

LET ME SEE THE REAL YOU

Chapter 6

Mu Yangyang stared at Xiao Chuhe with a cold look. “Apologize? No way.”

In Xiao Chuhe's memory, this daughter was pretty and smart when she was younger. However, she turned uglier and dumber as she grew up. This was the first time that she had seen Mu Yangyang with a look as sharp as this. She felt a chill run down her spine from her fierce gaze.

She swallowed and turned to speak to Mu Yumei softly, “Yumei, let's just forget about it. What if she really...”

Although Mu Yumei was unwilling to admit defeat, she could not do anything else.

What if Mu Yangyang really did something ridiculous

and the Mo family wiped out the Mu family in anger? She would not be able to live a luxurious life then.

When Mu Yangyang saw that they were both stunned, she turned to go upstairs and pack her things.

She had lived here for twenty over years, but she had so little personal items that it seemed like she was an outsider.

There was no one in the living room when she took her luggage down.

Mu Yangyang stood still for a moment, then went out of the Mu family villa through the back door.

Although she did not know why Mo Chenhao's cousin was so interested in her, she knew that it would not be a wrong move to keep a distance from him.

.....

Mo Chenhao waited outside the Mu family villa for a long while, but still he did not see any signs of Mu Yangyang. His expression turned grim.

When he thought about the file he saw yesterday, he frowned. Was that ugly woman being bullied by the Mu family?

He could not help but touch the spot on his face where she had hit him. He scoffed. She did not look like someone who could be so easily bullied.

“Mister, do you want to come in for a seat?”

A soft female voice came from outside the car. Mo Chenhao turned to look out the window and saw a beautiful woman standing beside the car.

When Mu Yumei saw his face, she could not help but freeze.

She had seen Mu Yangyang and a man kissing in the car earlier, but she did not expect the man to be that good-looking and charming.

How did a charming man like this be interested in dumb and ugly Mu Yangyang?

It seemed like her decision to come out and try her luck was right.

Her intentions did not escape Mo Chenhao's eyes.

He sneered, "Who are you?"

"I'm Yangyang's older sister. I'm Mu Yumei." She did not mind Mo Chenhao's cold look.

Mu Yumei?

Mo Chenhao recalled that there were two daughters in the Mu family. Excluding Mu Yangyang, the other daughter was his supposed wife.

If an average person had looked at her, she was indeed beautiful. However, Mu Yangyang's ugly face looked better in his eyes.

He did not have the patience to talk to her. He asked her with an expressionless face, "Where's Mu Yangyang?"

"She... She should be in her room, packing. She told me to ask you in." Mu Yumei did not want to let go of this opportunity. The people who were related to the Mo family came from wealthy families. Furthermore, he was so good-looking.

Mo Chenhao could not help but scoff when he realized her intentions. Mu Yangyang would not ask him to go in.

If anything, she would have escaped by now!

He did not bother looking at Mu Yumei for another moment. He winded up the car window and drove off.

Mu Yumei had never been treated so coldly by any men. Her expression was terrible in her anger.

.....

Mu Yangyang went straight back to the small unit she was living in.

After college, she had been staying in the school. After her internship had ended, she rented a room.

If it wasn't for Xiao Chuhe forcing her to marry into the Mo family and locking her up at home, she would have never stepped into the Mu family villa

After all, Mo Chenhao was not living in the villa and did not want to see her. It did not matter if she did not go back there.

After unpacking her things, it was already evening. She went out, planning to buy some things.

She lived at Huyang City's slump. The transportation was not convenient and all sorts of shady people lived here.

Just as she turned in to an alley, she heard a loud bang.

Was that a... gunshot sound?

She raised her head to see a white van driving straight towards her like a mad dog.

She moved aside at the very last minute and the car rushed past her. Just as it went past her, the car door slide opened and a tall man jumped out of the car.

He rolled down to Mu Yangyang.

She was about to step backwards when the man suddenly jumped upwards and pressed something cold onto her temple. The man's smooth voice sounded familiar. "Bring me away from here, quick."

When Mu Yangyang saw the man's face, she shouted out, "Mo Zhenxuan!"
