

LET ME SEE THE REAL YOU

Chapter 5

When Xiao Chuhe heard his words, her expression turned grim and she gave a cold look to Mu Yangyang.

Mu Yangyang bit on her lips. Was this “Mo Zhenxuan” trying to kill her?

Xiao Chuhe pulled Mu Yangyang into the living room and she shoved her away.

She looked at Mu Yangyang with a terrible expression on her face. “Did that man just call you sister-in-law? Is that Mo Chenhao's cousin?”

Mu Yangyang nodded. “Yes.”

Slap!

Xiao Chuhe slapped her daughter hard. Mu Yangyang could hear a momentary hum in her ears.

“Are you shameless? You're messing with the cousin on your first day after your marriage?! Are you trying to cause the collapse of the Mu family?”

Mu Yangyang's eyes were lowered down as she reached out to touch her numbed face. She coldly looked up at Xiao Chuhe. “Why don't you ask if this was something I was willing to do?”

It had always been like that. If anything happened, she was the first to be reprimanded. No one had ever asked her to explain herself.

“He's a disfigured and impotent man and the other is a healthy man. Which one would a normal person choose? Don't tell me you had spent the last night with this cousin, have you?”

A delicate woman's voice came from the stairs. It sounded soft but filled with malice.

When Xiao Chuhe saw that it was Mu Yumei who was coming down, she hurriedly went over to her and asked in concern, “Yumei, are you feeling better?”

“Mother, I'm feeling much better.” Mu Yumei smiled at Xiao Chuhe. She walked over to Mu Yangyang and said, “Yangyang, I can understand how you're feeling right now but you have to control yourself for the sake of the Mu family.”

When she was upstairs, she had seen Mu Yangyang and a man kissing in the car. She had not expected Mu Yangyang, who looked dumb and ugly, to be able to seduce a man.

When she finished her words, she turned around to

look at Xiao Chuhe. “Mother, am I right?”

Xiao Chuhe smiled. “Of course Yumei is right.”

Mu Yangyang clenched her fists, pursed her lips, and chose to remain silent.

For those who did not know about their family, they would assume that Mu Yumei and Xiao Chuhe were the related ones.

However, Xiao Chuhe had always wanted to gain a stable position in the Mu family. She had done everything to please everyone in the Mu family and eventually her biological daughter ended up as if she was the adopted one.

Xiao Chuhe tucked away her smile and looked at Mu Yangyang with a stern look. “Yangyang, since you've already married into the Mo family, you should control

yourself. Don't embarrass the Mu family.”

Mu Yangyang lowered her eyes to hide the mocking looks in them. Although her expression seemed meek, she said, “Speaking of which, if I'm unhappy one day and do something ridiculous, I wonder if the Mo family would wipe out the entire Mu family?”

Mu Yumei had not expected Mu Yangyang, who was usually obedient and seemed like a fool, to say such words. She frowned and asked, “What do you mean?”

“It means exactly what Yumei has heard.” Mu Yangyang raised her head. Her lifeless eyes were no different from her usual self.

Did they think she'll continue to be like a maid, obediently listening to their commands?

She was obedient last time because she had hoped

that Xiao Chuhe still loved her. Yet after her mother had forced her to replace her sister to marry into the Mo family, this hope had been shattered.

“You!”

Mu Yumei was used to Mu Yangyang's obedience. This was the first time Mu Yangyang was going against them.

She glared at Mu Yangyang and turned to look at Xiao Chuhe. “Mother, I'm just advising her nicely! How could she be like this?”

Xiao Chuhe sensed the threat in Mu Yangyang's words, but when she thought about Mu Yangyang's obedience, she put on a stern voice.

“Yangyang, apologize to your sister.”
