, and your dream will come true sooner or later?" There was nothing she could do. She could only give some encouragement to the young man who was pursuing his dream.

Xiang Yi's expression was strange for a moment. He chuckled. "Mrs. Ji, you're humorous."

Shen Hanxing was speechless. "I'm encouraging you."

"Why do you have to pretend to be ignorant when you know what's going on?" Xiang Yi's expression was a little displeased. He gritted his teeth and took out a rectangular card-shaped object as if he was betting everything on it. He wanted to place it on Shen Hanxing's chest. However, when he met Shen Hanxing's clear eyes, he felt a little scared. In the end, he obediently moved his finger and placed it on the table next to Shen Hanxing's hand. He said in a low voice, "Sister, I don't want to work hard anymore."

Shen Hanxing was dumbfounded. If she didn't guess wrongly, this person had delivered himself to her door and wanted her to take him as her lover to get a better role in the next movie. She had long heard that the entertainment industry was chaotic. She didn't expect... she would experience it herself. Shen Hanxing didn't know how to react. She handed the room card back. "Sorry, I'm not interested."

"Sister, don't you like me?" Xiang Yi looked at Shen Hanxing, a little disappointed and embarrassed. "I, I'll wait for you at the hotel. See you later." After saying that, he turned around and ran.

Shen Hanxing held the room card as if she was holding something she disliked. Under everyone's gaze, she could not chase after Xiang Yi to return the room card. She could only put the room card into her pocket first. Forget it. Xiang Yi would know what she meant if she didn't go.

"Is the life of a rich person always so decadent?" At this moment, a chuckle came from behind Shen Hanxing.

She turned around and saw the corner of Xiao Yu's mouth curling up as he looked at her mockingly. It was apparent that he had seen the scene just now. Shen Hanxing was helpless. "I didn't expect it either..." She shrugged. "It's the first time I've encountered such a thing. I'm inexperienced."

"You'll have experience in the future." Xiao Yu chuckled. His gaze passed through the crowd and landed on Xiang Yi. After looking at him for a while, he laughed again. "Why is he calling you sister? He is older than you."

"Wow, you're amazing. You can tell his age with just a glance?" Shen Hanxing quipped as she looked at Xiao Yu teasingly. "I'm impressed."

"Isn't it obvious?" Xiao Yu pouted. "He is so old, yet he calls you sister. He isn't good at judging age."

"Do you mean it's fine if he is younger than me?" The smile in Shen Hanxing's eyes deepened as she looked at Xiao Yu from afar. "I didn't expect you like someone younger than you."

"What? There aren't many people who would like me," Xiao Yu laughed self-deprecatingly. When he saw Shen Hanxing's beautiful smile, his eyes were filled with complicated emotions. That was the

production team. The entertainment circle was famous for being filled with beauties and handsome guys. Even if Zheng Youcai's production team did not have any celebrities because they were not famous, the people here were not low in terms of looks. However, when Shen Hanxing sat here casually, there was a casual elegance and extremely eye-catching style in her bones. It was as if the entire world was black and white, and she was the only one with color.

Xiao Yu did not dare to look at Shen Hanxing. He lowered his head and said in a hoarse voice, "He wouldn't stand a chance even if he is younger than you."

"What?" Shen Hanxing did not hear Xiao Yu. She leaned forward slightly and looked at him with a smile. "What are you muttering to yourself?"

Chapter 427: Don't Challenge My Bottom Line

"It's nothing," Xiao Yu's ears flushed red as he replied vaguely, "I'm going to see how Chu Feng is doing." After saying this, he put one hand in his pocket and walked to the side coldly and aloofly.

Shen Hanxing didn't stay on the set for too long. Xiang Yi wanted to say something but didn't. He would give Shen Hanxing a bashful look from time to time. Seeing they were about to film, he even peeked at Shen Hanxing affectionately. His gaze met Shen Hanxing's and quickly moved away.

Shen Hanxing was speechless. To be honest, she did not like this kind of boy. Moreover, as the biggest investor in this movie, she spent her money on every reshoot. To let Xiang Yi focus on filming, she might as well get up and go outside to get some fresh air.

The film studio complex in S City was neither big nor small. The sets of different eras were adjacent to each other. There was a sense of time and space disorder as they shuttled between them. Many of the film crews were filming in the film studio complex. Shen Hanxing walked around casually and did not expect to meet an acquaintance.

Shen Sisi was kissing Zhuang Li in a narrow alley. It was hot and passionate. That was a street with the style of the Republic of China. The alley was narrow. If Shen Hanxing wanted to walk forward, she could only pass through this alley. There were few people here. It was no wonder that Shen Sisi and Zhuang Li dared to be so bold. Their enthusiasm almost ignited this place.

"Zhuang Li, Zhuang Li, please don't leave me..." With great difficulty, their lips parted. Shen Sisi hugged Zhuang Li's waist with tears in her eyes. She choked and said, "You haven't spoken to me for so long. I'm scared. Do you not want me anymore?"

"How can I abandon you?" Seeing Shen Sisi crying, Zhuang Li felt sorry for her. He was disappointed in Shen Sisi repeatedly, but he could not let her go and felt sorry for her. Shen Sisi was simply an addictive drug that he could not stop. He could only approach her again and again.

"Stop challenging my bottom line. I won't forgive you every time," Zhuang Li looked at Shen Sisi and said.

"I'm sorry, Zhuang Li. I love you so much," Shen Sisi cried until the tip of her nose was red. Her small face rubbed against Zhuang Li's chest. She whispered, "Love is selfish, to begin with. I don't want to share you with others."

"So you want to share now?" Zhuang Li smiled and caressed Shen Sisi's waist with his big hand. He lowered his voice and said, "Hmm?"

"You're annoying. I'm serious," Shen Sisi's face flushed red, and she lightly punched Zhuang Li's chest. She looked like she wanted to reject him. "Of course, I don't want to share you with others. If I can, I want you to belong to me alone. But I'm more afraid of losing you than sharing you with others." She raised her head, and she looked at Zhuang Li affectionately. "Zhuang Li, I can't live without you. Don't leave me, okay? If you don't leave me, I'll do whatever you want."

"Are you going to be obedient?" Zhuang Li planted a kiss on Shen Sisi's red lips suggestively, then pinched her chin to deepen the kiss.

"Hmm... I will..." Shen Sisi responded to Zhuang Li's kiss. Between the kisses, she uttered broken words.

"Sisi, do you know you are seducing me?" Zhuang Li's eyes gradually darkened. A part of his body was throbbing. He was worried that there might be people passing by at any time. It was not a suitable place. Therefore, he did not proceed to the next step. Taking a deep breath, he held Shen Sisi in his arms and said in a low voice, "don't worry. As long as you're obedient, I won't leave you."

"I'll be obedient," Shen Sisi's eyelashes were still stained with sparkling tears. She nodded obediently like a little kitten and kissed Zhuang Li's neck and Adam's apple. Feeling wronged, she asked, "Zhuang Li, are you going to marry Wei Xier?" Her eyes reddened again, and tears rolled down her cheeks. She sobbed. "I, I'm not jealous. It's just that I've always dreamed of being your bride. I'm a little sad that I can't marry you. That's all." After saying that, she stretched out her index finger and thumb and made a small distance, looking pitiful and cute.

"Silly girl," Shen Sisi's tears almost melted Zhuang Li's heart. He could not help but lower his head and gently kiss away the tears at the corner of Shen Sisi's eyes. Then, he deliberately asked her, "Are you sure you are only a little sad?"

Chapter 428: I'm Not Silly

Shen Sisi's eyes widened. She looked at Zhuang Li and hesitated for a while. Then, she widened the distance between them by two fingers. She sobbed, "Actually, it's a little bit more... Zhuang Li, am I very greedy?" As she spoke, she was about to cry again. However, she tried hard to control herself. "I already have someone so good like you, yet I still want to have you to myself. I, I'm greedy."

"You can be even more greedy, silly girl," Zhuang Li chuckled. He lifted his hand to caress Shen Sisi's hair and said in a low voice, "don't worry, the only person who can be Mrs. Zhuang, in the end, is you."

"Zhuang Li, what do you mean?" Shen Sisi's eyes were filled with surprise. She lifted her head to look at Zhuang Li. "Is... is it what I think it is? But, what about Wei Xi'er?" She frowned and said, "I know that I am useless. I love you too much. I would rather let others scold me for being shameless. Yet I want to be with you. However, Wei Xi'er is, after all, the heir of the Wei Corporation. How could she be willing to

share you with me? I know that you are with Wei Xi'er for a reason. Zhuang Li, I don't want to make things difficult for you."

Shen Sisi looked considerate. Her eyes were red as she pretended to be strong. "It's okay. It doesn't matter, even if I don't have a status, as long as I can be with you. Don't make things difficult for me. It's just a wedding and the title of Mrs. Zhuang. I, I don't mind." Tears flowed down her face. However, she still tried her best to smile brightly. "As long as you have me in your heart, it doesn't matter if I'm your bride or not. I'm happy as long as you are happy."

No man could refuse such deep affection. Shen Sisi might say she didn't mind, but these were the most important in a woman's life. No woman would refuse a status. However, for Zhuang Li, Shen Sisi was willing to give up all of this on her own accord. She pretended she did not care about it so that Zhuang Li would not feel too much pressure. How could Zhuang Li not be moved? He hugged Shen Sisi tightly in his arms and kissed her hard. "Silly girl, you are silly."

"I, I am not silly," Shen Sisi pouted and poked Zhuang Li's chest in dissatisfaction. Where Zhuang Li could not see, Shen Sisi's eyes shone with pride.

"I won't marry Wei Xi'er? I don't love her at all. The person I love is you," Zhuang Li grabbed Shen Sisi's hand. He placed it on his lips and kissed it. "I'm deceiving Wei Xi'er. I need the support of the Wei Corporation to help me take down the Zhuang Corporation. Don't worry. Once I get the Zhuang Corporation back from Zhuang Yu, I will break up with Wei Xi'er." He pinched the tip of Shen Sisi's nose as he smirked. "Are you satisfied now?"

"I knew you were the best! Zhuang Li, I love you so much!" Shen Sisi cheered in surprise. She threw herself into Zhuang Li's arms and said in a low voice, a little embarrassed, "I'm sorry, I shouldn't have trusted you. I even threw a tantrum with you last time."

"Silly girl," After Zhuang Li said that, he lowered his head and kissed Shen Sisi again. The two of them kissed each other passionately.

"Kissing again?" Shen Hanxing, who was forced to watch the show, shook her head. Just as she was about to step back and leave, she heard a clear voice in the alley, "What a pair of scumb*gs!"

In the alley, Shen Sisi and Zhuang Li were startled at the same time and quickly separated.

In the distance, Wei Xi'er wore a red dress and a black windbreaker. She stood at the other end of the alley with tears and red lips, looking at them mockingly.

"Xi'er, listen to my explanation. It's not what it looks like..." A hint of panic flashed in Zhuang Li's eyes. He subconsciously wanted to explain. If he had the right to inherit the Zhuang Corporation now, he did not care if Wei Xier saw this scene. But now, he had not yet obtained the right to inherit the Zhuang corporation.

A chill rose from the bottom of Zhuang Li's feet. He could not help but clench his fists as he thought, "Why? Why would Wei Xier appear here? Isn't she in the company all day? Why would she come to the film studio?"

“Are you surprised?” Wei Xi’er sneered and approached them in her high heels. The sound of the high heels stepping on the green stone floor was like a life-threatening bell. Zhuang Li and Shen Sisi’s faces turned pale at the same time.

“Are you surprised that I’m here? Zhuang Li, how are you going to explain it to me this time? Are you going to say this woman took the initiative to seduce you? You have repeatedly rejected her, but she clung to you?” Wei Xi’er approached step by step.

Chapter 429: A Good Show

Zhuang Li’s eyes flashed with anger. “Xi’er, I know this seems a little unbelievable, but that’s the truth. You have to believe me.” He tried to pull Wei Xi’er’s hand, flustered. He said, “Xi’er, you’re the only one in my heart. You know that. How could I possibly be betrayed by you?”

“That’s right. How could you possibly betray me? I’ve been thinking about that too!” Wei Xi’er sneered. She flung Zhuang Li’s hand away abruptly. “But I want to ask, who do you think you are? Why would the Shen Sisters throw themselves to you? Zhuang Li, do you think I’m a fool?”

“Xi’er, I...” Zhuang Li did not give up and wanted to continue explaining. But Wei Xi’er did not want to listen. She slapped Zhuang Li. Finally, she shook her wrist. “No wonder Mrs. Ji likes to slap people’s faces so much. It feels so much better after the slap.” She chuckled and looked at Zhuang Li with a mocking gaze. “You pretended to be polite before me, but you kissed another woman behind my back. Well, Zhuang Li, do you think I’m a fool?”

Thinking back to every date with Zhuang Li, she had to take the initiative every time they held hands. There were even fewer kisses. The only time Zhuang Li took the initiative to kiss was at Lu Shaoyang’s engagement party. Now that she thought about it, maybe Zhuang Li did not like to be close to her. That day, he used the kiss as a tool to shut her mouth. What a joke! She had thought that Zhuang Li had never been in a relationship before, so he was especially shy in this aspect. He did not know how to approach a relationship, so she did not care about his coldness. She flattered him, but in the end? She thought her naturally cold boyfriend was hugging another woman and kissing her in broad daylight. He could not wait to get things done on the spot!

Wei Xi’er felt that she was a joke! Shen Hanxing had repeatedly reminded her to pay attention to Zhuang Li. She was like a blind and deaf person. She was blinded by love and treated Shen Hanxing’s kindness as a threat! She was simply stupid to the extreme. It was no wonder that Zhuang Li would continue to lie to her after she had seen him with another woman! Because in Zhuang Li’s heart, she was a fool!

“Zhuang Li!” Shen Sisi saw that Zhuang Li was slapped in the mouth and screamed in fear as she pounced over. “Are you okay? Does it hurt?” She felt sorry for Zhuang Li when she saw him getting a slap from Wei Xi’er. Wei Xi’er could not help but sneer. Zhuang Li was startled. With a cold expression, he pushed Shen Sisi away. “Get away from me! Get away!”

Caught off guard, Shen Sisi’s body was flung away by him, and she crashed into the wall on the other side. It scraped a large piece of skin off her arm, and Shen Sisi’s tears instantly fell.

When Zhuang Li heard the muffled sound of Shen Sisi crashing into the wall, a strong sense of humiliation rose in his heart. If it was not for Wei Xi'er, how could he have pushed Shen Sisi out and still have to continue explaining in such a humble manner? After he took control of the Zhuang Corporation, the first person he would have to deal with would be Wei Xi'er. He would make her regret what she had done today!

Shen Sisi regained her senses from the pain. She gritted her teeth and pounced before Wei Xi'er, crying bitterly. "Miss Wei, I'm sorry, I'm sorry." She made up her mind and slapped herself twice. The crisp sound shocked Shen Hanxing, who was quietly watching the show. Shen Sisi was going all out.

"I'm the one who insisted on pestering Zhuang Li... I like him too much, but Zhuang Li always liked you, Miss Wei. He's never had any feelings for me," Shen Sisi cried. Her tears fell like rain as she pleaded, "I'm the shameless one. I was also the one who forcefully kissed Zhuang Li when he wasn't paying attention. Miss Wei, please don't misunderstand what's happening between Zhuang Li and me. I, I've already done many things wrong. I don't want to let you two have any more misunderstandings. I know my mistake. I'm sorry..." She looked at Zhuang Li sincerely and said, "Zhuang Li, please don't hate me since I've told the truth?"

Zhuang Li was shocked by Shen Sisi's actions as well. He felt guilty and moved when he saw Shen Sisi begging Wei Xi'er for him. He pursed his thin lips and gave Shen Sisi a meaningful look. Then, he turned his head and said cruelly, "I told you, I don't like you. Don't bother me anymore."

Chapter 430: The True Meaning of Love

Clap! Clap! Clap! Wei Xi'er clapped and laughed. "Hahaha, the two of you put on a good show. Continue. Why don't you continue acting?" She smiled, but her eyes were bloodshot. "Do you think I'm a fool? Continue putting on an act. Let me see how shameless you can be!"

Shen Sisi and Zhuang Li stood still. Wei Xi'er smiled, took out her phone, and pressed the play button. "Okay, it's fine if you don't want to act anymore. I'll show you something then."

Zhuang Li's expression changed, and he heard his and Shen Sisi's voices coming from the phone.

"I'm not silly."

"Why would I marry Wei Xi'er? I don't love her at all. The person I love is you. Wei Xi'er and I are just putting on a show because I need the support of the Wei Corporation to help me take down the Zhuang Corporation. Don't worry. When I get the Zhuang Corporation back from Zhuang Yu, I'll break up with Wei Xi'er."

The recording was clear as if an invisible hand had turned into a palm and slapped Zhuang Li's face, making their pretentious words seem especially laughable.

Zhuang Li's expression changed, and he subconsciously defended himself. "Xi'er, things are not what you heard..."

"Zhuang Li, don't treat me as a fool!" Wei Xi'er sneered and looked at him coldly. "I'm telling you today. It's over between us!"

“Xi’er!” Zhuang Li’s pupils contracted. He still needed the support of the Wei Corporation to defeat Zhuang Yu, so he could not lose Wei Xi’er now.

“Miss Wei, don’t be angry with Zhuang Li. What he said just now was to coax me...” Shen Sisi pleaded with Wei Xi’er, “I know you hate me. I will get lost. I will not disturb you guys anymore. Miss Wei, please forgive Zhuang Li!” She cried pitifully.

Zhuang Li felt sorry for Shen Sisi, but he could only pretend he did not care. He echoed, “Xi’er, I will never contact her again. I know my mistake. Please give me a chance.”

“The two of you care so much for each other,” Wei Xi’er looked at them, and the mockery on her face deepened. She sneered and said, “It seems you think I am a fool.”

“Miss Wei, the person that Zhuang Li likes is you... It’s me who is unwilling to give up...” Shen Sisi acted affectionately and wanted to continue lying.

“Enough, don’t say anymore!” Wei Xi’er’s expression turned cold. She growled, “I’m going to puke when I see the two of you! Shut up! I can see and listen for myself. I don’t need any more explanations from you!” Her eyes were slightly red. However, she desperately raised her head to maintain a proud posture and said coldly, “I wish you scumb*gs a long life!” After saying that, she walked straight through the two of them in high heels and left without looking back. When she passed by Shen Hanxing, her footsteps paused slightly. But she did not say anything and left immediately.

“Shen Hanxing!” Shen Sisi saw Shen Hanxing and was so angry that she gritted her teeth. “Why are you everywhere?” What she could not tolerate the most was losing her reputation in front of Shen Hanxing!

“This is the film studio, a place that is open to the public. What’s wrong with me being here?” Shen Hanxing smirked. “Why? Does your family own this place? Can’t I come over?”

“You!” Shen Sisi gritted her teeth and said hatefully, “Don’t gloat about it. Let me tell you. You won’t be able to shine for long!”

“Sisi!” Zhuang Li’s voice deepened and stopped Shen Sisi’s words. When his gaze fell on Shen Hanxing, his expression was cold. “Mrs. Ji, it’s better for you not to meddle in other people’s business. Otherwise, who knows when you’ll be in trouble, right?”

“I’ve never meddled in other people’s business,” Shen Hanxing was unmoved. She said calmly, “I know I’ll lend a helping hand when I see injustice. I know that everyone should punish despicable people!”

Zhuang Li’s expression instantly turned gloomy.

“Mind your words!” Shen Sisi bit her lip. With a pale face, she said in a trembling voice, “Sister, even if you don’t admit it, we are still sisters, aren’t we? Why do you have to be so harsh? I feel insulted each time. Why are you so rude?”

“I didn’t insult you. Why did you take it as I’m doing that?” Shen Hanxing sneered. “It seems that someone is not so open and aboveboard to you, right? That’s right. A man who lives by force and relies on deceiving women’s feelings to reach a higher level is indeed useless and despicable.”
